“FOREWORD”

REC #1 HATONN

FRI., DEC. 15, 1995 7:33 A.M. YEAR 9, DAY 121

FRI., DEC. 15, 1995

LIFE IS LIKE A BOWL OF OATMEAL
WITH A PANIC ATTACK

I am told that we need an INTRODUCTION to book number 159 and that somehow it can't wait and I don't even know the reasons it can't wait but publication in print is NOT among them.

It seems that some have offered to do indexes only to find that, after actually indexing a journal, they quite urgently change their task requirements. We also have another problem or two—there are some 50 volumes ready and waiting for printing funds. So, Dharma sits to the keyboard with difficulty in finding balance. With all these things in mind and to make it easier down the line—PLEASE CONSIDER THIS THE FOREWORD TO JOURNAL 159.

I don't want to be either trite or flippant but we have a nice new snag from opponents in the guise of Greenunpeace in stating that because “there is a ‘Volume Dedication’ we are somehow in the novel-writing fiction category of book production.” So, if someone will tell me what else you can call a journal so it doesn't present as a book once the pages stack up to some 200, I will be happy to call it that. We, when we could afford it, could accomplish that in less than TWO papers! *Ronn Jackson's New Republic* does that in one week of FAX phonings. Do I intend to stop writing and does Dharma intend to stop typing? No we DO NOT! Who else is going to step out front and tell you about soggy oatmeal and Yucca juice?

Who else is going to be the FIRST to point out that old Deep Throat (literally, from “Watergate”) Kissinger also threatened to go over the heads of the FBI to get some of his damage done? Now the major question about Kissinger is whether or not he eats his oatmeal in the mornings? I doubt it but I now fully recommend SpeltaLoopies so you can DIGEST the rest of your day(s). How dare I come along and actually tell you that Spelta is better for you and WHY, while I somehow damage the soggy oatmeal hanger-oners and the Wheaties boys. Well, then, let us go one step further and point out that SMUT infection has been spread throughout areas of the grain-belt and 99% of the consumers are allergic to it (intentionally) and the smut cannot be cleaned out of the grain through processing except through high-temperature and still the residue is an allergen. SPELTA MAY WELL PRODUCE IT'S OWN FORM OF SHIELD WHICH WILL APPEAR SOMEWHAT LIKE A MOLD—BUT IT ISN'T (IN FACT THE SHIELD IS ONE OF THE BEST COUNTER ATTACKS TO HISTAMINE RELEASE OF ANY PRODUCT YOU MIGHT FIND ANYWHERE FROM ANY DRUG HOUSE). NEVER MIND THAT, HOWEVER, FOR IF YOU EAT YOUR SPELTIES AND DO YOUR COLLOIDS AND ESPECIALLY OXYSOL (DIAMONDS IN COLLOID) YOU WILL ALSO ***GET RID OF YOUR ALLERGIES AS THE IMMUNE SYSTEM COMES INTO FIGHTING FORM.***

Spelt will not compromise its fruit to suit the grower's drive for quantity—it will simply build itself a shield of bigger and thicker insulation—which in turn is exceptional in both insulation and radiation shielding. Now, isn't this fun?

Next, there are lots of things we can use to help in drought areas to enhance moisture retention and some of the products in cosmetic use are unsurpassed. Yucca is a wonder-product. It is a "wetting" agent, will clump around roots to hold moisture TO THE PLANT, can be scattered with plain old pumice and go a million miles on a tank of gas. In a field it also shields the root system from too much water as in "flooding" because it will not allow more on the root system than the plant can use. With pumice you have the ideal volcanic glass compound that can react with the wetting agent and form a bubble of air around the plant's root system. You can even refine it down further with other planting mix products which actually are made to hold water—as in yucca. The point, however, is not to strip the world of yucca plants so, obviously, you have a new agricultural product. With just these two additives along with carbon (charcoal) you have the balance which will, growing the RIGHT crops, regain sweetness to your soils.

I bet you didn't realize that Spelta is about the ONLY crop grown that is 100% ORGANIC IN ITS NATURAL STATE of anything you can do or buy.

No, I don't care if the WORLD DOES NOT KNOW. I don't know about YOU but I am sick and tired of feeding our products to our enemies while they work until they turn the gold into nuggets for their treasure houses and our people STARVE!

And moreover, what about the big hitch over DHEA pulled from open shipping? Never mind—go eat yams. The variety from Mexico as in "wild" unhybridized type, is where it naturally comes from. The Masai of Africa are the healthiest beings on your globe and that is what they eat almost exclusively.

Now, readers, please don't come forward with a long list of how to use these things and what "else" we should do—we know WHAT TO DO AND HOW TO DO IT. WE CAN'T AFFORD TO DO IT FOR WE END UP WITH LIARS AND THIEVES AMONG US.

SPEAKING OF

People don't like us to write the facts and truth for you expect us to act like some cult in spasmodic Spiritualism smiting the "they seemed like such nice people" in letting them take and tell whatever they like and never mentioning it lest "someone find out they were not nice at all".

I found it interesting yesterday when Rod Ence/Enz was watched taking and loading all the Farm Equipment onto a truck headed for Idaho—that he shouted to the neighbors that "those people are cult-members and troublemakers, so don't listen to them." Even the neighbor whose property Rod was using had to leave the scene, he was so embarrassed over the Enz antics. Rod shouted insults at Brent while also telling Brent how sorrowful he was over Brent's involvement to blindness in "that cult"! The only thing I can ever see "cultish" about anything around these parts—are the ones who took, stole, lied and cheated IN BUSINESS. Is not the SOUL attached to the body doing these deeds?

Nothing was done to stop Mr. Ence/Enz (who brought his beautiful daughter along to run shield for him).

He was shot at many times—WITH ALL MANNERS OF CAMERAS SO THAT NO ONE CAN SAY IT DIDN'T HAPPEN. MR. ENCE EVEN TRIED TO COVER THE CAMERA LENS. You have to understand, readers, that the people have worked diligently here to build a research project farm where they can produce fine products in affiliation with an Institute which functions as the BEST in academic recognition. We had a nice start into recognition with its own publisher embezzling at the least (KNOWN) almost half a million dollars—right off the top. So, what would another \$25 to \$50 thousand hurt? Well, it hurts EVERYBODY! Mr. Ence/Enz was, while he did this cute trick, a member of “that cult” to which he refers, AND PRESIDENT OF THE INSTITUTE BOARD OF DIRECTORS, TOOK FUNDS (INTENDED FOR THE INSTITUTE) FOR HIMSELF PERSONALLY, AND THEN COVERED IT UP WITH LIES AND MORE LIES AND A RUINED FARM—AND BLEW UP THE MOTOR ON THE TRACTOR HE BOUGHT FOR HIMSELF. No, I guess he doesn't want us to say too much; it is “uncomfortable” but he is going to “fix them cultists”; he is going to get ex-judge Jason Brent to “scare hell out of them”. I don't think so for there are some nice legal issues in the writing to focus on that big-deal Jason Brent for his past antics and there are a lot of people who have been hurt by him. After all, Jason Brent is the one who wrote for the influential *MENSA SOCIETY* for brilliant nerdnicrats that “you might as well face it, depopulation is absolutely necessary—we must accept that the elderly, infirm and stupid will have to be killed.” No, I do not jest—he really DID IT. Now, I think if Mr. Ence/Enz wants to go with that insipid party in point, he should just go ahead and do so. Maybe he might consider George Abbott except that Mr. Abbott only takes cases from people he has already stolen from and knows have more funding. And, by the way, Rod, \$25,000 won't even begin to cut the mustard with regard to legal fees. Ask Leon!

SUPREME COURT OF NEVADA

Our friend, Gene Dixon, attended THE Supreme Court hearing regarding Dave Overton's gold—yesterday, with Brad Elley who represented the Institute as legal counsel. Each attorney was allotted 12-15 minutes (and they work with a time-clock). The Justices hearing the matter kept David Horton for over half an hour pinning his proverbial ears to the blackboard. The final judgement is not yet written—but it did not bode well for the lying, cheating George Green. He and Horton were caught in so many lies and deals as to embarrass the court. So, readers, THERE IS HOPE FOR A RETURN TO JUDICIAL TRUTH—IF YOU CAN JUST LIVE LONG ENOUGH! THEY EVEN GOT ENTANGLED WITHIN THEIR OWN ASSOCIATED PRESS RELEASES. Indeed, readers, yesterday was a GOOD DAY!

It was interesting that, while this battle was being faced, Mr. Ence/Enz was loading to ship the stolen property (two tractors, a potato planter and a beautiful rig of fine plows) across many state lines, all the way to Idaho (with a stop-over in St. George, Utah, where he grew up and his family lives, to drop off the small tractor). I think that is interesting since he can claim he is simply going to get funds back and repay the gifter—BUT, it doesn't work that way because he has taken the property from other parties. You must understand that through the Institute, in the form of gifts or loans, the GIFTER is covered by notes and/or at the least protected from IRS search and seizure. SOMEBODY HAS TO ACCOUNT FOR THE FUNDS WITH THAT OLD UNLOVABLE IRS! Ence has a worse problem because he has received a lot of assistance from the State and Fed. Government for family and children's needs.

What I think I dislike the most in all this is that NOW, both the shipping people and the receiver of the goods are responsible for RECEIVING STOLEN GOODS, SHIPPING STOLEN GOODS AND ARE SUBJECT TO LAWS GOVERNING INTERSTATE TRANSPORTING OF STOLEN PROPERTY.

Rod just kept reassuring the truck driver that his paperwork was in perfect order and that he was the true and legal owner of the property. Oh??? I don't think so!

Can you see my point, people? Tangled webs from deceit will always come back to bog you down and nobody can do anything to help you. I am now expected to HELP some who filed "land claims" and have been indicted for doing same. I CAN'T HELP YOU BECAUSE, WHATEVER YOUR "INTENT"—YOU BROKE THE LAW! I can't help it, either, if the laws are WRONG. "They" have big GUNS to enforce their laws—and believe me, readers, THEY MAKE SURE THE LAWS ARE PROPERLY MADE ENOUGH TO OVERRULE YOU THE CITIZEN AND "UNCONSTITUTIONAL" DOESN'T LONGER HAVE ANY IMPRESSIVE VALUE AT ALL. This simply is not a wise way to go about change for YOU ARE THE ONES WHO GET HURTED AND DEADED.

I believe, Dharma, that this should be taken from the computer so that other things can be attended early in this day for a lot of things are taking place which must be attended. We need to be able to get another product or two available and yucca is one of them—in ability to take internally as a natural herbal product. You will find it to be one of the BEST lubricating and cell moisture-holding elements available for general use.

Thank you.

CHAPTER 1

REC #1 HATONN

TUE., DEC. 5, 1995 7:07 A.M. YEAR 9, DAY 201

TUE., DEC. 5, 1995

PRECIOUS FRIENDS

I would like to make note of some things which happen along our path together. The “Remnant” participants are hearing the call and responding, and recognition of being “crew” is ringing in their hearts as they find brotherhood confirmation through our sharing. HOW ELSE DID YOU THINK IT WOULD BE? THAT is the purpose for the writings in the first place, for each must have a way to recognize another kindred soul and recognize the “time” is at hand. Each will recognize confirmation in different and strange ways but, nonetheless, IT WILL FIND ITS WAY INTO YOUR MINDS AND HEARTS. I have a gifted and talented friend in Maureen C. who, more recently than you who “began” this journey with us in early connection, shares with us often. Please realize that we simply have no way to share much of anything of wondrous connections as we try to alert a population to problems and need for attention. But I would share this message in poetic format, not because it is necessarily so “different” but that it says the same thing we say—EXCEPT MAUREEN WROTE IT IN 1985—BEFORE DHARMA EVER HEARD OF ME OR MY TASK. I would like to share just the poem and, as we can, there is much, much more to offer as we can do so.

On the page is a sketch of a Quetzal bird (A sign of the return of the Phoenix) which is so wondrously beautiful as to become extinct for being so beautiful. But the species is BACK after centuries of absence and it IS A SIGN UNTO THE PEOPLE OF OUR RETURN.

FAITHFUL REMNANT

*Some are called to be the faithful remnant
Waiting through the night
Walking through the valley of shadows and
Dancing into the light*

*Some are called to be the faithful remnant
Crying out for those who can't be heard
Called to witness for peace and justice
Until the flight of the Quetzal bird*

*Some are called to be the faithful remnant
Those brave ones unafraid to see
That we too are held as prisoners*

Until all the bondaged are set free

*Some are called to be the faithful remnant
Caring for the forest and streams
Cleaning up after mankind's garbage
Until all the rains fall clean*

*Some are called to be the faithful remnant
Praying for a vision restored
Asking that this Mother Earth might carry us
Until we've found a way to end all human wars*

*Some are called to be the faithful remnant
Waiting through the night
Praying until all man's bullets are buried
Until all God's children are fed
Until all our sorrows away are carried
Until all those who mourn are comforted*

*Some are called to be the faithful remnant
Waiting through the night
Walking through the valley of shadows and
Dancing into the light.....*

Maureen Curle
April, 1985

I am going to go a step further and DEDICATE this writing and this poem to one Marie Zittel who is a precious, precious friend. Marie is also Aunt to a journalist I respect and revere as being among the most daring and best informed of all journalists. He writes for *Spotlight* and his works are outstanding in credibility, integrity and daring as to subject. His name is Mike Blair and I honor him as well. I also want to dedicate the above poem to Lester Keilar of New Zealand, a recognized compatriot since onset of our writings from this location. He is without job now and we can't seem to help in that arena. All I can say to Lester is to go with Inner Guidance for he has a great mission. We will try to find some way in which he can structure or offer product in that country. They can't get our products into Australia, either, and yet there is nothing in them which is even questionable.

This very act of being without a job is interesting, readers. Lester was an outstanding therapist in a hospital in Christchurch—NOW THE HOSPITALS ARE WITHOUT FUNDING! You are ALL in "it" big time, readers, and it is a time through which we must bring this remnant and so we shall.

SPEAKING OF PRODUCTS

What does it take, dearly beloved? Does it require the old "Dearly beloved, we are gathered here this day to remember..." (YOU??)!

Right this day the very people WHO PROCESS OUR PRODUCTS in New Gaia are all out being extremely ILL with flu! Lester in New Zealand was out of function for over three weeks and actually missed a job replacement due to illness. The flu is causing people to become totally sick and non-functional at the least and residual problems will recur for months as you are being inoculated through this routing to have the problems RECUR.

YOU EITHER LIKE (ENJOY) BEING SICK OR SOMETHING. I DON'T UNDERSTAND. YOU DO NOT HAVE TO BE SICK EVEN WHEN STRICKEN—FOR MUCH MORE THAN A DAY OR SO—IF YOU ARE DILIGENT AND FAITHFUL TO THE PREVENTIVES. Since it is coming within family and friends who contact us regularly—let us take precautions for, Dharma, I can't have you out right now. Take opportunity to rest as much as possible and DON'T PUSH THE RIVER. I don't care if none of you ever celebrate a so-called Holiday again; cool the pressure cooker and pretend Christmas reminds us of GOODNESS instead of a drain on budgets, souls, hearts and bodies. Simplify everything as much as is possible and REMEMBER: it is better to take care and have “another” day than to live sickly through the rest of your days. THIS flu is nasty and, like a herpes virus—will reside with you until you clear it out with such as silver colloids. There is another problem, however, and that is that this virus does have the first titanium “neck” molecule within the flu varieties. That means you need the gold electrolysis processing and to keep up the gold “connector” drops. Why? Because this flu is programmed to cause fevers and damage to nerve signals and connections. Colloidal gold might well control the fevers, keep the tummy able to receive food and drink and generally allow you to feel better. Colloidal silver will also pretty much knock out the virus structure because in the flu DNA structure itself the titanium is not stable and, in being quite weak as a glue neck, is probably broken up by the silver.

You also need to increase, a bit, the Gaiandriana which we now structure with colloids so that you have monatomic gold ions in the cells. The transmutation of the OxySol and silver colloid—brings the WHOLE of Gaiandriana to invisible light ray frequencies. Monatomic Gold is THE atom which allows for perfection in cell DNA while the other things are converted into spectacular catalysts.

You can be very sick if you want to, or very well in general—the choices are up to you. This flu as further tampered with is going to end up being LETHAL to sick and elderly people and it is going to also be lethal to a lot of small babes and children with ongoing infections. The mere presence of the new virus strain will convert and cause the other strains carried, along with other biologic microbes, to become RESISTANT TO ALL ANTIBIOTICS. THIS VIRUS WILL MERGE INTO AND BE CARRIED WITHIN BACTERIA YOU ALREADY HAVE OR THAT WILL BE COMING ALONG. REMEMBER: BACTERIA CAN GENETICALLY CARRY THEIR OWN VIRUSES. It behooves all of you to consider whether or not it is cheaper to protect selves than spend more on a funeral for that is where the “big boys” are headed FOR YOU.

Now for you who work around these parts: I have no patience with your illness and rather hope you get just sick enough to decide it is better to prevent than experience. Why do you put your children through this misery just because they don't “like” the flavor of something? Worse than that, parents, this stuff has no flavor to speak of, good or bad—so mix it with something they DO LIKE or simply use discipline and put it down their little throats! Do you want a dead baby? Then for goodness sakes—USE YOUR HEADS AND THE BRAINS WITHIN THEM.

Toxins from the invaders will make you ill—but you don't have to be sick to death for days on end and still carry the buggers forever. You are IN SERIOUS TIME and you don't know when the NEXT little jewel the fellers have in store for you will eat you away into dissolution—while being very, very miserable all the while. Do I deal in FEAR? I certainly HOPE SO! As long as God provides, and you DENY, the problem remains your own so spare us your complaints. We even had a reduced-price sale to make sure our people had access to product and ability to increase intake if necessary. I don't know if there can be a second run at that type of sale or to what extent because of the costs involved—but we will try. Also remember, it is a good immune system which is your protective shielding. You may well get an attack of something and it may well immediately overwhelm your immune system but, if healthy, it will recover and take control of the invading microbes. Then, with immediate response with anti-invader products you should be able to get through most of the available (at this time) problems. These are NOT medicines in any sense of the word, nor are they anything except specially prepared natural elements which are totally harmless. It is, however, like the poison antidote that sits on the shelf while you die of a poison overdose. You have to use the stuff! Diet products will not make you thin, either, and misused they will actually make you nervous or more quickly add fat pads. USE YOUR GOD-GIVEN REASONING BRAINS. This time, readers, an ounce of prevention will save your life! If you prefer the drama of sickness or death—then act accordingly. But please, if you choose the latter—take me off your “sympathy giver” list. I will have unlimited sympathy for you the FIRST day!—period. Then, I will have sympathy for your caretakers the rest of the time you are down and out!

NOTE ON CONDITION OF ZITA MORRIS

I am asked, as I write, about Zita's condition. She is fine, she is in a health program as requested for INFORMATION. She is well. She has no active mutation cells which are not able to be cleansed from the system. We needed her to experience some alternative therapy sessions in order to look ahead to the times of need for our own programs for the people who don't hear about healing for themselves and/or find the “tools” to accomplish the possibility. We are grateful for her willingness to go through some most uncomfortable things to gather this information—and for her, yes indeed, I have “sympathy”. I would prefer the high colonics be utilizing colloids in conjunction with Gaiandriana—but then, nobody asked me about it. They did, however, demand that nothing as “kooky” as either be brought within their sacred halls. This SHOULD BE YOUR FIRST CLUE. Zita is well now if she can just stay rid of the “helpers” and chemotherapists long enough to escape their debilitating edicts and death sentences. How do they so clearly offer you thus how much to live? Because they know how long it takes to legally KILL you. Well, no, I don't have much use for a lot of things.

However, there are a lot of things we need to acquire LEGALLY WITHIN ALL REGULATORS AND REGULATIONS and the contacts are made through the reaches of others—so, we do that which is reasonable and acceptable and then you don't have to DEAL WITH INVISIBLE POSSIBILITIES! Nor do we cross the lines of unacceptable acquisitions, regulations or investigators of the political kind. The lessons were most certainly learned in the context of suggesting light and frequencies are beneficial to know about as were realized by one Walter Russell. US&P certainly did allow us no leverage to use anything remotely relative to them or to W. Russell. In the return equation, however, I suggest that “their” “researchers” into wondrous energy resources of the gentleman WILL NEVER BEAR FRUIT! They just don't get it, do they? So far their research is a full 180 degrees OFF. I further suspect it will remain so.

So much for that subject—you will do what you want to do and so be it.

The next is a nice surprise, readers, as I have already heard back from “One Who Knows” and also, likewise, from Mary Snell. We hold both in our hearts and in appreciation for IT’S A SMALL WORLD AFTER ALL—IS IT NOT? Mary bravely carries on the candle flame of truth as she can and One Who Knows shares what is available and we sincerely appreciate BOTH for it is through these types of connections which cement our own circles of communications. GOD IS SOMETIMES A SLY OLD FOX, ISN’T HE?

At any rate we have another section (Part V) from One Who Knows—directly from him—*I assume*. This party also speaks of some other information regarding MUFON [*Mutual UFO Network*], etc., and YES INDEED, WE CERTAINLY WOULD LIKE ANY AND EVERYTHING YOU WOULD WISH TO SHARE WITH US, FRIEND. We will respect your identity and we will ask that you stay close to OUR FRIEND in your location. He needs a reason to go on going on and his work is unfinished. I have purposefully kept separate from THAT contact personally because of the danger to his well-being at present while there is ongoing interchange and greed shuffling. I suggest you just continue to enjoy “the coincidences” in your life and amazement is quite acceptable. Try Amazing Grace! It is even more wondrous.

Before we launch off into Part V of *Fire From The Sky*, I request that ASAP a copy of Eustace Mullins’ yesterday receiving—be put into *CONTACT*. He is gracious enough to give *CONTACT* first choice of his material and it is wonderful to share such insight.

I also ask that Rick get in touch with suitable parties of equal interest and suggest they all get in touch within the circle of such as Wean, Mullins, Stich, Renick, etc., and make sure they all have the copy of Piper’s book *FINAL JUDGMENT*. I know that they all KNOW one another—but I want them to know that we know that they all KNOW one another. This is a hot topic and when we get so deeply into involvements of the Mossad, etc., the MORE PEOPLE who recognize and become public—the more protection is given and afforded, through publicity, safety.

The “distractors” will fall away or come around, whichever seems more worthy “to them”, but we now know the colors of their flags and can easily work within safety WITH THEM if it becomes positive in nature to do so.

FIRE FROM THE SKY, PART V #1
by “One Who Knows”

[QUOTING:]

IN THE BEGINNING...

In the March 1919 issue of *Electrical Experimenter* magazine, details of the Roger’s underground communication system were released. This system was later classified SECRET and used to communicate with submarines during World War I. It involved using frequencies under 30,000 cycles per second (30 kHz) transmitted through the ground and water. The signals were 5,000 times stronger than signals

through the air. The patents are confusing to most engineers, but to someone who understands, it is obvious that the transmitters were using scalar waves. If you wonder if it could be possible for scientists to devise the type of technology written about in the early *Fire From The Sky* articles, you need to be aware that this technology has been around for a long time. Actually, for a very long time.

For instance, in 1977, Louis Kervran won the Nobel Prize for showing that plants and animals (his main experiments were with chickens) use “scalar wave” type technology to transmute elements, for instance turning potassium into calcium. This is impossible according to the “laws” of physics currently taught in schools. The ruling Elite does not want you “common folk” to have this type of knowledge, as it will undermine their control over you. So the “laws” they teach are WRONG.

While the oil barons sabotaged Nikola Tesla’s efforts to provide cheap or free energy to the world, the Russians took an interest in his material and developed it.

Nikita Khrushchev asked his physicists, specifically Pyorte (Peter) Kapitsa, to develop a system for total defense against missiles and aircraft. By studying Tesla and others they were successful and, in 1960, Khrushchev announced the development of a “fantastic” Soviet weapon, one that could destroy all life on the world. (“Khrushchev Says Soviet Will Cut Forces a Third; Sees ‘Fantastic Weapon’,” by Max Frankel, *New York Times*, Jan. 15, 1960, p. 1.) However, it was not quite ready and in 1962 Khrushchev was forced to back down during the Cuban Missile Crisis. This caused him to lose much face with his government and people.

U.S.S. THRESHER AND THE U-2

As things were not going well with Khrushchev, he decided to use the weapons system before it was fully operational and on April 10, 1963, he successfully detected and destroyed the nuclear submarine *U.S.S. Thresher*, using an underwater scalar howitzer. The next day, they celebrated by firing a pulse blast creating a tremendous underwater explosion about 100 miles north of Puerto Rico, south of where they had sunk the *Thresher*.

Col. Tom Bearden described the event: “It left a signature: the sub’s surface companion, the nearby *U.S.S. Skylark*, was in the splatter zone of the underwater scalar interference. That is, spurious EM noise was being generated in all the *Skylark*’s electrical systems, some of which were actually disabled. So intense was the “electronic jamming” that it required over an hour and a half for the *Skylark* to transmit an emergency message back to its headquarters that the *Thresher* was in serious trouble and contact with it had been lost. Some of the *Skylark*’s communication systems actually failed, but later resumed operation inexplicably, once the jamming was gone. That type of “jamming” of multiple bands and multiple electronic equipment, of course, together with the anomalous failure of electronic equipment and its later mysterious recovery, were direct signatures of the use of the exothermic scalar interferometer against the undersea target area in the vicinity of the *Skylark*.

“The very next day, April 11, 1963, the same Soviet scalar EM howitzer system was tested in the “destroy submarine” pulse mode. A huge **underwater** EM blast occurred off the coast of Puerto Rico, about 100 miles north of the island. The underwater explosion caused a huge boiling of the surface of the ocean, followed by the rising up of a giant mushroom of water about a third of a mile high. The mushroom of water then fell back into the ocean, completing the signature.

“Fortunately the entire incident was seen by the startled crew of a passing U.S. jetliner which was just passing its checkpoint in that area.” (See Robert J. Durant, “An Underwater Explosion—or What?” *Pursuit*, 5 (2), April 1972, p. 30-31.) For more information on the *Thresher* disaster and *Skylark* problems, see John Bentley, *The Thresher Disaster*, Doubleday, Garden City, N. Y., 1975, particularly pg. 164.

“These two incidents were full-up operational tests of Khrushchev’s newly-deployed superweapons. He probably staged this dramatic one-two punch in a desperate effort to recover face with the Communist Party after his disastrous facedown by Kennedy in the Cuban Missile Crisis a few short months previously. Apparently the attempt was successful, since he remained in power another year before being deposed.”

There is also evidence that the U-2 flight of Francis Gary Powers was shot down by this technology. Bearden says: “In fact, Gary Powers’ high flying aircraft was probably shot down in 1960 by a ‘jury-rigged’ scalar EM howitzer using modified radars and timed scalar pulses to provide an aerial explosion and EMP.” (*Fer-De-Lance*, by Tom Bearden, p. 65.)

[END QUOTING OF PART V #1]

We will take up with PART V #2 and TOTAL RUSSIAN DEFENSE at the next opportunity.

I hope you readers fully utilize this gift of integration and summarizing of all this tremendous amount of information offered here. We have no time for such summarizing or the amount of research required to pull from available authors and investigators. We are indeed grateful and may we, please, never impose on the gracious people who share so magnificently. The only way in which we can come to awakening and recognition of the players in this inter-galactic game is to share openly and freely. The rewards will then take care of themselves. Blessed are those who share freely, for theirs is the information which bears trust in truth. It is a massively time-consuming task to summarize so much material, even from our own offerings, so please let us offer abundant appreciation until we can openly share honors. Salu.

CHAPTER 2

REC #1 HATONN

WED., DEC. 6, 1995 7:17 A.M. YEAR 9, DAY 202

TUE., DEC. 6, 1995

ABOUT THESE WRITINGS OF MINE (HATONN)

(Pronounced: 'Aton')

We are asked why do we have to put up with this journalist to get to the meat of his articles? Because I am the journalist and this is the way I write. My intent always is to speak to my team and to offer information shared.

CONTACT is the most read paper on your globe and probably holds the least number of subscriptions. Our most faithful readers are the Government brigade, following only the Intelligence agencies. Therefore, **THIS** is our mode of communications with personages in both those groupings as well as to bring light unto the dark places of your information flow. We only reveal what is known **SOMEWHERE**. We are not here as revelators **OR** scavengers. Neither are we here to take sides in **WARS**, build militias **OR** overthrow anything—**EXCEPT EVIL**. We don't wear capes which read Superman or Batman or Mr. Goodman.

We don't just sit down and copy and offer articles—which would undoubtedly save time and space—because I **NEED TO MONITOR EVERY WORD AND COMMENT ALONG THE WAY AND, FURTHER, I NEED EVERY WORD GOING INTO MY SECRETARY'S DATA BASE AS SHE TYPES EVERY ALPHABET LETTER, AND THE EDITORS NEED TO READ EVERY WORD.** We use no scanners at this desk, except the surveillance crews at Edwards AFB and the Intelligence team who catches **EVERYTHING** passing through, into and over this building and keyboard, phone and all electronics equipment (i.e., phone, answering machine and FAX). I choose to do this for a second reason: If **ONE** person can write what I offer—then **YOU** have **TIME** to read it. Nobody here remembers everything, every word, or even picks up all the “concepts”. However, we have the information when it is necessary and instructions become very clearly defined as we get to know each other from the **MIND—OUT AND UPWARD.**

I will say that this particular ground crew is weary for their “tour of duty” is extended longer than those who have served prior to now. However, some of those who were “retired” are serving equally heavy schedules as teamwork is demanded. Sounds “crazy”? Not really as you think about it—how else did you think it would be?

Yes, to you inquiring minds and eyes, the very large wedgeshaped craft seen in various places and very frequently around the Hudson River area are **OURS**. You have some replicas but you cannot hover with them and you cannot well travel at extremely low speeds. Most of my ground team have seen the craft, usually late at night. We use those craft for “diplomatic” purposes and travel by night so the viewings are either missed or intentional. What you are actually viewing is “half” a full disc, so yes indeed, we are talking

about a 1000 ft. craft. Big? Not by OUR standards. We bear (show) white “running” lights and proper aviation markers when in your airways; when “expected”, we often have chaperons of the military variety, especially around your military bases and when YOUR undignitaries are present—you know, to usher us in and out of your little cute spaces to “secure” their nit-wits. Ever heard the old one about the flea and the elephant? Ah indeed, we play the games!

SCALLION’S CROP CIRCLES

About Scallion and his outlays on crop circles? I don’t agree with very much of Mr. Scallion’s predictions other than as pattern markers. Why? Because you are a manifest holographic projection and a lot of “stuff” goes on that is none of my business. Crop circles are both informational and decoys for games which I don’t appreciate as much as the *mysterious* speculations. The etherians Mr. Scallion communes with are NOT from my fleet and you would be amazed at how easy it is to make crop circles. How can you “judge” truth in explanation? You have to deal with INTERPRETATION and just as Copernicus was misunderstood about the Earth being the center of the system, so too are you misinterpreting the Earth’s place in the crop circles. You ARE being shown a PERCEPTION so as to better connect with the mindset of the Etherians, but you are interpreting that the Earth is something it is not, from the dialogue.

You are having so few NATURAL Earth changes that it is not difficult to nail the next planned happenings and it becomes more easily trackable if you keep up with what is going on. You can’t, for instance, detonate major nuclear bombs in the Pacific Ocean and not expect major quakes along the tectonic plate faults and the ocean rifts. The quake areas will be in direct lines with rifts and I can tell you right now that the Cosmosphere Russians do not like the pounding being taken in their territory from the joint ventures of France, the U.S. and England. Yes indeed, good friends, the information from those “test” explosions is registered directly to White Sands and other “ally” systems BEFORE it is even collected by France. It appears the “sides” are becoming more clearly defined. Do not confuse those “Russians”, with all the major advanced technology, with the Khazarian Soviets, who are affiliated with the KGB/MOSSAD. Neither should you confuse the CIA with the CIA (no slip). Communism has become a simple codename like, say, Desert Storm—and CIA is simply a fool’s cover for Communist Intelligence Agency. Communism was coined and developed by the Khazarian Zionist One Worlders—it means nothing more than a false front for World takeover. I don’t call it similar to a Monarchical type of government; I refer to it as a Maniacal form of CONTROL by FORCE. The U.S.A. (all the Americas in fact), are in that final transition into this form of Maniacal crazyville existence.

Mr. Jackson calls for “militia stand-by”? Fine, if that is what you want but whoever proffers that type of protection as being in any way worthy is NUTS. You will, moreover, lose your proverbial everythings. **YOU CANNOT WIN WITH YOUR POP-GUNS! YOU CAN WIN WITH LAW AND PEN AND INK—NOT GUNS, SWORDS OR THREATS.** You have pulse waves and pulsar lasers that can blind and/or take out every living thing in major cities or massive armies with ONE SHOT. Mr. Tesla WARNED you it would be this way! There was a lot more brilliant cooperation with him back then than you might surmise NOW. You don’t have the slightest idea who your REAL FRIENDS are! The enemy of your GOVERNMENT and POWER ELITE is NOT THE SAME AS YOUR ENEMY MIGHT BE. However, if you are out there with your sawed-off pop gun you will never live long enough to recognize the enemy.

Why don't we just swoosh all of you away—who would like a change of scenery? Because you are primitive and warring children and, frankly, we do not want you with us until you grow up! We are sent to inform you—not SAVE your proverbial assets—because we don't want your “assets” either.

Who believes me? Who cares??? The ones who CARE—**ALSO KNOW!**

[QUOTING:]

FIRE FROM THE SKY, PART V #2

by “One Who Knows”

TOTAL RUSSIAN DEFENSE

In 1968, the Soviets made a statement in *Military Strategy* that the USSR has achieved a 100% defense, and the West has not (*Sokolovsky*, 3rd Edition). [**H: Go back and read it again!**] Were they telling the truth, and if so, to what were they referring? it is only a matter of life and death, you know.

Dr. Edward Teller said in 1987: “Today, the Soviets have a monopoly on defense and they intend to keep it. We have done practically nothing about civil defense.” He also said, “The Soviets have worked for the past 10 years perfecting laser weapons and now have a laser capable of shooting 1,000 miles without its beam *spreading more than 5 feet*” (Jan.-Feb. 1987 *Fusion*).

PROJECT PAPERCLIP

Before we continue in time sequence of what happened, I want to go back and point out some connections you need to know. The earlier *Fire From The Sky* material says that Russia succeeded in developing anti-gravity levitating platforms, which are the same things as commonly called flying saucers. In fact the Soviets used former Nazi scientists to achieve their advances. The Nazis actually originated the “flying saucers”, and they got ideas and information concerning them from extraterrestrials. This is what all the records indicate. I will give you some leads and if you are serious, you can do your own research and prove it to yourself. You don't have to believe me or anyone else—check it out for yourself!

For information about the Nazi scientists, I suggest you study material about Project Paperclip. (*Project Paperclip* by Clarence Lasby; *The Torbitt Document* by William Torbitt; *The Nazi Connection to the John F. Kennedy Assassination* by Mae Brussel; etc.) A former member of that operation is a ***good friend of mine***. Among the Germans (Austrians) involved in Paperclip was a ***communist spy named Henry Kissinger***—you've heard of him, perhaps?

Another German was Werner von Braun, who was brought to this country and became head of the U.S. space program. Von Braun worked for a German general named Walter Dornberger, and had been an *SS Sturmbannfuhrer* since 1937. Dornberger was in charge of Peenemunde. At the end of the war, von Braun and 115 other German scientists surrendered to the Americans and were brought to Fort Bliss, Texas (just across the state line from White Sands Missile Range, New Mexico). In 1950 they were transferred to the Redstone Arsenal at Huntsville, Alabama. Col. Tom Bearden was a nuclear physicist at Redstone Arsenal. Von Braun's original security report said: “He was an SS officer but no information is available to indicate that he was an ardent Nazi. Subject is regarded as a potential security threat by the

Military Governor.” Von Braun played down his SS membership and said that it was only honorary, and that “his real reason for working in the Nazi missile program, he said, had been the potential usefulness of his machines in ‘space travel’” (*Blowback*, p. 39).

Dornberger was convicted as a war criminal, then later was secretly brought to the U.S. at the request of von Braun to High Commissioner John J. McCloy. He went to work for Bell Aircraft (Bell Textron) where he worked on the space program as director of R&D (James “Bo” Gritz, *Called to Serve*, p. 511). He was also a special CIA consultant (*The Nazi Hunters*, p. 217). Eventually he served on the board of several aerospace companies. He helped develop a nuclear powered trans-atmospheric vehicle (TAV). These vehicles began operating out of Area 51 in Nevada, and other places. Dornberger became a boss of Bell Aerospace Corporation and had about 30 former Nazi scientists working for him. A man named Stanton Friedman is going around the country saying he has worked on these type of nuclear propulsion systems. He sells videos with photos.

McCloy was Assistant Secretary of War and blocked the executions of many Nazi war “criminals”. He is the one who was overseer of the internment of Japanese-Americans in concentration camps in California. In 1949 he became High Commissioner in Germany and pardoned convicted war criminals such as Alfred Krupp and Dr. Hjalmar Schacht (who went to work for Aristotle Onassis). He became legal counsel to the “Seven Sisters” oil companies, one of which was managed by the father of CIA agent George de Mohrenschildt who was a Nazi spy in WW II. “George’s cousin, the movie producer Baron Constantine Maydell, was one of the top Germany Abwehr agents in North America, and was recruited by Gehlen...” (Gritz, p. 538).

OPERATION SUNRISE

According to Col. Bo Gritz, former head of U.S. Army Special Forces for Latin America, “General Reinhard Gehlen, Hitler’s chief intelligence officer against the Soviet Union, had struck a deal with the Americans (Called OPERATION SUNRISE) that was not, for obvious reasons, released to establishment media. The principal negotiators were Allen Dulles and William Casey of the OSS, Sir William Stephenson for the British, and SS General Karl Wolff, head of the Gestapo in Italy and former chief of Heinrich Himmler’s personal staff” (p. 562).

Operation SUNRISE developed into Operation OVERCAST with General Walter Dornberger and Werner von Braun, and then became Project PAPERCLIP, BLOODSTONE and BELARUS, etc. (*ibid.*).

John McCloy, by the way, would later serve the Warren Commission and helped cover up the assassination of JFK. He became head of the World Bank, head of the Chase Manhattan Bank, head of the Ford Foundation, chairman of the Council of Foreign Relations, and co-author of *Freedom From War; The United States Program For General And Complete Disarmament In A Peaceful World* (Department of State Publication 7277).

Von Braun had an assistant named Fred Wolff: “...that matter had been amply met through Dr. von Braun’s suggestions (which Wolff sketched out quickly to receive von Braun’s check).” *War For The Moon* by Martin Caidin, E.P. Dutton, 1959, chapter “Project Moon”, p. 61 (this book was illustrated by Fred Wolff). Note above that the head of the Gestapo in Italy, Karl Wolff, was working with von Braun.

Was Fred's name originally Karl, or was he a son? We are not talking Smith or Jones here, how many men named Wolff (spelled with two f's) that were close friends of von Braun were there in this very small organization?

Gehlen, von Braun and Dornberger continued to have considerable influence on American politics, as evidenced from this quote from *Blowback*, p. 64: "Gehlen also played a role in the creation of the famous missile gap of the 1950s. 'Gehlen provided us [the CIA] with specific reports on the Soviet ICBM program,' Victor Marchetti says. 'He said, "We have two reliable reports confirming this," and they [the Soviets] have just installed three missiles at that site,' et cetera, claiming that they had contacts among the German scientists captured by the Russians at the end of the war." The intelligence reports were transmitted to the Pentagon through interagency channels, and word about the alarming new development eventually leaked from there into the press.

"Walter Dornberger added fuel to this fire in 1955 by publishing alarming speculations that the Soviets might attack from the sea, using shorter-range missiles deployed in floating canisters off the coast of the United States. He was deeply involved in the United States' own ICBM program at this point, and his opinions were given considerable weight in public discussions."

PROJECT OVERCAST

On July 19, 1945, the Joint Chiefs of Staff approved a program called Operation Overcast. Under this program, 350 German scientists and technicians would be brought into the United States for a period of six months. The program was labelled Top Secret to keep it from the American public. (Ashman, Charles & Wagman, Robert J., *The Nazi Hunters*. Warner Books, p. 212.) When the Nazi scientists were brought into the U.S., they were first put up at Camp Overcast. Camp Overcast was at Wright Field, which later became famous among UFO researchers as Wright-Patterson Air Force Base, home of the infamous Hangar 18. Even Senator Barry Goldwater was not allowed access to this facility. Rabbi Stephen Wise, head of the American Jewish Congress, discovered that the wife of one of the Wright Field rocket team was a former Nazi Party official and in May 1946 said: "This operation [Paperclip, formerly called Overcast] is all the more deplorable at a time when officials of our government find every possible reason for failing to fulfill the declared policy of President Truman to rescue as many victims of the Nazi terror as our immigration laws permit... As long as we reward the former servants of Hitler while leaving his victims in DP camps, we cannot even pretend that we are making any real effort to achieve the aims we fought for."

Rabbi Stephen Wise is also famous for the quote: "Some call it Communism; I call it Judaism!"

When the Germans were first brought into New York, "At Port Washington, they lived in comfortable conditions at a castle that had been built by the multimillionaire Jay Gould. They soaked in marble bathtubs and ate in an imposing dining room" (p. 203, *American Swastika* by Charles Higham). "In August 1945, General Walter Bedell Smith's private plane was used to fly Gehlen and five of his general staff to the American capital. They traveled in plain clothes, one of their members using a violin case for a suitcase. It is interesting to note that Bedell Smith was **Eisenhower's chief of staff**" (p. 260, *American Swastika*).

On March 4, 1946, the operation was changed to Operation Paperclip, with no limits on the time or to the number of Germans.

Another German brought in, who was not a scientist, was Otto von Bolschwing. He was educated at the University of London and the University of Breslau. He joined the Nazi Party on April 1, 1932 and developed an import/export business, owned a coal mine, and was involved with several drug companies. When the war broke out, he joined the SS and became an intelligence officer, working with the German branches of General Electric and Standard Oil. He was in charge of important funds that came through Nazi connections with Allen Dulles in the Schroeder Bank of New York. In January 1945 he was contacted by the Army CIC and in 1947 was a member of the Gehlen organization. He came to the United States and got a job with Alfred Driscoll, former governor of New Jersey and president of Warner-Lambert drug company.

Later he joined the Transinternational Computer Investment Corporation (TCI) in Silicon Valley, California and became vice-president of the company. Reinhard Gehlen worked for TCI during the time he was helping Richard Nixon run for President.

MICHAEL PAINE

Those who studied the assassination of President Kennedy perhaps will recall that Lee Harvey Oswald's wife Marina was staying with Ruth Paine. On April 31, 1960, Oswald married Marina Pruskova in the Soviet Union. He wrote to U.S. Senator John Tower for help in returning to the United States, and it was granted. Remember, Oswald had denounced and left the United States, then he asked a U.S. Senator for help in returning, and got it! Why did he pick Tower to ask, and why did Tower help him? Tower took Lyndon Johnson's place in the Senate and later became head of the Armed Services Committee.

A special non-quota immigrant permit was issued for Oswald's wife. Oswald and Marina arrived in the U.S. on June 13, 1962 and went to Dallas. "He returned to Dallas on October 2, 1963, and was met by fellow CIA agents George de Mohrenschildt and Ruth and Michael Paine. Michael Paine worked for Nazi war criminal Gen. Walter Dornberger at Bell-Textron in Dallas" (Gritz, p. 529). Next page—"Most of Oswald's contacts in Dallas, in fact, were with persons hired by Dornberger." The majority of people who testified about Oswald before the Warren Commission were carefully selected Dornberger associates. Gritz says of these very people: "Eastern European and Russian emigre groups supplied by Gehlen were the personnel initially trained for these missions at a special camp set up at Oberammergau in 1946, under the command of General Sikes and SS General Burckhardt, and with the assistance of Henry Kissinger and Lucius Clay. The camp held 5,000 anti-communist elements who were prepared there and called themselves "Special Forces" (p. 564). This was the origin of the U.S. Army Special Forces and on the next page Gritz says: "Many of the remainder underwent special guerrilla training as Special Forces recruits at Fort Bragg, North Carolina and helped form the nucleus of the present-day Green Berets. They would later be quite at home at their first assignment—the SS Bad Tolz Flint Kaserne in the heart of the Bavarian Alps."

And on page 566 Gritz says: "Gehlen's immediate staff of about 350 agents, in fact, were brought en masse to the U.S. Army's Historical Division. Almost all resistance to using Nazi war criminals to accomplish the CIA's missions seemed to have been overcome by the time Allen Dulles became Director in 1953." The Nazi SS Death's Head insignia was adopted as the symbol of the U.S. Army Special Forces (p. 567).

CIA agent George de Mohrenschildt's boss in the CIA was George Bush. De Mohrenschildt had a close friend, John W. Mecom, who was one of the incorporators of the San Jacinto Fund which was used to launder Bush's drug money. ("Surreptitious Entry: The CIA's Operations in the United States", by Thomas B. Ross of the *Chicago Sun Times* in *The CIA File*, edited by Robert L. Borosage and John Marks (Viking, 1976), and quoted in *The Mafia, CIA & George Bush* by Pete Brewton, p. 317.) De Mohrenschildt had another friend, Jean de Menil, president of Schlumberger Corporation. Jim Garrison tells of Schlumberger being the source of weapons involved in anti-Castro operations and in Algeria. In 1977, hours after arranging to meet an investigator for the House Select Committee on Assassinations, de Mohrenschildt joined the long line of people involved in the Kennedy assassination who "committed suicide". If you have the stomach to check into it, you will find that Presidents Johnson, Nixon, Reagan, and Bush *shot* their way into the Presidency. And people keeping a list have identified over 30 people close to President Clinton who have been **murdered** or at least died under mysterious circumstances. If you count the wars, our Presidents have been responsible for the deaths of thousands of people. Tell me, friend, are you a Republican, or a Democrat?

Oswald told a public stenographer that an "engineer" (Michael Paine) offered to publish a book about the Soviet Union for Oswald if he would write it. The Paines began to subsidize the Oswalds and later Mrs. Oswald moved in with the Paines, where she and Ruth chatted every day in Russian. Lee Harvey Oswald then went to New Orleans and became involved with the "Fair Play For Cuba Committee". The head of that committee was a Jew named V.T. Lee, real name Tappin. Researchers of Lee Harvey Oswald must take into account the fact that there were several people claiming to be Oswald.

While living with the Paines, Oswald practiced shooting with a rifle he kept in their garage. Some say he took a pot-shot at General Walker at this time. In September, it was announced that President Kennedy would visit Dallas, and three weeks later Mrs. Paine called Mr. Truly, the manager of the Texas School Book Depository and got Oswald a job working there, under the name of "O.H. Lee". (*New York Post*, Dec. 10, 1963, p. 22.)

[END QUOTING OF PART V #2]

We will continue with more assassinations in PART V #3.

By the way, readers, as you realize that we have brought you up through a maze of information, some unworthy but necessary for your input as to and regarding "players" (people) to which we must have connections if we hope to sort the garbage from that with integrity—you have to know that I too have to kiss a whole bunch of toads which do not turn into God's princes. You can only absorb that which flows easily enough into a prepared ground for realization. I don't enjoy the game much more than do you, but it WORKS as you come to recognize actions vs. words which mean nothing more than deception—and at times you simply cannot tell, CAN YOU? Remember, readers, it is not what I know that is of value TO YOU—it is WHAT YOU KNOW that makes or breaks the day. We have many various agendas moving at once and we have to consider our own mission along with the awakening of you into some semblance of recognition of your status as a species, in or out of freedom.

So, why don't I just take some action and get what has been agreed upon? I do and I am—and furthermore, I believe you are far happier not knowing what that might be. The greatest pain for an ego-

operative is to be discredited. I too have an agenda. It appears that we fall “out of favor” with and against others? How do YOU JUDGE? Perhaps there never was any “favor”?? If I cannot be more shrewd in TRUTH than my enemy in lies, then I become no better than the adversary. Since what we do is public, YOU possibly assume that every person I name as a contracting participant is somehow GOOD? No indeed! Most are NOT even remotely goodly. Ones are given opportunity to serve and, as noted throughout all of history—MOST WILL MOVE WITH SATAN INSTEAD OF WITH GOD’S TROOPS. THE MINUTE THEY SMELL POWER OR WEALTH—THEY ARE OFF ON THEIR OWN ESCAPADES WHICH WILL GARNER EVEN MORE ATTENTION. But, these are the lessons you must also learn and continually make course corrections, for you were NEVER told this task would be EASY! How can we get a “remnant” through if the remnant doesn’t even wake up?

The Elite misfits have been warned sufficiently and now the unfolding takes place, no more and no less. You are caught in the middle if you don’t open your eyes and minds and get with the play. You are physically manifest and you NEED PHYSICAL SUBSTANCE TO SUSTAIN YOU. There is no other point in the escapade—if you are just going to die and remove selves to another dimensional hop-scotch game. Can you do that? NO! You are not grown enough or learned enough, so you will get stuck in limboland. As you grow in consciousness you WILL ALSO GROW IN KNOWING and then the games REALLY change. However, if you do not know yet your alphabet or numbers—HOW CAN YOU EXPECT TO READ AND KNOW THE BOOK? You cannot just drift through living with a can of beer and no goals and achieve anything other than a possible pot-gut and get nowhere. Sleep-walkers don’t get very far in the light of day! Thank you for your attention and Salu.

CHAPTER 3

REC #2 HATONN

THU., DEC. 7, 1995 11:52 A.M. YEAR 9, DAY 203

THU., DEC. 7, 1995

TO BELIEVE TAKES “TIME” AND CONFIRMATION

I want to share something else with you readers for YOU are no different than this person who has written (R.S.). It is fine to doubt and struggle with possibilities in the beginning and to discount, or at the least, qualify, contents of such a paper as *CONTACT*. We find that quite acceptable. What we enjoy, however, is that when you have open-minded people who have also experienced in the arenas wherein the most lies are developed, we appreciate the sharing so that others can begin to have clarification and support. All the “revelations” in the world are but “faith games” until you can confirm, in good old physical aspect, the TRUTH.

You will find that this very day there will be a pitch to remind all of you about the big receivers listening for extraterrestrial “life” “outthere”. This is a big you-know-what! Those massive receivers and transmitters are a part of the major pulse grid, so don’t be fooled. We from “outthere” have been in close contact for over half a century. Remember that some of those “devices” are over 35 years old. I am not here to “make” you believe or accept anything—I am here to offer information for your use and, hopefully, with an open mind, truth will begin to outweigh the doubts.

I would hope that, for ones just as R.S., a lot of information is confirming truth in “just” *Fire From The Sky*. If this be so, then it is worth every moment of our time spent in typing and presenting and we are eternally grateful for the help we are now getting from your side.

[QUOTING:]

11-25-95

Dear Sirs:

I take much of what you say in *CONTACT* with a lot of “salt” as it is so different from what I am used to hearing, even from the alternative media. I’m glad you are filling in some of the background to things like the Jonestown Massacre and the 1982 Falklands war. When you just make wild assertions, there is nothing with which to relate to reality as known. When one can see how it works, it starts to acquire internal consistency and engagement with history as officially reported.

I was in the Army airborne troops from 1965 to 1969 and I know of a number of operations not revealed to the public. In 1965 or ’66 a regiment of the 82nd airborne was sent to the Congo to support Lumumba and Mobutu’s regime. In 1966 two regiments were **secretly** sent to Panama in case of riots by

the natives against the Canal Zone. In 1967 they had us camping out on the runways at Pope AFB (Ft. Bragg) [NC] to intervene in case Israel lost the '67 war. The drop zone of the 82nd was to be Ismalia in the Canal Zone. Also in 1967 there were the Detroit riots. 30,000 police and National Guard troops were standing around the streets without ammunition while the black mobs were looting and burning the city. **We federal troops were finally called in on the third day of the riots when Whites opened fire on a Black mob invading their neighborhood, killing 19 and wounding 57. It wasn't until years later that I realized that we were there to protect the rioters, not the public.** With this in mind I can well believe in some of the secret operations you mention but I would like more background and detail on them. I was very interested in the comment that the missiles removed from Cuba were sent to Guyana! I had wondered where they came from.

I am enclosing for you an article from the *New York Times* of Nov. 21, 1995. This gives some details of the HAARP system. I note that the article says that the ground station does not produce the power for the signal; they tap the Earth's electric field for that! Early this year, in *Discovery* magazine, they showed a drawing of the Van Allen belts and mentioned that the Earth's magnetic field separated the solar wind plasma into + and - components (positive and negative) and that the belts stored the separated particles. The inner belt is + and the outer one is - in charge. If the two were shorted together, there would be an arc like you get when you short a capacitor. Perhaps that is the mechanism of the "photon belt" ignition you mention? **[H: It is not the "photon belt" as such other than you are pumping in such incredibly high frequency rays that it "lights" or enhances the photon belt as previously described. THIS IS, INDEED, THE VERY REACTION WE SPEAK ABOUT WITH THE IGNITION OF THE RADIATION BELT AND ALL SORTS OF RESULTS OF NEGATIVE ASPECT WILL RESULT IF AND WHEN THIS HAPPENS. THE TINKERING CONTINUES TO THE POINT THAT I, FRANKLY AND SADLY, SUSPECT IT WILL HAPPEN.]**

It is interesting that the ELF reflects from underground as well as from/in the ionosphere. Could there be another ionosphere underground? Perhaps the hypothetical metal shell said to be deep underground?

Best wishes,
R.S.

I would respond to the reverse ionosphere inquiry a bit differently than you have stated it above. You have to understand that if you go some 600 miles into the Earth crust—you find that the "gravitation" reverses. It will of course vary as to geographical location but this is generally a good average depth. In this you will find such a reversing of electromagnetic response as to be casually recognized or thought of as a metallic shell. There are major openings through this confused belt and the points of passage can be found in such as the Poles (both) and those areas referred to casually as "devil's triangles". There are a lot of places to "get through" but the magnetic pulses are so controlled and strong in those areas as to present incredible phenomena. What is really troublesome in the present tampering and tinkering is the literal impact on your electromagnetic configuration as to magnetic poles and that in turn is impacting heavily on your gyroscopic ability to maintain stability in orbit and "spin". The stress caused by this "wobble" is magnificently massive and "something" has to "give" as the stresses of such shifts, of simple physical loads, is compressing and expanding rifts and faults.

I am grateful for your input and I hope that, as we continue with outlay of information, you find comfort in

the presentations and that they might match some of your own experiences and observations. There is NOTHING like “being there” to understand the manipulations. And, if the manipulators will do it for their own benefit in one place—they WILL do it anywhere it is found useful.

[QUOTING:]

FIRE FROM THE SKY, PART V #3
by “One Who Knows”

MORE ASSASSINATION CONNECTIONS

Immediately after Kennedy was assassinated there were three main investigations launched—by the Texas Attorney General, the FBI, and the U.S. Congress. On Dec. 9, 1963, eleven [*sic*] days after the assassination, the Communist *Worker* Newspaper demanded that the three investigations be stopped and that only Earl Warren do the investigations. Three days later, President Johnson ordered the three groups to stop and put Earl Warren in charge, exactly as the Communists had ordered. Warren immediately began destroying evidence. While the other groups were finding information of multiple people involved, Arlen Specter came up with the “magic bullet” theory to explain what happened. No one else supported that theory except Gerald Ford, but that became the conclusion of the Warren Commission. Gerald Ford, whose real name was Leslie Lynch King (*American Heritage Dictionary*, 1979), in his book *Portrait of the Assassin*, page 51, tells about Lee Harvey Oswald being on the payroll of the American Red Cross while in Russia. The current head of the Red Cross is Elizabeth Dole, the wife of Senator Bob Dole. Specter has become prominent recently in the Waco and Ruby Ridge investigations, and is campaigning for President. Does it sound like maybe the Communists were behind the assassination of Kennedy? **[H: Remember who ARE the “Communists”.]** If only it were that simple! We need to pay attention to who and what these people are, as their names come up in all kinds of strange places. **[H: Not the least of which are the personal experiences of CATHY O’BRIEN and the full-fledged Monarch Program of MK-Ultra Mind Control.]**

Ruth Paine’s husband Michael worked as an engineer at Bell Aerospace for the German ex-General Dornberger, head of research for Bell. Paine was part of the Gehlen operation.

Werner von Braun became a close personal friend of J. Edgar Hoover and soon after he came to the U.S. he also became a close personal friend of Lyndon B. Johnson. Von Braun worked with Hoover in security projects at the Tennessee Valley Authority, the Redstone Arsenal and later in the National Space Agency. In 1958 Lyndon Johnson, majority leader of the Senate, helped push through the National Space Act, which gave funding to von Braun.

The Navy and Air Force were in charge of the U.S. missile programs when Russia launched its Sputnik satellite in October of 1957. Two weeks later, they launched the much larger Sputnik II which carried a dog into space. The Russians had put a six-ton package into orbit, while two months later the Navy tried to launch a three-and-a-half-pound grapefruit-size satellite on their Vanguard missile. It rose a grand height of four feet and blew up, on national television. Eisenhower was reminded about the little-known bunch of Nazis at Huntsville, so he gave them the go-ahead. Less than two months later, the (ex) Nazis put America’s first satellite, Explorer I, into orbit on January 31, 1958.

“Sputnik forced two space agendas on the United States, one public, the other top secret”. (Burrows, William E., *Deep Black—Space Espionage And National Security*. Random House, 1986, p. 138.)

Reinhard Gehlen was head of the Nazi Abwehr spy organization during WW II, and at the end of the war he approached the OSS and offered to work for them, with his team and records. They accepted and brought many of his team into the U.S. under Project Paperclip. Gehlen remained chief of the West German Intelligence service until he retired in 1968. Frank Wisner, who worked for Allen Welsh Dulles, was a Wall Street lawyer who became head of Dulles’ Secret intelligence Branch and was responsible for the Gehlen organization. Working with Wisner were Harvard grad Harry Rositzke who worked in the same room with Arthur Schlesinger, Jr. and Richard Helms, who later became Director of the CIA in 1966. One of Wisner’s team was George Bookbinder, who later became President of the Rand Development Corporation. It was the Gehlen organization that dug the famous Berlin Tunnel. They, especially the Rand Corporation, became good at digging tunnels (except they have not quite conquered that annoying “hum”!).

PEOPLE OF EARTH/SHAN

The book *Air America* says, during the Vietnam conflict, “An HQ was established in Singapore where Frank Wisner, the Deputy Director of Plans for the CIA, went personally to head the operation.” (Robbins, Christopher, *Air America*, New York: Avon Books, 1979, p. 70.)

Air America was the secret CIA airline involved in Operation Phoenix in the Vietnam war. One of the pilots was John Lear of UFO fame. The name Phoenix was a translation from the Phung Hoang, a mythical bird the Vietnamese said had magical powers to bring news of peace. The CIA bought drugs from Khun Sa, leader of the “Shan” [**H: Literally, a nation.**] people. Bo Gritz, in *Called To Serve*, tells that Khun Sa tried to STOP the drug trade and was forced to continue by the Americans. On page 300, Gritz tells that President Reagan offered to recognize Shanland as a new and independent nation. I suppose it is “only coincidence” that the command ship (“flying saucer”) of the ships involved with UFO legend Billy Meier was called the “Phoenix” and the extraterrestrials involved said that their name for Earth was “Shan”. The man in charge of the CIA Viet Nam drug operation was Richard Armitage, who later became Assistant Secretary of Defense. Armitage shipped the drugs to Manuel Noriega in Panama, who shipped them to George Bush, head of the CIA and later President, at Bush’s drug bases in Mena, Arkansas, Homestead Air Force Base in Florida, and through the Zapata and Black Rose and such Bush family operations. [**H: Bush’s code name is White Rose.**]

Armitage had a best friend named Erich von Marbod, also a Gehlen Organization person and a friend of Bo Gritz. At the end of the war in Viet Nam, “he [Armitage] and Erich secreted tons of munitions in strategic caches around Southeast Asia. Erich’s friends read like a global Who’s Who. He was a best friend to the Shah of Iran. He is also very close to James Schlesinger, who was appointed Director of the CIA by Richard Nixon in December 1972. Schlesinger later became Secretary of Defense from 1973-1975 and Secretary of the Department of Energy from 1977-1979” (Gritz, p. 300). Erich “...was a protege of **Henry Kissinger**”.

NIXON, BUSH & DONOVAN

On page 572 of his book, Gritz says: “The Indonesian campaign marked the entry of the CIA into large-scale operations, and although it was a failure, the more the Agency failed in the future, the more it grew and prospered. Oddly enough, the man who had helped back Dulles and Frank Wisner [remember, Wisner was over Gehlen’s Nazi spy network] on the campaign was Richard Nixon.”

In 1969, Richard Nixon was in California campaigning and one of his campaign supporters was Reinhard Gehlen, former Nazi head of the German Secret Service (Abwehr). Gehlen was with a high-tech firm called TCI (Transinternational Computer Investment Corp.) that worked on classified Defense Department projects. His translator for German projects was Helene von Damme, who was also Governor Ronald Reagan’s personal appointments secretary and personal secretary to Reagan when he became President. Von Damme later became U.S. Ambassador to Austria. Von Damme was former secretary to the Nazi German High Command.

William Donovan, head of OSS, and Allen Dulles, head of OSS in Europe under Donovan (who later became head of the CIA until President Kennedy fired him—it was said that he told Kennedy, “You can’t fire me, you don’t even know who I work for!”), and J. Edgar Hoover, head of the FBI, brought Reinhard Gehlen and his Abwehr spy group into the United States. One of the men involved was counter-intelligence officer William P. Clark. Clark married Werner von Braun’s niece, Joan von Braun (Brauner). Clark at one time was a member of the Council on Foreign Relations. Clark moved to San Luis Obispo in California and joined Ronald Reagan. He became President Reagan’s National Security Advisor on the National Security Council. A suit was filed in Southern California naming William Clark as being involved in the Kennedy assassination. Researchers Mae Brussell, William Torbitt, District Attorney Garrison, and others say Lyndon Johnson, J. Edgar Hoover, Werner von Braun, and Walter Dornberger were involved in the Kennedy assassination. Also involved were Richard Nixon, George Bush and Allen Dulles. Col. Bo Gritz, in *Called To Serve* (p. 534), quotes a memo written by an FBI staff assistant **in 1947**: “Nixon intervened on behalf of a Chicago gangster who was about to be called as a witness before a congressional committee... It is my sworn statement that one **Jack Rubinstein** of Chicago, noted as a potential witness for hearings of the House Committee on Un-American Activities, is performing information functions for the staff of Congressman Richard Nixon, Republican of California. It is requested Rubinstein not be called for open testimony in the aforementioned hearings. That same year Rubinstein moved to Dallas, Texas, **and changed his name to JACK RUBY...**” [**H: And NOW what do we KNOW? WE KNOW THAT THE ISRAELI MOSSAD-MISHPUCKA (MAFIA FAMILY OF ISRAEL) WERE TO THEIR EYEBALLS INTO THE KENNEDY ASSASSINATION IN WHICH ISRAEL WOULD BE THE BIGGEST WINNER AND BENEFACTOR OF THAT DEATH. Please find and read *Final Judgment*, by Michael Collins Piper.]**]

Sam Giancana bragged that Nixon was controlled by the “Mob”, see the book *Double Cross* written by his brother.

GEHLEN AND THE GERMAN GENERAL STAFF

Dick Russell in *The Man Who Knew Too Much* is one of the researchers with many details of the involvement of Nixon, Bush, and Dulles and said, “Willoughby was in regular correspondence with Allen Dulles—before JFK fired Dulles—and with ex(?) Nazis who ran the CIA’s European-based spy net-

work” (p. 707).

Gehlen was responsible for reviving the Nazi German General Staff after the war by placing his agent Adolph Heusinger in charge of the German General Staff. *Der Spiegel* said: “It is quite true that General Gehlen had engaged the former Chief of Wehrmacht Operations for a purpose other than his espionage service. The West German spy boss did not at that time think of confining himself to merely collecting and sifting information. Two years before Adenauer offered soldiers to the Allies, General Gehlen was, with General Heusinger, already engaged in assembling a new general staff high command.” (*Der Spiegel*, Feb. 29, 1956.)

The Heusinger Wehrmacht were involved in the space race (remember, it was the Germans who started rockets, “flying saucers”, etc.). The book *Heusinger of the Fourth Reich* by Charles R. Allen, Jr., said: “The conservative columnist Edgar Ansel Mower on September 28, 1962 reported that the West German newspaper *Die Welt* of Hamburg devoted a lengthy series to the vigorous efforts being made by the West German Defense Ministry to perfect ‘death rays’ (LASERS) which, when fired from a **space platform, ‘WOULD BURN, VAPORIZE, DESTROY ANY KNOWN MATTER AND MATERIAL BY ITS FANTASTIC ENERGY CONCENTRATION OF MILLIONS OF WATTS and, from the DISTANCE OF THE MOON, WOULD TAKE EXACTLY 1.3 SECONDS TO KILL.’**” (*Long Island Daily Press*, September 28, 1962). Note they were talking, **in 1962**, of lasers from a Moon base.

WILLIAM CLARK

Paperclip Operation member William Clark was one who pressured to pardon Ollie North. Clark has a ranch in California called the “Eagles Nest”. There was (is?) a machine gun in Clark’s living room which came from a National Guard Armory robbery in Oxnard, California. The rest of the weapons from the robbery were stored at a hideout at the Branch Davidian compound in Waco, Texas. When “they” wanted “their” guns back, David Koresh did not want to give them back. Oh, friends, why don’t you check up on your leaders?! Why waste your time on soap operas, when the real thing is so much more “interesting”?!

As another interesting “coincidence”, note that our present Jewish Chairman of the Joint Chiefs of Staff Gen. John Shalikashvili (who succeeded the part-Jewish, part black CFR member Gen. Colin Powell) speaks English with a foreign accent and was born in **Soviet Georgia**. The media has reported that his father was a major in the Nazi Waffen SS. In spite of this, he is the darling of the Zionists, with strong support from Les Aspin, the Simon Wiesenthal Center, Senator Carl Levin, etc.

When Reagan became Governor of California, he appointed William Clark as Superior Court Judge in San Luis Obispo County. Later Reagan appointed him Deputy Secretary of State. When James Watt resigned as Secretary of the Interior, William Clark replaced him. Reagan appointed Clark’s wife Joan Brauner (von Braun) Clark as alternate United States representative to the United Nations General Assembly.

[H: Please remember that years ago Ray Renick stuck his mouth right out there and called the evil crew of William Clark to task about these things—naming them all and putting them together with corruption and inside drug and gun running. He is now serving time in prison and was

just this week transferred—so please have an address and let us not forget the cards of support for our compatriot in shackles because he “dared”.] [Editor’s note: See end of chapter for Ray’s address information. And go back to pgs. 22-47 of the 8/24/93 issue of CONTACT for “Ray Renick’s San Luis Obispo Connections’” outlay from the position of one who really does know about the den of the adversary located in the vicinity of the small, south-central California coastal town of San Luis Obispo.]

Ray Renick says: “The American headquarters of the Gehlen Organization is in San Luis Obispo County. The main office is called “Eagles Nest”. Many public officials, judges, supervisors and law enforcement personnel are personal friends and business associates (in drug trafficking, no less) with the Gehlen Organization and “Eagles Nest”. Judge William P. Clark and Mrs. Joan Clark (nee von Braun, Brauner) are the executives behind the Gehlen Organization, “Eagles Nest” and the Zapata Cattle Company’s drug trafficking interest. [The cattle are brought in from Mexico. Cattle have four stomachs.] **[H: Similar operation as is carried out by the Tyson Chicken Empire network out of Arkansas.]** Ronald Reagan is a silent partner in the San Luis Obispo cattle/drug business. Remember, Clark was one of the original architects of “Project Paperclip”! The Zapata Cattle Company is affiliated with George Bush’s Zapata Oil Company of Houston, Texas (REF: “The SLO Connection”, Barons article “The Mexican Connection”)—Sept. 19, 1988. **[H: This is the same bunch of crooks who made a pure killing off you the people in the Savings and Loan business and shyster tricks as “no sales” etc., as in the Ekker case. We can’t even swing a token extension from the 29th of this December to have a motion to show cause. This is purely the result of all the uncovering going on. It will be found that the Judge in charge of the Ekker case is ALSO one of the UNELECTED as spoken of in the suit by Gary Wean. Wouldn’t you know, Wean filed his case in Kern County—AND IT WAS IMMEDIATELY ASSIGNED TO JUDGE WALLACE, THE JUSTICE IN THE EKKER MATTER VS. SANTA BARBARA SAVINGS, THE AUCTIONEER (WHO DIDN’T) AND THE RTC INVOLVEMENT. How small does this world seem to YOU today? Dharma is, at the least, totally wiped-out by such “coincidences”. Well, our attorney, now, will cancel some travel plans and go forth in serious war with this bunch of trash-heap destroyers of justice. He had a death in his family and needed to attend the estate problems but will do whatever is necessary to break this ongoing sham of court jesters. What do we actually expect? Unfortunately, not much.]**

A major law firm for the Gehlen Organization is Sinsheimer, Schiebelhut, and Baggett. **[H: A major law-firm player in the S&L and political subterfuge of the Savings and Loan, such as Santa Barbara Savings and Loan (who bailed out leaving YOU holding billions more in debts), is Shea and Gould with its major branch in New York and its little side-trickster operation out of Beverly Hills, California which birthed a lot of the players in the political and judicial arena of California.]**

The Gehlen Organization, copying Hitler’s New Order, established a concentration camp system in San Luis Obispo County. It was called the California Specialized Training Institute. It developed plans called the *King Alfred Plan*, *Operation Cable Splicer*, *Operation Garden Plot*, and *REX-84* and **was later renamed as the Federal Emergency Management Agency (FEMA)**. You can get more information on these subjects from Militia of Montana, Bo Gritz, *Spotlight Newspaper*, etc. [Editor’s note: Or by reading your back issues of CONTACT from several years ago wherein all of these subjects have been extensively covered and then quoted back to us as “original” research some months or

years later!]

Also brought in under *Paperclip* was **Henry Kissinger**. The U.S. Army 44th CIC and 970th CIC Detachments negotiated the surrender of the German Army in Northern Italy and Austria in Operation Sunrise from which Paperclip took over. **Later the Vatican provided documents and help for many Nazis to escape to South America, including Martin Bormann.**

Prince Bernhard of the Netherlands created a group that became known as the Bilderbergers. Many “conservative” researchers have come to recognize the Bilderbergers as an important force for the “New World Order”. What they probably don’t know, though, is that **Bernhard was a former Nazi SS storm trooper.**

Some of the *Paperclip* surrender operation personnel included Theodore Shackley and Heide Kingsbury (daughter of General Galland, designer of the Messerschmidt ME 262). Kingsbury became secretary and court transcriber to Judge William Clark. Shackley became head of Operation *Phoenix* in Vietnam (Laos). Shackley was head of JM Wave, code name of the CIA Miami office during the Bay of Pigs and Kennedy assassination events (Furiati, p. 41). (Furiati, Claudia, *ZR Rifle—The Plot To Kill Kennedy And Castro*. Ocean Press, Victoria, Australia, 1994. From declassified Cuban records of the Kennedy assassination.)

For more information see *Reinhard Gehlen, Master Spy* (I can’t find my copy at the moment and don’t remember the author). In 1968, after the Kennedy assassination, Gehlen retired to his chalet in Bavaria. The chalet was a gift from Allen Dulles. *The General Was A Spy* by Heinz Hohne and Hermann Zolling, *Project Paperclip* by Clarence Lasby, *Shootdown* by R.W. Johnson (tells about Clark’s involvement in the shootdown of Korean Airlines 007), *Project Paperclip* by Ray Renick, and the *Torbitt Document* by William Torbitt are all resources for more information. **The most accurate source of information for a general overview are the *Phoenix Journals* and *CONTACT* newspaper. [H: For this, we thank you, sir. It is from ones such as yourself that ALLOWS US TO HOLD THAT POSITION.]**

[END QUOTING OF PART V #3]

We need a rest break for I seem to forget that I have been warned that around here a lack of robots has made the humans unpredictable—and, they need occasional breaks to renew a bit of energy and nice dispositions. Sometimes Dharma only has that one last nerve remaining—and then, I always seem to walk on IT.

If I could only give you one gift for Christmas it would be understanding and insight so that you can grow and protect yourselves from these very flagrant asps and vipers. You will see the same line of power—IN POWER, and my fervent prayer to GOD is that you see and hear! TRUTH CAN CERTAINLY BE YOUR ROUTE TO FREEDOM—GUNS JUST WON’T DO IT THIS TIME!

Salu.

CHAPTER 4

REC #3 HATONN

THU., DEC. 7, 1995 3:08 P.M. YEAR 9, DAY 203

THU., DEC. 7, 1995

GET READY

Ok, you who already find it hard to believe these things as presented, get ready, put on your seat-belts and take three deep breaths (per Judge Ito!). We are going to launch off into the most controversial topic of all: ALIENS, and I do mean, this time, the kind from out-yonder! Do not jump to conclusions and don't "hold your breath"; just keep on reading—but let me assure that WE OF THE HOSTS are NOT among the either troublesome, pitiful, stupid or genetically altered beings. We have had a lot of "contact" and tried to reason and logically consider what is happening to your globe—but with little real success within the adversary's troops of the New World Order of Satanism. (Satan representing the opposite "pole" of Christ.) I don't want to get into this discussion, however, now. I want to present the material as offered and let you begin to again see the connections. You have just about bred a soul-less, robotic, mind-controlled species of mechanical beings where replication is easy, cloning is easy and duplication is even easier. And I can promise our friend R.S. of the earlier letter sharing—there WILL BE CONFIRMATION COMING THROUGH ON THIS ALSO.

I am saddened that so many fear to subscribe to the paper for you aren't going to get the scoop from ANYWHERE else, nor will you come into the same KIND of protection as those we attend. So be it.

[QUOTING:]

FIRE FROM THE SKY, PART V #4

by "One Who Knows"

GERMAN SCIENTISTS AND ALIENS

Here is something you should think seriously about. The ONE thing that "everybody" agrees on, Christians, atheists, Republicans, Democrats, Communists, whatever, is that the Nazis were degenerate, sick, nuts, weird, the ultimate of evil. I ask you: realistically, how can this be? Is it possible that this is another "lie"? You ask, am I saying the Nazis were not evil? What is your definition of evil? Does the evidence support what you believe? How can a whole nation of Germans—many of them our brothers and sisters and direct ancestors—all be totally evil? Were they that different from us? Was our government telling us the truth? Has the government ever told us the truth about ANYTHING?

Let's go back to Werner von Braun. In 1959, (in Neues Europa, Jan. 1, 1959), von Braun states this

about extraterrestrials in an interview: “We find ourselves faced by powers which are far stronger than we had hitherto assumed, and whose base of operations is at present unknown to us” (when asked about the deflection of a U.S. satellite). “More I cannot say at present. We are now engaged in entering into a closer contact with those powers, and in six or nine months’ time it may be possible to speak with more precision on the matter.”

The great German space pioneer Hermann Oberth said, “We cannot take the credit for our record advancement in certain scientific fields alone; we have been helped.” When asked who helped, he said: “The people of other worlds.” (Robin Collins, *Did Spacemen Colonize the Earth?* London: Pelham Books, 1974, p. 236.)

Noted German rocket expert Dr. Walter Riedel said: “I’m convinced that saucers have an out-of-world basis.” (April, 1952, *LIFE* magazine, p. 96.)

The American Weekly of October 24, 1954, quoted Professor Oberth of Germany: “It is my thesis that flying saucers are real and that they are space ships from another solar system.”

General Douglas MacArthur, quoted in *The New York Times*, Oct. 8, 1955, said: “The nations of the world will have to unite—for the next war will be an interplanetary war. The nations of the Earth must someday make a common front against attack by people from other planets.” [H: I can tell you now, before going further—that I personally met with General Douglas MacArthur several times. He tried to warn you and got “fired” for his efforts while you continued to place into power the very adversaries who would be involved in bringing on this war here mentioned. And no, I DO NOT FIGHT WARS, SO THIS ONE WILL BE A REAL WHING-DING WITH ALL THE TECHNOLOGY YOU HAVE GLEANED WITH THAT EVIL INPUT. THE PLAYERS WERE NOT EVIL—BUT YOU HAVE BRED A BUNCH WHO ARE NOW GOING TO EAT YOUR LUNCH! I also met several times with Eisenhower and Baruch—and you HAVE TROUBLE, CITIZENS!]

There is plenty of proof that “flying saucers” are real. The questions now are, what are they, and from where do they come?

NICAP

The National Investigations Committee On Aerial Phenomena (NICAP) was founded in 1956 by Navy physicist Thomas Townsend Brown. Brown is known as the discoverer of the electrogravitic capacitance effect. He was former Vice President of Douglas Aircraft (one of the founding groups of the RAND Corporation). NICAP gained a reputation as being a CIA front operation. For many years it was headed by Marine Major Donald Keyhoe.

In *Der Weltraum Rueckt Uns Naenger*, Blanvalet Verlag, Chapter III, by Major Keyhoe, he says that the U.S. infiltrated 600 scientists into Bohemia in tank crew uniforms, in 1945, to check out some of the U.F.O. bases. Vice-Admiral Roscoe Hillenkoetter, a former director of the CIA, was a board member of NICAP for years. Colonel Joseph Bryan III, chief of the CIA psychological warfare staff and Count Nicolas de Rochefort of the same CIA staff were board members. Karl Pflock was chairman of NICAP’s Washington sub-committee. John Acuff “who was alleged to have CIA affiliations” per the UFO Encyclo-

pedia by John Spencer, took over as head of NICAP. Then Acuff did a curious thing, according to Cosmic Patriot Files, Vol. 2, by the “Committee of 12 to Save the Earth”, edited by Commander X, p. 137, Acuff sold classified CIA documents to a Nazi organization in Canada called Samisdat.

Samisdat is the publisher of two books called UFOs, Nazi Secret Weapon? by Mattern-Friedrich and Secret Nazi Polar Expeditions by Christof Friedrich, both of which were available from Samisdat Publishers, 206 Carlton St., Toronto, ONT., M5A 2L1, Canada, or from Liberty Bell Publications, Reedy, WV, 25270. A video called UFO Secrets of WW II German Flying Saucers and one called UFO Secrets of the Third Reich, both produced by the American Academy of Dissident Scientists, are available and a phone number from the tapes is: 310-473-9717. (American Academy of Dissident Scientist, 10970 Ashton Ave. #310, Los Angeles, CA 90024. One of their Presidents is Vladimir Terziski.) [H: I will personally vouch for the sincerity of Vladimir Terziski as we have become great friends. No, you don't have to sit with me to believe me!]

Acuff was kicked out and replaced by CIA agent Alan Hall in 1979. Christof Friedrich campaigned to become Prime Minister of Canada. A Jewish radio announcer interviewed Friedrich to try to discredit him, but the result was the firing, blacklisting, and subsequent persecution of the Jewish moderator.

Cosmic Patriot Files (currently available from ads in UFO publications and most UFO book dealers) says in Vol. 2, p. 131 that in 1945 the Germans began transferring their flying saucer projects to a secret underground base near the South Pole. Also in 1945, General Hans Kammler disappeared from Germany and went to the South Pole on German U-boat U-977, and German flying saucers began appearing over the United States.

Samisdat was selling a manuscript called “The Lightning & the Sun” by Savitri Devi, a “guru” from India whose book connected roots of Nazism with the pyramid in Egypt and Pharaoh Akhn-aton and the “ancient cult of the Sun”. [H: Just don't get carried away by this supposed “cultism”. You might well make connections with many things from Egypt and Akhnaton, but Nazism is NOT ONE OF THEM. This was THE first time in your historical times that you had a ONE GOD RECOGNITION. IT BEHOOVES YOU TO REMEMBER IT WELL—FOR YOU ARE GOING TO MEET US AGAIN!]

Willard McIntyre, a friend of Stuart Nixon, who was the assistant to NICAP President John (Jack) Acuff, accused Acuff of selling the material to Samisdat and of intending to merge Samisdat and NICAP. [H: This will all make more sense (re: Egypt, etc.) as we go just a little bit further and recognize, please, Stuart NIXON.] One NICAP board member, the Jewish Senator Barry Goldwater, was quite upset upon learning about the involvement with Samisdat, considered a Nazi organization. Goldwater was busy running for President and no doubt would not appreciate the link to Nazis and UFOs. The head of his Presidential Campaign Committee was someone you have perhaps heard of, named Ronald Reagan. Goldwater was Chairman of the Senate Intelligence Committee and the Senate Armed Services Committee. He tried to obtain entrance to the infamous Hangar 18 at Wright-Patterson and was denied. There was more going on with this situation than we are allowed to know.

Anyway, Acuff had to go and was forced out. A new board was voted in which included two new board members: one was Senator Goldwater's aide, Charles Lombard, and the other was John Fisher. If you recall, in the early Fire From The Sky writings, I said that General George Keegan, head of Air Force Intelligence, inspired the founding of the American Security Council to try to warn the American public of

what was happening. The President of the American Security Council was—did you guess it?—John Fisher. A Co-Chairman of the Council was Senator Robert Dole. The members of this council did not understand who was the real enemy, and they were sabotaged.

“NICAP continued to have confidential UFO data leaked to it during Acuff’s tenure. Late in 1976, for example, an officer in the Pentagon provided Acuff with copies of a number of classified documents, including the now-famous Iranian report and several other ‘hot’ reports.” This had to be stopped, so Acuff was canned and retired CIA agent Alan Hall was brought in to replace him. “Not much is known about Hall’s background, except he evidently worked in some technical capacity—perhaps with the Office of Scientific Intelligence...” My-Oh-My. What tangled webs.

THEN CAME 1947

The famous Roswell crash occurred in 1947. That year, Operation Majestic-12 was supposedly established by Truman to control the UFO situation, the National Security Act was passed, Project SIGN was established at Wright-Patterson and the CIA was established. Admiral James Forrestal was soon appointed Secretary of Defense, later to be murdered when he was tossed out of a hospital window by CIA agents, because he wanted to tell about the flying saucers.

The Roswell, New Mexico, crash of a flying saucer in 1947 has been described by the government as nothing but a weather balloon. Yet, an investigation by the Government Accounting Office and others has shown that all records pertaining to this event were illegally destroyed.

Another strange thing about this event is that the government must have released HUNDREDS of these “weather balloons” in 1947—or—perhaps they were not weather balloons? A file in the MUFON computer bulletin board called 1947.SIT lists the reported sightings of UFOs during 1947, sorted by state. There were 853 events and 3283 witnesses reported. How many more were not reported? Quite a lot of “weather balloons”, don’t you think?

In 1951, Congress was talking about turning Antarctica into a nuclear test area, but suddenly changed their mind when Washington was buzzed by UFOs and pictures of flying saucers over the White House appeared on the front pages of newspapers.

ANTARCTICA

In early 1980, I received the following letter from Christof Friedrich of Samisdat, written in 1979, the same year John Acuff was kicked out of NICAP for selling classified CIA documents to Samisdat. As it is too long, I will quote only part of it:

“SEARCH FOR HITLER’S ANTARCTIC U.F.O. BASES. Due to an overwhelming number of letters and telephone calls requesting details about our new books, new products, speaking tours, psychic research projects and our intensive experimental UFO-construction programs, we have to use this less personal form of keeping in touch with our many friends and collaborators around the world.

“Your response to our most recent mailout and activities has been most encouraging! We have received orders and enquiries from as far away as Noumea in the South Pacific, Easter Island, Chile, Argentina,

Brazil, Venezuela, Panama, Mexico, Soviet Satellite countries, China, South Africa, Persia, the Congo, Australia, Japan, as well as from every country in Western Europe and almost every state in the U.S.A. Not only is this response extensive, it is massive—a clear indication on the part of knowledgeable UFO researchers and members of the public that they are tired of the ‘junk food’ being served up by old-line UFO groups and publications who expound the official CIA-KGB alibi that all UFOs are extraterrestrial. What the UFO-watching world wants now is the real meat of the matter—a serious investigation of UFOs whose origins are terrestrial. SAMISDAT is the only organization making such an effort, but we are not alone, for we have thousands of supporters like yourself who want to know the truth which the saucer-charlatans have for 30 years tried to cover up with fairy tale fantasies of ‘little green men’. It is people like yourself who have made SAMISDAT the most active UFO organization and publisher on Planet Earth! [I want to insert a question to readers who consider themselves serious UFO researchers. Have you ever heard of Samisdat? That’s what I thought. Continuing:]

“Certainly we can be proud of this achievement which is the result, not only of our own Herculean efforts and sacrifices, but of your faithful support during this 5-year-long struggle against the forces of vested interest, deceit and prejudice which have attempted to hide the UFO story under a cloak of childish nonsense and outright lies. For many years we have determinedly pursued this new course of investigation, firm in the knowledge that man is able to achieve that which he perceives. Our researchers’ keen sense of direction and perception has guided them unerringly in their discovery of seemingly insignificant clues and the derivation of meaningful patterns therefore. Only such devoted and painstaking research could succeed in unEarthing the present array of facts which indicate the Earthly origin of most flying saucers. As one vital discovery has led to another, we have reached certain conclusions which are logical and inescapable, however unpopular they may be today.

“Our discoveries have led us into the production of a number of currently suppressed and sometimes vilified books which are now underground best-sellers. UFOs—NAZI SECRET WEAPON?” was our first title, now sold out in five complete editions. Our second book, SECRET NAZI POLAR EXPEDITIONS, is coming up fast and has sold out two full editions. Foreign language translations of these books are selling briskly, and it is becoming obvious to everyone that the media-enforced blockage of the truth has now been broken. Three additional books are currently under production and these will round out our Phase 1 Publishing Program: THE CIA-KGB-UFO COVERUP, THE ANTARCTICA THEORY and THE LAST BATTALION.

[H: I must insert herein that in the journals WE have offered all of this information as well. I would have to rely on the Editors to list those volumes for you, however { call 800-800-5565 for a complete Phoenix Journals Catalog }]. We also wrote a major outlay of the Antarctic bases and circumstances. This was several years ago so it can also serve as confirmation of our ongoing information presentation. However, as with many of our early journals, George Green holds them hostage in some empty gas-station storage place, without paying the storage fees, and we still can’t seem to get through the court system and release those publications. He claims, in the inside cover, that he holds copyrights on the volumes—HE DOES NOT! The unfortunate thing is that there have been no funds to reprint and let him have the problem of what to do with all the worthless paper because I can promise you that if he tries to sell any of those journals—he is going to answer dearly. I am weary of the gross and greedy people on your place that swear to serve, share, do magnificent things and then lie, cheat, steal and bash the workers. I mean, like I am REALLY fed-up to my own proverbial—ears.]

“During the course of our research, we have discovered some of the original German flying saucer scientists who are still alive! These space pioneers are, of course, old men now in their 70s and 80s. Our interviews with them will be incorporated into our regular lecture program as well as into our future books.

“We have also been able to establish research teams in Canada, the U.S.A. and in particular, Germany, whose task it is to rediscover basic principles of wingless flight which brought the original Nazi UFOs into being. Already, these teams have designed and constructed small scale models, some using conventional power and others which have propulsion systems unprecedented in today’s aerospace technology. With additional research, we hope to make available several different models in kit form for hobby-builders.”
END OF QUOTE.

ADMIRAL BYRD AND OPERATION HIGHJUMP

Also in 1947, Admiral Richard E. Byrd lead 4,000 military troops from U.S., Britain and Australia in an invasion of Antarctica (Operation Highjump and follow-up), but encountered heavy resistance from Nazi flying saucers and had to call off the invasion. A Rear-Admiral who was in that invasion has retired in Texas, and said he was shocked when he read the Fire From The Sky material. He knew there were a lot of aircraft and rocket shoot-downs but did not realize the situation was so bad.

The invasion of ANTARCTICA consisted of three battle groups from Norfolk, Va., on Dec. 2, 1946. They were led by Byrd’s command ship, the ice-breaker Northwind, and consisted of the catapult ship Pine Island, the destroyer Brownsen, the aircraft-carrier Philippines Sea, the U.S. submarine Sennet, two support vessels Yankee and Merrick, and two tankers Canisted and Capacan, the destroyer Henderson and a floatplane ship Currituck. A British-Norwegian force and a Russian force, and I believe some Australian and Canadian forces were also involved.

On March 5, 1947 the El Mercurio newspaper of Santiago, Chile, had a headline article “On Board the Mount Olympus on the High Seas” which quoted Byrd in an interview with Lee van Atta: “Adm. Byrd declared today that it was imperative for the United States to initiate immediate defence measures against hostile regions. The admiral further stated that he didn’t want to frighten anyone unduly but that it was a bitter reality that in case of a new war the continental United States would be attacked by flying objects which could fly from pole to pole at incredible speeds. (Earlier he had recommended defence bases at the North Pole.) Admiral Byrd repeated the above points of view, resulting from his personal knowledge gathered both at the north and the south poles, before a news conference held for International News Service.”

When Byrd returned to the States, he was hospitalized and was not allowed to hold any more press conferences. In March 1955, he was placed in charge of Operation Deepfreeze which was part of the International Geophysical Year (1957-1958) exploration of the Antarctic. He died, some have suggested he was murdered, in 1957. UFO researchers are familiar with a diary purported to be Admiral Byrd’s diary which tells of an entrance to a hollow Earth at the poles and a being called THE MASTER. The diary is generally considered to be a hoax, but even if it is a hoax, it is an indication that there was SOMETHING going on upon which to build the hoax. [H: I won’t comment on such a diary but I can tell you that one reason the craft could make such quick trips from one pole to the other—is that they cut right through the

middle of the planet!]

UFO researchers are also aware of strange sightings of flying saucers with swastikas or iron crosses on them, “aliens” speaking German, etc. An example is the American Reinhold Schmidt, whose father was born in Germany, who tells in his book *Incident At Kearney (Nebraska)* that he was taken on a flying saucer on several occasions. He said the crew spoke German and acted like German soldiers. He said they took him to the Polar region (if someone were making up a story, why would they claim to be taken, of all places, to the pole?) [H: To see Santa Claus perhaps?] After returning he was subjected to persecution by the U.S. Government. His description of the flying saucers matched pictures captured from the Germans. In 1959, three large newspapers in Chile reported front page articles about UFO encounters where the crew members appeared to be German soldiers. In the 1960s there were reports in New York and New Jersey of flying saucer “aliens” who spoke German, or English with a German accent.

In the Julius and Ethel Rosenberg atomic espionage trials, they spoke of “warships of space”. Since they had access to top secret information, about what were they talking?

[END QUOTING OF PART V #4]

Too long a day at the keyboard! Let us leave this now and pick up in the morning with the tale of Hitler’s escape.

What is going to really break your hearts is that you are going to find that the “Germans” of WW II were not “German” lineage but mostly of the line of what was then recognized as German Jews. You are going to find that the HOLOCAUST was against the Jews but actually masterminded by the Khazarian Zionists calling themselves Jews who actually served the Nazi fascist regime and were part of the full-out effort to genocide the Jewish (Judean) race. We are NOW TALKING REAL NASTY PEOPLE! That very evil plague was simply moved over to the nice new homeland now recognized as the United States of Israel New World Order. These are the same ones stemming from the “Communist” party takeover of Russia, and when that other shoe falls it is going to “walk-all-over” you! It is certainly time to get your ducks in order with your eyes WIDE OPEN and your wits about you. You have slept too long! Salu.

CHAPTER 5

REC #1 HATONN

FRI., DEC. 8, 1995 7:11 A.M. YEAR 9, DAY 114

FRI., DEC. 8, 1995

SOME DAYS BEGIN VERY WELL!

I wish to thank Loretta P. for her stamina in a long hard-fought battle to hold onto whatever small retirement she received from her husband's estate.

Luke Perry, a poor misguided spirit from Nevada, has tried to bring the Institute into bankruptcy, get the laws of Nevada Corporations CHANGED and has done every unethical thing he could find (with George Green, George Abbott, Eleanor Schroepfer, David Horton, the Associated Press and Leon Fort) to ruin his step-mother (who was married to Luke's very own father) for placing loans with the Phoenix Institute. Loretta has had a comfortable and steady income from her interest and the COURT RULED, finally and with recourse, that her business management has been good, the Institute is in perfect order with her "estate", and after some several YEARS in litigation after litigation, while Luke tried to snatch away the retirement funds—it is over.

Loretta is ruled to be in good mental state and capable of managing her own affairs; the Trust will remain solely her domain to manage as she wants; the Institute is a fine and secure shelter and TODAY IS A GOOD DAY! You may think that only Loretta won this day in court—nay, WE ALL WON THIS DAY IN COURT! Unfortunately now, Mr. Luke is going to have to GET A JOB. You would think he was trying to steal from his step-mother some millions of dollars as the case has been so long and legal fees so great—but no, we speak of quite a small amount which would serve a widow for assistance, but no luxury, for "possibly" the duration of her sojourn on Shan.

The Nevada corporation used by Loretta for the management of the Trust held in every aspect IN THE COURT! Do not assume you are trying only a stepson attempting to get his step-mother's (of many, many years) estate—but you were trying the very laws of Corporations in, specifically Nevada, but in every state in the union. If they will HOLD for an elderly lady then they can protect all elderly ladies. This comes in the face of atrocious lies and implications of crazy actions through a cult, E.T. investment spouters and other incredible accusations. Indeed, this is a good day in America for one little flame of freedom and justice to shine in a tiny window for this Christmas Season.

I especially wish to thank Cort Christie [*of Nevada Corporate Headquarters, Inc.*] who walked Loretta through this entire circumstance and also had to fight for the laws of Nevada and for Justice. I hope he will join with Laughlins in CELEBRATION of the inability of jokesters such as Luke Perry to pierce the shields of corporations and Trusts. To the readers, however, IT WAS THE CORPORATION THAT WAS LORETTA'S SECURITY AND PROTECTION; THE TRUST ACTUALLY FELL. KEEP IT IN YOUR MIND AS YOU CAREFULLY STUDY MR. CHRISTIE'S CORPORATION COLUMN IN CONTACT. IN FACT, I BELIEVE THAT HE HAS SOME GOOD SUGGESTIONS FOR YEAR END IN

THIS EDITION. INCORPORATION (IN NEVADA) IS THE MOST USEFUL AND LEGAL TOOL YOU CAN USE FOR PROTECTION OF SELVES IN THIS WAR OF THE WORLDS. PRIVATE CITIZENS NOR TRUSTS HAVE LONGER ANY PRIVACY—CORPORATIONS HANDLED CORRECTLY IN EVERY WAY AND NEVER MISUSED—OFFER SHELTER AND THEY OFFER SHELTER TO THE “ONE” OR TO THE MANY.

Through proper and fundamental care there are LEGAL and honorable ways to handle your affairs to help shelter you from the IRS who collects for the Banksters—NOT FOR YOUR GOVERNMENT OPERATIONS. Gifts can be handled to allow security of funds and so too can your own private business and that of your family. Indeed this is a good day when your protection shields held strong under the hardest eye offered by the judicial system. Luke has been worse than a terminal cancer on the heart of Loretta and we felt the strength sweep over her in her excitement for she had really reached the point that she felt she could never be free of this shackling albatross which was strangling her to death.

Why am I so happy over this outcome? Because I have asked you to consider these shelters and have for a very long time. Further, to be a good course of action it needs to be PROVEN IN LITIGATION for some of you to recognize my truth and my support of your positions as citizens and souled beings of God trying to make it through a maze of traps and “gitcha”. Don’t be silly and suggest that God and Hosts would not help you in such as mundane money matters—THAT IS WHAT YOU PRAY ABOUT MORE THAN ANY ONE OTHER SUBJECT OR OBJECT!

I must remind you, however, that if you intend to simply play fool’s games with such a wondrous blanket as a Corporation—do not even walk in my pathway. People who misuse, abuse and use them for spite and greed—will fall by their own misuse. It is happening to “others” as we write.

Thank you Paul L. and Gene D., Karen and Valerie for your never-ending support of Loretta for she trusted ME to stand guard over her rations and you have served well her cause. I would guess that Luke will try “something” else but the judge ruled in such a way as to negate anything he attempts. Please help her now secure her assets so that she can stop living in this nightmare of pain and insecurity.

Now, the next time that Luke Perry shows up on George Abbott’s paperwork—act accordingly for it is time to end these other litigations. I believe, Gene, that you will have to push further pressure against Leon and Eleanor to stop Abbott for it appears that neither of them will ever get around to stopping his never-ending use of them. Do not leave John strung out WITH them for he has no part in this ongoing lawyer game. He can bring his OWN action and prove the good defense of learning to protect himself on his own behalf. Abbott will not stop nor, apparently, will the courts stop him until every cent of all parties is resting in the pockets of the attorneys and the court. Abbott deliberately TOOK LEON’S money as returned by the Institute and, to cover his crimes has, it seems, run up Leon’s legal fees to MORE THAN cover all assets he used and claimed to be holding “in trust”. By the way, Leon and Rod are forming a litigation alliance as we write here. No, I don’t like it because the Institute has been hurt badly enough by bad publicity and outright theft. It must stop! I cannot help people’s bad choices and neither do we need to play into them. LET THE TRUTH BE REVEALED!

May we turn back to the topic of *Fire From The Sky*, please, for there is much to be done today, other than writing. When CRIME STOPS PAYING OFF, it will stop.

[QUOTING:]

FIRE FROM THE SKY, PART V #5

by "One Who Knows"

HITLER ESCAPED!

I remember hearing, in the 1950s, rumors that Hitler had escaped to a secret Nazi base at the South Pole. In 1952, Dwight D. Eisenhower said: "We have been unable to unearth one bit of tangible evidence of Hitler's death. Many people believe that Hitler escaped from Berlin." When President Truman asked Joseph Stalin at the Potsdam conference in 1945 whether or not Hitler was dead, Stalin replied bluntly: "No." Stalin's top army officer, Marshall Gregory Zhukov, whose troops were the ones to occupy Berlin, flatly stated after a long thorough investigation in 1945: "We have found no corpse that could be Hitler's." The chief of the U.S. trial counsel at Nuremburg, Thomas J. Dodd, said: "No one can say he is dead." Major General Floyd Parks, who was commanding general of the U.S. sector in Berlin, stated for publication that he had been present when Marshal Zhukov described his entrance to Berlin, and Zhukov stated he believed Hitler might have escaped. Lt. Gen. Bedell Smith, Chief of Staff to Gen. Eisenhower in the European invasion and later Director of the CIA, stated publicly on Oct. 12, 1945, "No human being can say conclusively that Hitler is dead."

Col. W.J. Heimlich, former Chief, United States Intelligence, at Berlin, stated for publication that he was in charge of determining what had happened to Hitler and after a thorough investigation his report was: "There was no evidence beyond that of hearsay to support the theory of Hitler's suicide." He also stated, "On the basis of present evidence, no insurance company in America would pay a claim on Adolph Hitler." Nuremburg judge Michael Mussmanno said in his book *Ten Days to Die*, "Russia must accept much of the blame (to the extent that it still exists) that Hitler did not die in May 1945." However, Mussmanno stated that he interviewed Hitler's personal waiter, his valet, his chauffeur, his two secretaries, pilots, top generals, etc., and they all agreed perfectly that Hitler committed suicide. **[H: Yes, and wouldn't it be that way? The facts are that Hitler escaped directly through a Soviet port.]** He said they could not have gotten together afterward and made up a story that agreed in perfect detail without one flaw anywhere, so they must be telling the truth and he was absolutely convinced that Hitler committed suicide. The story at first sounds convincing, until you realize that they could have memorized a story BEFOREHAND and these were all people who almost WORSHIPPED Hitler. Do witnesses ever agree *perfectly* in detail in real life?

Former Secretary of State Jimmy Byrnes in his book *Frankly Speaking* (as quoted in the April 1948 *The Cross and The Flag*): "While in Potsdam at the Conference of the Big Four, Stalin left his chair, came over and clinked his liquor glass with mine in a very friendly manner. I said to him: 'Marshal Stalin, what is your theory about the death of Hitler?' Stalin replied: 'He is not dead. He escaped either to Spain or Argentina.'"

I still have the September, 1948, issue of a magazine called *The Plain Truth* with the headline article: "IS HITLER ALIVE, OR DEAD?", subtitled: "Here is summarized the conclusions of an exhaustive three-year investigation—together with reasons for believing Hitler may be alive and secretly planning the

biggest hoax of all history.” Another article in November, 1949, says “The Nazis went underground, May 16, 1943!” and details a meeting at the residence of Krupp von Bohlen-Halbach, the head of the Krupp’s industries, the head of I.G. Farben, etc., at which they planned “for World War III”. Another article in August, 1952, entitled “HITLER DID NOT DIE”, subtitled “Adolph Hitler’s fake suicide in his Berlin Bunker now is exposed as History’s greatest hoax! Positive evidence comes to light that Hitler did not die—here’s new evidence that Hitler is alive, directing Nazi Underground, today!”

The June, 1952, issue of *The Plain Truth* is headlined: “HITLER *May Be Alive!*” The article states: “Now, NEW FACTS, or purported facts, leak out. It’s reported now that in 1940 the Nazis started to amass tractors, planes, sledges, gliders, and all sorts of machinery and materials IN THE SOUTH POLAR REGIONS—that for the next 4 years Nazi technicians built, on an almost unknown CONTINENT, Antarctica, the Fuhrer’s SHANGRI LA—a new Berchtesgaden. The report says they scooped out an entire mountain, built a new refuge completely camouflaged—a magic mountain hide-a-way. The recently discovered continent is larger than Europe—5,600 miles from Africa, 1,900 miles from the southern tip of South America, 4,800 miles from Australia. It is NOT a mere ice-covered surface, but a real continent, with plains, valleys, mountain peaks up to 15,000 feet. The temperature in the interior is around zero (?) in the summer, and never drops below 20 or 30 degrees below in the winter. In other words, it is not as cold as in parts of North Dakota or Canada.” [H: **Surprise, surprise: IT IS NOT LIKE THIS AT ALL—IT IS QUITE WARM AND WONDERFUL WITH THAT WARM TEMPERATURE RADIATING UPWARD AND OUTWARD AT THE SURFACE WITH MEADOWS AND OTHER WONDROUS THINGS, WARM SPRINGS AND ABILITY TO GROW ON THE SURFACE AS WELL AS WITHIN.**] *Bonjour* magazine, the *Police Gazette*, and the Paris newspaper *Le Monde* all had articles about Hitler’s South Pole hideaway. Admiral Doenitz, in 1943, stated, “The German submarine fleet has even now established an earthly paradise, an impregnable fortress, for the Fuhrer, in whatever part of the world.” Although he did not specify where the exact location was, *Bonjour* pointed out that in 1940 Nazi engineers had begun construction of buildings that were to withstand temperatures to 60 degrees below zero.

There have been strong rumors, from the end of the War, that Hitler escaped to the South Pole. Yet, most people simply REFUSE to believe the evidence, the idea that Hitler survived the war is just unacceptable! It is too upsetting to too many people! There is plenty of PROOF that the Americans and Russians LIED about what happened to Hitler, and there are strong rumors that he escaped to Antarctica. There is ample proof that a major group of Nazis escaped to Argentina. What do YOU think? Why did Admiral Byrd lead an *invasion to Antarctica*, and why the extreme secrecy about the whole situation?

In 1981, Donald McKale wrote *Hitler: The Survival Myth* to try to lay to rest the questions about what happened to Hitler. The flyleaf says: “In this book a distinguished historian examines the postwar **world’s most absorbing and persistent mystery**, revealing why it has endured and where the mystery leads” (emphasis mine). The back flyleaf says “Absolute certainty about what happened still eludes us today.” Just recently on TV there are STILL programs telling “at last, the final, once and for all, this is the real story” about what happened to Hitler, yet they all do not really answer the question. A recent TV program, called “What Really Happened to Adolph Hitler”, after investigating numerous stories, ends by saying that, in spite of Glasnost and the new freedom of access to Russian files, the files on Hitler are still some of the most highly classified items of the Soviets.

[H: I think I should interject some thought-provoking input along about now. Hitler not only survived but is still alive and well and never mind who or what he appears to be at this time. This FACT is THE reason that you have such a HOLOCAUST push of lies and a building up of hatred for the IDEA of a Hitler-run regime. Those Germans had the full support of alien builders and the point is to gain, today, more sympathy for the Khazarian Zionists who have been the most brutal, master slave-owners the world has ever known. The “Jews” led the German concentration camp modus operandi, the incredibly Satanic terror campaigns and NOW RUN THE BOLSHEVIK SOVIET AND UNITED STATES, AS WELL AS THE BRITISH-ISRAEL EMPIRES. THESE ARE THE PLAYERS IN THE WORLD WAR TO COME AND IT IS GOING TO BE ONE HECK OF A SHOW. HITLER WAS ACTUALLY A “NOTHING” SORT OF PERSON BUT THE FACT THAT THE KHAZARIAN ELEMENTS OF THE NEW WORLD ORDER CONTINUE TO FOIST OFF ON YOU THE LIES OF YOUR SITUATION—YOU CAN KNOW I SPEAK THE FACTS! YOU WILL BE TOLD THESE ARE “ALIENS”.]

The *Diario Illustrado* of Santiago, Chile, January 18, 1948 issue, said: “On 30th of April, 1945, Berlin was in dissolution but little of that dissolution was evident at Templehof Airfield. At 4:15 p.m. a JU52 landed and S.S. troops directly from Rechlin for the defence of Berlin disembarked, all of them young, not older than 18 years. The gunner in the particular plane was an engineer by the name of B.... whom I had known for a number of years and for whom I had endeavored to get exemption from military service. He sought to tank up and leave Berlin as quickly as possible. During this re-fueling interval Mr. B.... was suddenly elbowed in the ribs by his radio operator with a nod to look in a certain direction. At about 100-120 meters he saw a sleek Messerschmitt Jet Model 332 [an editorial comment says this should be an ARADO 234]. Br. B.... and the radio operator saw, and without any doubt whatsoever, standing in front of the jet, their Commander in Chief, Adolf Hitler, dressed in field-grey uniform and gesticulating animatedly with some Party functionaries, who were obviously seeing him off. For about ten minutes whilst their plane was being refuelled the two men observed this scene and around 4:30 p.m. they took to the air again. They were extremely astonished to hear during the midnight military news bulletin, some seven and a half hours later, that Hitler had committed suicide.”

[H: To make your day perfect let me assure you that there was no death of the Czar’s family or himself, in Russia—either. Guess what! These very same ones are going to come back, and soon, and EAT THE ZIONIST’S LUNCH! This is the very reason WHY recently you had a report of DNA identification of dead bodies of the Czar’s family—B.S., that was just garbage information placement to convince you there is no longer a “mystery”. There is NO MYSTERY and neither did they run or have validation as reported. It is “serious time”, readers, for almost NOTHING is as it seems.]

On a Canadian Broadcasting Corporation program called *As It Happens*, September 17th, 1974 at 7:15 p.m., a Prof. Dr. Ryder Saguenay, oral surgeon from the Dental Faculty of the University of California at Los Angeles, said that Hitler had ordered a special plane to leave from Berlin with all medical and dental records, especially X-rays, of all top Nazis for an unknown destination. He said that the dental records used to identify Hitler’s body were drawn from MEMORY by a dental assistant, who disappeared and was never found.

An editorial in *Zig Zag*, Santiago, Chile, January 16, 1948, states that on April 30th, 1945, Flight

Captain Peter Baumgart took Adolf Hitler, his wife Eva Braun, as well as a few loyal friends by plane from Tempelhof Airport to Tondern in Denmark (still German controlled). From Tondern, they took another plane to Kristiansund in Norway (also German controlled). From there they joined a submarine convoy. (*U.F.O Letzte Geheimwaffe des III Reiches*, Mattern, pp. 50-51.)

The Jewish writer Michael Bar-Zohar in *The Avengers*, p. 99, said: “In 1943 Admiral Doenitz had declared: ‘The German U-boat fleet is proud to have made an earthly paradise, an impregnable fortress for the Fuhrer, somewhere in the world.’ He did not say in what part of the world it existed, but fairly obviously it was in South America.”

The German writer Mattern said that Admiral Doenitz told a graduating class of naval cadets in Kiel in 1944: “The German Navy has still a great role to play in the future. The German Navy knows all hiding places for the Navy to take the Fuhrer to, should the need arise. There he can prepare his last measures in complete quiet.”

The Germans say they were in contact with extraterrestrials. Now consider what Ronald Reagan, who was involved with the formerly Nazi Gehlen spy organization, said to Soviet leader Mikhail Gorbachev at the November 1985 Geneva summit conference: He told him, “How much easier your task and mine might be in these meetings that we held if suddenly there was a threat to this world from another species from another planet outside in the universe. We’d forget all the little local differences that we have between our countries, and we would find out once and for all that we really are all human beings here on this earth together.” (*International Herald Tribune and Daily Telegraph*, 5 Dec. 1985.)

On September 21, 1987, Reagan spoke before the General Assembly of the United Nations and said: “I occasionally think, how quickly our differences worldwide would vanish if we were facing an alien threat from outside this world. And yet I ask, is not an alien force already among us?” [**H: TOUCHÉ.**]

On May 4, 1988, at Chicago’s Palmer House Hotel, Reagan said: “I’ve often wondered, what if all of us in the world discovered that we were threatened by an outer... a power from outer space, from another planet.”

You of course have heard about Reagan’s Star Wars program. If you study what was reported *after* the Gulf War about the Patriot missiles, you will find that the Patriot missile program and the Star Wars program were a big lie and the money was spent on something other than what we were told. The Patriot missiles never shot down a Scud, as learned by Congressional inquiry and reported by Israel.

There are so many facets to this story, it is hard to explain one part because it will not make sense unless you understand the other parts.

[END QUOTING OF PART V #5]

I want to stop here for a while, please, and I want you people to THINK carefully about these writings and this information. The Khazarian Zionists New World Order serves Satanic adversaries. Do you actually think that they are ACCEPTED in the realms of CREATOR’S “space”? You may VOTE everybody into a club of some kind of immoral representation and political hog-swill, but the honorable MEN of space DO NOT. Moreover, the Khazarians (who call themselves Zionist Jews) HAVE NO WHERE TO RUN

AND NO PLACE TO HIDE. AND YOU, READERS, ARE NOW FACING YOUR CONCLUSIONS—INFORMED CONCLUSIONS! Creator’s Earth will not be left to the Evil Empire! I suggest you stop reading the propaganda and start realizing that the REVISIONISTS OF HISTORY—are the ones who CHANGED THE HISTORICAL FACTS IN THE **FIRST PLACE**. Things simply did not happen as the controlled media has dumped it on you. And, moreover, these people out here, mingled with your own human species on bases in your Solar System and within your polar caps—ARE GOING TO WIN THE DAY! YOU ARE PEOPLE OF THE LIE AND THERE IS NO NEED TO DIE WITHIN THAT LIE. I SIMPLY BRING FACTS IN TRUTH UNTO YOU FOR I HAVE NO PLACE IN THE WARS OF MANKIND—BUT THAT LEAVES A POWERFUL MIGHT SURROUNDING THE COUNTERFEIT HUMAN SPECIES.

I suggest you consider your alternatives MOST CAREFULLY. Good morning. Salu.

CHAPTER 6

REC #2 HATONN

FRI., DEC. 8, 1995 12:14 P.M. YEAR 9, DAY 204

FRI., DEC. 8, 1995

[QUOTING:]

FIRE FROM THE SKY, PART V #6

by "One Who Knows"

POLAR DEFENSES

One thing that Admiral Byrd stated in a press conference after his defeat at Antarctica was that the Antarctic continent should be surrounded by a "wall of defence installations since it represented the last line of defence for **America**." Although the U.S. and Russia had been allies during the war, suddenly the "Iron Curtain" was created and we and the Russians became enemies. Both the Soviets and the United States ringed the poles with defense and detection bases, and in between was the barren no-man's-land of the poles where absolutely nobody lived, or did they? Could it be that we pretended we were protecting against the Russians and they pretended they were protecting against us, while really we and they were both scared of what was in between us—the Nazi Last Battalion?

UFO researchers should now begin to see the light of why the Navy has always been in the lead of UFO research. And you should now understand why, right from the beginning, they issued shoot-to-kill orders against any UFOs and why the situation was so highly classified! And anti-communist researchers have more clues now as to why we were giving aid to the Soviets at the same time we were calling them our enemies!

UFOs—NAZIS OR ALIENS?

Let me be sure you understand, though, that NOT ALL UFOs ARE NAZIS. Originally they were Nazi with some alien. Later the U.S. developed UFOs, and the Russians, and who knows who else. But all along there really were extraterrestrials, that is from where some of the technology originally came. Read the lives of Walter Russell, Nikola Tesla, the world's most advanced mathematician Ramanujan, etc., and they all say they were in contact with "gods" (The Goddess Namagiri, in the case of Ramanujan) or they had "enlightenment" from a "cosmic messenger" as in the case of Walter Russell. Russell is one who understood true physics, as opposed to the deceptions taught in modern physics.

RUSSIAN SPACE PROGRAM

Let's return to the origin of the Russian space program. The Russians also captured many German rocket and space scientists. Later the chief Russian physicist was Kapitsa, who once headed an atomic research laboratory at Cambridge University. (*Assault on the Unknown, The International Geophysical Year* by Walter Sullivan McGraw-Hill Book Co., New York, p. 56. Part of the IGY explorations were covers for secret investigations into the Nazi UFO base at Antarctica, see books referenced elsewhere.) The Russians were successful in their endeavors and in 1972, at a meeting of Communist leaders in Prague, Brezhnev stated that the Soviets would be able to dominate the world by 1985. He specifically stated they would control the oceans, 90% of the land, and the air and space. He said they would control, not invade and conquer.

In 1974, the construction of the Tara directed-energy facility at Saryshagan was begun.

In 1975, a Soviet article in *International Life* talks about weather war, changing the nature of lightning, increasing the power of lightning, and using directed energy of tremendous power at specific targets. It tells of using "atmospheric electricity" to suppress mental activity of large groups of people.

On June 13, 1975—he repeated his call for a ban on doomsday weapons to visiting U.S. Senators. They could not understand what he was talking about.

In August 1975—Ponomarev made the same proposal to a group of U.S. congressmen visiting the Kremlin, same result.

In November of 1975—large amounts of hydrogen gas with traces of tritium were detected at Semipalatinsk by U.S. Air Force TRW reconnaissance satellites. General George Keegan had been paying special attention to this facility ever since one of his men warned him of something "fishy" there in 1972. This was evidence confirming his suspicions of Soviet particle beam research.

In October-December of 1975—the Soviets destroyed at least five U.S. satellites over the Indian Ocean.

In 1976—the State Department revealed that the U.S. Embassy in Moscow had been continuously under some sort of microwave radiation attack from the Soviets. Two ambassadors were killed, other people got sick. All Embassy employees were given a 20% hazardous duty pay increase.

In 1976—Soviet nuclear physicist Rudakov visited the U.S., and gave a talk which was immediately classified and the blackboard ripped down and carried away. Material which was open public scientific material in USSR was considered classified here in the U.S. Who was being kept in the dark?

March 30, 1976—a huge unexplained boom occurred over the Netherlands. Probable Soviet scalar howitzer test.

July 4, 1976—Independence Day! Russia joined our celebrations by activating its giant *Woodpecker transmitters* causing worldwide interference in all frequencies from 3 to 30 MHz. Transmissions have been continuous ever since. Later the U.S. government said these were merely Russian over-the-horizon radar.

September 10, 1976—European Airways Flight 831, Moscow to London, saw a huge blinding ball of light below them. Pilot contacted Soviets, was told to not ask questions. This was probably a test to measure the British reaction and to determine if the British knew what it was.

In 1976—Sweden detected evidence of nuclear explosions from Semipalatinsk but without seismic activity.

In 1976—Legionnaires Disease strikes in downtown Philadelphia. Kills 34, 187 others got sick. Dr. P. David Beter said this was actually caused by Soviets releasing plutonium gas, but Bearden says it was a scalar electromagnetic attack.

SCALAR WEAPONS ACTIVATED

March 24, 1977—a luminous patch of light appeared off the coast of Spanish Sahara, Africa, and a large globe of dynamic lights appeared over it. Bearden says this was a test of the Tesla shield which shields everything within it from any outside attack

June 11, 1977—Soviet scientist gave a report to *Los Angeles Times* journalist Robert Toth (who was in Moscow) which spoke of energy coming from the vacuum of space. KGB quickly arrested both and charged them with possessing Soviet state secrets. Most American scientists at the time thought energy from the vacuum was nonsense.

September 26, 1977—Russia launched the Intercosmos 17 octagon space vehicle and destroyed the U.S. moon base, as mentioned in earlier *Fire From The Sky* material. Soviets also destroyed our spy satellites and “took the high ground”. Russia has prevented us from controlling space ever since.

December 1977 and later—mysterious unexplained booms began occurring off the U.S. coasts. This was, according to Bearden, Soviet weapon registration and calibration, and according to Beter was warnings to our government.

Also in 1977—Russia began weather war in earnest. Two huge hot spots in the Pacific were created which caused an El Nino effect and resulted in one of the most severe winters on record. For more information, read Tom Bearden’s materials and check his reference material.

January 27, 1978—all three engines fail on a Boeing 727 off U.S. east coast, restart one by one as plane falls 8,000 feet. Bearden says this was a Soviet test and warning. Four planes crash in 6 days NW of Las Vegas in February, 1978. From this point on the aircraft events and crashes are too numerous to list and are still ongoing. Atmospheric booms were reported over Texas coast, Nova Scotia, South Carolina.

April 2, 1978—39 pilots in a race off Florida experience “time loss” on synchronized watches. Unexplained lights and lighted objects seen and tracked on radar over Florida.

For more information on scalar EM bird kills, earthquakes, Tesla shield observations, crashes, and much more as part of Soviet man-caused events, see Tom Bearden’s material, Dr. Beter’s material, and related material from other authors. There are far too many for me to list.

COALITION INSIDER

In December, 1978, I received Vol. 1, No. 1 of the *Coalition Insider*, a report of the Coalition for Peace Through Strength. This was published by the American Security Council, started by General George Keegan after he resigned as head of Air Force Intelligence to become a private citizen so he could warn about the Soviet particle beam and other weapons developments. The back page article entitled “Soviets Have Satellite Killers” says: “At a news conference recently, Defense Secretary Harold Brown revealed that the Soviet Union has placed into operation a space interceptor satellite capable of shooting down U.S. military and civilian satellites.” How did he know the capabilities of these interceptors? Because they had already knocked out our satellites!

The article further stated: “Last year, the Soviet Union denounced the U.S. for even considering the development of a similar space interceptor satellite, capable of shooting down Soviet interceptor satellites before they could knock out our reconnaissance satellites. Any such plans, warned Moscow, would be in ‘direct violation’ of the treaty for peaceful uses of space. But, the Soviets already had a ‘killer satellite’ of their own!”

The co-chairman of the press conference is pictured; his name was Senator Robert **Dole**.

NORTHERN BOOK HOUSE

Also in 1978 I received a packet of Communist literature from the Soviet distributor Northern Book House, Box 1000, Gravenhurst, Ontario, Canada. At the time, I considered the material as worthless nonsense garbage. Now, as I review it, I am shocked. They talk about humans and animals responding to “electromagnetic waves”. They talk about Soviet Scientist Dr. N. A. Kozyrev’s study of earthquakes on the moon. They talk about getting energy out of the vacuum.

They brag about the “world’s first supersonic aircraft”, the Soviet TU-104, introduced in 1956 (they ignore the German supersonic bomber code-named Horten XVIII, made in 1945). I’ll just quote the article: “Remember back to 1956? World’s first jet passenger plane. Changed whole course of flying (vastly increased people carried). When NN [*Northern Neighbors*, publication of Northern Book House] said it (15 years ago), hor-hor-hor, such exaggerating! Plane was, of course, famous Soviet TU-104, long far ahead of USA. Now they’ve [Russia] got the TU-144 supersonic aircraft. And where is USA’s? Where NN said it would be. Far behind USSR’s. But darn it all, we missed out! We didn’t say USA would not have any SST at all, like it hasn’t. Sorry, but don’t expect us to exaggerate all the time. These days it’s hard to see how far behind USA is falling.”

Oh, but now we are far ahead of them, we are told. Our supersonic passenger transport is the, ah, er, it’s the—somebody help me out here, please? And our space station is the, ah, er, oh—never mind. We have Disney World, so there!

They quote a *U.S. News & World Report* article “U.S. Superiority Has Ended”, April 5, 1971. The centerfold of the magazine is a spread of pictures of the inside of their space station and the four men working there for months at a time. They point out that the U.S. astronauts have to crash land in the ocean on return, while Soviet astronauts land on the ground. The next page is an article condemning Zionism as

racism! One of the articles tells of the Russian educational system. In their system, there is no homework, all study is done at school. Everybody learns another language starting in Grade One. In some of the schools physical training consists of three hours a day! No wonder they win all the Olympic medals. Oh well, they are probably just bragging.

KAMMLER

Anybody familiar with Nazi history will be familiar with Himmler, Speer, Bormann and such but few have ever heard of Hans Kammler. Kammler was a General in the SS, rather an accomplishment any way you look at it. Kammler “was regarded by many in the Nazi hierarchy as the most powerful man in Germany outside the Cabinet.” (*Blunder! How the U.S. Gave Away Nazi Supersecrets to Russia* by Tom Agoston, Dodd, Mead & Co., p. 4.) Kammler, who’s position of authority was directly under Himmler, was in charge of Hitler’s most secret projects, specifically projects such as the world’s first jet engines and rockets. He had over 14 million people working for him, mostly building underground factories. Agoston said his projects were equivalent to being in charge of building the Great Pyramids or the Coliseum in Rome. Speer said that he believed that Kammler was being considered to take his (Speer’s) position.

Working under Kammler in charge of rockets was General Walther Dornberger, who with Dr. Werner von Braun, developed the V-2 rocket. Working with Kammler at the “Reich’s most advanced high-technology military research center” at the Skoda armament complex in Pilsen, Czechoslovakia was General Dr. Wilhelm Voss. Some of the projects at Skoda remain secret to this day, but it is acknowledged that among the projects was one by Dr. Franz Josef Neugebauer, “a specialist in thermal systems for aircraft nuclear propulsion”. (Agoston, p.12.) Albert Speer, in his book *Spandau, The Secret Diaries*, brags that it was he who ordered Werner Heisenberg to stop building an atomic bomb and concentrate on a “uranium motor” for aircraft. Towards the end of the war, Hitler even made Goering and Speer subordinate to Kammler. Eisenhower admits in *Crusade In Europe* that the Nazis were within 6 months of developing advanced weapons that would have changed the outcome of the war.

RUDOLPH HESS AND SECRET GERMAN SPACE BASE

Rudolph Hess, Hitler’s best friend and second in command, went to England to try to stop the war with Britain and was arrested as a “war criminal” on May 10, 1941 and was kept from having any contact with the public until he was recently murdered. He was the only prisoner in Spandau prison. Ones who paid any attention to his situation at all have wondered what was the big secret he knew that made him so dangerous to the Allies? Perhaps the answer is revealed in Friedrich’s book *Secret Nazi Polar Expeditions* on page 34: Hess “was entrusted with the all-important Antarctic file... Hess, himself, kept the Polar File...”

If you look at a map of Antarctica you will see that a portion of Queen Maud Land is called new Schwabenland. This is the part of the continent nearest to South Africa. The Germans made a major expedition to this area in 1938-1939 and began the construction of a major base. For details of this expedition, see the book by Friedrich. This book has pictures of the *warm-water* ponds and other information that will surprise you. It has maps showing that Admiral Byrd’s Operation Highjump (Naval

Task Force 68) military invasion landed on the side opposite the German bases. The book tells of a major food item in the area called krill. Ever heard of “Krill”? The maps of Operation Highjump say that they left the German side of the continent unexplored.

A man who was very influential in modern German post-war politics was Hans-Ulrich Rudel, a frequent guest speaker in German military and political circles. Rudel was the man groomed by Hitler to become his successor. It is known that Rudel made frequent trips to Tierra del Fuego at the tip of South America nearest Antarctica. One of Martin Bormann’s last messages from the bunker in Berlin to Doenitz mentioned Tierra del Fuego.

The book *UFOs, Nazi Secret Weapon?* says (p.8) “Hitler’s appraisal of the Jews can best be summed up as contained in ‘*THE PROTOCOLS OF THE LEARNED ELDERS OF ZION*’. **This is a very important aspect of the whole U.F.O. story**, because in it, we find the seeds for many far-reaching decisions made 30 years later.” Do you have any idea what such a politically “incorrect” subject as the *PROTOCOLS* could have to do with UFOs? [**H: Yes! Moreover, you had better get familiar with those *Protocols* because they are going to haunt you into eternity if you don’t wisen up.**]

A book called *America’s Aircraft Year Book* tells about the U.S. using captured German scientists at Ft. Bliss and Wright Field. “Among those in the German group at Wright Field were Rudolph Hermann, Alexander Lippsich, Heinz Schmitt, Helmut Heinrich, and Fritz Doblhoff and Ernst Kugel. Hermann was attached to the Peenemunde Research Station for Aerodynamics, where Germany’s V-2 rockets were hatched and launched against England. A specialist in supersonics, he was in charge of the supersonic wind tunnel at Kochel in the Bavarian Alps. He also was a member of the group entrusted with Hitler’s futuristic plans to establish a **space-station rocket-refueling base** revolving as a satellite about the Earth at a distance of 4,000 miles—a scheme which he and certain high-ranking AAF officers in 1947 still believed to be feasible.”

Later evidence shows that most or all of the craft and flying saucer scientists disappeared. The available evidence indicates they went to South America or Antarctica.

The *El Mercurio* and *Der Weg* papers told of a large submarine convoy discovered by the British Navy at the end of WW II. All available allied units engaged the convoy and were totally destroyed except for the Captain of one destroyer, who was reported as saying, “May God help me, may I never again encounter such a force.”

On July 10, 1945, more than two months after the end of the War, the German submarine U-530 surrendered to Argentine authorities. The Commander was Otto Wermoutt. The sub had a crew of 54 men (the normal sub crew was 18 men) and the cargo consisted of 540 barrels of cigarettes and unusually large stocks of food. The Commander was 25 years old, the second officer was 22, and the crew was an average of 25 except for one man who was 32 years old. This was an unusually young crew and upon questioning it was learned that they all claimed that they had no relatives.

A map from a Spanish book called *Is Hitler Alive?* with the route of the Fuhrer convoy shows it passed alongside South Georgia Island, where later a secret underground base was the focus of a secret battle during the Falkland Islands War.

On April 4, 1944 at 4:40 a.m. the German submarine U-859 left on a mysterious mission carrying 67 men and 33 tons of mercury sealed in glass bottles in watertight tin crates. The sub was sunk by a British submarine and most of the crew died. One survivor on his death bed about 30 years later told about the expensive cargo and some divers checked out his story and found the mercury. For what purpose was this mercury to be used? And where were they trying to take it?

There are many other stories of other U-boats and German survivors, mostly in the Southern Hemisphere. The Germans and other European nations required very meticulous registration records of everybody, including their relatives, employment, addresses, children, etc., and at the end of the war the Allies, cross checking these records, taking into account casualties and deaths, determined that there were 250,000 persons unaccounted for.

WERNER HEISENBERG

Hitler signed the order for the atomic bomb to be built on September 26, 1939. The top scientist on this project was Dr. Werner Heisenberg. (Powers, Thomas, *Heisenberg's War*, Alfred A. Knopf, 1993, p. 16.) Heisenberg won the Nobel prize for physics in 1932 “for the creation of quantum mechanics”. He was professor of theoretical physics at Leipzig and later Director of the Max Planck Institute for Physics. His best friend, until the war, was Niels Bohr. Edward Teller received his doctorate by studying under Heisenberg (Powers, vii).

Thomas Powers wrote the book *Heisenberg's War, The Secret of the German Bomb*, in which one of the main themes was trying to account for the fact that Germany was far ahead of the rest of the world in developing the bomb and yet the Allies were astonished when they found the primitive experimental reactor at the end of the war that was supposedly the best the Germans were able to accomplish. Excuses such as German inefficiency, etc., do not fit the evidence, and to say that the Germans were more moral than the American Jews that developed the bomb is not politically acceptable. It is known that the Germans were also working on the hydrogen bomb, and the Allies frantically bombed the heavy water plants. There are many books and movies about the heroes who stopped the German nuclear efforts, yet somewhere in the hoopla you find that at least one large load of heavy water was never accounted for.

In a speech in June 1949, Vannevar Bush tells that the Allies were extremely concerned that the Germans were ahead of them on the bomb, but finally found out “they had not accomplished five percent of the undertaking which had been brought to success... in this country.” He blamed their failure on typical German “regimentation in a totalitarian system”. But if you think about it with an open mind, you should realize that “regimentation in a totalitarian system” is usually MORE efficient, especially when it comes to making weapons.

Powers explores Heisenberg's explanation that the Germans “had used their influence as experts to direct the work into the channels which have been mapped in the foregoing report.” But the “foregoing report” did not explain what happened. Powers said: “His account is incomplete. Something is withheld” (p.482). On the last page he sums up by saying, “No one denies what Samuel Goudsmit found in southern Germany in 1945—a small-scale program of atomic research that posed no threat to the Allies. It is the difficulty of assigning reasons for the failure that have kept the issue tender for nearly fifty years.”

When Field Marshall Erhard Milch visited the Gottow laboratories in 1945 where atomic research was being carried out, he asked Heisenberg, “How big would a bomb have to be in order to destroy New York or London?” Heisenberg replied: “About as big as a pineapple, and we will have a basketful for the Fuhrer by Christmas...!” (Mattern-Friedrich, *UFOs, Nazi Secret Weapon?*, p. 77. Some of the material in the book came from classified documents obtained from the CIA. See elsewhere in this text.) (It takes 33 pounds of highly-enriched uranium or 13 pounds of plutonium to make a small atomic bomb).

In 1943 Niels Bohr escaped from Denmark to London and reported that Germany was making the bomb. They also had proof that the Germans had “cornered the major supplies of uranium and also of thorium”.

[END QUOTING OF PART V #6]

Dharma, if we can stay right with this document I think we can cover it for this week’s paper. If it seems too much we can extend it but there will be more urgent matters arising for our attention. I don’t think it would be too much if you left the painting and farm repair tasks to the others if necessary. We will have a meeting on Sunday and that should just about use up our time and focus. Let us just see how it flows, please.

We received a document from Chicago, Ill. from “C.B.” regarding *THE WORLD CHURCH ORDER* and it is very well done as to the laying forth of those infamous *Protocols* referred to above.

Let me just write a paragraph from this man’s document. This is regarding his father: “My father, Rev. Emil Buehrer, was excommunicated from the Evangelical and Reformed Church in 1940 for fighting the Jewish Zionist New World Church Order. In 1957 this Evangelical and Reformed Church united with the Congregational Church to form the United Church of Christ (UCC). During my father’s excommunication he went through five church trials from 1935-1940. He went through severe persecution because of his faithful stand. After the trials were over he told his family the stress caused him to rub his forehead until it bled. Now, the United Church of Christ has accepted the Jewish Zionist doctrine of Premillennialism. The United Church of Christ is also negotiating with ten other churches in their move to a New World Church Order.”

I have had this documentation since almost a year ago and I believe that after we finish *Fire From The Sky, Part V*, we can probably get you to, at the least, look at what has happened to your SPIRITUAL TRUTH as it has been destroyed right before your eyes, and you not only let it happen—you have demanded it happen. I don’t really think God Creator is too overly happy with you hypocrites, good buddies, and one of the days SOON you will wish you had paid more attention to us who have tried to warn you. So be it. Thank you for your attention. Salu.

CHAPTER 7

REC #3 HATONN

FRI., DEC. 8, 1995 3:23 P.M. YEAR 9, DAY 114

FRI., DEC. 8, 1995

[QUOTING:]

FIRE FROM THE SKY, PART V #7
by "One Who Knows"

WHO CREATED THE ATOMIC BOMB?

Boris Pash, head of security for the Manhattan Project, and scientist Samuel Goudsmit followed the lead tanks into Paris and into Germany, looking for the German nuclear laboratory, which they found in Strasbourg. This was called Operation Alsos (Greek for "Groves"). Peter Goodchild in his book *J. Robert Oppenheimer, Shatterer of Worlds*, p. 110 said: "Very soon a picture of the Germans' progress began to emerge. They revealed that Hitler had been told of the possibilities of a nuclear weapon in 1942 and that there had been a whole series of uranium pile experiments. But the crucial facts were that even as late as August 1944 the experiments were still at an early stage. The Germans had neither the certain information that an explosive chain reaction was possible, nor did they have the material or the mechanism to make their bomb. It was apparent that the project had moved forward hardly at all since 1942. **There were one or two people in Washington who, when they read Goudsmit's final report, suspected that the information had come too easily, but most people believed it.**"

It is possible that Germany DID develop the bomb, and the Allies kept it secret? In *Heisenberg's War*, p. 481, Vannevar Bush is quoted as saying in June 1949: "The Nazis wanted an atomic bomb; we knew that. They had as good a chance at it as we had. In the tense years up to 1945 we thought that they were close competitors, even that they might be six months ahead of us. Then after Stuttgart fell and the Alsos mission did its work, we found out. The Nazis had not even reached first base." Surprise, surprise. Or was it lie, lie?

My best guess, based on the evidence, is that there is a strong possibility Germany DID develop the atomic bomb! The Americans managed to capture some of them in early 1945, then on August 6, 1945, dropped one on Hiroshima. This would account for J. Robert Oppenheimer's curious statement that the bomb dropped on Hiroshima was made in Germany. Could the Germans have taken some bombs with them when Hitler escaped? Was the submarine convoy protected by nuclear weapons, and were they what stopped Operation Highjump? Perhaps not, that is just conjecture, but I strongly suspect we got the "bomb" from the Germans. In *Blowback*, "the first full account of America's recruitment of Nazis, and its disastrous effect on our domestic and foreign policy" by Christopher Simpson, he states: "On July 6 [1945] the Joint Chiefs of Staff (JCS) specifically authorized an effort to 'exploit... chosen, rare minds whose continuing intellectual productivity we wish to use' under the top secret project code-named Over-

cast... At first this was justified on the grounds that German scientists might be useful in the continuing war against Japan” (p. 33).

When the Allies found the German atomic bomb laboratory, they were amazed that it was just a small concrete reactor in a cave, too small to go critical. Yet they went to considerable trouble in a top secret program to grab these scientists because they might be useful in defeating Japan? What were they going to do, throw radioactive concrete at the Japanese? Tom Agoston in *Blunder!* says (p. 38) that “Unknown to Allied scientists, the Germans had been able to build up a sizeable stockpile of U-235 and had held up to two tons, as well as two tons of heavy water.”

William Stevenson, in *A Man Called Intrepid*, says “The Germans had the man [Heisenberg] whose theoretical work was the basis of the bomb” (p. 456) and “In the military field, the view prevailed in 1939 that the country with the greatest chance of bringing together the pieces was Germany.”

Let’s see now, the Atomic bomb was a German idea, they had the best scientists, they had a proven ability to develop advanced weapons, they had plenty of raw material, and yet their “bomb” consisted of nothing more than some radioactive concrete in a cave in a hill at the base of a church? (*Heisenberg’s War*, p. 421.) The German laboratory was captured on April 21, 1945, then three months later on July 16 a bomb was tested at Alamogordo, New Mexico. Then on August 6, 1945, one was dropped on Hiroshima, and August 9 on Nagasaki. This is not counting the nuclear explosion in the Oakland, California, area, but we are **not supposed to know about that**.

Pash and Goudsmit in Operation Alsos captured several tons of uranium and “it was shipped to Britain and then the United States, transformed into uranium hexafluoride gas for isotope separation at Oak Ridge, Tennessee, and finally in the form of U-235 used to destroy Hiroshima.” (*Heisenberg’s War*, p. 362.)

Most classified files from World War II have been routinely declassified under the provisions of the U.S. Freedom of Information Act. Tom Agoston (*Blunder!*, p. 124) said of the Alsos information, “The files continued to be suppressed and remain under lock and key in Washington, well beyond the thirty-year rule. The motive for this remains a four-decade mystery.” He also said that the testimony of Albert Speer, referring to General Kammler, “The transcript continues to be classified beyond the normal thirty-year rule, and is not expected to be made public before 2020.” Kammler disappeared at the end of the War and it was reported that he committed suicide (four different versions). If he were dead, why the secrecy? Kammler was regarded as “the most important man in Germany outside the Cabinet.” The chain of command was Hitler to Himmler to Himmler’s Deputy SS General Karl Wolff to SS General Oswald Pohl to Kammler, and later the link was more direct. Dr. Wilhelm Voss told Agoston what happened to Kammler was a “hot matter” that could not be revealed. Agoston said one of Kammler’s close associates was Rudolph Hess, who flew to Britain on a secret mission in May 1941. “The secret British file that might explain why he flew to Britain will remain closed until the year 2020” (p. 160).

What clinched the proof for me was when I read in Phoenix Journal #18 (*Blood And Ashes*), speaking of the Manhattan Project, “Of course, they utilized the German production urn and, actually, the bomb used on Japan was constructed in Germany” (p. 159). The author of those Journals is “One Who Knows”.
[H: Not to be confused with the author of *Fire From The Sky*.]

GERMAN SUBMARINES IN SOUTH ATLANTIC

The newspaper *France Soir* had the following account: “Almost 1-1/2 years after cessation of hostilities in Europe, the Islandic Whaler, “Juliana” was stopped by a large German U-boat. The Juliana was in the Antarctic region around Malvinas [now Falkland] Islands when a German submarine surfaced and raised the German official naval Flag of Mourning—red with a black edge.

The submarine commander sent out a boarding party, which approached the Juliana in a rubber dinghy, and having boarded the whaler demanded of Capt. Hekla part of his fresh food stocks. The request was made in the definite tone of an order to which resistance would have been unwise. The German officer spoke a correct English and paid for his provisions in U.S. dollars, giving the Captain a bonus of \$10 for each member of the Juliana crew. Whilst the food stuffs were being transferred to the submarine, the submarine commander informed Capt. Hekla of the exact location of a large school of whales. Later the Juliana found the school of whales where designated.”

The French *Agence France Press* on 25 September 1946, said: “The continuous rumours about German U-boat activity in the region of Tierra del Fuego (Feuerland, in German), between the southernmost tip of Latin America and the continent of Antarctica are based on true happenings.”

There have been stories and books written about Germans counterfeiting U.S. currency and otherwise obtaining American money printing plates, which may account for the German use of American money.

The Guinness book of World Records says that the “greatest unsolved robbery” was the disappearance of the entire German treasury at the end of the war.

RAND CORPORATION

In January 1946 industrialist Donald Douglas approached the Army Air Force with a plan for government and industry to work together on long range strategic planning. This was called Project RAND, a name coined by Arthur Raymond from *Research ANd Development*. Much of their first government money went to the von Braun team. (McDougall, Walter al. ...*the Heavens and the Earth, A Political History of the Space Age*. Basic Books, New York, 1985, p. 89.)

LESLIE R. GROVES

Groves is known as the General in charge of the Manhattan Project which built the Atomic Bomb. He was chosen because he is the one who supervised the building of the Pentagon, and by 1942 was in charge of all U.S. military construction everywhere. After the war he went to work for Remington Rand Corporation.

BORIS PASH

“The stakes in the search for the scientific expertise of Germany were high. The single most important American strike force, for example, was the Alsos raiding team, which targeted Axis atomic research,

uranium stockpiles, and nuclear scientists, as well as Nazi chemical and biological warfare research. The commander of this assignment was U.S. Army Colonel Boris Pash, who had previously been security chief of the Manhattan Project—the United States’ atomic bomb development program—and who later played an important role in highly secret U.S. covert action programs. Pash succeeded brilliantly in his mission, seizing top German scientists and more than 70,000 tons of Axis uranium ore and radium products. The uranium taken during these raids was eventually shipped to the United States and incorporated in U.S. atomic weapons.” (Simpson, Christopher, *Blowback*, Collier Books, New York, 1988, p. 26.)

“Another notable Bloodstone veteran is Boris Pash, a career intelligence officer identified in the Final Report of the U.S. Senate’s 1975-1976 investigation into U.S. intelligence activities as the retired **director of the CIA unit responsible for planning assassinations**” (*Blowback*, p. 108).

Blowback, p. 152-153 says: “The records of Operation Bloodstone add an important new piece of information to one of the most explosive public issues of today: the role of the U.S. government—specifically the CIA—in assassinations and attempted assassinations of foreign officials. According to a 1976 Senate investigation, a key official of Operation Bloodstone is the OPC officer who was specifically delegated responsibility for planning the agency’s assassinations, kidnappings, and similar ‘wet work’.

“Colonel Boris Pash, one of the most extraordinary and least known characters in American intelligence history... his work for U.S. intelligence agencies places him in the critical office given the responsibility for planning postwar assassination operations... Colonel Pash is one of the few remaining originals of U.S. intelligence, and his experience in ‘fighting the communists’ goes back to the 1917 Russian Revolution. He was in Moscow and Eastern Europe in those days with his father, a missionary of Russian extraction, and the young Pash spent much of the Soviet civil war working on the side of the White armies, then with Czarist refugees who had fled their country. In the 1920s Pash signed on as a reserve officer with the U.S. military intelligence service... he... played a role in the internment of Japanese civilians in California, and was soon assigned as chief counterintelligence officer on the Manhattan Project, the supersecret U.S. effort to develop the atomic bomb. (More than a decade later it was Colonel Pash’s testimony that helped seal the fate of scientist Robert Oppenheimer in the well-known 1954 security case.) Before the war was out, it will be recalled, Colonel Pash led the series of celebrated special operations known as the Alsos Mission that were designed to capture the best atomic and chemical warfare experts that the Nazis had to offer.

“After the war Colonel Pash served as the army’s representative on Bloodstone in the spring of 1948, when the tasks of that project, including recruiting defectors, smuggling refugees out from behind the Iron Curtain, and assassinations, were established. Bloodstone’s ‘special operations’, as defined by the Pentagon, could ‘include clandestine warfare, subversion, sabotage and... assassination’, according to the 1948 Joint Chiefs of Staff records. In March 1949, Pash was assigned by the army to the OPC division of the CIA... His five-man CIA unit, known as PB/7, was given a written charter that read in part that ‘PB/7 will be responsible for assassinations, kidnapping, and such other functions as from time to time may be given it...by higher authority.’”

From *Dulles* by Leonard Mosley (A Biography of Eleanor, Allen and John Foster. London: Hodder & Stoughton, 1978.), we find, p. 459: “But now he [Allen Dulles] was interested in the **more sinister Agency experiments in mind-bending drugs, portable phials of lethal viruses, and esoteric poi-**

sons that killed without trace. Allen's sense of humor was touched when he learned that the unit working on these noxious enterprises was called the *Health Alteration Committee* (directed by Dr. Sidney Gottlieb and **Boris Pash**)... Richard Bissell... had now succeeded Frank Wisner as deputy director of Plans..." To learn more about the mind-control and torture experiments of Pash and Gottlieb, read *Journey Into Madness: The True Story of Secret CIA Mind Control and Medical Abuse* by Gordon Thomas (Bantam Books, New York. 1989).

One of the people they killed was Frank Oson (a CIA germ warfare doctor whose specialty was anthrax), while they were working on Subproject-68, **also known as MK-ULTRA. MK-ULTRA** started as *Project Bluebird*, set up on April 20, 1950, by CIA Director Admiral Roscoe Hillenkoetter (who later was a member of NICAP), and on July 20, 1950, they began using sodium amytal, Benzedrine and other drugs to "brainwash" prisoners. In September 1950, the *Miami News* published an article under the headline BRAIN WASHING TACTICS which was considered the first formal use of the term. One of Gottlieb's partners was Dr. Harold Wolff, who appears to be a Paperclip doctor. He worked with Parke-Davis and "...remained closely connected with the M-K Ultra brainwashing project" (p. 191). He helped set up an apartment and introduce LSD to the hippies in San Francisco, and worked on Project Mindbender (a Manchurian-Candidate type operation) with William Buckley.

Isn't it interesting that so many of the participants in the most secret of secrets of World War II are still very involved in the Kennedy assassination and other more current affairs. Many books and articles have been written about the CIA being involved in the JFK assassination, and now you know that the man in charge of CIA assassinations was Boris Pash, formerly chief of security for the Manhattan Project. He was also head of the group trying to capture Hitler's advanced technology, including "flying saucers" and other secrets. The book *ZR Rifle—The Plot To Kill Kennedy And Castro* by Claudia Furiati, p. 36, says that a man named William Harvey had been in charge of the CIA post in West Berlin until 1960, then in 1961 was placed in charge of CIA assassinations by Richard Bissell in 1961. The plans to assassinate political leaders was code-named *ZR-RIFLE*, headed by Harvey. Bo Gritz said on p. 525 of his book: "The Kennedy assassination was code-named 'ZR-RIFLE'." It seems apparent to me that Harvey and Pash were wearing the same pair of pants.

In 1941, Ian Fleming, the future creator of the "James Bond" stories, and at that time a high ranking officer in British Intelligence, suggested to William Donovan that he set up a specially trained and selected assassination unit. PB/7 (Pash Boris Seven) was the original of the "Agent 007" concept. If my memory is correct, I believe Nixon stated that William Harvey was the real 007. I assume Pash was Agent 001, or perhaps he had seven agents working for him (originally five). If you want to understand more of how these various factions such as CIA, KGB, Nazis, Communists, FBI, etc., can be fighting each other and working together at the same time, you need to understand who was above them, controlling them. To understand that, look to British Intelligence! You will find British Intelligence to be an operation of British and European Royalty and "Aristocracy"!

E. Howard Hunt, while in prison in December, 1975, in an interview with the *New York Times*, said that the head of the CIA assassination unit was Boris Pash. Pash was assigned to Angleton at this time (see *Final Judgment*, p. 207). Angleton was head of the Israel desk of the CIA and was very pro-Israel. He was also closely involved with Meyer Lansky. In *Cold Warrior*, the biography of James Jesus Angleton by Tom Mangold, he says on page 362: "I would like to place on the record, however, that Angleton's closest

professional friends overseas, then and subsequently, came from the Mossad (the Israeli intelligence-gathering service) and that he was held in immense esteem by his Israeli colleagues and by the state of Israel, which was to award him profound honors after his death.” His place was taken after his death by William Colby. When **Kissinger** wanted to “get laRouche”, he turned to Angleton for help. Angleton’s tombstone is in Hebrew.

On page 97 of *Final Judgment*, Piper says that “The ZR/Rifle Team, in fact, was one of Angleton’s pet in-house CIA projects, which he ran in conjunction with his CIA colleague, William Harvey.” According to Claudia Furiati, Joseph Schreider was in charge of the CIA laboratories and of developing poisons for assassinations, and says that Harvey was in charge of political assassinations, working out of the Miami office run by [Paperclip] Shackley, and was working with Schreider to try to poison Castro. Above we have Boris Pash and Sidney Gottlieb working together in the same manner. We have Pash and Harvey in the same locations, doing the same jobs, in charge of the same projects—talk about featherbedding. I believe that Harvey was actually at headquarters in Langley, over Shackley in Miami.

Blowback, p. 153, says that Pash “...served as the Army’s representative on Bloodstone in the spring of 1948, when the tasks of that project, including recruiting defectors, smuggling refugees out from behind the Iron Curtain, and assassinations, were established. In March 1949, Pash was assigned by the Army to the OPC division of the CIA.”

Harvey died June 6, 1976, according to Dick Russell, and Pash was in his 80s in 1988 according to Simpson.

[END QUOTING OF PART V #7]

Oh goodness, enough for today or we shall have nothing but ‘nubbies’ for tomorrow’s typing job. Thank you for the long hours but how else can we begin to open the eyes of the sleeping beauties? A kiss simply won’t rouse “Beauty” any longer and the “toads” are taking the country! Good evening. Salu.

CHAPTER 8

REC #1 HATONN

SAT., DEC. 9, 1995 7:32 A.M. YEAR 9, DAY 115

SAT., DEC. 9, 1995

HOPI HOPE

As we watch the unfolding of the living drama of change from signs of change to actual witness of things laid before us we find that if we only LOOK and SEE, really see, the prophecies are being realized in many, many places—WHEREIN THEY ARE SUPPOSED TO BE FOUND. There will be different things for different locations so that ALL can witness if the desire is present in the witnesses.

I find you gently interested in such as the Lakota expectation of the return of White Buffalo Calf Woman and the coincidence of the birth of Miracle, the snow-white buffalo calf. Ah, there does not end the tale for the white buffalo calf was to change colors four times and then would be camouflaged among the brothers so that none could tell who would carelessly look, to betray the brother and destroy him. I would have you take note of WHO wanted to buy the calf—no less than Mr. Ted Turner of wealth and fame.

We won't dwell on this story for if we bring focus to the importance of such a sign we endanger those who would fill the roles assigned and they have more than a plateful to chew as it is.

I do want to briefly remind you of the Hopi prophecy for the year 1996: "The new race of humans will begin **to design their new reality of life on this planet** as they intended it to be when they came from the stars." And then I would again remind you of the wondrous things to come as well as the insane things which would befall the human species during these great changes. The ANCIENT prophecies expected 1995 to begin the great and horrendous time of EVIL against EVIL as the "big boys" work to destroy one another, and it is happening, chelas—it IS happening as we write. It is the time of choosing NOW, that you may be accounted and attended.

In 1996 this is to be, "The second migration to the new world which will be leaving behind on Grandmother Earth those who are choosing to continue to hold the power on this planet within the space of all the Sacred Twelve. All of these people who choose to remain after the second migration will begin to establish the planet & use the collective unconscious to hold the power of this space in harmony with the Great Circle of Twelve, all the planets, and there is a whole lot not known by even the prophets. There is also more of which the speakers may not speak." My input? May you be given to follow the path of TRUTH for the LIE will destroy totally.

Will you recognize the ones who are sent to represent these changing times? Perhaps not but if you think carefully upon these things, you shall come to know. Each "thing" is a sign and within the "signs" shall the recognition happen as the White Eagle takes his rightful place at the head of your council table and the truthbringers will have shared their truth while simply seeking the rest of the quiet places. Names will have

been written and souls shall find establishment. Accounting shall be made. And again, the oral tradition will be honored so that future generations can KNOW WHAT HAPPENED HERE and realize from whence MAN came. But it shall be that it will also be written to cover the cycle change that all who would come later would be able to KNOW for this is a GREAT change into higher KNOWING.

I wonder how many of you caught a most important piece of information in late November regarding a special warlord and drug king? “Nov. 24, 1995, Associated Press: HOMONG, Burma—**Khun Sa**, one of the world’s most notorious drug lords, says he’s retiring to raise chickens and grow vegetables.

“The 61-year-old warlord formally tendered his resignation as head of the **SHAN** ethnic rebel group on Wednesday (Nov. 22, 1995) at his headquarters in Homong, 50 miles west of the northern Thai town of Mae Hong Son.

“Khun Sa resigned after a year of attacks by the Burmese army, fighting with rival ethnic groups, splits in his own organization **and the U.S.-engineered arrests in Thailand of some of his top lieutenants.**”

What might this mean? Well, for one thing sure—it means that the U.S. Government CRIMINALS have taken full control over the Golden Triangle Opium Trade. This in turn means that the Old British-Israel East India Company has taken control of the U.S. AND the Drug Trade. “They (in the *Protocols of Zion*) **SAID IT WOULD BE THIS WAY!**”

Wouldn’t you know: Dharma asks now if she can go raise chickens and vegetables! Oh my, my problems are without end!

I will leave this now with, I hope, a pleasant truth: “When you were born, you cried and the world rejoiced. Live your life in such a manner that when you die the world cries and you rejoice!”

As you walk through the shadows of days when the heart cannot sing and you look back over “what went wrong” or “how could he/she have done this thing or that thing” remember something very carefully: “***He who is capable of being a bitter enemy can NEVER possess the necessary virtues that constitute a true friend.***” So, with this in mind, move on and when the weakness of “wishing it could be otherwise” flows over you—REMEMBER THE STRIKES WHEN THE MAN WAS AN ENEMY AND HOLD RESERVATIONS ABOUT HIS SPOKEN VALUE AS A FRIEND WHEN HE IS IN NEED OF YOUR GENEROSITY OR FORGIVENESS. FORGIVENESS IS ACCEPTED AS ALWAYS “BEING”—REMEMBERING IS THE MOST IMPORTANT QUALITY OF ALL IF YOU ARE TO ACCOMPLISH YOUR TASK IN TRUTH. And as to the respites and renewal times of holidays and joint ventures, remember that you must not be so “busy *doing*” that you can no longer have time to “enjoy *being*”. But always allow your mission to be the guideline lest you become so busy “being” that you forget or intentionally overlook the necessary “doing”.

Back to our topic in progress: [QUOTING:]

FIRE FROM THE SKY, PART V #8
by “One Who Knows”

GERMAN FLYING SAUCERS

Hitler's advanced technology included intercontinental ballistic missiles, vertical takeoff aircraft, jet engines, cruise missiles, sound cannons, and many other advanced items. The Allies captured plans for what became the Boeing 747 Jumbo jet. Among the most secret items captured were plans for flying disks, that were at first called "Krautmeteors". Based on the evidence, they were built as early as around 1933 and went into mass production in 1940. Scientists involved in these projects were Bellonzo, Schriever, Miethe and Victor Schauberger. Schauberger developed the "flying hat" type disc that was later seen over the United States. The final version was the Bellonzo-Schriever-Miethe Diskus, as large as 135 feet and some up to 225 feet in diameter. They traveled over 2,000 km/hr and were planned to go over 4,000 km/hr. In 1945 they could reach a speed of 1,300 mph and an altitude of 40,000 feet in less than three minutes. The Germans developed the Delta wing craft, and were working on stealth technology, etc.

[H: Do you really think that with these things going that the Germans simply "LOST" the war? People, wars are planned, endings of wars are PLANNED and that simply is the way it IS—to allow for the planned results of political intent.]

Many pilots saw the strange craft over Germany. However, as soon as a craft was built, Hitler ordered it disassembled and shipped somewhere—probably Antarctica. None of the craft were captured by the Allies, although some of the scientists were captured and then mostly disappeared, but can somewhat be traced to Bell Textron and to places such as Area 51, which, surprise!, is infamous for its UFO sightings.

Here are some examples of news items during WW II concerning Germany's UFOs, from the *New York Times*:

NEW YORK TIMES, December 14, 1944:

"Floating Mystery Ball Is New German Weapon. SUPREME HEADQUARTERS, Allied Expeditionary Force, Dec. 13—A new German weapon has made its appearance on the western air front, it was disclosed today.

"Airmen of the American Air Force report that they are encountering silver colored spheres in the air over German territory. The spheres are encountered either singly or in clusters. Sometimes they are semi-translucent."

and,

"SUPREME HEADQUARTERS Dec. 13 (Reuters)—The Germans have produced a "secret" weapon in keeping with the Christmas season.

"The new device, apparently an air defense weapon, resembles the huge glass balls that adorn Christmas trees. There was no information available as to what holds them up like stars in the sky, what is in them or what their purpose is supposed to be."

FALKLAND ISLANDS WAR

The Falkland Islands War had more to do with Nazis than with Argentina, for more details of what happened **please refer to the *Phoenix Journals***.

The Germans, from their Antarctica base, began to infiltrate into Argentina, Chile, etc., and bought large tracts of land and swept up corporations. They also invested in corporations in Germany and elsewhere, with plans to make a comeback. They used the German treasury, captured treasure from other nations, and counterfeit American currency printed on real U.S. currency printing plates given to the Russians and captured by the Germans. Some plates were stolen by Assistant Secretary of the U. S. Treasury Harry Dexter White (real name Weiss) under Henry Morgenthau and sent to the Soviets for use in occupied Germany. He also arranged for the mass theft of tons of our special money-paper. When J. Edgar Hoover went to President Truman with all the evidence that the Assistant Secretary of the Treasury was a Communist spy and thief, Truman of course removed Weiss (White) from his job—and promoted him to head of the International Monetary Fund. I kid you not, look it up. The story has a rather common ending—when a controversy developed in the press concerning this incident, Weiss became a “suicide”.

GERMAN ECONOMIC “MIRACLE”

[H: This is also going to resemble the Japanese “miracle”! You will find that, in addition to such corporation antics, the Japanese moved GOLD to the Philippines AND ALSO HAD U.S. CURRENCY PRINT-PLATES. SO, TOO, DID THE GERMANS AND BY GOLLY WERE THEY EVER USED...! YOU WOULD THINK THEY WERE THE “FED”.]

For more information on how the “economic miracle” was accomplished after the war by the Germans, you can read such books as *Martin Bormann, Nazi in Exile* by Paul Manning (“...Bormann became the guiding force in the ‘economic miracle’ that led to the rebirth of German industry and finance in the thirty-five years following political and military defeat. In the waning months of World War II, as the Third Reich was tottering and finally crumbling in defeat, Bormann set up 750 corporations scattered among those nations that had remained neutral. Those corporations received the fleeing wealth of Germany and became the power base that enabled Germany to climb back to economic and political strength.” From flyleaf). This book expands on the meeting in Strasbourg on August 10, 1944, mentioned in Michael Bar-Zohar’s book *The Avengers*.

In 1986, while researching these subjects, we received 161 pages under a Freedom Of Information search concerning what happened to the German treasury at the end of WW II. Many of these documents had been SECRET until declassification to fulfill our request. One document was No. 19,489, November 27, 1944, Subject: Transmitting Intelligence Report No. EW-Pa 198 [?, barely readable] by G-2 Economic Section, the Secretary of State, from Lt. Col. John W. Easton, Economic Warfare Division. The cover letter stated “I have the honor to enclose Intelligence Report No. EW-Pa 198 by G-2 Economic Section, SHAEF [*Supreme Headquarters Allied Expeditionary Forces*], dated November 7, 1944, describing the plans of German industrialists for the post-war resurrection of Germany. Among the topics dealt with in this report are: patents, financial reserves, exportation of capital, and the strategic placing of technical personnel.” It is obvious that Manning quoted from these documents in his book on Bormann.

In describing the meeting of August 10, 1944, in Strasbourg, some sentences in the documents stand

out: “German industrialists must, it was said, through their exports increase the strength of Germany. They must also prepare themselves to finance the Nazi Party which would be forced to go underground as Maquis (in Gebirgsverteidigungsstellen gehen). From now on the government would allocate large sums to industrialists so that each could establish a secure post-war foundation in foreign countries. Existing financial reserves in foreign countries must be placed at the disposal of the Party so that a strong German Empire can be created after the defeat. It is also immediately required that the large factories in Germany create small technical offices or research bureaus which would be absolutely independent and have no known connection with the factory. **These bureaus will receive plans and drawings of new weapons** as well as documents which they need to continue their research and which must not be allowed to fall into the hands of the enemy” [Author emphasis].

The last sentences in this document are, “After the defeat of Germany the Nazi Party recognizes that certain of its best known leaders will be condemned as war criminals. However, in cooperation with the industrialists it is arranging to place its less conspicuous but most important members in positions with various German factories as technical experts or members of its research and designing offices.”

Some of the documents were concerning “Looted Gold (1945-1948), Accession Number 56-75-101, Agency Container Number 169, File Number BIS/2/00.” These documents concern Germany’s “looted” gold being transferred to the Bank for International Settlements in Switzerland. One important paragraph (#9) says: “It is clear both from correspondence and from testimony that the management of the B.I.S. during the war was ‘in the hands of the Administration Council, in which the Axis representatives have an authoritative influence’, and that in 1942 the Germans favored the reelection of President McKittrick whose ‘personal opinions’ they characterized as ‘safely known’.”

Enclosed in the file is a clipping from the *New York Times*, date not included but appears to be in 1945, that states: “McKITTRICK SLATED FOR POST AT CHASE. He Will Take Over Duties as Vice President of Bank Here Next Autumn. Thomas H. McKittrick, American banker who has served as president of the Bank for International Settlements [B.I.S.] since the beginning of 1940, will become a vice president of the Chase National Bank of New York next fall, Winthrop W. Aldrich, chairman of the board of Chase, announced yesterday.” The article ends by quoting McKittrick: “I realize it is my duty to perform a neutral task in wartime. It is an extremely difficult and trying thing to do, but I do the best I can.”

Another formerly Top Secret document declassified was “Subject: Conversation in Switzerland with Mr. McKittrick, President of the Bank for International Settlements” from Orvis A. Schmidt to Secretary of the Treasury Morgenthau, dated March 23, 1945. It describes McKittrick’s dealings with the real head of the Nazi banking system, a Vice President named Puhl. “Puhl was described by McKittrick as a career banker who had been with the Reichsbank for some twenty years, who does not share the Nazi point of view... the Swiss National Bank said that in order to be sure they were not obtaining looted gold they had requested a member of the Reichsbank, whom they regarded to be trustworthy, to certify that each parcel of gold which they purchased had not been looted. The person who had done this certifying was Puhl.”

Puhl was Reichsbank Senior Vice President Emil Johann Rudolf Puhl. He was in charge of taking booty into the bank and was in charge of it for the Nazis. His Senior Shipping Clerk Albert Thoms said that they needed up to thirty men to help him sort and repack the valuables, which consisted of “millions in gold marks, pounds sterling, dollars and Swiss francs, 3,500 ounces of platinum, over 550,000 ounces of

gold, and 4,638 carats in diamonds and other precious stones, as well as hundreds of pieces of works of art” (p. 226, *Aftermath*, Ladislas Farago, Avon, 1974). This material was shipped out of the country in Operation Fireland or Aktion Feuerland in German, which Farago explained in a footnote in his book on Bormann: “The transaction was named ‘Land of Fire’ after the archipelago of Tierra del Fuego at the southern extremity of Argentina and Chile, the area to which some of the shipments were originally consigned” (p. 228). On the next page Farago said: “Only a relatively small portion of the SS treasure was impounded by Bormann and sent overseas in the course of Aktion Feuerland. Much of it is still missing.”

Germany had developed self-sufficiency before the end of the war, and was manufacturing their own oil, produced “butter” from coal, invented powdered milk, developed freeze drying, learned to store flour indefinitely, were growing their food in greenhouses on chemical “soil”, etc. These projects were also necessary for survival of the secret UFO force, which Hitler called the “Last Battalion”, at the Antarctic.

The counterfeiting of British and American money was under Operation Bernhard. The fake British notes have been often discussed in books and articles about Bernhard, but the fake American currency is not as well known. Recently the U.S. announced that it was issuing new money to counteract the counterfeit, which was said to be coming from Saddam Hussein and Lebanon. It would be more correct to say it is coming from South America, but that money is supposed to all be drug money. Life gets complicated.

When *CONTACT* newspaper first ran the series on *Fire From The Sky*, it followed with a reprint of the information about the truth about the Falkland Islands War. In that series, it revealed that the Russians, working with Rockefeller forces, defeated the British Bolshevik forces on South Georgia Island. If you have not read that series, this information may not make sense to you. It is important to know that information, if you intend to try to understand what is happening. Nazi forces were involved in the Falkland Islands War, on the side of the Russians. This is hard to believe if you have no idea of what IS. The Russians were nationalists, as opposed to the Zionist Bolsheviks who took their country away from them. The Zionist Bolsheviks were trained in the lower East Side of New York City and financed by New York and London bankers. They invaded Russia, killed the Tzar and many Nationalists and took over the government.

Can you begin to see how someone like Boris Pash, with a Russian Nationalist family background, could work with Nazi Gestapo and SS agents? Even the American General George Patton said we should have fought WITH the Nazis against the Bolshevik Communists. Patton said there was an international conspiracy of Zionist bankers who were the world’s problem (see *Patton’s Papers*, Vol 2, p. 735 for example).

In 1982, on April 20, **Hitler’s birthday**, the Russian/Rockefeller/Nazi commando force broke through and inserted a neutron bomb into the underground naval base at South Georgia Island.

For more of the story of what *really* happened in the Falklands crisis, read the January 17, 1995, issue of *CONTACT: The Phoenix Project* newspaper or Phoenix Journal #13, *Skeletons In The Closet*. (*Contact*, Inc., P.O. Box 27800, Las Vegas, NV 89126 or call 1-800-800-5565. For *Phoenix Journals*, write Phoenix Source Distributors, Inc., P.O. Box 27353, Las Vegas, NV 89126 or call 1-800-800-5565. The phone numbers are the same, but the mailing addresses are different.) Alexander Haig was the General representing the Rockefellers. In his book *Caveat*, the chapter on the Falklands starts:

“On March 28, 1982, a Sunday, the British Ambassador, Nicholas (“Niko”) Henderson, brought me a letter from Lord Carrington. A party of Argentineans, wrote the foreign secretary, had landed nine days earlier on the island of South Georgia, a British possession lying in the South Atlantic a few degrees above the Antarctic Circle and some 600 miles to the east of the Falkland Islands, a British Crown colony.” I’ll bet you thought the Falkland Islands War was about the Falkland Islands!

[H: PLEASE NOTE: *SKELETONS IN THE CLOSET* (PHOENIX JOURNAL #13) IS ONE OF THE EARLY JOURNALS (THERE ARE NOW SOME 160) WHICH IS STILL BEING HELD HOSTAGE BY AMERICA WEST PUBLISHERS [GEORGE GREEN] AND/OR AMERICA WEST DISTRIBUTORS [DESIRÉE GREEN]. PHOENIX SOURCE HAS DELIBERATELY NOT REPRINTED THE VOLUME FOR OBVIOUS REASONS—THE INTENT IS TO GET THEM RELEASED THROUGH COURT ORDER. THE ORDERS ARE ALREADY THAT THEY WERE TO HAVE BEEN RELEASED BACK TO THE PHOENIX INSTITUTE—BUT MR. GREEN DOESN’T FOLLOW COURT ORDERS. HE ALSO SHOWS COPYRIGHT IN THE INSIDE OF THE FRONT OF THE VOLUME. THIS IS ERRONEOUS AND, PLEASE, MAKE MY DAY—IF YOU ORDER ONE AND HE SHIPS IT: PLEASE NOTIFY CONTACT AND/OR PHOENIX SOURCE WHO IS IN CHARGE OF THE PRINTING OF THESE JOURNALS. THERE IS A COURT ORDER DISALLOWING HIM, HER, OR EITHER CORPORATION NAMED, TO SELL ANY OF THE JOURNALS! THESE PEOPLE AND THOSE CORPORATIONS CONTINUED TO SELL “BANNED” JOURNALS AND DHARMA HAD TO FACE A CONTEMPT OF COURT CHARGE WITH THREAT OF IMPRISONMENT FOR THE DIRTY DEED. THOSE WERE THE CONTROVERSIAL “PLEIADES CONNECTION SERIES” VOLUMES. IF A RELEASE OF THE VOLUMES CANNOT BE ACHIEVED IN THE SAME PERIOD OF TIME REQUIRED FOR REPRINTING, WE WILL REPRINT. I AM, IN ADDITION, GOING TO REQUEST THAT *FIRE FROM THE SKY* BE AUDIO-TAPED AND WE CAN INCLUDE THIS PORTION AS REFERENCE. WE HAVE JEFF STANDING BY (HE DOESN’T KNOW IT YET) FOR THIS VERY PURPOSE! EACH PERSON WHO PRESENTS TO SERVE HAS TO GO THROUGH A WHILE OF CONFUSION, IT SEEMS, AND JEFF HAS CERTAINLY NOT BEEN SPARED. IN FACT, HE HAS BEEN QUITE SEVERELY TESTED AS TO INTENT. HE MADE IT AND WE ARE HAPPY TO HAVE THE ASSET SO THAT YOU WHO CAN’T READ FOR ANY REASON AND ESPECIALLY YOU WHO HAVE MORE TIME FOR LISTENING THAN FOR READING, WILL SOON HAVE ACCESS TO SOME OF THIS MORE RELEVANT INFORMATION. PATIENCE, I AM REMINDED, IS A VIRTUE AND ONE ABOUT WHICH MOST OF US CREW-MEMBERS ARE IMPATIENT. WE HAVE SEVERAL WHO CAN DO THE READING ONTO TAPE BUT THEY ARE SWAMPED IN OTHER URGENT TASKS. UNTIL FUNDS ARE “NO OBJECT OR CONCERN” WE WILL DO WHATEVER WE HAVE TO DO AND, IN THE WISDOM OF LITTLE CROW: IT WILL BE EXACTLY AS IT WILL BE.

I WOULD LIKE IT KNOWN FOR THE RECORD THAT THIS “ONE WHO KNOWS” AUTHOR IS A VERY, VERY CLOSE FRIEND TO DAVE OVERTON AND IS QUITE CAPABLE OF GIVING TESTIMONY REGARDING DAVE’S INTENT FOR THE GOLD, TO THE INSTITUTE—NOT AS A GIFT TO GEORGE AND DESIRÉE GREEN FOR THEIR PERSONAL USE AS HAS BEEN STATED BY THE GREENS! IN FACT, IN THE RECENT VISIT PERSONALLY OF ATTORNEYS AND MR. DIXON TO SEE DAVE OVERTON, THIS PARTY

WAS PRESENT AND ACCOUNTED. TO BE ABLE TO GET THIS VERY INFORMATION TO YOU-THE-PUBLIC IS THE ONLY REASON DAVE SENT HELP—IN ANY MEASURE! SMALL WORLD? INDEED!]

Much ado was made in the media about the conflict between Jeane Kirkpatrick and Alexander Haig. Kirkpatrick is a Zionist and was the U.S. Ambassador to the United Nations. She has a regular feature column in *the Jewish Press* Newspaper, “The Largest Independent Anglo-Jewish Weekly Newspaper”. Haig has had a long relationship with Henry Kissinger, to whom Haig became senior military advisor in 1969. Remember that Kissinger came out of the Paperclip Operation personnel. In January 1982, Reagan replaced his national security adviser, Richard Allen, with William P. Clark, another Paperclip person, and who was Haig’s deputy. Nixon said, “When you see the lights burning late in Henry’s [Kissinger] office, it’s usually Al Haig.” (*War In The Falklands, the Full Story* by the *Sunday Times* of London Insight Team. Harper & Row, New York, 1982, p. 123.)

[END QUOTING OF PART V #8]

Let us take a break, please.

ZITA REPORT

I would like to report to you friends of Zita that she is doing well and just today, feels wonderful—after eating nothing for a week but raw juices and finally, raw sprouts. Sometimes I wonder and marvel that you human beings can withstand the “treatments” for your ailments! Oh well...! We love her and appreciate her efforts to give us information and insight. She most certainly will have a short-cut to detoxification from which all of you could benefit IN DOING and maybe we shall all try it together after the holidays when you are really feeling bloated and stuffed from ill-qualified eating. You don’t, however, unless suffering from illness now, need to do this and face the emotional trauma and weakness as the body heals—while you have a zillion other pressures. It is a fact that the more quickly you can rid the body of these toxic substances, the happier you will be in the long-haul.

If you are on Gaia products you won’t need it at all if you weren’t “sick” to start. If, however, you had ongoing chronic or acute symptoms of any of the “no-no” illnesses, you could well benefit from a cleansing program—just to prove you ARE healing. Negative energies or “things” don’t give up easily. GOD will offer strength for that which you need.

Salu.

[QUOTING:]

FIRE FROM THE SKY, PART V #9

by "One Who Knows"

If you doubt the fact that the Nazis never gave up and that they planned to continue the war after their defeat in Germany, and planned to make a comeback to finally achieve their goal, then perhaps you should read the following books:

Connell, Brian, *A Watcher On The Rhine*, William Morrow & Co., New York, 1957. "Old wine in new bottles", how the Nazis have come back into power.

Horne, Alistair, *Return To Power*, Fredrick A. Praeger, Inc., New York. 1956 "The Struggle for unification, rather than any revival of Nazism, may one day force Germany out of the Western camp."

Tetens, T.H., *The New Germany And The Old Nazis*, Random House, New York., 1961. "A frank and often shocking account which details how 'Hitler's own' have managed to return to power in almost every walk of German life..."

Winkler, Paul. *The Thousand-Year Conspiracy*, Charles Scribner's Sons, 1943. "Secret Germany behind the mask."

White, Theodore H., *Fire In The Ashes*, William Sloane Associates, New York, 1953. The fire of Nazism in the ashes of Europe.

Sayers, Michael and Kahn, Albert E., *The Plot Against The Peace*, Book Find Club, New York, 1945. "...uncovers Nazi Germany's secret plans for a Third World War."

Schultz, Sigrid, *Germany Will Try It Again*, Reynal & Hitchcock, New York. 1944. Does the title give you a clue?

Dornberg, John, *Schizophrenic Germany*, MacMillan Company, New York, 1961. "Is the new West Germany of the postwar years as democratic as we have been led to believe, or does Nazism still smolder?"

Lord Russell, Brigadier, of Liverpool, C.B.E., M.C., *Return of the Swastika?* David McKay Co., New York, 1969. Russell was part of the Nuremberg prosecution team.

There are more, these just happen to be the ones in my personal library. I read them, mostly about 20 or 30 years ago. I do not mean to give the impression that Germany is the source of the world's problems; Germany has simply been a part of a much **bigger** picture.

Other valuable books that will give you insight are:

Bacque, James, *Other Losses*, Stoddart Publishing Co., Canada, 1989. The truth about how Eisenhower murdered thousands of German prisoners of war AFTER the surrender. Many of those starving soldiers and piles of dead bodies you have seen in atrocity photos were NOT Jews, they were Germans. Don't argue with me, read the book. General George Patton wrote in 1945 that Eisenhower was using "practically Gestapo methods" in torturing and killing German POWs. You can obtain the book probably from *Spotlight* Newspaper if you can't find it otherwise.

Sutton, Anthony C., *Wall Street And The Rise Of Hitler*, 76 Press, Seal Beach, Calif., 1976.

ALBERT EINSTEIN

Albert Einstein is a good example of another deception and hoax involved with the atomic bomb program. When many people think of the atomic bomb they think of Einstein. He was presented as the world's greatest scientist, and a hero of the atomic bomb program. Upon closer inspection, you will find that his major contributions were his use of his influence to obtain President Roosevelt's support for the bomb and he was the one personally responsible for bringing the major Communist atomic spy Klaus Fuchs into the program. The Russians knew nothing about the atomic bomb until Fuchs brought it to their attention in 1942 (*Heisenberg's War*, p. 524). **[H: I would take some exception as to this being an accurate representation. The "Russians" or the "Soviets"? (??) It indeed does make a difference. You will have to understand that the Russians already had access to Mr. Tesla's greatest "inventions" and were already a long way out front with even Cosmospheres (platforms in space), lasers, particle beams, etc. So, of course they KNEW about bombs, they just didn't need to go with the primitive war tools. This all takes a full focus unto itself and I don't wish to herein distract but remember who began the "Communist" Party and who was running the Soviets during the time under this discussion. If you confuse "Russians" with "Soviet" you make a very large error.]**

Thanks to Fuchs, (and to a massive amount of secret material illegally shipped through Lend-Lease) they were able to explode their own bomb in 1949. Einstein was a Communist cell member with Fuchs. Fuchs was the top scientist on the Manhattan Project and he gave the atomic secrets to the Soviets. (Jordan, George Recey, *From Major Jordan's Diaries*, Harcourt, Brace and Co., New York, 1952.)

We are taught that Einstein is the author of the Theory of Relativity, yet evidence has come forth proving that the real author was Mileva Maric, Einstein's first wife.

Einstein had a reputation at the Swiss Polytechnic Institute in Zurich of being a man with poor work habits and was often reprimanded for laziness during all his school years, including the University. He developed a romance with classmate Mileva who helped him with his math. His autobiography says "In my work participated a Serbian student Mileva Maric who I married later." She had an illegitimate daughter in 1902, which they gave up for adoption. They got married in 1903, separated in 1912 and divorced in 1919. This is when Einstein married his **cousin** Elsa. The original manuscript of the *The Theory of Relativity* submitted for publication had Maric's name on it as co-author. **[H: Sorry, but no matter whose name is on the thing—it is worthless and points up the absurdity of your little gods and goddesses in the ridiculous fashion of what they want you to believe. Credible scientists are still bogged in the LIE of the Relativity Theory. If, in addition, you base your work on that theory and IT is WRONG—how can anything else you do have truth or be expected to "work"? While**

you dabbled and taught incorrect theories—the adversary made a killing—literally.]

For more proof, see the article “Theory of Relativity—Who is its Real Author?” by Dr. Rastko Maglic and J. W. McGinnis, President, International Tesla Society, in the Jul/Aug 1994 issue of *Extraordinary Science* magazine, which contains references for further documentation.

Einstein was a hoax and fraud saddled on the scientific community to prevent them from learning too much and to promote Jews as being superior, sort of Nazism in reverse. **[H: No, this is another hoax—it is NAZISM RIGHT WHERE IT BELONGS AND TO WHOM IT BELONGS AND ALWAYS HAS.]**

Einstein’s famous equation “ $E=MC^2$ ” is **WRONG**, or at best only partially correct. His definition of energy is WRONG, his definition of mass is WRONG, C is defined as the top speed possible for anything, then it is squared, which would be even faster and thus contradicts the definition. Light is described as a constant, which is WRONG as defined. In a higher understanding, light does not move, our perception of the speed of light is **WRONG**.

Those who REALLY understand, and who can prove it by creating matter out of “nothing” for instance, say that the original WHITE LIGHT is invisible and still. Read books by Walter Russell for more information.

Einstein was a Zionist with membership in at least 16 Communist front organizations such as Friends of the Soviet. Einstein was head of the Jewish Black Book Committee, which was listed as a Communist front in the 1947 House Un-American Activities Committee Report. **[H: Einstein also had a personal monarch slave for his use, named Marilyn Monroe in public title and was an MK-Ultra “butterfly” which is better explained by Cathy O’Brien in *Trance Formation of America*.]**

The correct science being discovered and revealed by such as Nikola Tesla, Walter Russell, Tom Bearden, Andrija Puharich, etc., was suppressed to prevent humanity from achieving energy independence (and thus political and military independence) from the Rockefeller/Rothschild oil/nuclear energy barons. This same technology leads to understanding of good health and thus independence from the drug/medical crowd, who happen to be the same oil crowd crooks. **[H: This is not to be negative but the source who now has control of Russell’s books is not on the Russell track no matter what they tell you. They have buried the information in New Age Mysticism so my suggestion is to forget Russell’s work after he wrote on Light and Atomic Suicide. We TRIED to get it through to you with Mr. Tesla’s participation to allow you to integrate the idea with the mechanical apparatus but you know the rest of that story—banned books, journals, court orders to silence us, etc. BEWARE AND CAUTION! You will not get Walter Russell’s work as much as the input of Brookings Institute in the New World Order and MI-6 of Her Majesty’s Secret Service right out of British Intelligence! This is “*Mind Warp 101*”.]**

PAUL ROSBAUD

Rosbaud was one of Britain’s top spies in Nazi Germany. He worked as scientific adviser for the publishing firm of Springer Verlag. He came to know Albert Einstein, Peter Kapitsa, Niels Bohr, Ernest

Rutherford, Leo Szilard, Otto Hahn, and others of importance in the quest for the Bomb. Kapitsa was the one later credited by Tom Bearden with creating Russia's advanced Tesla technology weapons. Kapitsa won the Nobel Prize in 1978 for his work on the physics of low temperatures and very strong magnetic fields, areas that were pursued in developing anti-gravity platforms.

Rosbaud was code named The Griffin. History books say that the Allies found out from The Griffin that Germany did not have the atomic bomb, and thus the military could advance with more confidence. A book entitled *The Griffin* by Arnold Kramish (Houghton Mifflin, Boston, 1986, on page 199, chapter titled "Double-Cross" tells of this):

"On Sunday, December 26, 1943, the day the *Scharnhorst* was sunk, the major headline in the London *Sunday Express* was THE SECRET WEAPON MAY NOT COME OFF. Beneath it was a long and accurate feature article by Kai Siegbahn, the son of Lise Meitner's reluctant host, Manne Siegbahn. He explained the fundamentals of nuclear energy and described the prewar research. As for the bomb, Siegbahn concluded: 'Despite all the secretiveness about researching in the uranium problem, I venture to say that the uranium bomb is still non-existent, except as a research objective. It is rather difficult to say if it is possible at all to construct such a bomb, but for the present it seems as if an essential link is missing for making the uranium bomb a reality.' Even more remarkable, the *Sunday Express* went beyond Siegbahn's opinion to assure its readers that 'it may therefore be a source of consolation to know that able Swedish atoms-scientists believe that the Germans have not succeeded in creating atom explosives.' The *Express* explained its sources for the information by saying, 'Swedish scientists had close contacts with German scientists until the Germans recently arrested Norwegian professors and students.' Among those recently arrested was, of course, Odd Hassel.

"Press security on the atomic bomb was extremely tight in the United States and even tighter in Britain, so the article's appearance seemed at first a puzzle. The *Express* was owned by William Maxwell Aitken, Lord Beaverbrook, formerly minister of war production and now lord privy seal. Lord Beaverbrook was intimately familiar with the history of the atomic bomb project and its present course, and he was in constant touch with his editors about what they should print. It was quite clear, then, that Kai Siegbahn's article was no accident—but what was its purpose?

"It was not hard to discern the reassuring purpose of the message to the British public. Rumors about Hitler's secret weapons had been rife, and the actions against Rjukan had focused attention on the bomb. But the Gestapo and the Abwehr also read the British papers.

"From the exploit of Jacques Allier to the attacks on the Norwegian installations, the Germans had kept reading the lesson that heavy water was essential for atomic research and that the Allies would do anything to halt production. Now, an article by a distinguished neutral scientist—apparently published with official approval—carried the strong implication that the British were still in a research stage and without much hope of 'making the uranium bomb a reality'.

"The article was, of course, a deliberate SIS plant, conceived in the Double-Cross Committee (The XX Committee), chaired by John Masterman of MI-5."

Lies were and are standard operating procedure for both sides. The article continues; "The top SIS

expert on the Abwehr was Frank Foley [who worked with Masterman] of Section V, so he was recruited to the XX Committee as a senior advisor. In the early months, his work was interrupted by a special assignment, conducting the lengthy interrogation of Rudolf Hess. When he returned four months later, Foley took up the deception business once more.”

So you see that the ones involved with lying about the bomb were the same ones very interested in what was said by Rudolf Hess. Hess’ information remained highly classified long after the war, until he was recently murdered so that they could close Spandau Prison and keep him from talking. In the book *Journey Into Madness, The True Story of Secret CIA Mind Control And Medical Abuse* by Gordon Thomas, P. 152, tells of one of the heads of the CIA mind-control programs, Dr. Grant Cameron, going to Nuremberg to “establish the state of mind of Rudolf Hess”. I wonder if that is “establish” as in “to determine”, or as in “to create”.

Rosbaud was a close friend with Goudsmit who ran Operation Alsos with Boris Pash. Goudsmit “formed a close friendship with Rosbaud that endured until Paul died” (p. 241).

After the war, Rosbaud formed Pergamon Press with Robert Maxwell. Maxwell went on to become a British “press baron” (p. 250, *The Griffin*) and was working with the Israeli Mossad selling Israeli Briefcase nuclear bombs like the ones used in the New York Trade Center bombing. (Interview with Galen Winsor by Tom Valentine, *Radio Free America*, March 23, 1993. These bombs were used by Special Forces as early as 1960 per Sgt. Joe Garner, “Army vet tested nuclear ‘suitcase bombs’ in 60s”, *Houston Chronicle*, January 23, 1995. Also see “Backpack Nukes for ‘Nam, Inside SF’s Super-Secret A-Bomb Project” in *Soldier Of Fortune*, May, 1995.) **[H: If you are still reluctant to believe there can be such a thing—think again for this is VERY REAL TRUTH.]**

The information that spy Rosbaud, who was Jewish, provided is mentioned in a U.S. Department of Justice memorandum dated April 26, 1955, which reads: “[Rosbaud] returned to Germany determined to assist England and its allies at all costs. This he accomplished. The records in this matter contain official corroboration that Dr. Rosbaud remained in Berlin during World War II for the purpose of obtaining certain technical intelligence for the United States and the United Kingdom. This information was extremely useful and invaluable for the allied cause and involved great risk on the part of Dr. Rosbaud. His activities on behalf of the allied cause were successful and of such importance that even **today they cannot be disclosed and are still highly classified.**”

When you read the book, you see that the most important information that Rosbaud provided was the non-existent status of the German bomb. Yet, the exact details are still “highly classified”. So what’s the big deal, why is the information still above top secret (top secret items have been declassified)? Makes one wonder, doesn’t it?

Another curious “coincidence” is that, after Samisdat published the Nazi UFO information, two journalists from Springer Publishers flew to Toronto to interview Ernst Zundel (head of Samisdat) in person. Samisdat used to sell an audiotape of the interview.

SAMUEL ABRAHAM GOUDSMIT

Another curiosity is Goudsmit. He turns up in interesting places. He supported Oppenheimer during Oppenheimer's espionage trials. The APRO (Aerial Phenomena Research Organization, founded in 1952) *Bulletin*, August 1975, contained information obtained from declassified (and well sanitized) CIA records concerning the Robertson Panel which was convened in 1953 to study UFOs. Dr. H.P. Robertson was an expert in cosmology at California Institute of Technology, director of the Weapons System Evaluation Group in the Office of the Secretary of Defense and a CIA classified employee. The panel was convened by the Office of Scientific Intelligence of the CIA and included Dr. Samuel Abraham Goudsmit, theoretical physicist and Chairman of the Physics Department, Brookhaven National Laboratories. Goudsmit was rather a heavy dude to be "wasting" time on UFOs that the government maintained did not exist. Other OSI panel members were Panel Chairman Dr. Howard Percy Robertson, on leave from his job as professor of Mathematical Physics at California Institute of Technology to be full time to OSI; physicist Dr. Luis Walter Alvarez, University of California, Berkeley, a specialist in magnetism and microwaves (it was speculated that the Roswell UFO was shot down by microwaves) and according to UFO researchers a member of Majestic-12 and the Jason Group; geophysicist Lloyd Viel Berkner, President of Associated Universities, Inc., which operated the particle accelerators of the Brookhaven National Laboratories (according to David Jacobs, *The UFO Controversy in America*, Berkner "accompanied Admiral Byrd" on Antarctic expeditions. Berkner is generally listed as a member of Majestic-12 and the Jason Group); astronomer Dr. Thornton Leigh Page, Deputy Director, Office of Operations Research, John Hopkins University and formerly a physicist with *Naval* ordnance. Others included Frederick Clark Durant, a rocket engineer; astronomer Dr. Joseph Allen Hynek, Ohio (home of Wright-Patterson) State University who was also a consultant to the U.S. Air Force Air Technical Intelligence Center (which did the UFO Blue Book Project). The Panel interviewed a long list of Generals and Chiefs and other Big Boys and Heavy Dudes.

Fred Durant met regularly with Stuart Nixon, assistant to John Acuff, head of NICAP. (Timothy Good, *Above Top Secret*, William Morrow & Co., New York, 1988, p. 349.) Durant worked with von Braun, Krafft Ehrlicke, Harvard astronomer Fred Whipple, Maryland physicist Fred Singer, Navy Commander George Hoover and others on Ehrlicke's Moonbase and Marsbase projects. Army General John Medaris was in charge of the Army Ballistic Missile Agency over von Braun and on March 20, 1959, received a directive for a study of a manned lunar base. "General Medaris organized a crash effort to carry out the study, which became Project Horizon. Less than three months later, on June 8, the study was completed. On the first page of the study (four of five volumes of which have been declassified), the conclusions are stated: Military, political and scientific considerations indicate that it is imperative for the United States to establish a lunar outpost at the earliest practicable date... Project Horizon represents the earliest feasible capability for the U.S. to establish a lunar outpost" [Project Horizon 1959, vol. 1, p. 1]. (Marsha Freeman, *How We Got To The Moon, The Story of the German Space Pioneers*, 21st Century Science Associates, Washington, D.C., 1993, p. 210.) Ehrlicke worked with Dornberger at Bell until 1954 when he went with Convair Astronautics in California which was in charge of building space stations and the lunar base. *The Washington Star*, December 29, 1958, described the Convair station as "the brainchild of Krafft Ehrlicke". Durant, Whipple and George Hoover were part of the Office of Naval Research. Whipple's assistant, J. Allen Hynek, was part of the Robertson Panel, as was Durant.

In UFO researcher William Steinman's correspondence with Grant Cameron, he states: "I contacted Dr. Alvarez in private, when he admitted that he did take part in the recovery of a saucer in Mexico. He would not go into detail concerning the events and who else was involved." Steinman wrote the book *UFO Crash At Aztec* which is an excellent source for more information on these men. Unfortunately it is

a large, heavily documented book but with no index.

Dr. Lloyd Berkner is also listed in *Assault On The Unknown, The International Geophysical Year* as the head of the American part of the International Geophysical Year study. He was radio man on the first Byrd Expedition to the Antarctic and developed the sounder that charts the radio-reflecting layers of the atmosphere. Berkner was Chairman of the Space Science Board of the National Academy of Sciences. Operation Highjump is not mentioned, but Berkner was part of Operation Deepfreeze at the Antarctic in 1957-1958, headed by Byrd until his death, as were Werner von Braun and Frederick C. Durant. Berkner became a Navy Rear Admiral.

Another Antarctic scientist was Dr. Carl Augustus Heiland, who worked with Vannevar Bush and who was part of the on-site recovery team of the Aztec UFO crash (p. 85, *UFO Crash At Aztec*). He appears to be a Paperclip scientist, as he received his Doctorate from the University of Hamburg. Another very important scientist was Dr. Eric Henry Wang. I will not go into his story at this time, except to quote Steinman: "The subject of Dr. Eric Henry Wang remains one of the most touchy and sensitive areas in all ufology" (p. 282). Dr. Eric Wang was head of the Office of Special Studies of the Air Materials Command at Wright-Patterson AFB. He was an Austrian-born graduate of the Vienna Technical Institute and "a close associate of Victor Schauberger". (Hamilton, William F., *Cosmic Top Secret, Inner Light*, 1991, p. 23.) Steinman's book has a whole chapter on Nazi German "flying disk" projects, many of which used Schauberger's designs.

Goudsmit concluded that UFO sightings were "due to a formation of ducks or other birds". The official conclusion of the panel was that interest in UFOs was dangerous and that the situation should be downplayed and covered up. Jacobs said that Robertson showed the final report of the panel to General Charles Cabell, director of Air Force intelligence and later Deputy Director of the CIA in charge of clandestine operations, "who expressed satisfaction with it". **Cabell's brother Earl was the Mayor of Dallas during the Kennedy assassination, and apparently was the one who ordered the motorcade to change routes into the ambush area.** Earl later went to work for Howard Hughes. General Cabell was the person who briefed President Kennedy prior to the Bay of Pigs invasion. Robert Groden in *High Treason* quotes Victor Marchetti as saying that Clay Shaw, David Ferrie, E. Howard Hunt, Frank Sturgis, Bernard Barker, Charles Cabell, and Richard Nixon "were all working together in the CIA's Bay of Pigs planning operation." Kennedy later fired Cabell. Cabell and Richard Bissell were in charge of the U-2 program. Lee Harvey Oswald was given a job within one week of his arrival in Dallas working on maps for the U-2 flights (Jim Garrison, *On The Trail of The Assassins*). In 1957, Oswald was a radar operator at the U-2 base in Atsugi, Japan.

General Cabell ordered the re-activation of Project Grudge on October 27, 1951, and on December 11, 1951, Major General John A. Stamford, "having replaced Major General Cabell as director of intelligence, was given a full briefing of the service's UFO program by Captain Edward J. Ruppelt and Colonel Frank Dunn, chief of the Air Technical Intelligence Center." (Flammonde, Paris, *UFOs Exist!*, Ballantine Books, New York, 1976, p. 392-393.)

[H: I feel I should continually remind you that UFO simply stands for flying objects that are unidentified. This does not MEAN: "ALIEN", as in Outer-Space.]

According to Leonard Moseley, *Dulles*, p. 366, Bissell “was a friend of Frank Wisner, and had first met Foster [Fohn Foster Dulles] when Eleanor threw a party at McLean for her brothers, Vice-President Nixon, Bob Bowie, and other members of the administration.” I don’t have the proof, but I’ll bet that Cabell and Bissell and Boris Pash were very cozy, especially when Cabell was second in command under Allen Dulles. Recall that Wisner was the CIA head of the Gehlen Nazi spy group.

[QUOTING:]

FIRE FROM THE SKY, PART V #10

by "One Who Knows"

THE KENNEDY-NAZI CONNECTION

JFK's father, Joseph Kennedy, had a reputation of being pro-Nazi or at least pro-Hitler. Joe was a bootlegger and a member of the Mafia, although he hated the Jewish Mafia (Mishpuka) boss Meyer Lansky (real name Maier Suchowljansky). He was U.S. Ambassador to Britain but was recalled because of his pro-Hitler viewpoint. His code clerk was Tyler Kent, which is a story in itself. In the book *Final Judgment* by Michael Collins Piper, you will find a story about DeWest Hooker. Hooker was a good friend of both Joseph Kennedy and George Lincoln Rockwell, Commander of the American Nazi Party. Piper tells of the arrangement made with Hooker and Rockwell to help get JFK elected. Hooker said, "Frankly, as far as I'm concerned, it was my work that got Johnny Kennedy in the White House." I suggest you read the book, it is available from *Spotlight* Newspaper or Liberty Lobby. **[H: Well, actually it seems that books are available through "Liberty Library", if *Spotlight* has access. They did, however, not wish to carry the Phoenix journals because of their controversial problems. That was, however, back in the early George Green days. It seems George had such a reputation as to disallow a lot of perfectly good information from being acceptable. There has never been another contact with them on the matter although a lot of information is exchanged between papers and people. They have dared to handle a lot of books which no one else except us dare to sell and we like the company. I'm sure they would have a catalogue but I would ask you to make that contact for self. Liberty Library, 300 Independence Ave. SE, Washington, D.C. 20003. We don't handle many "other" books simply because we keep only journals. We do offer books which may be published by ones who work with us personally because we can know they have the correct attitude about the information (get it to YOU), and we can share INFORMATION IN TRUTH without that old bit of input to make a thing "sell". Truth is far more interesting than is fiction and one day you will come to understand that point.]** If I quote small portions from it you probably would find it too hard to believe! I assure you the story is true, for I know well the man who was the bodyguard and stenographer/scribe to Commander Rockwell.

When Senator Joe McCarthy was conducting the hearings on Communists in the government, his assistant, seated at the same desk beside him, was Robert Kennedy. The Senator at the desk beside McCarthy was Senator John F. Kennedy. JFK was an *insider* who KNEW the source of the problems. When he became President, he fired the CIA heads, installed his brother as Attorney General, and said he

was going to put the United States back on the silver standard, stop the Vietnam War, eliminate government involvement with the Mafia, and eliminate the Federal Reserve problem. It has also been reported that he was going to tell the truth about UFOs. Ten days after he gave a speech at Columbia University making these statements, he was **murdered**.

NAZI IMBECILES?

When Dornberger went to work for Bell, Bell recruited another former German army scientist, Krafft Ehrlicke, “who had been an adviser on the German wartime atom bomb project” according to Jack Manno, *Arming The Heavens* (Dodd, Mead & Co., 1948). We read a book that says Germany had no atomic bomb project, we read another that says they did. Manno said that Wolfgang Noggerath was brought in and put in charge of what became the Polaris missile. Willy Fiedler was brought in and made chief of planning of the underwater launch systems for submarines.

[H: May I give you a rule of thumb about books, please. If you have a political figure, military figure, movie star or other notable person writing books, such as Colin Powell, etc., and those books are PUSHED from every interview program, every news program, every book store and every wholesale outlet—THEY ARE WORTHLESS PROPAGANDA TO FEED YOU EXACTLY WHAT THE “BIG BOYS”, NOW IN TROUBLE, WANT YOU TO READ. MOREOVER, CHECK IT OUT: THEY ARE ALL WRITTEN BY THE SAME PEOPLE, NOT THE PERSON IN POINT. Find the little books whose authors are in trouble, are discounted, and banned or held at international borders—AND YOU HAVE TRUTH! I CAN PROMISE YOU EVERY TIME: IN THE JOURNALS YOU HAVE TRUTH AND YET, I WILL DEMAND THAT ANY ASSOCIATION WITH *CONTACT* BE IN FULL INTENT OF TRUTH—EVEN IF WITHOUT ANY REWARD SAVE A MOUNTAIN OF TROUBLE. IF YOU HAVE NO CANDLES TO LIGHT YOUR PATHWAY—YOU SHALL BE SWAMPED BY THE DARKNESS. I HONOR BEYOND ALL—THE PEOPLE WHO WILL HOLD A LAMPALOFT BEFORE THE EYES OF THE WORLD. THEY WILL NOT PERISH—FOR THEY ARE THE BLESSED OF GOD.]

Let me summarize for you the story as presented. We Americans were far ahead of the stupid Nazi Germans, although we had not yet made any atomic bombs. As the war was ending, we sent in teams and frantically searched for the German atomic scientists. We captured some of those dumb, incompetent scientists, quickly brought them to the United States in top secret programs that are still highly classified, we put those stupid losers in **CHARGE** of our projects, and we suddenly started making Atomic Bombs. And missiles—and satellites—and whatever else.

I just want to be sure you got the story straight.

COVER AND CONCEALMENT

Speaking of lies and deception, it would be reasonable to think that if our spy satellites were destroyed in 1977, as stated in *Fire From The Sky*, then there would have been all kinds of repercussions and a lot of people who depend on those satellites would know about it. How was the truth kept secret?

One part of the answer is revealed in a book called *The Falcon And The Snowman* by Robert

Lindsey (Pocket Books, New York. 1979). This book tells the story of Christopher John Boyce. Boyce went to work for TRW on July 29, 1974. TRW is the company that made the Viking probe that went to Mars and the satellites which provided General George Keegan with information on the Russian activities at Semipalatinsk and such. Boyce worked in the top-secret “black box” section, he was the man with the keys and codes to access the vault. He had access to Projects Rhyolite, Argus, Pyramider and “Project 20,030” files, projects which involved spy satellite data coming to the American base at Pine Gap (code named Moreno), Australia, near Alice Springs. He learned things that upset him, such as the CIA interference in Australian elections, the U.S. was lying to other governments, etc. Read the book for more of the story. He began stealing and selling secret documents to the Russian Embassy in Mexico and in January, 1977, he was arrested and charged with espionage.

“It came out during the Boyce-Lee trial that data from these satellites goes to a readout station in Australia—but *not* the one that monitors the early warning satellites. Instead, the data goes to a CIA-run complex in a valley called Pine Gap. After the Pine Gap computers have processed the data, it goes to the TRW Defense and Space Systems headquarters in Redondo Beach, California” (p. 111, *The New High Ground* by Thomas Karas).

It was claimed that as a result of his selling secrets to the Soviets, the Soviets changed and encoded their transmissions, camouflaged their facilities, etc., so that the spy satellites suddenly no longer worked. Stansfield Turner, director of the CIA, said the results of Boyce’s spying were “distressing, perhaps appalling”. As a result of his spying, we are told, the CIA no longer had satellite coverage of Iran, for instance, leading to the Iranian hostage crisis. Do you remember when the CIA was criticized for being surprised at the fall of the Shah and for not foreseeing the Iranian Hostage Crisis? In truth the U.S. DID know beforehand, as they orchestrated those events, but it is too much to try to cover here. Oh, what a tangled web... NOTHING is as it is presented to the public by our media and leaders.

“Our intelligence community is in disarray. A major satellite intelligence system, developed and deployed at a cost of billions of dollars over the past decade, without Soviet knowledge, has been compromised by intelligence procedures as porous as Swiss cheese.” This was a statement made on December 8, 1978, by William Clements who was Deputy Secretary of Defense at the time Boyce worked in the Vault and who later became governor of Texas.

Would you be surprised to learn that Boyce may have been manipulated/set up? Even the author of the book noticed mysteries: “Why TRW would place a \$140-a-week, twenty-one-year-old college dropout in such a sensitive national-security position in the first place is, at least in retrospect, a puzzle. Circumstantially, TRW’s decision to leave the Pyramider papers unlocked in the vault where Chris could read them shortly before his departure suggests they could have been left as bait. And there was the mystery of Daulton’s [Boyce’s assistant in crime] fingerprints on the circuit boards.

An FBI fingerprint expert testified that he had found Daulton’s prints on a circuit board from one of the encrypting machines in the vault. Yet both the two spies, when denials meant nothing regarding whether they might be convicted or not, insisted that Daulton had never entered the vault nor had he ever touched the circuit boards. And certainly, the presence of a U.S. Embassy official at the Soviet Embassy on the morning of Daulton’s arrest added another curiosity to the case” (p. 422). Boyce’s partner Daulton claimed that all along he was working undercover for the CIA. “The affair of the snowman and the spy

who called himself the Falcon was an episode that demonstrated amazing ineptitude on the part of the Central Intelligence Agency” (p. 423).

Boyce’s defense attorney George Chelius later developed a lucrative law practice in **Orange County**, California, catering to businessmen and **land developers** (p. 427).

A similar event was when William Kampiles sold the Russians a complete manual on the KH-11 (sometimes called the Big Bird, but technically not the same) satellite in March 1978. Kampiles was an operations clerk at CIA headquarters and resigned in October 1977, just after the Russian destruction of our satellites. In February 1978 he went to Athens, Greece. On February 23, he went to the Soviet Embassy and started making arrangements to sell them the documents. He was arrested and went to trial in November 1978 and was sentenced to 40 years.

The facility at Pine Gap, Australia, is something that needs a closer look. Stan Deyo, in *The Cosmic Conspiracy*, tells of a multi-national consortium at Pine Gap that have “radical atmospheric vehicles”. In other words, UFOs have been seen going in and out of Pine Gap. Deyo mentions that Dr. Vannevar Bush (claimed to be a member of MJ-12) made repeated visits to the area. Deyo says they are conducting research on crashed UFO residue at Pine Gap.

I will close this section with something to ponder: Astronomer Dr. James Greenacre and four colleagues at a conference on “Moon Problems” in New York in 1964 said that on 29 October 1963 they observed several colorful spots on the moon that moved in formation. One month later Greenacre observed the same phenomena. **[H: I find this so interesting, considering that every night you have dozens upon dozens of pulsating, strobing COLORED LIGHTS from EVERY LOCATION on your compass. Do you think the colored lights are reflections of your twinkling eyes? Oh my...! Do you know how you CAN KNOW THAT I AND MY PEOPLE ARE REAL? Look “out-there” and then consider how much of our work is ignored or outlawed!! Your puppet-masters know we are there and are doing everything they can to keep us silent until they can build their own terror-tactics to panic you out of your gourds. How long does it take to study “UFO residue” at Pine Gap or anywhere? Oh, we are “real”, OK, and perhaps we are the ONLY REAL THING YOU HAVE GOING, EXCEPT OF COURSE, *Pepsi Cola*.]** The May 1966 issue of *UFO Nachrichten*, Vol. 117, said: “Prof. Dr. Greenacre saw on or close to the moon at least 31 space craft of gigantic size. Some were from 300 meters to 4.8 kilometers long. They were in motion while being observed through the telescopes. Also, clearly discernible were numerous smaller craft approximately 150 meters in diameter, which moved past or alongside the huge craft, the ‘mother craft’ occasionally changing color, as in the often-reported, pulsating style.”

Keep looking up.

[END QUOTING OF PART V #10 AND OF PRESENT DOCUMENT]

Does this mean that “One Who Knows” is now going to stop sharing? I doubt it for he suggested you “keep looking up”, not close your eyes and go back to sleep and that is a good sign that the man knows MORE.

I can tell you another sure way to tell about our “reality”! The UFOlogists won’t touch any of our information with the proverbial 10-foot pole.

May you precious little lambs live happily ever after. Salu

THU., DEC. 7, 1995

CROHN'S DISEASE AND OTHER MISNOMERS

I, in no way, practice medicine. I do, however, have such compassion for ones who are dying because of lack of ability of a medical profession to actually provide healing opportunities, instead of aiding and abetting death, to the human organism.

I have a letter here which is so touching as to be heartbreaking and I feel compelled to share with you. I find "all" the clues present which SHOULD allow for a full recognition of what is wrong in this case—and everyone lays the problems off on to "something else". I can give input, precious Lana; I can't give either diagnosis or "treatment". Please understand this as we move along here. I guess it is legal to tell you what others have done in similar circumstances but I can't tell you what to do. I can ask others to offer you some products which some have found to help in similar circumstances. Please understand that this letter was written under great pressure and the left margin cut off by the fax so that it arrived with the first word of each sentence missing. We shall try to reconstruct as best we can; please forgive if we misspell or make errors but it is the overall we want to share and nit-picking spelling of "bugs" is not of great importance.

[QUOTING:]
12-06-95 (FAX)

Dearest Commander,

I am not asking, I am pleading, for your input as to help that may be offered for my physical survival. Over the last 21 months I have been hospitalized for a total of over 4-1/2 months, off and on. My family has been financially ruined and it is on-going. They diagnosed me with Crohn's Disease. No one in the medical field seems to have a clue as to what it is caused from. I'm sure it could have nothing to do with the fact that over 2-million people in the U.S. have ulcerative colitis or Crohn's disease & is the number one cause of insurance expense, so it goes—woe be unto us, they will never find a cure!

Normal functioning of the physical in my case is a day to day struggle which renders me useless, tied to the bathroom facilities and LOTS of pain.

The three trips to the hospital were all very deadly; two times I contracted a rare staph infection and this last visit, Clostridium Difficile. Vancomycin, the last antibiotic now known to medical people that will kill this, having had a failure with Flagyl, I finally responded to Vancomycin. Next time I might not.

Symptoms:

Ulcers in and through the whole gastrointestinal tract.

Ulcers in mouth & tongue (for nearly 20 years)

Severe cramping & nausea.

Gas.

When in a flare, I become unable to eat/vomiting and TFN becomes necessary (hospital), now every 4 to 5 months

Bleeding which requires blood transfusion (very frightening)

Diarrhea

Tongue is usually coated

Open fistula between vagina/rectum

Breakthrough bleeding between my wrists and elbows

No energy

Drugs given:

Prednisone. (has induced severe osteoporosis of spine).

Imuran. Nearly killed me. A form of chemo to suppress the immune system (I've quit taking it).

Pentosa. Some more stupid drugs to suppress inflammation of the colon (not working).

Bacid. One doctor gave this to me (acidophilus). I think it was a God-send.

Anitbiotics—BY THE LOADS and thus causing the C-Difficile.

Yes [we] were able to get the Gaiandriana, Aquagaia, colloids and am taking SPORT which has Dioscoren in it/Aloe Vera with....[I'm sorry, can't decipher].

The ulcers that bleed in the intestinal tract CONCERN ME. In a commons-sense question: Would the "sweep" be too much?

Could you comment as to the Silver Colloid knocking out Clostridium? This bacteria was not listed with some of the ones that have been studied, though I believe it [was positive] in Laboratories. This very information could be life-saving for **lots of people, myself included.**

Much confusion exists in my mind as to how is the correct way to attend this disease. At this time no one has been able to identify specifics.

In Crohn's disease they try to *suppress* the **immune** system, thus rendering us to the slaughter at the hospital.

The products afforded to us now build the immune system. I'm being told mine is **overactive** (immune disorder). So, in order for me to attend myself like I desire I most sincerely need clarification on how to work through this Crohn's Disease. Can one take too much Acidophilus and why do Crohn's patients have **more receptors to pain?**

They speak of using surgery but everywhere they cut a Crohn's patient it eventually comes back with a vengeance.

Commander, you have taught me much & I am truly grateful, I am confused & depressed but I will go forward in Knowing you speak the truth. I'm so weary & and I do not want to fail because those all around depend on the next few years.

Please, Commander, tell us about this disorder.

I have always been a doer and not a useless sickly person. Help me to understand. I have studied the Journals, the *Liberator* & continue to take the *CONTACT*. Bless all of you who stand & just go on and on. I personally know now that there are a lot of people who don't want this information out.

The last two years at this time I was in the hospital and right now I am sick but I believe the colloids & Gaia Gold have helped me. The Gaiandriana I have is nearly gone but I have some ordered. You know there is no rhyme or reason to these episodes.

I apologize for not typing but I don't have a typewriter.

Love and Light,

/s/ Lana K.

[END OF QUOTING]

Precious child,

The heart reaches out to hold you close and in that closeness trusts your discretion in not allowing whatever I might say as to be in any way trying to “practice” some sort of medicine on you or your body. I can only answer your questions as I perceive them and you must handle my response likewise. I will get to healing tools toward the end of my response.

I will take your inquiries in order as offered and hope I don't tread on too many sensitive toes.

First of all: Crohn's disease has NO KNOWN CAUSE AND NO KNOWN CURE. Now, let's move with the “clues” from that standpoint. This simply means the sickness doctors don't know what to do for a patient with these symptoms and furthermore have license to PRACTICE whatever is available—on you.

The problems that you have are typical, unfortunately. The worst site of the problem in your digestive-intestinal tract is, of course, where the small intestine connects to the large intestine—you now have a LOT of scar tissue in addition to the burrowing-in of organisms (microbes or parasites). Just as there are microbes which can and do live in the stomach and cause ulceration—you are, like many, riddled with various biological microbes eating you alive.

No, the “SWEEP” is not too harsh—in fact the elements present in the Spelta fiber offer tremendously healing properties and with plenty of liquids will soften and yet “form” the stools so that diarrhea is not so invasive to your system.

I am amazed that in your weakened condition you are not a raving maniac from prednisone use with simple steroid psychosis. Get some Silica (I prefer it in the form of tincture of Spring Horsetail plant) and double the amount usually intaken. I will ask someone here to compile a package of suggested things and you can work out payment any way you choose as you heal. Indeed, there is no reason NOT to heal yourself.

You are invaded by MANY yeasts and fungi and this ALWAYS happens when the system is destroyed by antibiotics. So, we have to do something heroic, I suppose.

No, you cannot take too much intestinal flora natural bacilli. You need several but mostly acidophilus and lacto-B should allow you to begin to regroup. I would suggest you get the full flora from a health store for we have had little need for more than the two mentioned and New Gaia, I am told, will be providing the product soon.

I resent the inference that because a doctor can't find a cause for something he will come to the conclusion that you have "too active an immune system". POOH! You can't have "too active" an immune system—you can only have a totally out-of-balance system.

Yes, of course, clostridium (all of them) can be knocked out with Colloidals of silver and/or gold. But you have to get through to the little buggers. Clostridiums take into their numbers Gas Gangrene, Botulism, Tetanus, etc. This means that you have long-lived encapsulated organisms that are also recognized as anaerobes. In other words, you are dealing with microbes which cannot tolerate aeration or oxygenation. Therefore, we need to get some hydrogen peroxide and stabilized oxygen into your system in a colloidalized form which will merge into, and pass through, cell walls to get at the problem. You will have very resistant parasitic invasion, also, as other defenses will have been picked off with various assaults of such as Vancomycin which is only useful against the staph infections at best. YOU HAVE THEM "ALL", PRECIOUS. Moreover, you are coated with yeast invasion and it is projecting even in your mouth and on your tongue. You also have viral invasion by a typical herpes-type virus which is literally blistering your insides.

Now, for the \$64,000 question: where to from here?

Do what you like about your medications but I can warn you that you will become a "cripple" from the cortisone (prednisone).

Get silica and get it NOW to start recalcifying your skeleton. [Health-food stores usually have it in some form.]

Take a MINIMUM of eight ounces per day of each Gaiandriana and AquaGaia (we have to get your fuel system moving again). In the growing of AquaGaia the various glucose food converts to glucosamine hydrochloride which is the most necessary of the aminos. You will find that you have a negative protein presence. If you don't now, without healing you will have problems with eye inflammation and severe symptoms of arthritis. You are a living biological microbe incubator.

You cannot "overtake" either of the colloids but let us take a good hard look at your circumstance. Gold (GaiaGold) is the very best and most soothing internal help you can get. Silver colloid [**WITH GOLD electrolysis**] as ONLY Gaia offers, will take out the clostridium(s), yeast and fungi. However, you need

to be able to “reach” the microbes and that will require a riddance of the parasites, in this instance, for you have built a real resistance in those little critters.

I suggest you take a MINIMUM of one ounce of Silver colloid three times per day for at least a week. Also, one ounce of gold colloid three times per day for a week. Put OxySol into everything you drink—using several drops and using, throughout a day, at least a full ounce, possibly two.

Then, yes, you must replace your intestinal flora daily until you come into balance. You haven’t had any for so long that you won’t know how to act when you get balanced again. After you rid the body of the disease organisms, the colloids can be reduced in amount and the flora will balance itself.

I would suggest that for the healing process you would have some relief if you would even indulge in some small enemas with added Gaiandriana (just a bit) and colloids. But more especially I suggest you add OxySol to everything and treat any open, oozing sores, skin eruptions or bleeding areas with OxySol, straight, followed with a swabbing of gold and silver.

You are probably running fevers which should be brought under control with the slowing down of the infection processes. Gold colloid is THE best thing for bringing down fevers.

Now, important!!! Get a bread machine or be prepared to do your own bread. Get spelt bread mix and grain. Of all the grains, spelt is the most easily digested. Cook the grain as you would cook wheat berries, either cracked or whole. If you use the whole, soak with gaiandriana drops in the soak water and then cook in a slow cooker on low—overnight. Eat at least TWO hefty pieces of bread (TOASTED IS BEST) but if it is too harsh on your sore mouth—then don’t toast—BUT DO USE **BUTTER**. If you use milk on your cereal please take a lactose digestant enzyme (e.g., Lactaid). If you eat vegetables and/or sugared products—take some *BENO* to help you digest the sugars in some vegetables and sweets. It can’t hurt you and you will find great relief from gas. I also suggest that for a while you simply take something like Gas-X or whatever (not an anti-acid) immediately after eating. Your nutritional condition is SERIOUS. I don’t have to be psychic to realize you are in critical condition with no way to regain balance as long as the invaders are present. Then you can get some nutrition to YOURSELF instead of just feeding your welfare parasites.

Will all this cure you? No! If you are cured—you will do it but these things should greatly help you.

I am also asking that Dr. Tulanian have sent along some other things which are being found extremely beneficial and, again, I can’t step into your business—but I can promise you that all of this will still be only a tiny fraction of what your illness is doing to your bank account NOW.

I do know of one “test case” wherein a physician simply injected IV a mixture of silver and gold colloid, about 3 cc each, and got almost instant results of positive response. I don’t think you need to be so drastic as IV, intramuscular or simply hold it under your tongue for a couple or three minutes as you swallow your dosages.

I think your mental attitude is positive enough to heal yourself with just a little help, Lana. I ask that you keep us posted as you go through the regime so that I can keep a close eye on you.

Don't wait to get started because the next barrage of health plague will be this "transmutation" flu. It is going to be devastating to all and, to you with compromised systems—it can be deadly in short order. I suggest you put GaiaCol colloid in a nasal spray bottle and spray your nose several times daily. Keep the hands CLEAN so that expelled microbes are cleansed away to prevent reinfection. By the way, the gold or the silver colloid can be used in the eyes if you have inflammation. The silver may "smart" initially but will clear right away. The gold won't hurt at all. You may well see the "particulate" "through" your vision focus for a while, i.e., there will be an appearance of tiny, tiny dots in your vision but that clears very quickly unless you have "floaters" or mucous. If there is neither present you will have nothing but more comfortable eyes and, either way, it will "go away" and is a good way to directly apply the colloids. Do not put OxySol in the eyes. It would not damage but it might well sting even though it does not sting on open wounds. Sometimes, however, there is incomplete conversion of the elements in OxySol so just don't use it in such manner—it is excellent as an internal purification product, however.

I also suggest you use the Gaia lotion and put it on smoothly for cosmetic reasons as the fact is that when the body is so out of balance as are you—the reaction of the products in the lotion react in a "tanning" type of response. You don't need to concern about it and you will find that you take on a very natural glow.

Now, Lana, the most important thing of all in this is to let go of these things that burden you. You also carry a great guilt trip because of what you consider an expensive burden to loved ones—LET IT GO! You are invaded by organisms and you CAN GET WELL! I suggest that you let go and let God—and GET WELL. When you have a disease of any kind that nobody can define, find cause for, and there is "no real treatment", it ends up between "you and God" at best—or worst, anyway.

We look forward to hearing from a much happier Lana—easily before Christmas so, with that in mind, Merry Christmas and may the Angels keep you company.

In love and recognition of God in both our lives,

I AM,
Gyeorgos Ceres Hatonn

CHAPTER 12

REC #2 HATONN

SUN., DEC. 10, 1995 8:29 A.M. YEAR 9, DAY 116

SUN., DEC. 10, 1995

SO MANY THINGS—

The quantity of material that passes this desk is staggering and I have to sort the heavy-metal “stuff” from the support mail because Dharma glues onto our cards and letters and tries to avoid the “unpleasant”. I consider ALL to be very pleasant for it shows that you are opening your eyes. It also shows that people are not getting away with so many secret activities—even to our own. You CAN wake up and join the world of the LIVING instead of the walking-breathing dead. Please consider the transition worthy of your time.

You fear death and dying? Do you fear suffering and pain? Then WHY don't you pay attention for you do not have to have these things thrust off on you! YOU CHOOSE THESE THINGS!

I feel there is NOTHING more important this morning than to speak on and about what is coming down as to plagues of the microbe variety. I can't cover all the information so I have to pick and choose very carefully as do you. However, before I move into that topic I want to share an article published Dec. 9 on the WIRE reports.

You all surely remember such a short while ago when the “government shut down”? You remember all those “**non-essential**” jobs that were considered unimportant enough to put on “leave”? Remember well that NO POLITICIANS went on unpaid leave—and also realize that NO-ONE went without pay—ever. Well take a **look at this**:

[QUOTING:]

The Orlando Sentinel, Sat., Dec. 9, 1995.

U.S. TOUR GUIDES GO TO DISNEYWORLD

As soon as the budget crisis ended, the workers left for training; taxpayers must pick up their bills.

[H: This is worthy of your time, readers.]

WASHINGTON—The week after the government's budget-crisis shutdown, at least 200 federal workers whirled off to Walt Disney World—at taxpayer expense—for a week of training to be better *tour* guides.

They attended lectures on such topics as “The Power of Magic in Shaping History”, had dinner at Sea World marine amusement park and took field trips to Disney’s Magic Kingdom and Epcot.

According to organizers, about 400 employees of the National Park Service, Army Corps of Engineers, Forest Service, Fish and Wildlife Service, and Bureau of Land Management attended the five-day National Association for Interpretation workshop in Orlando.

...and this would put the government’s final bill [YOURS] at somewhere between \$100,000 and \$250,000... most who went... had been deemed nonessential and sent home when the government shut down for six days last month....

[END OF QUOTING]

KUDOS TO CONTACT STAFF

Since I can hope that Phyllis will cover the above with her own wit and insight, I won’t say more. I hope you enjoy the *News Desk* as much as we do; Phyllis always chooses interesting and little-seen topics and offers us her subtle perceptions in humor and appreciation of the total absurdity of “the news”.

There is no way, either, to properly thank those such as Princeton and, especially, CLAUDIA, who stay up nights if necessary and devote EVERY weekend to this paper. I could dedicate every journal we shall ever write to them, but it would still be insufficient. Claudia has her own young family to attend but, instead of drifting away, she brings Alysia, who is now a beautiful and wonderful young, mature lady who types, does whatever might be asked (without asking), and herein are the wonders of the *MAGIC of GOD*. Miracles happen here every minute of every day and they simply are DONE without attention or more than a “Hummmnn!” My knees, both of them, are bent unto these weary workers who LOVE YOU ENOUGH TO SEND THE VERY BEST!

Dr. Young continually wonders WHY he isn’t busier at his line of work!?! He THINKS it rests with scientific greatness? [*Editor’s note: Dr. Young would hastily interject here that he no longer really knows exactly what is his “line of work” anymore and, as for “scientific greatness”, long ago gave up any thoughts of efforting toward how this planet defines that term. Rather, I have long regarded CONTACT and, before that, THE PHOENIX LIBERATOR as the formal “class notes” for the most important “course” offered on this planet. And, while this crash course in truth is definitely and multi-dimensionally team-taught, if I have made any positive contribution toward the organization, arrangement and clarity of these critical class notes, then it is because of those who labor with me on this project—that we may be worthy, as a team, of all your wonderful cards and letters of encouragement and support. Sometimes they are the sole (soul?) fuel which keeps our machinery running!]* There is no greater gift or service than the SCIENCE of communication in publications which SERVE TRUTH TO THE PEOPLE! Enough said, Doctor? By the way, Doctor Young, it is past time to print your dissertation that got you kicked out of the inner circles of the professional thieves of the minds of youth in the universities and colleges. [*Editor’s note: One of these days we shall publish that angry analysis when I can collect the time to update and polish the piece a bit.*] It was observant when you wrote it and it is even more appropriate NOW with the background our readers have with which to “appreciate” the contents. When an “Einstein” is worshipped and everything he teaches is WRONG—

you have problems in book-land, readers! Real bad problems!!

I am going to turn now to an article in *POPULAR SCIENCE*, Jan. 1996 (TIMELY!). I am saddened so tremendously by that which I know is in store for you, readers. My very soul aches as I watch one after another and then whole nations of people fall to the most tiny of microbes with NOTHING you are given by the “establishment” to help you—only to further destroy you. The very front cover reads: “Tuberculosis, Dengue, Ebola, AIDS, Hanta—Why We’re Losing the Fight Against DEADLY DISEASE.” I believe this is recent enough that you can pick up a copy at your newsstand, or not if you choose not to. We will offer the article in full with full credit for it is not just timely, it is actually “optimistic” and that should tell you how REALLY BAD things are.

You will find the article in point beginning on page 50 of the January 1996 *Popular Science* magazine.

[QUOTING:]

A PLAGUE ON ALL OUR HOUSES

Prepare for fresh onslaughts of infectious diseases, new and old.

By **Robert Cooke**, Photo Illustrations [not available]: **Amy Guip**.

[H: Honors to both of these people.]

- * A Connecticut man dies of a newly identified tick-borne disease called human granulocytic ehrlichiosis, or HGE. It is caused by a previously unknown bacterium.
- * A college student contracts a mortal case of Hanta virus in Long Island. The rare virus is carried by rodents and was previously known only in the deserts of the Southwest.
- * And in Zaire, a new outbreak of lethal Ebola virus breaks out, not in a forest village but in a modern city of 600,000, throwing a scare into a whole nation.

In 1969, then U.S. Surgeon General W.H. Stewart announced it was “time to close the book on infectious diseases”. Apparently, disease microorganisms didn’t listen. Since then, in addition to the pathogens named above, we’ve had an expanding AIDS epidemic, Lyme disease, toxic shock syndrome, Legionnaire’s disease, and the grimly named flesh-eating bacteria.

Indeed, what scientists, doctors, and other medical specialists are coming to realize and warn about is that microbes could very well close the book on US, rather than the other way around. We are vastly outgunned, in terms of sheer numbers and the great variety of dangerous microbes lurking everywhere. And, smart as we think we are—employing sanitation, chemicals, drugs, and vaccines against disease—the bugs still have nature on their side.

Microbiologist Barry Bloom, of the Albert Einstein College of Medicine in New York City, says infectious diseases remain a constant threat because the microbes causing them are always forming successful new combinations that can outwit a host’s defenses as well as the most powerful drugs.

Dr. David Satcher, who is director of the U.S. Centers for Disease Control and Prevention (CDC), warned in a statement last year that because of spreading genetic resistance, “our anti-microbial drugs have become less effective against many infectious agents, and experts in infectious diseases are concerned about the possibility of a ‘post-antibiotic era’. At the same time, our ability to detect, contain, and prevent emerging infectious diseases is in jeopardy.”

The problem is that with one exception—smallpox—infectious disease have never disappeared. **[H: NEITHER DID OR HAS SMALLPOX! As a matter of fact, as we have written before, the World Government has a whole “on the hoof” supply of smallpox waiting to be loosed on you that HAS NO TREATMENT AT ALL!]** Despite the ability of antibiotics to knock down bacterial infections and of vaccines to defend against such viruses as polio, measles, and hepatitis, sanitation—clean water, uncontaminated food, and sterile practices—deserves half the credit for today’s level of public health. And disease-causing microbes are still ready to exploit any opportunity.

Few would have predicted, for example, that a common soil bacterium would find a comfortable niche in air-conditioning systems and then emerge as an airborne lung disease. That microbe is now named Legionella, after the American Legion members it felled in a Philadelphia hotel in 1976. **[H: Oh goodness, I don’t know if I can “hang-loose” through this party-line tale or not. This is very terrifying, readers, to realize that so FEW actually KNOW TRUTH!]**

AIDS may have simmered as a local disease in rural Africa until tribal societies were disrupted and road networks opened up travel. Now truck drivers and the prostitutes they patronize at truck stops seem to be central players in the spread of sexually transmitted disease across Africa. **[H: Not to even mention such as the United States.]**

And in the United States, an obscure disease agent called Hanta virus struck in 1993 when mouse populations boomed after an especially wet year in the parched Southwest. **[H: ???]**

The lessons of history testify bluntly to the dangers of new microbes hitting naive populations. **[H: Indeed, just like these naive writers! I simply found this article to be so exemplary of our presentations regarding the non-knowing public perceptions as to be mind-blowing. This SHOULD be CONFIRMATION, readers, in its finest form.]** Emerging diseases have had a profound impact: Plague killed one-third of the European population in the 14th century; tuberculosis killed one-quarter of the European population in the 19th century. Could something with that kind of impact emerge without warning today? **[H: No, but who listens to WARNINGS?]**

The answer could very well be “yes”. AIDS is creeping through the U.S. population, has killed 2 million people worldwide, and is just beginning to explode in Asia. Drug-resistant tuberculosis—especially dangerous because it spreads in the air—is showing up in U.S. residents, especially in the Northeast. Why?

For Lyme disease, the answer is clear. We now have twice as much green land in the New York-New England corridor as we had 150 years ago. **[H: Say what?]** That has allowed the deer to move southward; along with the deer came deer ticks—the tiny, almost invisible bloodsuckers that often carry the Lyme disease spirochete. **[H: You ARE aware, surely, that the spirochete is the microbe of SYPHI-**

LIS, your best known voo-doo V.D.] So opportunity knocked, and Lyme disease answered.

The problem of new and reemerging diseases is so severe because of the natural talents microbes have evolved. Normally benign microbes sometimes find new hosts, or they swap genes to acquire new virulence, or simply mutate to avoid poisons.

“The life ambition of a bacterium,” Bloom says, “is to become bacteria—plural. Their only goal is survival in a very hostile world of immune responses, environmental threats, and competition.” **[H: In other words, they are superb PARASITES.]**

And as the microbes’ genetic shell-game continues, he adds, “We can’t always predict which bug is going to evolve. We know that new organisms continue to get into humans. And we know there are mutations that render pathogenic organisms much more virulent, as in the flesh-eating streptococci.”

Fortunately, in some instances a threat can be foreseen in time to prepare defenses. An international surveillance system now watches constantly for new strains of influenza, allowing protective flu vaccines to be produced quickly when a new virus strain emerges. **[H: Do you suppose these writers are “for real”??]**

But often the response comes too late. Researchers have known for almost a decade **[H: Shame and sic, sic.]** that an alien invader, the Asian tiger mosquito, is now at large in the United States. Tiger mosquitoes entered the country as stowaways in puddles of water in used tires that were being imported from the Far East. **[H: Barf!]** Experts think tiger mosquitoes came in through Houston, Texas, in 1985, and then began their inexorable spread, especially in the hospitably warm, humid Southeast.

Having a pesky new mosquito is bad enough. But the real danger lies in the tiger mosquito’s ability to carry some truly awful viral diseases, including dengue and yellow fever. **[H: But aren’t you lucky, as we are told that AIDS or HIV is NOT CARRIED BY MOSQUITOS(!!!).]**

“The tiger mosquito is a competent vector for both viruses,” as well as others such as eastern equine encephalitis, says Roger Nasci, at the Centers for Disease Control’s arbovirus laboratory in Fort Collins, Colorado. **[H: Arbovirus?]** (“Arbovirus” stands for “arthropod-borne virus”, those carried by mosquitoes, ticks, and the like.) **[H: I have terrible news for you people: viruses are carried by EVERYTHING, including other microbes, bacteria, fungi, yeasts and all manner of other nasty little things.]**

Biologist George Craig Jr., at Notre Dame University, warns that even in the absence of cases of known disease caused by the tigers, the risk of a major health problem is growing as their population expands.

Since arriving in the United States 10 years ago, tiger mosquitoes have spread to 537 counties in 23 states, some being reported as far north as Chicago. The buzzing, stinging insects are now so ubiquitous in some areas, such as New Orleans and some Florida cities, that they have become the dominant mosquitoes there.

“In Jacksonville, Ocala, and Gainesville (all in Florida), you step out your back door and these things hit you,” Craig says. “The numbers are growing, and we’re not very good at controlling them; concerted mosquito control methods such as draining marshes and spraying insecticides are not very effective.”

Unfortunately, tiger mosquitos have ample opportunity to pick up and spread diseases from various sources. Researchers were surprised to find that they attack so many different kinds of animals, including cows, horses, rats, birds, and humans.

“They are turning out to be the most catholic of mosquitos” in terms of their feeding habits, Craig says. “In East St. Louis, for example, their primary blood meal is from rats.”

One of the diseases that may eventually be picked up and spread by tiger mosquitos is dengue, also known—with devastating accuracy—as breakbone fever. It is already endemic throughout the Caribbean, including Puerto Rico and the U.S. Virgin Islands. A victim’s initial infection of dengue is usually bad enough, causing symptoms that include fever, headache, and very severe joint and muscle pain.

But a second dengue infection caused by a different strain of the virus becomes truly dangerous. This combination generates a 30 percent death rate in children.

In the past, the different strains of dengue were separated by long distances. “But now modern transportation is getting them all mixed together in places like the Caribbean,” Craig says. The mixing may also soon occur in Florida and Louisiana. On a worldwide basis, he adds, dengue is very widespread, “right up there with malaria”, which is seen in millions and millions of people in tropical regions around the world.

Yellow fever is another, perhaps less likely candidate for transmission by tiger mosquitos. The virus causes symptoms of varying severity, including fever, headache, jaundice, and hemorrhage. Death occurs in as many as 10 percent of all cases.

Scientists have already assessed the potential results if mosquito-borne yellow fever hits a large city, such as New Orleans:

“We know the insect vectors are there,” says Bloom. “A vaccine for yellow fever exists, but it’s not being manufactured. So the prediction, if yellow fever were to break out, is that the vaccine supply would be exhausted in several days. Within 90 days, 100,000 people would be infected, and 10,000 people would likely die. Obviously, it would overwhelm the health care system and cost huge amounts of money.”
[H: The real problem is, however, that you won’t have just ONE thing hit you and that will be a horrendous circumstance in and of itself.]

It may be difficult or impossible to avoid lapses such as the importation of a dangerous mosquito. But many other kinds of public health missteps that open the door to disease *are* preventable.

Such mistakes often consist of simple errors of omission, like failing to administer the standard vaccination series to young children **[H: HERE WE GO...!]**, which can have serious health impacts. Whooping cough erupted recently in England after many parents, concerned about rare complications from pertussis

vaccines, left their children unprotected. And in Russia, where the collapse of the Soviet Union disrupted medical services, diphtheria has reemerged as a raging health problem.

Between 1989 and 1991, 56,000 cases of measles were reported in the United States. As a result, Bloom says, “There were 132 deaths from a 100 percent vaccine-preventable disease—because we didn’t get the vaccine out to the kids.”

The danger is being exacerbated by patterns of modern travel. Thanks to jet aircraft, it now takes only hours for a Bombay slum dweller to reach the suburbs of London; it takes just a day or so to travel from Kinshasa to San Diego. And, as with tiger mosquitos, disease and its carriers can arrive not just with passengers themselves but also in cargo. **[H: I wonder what ever happened to “original disease”? Why do you THINK these things “come from SOMEWHERE ELSE”?]**

Beyond the threats from alien mosquitos, emerging diseases such as Ebola, and imported diseases such as AIDS, another nightmare scenario has arisen from a half century of widespread—and often indiscriminate—use of antibiotic drugs.

“We know as we throw antibiotics at organisms that unless it’s done carefully, we’re selecting for those organisms that are very resistant,” Bloom says. If drug treatment is not aggressive enough, or doesn’t continue long enough, the antibiotic kills susceptible bacteria but can leave the resistant ones to multiply blissfully.

As part of this drug resistance process, disease organisms are constantly swapping genes with each other, so mutations that bring drug resistance occur. “There’s more genetic engineering taking place in your intestine than in all of the biotechnology companies,” Bloom says.

“The one we’re all worried about is a major increase in Vancomycin-resistant enterococcus, an intestinal bug that is common in elderly patients after surgery,” Bloom says “It’s a hospital infection, is very hard to treat, and it kills about 70,000 patients annually. **[H: Even beats Dr. Kevorkian.]** And enterococcus is gradually becoming drug resistant.”

The threat is that the genes for resistance to Vancomycin may get transferred into the most common hospital-based infection, staphylococcus, which is already resistant to penicillin and is becoming resistant to a related antibiotic.

“For now, staphylococcus is treated very well with Vancomycin,” Bloom says. “The nightmare is that if the gene for Vancomycin resistance in enterococcus jumps to staph, we’ll have a strain for which we **have no appropriate antibiotic on the shelf. [H: Well, read it and weep: IT HAS!]** That will potentially decimate patients who’ve undergone major surgery.”

There’s also a possibility that disease problems will soon be brewing in California. If the Golden State enforces last November’s vote to deny routine medical services to illegal immigrants, a pool of unvaccinated, vulnerable people could soon build up, raising the odds of a disease outbreak.

“Because of the stinginess in taking care of people—and the stinginess in supporting research—we’re

setting ourselves up for some unpleasant surprises,” says population scientist Richard Levins, at the Harvard School of Public Health.

In time, huge costs may follow if diseases erupt within a large population of unprotected people. And if the undocumented workers and their families fail to seek treatment, fearing identification as illegal aliens, diseases may fester longer, wider, and have even greater public health impact.

“The most vulnerable populations are the source of diseases for everyone else,” Levins warns. “And the sources that are most dangerous are the prisons, nursing homes, and day-care centers.”

To launch a disease requires certain conditions, and each disease organism has its own set of preferences and requirements.

“By looking at it from the point of view of the pathogen,” Levins says, “we can get some idea of the factors that allow a microbe to infect a host, reproduce, and spread. What does it need to be happy? It has to get a good meal. It also has to escape the host’s defenses. And it has to have an exit to get to another host. Each microbe juggles these opposing demands in the light of the capacity it has, its genes.”

Levins, who looks at diseases from a broad ecological perspective, also says that every disease needs a minimum population. “Malaria became a human disease only after the development of agriculture. Before that, there weren’t enough people to sustain it. You need a few hundred thousand people to sustain measles. We don’t know what other diseases may require several million people. Giant cities are growing in developing nations now.” Because of overcrowding, poor sanitation, and lack of medical care, such cities may be the seed-bed for future epidemics. Ebola virus among the 600,000 people of the major city Kikwit, in Zaire, is a frightening example.

Among the viruses, Levins says, the ability to pass genes around like so much loose change underlies the constant threat of new epidemics. And humans increase the danger because of agricultural, industrial, and social practices. Strange combinations of viruses end up producing hybrids that can outwit their hosts’ immune defenses and sometimes expand the range of hosts.

This is apparently what happens when new strains of flu spread world-wide from China, where farmers raise pigs and ducks together. An avian flu virus from ducks infects pigs, and inside the pig cells the flu virus swaps genes with mammalian viruses.

The result is constant rearrangement of the flu virus’ genes, creating new strains of influenza that eventually infect the farmers. New vaccines to combat the new strains then have to be designed and distributed.

A large part of the problem, says biologist Richard Young of the Whitehead Institute, is that we’re still unjustifiably complacent about the dangers of infectious diseases. Also, knowledge is scarce. For example, he says, “We still don’t understand today what makes a vaccine work or not. What principles can we use to generate new vaccines? Our predictive powers are poor, because we don’t really know what the interplay is between the host and disease that results in successful protection.”

Nonetheless, Young says, if vaccines can be developed that is probably the most cost-effective way to deal with major diseases. In the absence of vaccines, hygiene and education are often the only weapons.

Levins, who argues that “poverty is the biggest threat in the world today”, also warns that in the struggle to understand and fight infectious diseases, “science is too fragmented”, hampered by artificial barriers and lack of communication. “Epidemiologists don’t talk to plant pathologists, the psychological and physiological realms are treated separately, and medical education ignores ecology, evolution, and genetics.”

As a result, the dangers and the reasons for worry are real and getting worse. “New health problems are threatening,” Levins warns, “and our science isn’t up to meeting them.”

[END OF QUOTING]

I have no time to comment further; we shall take up this subject, please, at this afternoon’s meeting. Thank you, Dharma, for doing the “impossible” this morning. May I say that she has written since 6:30, cooked a dinner for all our meeting people—some 60 or so, and we still have time to drive to the meeting room—**IF WE HURRY**. I am indebted, precious, for I too have no other way to thank our painters and beloved friends. Salu.

CHAPTER 13

REC #1 HATONN

MON., DEC. 11, 1995 7:34 A.M. YEAR 9, DAY 117

MON., DEC. 11, 1995

MOSTLY WE DON'T UNDERSTAND HOW IT IS

As we move through our days in whatever journey might lay before us we find that our enthusiasm only can match the moment of each day. By this I mean that we begin to look to the possibilities of that which lays beyond this experience and ponder that which may yet come into our consciousness. We do this to the extent that we often miss that which is so beautiful at the time of experience.

Dharma asked me this morning if we could write on something loving and simply offer appreciation so that she could address her Season's Greetings and Thank Yous and have meaning in her cards to somehow express what is so grateful in her heart. She asked that we offer something BACK to each who has so fully and graciously shared with us for, without your love, out there, there would be no "project" here. Without the hands which pick up the daily writings there would be no journals, no paper—no ability to share in this wondrous purpose.

We have our beloved friends in such as Dave Overton but you don't realize, Dave, that YOU have brought us far more than an effort at sharing your gold pieces with us. You have allowed for some to make their choices which EACH must do. You have allowed experiences through the courts and efforts of many to DO THE RIGHT THING. You cannot purchase such gifts of knowledge and realization. You have, in such an around-about-way, shared your friends and your integrity of a lifetime with us—through the most circuitous of routings. You, in your humble realization, have been a part of a journey of truth and works and words shared such as Calvin's with us. You became the contact of familiar people and places that enrich our lives and build our credibility. WE MUST HAVE CREDIBILITY LEST NO ONE REACH OUT FOR TRUTH.

Ones such as Dave softly speak to us from his cot in a nursing home—but Dave, have you not EARNED some care in your shadow years to simply bless and allow those around you to learn from that vast experience you have opportuned to express? Can you not allow others to now GIVE BACK a bit of that which allows them and us to feel worthy of our own passage? At this very moment I must take care that I speak not the *wrong* words and alert our very enemies to those who relate to you and bring them into focus. Perhaps, son, your works might be considered "over" by yourself—but they are NOT for through you and with you come others whom we MUST HAVE to finish our own work. I did not come forth to DO YOUR WORK FOR YOU—ANY OF YOU. I came to MAKE SURE *YOUR work and truth found expression, and in that expression the confirmation comes of that which I have been sent to lay forth before the people that they have opportunity to fulfill the promises made by our Creator for our generations. WHAT WILL BE THE LEGACY OF JUST "OUR" GENERA-*

TION? Well, because of your gifts of such a variety of input—our LEGACY will be that of the GREATEST MANKIND WILL HAVE EVER KNOWN! When a person is not shackled by EGO and when the Ego is lost to the central identity of a person—the person can grow beyond all boundaries of limitation for he shall no longer recognize success or failure in the HUMAN sensing—he BECOMES, he IS, and he only has to measure his own “intent”. Sometimes ones are blessed with a long time of ability to ponder upon his life-stream and anticipate that which will come, for when man puts aside his ego and merges with ALL that is God’s—he has no limitations and CREATES his destiny for himself unhampered by that which others always try to attend, get, offer, demand or desire. When the heart, mind and SOUL are offered without restriction unto our Father Creator—we become perfection and God gives BACK TO US the wondrous direction for service and precious gems beyond our ability to see and comprehend—AND IT BECOMES “FINE” FOR THEN AND ONLY THEN ARE WE FREE! **God truly is THE SOURCE that allows us ROOTS as deep as infinity and yet offers us wings and FREEDOM to fly to the outmost reaches of the Universe. When we remain in HIS GOODNESS we can have NO LIMITS. He backs off and allows us to express and experience and He weeps or rejoices in our wonderment of growth. He forever holds His hand beneath us to keep us from floundering upon the rocks as we stumble along our learning paths. He then becomes the wind and currents of LIFE that fills our sails and lifts our wings that we may soar and reach the very heavens.**

There is no AGE limitation—only a fatigue which then allows most to want to go “home”. But I wonder about that, friends: are you just wanting to stop your curious research for you sense you need to move on OR are you giving up the most precious and productive years of your existence because you think selves too old, too infirm, too unworthy or **just want to cop-out** and not finish your work? You who have talents, equipment—even that which may SEEM outdated, and yet stop your work and leave it untouched, simply packed away in storage somewhere so that NO ONE is able to use it—you err greatly—FOR IT WAS THE EQUIPMENT AND TRUTH BEFORE THE USURPERS OF TRUTH AND ADVANCED TECHNOLOGY TOOK THE ABILITIES AWAY FROM YOU AND RE-CIRCUITED THEM TO FACILITATE THE VERY INTENT OF THE ADVERSARY OF GOD. If you can no longer USE that which is acquired by you—can you not give it to those who can set up antennas, build frequency “boxes” and offer mankind alternatives to his imprisonment and enslavement?

Ones ask, “Why me?” They also ask, “Why me at my old age?” **WHY NOT YOU??** You who are on the yonder side of the mountain are the ONLY ones who can remember—who can KNOW the way it was and, looking back, SEE where, when and what WENT WRONG WITH THE INTENT AND DIRECTION OF MAN ON YOUR PLANET.

You who are sick, can you not GET WELL and serve your mission, your purpose—GOD? Must you ENJOY such passing attention to the point of dying just to prove you are worthy of someone’s love and a bit of attention? Even a naughty child will do mischief and injure himself to get attention. Can you not get the RIGHT KIND of attention unto self—TO HEAL SELF? Illness is the greatest “escape from responsibility” of all things known and unknown. The adversary plays to your holding card of illness and death—by offering you the “plum” of incurable illness to offer you death. **GOD OFFERS YOU LIFE—AND YET SO MANY CHOOSE INFIRMITY AND DEATH.**

I repeat something here that I want all of you who call me friend to hear, please: If you choose to be SICKLY and refuse to do your work of healing and MOVE OUTSIDE YOUR EGO SELF-NESS—I

have sympathy for you the first few days of illness and then after that I only have sympathy for your caretakers! Don't even tell me your sad plight and don't even bore your family members with it—for you have made your choices to offer this tyranny of pain upon THEM as you relax in your bed of thorns, pricks, sickness, and crippled selfishness.

If you are “incarcerated” in a place where you cannot have the help from God in whatever form, GET UP AND GET OUT WHERE YOU CAN CONTROL YOURSELF AND THAT WHICH HAPPENS TO YOU. Too old? Too tired? No, you are too lazy to do your job, for people who WORK and rejoice—get tired; people who are elderly have finally lived enough to hold VALUE in the very brains between the ears which could bring a world out of darkness. No, do not give me the old “too tired” or “too old” for I AM OLD AND I AM *NEITHER*!

Dharma now complains and tells me that I am harsh and she asked for a Spiritual message. Well, this is IT. Get up off your old-age catch-all, your “too sick” catch-all, your “I don't know how” catch-all and do YOUR PURPOSE. Stop being in your state of boredom and self-pity and get up and become involved. SHARE THE GIFTS OF YOUR SPECIAL MIRACLES AND KNOWLEDGE WITH US ALL—DON'T MAKE “US” DO ALL YOUR RESPONSIBLE THINGS. AND, DON'T SUFFER FOR “US”—WE DESERVE THE RIGHT TO SUFFER FOR OURSELVES! Please pray for our success for we are praying HARD FOR YOURS. Why should YOU have the privilege of transition BEFORE us? Why do you deserve to escape responsibility and not us? Get up and carry your own load or, at the least, help us to carry yours AND ours.

Does Dharma have choices to make? It seems she has none to make but this is not so—she has a big one right now before her—to send this message she petitioned—or bury it so as to not offend anyone on her Christmas Card list! God does not ask: “Do you love me enough to die for me?” That is a silly question designed by God's adversary. GOD ASKS: “*DO YOU LOVE ME ENOUGH TO LIVE WITH ME?*” Ponder it for the words from the opening in your lower face with the wagging thing in it that forms words—MEAN NOTHING. It is that intent within SOUL which tells the truth about you. You must share your miracles of LIFE to allow them to be miracles. Actions are the guidelines of judgment of a man or a woman for they reflect that which IS within the deep reaches of a MAN'S MIND and usually are that which is forgotten for it seems unworthy or too private.

I am asked constantly about this teacher or that teacher, this leader or that leader, this guru or that guru and on and on, as if my declaration will make a whit of difference. They are YOUR teachers, for I need only ONE. I KNOW WHEN I AM RIGHT WITH GOD and SO, TOO, DO YOU! If I comment on a person or a teacher—you still only have no answer for self, only my opinion by which you can then “judge” me. No thank you. YOUR GREATEST TEACHERS ARE YOUR MOST DEVOUT ENEMIES AND IT IS FOR YOU TO UNDERSTAND THAT FACT. It is when you can reflect and show truth IN GOD in the face of adversaries and adversity that you KNOW YOU CANNOT FAIL. There is NO WAY TO FAIL—WITH GOD CREATOR—FOR ONLY GOD CAN CREATE WHILE ALL ELSE USES HIS THINGS CREATED TO EXPRESS. Your enemy's evil, intent or action, can NOT stand in the light of TRUTH and Godly intent. It has no fuel with which to continue to burn and must return to the darkness of colleagues in kind and limitations of secret bindings to survive. It can only dwell in the dark frequencies of ignorance and evil acceptations and expectations built on ego recognition of actions, which are bound to a flesh-and-bone presentation. You can be king of the hill—but the kingdom will fall in the first sufficient

wind storm, rain storm or until the next “king” comes along. **GOD IS THE REALITY OF ABUNDANCE (A-BUN-DANCE).** What does this mean in great profundity? Get off your Assets and move your Buns and **DANCE YOUR DREAMS AND GODLY INTENTIONS AWAKE! GIVE LIFE AND STOP GIVING ONLY DEATH AS YOUR GIFT UNTO HUMANITY AND BACK INTO THE FACE OF GOD!** You must accept God’s gifts to allow them to be gifts—for only in the receiving can a gift be reality. There requires at least TWO to make an “object” a gift—a passer and a receiver. If the object is “taken” it is theft and certainly not a gift. If the object is refused it is an uncompleted pass—and is not a gift. It takes two in attunement to have a TRUE GIFT. Once passed and accepted the gifter (passer) must release his bondage to the gift and yet, the receiver has responsibility and obligation to use that gift in every intent to be worthy. This is why I see no sense in giving “gifts”, say at Christmastime, which are returned, exchanged or tossed out. Those are not gifts—and it would be better to simply give funds and cut down on your own pressures. That does not mean the “thought” is less—it means the “intelligence” is matching the thought. In that which is gifted in LOVE, there is appreciation from the receiver that cherishes the article chosen and the funds presented—and the gift is complete. Of course “if the gloves don’t fit”—go get the size that DOES.

I have the same feeling about court documents and questions on depositions—**BURY THE OPPOSITION IN TRUTH.** Write PAGES filled with truth for the opposing lawyer will never know what to do with the TRUTH, the WHOLE PILE OF TRUTH, and will be confounded by the massive tale and resource of input. They want the whole story? Give them the WHOLE story. What else can a poor ignorant “citizen” do under the confusion of the LAW? You see, the opposing attorney then has to give the WHOLE truth to the judge or explain WHY HE CHOSE TO NOT DO SO! He also has to follow up on all the old and obsolete addresses and phone numbers. He wants to follow the false information of the “enemy”—then put him to work and his clients to the expense of playing his game. If you don’t know how to play the Adversary’s game—you had best get shrewd enough to do so. If your own attorney will not allow you to do this—then get rid of your attorney! To better make sure the Judge KNOWS the WHOLE truth, since modern courts do not allow hearings—make sure you have a REASON to make the WHOLE document a PART OF THE RECORD AND MAKE SURE IT IS DONE IN SUCH A MANNER AS TO REQUIRE THE JUDGE TO STUDY IT and the jury HEAR it. This is FAR WISER input than you might at first realize—**THINK ON IT! TAKE THE POWER AWAY FROM YOUR ENEMY! MOST ESPECIALLY IF YOU HAVE “LOST EVERYTHING” AS WITH EKKERS—YOU HAVE GAINED GOD, AND THAT, AFTER ALL IS SAID AND DONE, MEANS YOU HAVE ALREADY WON. ONLY THE DEBATE AWAITS. IF YOU HAVE NO MORE THINGS TO POSSIBLY “LOSE”, YOU HAVE ONLY THINGS TO “GAIN” AND THAT GIVES YOU FREEDOM OF ACTIONS BEYOND THE RECOGNIZED LIMITATIONS OF “FEAR”.**

To make a document a matter of record there are at least THREE acceptable ways to accomplish the task. Even attorneys should know at least one of them. And, again, there are always the “choices”. The point is, which choices will YOU make? What is the worst thing that can happen? The Judge rules against you? So, what ELSE IS NEW? Can’t you have FUN along your pathway? I promise you that if you play your game well—YOU WILL HAVE **JOY.** WHEN YOU DECLARE YOUR FREEDOM AND INDEPENDENCE—YOUR ADVERSARY AND OPPONENT HAS **LOST THE GAME.**

Now, Dharma, since we have to work on these other things—it matters not whether our FRIENDS and LOVED ONES get a picture card before or after the “holidays”, DOES IT? You will be too busy writing

the WHOLE story for Mr. Horn and the Judges to address the pretty picture envelopes and we can publish this in the paper and share with our enemies as well and DO SOME GOOD ON THIS DAY.

Take each day, each task, as the GAME IT REPRESENTS. Live in the challenge of the moment as you tear down the mysteries into viable life-forms. Bring truth from the taunting lies and you shall have that gift beyond all gifts—the acceptance of LIGHT within your being and expression. GOD ALWAYS WINS THE GAMES!

In love and totality of you whom I cherish so greatly, I offer that which I AM, for I have nothing else to give and perhaps you will learn—there is nothing else worthy enough for our sharing into the reaches of the infinite. We must, therefore, enjoy and treasure that which IS while we have human senses to appreciate it ALL. This includes the perceived “bad” as well as the “good” for, in the choices and definitions within—ONLY with “both” can you learn TRUTH and hold LIGHT.

The LIGHT ***IS!*** Hold it as your treasure and you shall never find darkness in your path—EVER.

I bid you good morning and I pray you will now get up from your stagnation and LIVE. Salu.

CHAPTER 14

REC #1 HATONN

TUE., DEC. 12, 1995 7:28 A.M. YEAR 9, DAY 118

TUE., DEC. 12, 1995

DAVID NEWBY'S FAX

To: Commander Hatonn 12/08/95
From: David Newby
Re: 12/03/95 Article "Thoughts on the Brink of a National Collapse"

I couldn't let this particular article slide by without comment. For the last number of years you have been browbeating the people of this nation to get off their duffs and do something. The people who have researched the Founding Documents of this nation and have asserted their authority under same have put themselves directly in the line of fire of the Elitist thugs. Being one of those people I take offence at you belittling our efforts. One can not have his cake and eat it too.

When people such as ourselves have attempted to do what we are doing in the face of what appear to be insurmountable odds, we deserve more credit than being cited as "daring-dos" which connotes some form of foolhardiness. The documents we have prepared and submitted before the supreme Court are valid and lawful and are not acts of fancy. Your statements that our efforts are all for naught stink of the defeatism that seems to pervade the *CONTACT* these days. The readers are getting such mixed messages that I don't understand how you manage to keep readership. The negative messages cannot be justified as "providing lessons in discernment" any more. It is such a defeatist attitude that has brought us to our current state of affairs in this nation and our world today. The message of "why try" is so pervasive in the past few months' issues that I can hardly stand to read it anymore.

For clarification's sake, we are not setting ourselves up as new dictators, and such a statement by yourself is irresponsible at best and judgmental at worst, from one who claims to be non-judgmental about people. The acts and writings are not being done for any self-glorification whether you choose to believe that or not. From my standpoint I see a lot of carping from the *CONTACT* about all their financial woes and I see their hand out for what can be gathered. Granted there are commitments made, but destroying the people who have the gumption enough to place themselves squarely against the beast is below the level of a being of your purported stature. You should be ashamed of yourself.

We have taken this action because we were offered the avenue towards this solution, in our thinking, by Creator. You can ridicule and denigrate our efforts, but at least we are moving to do something, which is more than the airing of dirty laundry and whining currently being published in the *CONTACT* accomplishes. If you are so small a being as to throw stones at honest efforts "through the power of the pen" that you have so heavily endorsed all these years, then you and all your crew can take a hike. By denigrating our efforts and attempting to poke holes in our work, and by telling you readers that it is all an exercise in futility seems to be against your "proposed" mission. So what gives?

Your hatchet job in matters of grammar and sentence structure are insulting and childish. If you and your crew are so blasted smart in matters of law then why can't you seem to get any of your own legal problems solved? Hmmmm? Until such time as we can see something other than whining and bawling about how tough the lives the people at the *CONTACT* are, I don't think any of you are qualified to throw stones at those of us on the firing line for this nation. Rather than tearing us down you should be applauding the efforts of people like us who have the guts to do something other than gripe about their personal needs over and over and over, ad infinitum.

Grandma, Rex and I have offered data in the form of the Metro Series which has never been brought forth in that format in all of history, yet all we have gotten is acknowledgement of how excellent the work is through the *CONTACT*. Acknowledgment is fine, but reporting the truth is better. Yet the *CONTACT* has chosen to air its dirty laundry in the manner of some tabloid rag rather than notify the public of the true culprits and the global structure presented in the Metro Series. Is the griping about tight funding so vastly more important than knowledge of the truth? I realize that *CONTACT* has no obligation to print our work and I am not demanding such, but it seems mighty strange to me that the same rehash week after week about George Green, Gunther Russbacher and most recently the harangues against Ronn and his legitimate efforts to bring about change in this nation are aired in the *CONTACT*'s "tight" space constraints to be ludicrous when such tripe is printed in a paper touted for its truth-bringing. Bring forth the truth and kwitchyerbellyachin.

/s/ David A. Newby

FAX FROM DONALD W. JONES

Fax # 602-990-7196
Phone 602-990-1412
8145 Camelback Suite 233
Scottsdale, Arizona 85251

Dear David Newby,

I concur totally with your letter to Hatonn. I don't understand why they have not published some of your information. Much of it has been a great deal better than the content of some of Contact's recent issues.

Keep up the good work!

Best,
/s/ Don

cc: Hatonn

RESPONSE TO DAVID NEWBY

I ask *CONTACT* to please print [*see p. xx*] the letter from David A. Newby which did not come directly to me but, rather, via FAX network from Florida. I would suggest that the shortest route to a mail recipient is directly to the address where he/she receives mail! However, that aside I will respond to Mr. Newby's letter of December 8, 1995 but brought to my attention on December 11, 1995.

The reason I ask that the letter be run is so that reference can be made to numbered paragraphs which will save space, time and, hopefully, trauma to sensitive eyes and ears.

Paragraph 1: If you feel you have put yourselves in the "line of fire" for researching the Founding Documents of this nation and have asserted your **AUTHORITY** under same—then I suggest that you allow OTHERS the opportunity to assert THEIR AUTHORITY under the rights of FREEDOM and *CONSTITUTION*. You come off as THE FIRING LINE, already pop-shooting the unknown enemy in every direction save the one which hits target. I have never, do not, nor had I intended to "belittle" anything you as a citizen might have done. Browbeat the people? Do "something"?

Sir, does this indicate that it is better to do something, even if wrong—than to do nothing?? It would appear that you would have YOUR, our and "their" cake; you divide it to suit self, become the authority, court, lawyer, jury and executioner—when we found little wrong with the *Constitution* as the Founding Fathers corrected it to cover ALL the people ALL the time. We do not find merit in what the usurpers of that *Constitution* promulgate, and we do not find merit in someone else coming along with such sensitive feelings about his perceptions as to scratch and claw at his benefactors.

If the odds seem insurmountable in what you are "doing in the face of what appear to be insurmountable odds" then I suggest you do NOT deserve more credit than being cited as "daring-dos". If this term offends then I suggest that you just referred to the "same" above as "on the firing line". Sir, there are MILLIONS of people on the FIRING LINE.

The purpose of our work, our writing, our paper and/or our projects has never been to simply GO COLLECT READERSHIP. And, furthermore, I don't believe anyone has held you down and FORCED you to ever read a word in it. In fact, I have taken great time and personal attention to YOU, David A. Newby. Your response to me after I made a suggestion, which YOU REQUESTED? Well, you had to "do it your way". It did not work your way but so be it. I most certainly DID NOT, nor would I have advised that you, without knowledge or preparation, dash off with family to New Mexico and Pahrump, Nevada. YOU did that and if you now receive information or perceptions that we suggest "why try", then I feel sorry for your lack of ability to either discern or UNDERSTAND that which is written.

In paragraph 3 you suggest that I need clarification and that you people "are not setting ourselves up as new dictators and such a statement by yourself is irresponsible at best and judgmental at worst." Either one is fine with me for I repeat what Mr. Ronn Jackson, your mentor, SAID, and that is, "There will initially be ONLY a change of leadership," indicating that there certainly WOULD BE A CORE OF SELF-APPOINTED HIERARCHY (DICTATORIAL FORM OF GOVERNMENT WITH POLICING AND LAWS BY ARBITRARY MANDATE). YOU HAVE WRITTEN AS TO WHO AND HOW.

You further state in that paragraph that "You should be ashamed of yourself." IAM! I actually thought that you people were going to do something wondrous and selfless in your attempt at establishment of an "in

lieu-of” the corruption in Washington. To actually, then, summon the “unorganized militias” to STAND BY (indicating armed rebellion) is unconscionable and to infer that we at *CONTACT* support that edict is grossly irresponsible. This paper was founded to offer truth, information, a resource for all citizens and NOT AS A SUPPORT DOCUMENT TO BASE MAVERICK SELF-APPOINTED DICTATORIAL SUBSTITUTES.

“WE HAVE TAKEN THIS ACTION BECAUSE WE WERE OFFERED THE AVENUE TOWARDS THIS SOLUTION, IN OUR THINKING, BY CREATOR.” Well, Mr. Newby, if this be “your Creator” who offers such delusion, illusion, allusion and subterfuge, then I have no input to further accomplishment. If you believe that the only thing accomplished by *CONTACT* is airing of “dirty laundry” then I would suggest you ones stop dirtying up the laundry and inferring that the dirt comes from this source. We receive dozens and dozens of letter each week COMPLAINING ABOUT ANY ASSOCIATION WITH THOSE LIARS IN NEVADA. We have to daily respond to the piles of letters of ones who have been hurt by one Ronn Jackson and, now, you nice people with him.

I have agreements with Mr. Jackson for funding. We are in problems because two years ago Mr. Jackson publicly stated he would fund all our projects and we should, in fact, not even bother to continue to struggle for what was stolen from the Institute in that he would have trillions of \$\$ and the amount in question was piddling and “nothing”.

You further state (paragraph 4), “By denigrating our efforts and attempting to poke holes in our work, and by telling your readers that it is all an exercise in futility seems to be against your ‘proposed’ mission. So what gives?” What gives? Your proposals ARE FILLED WITH “HOLES” and, indeed, I do not need to poke more. The Metro Series as offered is both atrocious and not credible. Why would we, even if we had funds and space, print it as ostensibly plausible or feasible? To try to make changes is both honorable and worthy of ALL participation, BUT JUST KNOWING WHAT IS WRITTEN IN A *CONSTITUTION* DOES NOT MAKE YOU SOMEHOW GOD TO THE TASK OF RUNNING GOVERNMENT.

My “hatchet job” “in matters of grammar and sentence structure are insulting and childish...” Oh? I get a LOT of complaints about the material flowing from your desks and keyboards and certainly I have freedom of right to respond to those objections. I get constantly, “How can you support those people who can’t even write correctly?” They have a good point, especially since NOTHING CLAIMED OR PROMISED, CONTRACTED OR AGREED ON (EXCEPT WHAT OUR READERS HAVE PROVIDED YOU) HAS COME TO PASS—NOT ONE COTTON-PICKING IOTA!

You also suggest that “if you and your crew are so blasted smart in matters of law then why can’t you seem to get any of your own legal problems solved?” Very good, Mr. Newby, I thought it might be responsible and observant that THAT IS WHAT IS WRONG WITH YOUR GOVERNMENT AND YOUR JUDICIAL SYSTEM. Knowing law and working with required attorneys in a black-robed and corrupt courtroom is what it’s all about! If you cannot perceive this much—how can you set yourself up as a seated member of the new “Supreme Court”?

The power of the pen is mightier than any sword—but only if the pen scribes information which can be legitimately and righteously acted upon. To scribble a bunch of perceived opportunistic edicts is not sufficient to the needs abounding.

You further direct a letter “to me” and then toss a bomb or two at the staff of *CONTACT*. Such does not endear you since your mentor is the reason that ones at *CONTACT* are in such painful positions, even to Rick running about the country as “Little Rickie” at the whims of Ronn Jackson. MY agreement with the would-be-kings was that we would get Jackson out and in ability to function clearly and within ALL LAWS. We did, as the people picked up pen and filled out forms for a better government, and petitioned for and got, his freedom. I do not recall seeing you at the Parole Hearing in support of that release! Mr. Jackson made promises of restitution to his injured parties and has, before and since, PROMISED to immediately fund great sums of project capital. Two years later we still do not see funding but we do get complaints from readers that support-funding for your team is being requested FROM THEM. That means that all at *CONTACT*, Mr. Newby, are BLAMED for ever bringing this group of yours to their attention. Am I to ignore their petitions because my responses do not please YOU?

Further, there are piles of complaints about such things as gold certificates, OF WHICH WE NOT ONLY HAVE NO INPUT—BUT THERE HAS BEEN A DELIBERATE HIDING OF ALL AND ANY INFORMATION OR FACTS SURROUNDING THEM. THERE IS ALSO THE MATTER OF “CLAIMS” OF SOME KIND WHEREIN FOR THEIR ADVANCE PAYMENT FOR PROCESSING CLAIMS PEOPLE WILL RECEIVE INTO THE MILLIONS OF DOLLARS IN RETURN! That is an OLD SCAM and was not legitimate THEN and is less legitimate NOW. Whether it is “right” or “legal” is not in my circumstance to discern. However, we have been told, soundly, to BUTT OUT! If, for instance, Mr. Martin DARES to inquire about these matters—anger and threats are forthcoming about “butting into my business”. Therefore, we TRY DILIGENTLY to stay out of YOUR BUSINESS! In addition, if we want to “whine and bawl” about our circumstances—THAT IS NONE OF YOUR BUSINESS!

I do, however, take exception to your statement “...I don’t think any of you are qualified to throw stones at those of us on the firing line for this nation.” No? Then WHO IS? IN OTHER WORDS YOU WANT TO DO IT YOUR WAY, RIGHT OR WRONG, WITHOUT ANY ONE SO MUCH AS SUGGESTING THAT YOU MAY NOT BE 100% CORRECT. So, strike us for assuming we have rights in this nation you are “fixing”. You have the “guts” to do something other than gripe? Then why don’t you use them and stop griping?

If I erred and suggested that I felt the *Metro Series* was brilliant, I apologize for the misperception. I have always felt Rex Weeks does superb and outstanding work—I think the *Metro Series* is not even CREDIBLE in focus and intent and I certainly was not referring to that series in my complimentary remarks. Facts are available and good research is always commendable and what you write is your privilege. You have a fax network and a PAPER called *Ronn Jackson’s New Republic* so why would *CONTACT* re-run all the information which was mostly gleaned from OUR WRITINGS IN THE FIRST PLACE, AND THAT, SEVERAL YEARS PAST???. You ask, “Is the griping about tight funding so vastly more important than knowledge of the truth?” Well, I assume you can have cake and eat it also—we have found no way to accomplish that with honor! I also have to question what you mean by “the truth”? Do you mean “truth” according to David Newby, Grandma, Ronn Jackson—or God? What mean you?

Then comes the: “...I realize that *CONTACT* has no obligation to print our work, and I am not demanding such, but it seems mighty strange to me that the same rehash week after week about George Green [**H: who stole \$350,000 CASH IN GOLD**], Gunther Russbacher and most recently the harangues against

Ronn and *his legitimate efforts* (???) to bring about change in this nation are aired in the *CONTACT*'s 'tight' space constraints to be ludicrous when such tripe is printed in a paper touted for its truth-bringing. Bring forth the truth and kwitcheverbellyachin." **Please also remember as you read this that YOU placed George Green, Gunther Russbacher AND RONN JACKSON IN THE SAME SENTENCE!** Another interesting point is that if it were not for such persons, and you, there would be no need to "ask for help" for anything. Mr. Jackson told everyone he had 33 million followers and received millions of dollars in the mail from them. I didn't say that, Mr. Newby—Ronn Jackson said that! I shall be most happy to go and leave you to your projects—JUST AS SOON AS MR. JACKSON MEETS HIS OBLIGATIONS AND AGREEMENTS TO ALL THOSE, INCLUDING US, TO WHOM HE MADE COMMITMENTS.

Also, since you take such exception to our notations about grammar and punctuation in view of the fact that you had just made reference to the Founding Fathers' use of small versus capital letters to make a point—then it must be our next assumption that those errors might have been yours? You are not judged on assumption of self, you will be shredded on the errors—or haven't you tried to live in your world of One World Disorder?

In closing this response I suggest you bring your heads up out of the place "where the Sun don't shine" and into the LIGHT of reality of LIFE where we work and act as MATURE adults instead of flinging your papers all over the globe, without thinking, and to people such as Mr. Zuckerman of *U.S. News and World Report* where the threats are taken as Domestic Terrorism, along with the threats to such as Gorbachev's groupie. We are TRYING to do something positive and NOT bring out the United Nations Army against us. If that is what you people want—then have at it. **WE WILL NOT PARTICIPATE IN SUCH RIDICULOUS OR SUBVERSIVE ACTIVITIES.** To make bigger wrongs does not make any RIGHT.

If you really wished our help you might try THANKING the people through *CONTACT* who sent you the very "life-saving" items to HELP YOU. Instead you insult and degrade the very hands that fed you—literally. Neither I nor *CONTACT* have any obligation to you or your projects. Further, we have been told to butt out of your business. We gladly accept the "invitation???" to so do. We do NOT, however, BREAK ANY AGREEMENT OR CONTRACT for that which was committed as a business venture. GOOD BUSINESS is the FOUNDATION UPON WHICH A NATION CAN FUNCTION AND BECOME GREAT.

Now for the last and most important observation: THERE ARE PEOPLE WHO RUN *CONTACT* AND DECIDE ON ITS CONTENT—I AM NOT IT! If you want to run something in that paper—I suggest you be a bit nicer to the ones who DO DECIDE WHO, HOW, WHAT, WHEN AND WHERE TO RUN INFORMATION. MY CONTRACTS AND AGREEMENTS WITH RONN JACKSON ARE ACTUALLY **NONE OF YOUR BUSINESS, MR. NEWBY!** Further, if you find no inconsistencies in Mr. Jackson's approach to life and truth—then you are possibly blind as a bat (baseball, that is, and not God's little furry creatures who "see" with exceptional accuracy).

Fine, Mr. Newby, here it is! And moreover, my "bellyachin" is not in point—our readers who DO DEPEND ON US FOR TRUTH—are the ones at risk and THE ONES to whom we have obligation to respond. Perhaps it IS THE TRUTH that annoys you so much???

If this is the “BIG KISS-OFF”, Sirs and Madams, it is not acceptable. There were DOZENS OF PUBLIC PROMISES AND COMMITMENTS MADE TO US, THIS PAPER *CONTACT*, PROJECTS, AND TO GROUPS OF “PATRIOT” PARTICIPANTS—**ALL AROUND THE GLOBE AND SPECIFICALLY IN THE UNITED STATES OF AMERICA**. If you don’t perceive that you will be “shot down” by errors in your punctuation and spelling—then you are foolish indeed. Does my pointing out what is wrong—make me your enemy? I suppose so and, if so, I consider you to be my enemy and an insulting one at best. I most certainly would dislike living in YOUR NEW REPUBLIC!

I apologize for not appreciating your fine piece of document presentation as presented to the FAX-network and being “put down” as intended but I do appreciate the opportunity to respond. I am reminded of the person dying of poison and the person poisoning him tells him to “kwitchyrbellyachin” for “after all I am working as hard and fast, on the firing line, as I can, to get you out of your misery—by death.” The flame of “good intentions” burns as deadly as the fire-flames of “foul intentions” and both can lead up the road to Hell. I suggest, further, that you check out “YOUR CREATOR” who leads you. Ronn refers to HIS higher authority as “Creator” and your reflection of that term is interesting, if not down-right “telling on you”.

I SERVE **GOD CREATOR**! I now have to “assume” there is a difference! We are not impressed with “your” “Creator’s” leadership if he/she/it sends you off in such unfounded directions. Perhaps this works with the overlords of *Childhood’s End* but it doesn’t work in the Real world of God’s Universe. The fact that you do not seem to KNOW this is disturbing at the least.

Thank you for affording me an opportunity to respond to your correspondence.

Gyeorgos Ceres Hatonn

CHAPTER 15

REC #1 HATONN

WED., DEC. 13, 1995 7:45 A.M. YEAR 9, DAY 119

WED., DEC. 13, 1995

CONTACT, THE NEWSPAPER

I am asked by the around-the-clock workers at *CONTACT* to make a brief comment on paper content and why would we receive a letter as was received from David Newby (yesterday). The letter was addressed to “me” and sent out to Ronn Jackson’s *New Republic fax-network—BUT NOT TO ME!* Is there trouble in “Camelot”? There is trouble EVERYWHERE and yet, believe it or not, we wrote so many times, so many volumes which are even banned from Canada on the Khazars (*Metro Series*) that our readers asked us not to focus on that topic and PLEASE let others do THEIR own thing.

There are so many misassumptions being applied to a splendid research and historical outlay as to cause our team to look very carefully at the piles and piles of writings coming in over our FAX machines. I am told that the *CONTACT* team is expected to create miracles EVERY WEEK to JUST GET THE PAPER PRINTED AND MAILED. They do not want to go to lesser speed each week with the paper by changing postage to other than First Class mail. However, the very ones who complain about these things offer no help with those staggering problems but simply complain that I would bother to respond to their rude, insulting arrows tossed at *CONTACT*. Oh, a letter may well be addressing “me” but it is aimed at the crew for the letter was not even SENT TO ME.

I made a statement a few weeks back that ALL such mail, all lack of agreements kept, lies, theft and damage would not only be confronted openly BUT IMMEDIATELY. **I KEEP MY WORD!** The people of *CONTACT* and these other projects around here that had to stay on “hold” for now over two years because Ronn Jackson did not keep his word, are not exactly happy travelers about the *New Republic*. Ronn got his mailing list from you who wrote to him and has solicited some of you for his own support, along with others who were involved in “claims”, petitioning for return of farm losses and other such matters, and I have nothing to do with that. So I have no input about such other than to apologize if you feel harassed or misused. Am “I” angry with those people in New Mexico while their “leader” remains of necessity in Nevada? No! I truly and do honestly believe that if Jackson CAN keep his commitments—he will do so. The commitments are made on a much higher level than is filled by Jackson. THIS is a nasty world of NASTY people with whom you have to contend.

I do not take the same exception to the misinterpretations in the series above mentioned, because any information regarding the Khazars which is accurate in its historical interpretation IS VALID AND ALLOWS FOR INSIGHT. That portion or focus on same is material we have run so many times as to become a full-focus in the eyes of the “authorities” and boring to the readers. It is the assumption of “today’s” focus which can be interpreted any way ones choose that is in point. Nora (*Nora’s Research Corner*) was asked to do a summary of her lengthy works to have run on Ronn’s network. She has

neither the time nor the desire to serve another paper or their fax network for, surely enough, we are then placed as both condoning, approving and being THE supporting part of *Ronn Jackson's New Republic* AFTER he has told us to butt-out of his business (but not in such nice language). It seems the involvement ceased when Ronn walked out of his prison station and into "life".

Why have we not done more? Because you must have stability BEFORE you make big promises and gather people who have NO VIABLE WAY TO SUPPORT THEMSELVES. FROM THOSE UNSTABLE CONDITIONS ARE CULTS BORN. Further, when you place a man's label onto your work—you have, without intent for same, ELECTED YOUR "LEADER" AND "MASTER". Quarrel? Once you fall for that bait YOU ARE HOOKED BY CIRCUMSTANCES.

CONTACT IS A **NEWSPAPER!** We try to offer that which is out of the mainline of media hype or presentation. We supported Jackson's program for you must have some way to accomplish that which must be accomplished. New Mexico is an exceptionally good place to be able to establish the seed Republic under the old guidelines of *CONSTITUTION*. **However, you will find that the American Natives don't think much of your Constitution which did not, in fact, consider them to even equate with "human people"**. But you must begin SOMEWHERE.

We have experienced something else from the letter not received here, from Mr. Newby, and that involves letters—oh we get letters. One, yes, only one, agreed with Mr. Newby's insulting discourse but I note that that one does not pay for the printing or postage of *CONTACT* either.

Now the REASON, however, that *CONTACT* does not reprint everything is lack of funds for repeating old information for which some of our own papers and journals are stopped at international borders and held as hate material. YOU may well think the information is historical truth, which it may well be, but when it is coupled with a "stand-by militia" it becomes "terrorist" material and gives the legal thugs something to nab onto. What you should be able to accomplish through Freedom of Speech may well be what "you should be able to do" but is NOT WHAT YOU CAN DO! Oh, for goodness sakes, you can get away with childish attacks, finger pointing and insulting the opposing army—but when you bring backed-up threats with a militia—you are going to be shot if at all possible. Is that responsible action on my part—to dive off into a barrage of harangue and "get YOU shot"? People are already afraid to subscribe to *CONTACT* because of such fear of reprisal and we are constantly told that our affiliation with Ronn Jackson's "cult" keeps them too afraid to do more than secretly read the paper. Why? MR. JACKSON agreed to contribute PERSONALLY to *CONTACT*. He writes NOTHING except nasty notes to threaten the "big boys". If we wanted to repeat work from Newby or Grandma—we would have done so and did so when appropriate. This very day so much FAX material comes from Grandma and the *New Republic* as to be an expense unaffordable through just paper and fax ink cartridges. Why, for instance, doesn't *CONTACT* simply reprint all of the myriads of good newsletters and papers around the globe? You need a network. Obviously, the bunch at *New Republic* are involved in things other than "press" and we are told there is possibility of indictment on some of those activities. I certainly don't object to a NEW Republic—I SUGGESTED IT! I, however, do not have any wish to see any of you locked into Mr. Newby's, Mr. John Doe's, Mr. Ronn Jackson's or Betty Jackson's new republic. I don't even want you into a "People's Republic" because that has already been set forth in many countries such as China. All you need is to go back to a Republic by, for and OF THE CITIZENS.

I am, then, after stating the above, rebutted with "but you don't understand and stick it where the Sun don't

shine!” I DO understand and I prefer the LIGHT OF DAY UPON EVERY ACTIVITY WE ATTEMPT! I AM NOT INTO DESTRUCTION OR DEMOLITION OPERATIONS—I AM IN THE BUILDING AND CREATION OF BETTER WAYS—NOT SIMPLY TEARING DOWN THE OLD AND INSULTING THE ELDER “KINGS”.

Why do I “assume” we are considered as “involved”? Because of the many letters we get objecting to the production of a newspaper on the fax lines—when we don’t even have a fax-line distribution of anything save personal communications needed for faster connections than are the mails.

Ronn Jackson made funding commitments and agreements with US. This is it! We kept our agreements with him and “his” and did our commitments in full. We await the return of the commitment. I would truly enjoy fully supporting a new republic and I do think New Mexico is the best possibility although it is being worked on in Texas as well, but they are being “put down” by the courts there also. The papers are not even being looked at but, rather, tossed in the garbage while the people involved come under the gun—literally. You cannot fight the Big Boys until the PEOPLE ARE INFORMED—FULLY.

Jackson told the world that he has 33 million followers. Well, for goodness sakes, USE THEM. *CONTACT* at best has some 1,500 subscribers, so why the big assault against us as if we make or break “them”? Why are our readers contacted for funding—FOR THEM? The complaints COME BACK TO US! People who have been long-time readers and friends are dropping subscriptions because of those petitions for fund-raising from someone who says he commits billions of dollars to the cause of freedom. People do NOT like being “dinked” around, by ANYONE. Enlightened people like it even LESS. Our readers are HARD TO FOOL and I am assumed to be a supporting influence on the other groups who are trying to accomplish something—and that simply is not so. The last people desired to have involved in most arenas are God’s people, and certainly not in any church-affiliated or Spiritualist groups. If you don’t need priests and monarchs—then a group is not a group—RIGHT?

I will admit, readers, it is nice to get shot at because of things we DIDN’T print instead of that which we DID. Dr. Young is quite gleeful for, after all, he has to determine what is and what is NOT run in *CONTACT*. It would have been nice to simply have called him or the office of *CONTACT* and made a request without assuming that we are somehow their little rag dolls awaiting their pearls of wisdom. People here are so busy they have no time to read all the information pouring through and since being told to “KEEP OUT OF OUR BUSINESS”, the assumption will remain to simply stay out of their business. Dharma alone is buried under some two hundred BOXES of worthy material begging for attention. Why would there be an assumption that we sit and wait for a couple or three people in New Mexico/Nevada to send us material so we can run a paper? “Grandma” even told us she wasn’t sending us anything else and we have continued without interruption to get more and more and more from her.

These people want no input save accolades to their opinions and work—and without it they come unglued. Is this what you want? Well, I do not! But, YOU have to live in it—I do not.

I am asked if, when reference is made to the “*Metro Series*”, I actually am speaking of “*MetroForce*”? NO! The point is the same, I suppose, but no. Metroforce is American Police State and there is an organization now everywhere who actually wear emblems reading “*METROFORCE*”, *International Sanction Control Institute, Protection Services*. **YOU LIVE IN A POLICE STATE.**

I am also asked what the big deal is and how so many newsletters are sent unrequested from the “*New Republic*” source. Well, I don’t know for there does seem to be Newby’s, Grandma’s, Newby’s & Weeks and actually the least comes from Ronn Jackson. Check with them, please, for I am not going to give more space to this subject. When Jackson meets his commitments, we will accept that he is not actually on the Adversary’s side of this battle. Nobody here touts being psychic. We work with “WHAT IS” just like everybody else does. The world is controlled by the Khazarian Knights of the Round Table—Banksters. I can’t believe that the *New Republic* just now discovered it. The participants have had access to *CONTACT* for YEARS, so what is their problem? You may as well be asking us about the *Orlando Sentinel* or the *New York Times*—they don’t ask our input and we have NOTHING to say about their operations. We have been asked for every sort of help but it has definitely been a “one way” trail thus far.

It is said: “*Blessed are they who have the gift of making friends for it is one of God’s best gifts. It involves many things, but above all, the power of going out of one’s self and appreciating whatever is noble and loving in another.*” USING ANOTHER AND BEING A USER IS NOT THE SAME AS MAKING OR BEING A “FRIEND”. It is not that “our way” is the only “right way”—it simply is of utmost importance that the “right way” is our way! We have to hide nothing, tell anyone to “butt out” of our secret manipulations, or apologize TO GOD! Remember, the most honored spot of all is never having to apologize to God for our actions and more especially our intent, for if our intent be within God’s guidelines, our actions will follow in the same stance. And, if we have to seek to insert OTHER names for God than that accepted for the HIGHEST “source” of Creation—then we are trying to slip one over on “*somebody*”. God bears many labels and any label MEANING, IN TRUTH, the highest Truth and Light, then so be it. Only the “speaker” KNOWS THE TRUTH—AND, OF COURSE, GOD! It most certainly is not my problem and not yours except in discernment and judgement of actions and truth of a Man’s word (generic term for “man” species).

When we catch FLAK, readers—WE THEN KNOW WE ARE **RIGHT ON TARGET!**

I find that Mr. Newby says he can hardly stand to read *CONTACT* any longer!?! Then why do so? If all you can find from the publication is that which is objectionable to you personally, it hardly seems worthy of your attention. I find it unfortunate, however, for I believe that the “Khazarian” material being presented in *The Southwest Reporter*, etc., is EXCELLENT. The only possible contradiction is that the “system” is sophisticated enough to be unworkable as laid forth in the *Metro Series*. I think that the “leaders” hope they can control all the various strings of “pearls” which they have “cultured” but most people simply like to “belong” and are not necessarily “tools” of the big bad wolves. It goes back, however, to the beginning: *CONTACT* cannot run EVERYTHING and others have not been agreeable to having one shared focus for information distribution. Everybody seems to want their own personal papers and letters and this is perfectly fine—however, we do not have to agree with each presentation nor manner of presentation. Our paper resides in very competent hands and there it shall remain for I do not find “egos” getting in the way of good journalistic presentation.

We, as journalists, become very passionate about our topics in progress, and yet, to cut down on freedom of speech for anyone is not right nor even Constitutionally reasonable. I do not insult your work or your freedoms so I see no reason for you to attack the staff when you are “after” me! I repeat to David Newby and all readers who wonder what this is about—I didn’t receive the letter addressed TO ME by any of

your routings—save second hand. AFTER receiving copies from Florida and Arizona I finally received one from *CONTACT's office*. Mr. Jackson knows how and where to reach me INSTANTLY, so does your leader not know what his hands are doing? What I resent is NOT the letters of opposition or insult—what I really dislike is the wasting of time on such things and the twittering and twitting about such trivia. You have a world in collapse and to focus on such poppycock is neither positive nor productive. Any time the adversary can get us to argue THE SAME POINT from THE SAME SIDE he has won a round—ponder it.

The POINT is that you readers must stop considering that *CONTACT* has any manner of control or input as to *Ronn Jackson's New Republic*. In that recognition we have every duty and right to comment to our reader's correspondence about such possible integration. If others take exception to this response, so be it, for we cannot prevent such misunderstandings. Readers assume that because I support one segment, that somehow I support all. I don't even know what ALL is being done from that arena but a lot that I do know IS NOT ADVANTAGEOUS FOR INVOLVEMENT. We do not go out of our way to confront the LAW as it is written, right or wrong. The pen is the only tool that can possibly change things, but if the pens scritch in all directions while insulting and taunting the enemy—we can expect to get scratched in the backlash. To order all the militias to attention and standby is the number one threat. I do not condone nor represent such actions for they jeopardize the VERY EFFORTS SET FORTH IN OUR INTENTS AND PURPOSES. No matter how bad a president or prime minister might be—assassination or “burn the bastard” is NEVER A SOLUTION TO THE UNDERLYING PROBLEM. Threats are for bullies—not mature statesmen.

I hope that every reader gets a copy of and STUDIES all the information offered on anything relative to the Metro Series AND Khazarian control; it is simply that we cannot financially afford to offer it and still cover our own topics. We have to ask you to get copies from the *Ronn Jackson's New Republic* for the same reason—*CONTACT* cannot afford to do the reprints any more than THEY could afford to run everything produced by *CONTACT*. I DO NOT CHOOSE WHAT OTHER INFORMATION CAN OR WILL BE RUN IN THE PAPER! Did “I” start the paper? YES. Do I have input? YES—a lot. BUT I KEEP MY HANDS OUT OF THE RESPONSIBILITY OF THE STAFF; WHY ELSE HAVE EDITORS? IF YOU EXPECT TO BE A PUBLICLY RESPONSIBLE SOURCE OF JOURNALISM—YOU RUN A PAPER AS A PAPER, NOT A NEWSLETTER THROUGH TITLE OR OTHERWISE.

Any time a personal letter of mine is printed it is because of the decision of the Editors. I always request that a copy of the incoming writing be printed as well so that there is no misunderstanding. I will always respond in a manner that can be publicly printed and the choice is left with the Editor. I keep request for privacy honored in total. These writings which are for printing are only a tiny portion of our work at this keyboard.

I am not even hard on Ronn Jackson, readers. He simply CAN'T keep his commitments, for the “real” world is so much different from that which YOU THINK YOU CAN HANDLE. He is faced with incredible odds against his ability to function and I am quite patient and understanding of that position. It doesn't mean I LIKE it any better than does he. Neither does it mean I am going to turn my back on his plight, either. I will help him ANY WAY I CAN DO SO WITHIN THE RIGHTEOUS GUIDELINES OF MY POSITION. I WILL NOT INVOLVE MYSELF WITH ANY QUESTIONABLE PROJECTS WITH WHICH HE OR HIS FRIENDS MIGHT INVOLVE THEMSELVES—and he doesn't have to

tell me to “kiss off”. I am not involved in any measure with anything other than truth bringing, and “remnant” projects which he agreed to FUND. He is most certainly NOT MY ENEMY—he is whatever to me he wishes within the limits of good common sense and positive accomplishment. I appreciate, in fact, the very stance he has taken to KEEP US UNINVOLVED in most of his activities or intentions. Each person must make their own decisions as to function, but when the blood is all used up—there can’t be many transfusions from that resource. Promises unfulfilled do NOT refill the blood supply. We helped when there was no supply and please do not put down our people because they cannot now do more—especially in projects to which they disagree with the intent and purpose.

If you are angry with the “real” problem—then so state and you will find willing hands to help, but to knock down or bite the hands already feeding you, and have for years done so, is both unattractive and merits no further input of assistance. I invite disagreements but I dislike insults to a staff of people who work around the clock to do the very best they can. We protect our team members, each and all, and this is why we have no labels in deference to any individual. If Ronn Jackson is pulled down—so too will be *Ronn Jackson’s New Republic*. I do not say this is right—it simply IS THE WAY IT IS! Therefore, why should I make sounds of “agreement” when I absolutely DISAGREE? That would be foolish beyond allowable foolishness. Regardless of what you might hear—CONTACT is NOT even listed as a source for “domestic terrorists or terrorism”—go check their listings. We may be on there NOW after such assumptions of joint venture but we WERE not, even when Hawaii’s Phoenix Project got on the listing.

This is, in addition, THE REASON WE ASK FOR ABILITY TO **PURCHASE**, UP FRONT, FUNDING FROM ANY RESOURCE—SO THAT THE MONEY IS PAID FOR AND THE PROJECT CLEAR OF ALL CONTROLS BY THE HONCHOS OF THE MONEY MACHINES. WE ARE HAPPY TO PAY FOR (PURCHASE) MONEY RIGHT UP FRONT IN THE BORROWING BUT WE ARE NOT WILLING TO PAY EXTRA INTEREST OR FORFEIT CONTROL OF SOME THINGS. WE DON’T MIND GIVING FULL CONTROL ON SOME INDUSTRIES FOR EVERYONE NEEDS SOME THINGS AS MUCH OR MORE THAN DO YOU. The assumption is that in the beginning the BOYS WITH THE GUNS AND CONTROL will control EVERYTHING as to production for, as long as you have government which can confiscate EVERYTHING and ANYTHING, you have no freedom. We can work with that for there are plenty of abilities to survive and prosper and never turn from the goodly LAWS OF GOD or from the laws of the land. We don’t have to do “shady” deals which jeopardize the well-being of team members and we don’t have to sell our souls for anything or anyone. What others do is their business, not mine. We do not have to COMPROMISE integrity to negotiate agreements but we are sick to our beings of being the victims of theft and dishonesty. There is no misunderstanding when a man steals from another man and I am weary of being called to “task” for refusing to accept such behavior under my own nose. It simply will not happen longer. You insult me by stealing from our team and you shall be confronted. You insult us with ego tantrums—you will be confronted. So be it.

Enough of this subject but my team has asked for further discussion and here it is. We need to turn to our own ongoing topics and *THE ONE WORLD ORDER CHURCH* is our next topic until we get more from One Who Knows on *Fire From The Sky* or ongoing depopulation or “mystery diseases”. George Green still has the most controversial “Khazarian” reference books HOSTAGE so let him hold those that are the problems. He chose it that way! It saves us a lot of problems in many ways, especially at the Canadian border where the material is registered as HATE MATERIAL. It does not help anyone to simply have the work confiscated. It is a brave man who dares to speak truth—it is a foolish man who taunts and bullies

his opponents. THERE IS A BIG DIFFERENCE. A lot of valid information is overlooked in debates over NOTHING and to threaten military action against anyone diverts from the receiving of the truth such as: My question is “How can a bankrupt entity, i.e., the corporate United States, declare bankruptcy (which did just happen) when it’s ALREADY BANKRUPT?!?” This quote is from *The Southwest Reporter* by David A. Newby.

Please remember, readers, that I TOO MADE AGREEMENTS and I intend to KEEP MINE! Mr. Jackson claims to work for the Committee of 16 and it has never been that I have done so. If I have to negotiate with such individuals as Jackson names, so be it. I do not become “them” because I must work with them. My mission is to bring truth of historical fact and get a remnant through. I have to work with the Adversary because he now “runs everything” in your environment—I DO NOT BECOME HIM. If you do not or cannot understand this then you set your self up as a target for EITHER and BOTH sides. In other words: YOU CANNOT EXPECT PROTECTIONS FROM GOD’S SIDE WHILE YOU STEAL FROM HIM. This kind of action places you squarely in the Evil Empire’s corner and they are a jealous lot who will dump you the minute you cause trouble or even a problem and it’s all downhill from the moment of that action by decision. To pull others with you is all the happier a state of affairs by the “big bad guys” and all the prattling and positioning as cocks-of-the-walk will not change an iota of the facts and truth of the circumstance. Don’t TELL me—SHOW me!

Thank you, Salu.

CHAPTER 16

REC #2 HATONN

WED., DEC. 13, 1995 2:38 P.M. YEAR 9, DAY 119

WED., DEC. 13, 1995

THE NEW WORLD ORDER CHURCH
or, THE ONE WORLD CHURCH ORDER

The author of the material we will be using comes from first-hand experience of this “system” that has eaten away at the fiber and joints of the world to the point that most will feel there is no beginning and certainly no ending possible. This is not true for each thing had a beginning plan, and as long as the plan can be hidden from everyone except the actual participants—you live in an illusion. When you find the blueprint of the structure and can read the blueprint—you can build yourself a building and, at the least, recognize the building codes required to have been presented to hide truth.

Even the labels are false in order to distract and deceive. We will hear and read “Jewish Zionism” and immediately the mind goes to the WRONG CONCLUSION for these perpetrators of deceit are neither “Judean Jewish” nor interested in Zion other than the thought of one world, one religion, one CONTROL point of domination. Since we have written seemingly with no end, I will allow the author to present his own material, reasons and experience which led him to research and uncover FACTS—and facts reinforced with experience are the best teacher.

The author’s name is Calvin Buehrer and he comes from the area of the U.S. “Great Lakes”. I will await his permission to print his information. I can share with you a typical insightful letter written by this man to the *Chicago Tribune Inc.* regarding the Vincent Foster death lies:

[QUOTING:

February 14, 1995; At the same time we were sent this manuscript.

Attn. Mr. Howard A. Tyner, Editor
435 N. Michigan,
Chicago, Ill 60611

Dear Mr. Howard A. Tyner:

I wrote you February 9, 1994 regarding the terrible media coverage of Atty. Vincent W. Foster, Jr.’s death. The American people have a right to know the true facts regarding his death. On Feb. 16, 1994 I received a letter from the Tribune stating you will “continue to investigate the Vincent Foster story”.

I am reminded of the fairy tale of the beautiful princess on her daily walk, who saw a frog. The frog said to the Princess that he was once a handsome prince and a witch put a curse on him and turned him into

a frog but if a beautiful princess would take the frog and sleep with it under her pillow he would turn back into a handsome prince. So she did and when she awakened in the morning there was, surely enough, a handsome prince lying beside her. Boy, did she ever have a hard time making her mother believe that story.

I could believe the fairy tale of the frog and the princess BEFORE I could believe the Vincent Foster “suicide story”. I have enclosed two pages of information for your use. If the FBI *found blood, hairs on his pants AND semen on his shorts—why would he commit suicide?*

The media does not give the American people the true facts. They should be ashamed but as long as we have a controlled press there will be no shame for the lies.

Please publish the true facts on the Vincent Foster story for they are long overdue.

Sincerely yours,
Calvin Buehrer

[END OF QUOTING]

I would guess he got as ridiculous a reply to this letter as to the one prior.

When you stop expecting to have the perpetrators, liars, cheats and thieves tell you truth and facts we can get the truth uncovered more quickly through our alternative routings. AND, perhaps make the ones who continue to cover and hide facts at the least squirm and twitch a bit!

No, I don't want to run the Vincent Foster story here as included for our subject is not about Vincent Foster this time, it is about the One World CHURCH Order. I'm confident the Vincent Foster lies will still be there when we finish.

ONE WORLD CHURCH ORDER, PART 1

by Calvin A. Buehrer

[QUOTING:]

[H: At this time we have no further reference for this author. With permission we will offer all his information. The manuscript, however, is not in publication form and perhaps will never be—but THAT is up to Mr. Buehrer.]

ZIONISM

Jewish Zionism has so corrupted the Christian Church that it is beyond recognition.

My father, Rev. Emil Buehrer, was excommunicated from the Evangelical and Reformed Church in 1940 for fighting the Jewish Zionist New World Church Order. In 1957 this Evangelical and Reformed Church united with the Congregational Church to form the United Church of Christ (UCC). During my father's excommunication he went through five church trials from 1935-1940. He went through severe

persecution because of his faithful stand. After the trials were over he told his family the stress caused him to rub his forehead until it bled. Now, the United Church of Christ has accepted the Jewish-Zionist doctrine of Premillennialism. The United Church of Christ is also negotiating with ten other churches in their move to a New World Church Order.

[H: My scribe is being caused to pause here and ponder her own circumstances and wonder if this is what has happened to the hierarchy of the Phoenix Church of Christ which now has control of this property which was once her own home, still in litigation. One after another of the priests who served as intermediaries of business management have moved their focus for building a Sanctuary and Retreat to another location other than Tehachapi. The original representatives of the church in point are no longer visitors other than occasionally to friends of which neither Ekkers nor myself are longer included. This bodes CHANGE. Certainly, this is not unexpected and Ekkers have been humbly grateful for the interim of having a roof over their heads. It is simply “interesting” to note that the players took what they could get and then announced that whatever they are now doing is “none of your business”. It is worthy of consideration and thought, nothing more. It is, however, a point of consideration that there is NO CHURCH or group here and it was expected that “they” (the church) would “run things” or, at the least, the hierarchy would do so. Well, there is nothing to “run” as to religion so it seems typical from my viewpoint. MAN IS MORE IN DESIRE OF “CONTROL” AND EGO IMPORTANCE THAN EVER DOING MUCH “FOR” GOD.]

In the *Protocols of the Elders of Zion* the Jews displayed their plan, developed at the turn of the century, to merge all churches into one with an ultimate Jewish Pope. They have infiltrated the so-called Christian Church with their Jewish-Zionist doctrine of Premillennialism which teaches that Christ will come to Jerusalem, the City of David, and reign there for 1000 years in their New World Church Order.

Martin Luther, John Calvin, Charles Wesley, John Hess, the Roman Catholic Church and other early churches did not believe in Premillennialism. It was designated to destroy the TRUE Church of Christ and His Heavenly Kingdom of a new Jerusalem, located in Heaven, and replace it with a Jewish-Zionist-ruled New World Church Order whose earthly kingdom is located in “old” Jerusalem, the City of David. **[H: Ah, but that too would only be a sign (a symbol), for the United States is considered the *new homeland of Israel.*]**

Televangelists Billy Graham, James Bakker, Oral Roberts, Pat Robertson, Jerry Falwell and Jimmy Swaggart are all Premillennialists. Swaggart has testified that the greatest propagation tool of all, that which will catapult ‘the witness’ (to the gospel), will be television. The only trouble is that they are leading their so-called ‘born again’ flocks to the New World Church Order which is located in old Jerusalem, in the City of David, and not to the New Jerusalem which is the Heavenly Kingdom where God shall reign forever.

They have changed the truth of God into a lie, and worship and serve the creature more than the Creator, who is blessed forever. *Rom. 1:25*. They have changed the glory of the incorruptible God into the image made like to corruptible man. *Rom. 1:23*.

For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ and

no marvel; for Satan himself is transformed into an angel of light. Therefore, it is no great thing if his ministers also be transferred as the ministers of righteousness; whose end shall be according to their works. (2 Cor. 11:13-15.)

I went to a debate on May 10, 1987 between Rabbi Meier Kahane and Rabbi Arnold Jacob Wolf at Mather High School Auditorium in Chicago. Someone in the audience asked former Knesset member and Orthodox Rabbi Meier Kahane if Israel should support the fundamentalist TV movement. Rabbi Kahane answered as follows: "Let us be honest, we have not gotten along well with the Arabs for 2,000 years but we can live with them. Who is the real enemy of the Jew? Was Hitler an Arab? Was Hitler a Muslim? Were the German people Arabs? Were the German people Moslems? I'll tell you who the real enemy of the Jew is: it is the Christian." The Jewish crowd screamed and yelled in approval. The moderator banged his gavel to quiet the crowd. Rabbi Kahane then said, "You know, those Arab nations, they belong to us, as we are the chosen people." Again the Jewish crowd cheered and yelled and the moderator banged his gavel to quiet the crowd. Rabbi Kahane then said, "You know, the whole world belongs to us, as we are God's chosen people." Again the crowd screamed and shouted as the Jewish crowd was in gleeful ecstasy.

I was shocked when Rabbi Kahane said the enemy of the Jew is the Christian and I let out a grunt and sat up straight in my chair. When Rabbi Kahane said those Arab nations and the whole world belongs to us because "we are the chosen people of God", I was sure my father was correct in 1940 when he told us that Jewish Zionism is creating a New World Church Order. They made great progress in their New World Church Order by the time my father passed away in 1972. The World Council of Churches (WCC), United Church of Christ (UCC) and most other churches have sold out to the Jewish Zionist New World Church Order. In 1955, under Jewish Zionist pressure, the Roman Catholic Church changed the printing of their new bibles to read *that the Jews did not kill Jesus*. Israel gave Jerry Falwell a free jet airplane as a reward for his contribution to the Jewish Zionist New World Church Order. **[H: Surely so, because over and over again Jerry Falwell stood forth with his fist raised and proclaimed that he "is a Zionist and PROUD of it". Does Falwell have a "right" to do that? Of course, he has a "right" to be anything he chooses.]**

The Jewish Zionist Premillennialists have diverted the truth into a lie and changed the new Jerusalem Heavenly Kingdom of Christ into an *earthly* kingdom with its, hopefully, head in old Jerusalem, the City of David. According to the *Protocols of the Elders of Zion* a Jewish **POPE** will rule over the "church" from Jerusalem.

The Jews wanted to make Jesus their earthly king when He was on Earth 2,000 years ago. It caused Him to weep as He did not come to establish an earthly kingdom, but rather a Heavenly kingdom. Because of this, the Jews hated the man and crucified and persecuted Him. The Jews are still waiting for their Messiah to come. *The Protocols of the Elders of Zion* is their blueprint of their One World Government. The Jews believe they must control the power of the world and the money of the world before their Messiah will come.

When Christ was crucified on the cross, the veil of the temple was rent in twain from top to bottom. *Mark 15:38*. That was the end of Judaism. Now Christians have direct access to God by praying to Christ, through the Holy Ghost.

[H: I hear the myriads of questions pouring forth from you readers and no, I am not going to debate any issues of this nature here. This kind of debating is not at issue; the facts as found later are worthy of note and I don't need to interpret biblical points and counterpoints. This author does what so many authors do—consider the myth that a man called “Jesus” is/was the “CHRIST”. I don't have to “argue” to hopefully have you realize that there was no way to separate the two entities from the projected one. “Jesus” was NOT the man's name; it was Emmanuel (Immanuel, Jmmanuel and Esu i.e., Isu Jmmanuel.) This personage became “later” known in reference as Jesus the Christed. I have very little interest to get into the historical perceptions of either the antics of “the churches” or the historians, for I find most of the presentations totally without truth in FACT. This, however, does not change the *PROTOCOLS OF THE ELDERS OF ZION OR THEIR INTENT TO CONTROL THE WORLD*. We are sharing this author's work—not my opinion. So, please, let us honor him for his work where it counts—in historical FACT.]

Before the crucifixion of Christ, only the Levites could go into the temple to sacrifice lambs to God and sprinkle the blood to signify the coming and death of the Son of God. Now that Christ died on the cross, the only way Jews can be saved is through the blood of Jesus Christ.

There is no such thing as a judeo-Christian religion. It is either Christian or Jewish (Talmudic). If Jesus was the Son of God, then the Jewish religion was false. If Jesus was not the Son of God, then the Christian religion was false. There can be no compromise on these facts.

The premillennial teaching of a 1,000-year kingdom in Jerusalem is a Jewish-Zionist-sponsored and -financed teaching. They want to rebuild the temple in Jerusalem. When the veil of the temple was rent from top to bottom, that was the end of the Jewish temple and blood sacrifices as it had been known. In heaven there are no temples, as Christ is that temple. *Rev. 21:22*.

Mossad, CIA, Clinton, Bush, Rabin, Shamir, Billy Graham, Pat Robertson, Jerry Falwell, Rockefeller, Rothschilds, Trilateral Commission, Council on Foreign Relations, and all the Jewish Zionist **[H: Khazarian.]** intrigue in the world cannot sew up and repair the torn veil of the Jewish temple.

Jesus said of the **[H: so-called—]** Jews in *John 8:44*: “Ye are of your father the Devil, and the lusts of your father ye will do; he was a murderer from the beginning, and abode not in the truth, because there is not truth in him. When he speaketh a lie he speaketh of his own, for he is a liar and the father of it.”

The Jews are of their father, the Devil. They are not of God. The natural branches, the Jews, were broken off because of unbelief and the gentiles were grafted in because of faith. The Jews are not the chosen people. The Jewish teaching of Premillennialism cannot be of God because God's Kingdom is in Heaven.

The Zionist so-called Jews, with their blueprint, the *Protocols of the Elders of Zion*, have the world on a collision course. The governments, media, churches, schools and other institutions are under their control. Television, movies, modern music, art, alcohol and drugs have been used **to destroy the home and family**. The only hope we have in America is to break this curse and get back to basic teachings and moral values.

FROM THE PROTOCOLS

“We have long past taken care to discredit the priesthood of the goyim [*goyim* = *anyone not a Khazarian Zionist, especially gentiles and even including non-Zionist Judeans*], and thereby to ruin their mission on Earth which in these days might still be a great hindrance... Freedom of conscience has been declared everywhere so that now only years divide us from the moment of the **complete wrecking of that Christian religion**; as to other religions we shall have less difficulty in dealing with them, but it would be premature to speak of this now... We shall set clericalism and clericals into such narrow frames as to make their influence move in retrogressive proportion to its former progress. ... When the time comes finally to destroy the papal court, the finger of an invisible hand will point the nations towards this court. When, however, the nations fling themselves upon it **we shall come forward in the guise of its defenders as if to save excessive bloodshed. By this diversion we shall penetrate to its very bowels and be sure we shall never come out again until we have gnawed through the entire strength of this place.**

“The King of the Jews will be the **real Pope** of the Universe, the patriarch of an **International Church**.

“But, in the meantime, while we are re-educating youth in new traditional religions and afterwards in ours, ***we shall not overtly lay a finger on existing churches, but we shall fight against them by criticism calculated to produce schism.*** In general, then, our contemporary press will continue to ***convict*** State affairs, religions, incapacities of the *goyim*, always using the most **unprincipled expressions in order by every means to lower their prestige in the manner which can only be practiced by the genius of our gifted tribe.** (Pg. 50, *Protocols of Zion*.)

[H: There is so much backup material as to be unable to reprint all of it here in this format. We will hold articles, pictures and only use a selected few for proof of this documentation and then the Editors will need to decide how best to integrate the “whole” of the contents of this manuscript. Our only purpose is to point out the direct instructions which come from the Elders of Zion through the *Protocols of Zion*. PLEASE REALIZE THAT ALL OF THE INSTRUCTIONS ARE CARRIED FORTH FROM THESE “ELDERS” IN THE WRITINGS OF THE *TALMUD* AND NOT THROUGH THE *TORAH*. THEREFORE, PLEASE REALIZE THAT THERE IS NO INTENT TO USE OR PRACTICE ANYTHING OTHER THAN THE *TALMUD* AS THE BIBLICAL TYPE OF INSTRUCTION TO THE NEW WORLD ORDER THROUGH THE *PROTOCOLS OF ZION*.]

PROTOCOLS REF: KING OF THE JEWS

“I pass now to the method of confirming the dynastic roots of King David to the last strain of the Earth. This confirmation will first and foremost be included in that in which to this day has rested the force of conservatism by our learned elders of the conduct of all the affairs of the world, **in directing of the education of thought of all humanity**. Certain members of the seed of David will prepare the kings and their heirs, selecting not by right of heritage but by eminent capacities, inducting them into the most secret mysteries of the political, into schemes of government, but providing always that none may come to knowledge of the secrets. The object of this mode of action is that all may know that government cannot be

entrusted to those who have not been inducted into the secret places of its art.

“To these persons only will be taught the practical application of the aforementioned plans by comparison of the experiences of many centuries, all the observations on the politico-economic moves and social sciences—in a word, all the spirit of laws which have been unshakably established by nature herself for the regulation of the relations of humanity.

“Direct heirs will often be set aside from ascending the throne if in their time of training they exhibit frivolity, softness and other qualities that are the ruin of authority, which render them incapable of governing and in themselves dangerous for kingly office. **Only those who are unconditionally capable for firm, even if it be to cruelty, direct rule will receive the reins of rule from our learned elders.**

“In case of falling sick with weakness of will or other form of incapacity, kings must by law hand over the reins of rule to new and capable hands. **[H: Let it be known right now that this is EXACTLY what happened with the execution of Rabin just weeks past. EXACTLY!]** The king’s plans of action for the current moment, and all the more so for the future, will be unknown, even to those who are called his closest counsellors. **Only the king and the three who stood sponsor for him will know what is coming.**

“In the person of the king who with unbending will is master of himself and of humanity all will discern as it were fate with its mysterious ways. None will know what the king wishes to attain by his dispositions, and therefore none will dare to stand across an unknown path.

“It is understood that the brain reservoir of the king must correspond in capacity to the plan of government it has to contain. It is for this reason that he will ascend the throne, not otherwise than after examination of his mind by the aforesaid learned elders.

“That the people may know and love their king it is indispensable for him to converse in the market-places with his people. This ensures the necessary clinching of the *two forces which are now divided, one from another by us by the TERROR.*” (Pg. 63, *Protocols of Zion.*)

[H: The next is a copy of a notice sent confidentially to “all Jews”.]

PROTOCOL
FOR WORLD CONQUEST
1956

**Confidential Notice to All Jews
(Orthodox, Reform, Non-Religious, and “Christian”)**

We are about to reach our goal. World War II furthered our plans greatly. We succeeded in having many millions of Christians kill each other and returning other millions in such condition that they can do us no harm.

There remains little to be done to complete our control of the stupid Goyim.

JEWS IN AMERICA—These are your final instructions prior to take-over:

- 1. Continue to enlarge our control over radio, TV, newspapers, movies and magazines.**
- 2. Educate our sons and crowd the Gentiles out of the practice of LAW, MEDICINE, PHARMACY, and all the RETAIL TRADES.**
- 3. Make their Schools and Colleges training camps of our RED revolution.**
- 4. Bring ridicule upon their Christian faith, divide their people, weaken their churches.**
- 5. Demoralize their women and children.**
- 6. Corrupt their courts and bring them into contempt.**
- 7. Turn class against class. The Negro against the White.**
- 8. Buy politicians and continue to corrupt their local, state and national governments.**
- 9. “GET” the Fascist anti-Semites, one way or another.**
- 10. Use willing tools like Truman, Eisenhower, Stevenson, and Warren; they will do our bidding.**
- 11. Plan unlimited immigration of our persecuted people without restriction.**
- 12. Continue our control of their MONEY through the Federal Reserve System.**
- 13. Continue to place Jews in key positions in government, army and navy.**
- 14. We must destroy the Republic and replace it with a Democracy (Jewish-governed state Socialism).**
- 15. Continue our control over labor, agitate unrest, strikes and violence by any means or schemes.**

Especially through these methods shall we plunge this country into destitution, demoralization, bankruptcy, and civil war, further lessening the numbers of our enemies.

The Bolshevik Revolution made us masters of Russia.

The last war made us rulers of all Europe except Spain.

Let the NEXT WAR make us **MASTERS OF AMERICA.**

For the preservation of our race, you are warned to renounce, abjure, repudiate and deny any of this information if questioned by Gentiles, ***EVEN UNDER OATH***, as directed by the *Talmud*.

It is needless to caution you of the terrible consequences that might follow if these instructions should fall into Goyim hands.

— *THE CENTRAL CONFERENCE OF AMERICAN RABBIS.*

jewish press symbol

[END QUOTING OF PART 1]

I wonder if it matters at all? And how many of you even realize that the United States of America officially and formally filed BANKRUPTCY within the past very few WEEKS. You have been bankrupt since 1933 but I think nobody told you and NOW, it is official and nobody gives a damn. It is certainly time to look up and pay attention, citizens of the world with souls enough to realize your plight. Remember, the name of the game is TO GET YOUR SOUL, HUMANS!

Good evening and thank you, Dharma, for another long day at this keyboard. Salu.
