## FOREWORD

REC #1 HATONN

THU., APR. 24, 1997 9:36 A.M. YR.10, DAY 251

THU, APR. 24, 1997

I will take this opportunity to thank and appreciate our adversaries for all of the wonderful help they have given us lately along with all the opportunity for public sharing and participation. We realize that the intent was certainly not to grant us “help” but rather to destroy us, but the facts are that the opportunities afforded us in public forum and information gleaned as to just WHO is involved in the assaults gives us greater advantage than anything that could have come our way.

If the thought is that perhaps the adversarial cooperatives and outright lying cheats could damage us: WRONG. Nothing has damaged us for the accusations only give opportunity to confront the insidious rumors and underground “getcha” parties and ones who declare themselves as “enemies” to us but actually have caused great and major insult to those who were contacted and lied to by these schnooks. Oh yes indeed, “schnook” is a perfectly good English word meaning “adversary”. Perhaps YOU were thinking “smucks” which is a Yiddish term which is not used by myself or those who share my philosophy of responsible behavior of SELF in TRUTH with/to GOD of Lighted Thought.

For the following discussion I will give great honor to Rev. Robert Schuller who certainly gave the world wonderful down-to-earth perceptions of what tough times mean and how *Tough Times Don't Last, But Tough People Do*.

People very carelessly use terms and apply them to individual people in IGNORANCE and failure to know of what they speak. Let us consider “leader” and “follower” as example. You can have a person, yes, who may well be selected to “lead” something or another, but in actuality WHAT DOES IT MEAN EXACTLY? What do you lead and how can you follow? Are you a “blind” being refusing input of individual thought who takes off following anyone or anything you don't know and with whom you don't agree at best and only use for your own purposes at worst? That intentional use of the very one you claim to be your leader is a measure of your own foolishness.

LEADERSHIP: Leadership is the force that selects your dreams and sets your goals. It is the force that propels your endeavors to success.

If there be “leadership” in this place it is directly relative to the TRUTH and LIGHT of HIGHER TEACHINGS and NOT of individual human demands or enforcers. GOD DOES NOT ENFORCE, NOR DOES HE “DEMAND”. HE GIVES AND HE COMMANDS; NO MORE, NO LESS. His messengers do not *enforce* nor do they *demand* SO, PLEASE, READERS, GET YOUR TERMINOLOGY CORRECT.

Now, however, if you are pushed out there by false definitions, does it make “it” so? Of course not, and

if ones wish to project that they were controlled (until they awakened) by someONE who rarely leaves her computer—so be it. BUT, just when did these self-proclaimed-awakened—go to sleep? It appears to me that these people are more blindly asleep than ever and hop off to the adversarial troops of insipid destruction by the very beings claiming awakening. Therefore I don't longer call any proclaimed enemy an adversary who is actually a "schnook".

The "schnooks" have finally closed the circle of contract individuals into the same pot and now have locked on the lid so that all wiggle and stew in the same pot WITH the soot now locked in with them.

Abraham Lincoln told a marvelous story about a blacksmith who stuck a long, round iron bar in the coals until it was red-hot. Then he put it on the anvil, where he hammered it flat to make a sword. When he was finished, he was most unhappy with it. So he put it back into the red-hot coals and decided to broaden the flat part out a bit and make a garden tool. That didn't please his fancy either. He put the bar back into the coals, rounded it a bit, and then shaped it into a horseshoe. This effort also failed miserably. As a last resort, he put the bar into the coals one more time. He removed it from the hot fire, wondering if there was anything else he could make from it. A branding iron would be useless for he had no cattle. Deciding that there was nothing, he merely stuck it into a barrel of water. At the resulting hiss, he said, "Well, at least I made a fizzle out of it!" So, the schnooks made a fizzle out of their efforts BUT "tempered" the "metal" of the ones under their assault and we now sizzle while they fizzle.

Let us then, consider the "leadership" principles and then, only then, can you KNOW leaders and leadership TRUTH. You need to also realize that those decisions you make today, good or bad, are tomorrow's realities. Are you ready for the reality of your own decisions? Ah, but moreso, why do you push your own observations and opinions off onto someone else who never asked to lead anyone anywhere? Are you always taking exceptions to, for instance, my input or the input of others along the way—only to present that which is YOUR OPINION and argue? Arguments do not solve anything—only TRUTH solves a confrontation based on misinformation or disinformation, and how many stop to MAKE VERY SURE they know what they are presenting? Tomorrow, after the decisions are already in action, will tell the tale of your intents and the actions cannot be cancelled or retrieved to the undoing.

In a corporate structure, leadership is not always at the desk of the president or the chairman of the board. Too often people in top positions surrender their power to outside forces.

The point of greater importance is that the ignorant and stupid seem to regard the leadership of a corporation as being ALSO other than in that position. Even, further, in corporations there are many places of responsibility. A President does one thing, a Treasurer does another, and a Secretary, of course, does quite another—none of which will actually be connected to product other than as a Board of Directors for the corporation if structure is well determined and established. A corporation is OF ITSELF. You do not expect such as Earl Clark, who was President of Transamerica, to be the functioning business director of Occidental Life, a subsidiary, although he was first head of Occidental, etc.

You who use your ignorance and stupidity to damage others who do their jobs well and according to all rules and regulations are pathetic and uninformed at best, schnooks at least.

Dr. Schuller points out that the *"shoe doesn't tell the foot how big to grow. The body doesn't surrender*

*leadership to the garment.*” This is a very good analysis as so many people give service and power to a hat, black or white, or the baseball cap they choose to wear.

When you surrender leadership to forces such as property, buildings, location and other people functioning in ignorance, you err. Insist that they take “their business” elsewhere, totally AWAY from your space.

Even with money, which is always at the root of confrontations in one way or another, there is something to consider when you have been the brunt of theft, lies and cheating individuals. They WILL not flourish for they hold and struggle for the product without backing of creating that product. Money flows to GOOD and positive ideas. Good ideas spawn other good ideas and dreams inspire creativity in money management and this, friends, is UNIVERSAL LAW.

There are many things you can’t control—but that which is YOURS is under YOUR CONTROL—every time. You may not be able to control circumstances as they encompass you—but YOU CAN AND MUST CONTROL YOUR PERCEPTION AND REACTION TO THOSE CIRCUMSTANCES. As with the schnooks afoot—take the opportunity to find the culprits who rot the barrel of apples. A half-rotted apple and rotten fruit FLOAT RIGHT TO THE TOP IN A WASH OF GOOD WATER. THE HEAVIER ROTTEN PARTS SINK TO THE BOTTOM. EITHER WAY YOU HAVE GOOD FACILITIES FROM THE ROTTED FRUIT ITSELF FOR THE SORTING.

In this thought Dr. Schuller places a rule number one in his list of ways to take control and take charge of that which is yours and that which is your responsibility:

1. DON’T SURRENDER LEADERSHIP TO OUTSIDE FORCES.

2. DON’T SURRENDER LEADERSHIP TO FACES. In other words, are you going to let the quibblers, inquisitors, and actual adversaries intimidate you into abandoning your own leadership of thought truth? Because ones are OUT TO GET YOU is only assurance that you are right on target and the flak is hitting—Wow, but the flak holds all the information that will shoot down their own black intentions.

3. DON’T SURRENDER LEADERSHIP TO FARCES. The effort to Truth will always present the farce, the lie, the trigger words to damage. HOWEVER, just because these people conjure false definitions and shout false statements—DOES NOT MAKE THE STATEMENTS TRUE NO MATTER HOW LONG THE TERMS ARE TOSSED ABOUT. THE LIES WILL MOVE RIGHT BACK TO ENCIRCLE THE SENDERS OF THE OFFENDING FARCE AND HIT HIM/HER RIGHT BETWEEN THE EYES—A VERY VULNERABLE SPOT INDEED.

4. DON’T SURRENDER LEADERSHIP TO FENCES. “...Fences are limiting concepts that you allow to influence your goals and dreams. Because of these concepts, we throw away ideas and dreams that we are sure we’ll never be able to realize. They also cause us to lower our goals, with the result that we strive for and achieve far less than our capabilities.” says Robert Schuller.

There is an even worse tendency for those who KNOW truth to simply toss in the towel and say, “To hell with it.” If you will succeed in your visions of higher cause and better ways of living, you will look carefully at fences and who places them in your pathway to stop your journey. Also, in that same meaning—avoid those farces and false schnooks who surrender leadership of themselves to locked-in thinking. Locked-in

thinking is the thought process that says, “It’s never worked before. Why should it now?” I add to that the false accusers who don’t even tell the story correctly and add lies to the tales to incriminate others, only to find they have uncovered and incriminated themselves, literally.

5. DON’T SURRENDER LEADERSHIP TO FRUSTRATIONS. Whoever in this universe told you life would not be frustrating on your way to success in Truth?

This is really well stated: “There are people who reach a point where they just can’t handle people any more. They can’t handle government regulations any more. They can’t handle cash-flow problems any more. Anyone who has dreams and goals also has frustrations: lack of time and money, high interest rates, disappointments when your best people let you down. Such frustrations can mount up, and if you surrender leadership to them, you’ll soon cash in, give up, throw in the towel, quit. Don’t give in to such temptations.” The biggie is the supposed inability to handle the Schnooks any longer and yet those are the weakest problems of all if you live within and act within TRUTH, HONOR, INTEGRITY, VIRTUE, WORTHINESS AND TRUSTWORTHINESS. The Schnooks have already proven their INABILITY to function within any of these goodly categories. They want what YOU are perceived, by them, to HAVE, and if they can’t gain it from you by theft or bargain, then they will destroy all they can reach with their tentacles of poison. They do not distract, really, except for calling attention to their own lies and ill-begotten status as Schnooks.

6. DON’T SURRENDER LEADERSHIP TO YOUR FANTASIES. Boy, this is the most critical “catch” to leadership. People gather fantasies and consider false assaults as being “too much” and give in to negative fantasies as if they are something “real”. We all have negative responses when the problems confronting us are seemingly large and so irritating as to cause a rash to form under the skin. However, if your dreams and visions of your goals are worthy and are bigger than most, if your ideas and in truth are creative, there will always be criticism. The biggest criticisms will come from the most failure-oriented persons lashing out from their total failure as individuals. There will also be a lot of ridicule because people are so narrow that they will make up false tales to cause ridicule so you must be patient until their own silliness is replacing the stupid tales.

Don’t create more condemnation than is really there, however, for in a moment of realization you will find there is simply NOTHING “there”. Don’t allow yourself to indulge in negative fantasies that limit the size of your goals and stifle your creativity—AND DON’T ALLOW ANYONE, ESPECIALLY THOSE NEAR YOU, TO DIMINISH YOUR OWN PERCEPTIONS OF YOUR OWN POWER AND TRUTH. This will always be a difficulty for any “messenger” to overcome for even the ones nearest and dearest will become both envious and critical as you effort to plug along in your various roles to perfect our goals. Don’t give away your power to those people no matter who they may be. Remember that YOU are the Captain and LEADER of YOUR UNIVERSE. Stop even giving lip-service to their appraisals of YOU in their own lacking in understanding for they will undermine your own realizations. They will have to realize whatever they choose and you will continue to realize your own responsibilities.

7. DON’T SURRENDER LEADERSHIP TO FEARS. The *Bible* says, “God has not given us a spirit of fear, but of power and of love and of a sound mind” (2 *Tim.* 1:7). That means when you surrender to fears, you can be sure the fears DID NOT COME FROM GOD. God does not give us the spirit of fear. God gives us the spirit of power and love and a sound mind.

Admiration is due people who make a commitment and stick out their necks in efforts of Truth-bringing and factual growth. Admiration is also due a person who makes every effort in Truth to reach the top and yet doesn't make it for any reason short of just "giving up" and quitting. Every ONE doing anything IMPORTANT IN MORAL AND ETHICAL MOVEMENT wants to quit from time to time and you will find that the ones OUT FRONT, running the plow, can't find anyone "else" to which to RESIGN. That's the facts, ma'am. When you can't find anyone to accept your resignation—you have arrived, haven't you? Some of us are "there", aren't we? When you can't find anyone to whom to resign—then get yourself together, renew your power, and get control. Let those dissenters destroy themselves, but you get out of the way—right out front!

8. DON'T SURRENDER LEADERSHIP TO FATIGUE. Everybody runs tired once in a while. You better be able to know when you are running tired and back off a bit. Get yourself together physically and emotionally for as long as required because, if you do not, you're going to make some bad decisions and choices. Even your greatest "teacher" withdrew and renewed. You must do as HE did, just pull away, escape for a while, and go to "your mountain" to pray and renew balance. There are times when you must respect yourself enough to decline visiting with people and find time, take time, to renew energies and rebalance, without bombardments, to allow for continued ability to wisely function.

9. DON'T SURRENDER LEADERSHIP TO FAULTS. There are as many people to find fault with you as there are OTHER PEOPLE. Keep your KNOWING in focus and never mind the opinions of others. Always remain IN TRUTH AND LIGHT—and fault-finding is not your business. The fault-finders are the abundance of the Earth while you in Truth and Truthful ACTION are the most precious gemstones of the Earth. To allow burnout when you can take control of your own position is ludicrous. There will always be the ones who will interject themselves as being "but I am different" and then when rebuked in their own opinion, come back with even more lengthy explanations why they usurped more of your energy—are in full lack of recognition of their own power and therefore will continue to drain yours. That is not your business! What others choose to be, say and do, is not your business unless it impacts you, and then you must confront the false imaging.

10. DON'T SURRENDER LEADERSHIP TO FACTS. Whatever you may perceive to be "FACT" may well only be a passing FALSITY. Realize that very often it is a fact that your "attitude" is far more important than are facts, especially out of context. Put the facts as related INTO CONTEXT PROPERLY and move right on through the perturbations and inconveniences.

11. DON'T SURRENDER LEADERSHIP TO FRENZIES. Most people maintain pretty good control and make good and right decisions until they get into a frenzy, a frantic situation. Know what you are doing and upon what foundation of Truth you stand and you will realize right choices and decisions and will take the power of God into your balance and present the right and good alternatives.

12. DON'T SURRENDER LEADERSHIP TO THE FATES. Stop giving your power to those who would bend you to "fate". FATE IS WHAT WE CREATE!

13. DON'T SURRENDER LEADERSHIP TO FORECASTS. Forecasts are but a compilation of facts averaged out to appear like knowledge. Never attend forecasts. If things are bad your only probable perception is that they will then get worse. Who said? Can't YOU be the one to decide your "fate" and

make your own “forecast” of success? I love, further, the ones who shout at you: “*Take care!*” I would remind you that those who simply go about “taking care” are never going anywhere. Take a chance! Take charge! Take Control!

14. **DON’T SURRENDER LEADERSHIP TO YOUR FOES.** This is extremely IMPORTANT. Do your “foes” offer better solutions? Is criticism as offered by your foes actually beneficial or a worthless waste of time and attention while you could be better doing something else than attending their problems? You must find your purpose, your balance, and then move on directly toward your rightful goals. Why would you succumb to the failure of those who are your foes? If they were achievers, they would not be your foes—ponder it.

15. **DON’T SURRENDER LEADERSHIP TO YOUR FRIENDS OR RELATIONS.** This is a very hard one to achieve for your friends and relations will be the ones who offer in “your best interest” and “I am only thinking of you...” and thus and so. You don’t need to “agree” on everything, but do not hand over your power just to appease some other person who “thinks” he/she knows better than you what is good for you. Friends can give you advice. They can share with you their opinions. But they should never have the final word. The only one who can make the decision and live with the results is you. Do what you believe you must do. Be true to yourself, to your ideals, and to your dreams—after you **KNOW THEM TO BE RIGHTEOUS.**

16. **DON’T SURRENDER LEADERSHIP TO THE FRACTURING EXPERIENCES OF LIFE.** Realize that you can “break” or “get broken” in self. You are responsible to self in NOT letting your fracturing experiences shape your future. Deal with breaks in your “now” but do not drag the broken parts in crippling circumstance into your “future”. You can’t surrender to the hurts of life and being. You can’t let grief and the aches of breaking experiences of life control your future decisions. Confront the circumstances, handle the circumstances and move right on within that which is chosen as your goal pathway. If you have erred, forgive. Especially forgive SELF, but move on for the past is gone, the now is experiencing at the moment and is actually all you have in perceived “time”, but you must move on “as if” there is future experience to be bettered by the past memories and experiences.

My own suggestions are not different than those above with my own comments about them, and what I sum up my input to being is that you are YOU, and you must assume control and power as rightfully are yours. If, therefore, you are going to surrender to anything—make it “to faith”.

Let faith be in control of every decision you make and every action you take. You do that when you let the positive possibilities set your goals.

When you look at your life and where it’s headed, ask yourself these questions: “Who’s in charge? Who’s in control? To whom have I surrendered leadership?”

Surrender leadership to Truth, and to Faith in that Truth. Surrender leadership to GOD. Let HIM be in control of HIS plan that you might achieve rightful POWER in that knowing. Ask GOD three questions which will give you a bit of insight perhaps: “God, who am I? Why am I here? Where am I headed?” At the very least, HIS answers may surprise you. They will open your eyes to the beautiful person that you are and will become, as well as to the fantastic future that awaits you.

The facts of living ARE: THERE IS ALWAYS “A FUTURE”; YOU JUST DON’T KNOW WHAT IT IS.

One worthy thought to finish this writing might well be the most IMPORTANT realization of intent:

When faced  
with a mountain,  
I will not quit!  
I will  
keep on striving  
until I climb over,  
find a pass through,  
tunnel underneath—  
or simply stay and  
TURN THE MOUNTAIN  
INTO A GOLD MINE,  
*WITH GOD’S HELP!*

And, no matter how hard you try—you CANNOT exhaust ALL POSSIBILITIES and/or alternatives. For, with GOD, all things ARE POSSIBLE, and therefore, how think you to be greater through limitation?

## CHAPTER 1

REC #1 HATONN

WED., MAR. 12, 1997 7:45 A.M. YR.10, DAY 208

WED., MAR. 12, 1997

### WHY DON'T WE WRITE MORE ABOUT GOD AND HOSTS?

I can't because even when we write specific answers to questions, i.e., "Who is God" and "What is God?", Dharma ends up with threat of prison term and heavy fines—for contempt of court yet.

Not until the court matters are settled, and perhaps not even then, will Doris Ekker be free to put to paper the truth of God for it is considered copywork from scientific books of Walter Russell. And no, I cannot imagine how this relates to the University of Science and Philosophy. That, however, as Judge Coyle of the Federal Bench would quickly tell us, is not the issue in point. What is the issue in point? I don't know because what "they" say and what "they" claim are two very opposing things.

So I ask all of you to please understand our position here until this "thing" is settled for not answering personal or private questions and/or deviating far in "freelance" responses because those out-of-context writings regarding Light and God, etc., end up, of necessity, matching pretty much what others before have written when they truly write TRUTH about the subjects.

Well, it is what we must live with and within, so please bear with us while we don't respond to such pointed inquiries regarding God and Man.

*CONTACT* was started as a news-sheet and then a newspaper, separate and apart from myself so that the printed word would not be only a focus on myself. We are pleased that the Staff continues to print our input and that you continue to demand to have our writings—but *CONTACT* was set forth first as the *Liberator* to match the full extension of truth in happenings as offered in Civil War (US) times when there were no papers printing truth. You have again reached that same control of press and media as you then had. The *Liberator* was finally so hounded and assaulted that it had to close and merge with another small offering just to afford to go on—this after Green moved to Nevada, taking the assets and subscription funds and, unknown at the time, \$350,000 in gold coins sent to make sure the paper could continue via loans and, hopefully, grants from the Phoenix Institute for Research & Education. No, in spite of what Green claimed about a non-profit tax-free Institute somehow being set up in California, THERE NEVER WAS SUCH A PLAN EVEN CONSIDERED—WE SHALL ALWAYS PAY OUR WAY FAIRLY AND SQUARELY, UNDER AND ACCORDING TO THE LAW. *CONTACT* IS A NEVADA CORPORATION AS WELL. Unfortunately there is nothing save debt now or ever prior to now and, with people stealing, i.e., Green, Ence, Cleary directly from the very corporation, Phoenix Institute, while they served as officers and directors, how would that status ever be able to change?

Since, however, documented evidence is what you REALLY want from the paper in point, we do very nicely simply offering you what is shared willingly with us which allows you to have information without the deadly assaults against my typist. Information within the U.S. is so structured and so difficult to find “in truth”, as the oppression hits harder and harder we-the-people, that much information must flow from elsewhere on the globe and hopefully find its way into such papers as *CONTACT*, *Spotlight*, etc. Truth is better accepted from physical experiencers than from Hosts at any rate, since all of you simply wait and try to confirm what I offer. It is fine and in that way you grow and move into investigating your circumstances from Australian bases to our local courts and judicial systems and from O.J. Simpson’s circumstances to the overall Black citizen’s status as a whole. It does, however remain totally amazing at the lengths to which, and not to mention the expenses involved, to set up people in a scam/sham Internet intrigue yet, just to keep their terrible secrets of crimes and intent hidden. THIS would appear to me to be direct contempt of court orders since the parties in blame are also named on the documents issued to and by the court.

It would further appear, however, that the adversaries have overstepped their safety zone in this last escapade because many people are irate over the insidious lies and events presented. We shall see who will stand for truth and who will fold in the garden of FEAR.

I hope the *CONTACT* crew will realize the serious portent of what has lately been foisted off on the Internet public—because it will not fall, this time on Ekkers, other than as a fallout circumstance as it is realized, even by the Judge in the cases, that Ekkers have nothing with which to create a World Web Site nor do they know how to do same. They do not even have access to the equipment which would allow such transfer of anything. However, Green, Williams, Binder, et al., DO HAVE ACCESS AND, IN FACT, THERE IS A WORLD WIDE SITE-PAGE CREATED BY TIMOTHY BINDER FROM WHERE HIS OWN INFORMATION IS CARRIED TO AND RETRIEVED FROM SOUTH AFRICA AND WORLDWIDE.

“But,” you continue to ask, “does their action mean that we can’t live in freedom, even here in America?” Well, how many of YOU have had to stand in a Federal Court while a Federal Judge pronounces that he has already decided to punish you with jail and massive sanctions for contempt of his own ruling? This, without even the ability to have an attorney to stand with you to explain what is taking place in the foreign language system. No, Doris can hold God in her heart and keep her tongue stilled about it, but I can assure you that the REASON for the previous writings which are now claimed as “copywork” were to respond to financial people across the nation and across the world. There ARE goodly people across the globe but you simply are not allowed to connect with or find them.

There are some really important notations to be made here, however. Let’s consider something quite strange, but questionable here. M. Gill just sent some beautiful hand-made “tops” to “Dharma”—but obviously Doris will have to wear them or they won’t be “worn”, will they? Is that theft of property? So, at this point Doris puts them away until she has permission to use them.

A couple of days ago Mark and Della brought, and left outside Doris’ front door, a gift containing a wonderful flying pewter angel with crystal drop and halo. Is it copywork or use of something not personally handed and released into her hands as a gift—to hang it by her computer and look at it? It brings JOY but what does the LAW say about gifts? Does the accompanying card with message regarding the angel suffice for offering and then Doris accepting?

Then, in turn, does it not seem terribly contradictory to purchase a home study course from a “university” set forth as a teaching institution—and not even be able to utilize the information as presented—for self expression? Do not you and your children form ideas and accept possibilities from the SCHOOLS? Even more so, would a nutritionist or scientist or scholar be disallowed to speak of what they have been taught and learned from such “home study courses” which actually gift degrees upon the students? Are memories so limited as to be unable to express, even in the same words, the teachings of the professors, when questioned? Even a lawyer must spout what he has been taught or flunk the Bar. This is SERIOUS consideration, readers—very serious indeed. Even in the remarkable banking system, if you pay them rent (mortgage) on a house—you get to live in it! But, in this instance, even if you PURCHASE a study course—you are not able to utilize what might be offered within it. Or is it just that Mary Doe in Texas or Florida can use the information from her mind—but Doris Ekker cannot??? Do you REALLY think the Judge in point has any idea about all this? He must depend on officers of the court **TO TELL HIM THE TRUTH—AND THEY HAVE OUTRIGHTLY AND OUTRAGEOUSLY LIED TO HIM. THIS, IN MY OPINION, IS GROSS CONTEMPT AND KNOWING FRAUD UPON THE COURT!** Then, moreover, the case is sealed and no one can get factual information to THAT COURT, by demand of the original liars from the first go at the Judge.

I am quite serious when I suggest that Ekkers have a very good case against the lawyers Buchanan and Seymour of “contempt of the Judge” in this case AND ask the Judge to issue an order to show cause why this is not CRIMINAL CONTEMPT. At the least it would allow you to get evidence before the bench. Since, in addition, the documents in the case filing CAME FROM GREEN and came with collusion and KNOWING of the fraud, by Timothy Binder—are those not grounds for inclusion in the case itself? After all, it is most likely that the legal counsels were also deceived by the false and fraudulent documents given them for the case in point. We fear no investigations—do they???

We function under a rather unique and apparently unheard of position of “what you see is what you get”! Refreshing or foolish? Well, it doesn’t matter because TRUTH serves us well into infinity while the lies WILL CATCH THE THIEVES.

We will be going into more on the O.J. Simpson matters within the next days because the Blacks are becoming more and more restless over the entire lynching of Simpson. However, life goes on in other places around the globe and since Libya is more connected than you might surmise at first glance, it involves associations with the Black communities and leadership of such as, say, Rev. Farrakhan.

However, we, long, long ago wrote about something which must be again brought to your attention, what with cloning now established and the E.T. farce about to land on you while Hale-Bopp is be-bopping around and about, and that was Pine Gap, Australia. This is where there is a MAJOR U.S. military experimental base located with all sorts of strange and unique things going on. I, therefore, choose to offer some information on that installation prior to speaking further on the Black circumstances.

The article offered here comes from *The News Monitor*, Australia, and they make a special notation: “*Information contained in this Monitor has been carefully selected from sources believed reliable, but absolute accuracy can not be guaranteed.*”

We respect that stance and, just as have they at *The News Monitor*, we share this article, translated from

French to English by Dr. Jean Francois Gille, of a writing of Lucien Cometta.

Now readers, as you go into this, KEEP IN MIND that anything you don't recognize in the skies are UFOs if you can't identify the object or objects. Also, remember that anything NOT TERRESTRIAL is extra-terrestrial—even God and Hosts—since they are not ROOTED in terra-firma (earth) substance. Remember that in reality God is of essence of Spirit substance and even though HE may well dwell within you, He is not represented in YOU as a physical substance other than essence. And further, you simply cannot count on governments giving you ACCURATE INFORMATION—ever! Especially in a world moving toward control by the Elite ONE WORLD ORDER, you must realize that YOU are the PAWN PUPPET while “they” OF THIS NEW WORLD ORDER represent, AND ARE, the puppet-masters.

[QUOTING, from *THE NEWS MONITOR*, No. 15, Vol. 5/1. Caption: “*Publish and Conceal Not*. Jer. 50:2 Sorry, there is no contact information given with this article document.:]

### PINE GAP BASE—WORLD CONTEXT

In order to understand the case of the Pine Gap US base (near Alice Springs, Australia) better, I feel compelled to give some explanations before-hand. I hope these explanations will help to increase the general awareness of the extraordinary importance that facility has for mankind as a whole.

The majority of people, all over the world, are not lingering in doubt as to whether [or not] Unidentified Flying Objects (UFOs) and Extra Terrestrials (ETs) are real. They know they are real. Here in early 1989, no one questions their existence. The case for UFOs aroused passions, controversies and grand-standing for many years. Some of it has not been quite rational. The matter being relatively settled, public opinions should cool down. It is with a serene and clear mind that we ought to be thinking of our future relationship with the peoples from space. However, the public mind is not at peace. It vaguely feels that the governments are hiding “something real big”, and it wonders where our leaders are going to lead mankind.

During the process of research and study of UFOs, researchers who do not take the explanations of the scientific establishment at face value have discovered unsettling facts; these facts have started the lifting off [of] the lid of the cover-up. The value and prestige of their sources of information do not leave any doubt about the truthfulness of these reports; the main outlines are summarized below.

### PINE GAP-U.S. BASE

#### PINE GAP

The United States has three major bases in Australia. One is in South Australia (Nurranger, near Woomera, T.N.), another in New South Wales, and the third (and by far the largest) is located within about 230 km (143 miles) of the geographical center of the continent, not far to the west of Alice Springs (Northern Territory), at the foothills of the southern slopes of the MacDonnell Range. This base is completely underground, with barely visible entrances to the surface. This “Top Secret” base is entirely fi-

nanced by the United States Government, and is officially known as the Joint Defense Space Research Facility (JDSRF). **[H: To you who asked about the bases and “other” bases to identify these locations, I did so, but here is your confirmation so why don’t you get a map and locate the areas.]**

When the JDSRF was first initiated, its aim was scientific research for the supposed development of a space defence technology. It is now known that since its inception, its primary purpose was research into electromagnetic propulsion.

What exactly is Pine Gap? As strange as it may seem, even Australian Federal Parliament members do not know. Among the Cabinet members, only a small number of “initiates” have a vague idea of what this is all about. The only information source available to the public is the cross-checking done by private researchers such as Jimmy Guieu, following statements made by the United States or Australian magazines (always very short and terse paragraphs), and anything the locals may notice.

It is said that under Pine Gap is the deepest drilling hole in Australia—about 5 miles (more than 8,000 metres). Such a hole is likely used as an underground antenna able to recharge the batteries of submarines in the Pacific and Indian Ocean through Extremely Low Frequency (ELF) broadcasts. Such a gigantic antenna could be used to generate the gigantic stationary wave around the Earth.

**[H: I ask that you be aware that this is so; however, the reason it is some 5 miles in depth is that all of the navigation and frequency crystals of universal (cosmic) use are under the crust surface some 6 miles in depth. This locating of the “antennas” allows a bounce-off use of the crystals located in various places around the globe and, yes indeed, are fully used by extraterrestrials.]**

#### GOVERNMENTAL ORGANIZATIONAL CHART

Some say that Pine Gap has an enormous nuclear generator to supply energy to a new type of transceiver. It seems, too, that there is a high-powered, high-voltage plasma accelerator which may be put to use to transmit electric current, or even to produce a “death-ray”, or quite simply to feed a plasma gun. All this is not as incredible as it sounds; it is now **known** that the US base of West Cape, near Exmouth Gulf in Western Australia (Harold E. Holt USN Communication Station), has an older type of the transceiver used at Pine Gap which is used to send electric current to submerged US submarines who trail a wire antenna. It is known that electric currents transmitted in this way are referred to as plasmodynamic cells.

Several times, locals have seen WHITE DISKS about 30' in diameter in the process of being unloaded from large US cargo planes at the airports serving Pine Gap. Those disks had the USAF emblem on them. It seems likely that disks are assembled and based at Pine Gap. The number of disks seen at night leaves no doubt in anyone’s mind. An amazing quantity of furniture has been delivered by plane from the United States. The locals also say that an enormous amount of food is stocked in warehouses of what could well be a true multi-leveled underground city.

On the other hand, Pine Gap is well known as one of the most important control centers for spy satellites which circle the globe. An article published in late 1973 claimed that the Pine Gap installation,

along with its sister installation in Guam, were used to control the photographic missions of the large American satellites in orbit above the Earth.

Pine Gap has enormous computers which are connected to their American and Australian central counterparts, which collect all the information secured in these countries, not only about finance and technology, but on every aspect of the life of the average citizen. Those computers at Pine Gap are also evidently connected to similar mainframes in Guam, in Krugersdorp, South Africa, and at the Amundsen-Scott US base at the South Pole.

Let us say, incidentally, that the employees (more than 1200) of the US base in South Africa all claim to be members of the US consular mission in that country. It may be worthy of note that the Amundsen-Scott base at the South Pole is located on a sensitive magnetic spot of our planet, that it holds exactly the same assets as Pine Gap, and that all the information about most of the average citizens of Western Europe is stored there in memory banks tens of meters under the icepack.

A statement made by the Australian premier about 1987, assuring that “*France must disappear from the Pacific, from the Kerguelen Ridge, and from Antarctica*” sheds light on the importance of this polar base for the Anglo-Saxon world.

The most disquieting fact about Pine Gap may be that the employees working on the base, and especially those earmarked for duty on electromagnetic propulsion projects, have undergone brainwashing and even implantation of intracranial devices. Those employees have turned into unconditional slaves of their master, whoever he is. Rather scary, isn't it?

**[H: Come on readers, that is already “old-hat” stuff even in the bases, underground quarters, and facilities all over the U.S., Canada, and parts everywhere else. If you encounter workers who know they work underground at, say, China Lake, etc., they will actually tell you that they have no notion what they DO and that it is a TOP SECRET.]**

The true point of the brainwashing of those individuals, along with the ruthless attempts to implement the cover-up of really advanced military technology, will become clear at the end of this article.

For me, it all began with the construction of the new Parliament Building in Canberra, which cost billions of dollars. Australia has only 18 million inhabitants, yet it apparently treated itself to a building far beyond its means... supposedly to accommodate its government, even if the old Parliament Building was perfectly fine.

This new building, enormous, immense and magnificent would easily fit the needs of the USSR or of the United States, which both have hundreds of millions of citizens to rule. That building puzzled me, and I started to talk about it until the day I bumped into an Englishman who told me that the Australian premier, Bob Hawk, was a Rhodes scholar, and as such he worked toward the setting up of a One World Government, and that this new Parliament Building likely had something to do with it.

Sometime after, I stumbled on a pamphlet published by the Human Rights Organization, which talked about a group of about a hundred people well-placed in high finance, politics, the judiciary branch and big

business. This group was called the “CLUB OF ROME”. According to this pamphlet, the CLUB OF ROME was pledged to a consortium which controls all international finance. A number of other groups similar to the CLUB OF ROME are equally pledged to that finance consortium, AND ARE INFILTRATING THE VARIOUS POLITICAL AND RELIGIOUS GROUPS WITH THE INTENTION TO MAKE PROGRESS TOWARD THE INSTITUTION OF A WORLD DICTATORSHIP.

**[H: I ask, please, that the diagram of the hierarchy of this working organization in Australia be run in this paper. Please note that when you consider even Common Law, that it is basically a world “right” based on the same English rule. You are already FUNCTIONING as a ONE WORLD power under total control of the Puppet-Masters.]**

The whole thing looked a little bit too preposterous to be true, it seemed to me. Nevertheless, a friend of mine gave me an audio cassette taped at a lecture given by Peter Sawyer, a former Australian civil servant, which exposed a certain number of facts he had noticed while in office. He talked, in particular, of a telephone exchange in Canberra called “Deacon Centre” **[H: See diagram.]** This exchange, built in concrete with 4-ft.-thick walls, cost hundreds of millions of dollars. It is outfitted with numerous computers, arrayed on four levels. When he tried to find out why such equipment was needed in a country of only 18 million, he discovered that those computers were connected to all the banks, to every post office, to all telephones, and to all of the police stations and customs houses; to every arrival and departure desk for air or sea travellers; and also and above all, to the other data centers collecting data on private citizens—in the United States as well as in Europe.

**[H: With the Ekkers, for instance, a whole trunk line is now devoted to monitoring of their phones, FAXes, computers, etc. Fine, we don’t have anything coming forth which we would not publish openly or, if they are asked about anything, be most happy to tell openly and fully. This is, yes, why the “down-time” while the phones are out of service. The “company” tried to do the work while Ekkers would be away on some regularly scheduled afternoon trips to the city so that they would not be discovered shutting off transmissions on those “Fridays”. They THOUGHT you would be gone Monday and yesterday—wow, isn’t this fun? What a bunch of bother “they” go to when all they have to do is ask and we will give them free access to the lines even within the house. Is this dumb or what? There simply is nothing hidden here; hasn’t anyone discovered as much? Even with financial support it is not a “secret” nor even twinging on possible indiscretions. There is privacy to be considered as we move along for the protection of innocent people who wish to assist in projects—but no other clandestine or secret operations will ever come out of this place. And for you at such places as the CLC and CONTACT offices, yours (phones, etc.) have already been changed out. Some of you are also now on the Ekker trunk line so relax and enjoy the surveillance, for in that surveillance there also comes protection BECAUSE there is nothing to hide in these places. I remind you: what you sees is what you gets—from us.**

**Yes indeed, they are working on a way to intercept signals to Dharma’s brain—and basically have worked it out nicely. She only complains that if the surveillance teams are already taking off the information—then confound it, save her the work and present it directly! At the least, she considers it rude and inappropriate to occasionally wipe out her whole computer program while tampering with the signals.**

**I, personally, use those hook-ins to get immediate and direct input to the surveillance teams to pass on upstairs to their Honchos [bosses].**

**We get on very well indeed; it is amusing that the silly goats are the flunkies of such as Green and Binder—who are NOTHING SAVE NUISANCES TO THE SYSTEM ATTENDING THIS SYSTEM OF MONITORING. DO YOU REALLY THINK, BROTHERS, THAT YOU AREN'T DISCOVERED OR KNOWN? WOW, WHAT SILLY GAMES THE NIT-WITS PLAY! I THINK MONITORS ARE A GOOD THING BECAUSE THEY CAN TRACE BACK THE IDIOT GAMES SUCH AS THE INTERNET GAME TO SET UP OUR INNOCENT PEOPLE.**

**May we always be appreciative of the limited security we are given in this game of “getcha” because what you surmise is coming down—isn't always bad in outcome!]**

That facility on Deacon Street is therefore a Center where all the data pertaining to every citizen of the Western World ends up being stored. All financial, economic, political and military information, as well as the information on every inhabitant of those countries. As a matter of course, all people living in Australia are put on file, kept up with and labelled. **[H: So, locals, relax and feel comforted by the knowing that you are totally watched, infiltrated and realize that the TRUTH is still the very best approach to every encounter and every circumstance for in so doing and in so acting—there is positive proof of no clandestine, subversion or intent to overthrow anything. If we can function within the systems, we will always do so. If not, then we won't function—period. Those who take up weapons of war are not welcome here. If something cannot be accomplished within the LAW—then it is not acceptable anyway. Do we understand one another? I certainly hope so for I weary of the silly and stupid games being played against us.]**

Peter Sawyer discovered also that the president of the ROCKEFELLER FOUNDATION came for a lengthy stay in Australia to supervise in person the construction of 20 luxury residences in Canberra (the Australian government footed the bill), in the wonderful setting of a National Park, where, legally, nobody is allowed to build.

The investigations led by Sawyer exposed, first that the new Parliament Building is meant to accommodate the world government-to-be; and second, that the 20 luxury residences will be allocated to the different foreign members of that government... Why choose Canberra as the headquarters of the new world government? Simply because Australia is a peaceful country, with very few natives likely to turn rebellious and, above all, it's an English-speaking country. No other English-speaking country can *offer* the safety Australia will provide at the time of the taking over by the World Government. In America and Europe, uprisings are more than likely, and South America not only is not English-speaking, but its fondness for revolutions and social disturbances is well known.

Australia is thus the ideal place for such an undertaking. How is the advent of a World Government possible in the near future? It is relatively easy, as we will explain.

First, who are those “internationalists” who want to take over the planet? **THE ONES WHO WANT TO SET UP A WORLD GOVERNMENT ARE 15 FAMILIES OR SO, WHO ALREADY GOVERN ALL OF THE INTERNATIONAL FINANCE AND KEEP A TIGHT LEASH ON MOST GOVERNMENTS THROUGH THE ABSOLUTE CONTROL OF THEIR FINANCES AND THEIR DO-**

MESTIC ECONOMY. These finance moguls devised their plan after World War I, and have been working since on an insidious undermining process aimed at economic destabilization all over the West.

If those financiers are obviously labelled “capitalists”, it is a very deceptive label, though, for, in fact, they have never stopped to pull the strings of the progressive parties. Their idea is logical, and lay, quite simply, in the destabilization of the countries of the West on the political, economic and religious levels. IT MAY BE SURPRISING TO SOME THAT THESE “INNOVATORS” HAD INFILTRATED THE TOP LEVELS OF THE MAIN RELIGIOUS ESTABLISHMENTS, ONLY A SMALL NUMBER OF YEARS WAS NEEDED TO MAKE THEM VIRTUALLY POWERLESS...[Were these establishments “bought out” through financial contributions? Ed.]

Economic destabilization is implemented through a slower but most efficient process. This process (already under way) will cause the entire financial system of the West to collapse. The people involved are the same people who cause the price of oil to go up and then, after convincing European neighbors to agree to these price rises, provide that the yield coming from the price rises will be paid to the “International Reserve Bank” (IRB), which is entirely at their command. The Reserve Bank hands the money over to a “holding bank” who lavishly loans the money to Third World countries for usurious rates of interest. **[H: Please, Ekkers, realize that this is why so much is “on hold” until the systems of monitoring could be completed. Never mind it for I repeat that we are not even in competition with anyone or anything—we just want to build a few projects which will make it easier to pass through this time of hardship as the New World Order falls into final place. Our task is to simply INFORM. Ekkers serve the information needs and will never have anything of potential value or income. It is too difficult to live in the world and also “have” anything. Liars and thieves abound at every turn, aided and abetted by ruthless and corrupt politicians and attorneys always threatening prison and poverty. But remember something: lawyers, judges, politicians, etc., ALSO HAVE TO HAVE FOOD TO FILL THEIR HUMAN BELLIES—EVEN AS THINGS OF ECONOMIC SYSTEMS DETERIORATE, AND MORE AND MORE GROWING FIELDS ARE DESTROYED, AND IRRIGATION SYSTEMS ARE DESTROYED BY WHATEVER MEANS WHICH COME ALONG. THAT IS ALL THAT WE ARE ABOUT AND WHAT EVERYONE ELSE OR ANY OTHER NATION DOES IS THEIR BUSINESS—WE HAVE NAUGHT TO HIDE EVEN FROM WHAT OTHERS WOULD CALL “OUR ENEMIES”.]**

The holding bank receives the interest paid by the underdeveloped countries, then puts it into another “holding bank” which, in turn, invests the huge quantity of money on behalf of the Arabs.

Those investments are made into thriving large businesses. In the meantime, only small interests are sent to Arab countries. Those who engineered the plan were perfectly aware that the leaders of the underdeveloped countries would be tempted to pocket a good part of the received money.

The IRB will then tell the Arab countries that the holding bank investments have turned out badly, all their assets had vanished and that no interest will be paid any more. The Arab countries will then have no choice but to put all the securities they own on the market, as well as quite an amount of property bought by the second holding bank. A good part of these possessions will then be frozen, because they will have been bought with the aid of not-entirely-repaid loans, and they will be part of the assets of the first holding bank, gone bankrupt. The incredible quantity of shares put on the market at the same time will cause a

stock market crash of such magnitude that all the national economies of the West will collapse at the same time.

The planet will find itself in a desperate predicament. Cash will not be worth a damn, and the risks of a global confrontation (planned!) will be high.

#### ENTER PINE GAP

At this point, the usefulness of bases like Pine Gap will become obvious. If a Global confrontation is going to break out, those bases will serve as a place of safety for the politicians and their staff, as well as the international financiers, their family and friends.

If no confrontation breaks out, the financiers will adapt a “saintly” attitude AND OFFER SUBSTITUTION OF ALL CURRENCIES BY PLASTIC CARDS, ENSURING “TRUE EQUALITY” FOR ALL; THE ABOLITION OF ALL OWNERSHIP RIGHTS, and the setting up of a World Government that will “ensure peace”.

The masses (consciousness as a group) will be convinced that it is necessary to ensure Peace and Social Justice by any means, including force. THE POTENTIAL ACHIEVED THROUGH THE EQUIPMENT OF THE UNDERGROUND BASES WILL MAKE POSSIBLE THE DISAPPEARANCE, WITHOUT A TRACE, OF THOSE WHO DO NOT CONFORM AND THOSE WHO “HINDER THE HAPPINESS OF THE PEOPLE”. Also, it will ensure the swift crushing of any possible uprising. IT MAY ALSO HAPPEN THAT OUR NEW “MASTERS” WILL END UP TELLING THE PEOPLE THAT WE [ARE] AT THE “EVE OF THE MILLENNIUM, A GOLDEN AGE”. IT WILL BE THE WORST DICTATORSHIP EVER KNOWN TO MANKIND.

IT IS QUITE CERTAIN THAT OTHER BASES HAVE BEEN BUILT IN THE UNITED STATES AND ELSEWHERE IN THE NORTHERN HEMISPHERE.

None of the above has anything to do with science fiction. All is true, and it certainly doesn't give a very rosy picture of the future.

\* \* \*

*“Judges can go crazy—indeed, many seem mad—but unless they are foaming at the mouth and tearing their robes into small pieces, they are permitted to send men to prison, to deny the helpless their just dues, and to interpret the law of the land.”* Famed attorney Gerry Spence.

[END OF QUOTING]

Now, why would I dredge up “old stuff”? Because it is now “new” stuff. Further, you need to have the updates and explanations about why some things are now happening to you even more seemingly atrocious than prior to now. It is the time of trying to stop the word and non-establishment news from reaching through. Well, readers, God said HE would make sure the truth reaches through and then, it is YOU who will do that which you will WITH IT.

We will hopefully offer some alternative peaceful ways to function within what IS. But beyond that, there will be no wars from this place or from our places in the cosmic realms. What is coming down is truly limited to the human aspect of physical environment wherein everybody has to live, eat and hopefully, find shelter. That is not my problem nor my demand. Take the information and toss it if you like or use in the birdcage. However, it is obvious from the restrictive and Admiralty courts now accomplished, that you have some big social and economic problems. We can offer information, but FORCING IT DOWN YOUR NECKS is not among our wishes nor alternatives.

It is known, recognized, that there will be major changes by the turn of the century, so what else is new? I may well not be accepted by you or the general hierarchy, but I AM WELL KNOWN, LISTED A-6 SECURITY, BEYOND “TOP SECRET” CATEGORY, BY THE ELITE WHO INTEND TO PULL OFF THIS MISERABLE FARCE AND FRAUD UPON YOU-THE-PEOPLE. SO BE IT AND MAY YOUR JOURNEY BE INTERESTING.

Just always remember: these assaults by such as Green are full recognition of the fact that it is not desired that YOU learn truth about God and the connections with SELF. That too is exactly “how it is” and therefore within that recognition do we accept the reality of same. And no, the Judge is not “bad”—the Judge doesn’t even KNOW what is going on. No, I do not know how to get him informed of the truth of the ongoing trashing—but truth eventually comes forth even if temporarily buried by cover-ups. I believe the man to be a wise person who certainly can realize “*something*” **is sorely wrong with the US&P presentation. We can simply pray for insight and right actions.**

I cannot believe that the man in point wishes this to become a public “cause” just to rule with buddies of the Bar. There is still some justice and goodness resting in many of these Judges sitting upon the Benches of your land. And moreover, do you really think the taxpayers will continually sit still for the corruption of the judicial system by having to appoint Ekkers a lawyer along with providing the District Attorney’s offices and spending years in further litigation? This is absurd even on the face of such accusations and demands to this court from those counsels KNOWING THAT THEY FOIST OFF FALSE AND ERRONEOUS INFORMATION ONTO THE JUDGE AND COURT. IT WILL BE EVEN MORE OBVIOUS IF BROUGHT BEFORE A JURY OF TAXPAYERS. I mean, how much damage can two retired 65-year-old people do to this nation and the world, talking about God?

Doris Ekker, who is accused of leading a “cult”, is even amused. A cult of one? Not very successful, I would guess! George Green had already been recognized as a “cult leader” with a “following” by the very groups he inhabits, i.e., patriots, UFO groupies, etc. Is there something WRONG with this picture?

Green even told the world through radio and television that he was a “gold” expert, owned a bank, is a multimillionaire financier, a “development” expert, creates the “illusion of money” and on and on and on. He stated that Hatonn went with him when he moved to Nevada—then Montana—then Idaho, etc. Well, then I am curious why he continues to quote from the Church of Scientology, The Prophet Group in Montana, and DUGGAH, whoever in tarnation that might be? Their business thrust is toward total “conspiracy” topics and other usurped works of authors on topics for which we are brought to the court and prison is demanded. Green provides and distributes the works of Walter Russell as his own inventory. By the way, he never stopped selling any of the *Journals* ordered secured by the Nevada court which he had in holding, or the titles banned for distribution by the Federal Court in Fresno, California.

Doris has none of her works, my writings, OR WALTER RUSSELL'S, as relates to anything of which she is accused of using. Again, is there something WRONG with this picture? Oh well, the strings get shorter and shorter in the uncovering of TRUTH in these instances for, after all, is not a decade of ongoing litigation quite enough already? WHO, by the way, do you suppose is paying the lawyers of these adversarial teams at suit? The bottom has been established HERE so we will simply have to go it on our own which does require that the Judges be a bit patient while we learn to follow the rules correctly so that we do not take up the court's busy time schedules. If the Judge will appoint legal counsel, as Ekkers have asked, it will be much the more appropriate in the modern courts because the rules are too many and too difficult to follow by you-the-people in pro per (which means a lawyer representing himself). A "person" as in "proper person" indicates a corporation or like entity. A Citizen in Party defines a citizen representing self. My, my, aren't the "catches" abundant? It is like playing a game while the opponent has secret rules which only HE HOLDS AND KNOWS. AND THAT, READERS, IS THE PURPOSE OF A TICKET, OR CARD, WHICH ALLOWS YOU TO BELONG TO THE "BAR" CLUB. It has everything to do with THE CLUB and nothing to do with law or justice. The American Bar Association is a PRIVATE CORPORATION and has nothing to do with accreditation by anything other than that Bar Association. Do you realize that even the word "Association", as used in American Bar "Association", is simply another word used by incorporation regulations as in "company", Ltd., Corporation, Inc., etc? It is absolutely NO DIFFERENT than, for instance, Santa Barbara Savings and Loan Association—indicating a private corporation.

There is an abundance of information left to LEARN, students—a great abundance.

Good morning.

## CHAPTER 2

REC #2 HATONN

SAT., MAR. 15, 1997 7:55 A.M. YR.10, DAY 211

SAT., MAR. 15, 1997

### WE'RE OFF TO SEE THE WIZARD...

I see that there is a new hype going on and that is of O.J. Simpson entering an “Appeal” “...for reversal of damages, reduction of damages and a new trial”. I absolutely AGREE with Mr. Miller’s statement that an Appeal is only going to cost a bundle more and only the attorneys will “clean up”.

So many of O.J.’s simple Constitutional RIGHTS have been violated from the day of the so-called Simpson Murders to this date as to overwhelm the mind. You have to have someone who can sort through the trash heap and come out with the real focus—that of damages to Mr. Simpson. In just reading through *Black’s Law Dictionary* on “Damages”, it appears that in only one section alone O.J. can recapture the 33.5 million \$\$\$ and pick up TREBLE DAMAGES. My, my, in only one claim he can get over \$100 million. BUT HE HAS TO COME BACK TO **COMMON LAW**, GET RID OF THE ADMIRALTY COURT FLAGS, AND DEMAND COMMON LAW HEARING AND TRIAL. ALSO, HE HAS TO GET RID OF THOSE ATTORNEYS WHO KEEP FEASTING OFF HIS CARCASS.

CAN HE DO THIS? YES INDEED! HE MAY WELL BE THE ONLY ONE WHO CAN MAKE SUCH A HUGE DEMAND AND PULL IT OFF. He has the public attention necessary to make a big enough splash in the King’s pools as to bring massive change within the system. There isn’t enough “money” in the world to fully compensate O.J. Simpson just for the KNOWN wrongs to his Constitutional Rights and absolute damages directly intended to destroy him and bring on RACE WAR.

Then, the Ekkers can march right along behind in Kern County and recover for EVERY MISDEED of the courts and the lawyers involved, including, as well, the Conspiracy parties who tagged along on a case that had NOTHING to do whatsoever with them.

So? Do you want your nation back or not? The decisions are strictly up to you. There is nothing which can and shall unite the races like simply coming to realize that you are all in the Judicial Hoax together! It doesn’t require WAR; it requires common sense attached to COMMON LAW. And how do you do it? YOU GET THOSE ADMIRALTY/MILITARY FLAGS OF THE FOREIGN NATIONS OUT OF YOUR COURTS! THEN YOU DEMAND, NICELY, COMMON LAW HEARINGS AND TRIALS—WITH PERFECT PAPERWORK. SIMPLE? YES, EXTREMELY SIMPLE.

Further, you REALLY have to watch out for the tricks and traps which will getcha. One major trick is that in taking the “fringe” to the flag of the united States and, as well, the individual State’s flag, you will also find many CHANGES made to the State flag as well. In California, for instance, a RED COMMUNIST STAR is added to the “Bear Flag” which, as with the fringe, renders the flag utilized in the court—an alien flag of NO known country. Just as the Congress sits under TWO FACII HOVERING LIKE TWO

BEHEADING AXES OVER THE HEADS OF THE NATION, SO TOO DO YOU-THE-PEOPLE HAVE TO CLEAR OUT THE DEBRIS AND LITERALLY INTENTIONAL TRAPS OF THE ELITE GIVING THEM ABILITY TO CONTROL EVERYTHING.

BUT YOU HAVE TO DO IT *RIGHT*.

### BLACK PERSPECTIVES

I am going to use material from *THE FINAL CALL*, Vol. 16, Number 17, February 18, 1997. 734 West 79th St., Chicago, IL 60620-2424.

[QUOTING:]

#### O.J. CASE, MILLION DOLLAR JUDGMENTS EXPOSE RACIAL SCHISM IN THE U.S.

By Richard Muhammad, Managing Editor.

As whites generally declared “justice” with news of the civil trial decisions that O.J. Simpson was liable for the deaths of Nicole Brown Simpson and Ron Goldman, Blacks largely saw the verdict as more proof that white America must always win and punish, not give justice.

The Santa Monica, Calif., jury said Mr. Simpson had to pay the Goldman family \$8.5 million in compensatory damages in the case.

[H: *Compensatory damages*: Compensatory damages are such as will compensate the injured party for the injury sustained, and nothing more; such as will simply make good or replace the loss caused by the wrong or injury. Damages awarded to a person as compensation, indemnity, or restitution for harm sustained by him. The rationale behind compensatory damages is to restore the injured party to the position he or she was in prior to the injury. *Black’s Law Dictionary*, Sixth Edition.

**There is continued argument about “double jeopardy” in this case and right here is proof of twice trying this man for crimes to which he was found “not guilty”. If he was “not guilty” then he COULD NOT HAVE DAMAGED ANYONE THROUGH THE DEATHS OF THOSE TWO VICTIMS. To try and twist this any other way is not feasible in any way whatsoever. If the man was not guilty—he damaged no one but everyone involved since has DAMAGED, TERRIBLY, MR. O.J. SIMPSON.**

**Ah, but it gets WORSE, doesn’t it? This “not guilty” (as found by a jury) man was also dumped on with \$25 million in punitive damages.**

*Punitive Damages*: Also called “**Exemplary**” damages. Exemplary damages are damages on an increased scale, awarded to the plaintiff over and above what will barely compensate him for his property loss, where the wrong done to him was aggravated by circumstances of violence, oppression, malice, fraud, or wanton and wicked conduct on the part of the defendant, and are intended to solace the plaintiff for mental anguish, laceration of his feelings, shame, degradation, or other aggravations of the original

wrong, or else to punish the defendant for his evil behavior or to make an example of him, for which reason they are also called “punitive” or “punitory” damages or “vindictive” damages. Unlike compensatory or actual damages, punitive or exemplary damages are based upon an entirely different public policy consideration—that of punishing the defendant or of setting an example for similar wrongdoers, as above noted. In cases in which it is proved that a defendant has acted willfully, maliciously, or fraudulently, a plaintiff may be awarded exemplary damages in addition to compensatory or actual damages. Damages other than compensatory damages which may be awarded against a person to punish him for outrageous conduct. *Wetherbee v. United Ins. Co. of America*, 18 C.A. 3d 266, 95 Cal. Retr. 678, 580. Such are given as an enhancement of compensatory damages because of wanton, reckless, malicious or oppressive character of acts complained of. *Black’s Law Dictionary*, Sixth Edition.

**So again, you have a “not guilty” man having to PAY damages for that which HE COULD NOT HAVE DONE IN ACTION. IF THIS IS NOT DOUBLE JEOPARDY, THEN I CANNOT IMAGINE WHAT MIGHT BE DOUBLE JEOPARDY. If O.J. HAD BEEN FOUND “GUILTY”, THEN, AND ONLY THEN, COULD THERE BE “DAMAGES” OF ANY KIND.**

**In real-time Common Law this would not even be a consideration as is outrageously mandated by the judicial system on anyone.]**

“This was a private high-tech LYNCHING of this Black man. They took the brother to the shed, tarred him and feathered him, and lynched him. That was a shed, it was not a court of justice,” said Mary Cox, a Simpson friend and attorney from Washington, D.C.

Ms. Cox, who met Mr. Simpson last year and sat with him in the court room last month, believes the trial was part of an assault **on Black men and highlights America’s unfair legal system.**

“Basically race and race-based issues constitute the issue of highest concern and interest in this society,” said Dr. Naim Akbar, a psychologist and instructor at Florida State University, in Tallahassee, Fla., noting that Simpson trial coverage overshadowed the President’s State of the Union address.

“What the O.J. case did is serve as kind of a homing point, or a magnetic force that was clearly able to delineate what the true issues, concerns and priorities are in this country,” said Dr. Akbar, who has written books and lectures about race and racism in society.

The first verdict raised doubt about the system’s ability to protect whites, and the second verdict was vindication; it proved the system was intact and could yield the desired outcomes, he said.

Another troubling fact of the Simpson saga for whites, especially in the first trial, was Johnnie Cochran’s defense of the former football star, said Dr. Akbar. Mr. Cochran was a Black man trained ***in a white system with the ability to fight the system and win***, he said.

But Simpson jurors denied race played a factor in their decisions. “Anyone who comments on something like that, without knowing what we went through... are being an essential racist themselves, saying this is a white verdict, when what they’re doing is basing their decision on the color of our skin,” said one juror,

at a Jan. 10 press conference.

Conservative Blacks, like Robert Woodson, who is based in Washington, D.C., largely argued that race was not the major issue in the case, **until media coverage played up the Black-white differences.**

“Race was always a part of the whole configuration and the point of it is, it’s the nature of how race is always a part of situations in this society. That is that even when it is not acknowledged or expressed, or called that, race is an underlying dimension whenever there is a Black-white relationship. Period.” countered Dr. Akbar.

An *ABC News* poll conducted after the first civil trial verdict found 74 percent of whites agreed with it and 66 percent of Blacks disagreed.

The poll also found that 70 percent of Blacks thought the Jury’s mostly white composition was a major reason Mr. Simpson was found liable. Forty-four percent of whites thought the same, according to the poll.

Though the Simpson civil verdicts were from a different court, with a different burden of proof, Mr. Simpson was, in effect, tried for the same crime, said Atty. Abdul Arif Muhammad, general counsel for the Nation of Islam.

Legal niceties aside, the case was largely the same evidence, same witnesses, he said.

A basic question in civil cases is that of negligence or wrongful death, actions that lead to the injury or demise of someone, he noted. The criminal trial decided that, Atty. Muhammad argued.

“I am baffled as a lawyer because I don’t know what conduct is being asserted that Mr. Simpson engaged in that produced the death of Mr. Goldman and Miss Nicole Brown Simpson. Here is a murder, so in this particular case, what were the actions that they are claiming that... caused the deaths?”

Civil cases after any criminal trial are not that common, largely because those who commit everyday acts of theft or violence don’t have much to sue for, he explained. So money was obviously an important element in this case, the attorney added.

The trial again exposed the Black-white divide, to the point that some Simpson defense lawyers basically sided with or congratulated Brown family attorneys on their victory, noted Atty. Muhammad.

“There are many whites who know what’s true. But many of them are afraid to speak it because of the pressure from their own community,” he said.

Also at play was the white notion that Mr. Simpson was so obsessed with his wife that he felt he had to kill her if deprived of her; but whites could not conceive that Mr. Simpson loved her so much that he would NOT kill her, Atty. Muhammad said.

“The slave and the slave master do not see the same thing. And the slavemaster’s children do not see what the children of the slaves see,” he said. “What does justice look like, and that’s really what the core of the O.J. Simpson case is all about.”

Blacks suffer under court rulings and respect the system but whites do not respect judgments counter to their desires, said Atty. Muhammad. “What we are really witnessing is the open hatred of whites against Blacks and it’s being made manifest,” he said.

“He is not going to have to confront the cold, hard reality of the hidden hatred that exists for someone like himself because he is a Black man.”

Attorney R. Eugene Pincham, a former Illinois Appellate Court judge in Chicago, feels critical facts were denied to the civil jury because former L.A. Police Det. Mark Fuhrman did not testify.

Under oath in the criminal trial, when Mr. Fuhrman was asked whether [or not] he framed Mr. Simpson, the detective invoked the *5th Amendment*, saying he would not answer the question because he did not want to incriminate himself, said Judge Pincham.

“That’s the first time I’ve ever heard of that in the history of criminal prosecutions in America. I’ve never known a state’s witness, upon whose testimony the state is relying to convict the defendant, to take the *5th Amendment* on the question of whether or not he planted evidence or whether or not he framed the defendant,” said Judge Pincham.

If a civil suit had been filed against Mr. Fuhrman and the LAPD at the same time Mr. Simpson was fighting in civil court, it would have helped highlight this point, said Judge Pincham.

“To suggest that Fuhrman is not on trial is ludicrous. He is the one who arrived at the scene, who supposedly protected the scene, who saw the scene of the homicide as well as the Simpson residence upon which the prosecution relied, as well as the Browns relied in the civil trial.

“The public has been diverted from one of the crucial issues in this case, and that is the integrity of law enforcement officers. Not only in my judgment did it happen in this case, Fuhrman indicated clearly that it did when he took the *5th Amendment*.”

**[H: Ah, but don’t you think that probably now that the police investigators have denied fair representation of Mr. Fuhrman that Fuhrman is going to enjoy testifying AGAINST THE DEPARTMENT and judicial system—at the Common Law court proceedings FOR O.J. Simpson?]**

“In the white majority’s mind it will never be over because it combines their two worst nightmares: one is sex and one is money,” said Alexis Moore, a member of the *Philadelphia Tribune* editorial Board.

“You are talking about a rich Black man buying his way out of a murder. You are talking about a rich Black man who slept with a blonde 17-year-old. That’s at the core of their obsession with this thing. I don’t think it’s ever going to end because whites won’t admit that sex and money are intertwined in their

denial that they are racist; they just won't admit it," she said.

A more important lesson? Blacks "don't expect anything from government, much less justice. So that when a rich Black man does what a rich white man has done for years—that is buy his way out of a verdict by having his high-priced team of lawyers and then turns around and has to pay for it anyway—all it does is reinforce the impression in our community that you cannot depend on this government. And that is going to wind up costing this country a hell of a lot more than O.J.," she predicted.

"White America seems to be looking for some grand metaphor that summarizes and encapsulates the racial tragedy in this country," observed Salim Muwakkil, senior editor of *In These Times* magazine and a contributing *Chicago Sun Times* columnist.

"And it seems again like they've invested in this trial, just like they invested in the potential candidacy of Colin Powell [**H: Remember that THIS is now SIR COLIN POWELL, having been knighted by the Queen of England, which makes Col. Powell a subject of the English Crown and a patriot of England.**] with this ability to mask the differences, the racial differences that we suffer. And it seems like now they're saying: 'Oh now the trial is over, racial healing can begin.' That's some of what I'm sensing in the trial," he said.

Simpson trial reporting was sensational, said the writer. But the case gripped the country and embodied a range of cultural issues, such as dealing with race, sex and power, as America tries to speed toward color-blindness without dealing with a racist past, he said.

"I think both juries made the proper decision, given the standards of proof under which they labored and the different kinds of evidence placed before them. These things—not the differences in the racial makeup of the juries—account for verdicts that are diametrically opposite," argued writer Carl Rowan [*a Black*], in his Feb. 7 syndicated column.

The columnist contended that Mr. Simpson's testimony left reason for doubt and was contradictory, leading to the judgment against him.

But Mary Cox sees the civil trial as an extension of the criminal trial with the states' unlimited resources used to help the Brown family.

In the criminal trial, Mr. Simpson did not buy justice but was able to go toe-to-toe with a corrupt legal system, said Ms. Cox. No one should have to spend millions to defend themselves, argued the attorney.

In her 17 years of practice, Ms. Cox said her clients have never been able to afford an investigator, let alone the other help they needed. So in the O.J. case, a man had the ability to hire and pay for what all defendants should have, she said.

The help given Brown-Goldman lawyers—FBI testimony, police testimony, DA's office assistance—no doubt for free, is never given in day-to-day cases, she said.

Simpson supporters contend the media collaborated by broadcasting information leaked by the state

that contaminated the minds of potential jurors. They say the judge also denied defense motions and gave the plaintiffs a roadmap for how to pursue the case, avoiding mistakes made in the first trial.

Mr. Simpson also should have had a Black lawyer in the courtroom to remind the jurors, judge and the media that there was a “conscience” at the trial, Ms. Cox said. Without that, the jurors became comfortable with the judge, plaintiffs’ lawyers and media, she said.

It was also unfair for Mr. Simpson to have to fight for his children and his civil trial at the same time, Ms. Cox said. But even Shirley Baker, Mr. Simpson’s sister, admitted they didn’t expect to win the civil case, she conceded.

“This is a case that exposed the unjust judicial and justice system in this country,” said Ms. Cox. “He’s a man who had celebrity status that commanded the world’s attention; why not expose this unjust justice system, that no man or woman, Black or white, poor or working class, or wealthy can afford? But the people that are penalized by it are African people, people that look like me and you.

“I need a level playing ground to represent my little clients and that’s all I ever asked for. But you know what, it ain’t coming,” she said.

[END OF QUOTING]

Of course “it ain’t coming”, readers. It is not SUPPOSED to come. Until you wake up and smell the burned citizen parties in this atrocious farce, you don’t have a chance at freedom, never mind the equality.

And what does it take to turn over this nightmare oppression? Somebody like O.J. Simpson willing to stop spending money on worthless attorneys and turn to defending himself according to COMMON LAW. He is an attention-getter and that is what you must have to bring justice back within the corrupted and puppet-master’s courts.

Then you need to follow on with “generally accepted” cases which are just as fixed but only deal with property and reputation, i.e., the Ekkers and ones of similar unreasonable non-justice at the hands of conspiratorial judges and lawyers, not to even mention the parties in opposition.

UNDER THE LAW, HE CAN’T BE TRIED AGAIN FOR THE MURDERS—SO HE CAN REALLY GO FOR THE JUGULAR OF EVERY INVOLVED PARTY AND PERSON. THEY WILL BE SO BUSY HIDING AND DEFENDING THEMSELVES THAT EVEN THE THREAT TO HIS FAMILY WILL GO BEGGING ON THE PART OF THE OFFENDERS. THE WORLD WOULD BE WATCHING AND YOU CAN NOW GO FORTH AND CHANGE THE COURSE OF THE WORLD AND HISTORY. IT WILL BE FAR MORE SIMPLE THAN YOU ANTICIPATE AT THIS MINUTE. KNOCK OUT OR OVER JUST ONE “BIGGIE” AND THE REST WILL TOPPLE LIKE THE PROVERBIAL DOMINOES. THE LAWYERS, IN ADDITION, WILL BE BAILING OUT OF THAT BAR ASSOCIATION LIKE RATS FROM A SINKING SHIP. BUT WHO WANTS THEM? SURELY NOT HONEST AMERICAN OR WORLD CITIZENS! O.J. CAN DO HIS OWN AT A BASIC STARTING COST OF WHATEVER FILING FEES MIGHT BE FOR THE FIRST CASE FILING. HE CAN KNOCK OUT THE WHOLE BUNCH IN ONE FELL-SWOOP FOR LESS THAN \$200.

And that is 200 dollars, not 200 million dollars.

And just who do I think I am? Ah, yes, me—well, I am sent by GOD to bring unto you some sense in information and in common sense under the Laws of God. But as I have said before: **YOU HAVE TO DO IT.** I am not some lanky, stringy alien or E.T. as you want to call anything you don't know about or which might be invisible to your human physical eyes—but I am that which is sent when you call upon GOD with sincere pleading for assistance and to be shown the way. So be it and Selah. Remember, little ones—**GOD WINS! YOU, HOWEVER, WIN ONLY WHEN YOU TAKE UP THE RIGHT PATHWAY AND GO IN TRUTH FOR SELVES, AND THEN YOU CAN GO FORTH IN THE NAME OF GOD AND YE SHALL BE GIVEN TO PREVAIL.**

Good morning and I salute you whose eyes of the mind are opening upon the possibilities God has presented for your use. Be brave and daring in **YOUR KNOWING** for therein lies the winning of the **PRIZE** and the gaining of the **GRACE** sought by **MANKIND.**

## CHAPTER 3

REC #1 HATONN

MON., MAR. 17, 1997 8:02 A.M. YR.10, DAY 213

MON., MAR. 17, 1997

O.J. SIMPSON

*Did you REALLY think you were through with O.J.?*

Tired of this subject? Shame on you. This one case points out the deliberate and intentional taking over of a nation and placing it into a controlled environment of slavery (of every color and race) more than anything so far come into your hands as a tool for FREEDOM.

Can O.J. handle the burden of more and more and more confrontation and strife? Oh yes indeed, for we offer the ONLY WAY POSSIBLE TO CLEAR HIS GOOD NAME, PROTECT HIS FAMILY, AND CHANGE A NATION, AND THEN A WORLD, BACK INTO SOME SEMBLANCE OF JUSTICE IN THE "JUDICIAL JUSTICE SYSTEM". OH INDEED, HE CAN TAKE THAT BALL AND REALLY "RUN" WITH IT. PERHAPS WE WILL EVEN MEND THE KNEES WHILE WE'RE AT IT AND WON'T THAT BE A SURPRISE TO THE BLACK-ROBED WOLVES?

So, let's get with it and see what the Black community, in its scarce press thinks about the O.J. Simpson fiasco of White Supremacy and Khazarian Mafia take-over of innocent lives in the name of GREED.

From *FINAL CALL*, Vol. 16, Number 17, Feb. 18, 1997, "Editorial":

[QUOTING:]

### AMERICA'S GREAT DIVIDE

Who would have thought the name O.J. Simpson would ever be synonymous with **the racial divide in America?**

The football great was once among the country's favorite sons, honored for his on-field accomplishment, applauded for his on-scene pro-football analysis, loved for running through airports in commercials and appearing in movies full of laughs and jokes.

Today O.J. is a metaphor for the greatest divide in America and the different experiences, viewpoints, reality and worlds in which blacks and whites exist.

The criminal trial jury found Mr. Simpson not guilty of murder. The civil trial jury found Mr. Simpson liable for the deaths of Ron Goldman and Nicole Brown Simpson. They awarded the Goldman family

\$8.3 million in compensation and the Goldman and Brown families \$25 million in punitive damages.

The criminal trial jury was predominantly Black and the civil trial was predominantly white, with no Black jurors.

Two different trials, two different groups of people and two different verdicts. But should anything else have been expected?

America remains largely segregated in housing; politicians scapegoat Black males on crime issues and Black women are scapegoated on welfare and social issues.

Whether hailing a cab, fighting for a promotion or suffering because of plots of executives in corporate boardrooms, Blacks feel the sting of racism every day.

It is painful to be Black in white America, while whites, though troubled about the country, believe that the U.S. is the finest nation on Earth. **[H: It is painful to be white, Brothers, in America as well. The Black brothers must stop the insanity of blaming “whites” to the same extent that all of anyone must stop blaming others. There are bad blacks, bad whites, bad native Americans and bad anything—just like there are bad Eagles and good Eagles. THIS is THE insanity which must STOP. Neither or none of the races can do this ALONE—YOU MUST JOIN FORCES AND WALK THIS ROAD TOGETHER IN TRUTH AND LIGHT—AND WITH A HELL OF A LOT OF PUBLICITY.]**

To whites, America is the bastion of liberty, the guardian of freedom and the hope and example for the world to follow.

The difference in the way Blacks and whites see the world is very simple: It is the difference between the world of the slave and the world of the slavemaster.

**[H: Right here the Editor-author points out exactly what I mean in the messages above. No, middle-White America has footed the bill for all the progress of the Nation whether the blacks, orange, purple or green people want to note it—right along with the blood, sweat and tears of the same of all races. The blacks are no more discriminated against in the system than the poor whites who are allowed to own nothing, are taken from, can’t hold property and still have to, like the blacks, but without equal opportunity laws in their behalf, somehow figure how to feed babies and try to hold together their families. The Blacks must meet our people of White origins as brethren as well, lest the reverse bigotry rot the whole of mankind. This is NOT about black or white—this is about the freedom and survival of MANKIND. What gives me clues to the attitudes of the writers? The fact that Black is capitalized in upper case and “white” is not. This is as visible a “put-down” as anything that can be done. Are we on this planet together or are we just warriors in separate “colors of the hood” around this globe? Isn’t it time to unite and take back your world?]**

The two can never see the world the same; one is in control of society and the other barely is recognized by the same society.

The Simpson trial didn't cause the racial divide but it did prove once again that the problem of the 21st Century is the problem of the color line.

Good words, photo-ops, apologies, hidden thoughts and secret feelings will not bridge the great divide.

Any bridge would have to be constructed on the basis of truth, yet Blacks and whites cannot agree on the truth. Even the lone Black alternate juror who did not deliberate the verdict disagreed tooth and nail with the other white jurors during a televised press conference.

Where is the country headed; where should the nation turn to deal with this dilemma?

The Honorable Elijah Muhammad, patriarch of the nation of Islam, warned that if we could not get along in peace, it would be better to separate.

Where is the country headed, where should the nation turn to deal with this dilemma?

The Honorable Minister Farrakhan has said that separation is the ultimate solution if justice cannot be obtained within the American system. **[H: But this does not move you any closer to EQUALITY UNDER GOD, does it?]**

America may not like to hear talk of separation but the reality in the nation is already "separate". The only thing that needs to be discussed are the terms of the failed relationship.

**[H: We must get rid of this very idea of separation because the whites think the Blacks have chosen separation and with the established media pushing that concept—what else is the average citizen to believe? There are radicals in every race, every color tribe, and in every creed. Separation is NEVER the answer. "Like-kind" is NOT the same thing as in "separation of one human from another human" and YOU WOULD-BE LEADERS MUST HAVE EQUAL RESPONSIBILITY IN TEARING DOWN THOSE NOW ACCEPTED BARRIERS AND RACIAL STUMBLING BLOCKS. You have cried out to GOD ATON, THE ONE LIGHT, for solutions and "show us the way" and so, therefore, SEE THE ANSWER TO YOUR CALL WITHOUT FURTHER BLINDNESS AND REFUSAL TO SEE THAT WHICH MAY COME IN A DIFFERENT FORM FROM THAT EXPECTED BY ANY GIVEN GROUP OR INDIVIDUAL.**

**How? Well, we have the "way" and we can share the "conduit" for funding, for reaching out across the oceans unto our brothers and each of us can put into the picture the puzzle pieces dealt us—and TOGETHER, putting the pieces into equal sharing, we can move the mountains and revolve the world. We have the "contract" and some of the Blacks and others across the oceans have the mode of backing necessary—and together we can have unequalled funding for supporting a change into truth and validation of Common Law and Common Sense in Equality. But you see something? GOD demands that you do it RIGHTEOUSLY lest you only exchange one terrible tyrant for that of another who would, for greed, further sell out his nation and his people.]**

[END OF QUOTING]

Next I would like to share a couple of other views from that same newspaper. Ref: “THE O.J. VERDICT”, page 8:

[QUOTING:]

### WHITES PLAY THE REAL RACE CARD

by Harry X. Davidson, Ph.D

One must ask the question: Why has the O.J. Simpson case had such a profound emotional impact on white America? “Simpson Is Found Liable”, headlined newspapers all across America while the president’s “State of the Union” speech barely managed to warrant space on the front page. The verdict even prompted President Clinton to call on America to respect the verdict and move on. The reaction to the verdicts in the O.J. Simpson cases demonstrates the intensity of America’s race problem.

The case makes mockery of the judicial system, while serving to remind Black people that very little has changed since the days of mob lynching and kangaroo courts. Historically, the lynching of Blacks has served to reaffirm the fragile identity of many whites. Whether guilty or not, it is apparent that the national obsession for vengeance against Mr. Simpson is stronger than the need to maintain respect for our legal system. Why? Because the case has more far-reaching implications. It is an indictment of Black people in general and Black men in particular.

Let me suggest that at a time when both Blacks and Whites are falling victim to massive corporate down-sizing, governmental cuts and privatization, America needs an O.J. Simpson case—a scapegoat, a diversion from the troubles that confront the nation. Both the white masses and the Black masses have been rendered powerless and are exploited. Among other things, racism and the notion of white supremacy serve to divide the masses of Black and white people.

The O.J. Simpson cases demonstrate how the mental state of racism and white supremacy serves to impair the ability to reason in its otherwise intelligent victims. (One does not have to be white to suffer from this disorder.)

The loss of the ability to reason is a major criteria in determining a mental disorder. Once the ability to reason is impaired the emotions are allowed to dominate and control behavior. These same emotions can be manipulated to the benefit of others.

Too many Americans know more about the affairs of O.J. Simpson and Nicole Brown Simpson than we know about the affairs of state. Locked into a state of denial and presented with the options of focusing on “The State of the Union Address” or the Simpson verdict, most preoccupied Americans were more concerned with Simpson’s punitive financial state than the deteriorated state of the union.

True, psychology endeavors to understand the conscious and subconscious forces that instill and motivate behavior. Yet, little research has been granted to the study of white racism and those whites who are afflicted by the disorder of white supremacy. White supremacy has programmed too many white

people to feel privileged. Despite their condition and status, most whites are convinced that they are better than Blacks and people of color.

Labor unions and political parties were formed to protect white workers against capitalistic exploitation. These same labor unions used racism to gain privileges for their white members. Once-powerful labor unions now have been made impotent. Political parties that once represented the interest of the working-class are now controlled by “big money interests”. Many whites have become collectively confused and powerless to change their plight.

White people are rightfully angry and resentful. However, they are void of a national leadership that would allow them to understand the true source of their anger and the proper course of action to pursue. Their inability to collectively reason results in an emotionally-driven displacement of their frustration, anger and rage. The Goldmans and the Browns have become social and psychological symbols of white working-class America. **[H: Believe me, the Simpson babies in point of controversy are simply “token blacks” for the Elite to cover their overt lies. By the way, Blacks of America: The intentional destruction of the educational system and dumbing down of the citizens of all races in the U.S., and actually around the world, has made for an equal playing field in total lack of educational prowess and intelligence references. One more generation and the game is lost because the humans in these controlled environments of intentional “dumbing down” will have ceased to reason in their enforced state of ignorance and stupidity.]**

Ironically, the Blacks and people of color who whites were told they were superior to, are depicted in the media as multi-millionaire gladiators and entertainers. We fail to realize that these gladiators and entertainers serve to reduce stress on the society by diverting the attention of both the white and Black masses. Intoxicated by alcohol and high on drugs, the American working-class voyeuristically blows off steam and reduces stress by, for example, watching the Packers and the Patriots, figuratively and literally, destroy each other.

Confusion is created in a white psyche that must somehow balance a love/hate conflict created when they love and admire Blacks whom they were previously programmed to despise and to see as inferior. When aggravated, their distorted perception is that black people are “getting over on them”. This delusional perception took on a reality base when O.J. Simpson employed a legal “dream team” headed by another Black man, Johnnie Cochran, to orchestrate a mostly Black jury, a true jury of Mr. Simpson’s peers.

The fragile white false ego perceived that justice had not been served, that “O.J. got over on them”. The broader underlying subconscious association is that not only has O.J. Simpson gotten over but Black people who have been promoted have gotten free educational rides that have landed them multi-millions of dollars. They resent the fact that all of this appears to be happening for Blacks, those who are perceived as inferior, and nothing for working class whites. The O.J. Simpson case symbolizes Blacks who have betrayed the state of inferiority and submission that white society has assigned to them.

A strategy was employed, the real race card played. The fragile white ego was restored to its original delusional state of superiority. The masses of whites can now vicariously rejoice in the millions of dollars awarded to the Browns and Goldmans. Perhaps they have been appeased, at least for now.

*(Harry X. Davidson is a clinical psychologist based in Kansas City, MO.)*

[END OF QUOTING]

And another, also from page 8:

[QUOTING:]

### RACE AND THE O.J. SIMPSON DRAMA

by David G. Du Bois

Despite the unanimous decision of the jury in the criminal trial, and, for many white Americans because of it, there continues to be debate throughout America, among Blacks and whites, over whether or not O.J. Simpson committed the murders. But what should really concern Americans, and particularly Black Americans, is the racist and sexist viciousness in reaction to the criminal trial “not guilty” verdict, openly expressed in press, TV and radio commentary at the time, and continuing up to this writing, condemning the predominantly Black and female jury of 12 (including three non-blacks and two men). That commentary reflected what most white Americans felt and feel but only express among themselves: the jury’s intellectual inability to deal with the scientific evidence provided by the prosecution, together with its assumed pro-black, anti-white bias and “feminine emotionalism”.

However, few commentators, white or Black, want to deal with the extent of white male fear of Black male retaliation for the rape and ravaging with impunity of Black women by white men since the days of slavery, a hidden truth lurking in the background of the O.J. Simpson drama. On the national, white, underground information network the story goes: “If, before the whole world, Black O.J. Simpson can marry a white woman, ravage that white woman and then toss that white woman aside for other white women, and get away with it, every Black male in America will consider that road of retaliation, and many will take it.”

This explains America’s obsession with the continuing O.J. Simpson drama. This is the motivation behind the civil case in which the families of the murdered victims, and their supporters, thwarted in their attempt to have O.J. Simpson convicted in the criminal trial, and having lost their bid to have his children taken away from him, intend to ruin him financially. At the same time they want to discourage other Blacks from following in O.J.’s footsteps.

The unspoken and in America the unspeakable truth about the O.J. Simpson drama is the white male guilt it engenders for the wholesale violation of Black women by white men during the days of slavery and throughout much of America to this day. To know just how “wholesale” count the number of “cafe-au-lait” African-Americans you know or have seen on television or in films, beginning with O.J. Simpson and his family. Nearly a century ago, in 1906, sociologist, historian, activist W.E.B. Du Bois wrote that of the nearly 10 million Blacks as recorded by the U.S. Census Bureau, he believed through study and wide observation that nearly one-third had “recognizable traces of white blood”.

The number of indigenous U.S. families with interracial, i.e., Black/white, sexual intimacies and issue-

producing histories, has never been ascertained. But, its prevalence is undeniable, particularly throughout the Southern states, but as well nation wide. In colonial times before the creation of the nation, white indentured servants and Black slaves and free Black persons often married and created families, until the practice was outlawed allegedly because of the difficulty of determining the legal rights of the off-spring.

With the creation of the nation, under slavery and beyond, the overwhelming number of cases of such relationships were between white males by coercion and threat and Black women in no position to resist. Many such relationships were without overt coercion or threat but were consensual only in the sense that there was no overt resistance by the Black woman. In some sections of the South, notably in Louisiana, well-to-do white males openly kept Black and mulatto (mixed Black and white) mistresses, and in some cases two distinct families—one white, one mulatto. Then, there were those relationships between marauding, reckless, devil-may-care white males and “loose” Black women or Black and mulatto prostitutes. The majority of today’s African-Americans are the progeny of these several different kinds of interracial, intimate relationships.

The much smaller number of relationships between Black men and white women were most often solicited surreptitiously by white women, fearful lest their white men learn of the liaison. This practice, not uncommon throughout the nation, in the South was the justification for a wave of lynch mob murders of Black males, most often falsely accused of rape of white women, that swept the nation from the 1890s through the 1930s. With the threat of a rape charge being made by a rejected white woman hanging over his head the Black male often reluctantly submitted to the solicitation. The issue of such liaisons almost always resulted in tragic consequences for both the mother and child. The true tragedies, however, were those interracial relationships that dared not reveal a mutual respect and move to a condemning society ruled by racism, of which there must have been many over the nearly 400 years of this country’s existence.

It is the image of the Black male with the white female that calls up these memories among white males today; memories of the freedom their fathers and their fathers’ fathers had with Black women from the time the first 20 Africans were landed at Virginia from a Dutch warship in 1619. But today those memories are accompanied by the image of the big, bad, angry, threatening, Black male, typified at its most menacing in the black garbed, gun-toting Black Panther Party member of the 1960s, that the media, television and Hollywood films consistently portray. The objective is to associate street crime in America exclusively with Black and brown (Latino) males. That image terrifies white males as retaliation for their illicit behavior with Black women.

O.J. Simpson’s mistake was the flair with which he lived his life with Nicole Brown in Southern California. This, together with his natural good looks, his wealth and his popularity, made it appear to many white males of undistinguished achievement that he was flaunting his ravaged white conquest in their collective face as a kind of retaliation. In Los Angeles this media-hyped behavior surely engendered murderous rage within a law enforcement community whose hatred for Black and brown Americans is demonstrated daily in South Central Los Angeles and has been revealed to the world by the video-taped police beating of Black motorist Rodney King and the taped racist and sexist venom of the prosecution’s chief witness in the Simpson trial, former Los Angeles policeman Mark Fuhrman.

The O.J. Simpson drama forces Americans, Black and white, to confront their far more numerous and complex “secrets and lies” about race and sex than the brilliantly realized characters of the fine British film

of that title on the same subject could ever imagine. This explains its continuing fascination for the nation.

[END OF QUOTING]

I want to offer one last article from this same newspaper, please. It is about GOVERNMENT and it is probably the most IMPORTANT thing you will read this day, or any day.

[QUOTING:]

MESSENGER OF THE MESSIANIC MILLENNIUM

by Rev. James Luther Bevel (Page 31)

THE GOVERNMENT OF PEACE  
MUST BE ESTABLISHED

Government can be defined as collective, correct, sociological thinking and work. From this definition it is easy to see how incorrect assumptions and false conclusions are counterproductive and criminal. From this perspective, the necessity for purity and right motive can also be clearly seen.

When government is in fact “collective, correct, sociological thinking and work”, each premise that is advanced must be a correct perception or reality that can be proven to be true. It is the “correct perception” that has to be proven to be true that is acted upon by the collective body.

No person or any people can find protection for their lives, liberty, or their intellectual, scientific, industrial, institutional development without instituting government among themselves.

Let us look again at the definition of government: “collective, correct, sociological thinking and work”.

Often, the inferior slave assumes that the acquisition of cash or consumer items is an improvement of self. The acquisition of cash and consumer items is not self-improvement nor does it denote the improvement of a group.

The acquisition of knowledge that brings freedom, peace, goods and services when it is justly and equitably applied is true self- and group-improvement.

However, the innate, divine quality inherent in every person seeks truth. It is this reality that causes all systems of tyranny to be short-lived. Inherent in men (male and female) is the longing for and striving for freedom, truth and excellence. It is this longing and striving that gives birth to new governments.

It was this longing and striving for freedom, truth and excellence in the Honorable Elijah Muhammad that gave birth to the Nation of Islam.

This same longing and striving for freedom, truth and excellence in Dr. Martin Luther King Jr., gave birth to the intense active civil and human rights movement in this nation in the 1950s and 1960s.

In spite of the drug assault, the germ warfare assault, the miseducation assault, and the immoral assault perpetrated by the military-industrial complex, the drive for freedom, truth and excellence in the peoples of the Earth cannot be destroyed.

No matter how complex and intense the assaults may be or may become, it will not stop people from instituting governments among men (male and female).

Why is this so? This is so because as men (male and female) seek and find God's (Allah's) kingdom within themselves, they will have the strength, courage, insight, and will to institute it among men (male and female).

So today, we stand on the brink of the greatest breakthrough in human history. Men (male and female) are beginning to comprehend the Messenger's message: that any government that is not based on God's (Allah's) word is no government at all.

Men (male and female) are beginning to see that justice that is not attained by love and truth is no justice at all.

Children can plainly see that any government that proclaims that it is wrong to pray in school, but it is right to be sexually perverse with your fellow soldier if you don't tell, is no government at all.

No one with good sense will say it is correct, collective, sociological thinking and work not to pray in school and that it is correct, collective, sociological thinking and work to be sexually perverse and not tell.

And so, my fellow citizens in the Nation of Islam (the nation of peace), we have a job to do. We must institute government—correct, collective, sociological thinking and work among men (male and female).

[END OF QUOTING]

Amen,  
Aton

## CHAPTER 4

REC #1 HATONN

WED., MAR. 19, 1997 7:36 A.M. YR.10, DAY 215

WED., MAR. 19, 1997

THE RAZOR'S EDGE

You skip along the razor's edge with every breath and yet you seem to see not what is coming upon you, indeed, what has already come upon you. Brother raises his hands against brother, children are killing their schoolmates and yet you go about precipitating even worse atrocities in the name of equality and gaining freedom. Freedom? Do ye know what means "freedom"?

Blacks "think" they want to be free and equal with "Whites". Say what? What Whites are free? Look around you and see that no one of the masses of humanity is FREE. The very act of causing man to turn against man tells it all. The Elite have force enough, laws made in their own image, and greed enough to continue to keep the masses in uproar and filled with perceptions of inequality that the Elite do not lose their ability to control through that force they have usurped from the people. So be it, for until you look more closely at WHAT REALLY is killing you as a species, you will not find ways of recovery except through more and more atrocious avenues of killing. Force is not of God—informed citizenry is of God—and will be the course of action that will win the day—THROUGH THE LAW! You can "kill" a tyrant and another simply rises to fill the empty seat—but if you "overthrow" the culprit under the LAW, he is put down until you-the-people return to your cots.

How is it that I speak as of Aton/Hatonn and yet no one sees my scribe or my speaker—save a handful of "special" people? These are not "special" people and the facts are that they are the least able to separate the author from the typist. If you have no face to put to the words, then you have no way of dividing your intake by simply tossing aside the speaker as possibly corrupted and therefore unworthy of your own precious time and consideration. It happens over and over again wherein the messenger is simply substituted in for the message sender and the whole of it becomes simply an ongoing series of entertainment sitcoms.

Well, people, my scribe and translator has so much other "stuff" to attend that she certainly needs no more of the ripping and confusion of a handful of persons who "can't decide what they 'think' " about it all.

O.J. SIMPSON

Now we start on another round of blast Doris because "...who in the world wants to help a murderer?" GOD! And, JUST WHO gave YOU the input that O.J. is a murderer? Oh, I see, the news commentators and the Goldman-Brown families? You blind children can't even see when you have been set up for the kill. And you tell me, who else but O.J. can have enough attention in this world to get the focus of the ORDINARY MAN ON THE STREET to pay attention to a different thrust within the courts already

corrupted and decayed past recovery?

You ask God to show you the way—and then you turn off the input lest you have to take responsibility for doing something worthy of Man.

My friends, until you can take the hand of the brother, be he purple or blue, you cannot win this battle against injustice. **GOD PLANNED IT THAT WAY ALSO!** You will unite and work together, you who acclaim God as your source and resource, set aside doctrines, and join in brotherhood and intent toward equality and building a worthy nation—or you will fall into a rubble of despair and more and more atrocious methods of murder. You must and **WILL** stop the token acknowledgement of other people as “if” they are going to be allowed within your spaces but only for reasons of your ego fixations. Together you can get it done and moved about into reclamation, but separately you will simply **GO DOWN**.

It is **NOT** Black” or “White, foolish children, it is **BROTHERHOOD** or total disaster. Certainly the most powerful fools on the face of the Earth are neither Black **NOR** WHITE, as you think of “races”. And **YOU, YOU, AND YOU** had better take a most special and careful look around you. You can no longer isolate selves for God has arranged it, brethren, so that you have to reach **OUT TO THE** others of your globe if you are to be able to fund success. You must understand that you are made up in population, first of all, by a major **DIVISION** of Elite Rulers and Enslaved, or “being enslaved”, people who will serve those Elite. From there you can then break down elements within each segment of the population into the ones fighting for ruling control over each of those positions—only the mere citizen of the world no longer counts in their consideration except as servant fodder.

It is not a group of African-Americans or Aboriginal Natives in Australia’s Outback of which we speak—this is about you-the-people who had always assumed you were among the elite just because, perhaps, you are American or South African or whatever you perceive to be somehow “better” than the others. In every nationality there are the nationalists who **KNOW THEY ARE BETTER THAN ANY OTHER NATIONAL**. This is called love of nation and **PATRIOTISM**.

Now I want to shock you **ALL** a bit more because most of you expect that War of Armageddon to blast forth from the Middle East regions and consider that it will somehow be between the Arab nations and Israel. Well, it is very likely that this will be so, as written, and further, it is under way and you haven’t been informed, **AS IS USUAL**.

So, let us look at a report which was filtered out of the House of Representatives in the good old U.S. of A. and see what you think today. You see, even within your Congress you can’t get truth through the established and controlled media—only hype and turn of brother against brother.

[QUOTING:]

U.S. HOUSE OF REPRESENTATIVES

December 10, 1996

Washington, D.C. 20515

APPROACHING THE NEW CYCLE  
OF ARAB-ISRAELI FIGHTING

Approaching the end of 1996, the Middle East may well be on the verge of major regional war. Numerous sources in the region report that the supreme leaders—both civilians and military—in most Arab states, as well as in Iran and Pakistan, are convinced that the present vulnerability of Israel is so great that there is a unique opportunity to, at the very least, begin the process leading to the destruction of Israel. These circumstances are considered to be a historic window of opportunity the Muslim World should not miss. Therefore, these Muslim leaders have finalized numerous strategies and tactical alliances heretofore non-existent in the region.

Toward this end, several Arab states, as well as Iran and Pakistan, have been engaged in a frantic military build-up and active preparations in the last few months. Indeed, this crisis is escalating even as all key players continue to reassert their commitment to the US-inspired “Peace Process”. However, the slide to war is the real and dominant dynamic in the Near East because it represents the reaction of the Muslim World to the challenges of modernization—petrification exacerbated and aggravated by the post-Gulf Crisis regional dynamics, and particularly the intrusion policy of the Clinton Administration toward the Hub of Islam.

In late November 1996, Na’il Mukhaybar, one of the most authoritative Arab commentators on Middle East affairs observed: “The question is no longer: Will the expected and planned war between Israel and Syria ever break out? It is rather: When will the war break out?” This is not a minority opinion. It is also shared by senior officials in the Arab Middle East.

For example, in late October, a senior Jordanian diplomat warned that “Syria is preparing for a surprise military attack on Israel in the coming weeks.” This assessment was based on high-level contacts between Damascus and Amman, especially between senior officers of both armies, in which the military situation in the region was discussed. In these meetings the Syrians asked for passive and indirect support from the Jordanian military—for Jordan to hold maneuvers near Israeli border in order to compel IDF to divert forces and hold them there.

Many other Arab and Iranian officials share the same view. There is a commonly shared firm belief among the senior experts serving Middle Eastern governments that the political strategic dynamics in the Middle East have already reached a deadlock that makes a dramatic breakout inevitable. The strong commitment to such a dramatic breakout among most senior leaders is the key to understanding the present dangers. These leaders see no alternative to a dramatic breakout possible only through cataclysmic violence. The mere revival of the ongoing processes—be it the peace process on the Arabs’ terms or even the return to a region-wide state of war—will no longer suffice to meet the strategic challenges from Islamic revivalism. Hence, the slide toward the resumption of violence—ranging from spectacular terrorism to an all-out war—between the Arabs and Israel. This is a very prudent and reasonable assessment given the overall regional dynamics over the last few months, particularly if examined in the context of the strategic regional dynamics of the last couple of years. Essentially, in their entirety, the tactical and military developments of recent months reinforce and confirm the earlier strategic posturing.

Therefore, these military activities can, and should, be perceived as implementation of earlier grand designs. And this complementary relationship between the strategic and tactical dynamics is the key to the alarmist approach to interpreting the unfolding events.

When analyzing these unfolding developments, it is highly significant to recall the emerging mega-trends in the region:

The rise of militant Islam as the primary motivating factor of the Arab public has already reached unprecedented levels. The popular mistrust in existing nation-states, the hostility toward the US/West over intervention and presence in the Muslim World (in Iraq, Saudi Arabia, Egypt, etc.), and the pressure on those in power to pursue “Islamic policies” continue to markedly increase. It will be difficult for rulers to resist the growing popular outcry and stay out of a major crisis with Israel, let alone support the US under such circumstances.

The present leaders of Iran, Syria and Iraq are determined to transfer power to their sons-and-heirs. They are convinced that only the emergence of a close alliance leading to a perpetual crisis against the rest of the world will rally the potential contenders in their own respective coteries to accept their chosen sons as leaders. The mere existence of a functioning militant block will enable the other “sons-of” to assist and save a “son-of” in distress. Given its popular Islamist connotations—liberating al-Quds—the current policy of brinkmanship and crisis is the best possible starting point for the establishment of this block. The succession struggle in Saudi Arabia is peaking. The Abdallah faction is determined to seize power through the eviction of the U.S. from the region, the solution of Saudi Arabia’s shortage of cash by accepting more lucrative contracts with East Asia at the expense of the West, and by establishing close relations with the radical states as a guarantee against Islamist subversion. The very close Abdallah-Assad relations constitute the key to Prince Abdallah’s rise to power. These relations have already initiated the bombing in Dahrán. Prince Abdallah has already promised Damascus to deliver a comprehensive oil embargo against the West in case of a major crisis with Israel.

Thus, the mega-trends in the Middle East are pushing toward a crisis environment. A dramatic breakout from the deadlock is virtually inevitable. The latest developments in the military threat to Israel fit perfectly into this overall trend.

#### THE LATEST STRATEGIC MILITARY MOVES AT THE THEATER-LEVEL

Specific military moves at the national-strategic level suggesting active preparations for a possible war in the near future began in the spring of 1996. These activities range from highly irregular and highly significant military exercises to political and international agreements.

In the Spring of 1996, Hafiz al-Assad and Saddam Hussein met secretly for a summit to ensure joint pursuit of regional objectives. The meeting took place in the area where the borders of Turkey, Iraq and Syria meet. This summit was aimed to get the endorsement and approval of both top leaders to the completion of strategic agreements reached in the course of recent high-level bilateral and tripartite high-level negotiations (Tehran is the third party). This summit created the conditions for the revival of the Eastern Front and set the specific and workable arrangements for the dispatch of Iranian expeditionary forces and weapons to the Syrian front.

In late May 1996, Tehran demonstrated how seriously Iran takes the possibility of dispatching forces

to the Israeli front. Iran conducted its largest military exercise ever—Velayat. The essence of Velayat was a multiple corps deep offensive in the aftermath of a long range advance identical to the distance between Iran and Israel. The objective of Velayat was to confirm Iran's ability to send a strategically effective expeditionary force—the Velayat Force—to contribute to a regional war against high-quality armies. The primary intended objective of the exercise is Israel. The entire Iranian top leadership and high command were present at the exercise. Subsequent Iranian analysis pointed out deficiencies in the planning of the operations of a key special forces unit. These were quickly corrected and these improvements were demonstrated to the Tehran leadership in a follow-up exercise in late October. With Iran's ability to significantly contribute to the military effort against Israel proven, Damascus and Tehran conducted high-level discussions aimed at the formulation of a joint war strategy. In mid June, Iran and Syria signed a major agreement specifically for the codification of their military cooperation against Israel. This agreement also provides for joint exercises in northern and northeastern Iran of the command elements of Syrian units and the Iranian units that will arrive to support them on the Golan front. By mid August, Iraq was brought into this framework with the establishment of a tripartite “joint command” specifically aimed to expedite the preparations for, and conduct of, “a major war against Israel”. A key component of this joint command has been the coordination of the activities of Iran, Iraq, and Syria in mobilizing their SSM forces for a possible missile barrage against Israel.

In late September, the Palestinian factor was added to the joint preparations when the Palestinian Authorities (PA) entered into a major military agreement with Syria.

Significantly, this agreement is between the PA, and not the PLO, and Syria, thus explicitly committing the Palestinian forces in the territories. The essence of the agreement is for the Palestinian “police” forces and other armed elements (terrorist organizations) to flare-up the Israeli interior in case of an escalation in the north. Syrian and PLO intelligence established a liaison section made up of senior Syrian and Palestinian intelligence officers with HQs in Beirut, Damascus and Gaza. In return, Syria will provide weapons and advanced training to PLO units in the refugee camps in southern Lebanon—units disarmed as part of the Israeli-Lebanese agreements. Meanwhile, the PLO's preparations from an imminent war are evident. In Gaza, Arafat ordered the marked acceleration of the building of a personal command bunker, four stories deep. Moreover, the PLO is rapidly building all over Gaza a chain of command centers, ammunition and weapons-storage areas—all of them underground and well fortified to even withstand Israeli bombing and shelling. The PA's security services are also accumulating large stockpiles of anti-tank and anti-aircraft weapons, including missiles, even though they are forbidden by the Oslo Accords.

In mid September, the Egyptian Armed Forces conducted their largest military exercise since the late 1970s. The 10-days Badr-96 exercise simulated a strategic deep offensive against Israel and included a large scale call-up of reserves, a major amphibious landing on the Sinai coast, a nightly assault crossing of the Suez Canal, and major breakthroughs of defensive dispositions manned by high quality forces. In mid October, senior officers of the Egyptian Army conducted a tour of the Sinai, including areas near the Israeli border, in violation of the provisions of the peace agreement with Israel. It was a commanders' tour aimed to acquaint them with the peculiarities of a theater in which they might have to operate.

Meanwhile, Cairo encourages the resumption of calls for war at the political level.

Brig. Gen. (Ret) Mohammed Muawad Gad al-Moula was permitted to establish a new political party

committed “to revive the ‘victorious spirit’ of the October 1973 War” and whose leadership is made up of retired senior officers. “We have no choice but to adopt a platform for rebuilding a strong Egypt and preparing a new generation capable of fighting any attackers,” al-Moula told the semi-official al-ahram. “We have to prepare for a fresh confrontation with Israel.”

Starting early October, there have been several cycles of bilateral and multilateral political-military discussions and coordination sessions between Egypt, Iran, Iraq, Syria and Jordan. According to high-level Iranian sources, the initial phase of these consultations led to the adoption of “pan-Arab cooperation” making it possible “to impose a military blockade on Israel from the north, east, and south”. In late October senior officers from Syria, Iraq, Iran, and Lebanon held a series of meetings to coordinate and agree on a number of specific military measures and strategies for the forthcoming confrontation with Israel. In early November, second-tier states were being brought into “the circle of confrontation”—the group of states committed to contributing to the Arab-Iranian war effort. Most significant was the Syrian-Pakistani military agreement signed in Islamabad by the Defense Ministers of Syria and Pakistan which arranged for the seconding of Pakistani military experts and senior officers, pilots and technicians, and key equipment to Syria.

In late November, Damascus shared a comprehensive intelligence assessment with its Arab allies and a host of terrorist organizations. The primary objective was to warn of an impending major war between Israel and Syria with the active participation of, and support from, US forces on the side of Israel. Damascus has already concluded that “Israel is now preparing for a comprehensive war with Syria.” The Syrian briefing points out to the call-up of reserves in Israel as indicative of an impending war. Special attention is paid to the military training in the Negev with US Marines. Syrian intelligence claims that “the training, objectives, and plans of these maneuvers focus on the occupied Syrian Golan and a number of positions west of Damascus.” The Syrian sources are convinced that “one of these positions is a Syrian manufacturing plant for chemical weapons.”

Concerning the political-strategic situation in Damascus, the Syrian briefing is consistent in its emphasis on the immediacy of war, but seemingly self-contradictory on the sources of this war. On the one hand, the Syrian briefing states that “the Syrian leadership now believes that the military option to liberate the Golan from the Israeli Army is a legitimate Syrian option. It also believes that Syria has the right to resort to this option any time it deems appropriate.” This assertion virtually confirms the Syrian intention to initiate hostilities in order to break the deadlock in the region.

However, the section dealing with the military assessment of Syrian Intelligence emphasizes the possibility of an Israeli attack on Syria. Damascus now believes that “the Israeli Army will launch an imminent large-scale military operation against the Syrian Forces stationed adjacent to the Golan, in addition to the Syrian Forces that were relocated in Lebanon near the eastern Syrian border with Lebanon that extends to the Golan Heights.” Presumably, this will be an Israeli preemptive strike given the extent of the Syrian preparations.

The Syrian briefing leaves no doubt that, even under these circumstances, Damascus will pursue its own assertive war aims, not just repel the Israeli aggression. The Syrian briefing states that “the Syrian President instructed the command of the Syrian Forces stationed near the Golan to immediately retaliate against any attack by the Israeli Army.” Moreover, Assad ordered his forces to immediately launch a deep

strategic strike and, toward this end, “the Syrian Army placed its SCUD missile systems at maximum alert should war break out with Israel.” These SSMs, Damascus argues, “can hit any target inside Israel.”

The extent of the Iranian commitment to actively supporting the Syrian war effort is of crucial importance of the highest levels of leadership in Damascus. Indeed, in late November, Syrian sources stressed that Iranian President Hashemi-Rafsanjani had just reassured President Assad in a written message that “should war break out with Israel, Iran will support Syria with the necessary military hardware in order to strengthen the Syrian military position.”

Tehran takes this commitment very seriously, and, in the first week of December, dispatched Foreign Minister Ali Akbar Velayati for urgent high-level consultations. Velayati arrived in Damascus carrying yet another extremely important message from Hashemi-Rafsanjani for Assad. He then conducted extensive discussions with Assad and other senior officials on regional issues. According to the Iranian media, “the latest regional and international developments as well as further promotion of Tehran-Damascus ties were discussed in the meetings.”

Velayati’s discussions with Assad and his immediate aides went far beyond that, addressing Syrian-Iranian cooperation in the imminent and possibly inevitable war. Iranian sources highlighted the discussions with Assad in which Velayati “referred to foreign pressures and the Zionist plots and underlined the need to strengthen cooperation between Iran and Syria. The Syrian President stressed this cooperation will help establishment of peace and tranquillity in the whole region.” Both Damascus and Tehran agree that there is going to be a lot of violence—ranging from terrorism to war—on the road to regional peace.

Iranian sources report that “the Syrian President stressed the need to support the Islamic resistance in south Lebanon to confront the Zionist aggressions and to defend the Lebanese territory.” Velayati and Assad also expressed support and commitment to ensuring Iraq’s territorial integrity—a precondition for Saddam Hussein’s support. Velayati also reiterated the Iranian long-standing support for “the aspiration of the Palestinian nation and the Islamic resistance in their struggle against the Zionist regime.” He called for “a united action by the Islamic states to foil conspiracies of enemies.” Velayati assured Assad that “the Tehran-Damascus close cooperation will lead to establishment of regional peace and tranquility.” Velayati returned to Tehran carrying a most important message from Assad to Hashemi-Rafsanjani.

### SPECIFIC TACTICAL PREPARATIONS

Starting mid August, the Syrian Armed Forces have conducted a series of redeployments and maneuvers that have direct implications for their ability to launch an attack on Israel. The concurrent activities of both the Iraqi Armed Forces and PLO forces in Lebanon also contribute to the enhancement of the Arab military capabilities against Israel.

The initial Syrian force movements in Lebanon and near the Golan, especially near Mr. Hermon, already changed the strategic posture in the region. The changes in the deployment of Syrian forces and units in Lebanon were accomplished in two stages.

In the first phase, in late August, mechanized units deployed from Bhamdun and Dahr al-Baydar in central Lebanon to forward positions very close to the Israeli-held security zone. These Syrian forces

deployed in such a way that any Israeli retaliation against terrorists in south Lebanon will inevitably kill Syrian soldiers, thus creating the “excuse” for further escalation. In addition, two of the three regiments of 14th Special Forces/Commando Division deployed from the Biqaa to forward positions on the Syrian Hermon overlooking the Israeli key early warning station on Mt. Hermon from the north and east.

In the second phase, completed in mid September, units of the 10th Mechanized Division deployed from the Beirut area along the Beirut-Damascus Highway all the way to the Biqaa, replacing the units that had deployed to the south. The third regiment of the 14th Special Forces/Commando Division deployed from Beirut to forward positions in south-eastern Lebanon, overlooking the Israeli Mt. Hermon from the west.

The deployment of the 14th Special Forces/Commando Division enable it to strike Israel’s key early warning station on a moment’s notice, thus harming, if not paralyzing Israel’s ability to detect a major surprise attack.

Units of the Syrian internal police replaced the Syrian troops in Beirut. Moreover, Syrian Air Defense units—both mobile SAM batteries and AAA—deployed to forward positions on the Beirut-Damascus Highway very close to the Lebanese border, but still on Syrian territory.

In late September, the Syrian forces were in a position to instigate a provocation of strategic dimensions. Syrian forces deployed behind a thin layer of Lebanese Army units around the SLA-held Jezzine salient. Additional Lebanese Army forces, totaling three brigades, deployed along the Israeli-and SLA-held security zone in front of the Syrian forces. The Syrian operational plan calls for an assault, by the Lebanese Army with “support” from the Syrian Army, on Jezzine, and, should the need arise, also on sectors of the security zone. According to Lebanese sources, the Syrian High Command is convinced that Jezzine will fall within 12 hours, and a few segments in the security zone within 24 hours. Damascus knows that Israel will have to retaliate with massive ground forces, thus providing the “justification” for the Syrian launching of a major escalation and war.

All through the summer and fall of 1996, the Syrian Armed Forces conducted a series of offensive exercises and related troop movements. As a result of these activities, numerous Syrian units ended up much closer to the Golan Heights than their permanent deployment areas. Moreover, these units are now deployed in a high state of readiness and can move on the offensive with a very short forewarning. Of unique importance within these military activities were the exercises involving SCUD SAMs. At the end of the summer exercises, a Syrian unit launched a SCUD-C under conditions of an offensive war. Since then, and particularly in the second half of October, Damascus began conducting “irregular movements” with its SCUD units. According to Lebanese and Syrian sources, these constant maneuvers are aimed to further complicate Israel’s ability to neutralize the Syrian deep strike capabilities through a preemptive strike.

In late October, Syrian officials briefed their Lebanese counterparts that the Syrian Armed Forces were properly deployed and ready for a preemptive strike against Israel. “The Syrians are capable of preceding/preempting Netanyahu’s strike by initiating the attack,” reported Lebanese sources.

As of mid October, Iraqi military units, including armor, artillery and missile units, began moving from central Iraq toward the Syrian border. Iraq also began a call up of reservists and the activation of units in western Iraq that had been dormant since the Gulf War. The majority of the main roads leading toward the

Syrian border were taken over by the Iraqi military and closed for civilian traffic. Jordanian sources stressed that these are movements of Iraqi reinforcements to near the Syrian border in anticipation for the eruption of hostilities.

By mid to late October, the Syrian large-scale maneuvers and related troop movements got too close to the Golan Heights to be ignored as “routine”. Taken in the context of the latest Syrian “exercises” with SSMs and major armored forces, these activities amount to “crawling” toward the forward positions enabling Syria to launch a surprise surge into the Golan as well as escalation in southern Lebanon aimed to achieve initial grabs.

Meanwhile, throughout the fall of 1996, Iran delivered, via Syria, a whole range of vastly improved weapons to the HizbAllah and other terrorist forces based on the border with Israel. Among these weapons systems are the truck-mounted Fajr-3 240mm rockets (which, with a range of 26-27 miles, can hit major Israeli objectives from beyond the security zone), the highly lethal FAGOT ATGMS (Soviet design), and 35mm Oerlikon automatic guns (a Swiss weapon good against both helicopters and surface objectives).

The Iranians also delivered large quantities of weapons already in the HizbAllah arsenals including Grad-M 122mm rockets, Isphahan rockets, Stinger SASAMs, SAGGER ATGMS, night vision equipment, explosives and ammunition. The Iranians and the Syrians also oversaw the flow of weapons to the PLO units in the refugee camps of southwest Lebanon, implementing Syria’s part in the PLO-Syria agreement. The Iranian airlift of weapons and equipment for the HizbAllah and terrorist organizations intensified markedly in the first week of December. Tens of flights of both military and civilian transports delivered military equipment and highly specialized systems for terrorists to the Damascus airport, from where the goods were delivered to Syrian and HizbAllah units.

[END OF QUOTING]

I am truly sorry to have to interrupt this writing prior to finishing the thought-line but we are restricted as to time, having a meeting within a short while for which I need the information. We will, however, simply finish it later and the closing material can be forwarded to the parties involved personally.

I will take up “The Nuclear Factor” next and then we will have a summarization of what is being offered as a rather ominous “religious discourse”. It is factual, however, that thus far the unfolding of prophecy has quite accurately foretold the advent of the New World Order, the Mark of the Beast and the arrival of the Anti-Christ. Since this goes right along with our prior writings today and especially with the final portion intact, it is quite clear that something BIG is coming down, readers.

It is a time of stopping the dancing, the sniffing, the circling of the “I wonders” and get down to laying the facts squarely on the table before our new acquaintances and let us find a way to gather strength, funds and desire for moving ahead, untangling the mass of knots and seeming impossibilities. We can do it—IF WE WANT TO DO IT!

Salu and good morning.

## CHAPTER 5

REC #1 HATONN

THU., MAR. 20, 1997 6:48 A.M. YR.10, DAY 216

THU., MAR. 20, 1997

### “RADICALS” AND “BALANCE”

Just when you think you have learned everything there is to know, you find you really don't know much about anything.

Yesterday was a day to joyously watch brothers integrate into a single direction—toward God (not religion) and KNOW that each one present recognized a joy in the need of another. What was once considered to be “radical” now is realized that it was only propaganda of the Elite to distract you-the-people. We met with some top leaders of the, yes, the Black Panther Party. Radical? Does filling grocery-food sacks and feeding needy children seem very “radical” to you? Is the struggle to keep families together and trying to reach out into the communities around sound “radical”? Does sponsoring a day recognizing **women** (Sunday, March 23rd) sound “radical” to YOU?

The government has sucked the Black people into poverty through the stupid but shrewd WELFARE SYSTEM which may feed a family as long as there is no work for the Father so that Dad has to depart the family. It is planned destruction, people. Look and weep because ALL OF YOU are held within this plan awaiting appropriate opportunities to insert the destruction.

How many of you listened to the Jewish attorney Dershowitz last evening? If he didn't pronounce the very *Protocols of Zion* and tell you that it is ALL ACCOMPLISHED AS PLANNED, I never heard it better put. He said the Jews now control Congress and THE JUDICIAL SYSTEM—THEY “HAVE ARRIVED”. He was pushing inter-marriage (probably because he has such a marriage and family). The point is that when you set yourself APART from the WHOLE, you err. If some must “be on top” then that indicates that the others must be somewhere “beneath”. The man continually spoke in “separation” and it was more than just a figure of speech; it was a concerted “having somehow *arrived*”. He spoke of merging or absorbing the “Christian into the Judean religion” but the offspring could choose which direction they would move in their own lives to “prevent” bigotry. But he insisted that “Jewish beliefs MUST FLOURISH” for it is the “real” “*culture*” of, basically, Divine origin. So, how do you feel about that one, GOD?

Dershowitz spoke at length about the rise to the peak of participation and leadership AROUND THE GLOBE, not just in America. What does that mean? Well, for one thing he insisted he did not want “just the Holocaust” to be the reference point—and he spoke of the Crusades and the Inquisition as if they were somehow the proof of the Jewish supremacy—especially in the victimization category of all time. Indeed, he even stated the Jews are the epitome of the “victim/sufferers” which [*condition*] must NOW BE RISEN ABOVE and an allowance made for the supremacy of the race.

Well, I found myself in agreement on a point or two. The Christians of today PROVE that mostly they do not believe in CHRIST as a state of belief as to worthy living but rather dump the sins upon the back of a murdered man of 2000 years ago—and that somehow gives them the right to deserve salvation, irresponsibility and superior outlook on everything else abounding on the physical plane. UNTIL YOU ALL COME TO BELIEVE AND LIVE ACCORDING TO THE CHRIST RULES OF GOD, YOU AREN'T GOING ANYWHERE EXCEPT DOWN INTO THE PITS, AND I DON'T CARE WHAT YOU CALL YOURSELVES.

I am labeled anti-this and anti-that. NO, I am PRO-LIFE, PRO-LOVE, PRO-BROTHERHOOD OF MAN WITHIN GOD. I AM PRO-LIGHT, PRO-KNOWLEDGE, PRO-WISDOM, PRO-PEACE, PRO-GIVING AND REGIVING. YOU CALL YOURSELVES “HUMANITY” SO, ISN'T IT TIME YOU BECAME PRO-HUMANE-ITY?

If I must “segregate” my evacuation ship on the day of “take-off”, how am I to decide which “color” to first choose? Well, mostly I can choose those White Elitists—to WAIT, and scorch their feet a bit. When the humanity of the world joins hands, it is OVER for the small Elite, physical worshipping *things* of the world.

I remind you of something: Qadhafi of Libya tried to give Minister Farrakhan a billion dollars to help feed the starving people cast off U.S. Welfare—in an interim time of job creation, food production, etc. The U.S. disallowed a cent to flow. What do you suppose the government has in MIND? THERE IS NO CUTTING OF GOVERNMENT PAYCHECKS OR INCOME FOR THE ELITE. WAKE UP, PEOPLE, THE LIVES YOU SAVE WILL BE YOUR OWN AND THAT OF THE BABIES YOU BROUGHT FORTH.

Do you somehow think GOD will not answer the call and cry of the petitioning men upon your place to find “a way”, a “light” to bring you through the dark times, and food to sustain enough life to last for regaining of your lives? GOD HEARS THE CALL AND PETITIONS—AND YES, BY GOLLY, SHOWS YOU THE WAY—IF YOU TAKE IT WITHIN THE OPPORTUNITIES OFFERED. IF IT IS CHOSEN TO DISCARD THE VERY CONDUIT TO FREEDOM AND LIFE—THEN THOSE ARE **YOUR CHOICES** AND YOU CAN STOP BLAMING GOD FOR YOUR DOWNFALL.

Minister Farrakhan, for instance, believes himself to be a very specially elect man for serving God and bringing God's people through this plight of Satanic times. Indeed! But he must reach out and seize the moment and USE THE TOOLS GOD IS PROVIDING FOR THIS PURPOSE TO BE JOINED TOGETHER AND WITHIN THE WHOLE—TO ACCOMPLISH THE TASK AT HAND.

But, I hear the undertones of chatter: Would God actually use a couple of brothers from the Black Panthers, a Native American from the Lakota Tribe, a set of grandparents from the “Paleface” arena—and on and on. You damned well betcha! YOU ARE GOING TO COME TOGETHER AS HUMANE-ITY AND WORK THIS TOGETHER—OR YOU ARE GOING DOWN. You don't need to destroy ANYTHING, including the Elite Rulers—they will do that for themselves. When you cut them out from their transfusions of YOUR BLOOD, SWEAT AND TEARS, they will leave those seats of false power like the rats they are from the sinking ships.

Come on down, O.J., it's time you put that wondrous public recognition on the LINE—and march to the

Common Law drummer who knows, now, the cadence of the march itself. You GROW THROUGH and BUILD FREEDOM—let the Elite Self-appointed Kings and executioners fall where they will in their own evil and corruptness.

God GIVES, but you must ACCEPT, or the gift is not a gift, nor can it have any value whatsoever. A gift indicates TWO—one to give and one to accept. Then, from the joining into such a negotiation, you can regive and regive, add, multiply and divide—while subtracting greed, and there is NOTHING which can stand against you. Some must build; some must lead; some must GROW, simply put, that which will allow survival when the welfare checks are no longer present or honored.

Does this mean that if we can acquire land for growing then people from the ghettos can move into the villages and onto the farm and plant some food? Yes. But you cannot cause a “few” to take the burden of the whole—YOU MUST TAKE UP YOUR PICK AND SHOVEL—AND DIG FOR SELVES.

Now, let us consider the great equalizer: When a human bleeds, the blood runs red and YOU cannot tell the difference. Scrape away the skin and melanin and you CAN NOT TELL DIFFERENCES. UNTIL YOU CAN MOVE BEYOND THE VISUAL STUPIDITY—YOU PERHAPS DO NOT DESERVE BETTER THAN THE LOT YOU HAVE CHOSEN. AND, BY THE WAY: WHEN THE STUDENTS ARE READY, THE PROFESSOR APPEARS AND SO TOO DO THOSE YOU NEED TO FULFILL THE MISSION. MOREOVER, THE MORE QUICKLY YOU COME TO SEE YOUR OWN TASK AND POSSIBILITIES, THE MORE RAPIDLY YOU CAN BECOME PREPARED FOR ANY CONTINGENCY.

It will behoove you who can make a bridge through and to those in other locations across the seas, to DO IT NOW, because you can see from the writings of these two days—the uprising which can shut down our own plans is IMMINENTLY AT HAND.

Let me continue to outlay that information for your consideration. Whatever WAR starts out of the pathetic chaos thrust upon you—will be great—and survival of nations will be all but impossible for many. Take your assets NOW, join together, and get this terrible thing coming upon you—STOPPED! It truly is UP TO YOU.

To our Black brethren: *Get those connections made, please—NOW. We have little time to dance, sniff and mongrelize. Things are ready for the receiving, let us get on with the commitments so there can be MORE “Women’s Days” and Children’s Days and Freedom Days.* THE GROWING SEASON IS UPON US HERE AND MUCH LAND HAS BEEN WASHED AWAY BY THE MANMADE DISASTERS. WE MUST PLANT WHAT WE CAN LEST WE LOSE THE GROWING SEASON. THIS DOES NOT MEAN, YOU HERE, TO BLAST OFF AND TRY TO SAVE THE WORLD—THIS IS NOT MEANT FOR THAT TYPE OF “SALVATION” OF THE FEW FOR THE MANY. DO NOT LAY A HEAVIER BURDEN ON THE BACKS OF MY OWN MESSAGE-BRINGERS BECAUSE **YOU DON’T UNDERSTAND**. YOU must pay attention and attend your needs. We are NOT just another BIG WELFARE SYSTEM—we believe in “CHARITY”, NOT WELFARE! Go look up the difference in meaning of the words. And where does “charity” begin? Right—right at home.

Again, just who do you believe God will attend in the hour of need? The ones from Beverly Hills in their

greed-castles or the honorable and innocent child of goodness (or IGNORANCE) in the inner cities? Which party loses the most when the castles crumble into the seas? Ah, indeed, it is far less painful, brothers, to lose the rented hovel so let us not overlook the positive attitudes during this miracle come upon you. You (WE) are THE MIRACLE, you must remember and being THE MIRACLE; we can CREATE anything goodly we choose.

Now, back to the bad news:

[*QUOTING, PART 2:*]

CONTINUATION: TASK FORCE ON  
TERRORISM & UNCONVENTIONAL WARFARE:  
U.S. HOUSE OF REPRESENTATIVES 12/10/96

THE NUCLEAR FACTOR

The nuclear factor has become a crucial element in any conflict in the Middle East. Iran has nuclear weapons, and so does Pakistan. The supreme leaders in Tehran are convinced that the numerous warheads purchased from the former Soviet Central Asia are operational. Irrespective of skeptic “expert opinion” in the West, they—the decision-makers in Tehran—operate on the basis of their own conviction that Iran has operational nuclear weapons. Moreover, there are indications of a Pakistani agreement, with Chinese consent, to “contribute” to the Muslim nuclear deterrence. And there is no doubt that Pakistan has operational nuclear weapons.

The Arabs have a well defined nuclear doctrine. Already in the late 1970s, the Syrians introduced the doctrinal tenet that since Israel cannot withstand even a few nuclear strikes while the Muslim World can prevail a massive nuclear attack of the magnitude attributed to Israel’s capabilities, the nuclear factor is essentially irrelevant for as long as Arab leaders can hold their position in a strategic nuclear brinkmanship. While Tehran and Damascus are willing to gamble on such a brinkmanship, Jerusalem cannot afford to be wrong—Israel will not survive as a viable country in the aftermath of a strike with the few tactical nuclear warheads Iran has.

Therefore, the mere existence of a credible nuclear threat (on top of the known arsenals of chemical and biological weapons) in effect neutralizes Israel’s “deterrence factor” at the very least for the strategically crucial initial period of war—the time frame in which the Arab-Iranian forces manage their strategic grab, while the Israeli government agonizes over the decision how to react to the nuclear ultimatum and the sudden war. Moreover, Washington will be most reluctant to commit American forces and assets under conditions of possible exposure to nuclear, chemical and biological weapons, particularly given the current Gulf Syndrome crisis. Hence, the Arabs and the Iranians can also deter an American cover for Israel.

The nuclear issue is not a theoretical academic or speculative issue. In the last days of November, Tehran “determined” that Israel already put its missiles on “atomic readiness”. According to Iranian sources, Tehran did so in part on the basis of intelligence data (such as satellite photographs and intercepts) acquired in Russia and Central Asia. On the basis of this “data” Tehran undertook the “appropriate countermeasures”. And it is under this umbrella of nuclear uncertainty that the Arab-Iranian non-nuclear war will

be waged.

**[H: I want you “Americans” to pay close attention to these writings. I want you to reconsider what Alan Dershowitz said about the Jewish supremacy now registered, especially in the U.S., and think HARD about what are the probabilities of war—when it strikes. YOU IN THE U.S. WILL BE PRIME TARGETS FOR THE FREE-WORLD ENEMIES ARE SEATED IN YOUR HOUSES OF GOVERNMENT AND WITHIN YOUR POWER PLACES, I.E., BANKS, COMMERCIAL CITIES, ETC. THE AMERICAS WILL NOT BE SPARED THE STRIKE-BACK AGAINST THE SERPENTS. WHERE WILL “YOU” BE?]**

## THE WAR SCENARIO

The Syrians and their allies have well defined contingency plans. The basic Syrian approach to a major war is based on the contingency plans prepared and exercised for the war that almost was in the Fall of 1992, while the plans for a strategic grab in a limited war are based on contingency plans prepared in 1994, and exercised since then.

Israeli security sources describe the 1994 contingency plan for a quick territorial grab on the Golan in the context of a limited war. The first step is the deployment of Commando forces to advance positions near the Israeli border. Then, once Damascus determines that hostilities are imminent, the Syrians will begin the moving around of SSMs inside Syria to reduce vulnerability to Israeli preemption or retaliation. The attack by the Commando forces on key objectives in the Israeli tactical depth will be followed immediately by an offensive surge of tank heavy forces. At the same time, other major Syrian units will be rushing toward the Golan in order to deter Israel from escalation and a massive counter-attack. Damascus intends to complete all these moves within 24-48 hours. Then, with Syrian forces still holding a small part of the Golan and a few Israeli POWs, Damascus and the Arab World will call for international pressure on Israel to impose cease fire, and to demonstrate “flexibility” and “realism” in negotiations with Syria.

Numerous Syrian, Iranian and Lebanese sources provided data that enables the reconstruction of the Syrian contingency plans for a major war. The first step will be a provocation launched from Lebanon—a “Lebanese” attack on the SLA and/or a major HizbAllah operation against an Israeli strategic target and/or a spectacular terrorist strike at the heart of Israel. As planned, such a provocation is bound to instigate a major Israeli “response” in Lebanon. Since, because of the nature of the Syrian deployment in south Lebanon, Syrian troops will be killed in any such Israeli retaliatory strike. Damascus will thus be in a position to call the Israeli actions an unacceptable aggression and threat to Damascus.

The Syrians will then have the “justification” to “retaliate” by launching a barrage of SSMs against Israeli cities and key military facilities. Meanwhile, in solidarity with Palestinian victims in south Lebanon, the PLO’s 50,000 “police” and “auxiliaries” will launch a massive “intifadah” and a wave of terrorism from their safe-havens in the territories. Taken together, these activities will prove sufficient to prevent a timely deployment of Israeli reserves to the Golan.

By then, however, the Syrian Armed Forces will have already launched a surprise surge largely based on the 1994 contingency plan. Given the Israeli inability to react, the Syrian forces will succeed in securing limited grabs on the Golan. Then, Damascus and its allies are convinced, international pressure—espe-

cially, if there are also oil embargos and an Egyptian threat to intervene militarily—will compel Israel to reach a political compromise on their terms.

Meanwhile, in case of an Israeli refusal to compromise, and hence a failure with the diplomatic initiative, the Syrians will be in position to impose a major escalation with the arrival of the main Syrian forces, as well as the sizeable Iraqi and Iranian expeditionary forces. Now surging also through Jordan, these forces will vastly expand and enlarge the Eastern front.

Given Badr-96, the mere war preparations in Egypt will, at the very least, compel the IDF [*Israeli Defense Force*] to keep forces on the southern border, just to be safe. Moreover, building pressure in the Arab/Muslim World for all governments and peoples to join the Jihad or face popular uprisings because of their “un-Islamic” posture will most likely entice such governments as Egypt’s and Jordan’s to join the war rather than risk overthrow. Meanwhile, led by Saudi Arabia, the Muslim World will declare an oil embargo. There are sufficient Islamic terrorists all over the West to launch a wave of terrorism in Europe and the US in order to prevent (or delay) US assistance to Israel.

With the militarily debilitating winter weather coming very soon, this scenario is all the more tempting from a strategic point of view. Given the adverse opening conditions and initial period of war, as well as the sudden escalation of the Arab-Iranian offensive, it is safe to assume that it will take the IDF more than a few days to repel all the Arab-Iranian forces from Israeli territory. Damascus, Tehran, Cairo and Baghdad believe that it is not inconceivable that a marked deterioration in the weather will slow down the Israelis before their counter-attacks could evict the Arab-Iranian forces from the Golan Heights. The Arabs and Iranians are convinced that the consequent virtual pause in the mobile war and severe limitations on the use of the Israeli Air Force [**H: Which is basically like stating “the U.S. Air Force”.**] will create both an opportunity and an incentive for the international community to pressure Israel into capitulation before the spring weather creates proper conditions for the resumption of a major mobile war.

**[H: What is happening right now in Jerusalem and basically in the Occupied Territory is a prime example of “take the souls of man” and you win the WAR. The point of the building by Israel and the taking of Jerusalem inch by inch is to get rid of the Palestinian HOLY PLACES and, once the places of worship are fallen, so too comes the recognition that probably the heart will be taken from the enemy. This is most serious, readers, you are now talking about the God-believing people of the world in direct conflict with the Christ-denying elements of your worldly takeover.**

**But how, you close workers might ask, can you use such as bonus contracts, etc., to salvage working funds and make it “work”? Easy, and I will discuss it at the end of this writing. You don’t lodge those contracts UNTIL the time is appropriate and then the Treasury WILL BE FORCED to accept the VALUE in the contract and simply close out the Federal Reserve Banking System! There is plenty of VALUE to accomplish this right now, but too little understanding of the mechanism and the failure of other utilizers to realize the reality of such backup. Remember, the contract is based on GOLD—no matter where the Fed and Feds have stashed it. The U.S. “Treasury” is bankrupt—so to infuse such a massive amount of VALUE into the system will supposedly collapse the economy AS IT IS NOW BUT WOULD ACTUALLY GIVE A NEW FOUNDATION TO THE NATION ITSELF—*WITHOUT NEED FOR COLLAPSE.*]**

## ASSESSMENT

When dealing with the Third World, and particularly the Middle East, one should leave the Crystal Ball under lock and key. Given the dominant power of the personality of individual leaders as the source of decision-making—based on these leaders' own reading of the situation on the basis of the information they have and believe in—and given the penchant of these leaders for the “conspiracy” theories and susceptibility to the “straw factor” (a small and at the time relatively insignificant input pushes the leader into a major decision he has been procrastinating on—the straw that breaks the camel's back), it is virtually impossible to accurately predict what any of the dominant leaders involved in this crisis will ultimately do. However, it is possible to point out two emerging and dominant trends in the crisis management.

Starting with the current crisis, the principal leaders may not have wanted war. At the least, they were wavering about it. Since the late 1980s, Arab leaders have been reluctant to embark on major undertakings against Israel. However, these Arab leaders are also convinced that a major brinkmanship crisis, the return to a no-war no-peace tense situation, and even the resumption of limited clashes, are a must to their own survival. These leaders also know that any of these measures can quickly escalate into a major war. Hence, their undertaking these steps means that these Arab leaders are fully ready to meet the possibility of a major war. **[H: Would it not be wondrous to simply accomplish the same results by GROWING and establishing a value BASE under peaceful circumstances? Oh yes indeed, it can be done without war. War is not of God!]**

One reason for the readiness to face war, as opposed to the reluctance shown previously, is the Muslim World's reading of Israel. Indeed, most senior leaders (especially in Damascus, Tehran, Baghdad and Cairo) are convinced that Israel is falling apart—collapsing from within in a unique state of self-confusion, of having lost the WILL to fight and survive. Hence, the current crisis is unfolding in the context of a historical window of opportunity to resolve the Zionist menace once and for good. In this context, the extent of the populist power of Islam—as reflected in the return to Islamic traditions in all aspects of life in the Hub of Islam, in the increasing Islamic profile of the supreme leaders—over national security decisions, is a major yet unquantifiable factor. There should be no doubt that the most important leaders are strongly influenced by their Islamic heritage and their own legacy and historical contribution to the Islamic “cause”. Hence, the lure of the possibility to liberate al-Quds and destroy Israel may be a far stronger input to their decision-making process than what cold logic would have. Considering the building Islamic pressure to destroy Israel under any conditions, the Arab and Iranian leaders who are determined to hold to power may find these circumstances too tempting to be passed over.

Meanwhile, on a more pragmatic and realistic level, the fear of Israel's military might has shrunk. These leaders, particularly in Damascus, Baghdad and Tehran, are fully aware of the escalatory potential of their move—the initiation of major brinkmanship and crisis. They know that crisis of the magnitude and potential strategic impact they are instigating can easily escalate to a major regional war. But now, they have the nuclear umbrella. Arab strategic studies, as well as the unprecedented magnitude of development and acquisition of SSMs and all types of weapons of mass destruction, show that this factor is high on the leaders' mind. This newly found sense of self-confidence and the firm belief in the ability to succeed in the initial phase of a war create a new, and worrisome, framework within which these leaders examine the choices ahead of them.

Furthermore, the higher political levels of the entire Arab World, and most significantly in Cairo, Amman and other capitals considered relatively supportive of the “peace process”, there is a distinct and marked change in the attitude towards Israel. The present attitude is more hostile and confrontational, and the resort to force is no longer ruled out as being anathema in the era of a “peace process”. This widespread acceptability of the possibility of war encourages these leaders who are committed to conflict. The Egyptians now talk about a state of “cold war” between Israel and its Arab partners to peace—a fundamental change from the previous term of “cold peace”. Other political-military forces in Egypt call for the pursuit of policies of “armed peace” and even “confrontational peace” toward Israel.

Taken together, the multitude of political, strategic and tactical moves leave no doubt that the key leaders in the Arab World and Iran have already determined to continue the escalatory brinkmanship even as the likelihood of war is growing. Moreover, the overall situation and dynamics in the Arab Middle East contribute to a self-reinforcing escalation. Hence, the three key leaderships in Damascus, Baghdad and Tehran, as well as Cairo and the Abdallah faction in Riyadh, are increasingly convinced that war is essentially inevitable. Consequently, there is already a clear shift in these leaders’ deliberations and consultations. They are now preoccupied mainly with strategic and military decisions—that is, determining the optimal conditions for initiating the war, achieving surprise despite the protracted escalatory crisis and Israel’s edginess, etc.

However, there is no hard evidence, yet, of a specific decision to start something on a fixed date. Presently, the prevailing mood among the political, military and security elites in the Arab World is that of an almost passive, though willing, acceptance of fate’s course. As the region continues to deteriorate towards an eruption of violence, they are waiting for the inevitable spark to emerge and “compel” them into taking action. Among the supreme leaders that really count, the “straw” seems to be still missing. But for how long?

*Yossef Bodansky*  
*Vaughn S. Forrest*

[END OF QUOTING]

We are very grateful for this REPORT. You will note that this was “LEAKED” but comes forth only after December, 1996—right after the major elections in the U.S. so I can promise you—it went UNNOTICED! I would also like to use this opportunity to give accolades to *THE FREE AMERICAN*, C/O U.S. Highway 380 Box 2943, Bingham, New Mexico 87832. GOD BLESSES THE DARING OF SPIRIT—AND THANKS THE DARING IN ACTION.

*The Free American* newspaper uses a notice headline of: “Secret Senate Report Predicts WAR in the Middle East”. March 1997 issue. They also deal further with “Mind Control from Within” so you will want that information as well.

Readers, you certainly CAN change all of this mis-direction of humankind if you will but realize GOD. I did not say “RELIGION” OR “DOCTRINE”—*I SAID “GOD”*.

I am going to cause you to suffer even longer through some observations as also presented and this is

regarding some Biblical discourse. This is presented in the same paper and submitted by Alfred R. Martin. It is entitled in such an attention grabbing way that I shall simply ask that Dharma type it as is and may your wisdom match your input.

[QUOTING:]

### ISRAEL'S END

[From the Editors of *THE FREE AMERICAN*: “As a rule we rarely publish religious discourse. However, the Bible *DOES* accurately foretell the advent of the New World Order, the Mark of the Beast and the arrival of the Anti-Christ. Therefore, in light of the preceding report, we thought this essay to be interesting.]

**“Americans are being FORCED to support the land of Israel, WHICH GOD HAS PROMISED TO DESTROY! Where are all the REAL Christian Ministers who are supposed to preach the Word of God?”** submitted by Alfred R. Martin.

Anyone who studies the seventh chapter of *Ezekiel* carefully will discover that it contains many important facts about the coming END of the present state of Israel. *Ezekiel 7:2* states specifically, “An end, the end is come upon the four corners of the land.” the land of Israel has had many “an end”, for she has been invaded repeatedly through the centuries, but “the end” will occur, according to the *Bible*, in the soon-coming great tribulation, a 3 1/2-year period of unprecedented turbulence, which is described both in the *Old* and in the *new Testament*. [**H: '97, '98, '99 and half of 2000 perhaps?**] That *Ezekiel 7* indeed relates to the still-coming great tribulation is further confirmed by *Ezekiel 7:19*, wherein the statement is made,

“...Their silver and their gold shall not be able to deliver them in the day of the wrath of the Lord.”

“The day of the wrath of the Lord” is a term used throughout Scripture to describe the great tribulation (see *Revelation 6:12-17*). To prove the complete fulfillment of *Ezekiel 7* lies in the future, note some important teachings in *Ezekiel 7:24*, “...I will bring the worst of the heathen, and they shall possess their houses...” Observe carefully who it is that is going to “bring the worst of the heathen” UPON ISRAEL—”I WILL.” The Lord God, the Lord Jesus Christ (*John 1:1* and *Hebrews 1:1-10* reveal that They are both one and the same). Hence, though Israel will be destroyed by the wrath of MEN, this will occur according to the wise and infallible will of GOD.

Observe secondly whom it is that the Lord will use to destroy Israel, “*the worst of the heathen*”. The Hebrew word here is *goyim*, which, throughout the *Old Testament*, refers to the “gentiles”, or of the “nations”, in short, to those who did not belong to the commonwealth of Israel.

It was to Israel that God entrusted His Word, the revelation of Himself. It was to Israel that God came in person, when He took on human flesh. Yet when “He came unto His own and His own received Him NOT” (*John 1:11*) so far from God has the nation wandered upon which the nations were dependent for

the sharing of His revelation. Having rejected its redeemer, the nation from that point on headed toward “the end”, promised in *Ezekiel 7:2*. As a nation, Israel has, of course, disbelieved or ignored God’s revelation and that this end is coming.

God Himself will bring the cruelest, scummiest and most degraded heathen to trample Jerusalem under their feet. Thereby He will show that an Israel that rejects HIS SON and keeps the world in continual turmoil is NOT the will of God. He will use “the worst of the heathen” to effect “the end” of contemporary Israel. Then, as related in *Zechariah 14:12*, by special plagues, He will destroy the wicked heathen whom He used to effect His Will, for the wicked heathen will not consciously have served Him. They will have been motivated by the most savage emotions that rage in the hearts of men that know God—revenge, hate and greed.

We see that the story of what lies ahead for Israel is a very simple story, so simple that a child can understand it. Why is it then that so few children have ever heard the story? Because there are so few grown men who study and preach the Word of God, but so many who instead are willing to help spread the Zionists’ propaganda that the present state of Israel is here to stay, but both Jerusalem and the state of Israel are headed for complete destruction.

The *Bible* speaks specifically about the future of the present state of Israel, clearly foretelling that it is a gloomy one. When the Lord Jesus Christ was on Earth, He spoke to His disciples about the sad future of the political entity that is today called Israel. All men would do well to ponder the words of the Lord Jesus Christ recorded in *Luke 21:20-27* with their solemn warnings that:

Israel will be invaded by foreign armies.

Jerusalem will be left desolate.

Immigration and tourist trips to Israel will cease.

All things that have been written (by the *Old Testament* prophets) will be fulfilled.

Israel will enter an awful time of wrath.

Israeli armies will not be victorious.

There will be a new worldwide dispersion of Jews.

For a season, the non-Jews will rule over Jerusalem.

These days of horror for Israel and the subjugation of Jerusalem to the non Jews will continue until Jesus returns. [**H: Could we make that, possibly “...until CHRIST returns?”**]

The *Bible* is clear. No man can disprove it. Why then do so many prominent Christian ministers and evangelists fail to preach it? [**H: Because you can’t separate TRUTH from other truth. That which you “Christians” call “the Bible” is but one reference book, readers, and you had BEST GET THAT ONE STRAIGHT RIGHT NOW!**] No wonder so many Christians BLINDLY support a politi-

cal state that God has promised to destroy. **[H: Well, for one thing, the political STATE “IS” “NOW” THE ISRAEL OF WHICH YOU HEREIN SPEAK!]** Hosts of Christian “leaders” refuse to tell their flocks what the *Bible* says about Israel.

Now read the prophecy of *Amos 9:8*. Now look at *Amos 9:8-15* and you see the *Bible* states specifically that, in the day when *Amos 9:8* is fulfilled, God will effect four miracles that [*otherwise*] could never perform. The four miracles are nowhere to be seen, so obviously *Amos 9:8* still awaits fulfillment. Note the four miracles that God will effect AFTER He has destroyed the sinful kingdom:

- (1) There will be a divine restoration of the Davidic capital.
- (2) There will be harmonious relations between Jews and believing non-Jews.
- (3) There will be unheard of blessings on agricultural pursuits.
- (4) Israel (again the believing remnant, not the Satan-worshipping members of the sinful kingdom) will dwell there in the land and never again be scattered.

The present state of Israel is headed for ignominious destruction. Read about Israel’s destruction in *Luke 21:20-27*; *Zechariah 14:1-2*; *Ezekiel 7* and *Amos 9:8-15*.

Loan guarantees by the U.S. Government to the state of Israel are a waste of U.S. taxpayers’ money.

God will Win!

Now, give careful attention to the first words of *Isaiah 11:11*, “And it shall come to pass in that day, that the Lord shall set His hand again the second time to recover the remnant of His people...” In what day?

*Isaiah 1:1-10* contains the clear answer, for it describes a coming age known as the millennium when the curse will be removed from nature, when the lion will lie down with the lamb, and when the Lord Jesus Christ will rule the whole world from Jerusalem. It is in the coming day that God will use HIS angels to gather in the promised land Jews who will have come to faith in the Lord Jesus Christ and who will have been persecuted by their own race because of their faith in Him. **[H: Be very careful here for once again I must remind you: “Jesus” is the name given by Paul (Saul of Tarsus, Christ’s worst enemy) after the ‘crucifixion’ of the Man. THE BIBLE was not put to writing until over 300 YEARS AFTER the passage of that Man. So, I repeat—this can only, at best, BE ONE MAN’S INTERPRETATION OF THOSE SCRIPTURE MEANINGS AND ONE ERROR WILL DO YOU IN.]**

*Psalms 69:35-36* **[H: Remember, *Psalms* was written by this same “Paul”.]** throws interesting light on all of this and reminds us that those whom God will gather to live in the promised land in peace in the millennium will be those who love HIS name and serve Him. They will not be the people who reject His Son. **[H: Oh yes they will be—for where do you think the victors will be going? USE YOUR WISDOM, READERS!]** A true fundamentalist knows that before the Millennium can come, “the time of Jacob’s trouble”, a 3 1/2-year era of unprecedented pain and chaos, the great tribulation, will sweep over Israel and the entire world. **[H: WHO SAID? And, does it HAVE TO BE THAT WAY? OF COURSE NOT! IT IS UP TO YOU AND YOU AND YOU TO CREATE AN ENDING TO THIS**

**STORY WHICH HAS PROMISE OF CREATION, PEACE, LOVE, TRUTH AND BALANCE WHICH AUTOMATICALLY BRINGS “HARMONY”. THIS PERSON BRINGS THE “SAME” DESTRUCTION ONTO YOUR HEADS AS DOES YOUR WORST ENEMY. IT DOES NOT “HAVE TO BE THIS WAY”!]**

**[H: I ask that the remainder of this message be presented just for your insight into what “I mean”. If you continue to march to this drumbeat you are going NOWHERE EXCEPT DOWN.]**

The great tribulation must pass before the Millennium can come. **[H: People, the “millennium” will come right on schedule just as does every other year of your calendar. Stop this nonsense.]** And it will not be until the Millennium comes that God creates a Christ-honoring Israel, which will never be destroyed.

“Religious Leaders” have managed to confuse millions of Americans with false Biblical prophecy **[H: Yes indeed, JUST LIKE THIS ONE!]** concerning a foreign nation named “Israel”. It is the bankrupt aggressive nation of Israel which literally controls the American Congress through an army of agents and “Israel firsters”. **[H: Now, the man DOES have this correct.]**

It is the nation of Israel which is denying you representation while collecting your taxes. Israel manages to extort some \$10 billion per year from Americans to support itself, but this is not the worst of it. The worst of it is that Israel has involved America—meaning YOU, your family, your future existence, in a dangerously volatile geopolitical struggle which hardly concerns us.

**[H: I think you parties interested in backing God through, let us loosely say, “the contract”—you might be well-informed if you realize that it not only is valid, in fact, but that the Israelis fully plan to back, and fund, through the conduit of the G-7 commercial entities, THAT CONTRACT OF WHICH WE SPOKE EARLIER—YOU KNOW, THAT ONE THAT “COULD” SAVE YOUR ASSETS! WELL, GOD IS AN EQUAL-OPPORTUNITY EMPLOYER. YOU GIVE AWAY THE GIFTS HANDED FORTH UNTO YOU AND YOU GET WHAT YOU DESERVE—THE ENEMY WILL GRAB IT WITH GUSTO.]**

America has no business getting involved in the insoluble problems of the Mideast. **[H: Say what? You have EVERY REASON to get involved.]** There is NO WAY we can solve these problems. **[H: Oh wow, and what else does this idiot say? There is every way that YOU can solve these problems—by recovering your own FREEDOM and other nations can follow—or lead, as the case may well be.]**

The worst offenders responsible for this tragedy are the Religious Charlatans and Bigots who say that the *Bible* Commands Christians to help Israel. These “FALSE PROPHETS” dare to use the name of Jesus Christ to justify lawless aggression, mass murder and torture of human beings. **[H: Well, I detest the use of “any Christ”, Jesus or otherwise, to further the blatant misunderstandings OF GOD.]**

They use the Word of God to set up one group of people as superior to all others, the “God’s Chosen People” INSANITY, a group which cannot be honestly criticized because it cannot make mistakes—a nation which must be supported with OUR tax dollars and our blood in spite of all its crimes. **[H: Well, I**

**see that this author omits the use of “our souls” and focuses on the always-present topic of “money” and “blood”. DO YOU NOT REALIZE YET, READERS, THAT BOTH BLOOD AND MONEY—ARE OF THE PHYSICAL PLANE AND HAVE NO CONSEQUENCE EXCEPT AS PLACEMENT OF SOUL—TO ANY OTHER CREATION OR PLACE OF GOD?]**

Americans are being FORCED to support the land of Israel, WHICH GOD HAS PROMISED TO DESTROY! [H: No, the FACTS are that God has never written anything and neither did that “Jesus Christ”. MAN WRITES and usually writes what is convenient to his own service. GOD DOES NOT DESTROY—GOD CREATES AND YOU HAD BETTER GET ON, MAN, WITH KNOWING THE DIFFERENCE. GOD DOES NOT DESTROY ANYTHING—HE CREATES THAT WHICH IS BETTER ACCORDING TO HIS COMMANDMENTS OF GOODNESS SO THAT MAN’S SOULS MAY PASS CLEARLY AND PERFECTLY INTO “HIS PERFECTION”.] Where are all the REAL Christian Ministers who are supposed to teach the Word of God? (End)

[END OF QUOTING]

Oh indeed, where are the ones with BRAINS in REASON AND KNOWING ABOUT GOD who COULD teach the WORD OF GOD—but continue to live in the dreary and oppressive misunderstanding of some man’s printed word? When you replace the errors of one man’s opinion with the errors of another man’s opinion—what have you? ERRORS from BOTH.

GOD IS A CREATOR—NOT A DESTROYER. MAN IS UNABLE TO CREATE BECAUSE HE HAS BECOME A DESTROYER—GET IT STRAIGHT. HE HAS CLUNG TO HIS PERCEIVED OPINIONS AS IF THEY ARE SUPER-GLUE AND REFUSES TO SEE THE CREATIVE GIFTS AND OPPORTUNITIES OF GOD DUE TO MAN’S OWN FOOLISH LIMITATIONS REGARDING GOD BECAUSE HE SO LIMITS HIMSELF TO OTHER MEN’S OPINIONS WHO HAVE LONG SINCE GONE ON BEFORE. If Saul of Tarsus (Paul) made nothing but heinous errors BEFORE his so-called blinding conversion—what makes YOU THINK, 2000 YEARS LATER—THAT JUST MAYBE PAUL MIGHT “NOT” HAVE CONTINUED TO MAKE A FEW WRONG STATEMENTS LATER, OR DO YOU JUST CAST THAT ASIDE FOR YOUR CONVENIENCE OF WAGGLING ALONG TO THE FALSE TRUMPETERS’ TUNE?

Would you, further, consider that THIS author above might just be a bit judgmental about “other” ministers? Two wrongs NEVER make a RIGHT, readers—NEVER.

Good morning and may the LIFE YOU SAVE, BE YOUR OWN.

## CHAPTER 6

REC #1 HATONN

SAT., MAR. 22, 1997 7:14 A.M. YR.10, DAY 217

SAT., MAR. 22, 1997

### EACH DAY IS A NEW AND WONDROUS THING

Seize the opportunities of the day as if they would be the last within your plane of experience. Take each moment and hold it preciously and gently in your hands that your days may hold memories of tenderness as you reflect upon your journey.

Do all things in such a way as to have God and His Angels always attending (at your invitation) each thing, and all things, to which you turn your attention. God will be there anyway, and after all, HE IS THE ONE YOU WOULD HIDE FROM.

Each thing you do in love and beauty—make it filled with love and give it the most beautiful setting and associations that you can conjure for one day it will come to pass that you wish it had been treated with such love and sharing for so many of your experiences take on true meaning because you shared, with someone, your precious being. But never choose to do a thing SIMPLY BECAUSE YOU EXPECT OR DEMAND IT OF OTHERS. YOUR DEMANDS, REMEMBER, ARE NOT ANOTHER'S COMMANDS.

Bruce and Valerie are joining “in commitment” this Sunday, the 23rd day of March, 1997—but I doubt they are the ones who have enjoyed the festivities the most. Doris has played in the flowers and bouquets, candles and arches until she has felt human and “normal” again. Rick considers his input to be a memorable and valued bit of commentary as the Bride and Groom look upon this day as the meaningful day it represents, that of joining into a journey together in the beauty of the moment and within the passages of all time remembered. Our wish for each of you is that, as you embark upon new adventures, walk down an isle toward marriage, lie abed in your wished-for transition, or find others to share an unusual task and simply “be”, may you always give thought to that which you are about so that memories are laid in a foundation of wisdom, reason and, always, LOVE. Things will not always be pleasant—but each venture on the road of life is a beautiful and positive thing—IF YOU MAKE IT SO.

We sat with Zita yesterday in the dimness of evening dusk and looked out upon the garden outside her window at the convalescent center and marveled at the beauty of Spring covering the trees with flowers and the wonder of a quiet courtyard where one doesn't even need go outside to be within it.

Her bones are so very fragile now and she has hurt herself so that she is more confined than is usual even for these days of wondering if recovery can possibly be worthy of the pain and hurt of “getting there”. Perhaps it isn't, friends, if you look about and find peace in reflection, love and caring in your lives and have a feeling of “finish” to a passage or a task. Remember that leaving is only the embarking upon a far more

wondrous journey and adventure IF you have lived, well, your time upon the adventures of living in this “free-will” expression.

Doris and E.J. took her a gardenia plant for her nose and pink magnolias and ivory flowers so that on Sunday she too can share a moment of presence at the time of the Tracys’ wedding. A big thing? No—a precious moment in time to hold forever—in the hearts of the gifters—never mind the recipient.

If you stay embraced by the LIGHT every experience will be Genesis revisited and the *Unseen Hand* will forever be reaching out to hold your own and show you the way for no one ever walks alone and certainly no one ever makes large commitments to life, or death, or in-between, alone. God walks there with you and sends the rest of US to make sure you are consciously aware of US if you but choose to be.

Life is ever an ebb and flow of movement perceived, passages of ideas which sometimes are built into seemingly wondrous things for you, (we), are creators walking in thought through our adventures. The actions are but the building exercises manifest. Thoughts and words turn into something tangible if you but allow it. I am reminded of the many adversaries who say Doris could not write so much—she simply xeroxes “stuff”. Oh, then why are her keys on the board of her third keyboard worn away? Why is there a worn “dip” in the space bar where her thumb strikes between each word? Why are people cruel and unkind? Because they long to be fulfilled to the same extent that you might seem to be at a given moment when their own hearts are filled with unrest, a bit of envy (or a lot) or, simply because they perceive you hold what they THINK they want. But no, it cannot be, for if they wanted it badly enough, they would have it. Hold this truth in the uppermost reaches of your recognition. If you wanted to be as is someone else—you would be it. Most, you see, do not know what it is they want and, even after they “get it”, it is not what they had perceived.

And always, KNOW that LOVE is not that physical “anything” between people—it is that wondrous joy within the breast as the heart beats in tune with that “other” with whom you choose to share and walk and experience. When you have grown into that realization of “LOVE” you will have arrived for you will not longer conjure tricks to use against or for another in the physical arena of play and games. And no, you will not always beat “in tune” because you come from different drummers; EACH IS UNIQUE and it is, after all, that very uniqueness which makes you “interesting” to the other.

For each gift, there must be a receiving to make it whole. Many know far better how to “give” than to ever be able to “receive”. However, the only REAL “gift” is that which is embarrassed by the gratitude. The joy is in the giving, not the received thank you which is but an uncomfortable exchange of platitudes. If couples would remember this gracious bit of good manners would it not be a wondrous place upon which to dwell?

I am amused about how you people can get turned on by such as *Women are from Venus, Men are from Mars* types of writings. They express some “attitudes” but other than that they are quite dreary—FOR OBVIOUSLY, **YOU ARE OF EARTH!** And with that revelation settled, it is amazing how many couples silently experience with her wishing he would go back to Mars or that she was still on Venus—you know, where everything is perfect “FOR ME”. When you forget the “me” you may well be on your way to a good marriage or relationship. People are so busy thinking about “me” that there is no way to be thinking about “you” or certainly not “us”. This is incorrect perception for when the days are numbered and confrontation of self is nigh, you will measure your journey, not by “me” but by what you gave to “You”

and “We”. Selfishness for “my needs” is the downfall of every relationship—from the beginning of free-choice mankind.

Surely life is strange for everything, every perception, must start within SELF. But every experience measured thereafter is what you DO with self—for OTHERS. Wow, didn’t Creator make it interesting? I can promise you, however, if you give happiness and offer “giving” to another, you will make two people, at the least, happy. Who do YOU think YOU ARE that you are so wondrous as to expect everyone to make YOU HAPPY and serve YOU what you demand that YOU NEED. Tantrums are but the childish proclamation of immaturity—especially in marriages and adult relationships. Putting another “down” is even worse for it only reflects the foolish aspects of your own demands. And remember something, good buddies: you can’t be happy FOR ANOTHER and you cannot expect another to fill in your missing emotions and wishes—TO MAKE YOU HAPPY. Every man, woman, and child has a “right” to pursue “happiness”—however, happiness comes in as many forms as there are individual persons. So, actually the being will move AWAY from PAIN and into the areas of emotional centers which will reduce the pain. Therefore, if you issue “pain” in your own projections—YOU WILL PUSH THOSE “OTHER” “CHOOSERS” AWAY FROM YOU.

Is this “marriage counseling”? I certainly do hope so.

There is a song, *Don’t let the stars get in your eyes; don’t let the moon break your heart... unless of course, you are together and always looking up and beyond the moment in expression, time perception—and the journey possibilities awaiting your perceived movement forward.* Sometimes, however, that perception is not shared and therefore relationships cannot endure, for one reason or another. If your very emotional foundation is not attuned to another and that “other” will not meet YOUR NEEDS, BUT DEMANDS HER/HIS OWN WISHES, YOU ARE DESTINED TO MISERY AND DESPERATION—FOR A PERSON CANNOT FORFEIT THEIR FOUNDATION OF SPIRITUAL TRUTH ON THE ALTAR OF A DISSENTER FOR THE DISSENSION WILL DESTROY YOU AND WORK AWAY AT YOUR VERY SOUL. Know, dear ones, that if you are experiencing this kind of relationship—that other person is not “in love” with you, for LOVE IS GIVING to bring joy and peace within the other of the partnership.

You are going to leave that EGO at the door or you will fill your house with your own ego demands until you cannot breathe. Breath, remember, is the very truth and essence of living. Remember this very crucial point in relationships: you are supposed to be ascending into walking together and NOT descending into some kind of slavery. Appreciation and gratitude are the glue which holds the bond strong and secure. These things, along with good manners, will cement a union into infinity. Ah, but some will say—“I am young and not so yet wise” or, “I am old and too much so to change.” No, you are selfish and refuse to change for whatever reasons you may present to self and/or others. You will be what “you were trained to be” UNTIL YOU CHANGE YOUR MIND AND CHANGE YOUR BEING. YOU CANNOT CHANGE ANOTHER—YOU CAN ONLY ACTUALLY CHANGE YOURSELF. Now, what do you suppose you saw in “that other” that now seems lost in annoyance? Right, you THOUGHT someone else was going to offer that which you needed—no go, friends, for so too was the “other” looking for YOU to fulfill his/her lacking in self worth.

Will you remember all these wondrous statements? No, but from time to time you will find opportunities and circumstances in which you had BEST think upon these truths—and respond accordingly lest you be

most lonely and unhappy while seeing to it that the “other” is equally unhappy.

And when it seems there is no meeting place, move away where objectivity can be entertained. Go and carefully look at what you ARE, what you HAVE, and the values placed on each, along with the bondage of not being able to fulfill that which is your purpose. Separation is often a very good thing and sometimes permanent arrangements of separation are the most valid and wise decision. You do not have to HATE to remove self into separation from that “other” with whom the chasm has grown too wide. Stop your silliness, for every moment of your lives together will not be as a moment in a bowery of flowers, wedding cakes and honeymoons whereat you actually usually begin to be disappointed in one another as you begin to *really* get intimate in *realization* of such a step into unknowing. You certainly do NOT need to be in infatuation to be IN LOVE and responsible in your relationship. If your relationship is nasty—you had better carefully look at it and why you “think” you remain bound and shackled. It is, by the way, not *failure* if things “don’t work out”—it is WISDOM in ACTION when you confront the circumstances and take actions to rectify whatever errors we make as individuals. The ONE thing sure about living and perceived passage of time—IS CHANGE IN PERCEPTIONS ABOUT ANYTHING AND EVERYTHING. That is also called “**GROWTH**”. If you cease to grow and you stagnate—you will lose the respect offered by that “other” and you may as well rebuild that respect instantly or LET IT GO. RESPECT is the valued commodity “secret” of good relationships. “In love” can go, but if “respect” goes—it is over. You MUST respect another for the individual value for which he/she stands and if the ideals be in opposition—release the other to their own journey. LIFE is one series of releasing after another and when you think of it as growth and releasing that other, you can look at your own wise actions as positive rather than as failure. Who knows, perhaps that one action of positive strength is what the other is searching for in YOU.

There is another rather interesting observation which bears repeating, about things or beings: If you release it and it comes back to you—it is yours. If you release it and it never returns to you—***IT WAS NEVER YOURS IN THE FIRST PLACE.***

Marriage and commitments to join a journey together are commitments—not contracts of bondage. When the commitment becomes otherwise—it is prison, not freedom. When within these often-too-close relationships there is smothering and imprisoning—be careful! This is a pitfall which requires COMMUNICATION. But WISDOM requires that COMMUNICATION be the uppermost point of relationships. Physical things are but forms of COMMUNICATION so make sure YOURS are worthy of the “giving” and not the “using” or “taking”—lest you end up walking alone down that road of selfishness.

May you each arise each new day in thoughts of how you might cause the day to be worthy of “another” so that, as you continue to pray always for “another”, the response in prayer of good things flows always right back unto YOU for it cannot be otherwise so abundant. But you just can’t do that? Well, prepare for much “lacking” in your travels for to CREATE you must GIVE and REGIVE and you always Create that which YOU **ARE**.

Moreover, if you readers of this message think it to be simply for Valerie and Bruce and perhaps Zita, please do a bit more thinking for them, on this particular day—don’t need it nearly as much as the rest of you wishing to find some harmony and balance.

Again, may the life and love you save, be your own. Remember that LOVE can only add, multiply and divide—*when you share it with others.*

Good morning and please, keep those “stars” in your mind even if not in your eyes!

Salu,  
Dad

## CHAPTER 7

REC #1 HATONN

WED., MAR. 26, 1997 8:14 A.M. YR.10, DAY 222

WED., MAR. 26, 1997

### IT'S A GLOBAL COMMUNITY WHETHER OR NOT YOU MIGHT LIKE IT!

Where are we today? Are you waiting for me to tell you? I am doing my appointed job—what are you waiting for? Am I in some type of irritation? No, are YOU? I simply have myriads of topics on my plate while more pile up awaiting physical fingers to express my information. And my “fingers” are not well so I am somewhat hamstrung which, of course, is exactly what the adversary demands.

So, just get the fingers well? Not so simple, is it, when the barrage from everyone everywhere is at her? Readers read exactly what they want to see and perceive from anything and everything. I can't help that attitude for misinterpretation is your prerogative. I ask you (again) not to inquire of Dharma for personal information for she is NOT A PSYCHIC READER. However, we just get more and more requests as more and more of TRUTH is recognized from this resource. Get informed and you will be as psychic as is anyone else—especially regarding yourself. If you want something to happen—MAKE IT HAPPEN for it certainly does not require my input or Dharma's. If you are doing the right things—YOU KNOW IT! If not, you KNOW THAT ALSO.

I do, however, have to speak to some of these topics for S. Africa. Further, I don't have time or backup hands to respond to personal inquiries and, more specifically, to personal/personal psychic readings or medical regimens. I weary of the continual onslaught of people wanting me to fix their lives, straighten their “inner children” and, especially, practice medicine without a license. As with “Lana”, for goodness sakes, someone send the lady a note and explain that we CANNOT answer her questions for nothing has changed except more of her inner body has been removed and she is basically stuck with medical treatments. Her body is so out of balance as to be unable to achieve “healing” unless she attends 100% the program as outlined. I can't cause people to do the things they don't want to do, and on again, off again, to suit the whims of the experiencer, will not cut the sickness or the symptoms. She (Lana) can't get well until her body is brought back into some kind of alkaline stability. She is literally eating herself alive with the acid unbalance. When organs and portions of the body itself are removed, there is no ability to readjust to the original operating of anything, be it motor or body. But, when people, for whatever the excuse, do not fully comply with any program, you cannot expect a good outcome. If you are supposed to eat nothing save carrot juice and you decide you prefer hamburgers and french fries—so be it. It is YOUR life, reader, and you will do what you will do and therefore, it will be EXACTLY AS IT WILL BE.

However, let me tell you something—IF AND WHEN you eat those KNOWN destroyers in the face of “could be” healing programs of intake, YOU ARE MAKING YOUR CHOICE AS SURELY AS YOU PRETEND TO BE DOING OTHERWISE FOR WHEN YOU WANT SOMETHING BADLY

## ENOUGH YOU WILL ACHIEVE IT.

When we get the Spiritual questions, same thing—we have written thousands upon thousands of pages of information. People simply must read the material if they wish responses for there is not longer going to be individual responses for I do not plan to lose my scribe and speaker because people want her to do their homework for them. If they find this invidious or less than satisfactory, then it is their problem, not ours.

This is not a lack of appreciation to anyone—it is just that people seem to relate only to themselves and we are trying to survive as a species, and individuals are simply looking at themselves instead of thinking for selves.

Everyone has to look within and decide what it is they WANT to have happen, and neither then make it happen and I nor anyone else can do that for anyone else. Even Zita, do you see? She has to release the past from her existence as IS. She has to forgive self and others for their parts in her “play” before she can grow beyond that which she is and has become. She says one thing—but is half-living the very things which are killing her body. She wants things to happen which are NOT GOING TO HAPPEN with people (individuals) IN HER LIFE, PAST OR PRESENT. There is no reason physically that she can’t heal—but she harbors inner longings for something and for ones who simply have to be released, and the attention being gleaned is NOT SATISFYING BUT IS FURTHER GUILT PRODUCING. I only use this as an example for it FITS EVERYONE’S FEET. Soon, however, people allow the assault on the body to pass the point of no return. By this I mean that people dwell in the illness to the extent, without release of the problems “eating them”, that the body can no longer reverse the damages acquired. When this happens, the assumption is that the individual “mind” does not wish to do other than what it is doing—killing the body physical. This does NOT mean that everyone around has to also die to suit the wishes, albeit they are quite hidden from “some” intentionally, behind the facade of pretense (reported by the lips) of the transitioning party in point.

Remember, please, that illness is the PRIMARY cop-out of ones who don’t want to do other than what they consider their limited tasks. I concern because the diseases are so potent as to slop over onto those who are debilitated by the daily responsibilities accepted and then you pour on more from the weaker players and we have partial failure of our missions—through sidetracking.

It is extremely important to consider self and what self is going to do—for it will be exactly what is chosen. You people do, however, seem to have a penchant and propensity for laying too much onto already overburdened ones because you think they somehow can take “anything”, keep on taking a licking and then come right back, ticking. But, readers, life has to also be “lived” to some “normal” extent or the very purpose of living becomes dimmed and warped. Everyone seems to consider themselves to somehow be an EXCEPTION to every petition I have, especially as regards my speakers and writers. If I ask Dharma to NOT SPEAK today except when absolutely necessary until we can heal those lungs, what do I get back? Everyone and their puppy dog shows up to talk to her and if she doesn’t respond it comes back, “Well, what’s wrong with you today?”, “What’s eating you that makes you cross?”—and after this happens a dozen times, the talking resumes and I am without a speaker.

By the way, good friends, YOU DO NOT NEED DAVID MILLER to accomplish what you need to do. I asked that Ray Bilger and Bruce, along with any who WILL WORK SOLIDLY WITH THEM, formu-

late probable court filings so we can begin to look at them, tune them up and USE THEM. This means that the “teachers” have to KNOW THEIR SUBJECT, organize and get with it. People don’t come here to do what somebody else is already doing—we need people who gather up the goodies and develop them. What you want is SOMEONE ELSE to take you by the hands and pull you along—no more and certainly never less.

What hope do YOU think O.J. Simpson has with that program his lawyers have now dreamt up, of an appeal—to, first of all, the same judge yet? Well, if he is wanting a mistrial, he is going to the wrong cat, isn’t he? What are his choices? Well, he is, for one thing, building up cases to USE AGAINST THE SCOUNDRELS WHEN HE GETS AROUND TO ACCEPTING THE COMMON LAW REENTRY WHERE HE CAN GET SOMETHING ACCOMPLISHED. DOES EVERYONE HAVE TO GO COMPLETELY “BROKE” TO UNDERSTAND THE MISERABLE CIRCUMSTANCES IN WHICH YOU RESIDE?

If you keep waiting, and yes I mean local parties also, you are going to find that the repayment is going to be zilch as others wake up before you do and get your own survival goodies while you continue to pay the bad debts and feed the sharks. Here, you wait for Gene to see the light and build the program—WHY? He doesn’t know as much about COMMON LAW as do any one of you who have been too busy to study the *Constitution* and LAW. He is a dedicated attorney in practice, and knows nothing about other alternatives except what is accepted and taught. He is trying his hardest to catch up, but doing things WRONG is not an answer either. This is especially true when the system has you trapped within its very shackles.

What to do, say, about such as the gold held by the court (hopefully still held)? Well, I would have a COMMON LAW filing ready to file immediately BY EKKER-EKKER. Until you stop playing according to THEIR GAME PLAN, you can’t hope to pull out the gold from their clutches and, moreover, get it released for use. It doesn’t matter which or what attorneys are on your side or against you—the SYSTEM is geared to CAPTURE THE PRIZE—EVERY TIME. You can either do something about this or you can wait until HELL freezes and then still lose to the corrupted system.

Well, can Dharma do it? Yes, and I suppose that is what we might have to do—while the funds you need for survival and the programs underway are given no attention further, from myself or her? (????) You nice people can’t have it EVERY WAY for she is simply HUMAN and she is pedaling as fast as she can.

“But,” I get back, “I don’t know what to write to such as D. Campbell and others who...” Why don’t you? Is there some miracle in the brain of Dharma? Let me explain to you, however, that it is important enough for me to attend IT and, therefore, the rest of you get on with figuring out COMMON LAW because I do not intend to let this mission explode because others are too timid to get on with getting on. If you don’t know what to do: GO ASK GOD AND THEN LISTEN!

Even though I continually tell you that “I am not going to do this or that, for you,” you still WAIT for me to do it. No thank you. If you want some reasonable laws BACK into your judicial systems—you go do it for I don’t need your system changed. “Oh—but Dharma does?” **Does she? Well, a funny thing happened on the way to Dharma’s graduation—she chose to write and speak for God and therefore is not actually too concerned about the judicial system except as directly keeps her from her**

**appointed tasks. Isn't that what lawyers and attorneys are for—to protect the people PAYING for their services?**

People come to this place and then announce they are “ready for anything...” Oh? Then why aren't YOU doing what you are here to do? Or, is it—”I will serve anywhere EXCEPT here, there or elsewhere?” Why did you come if you are not meaning sincerely what you said in the first place?

I am continually amazed at the attitudes of you who have chased rainbows all over the world, claiming you want TRUTH. What do you REALLY want? Certainly it is NOT “truth”. If you were doing what was worthy of your level of production—you would be doing—not searching—so, in natural sequence, you were NOT being fulfilled successfully OR YOU WOULD NOT HAVE COME TO THIS PLACE! It is foolish to claim otherwise for you ARE what you PRESENT SELF TO BE.

If you can't fit into a mold in service—then why do you expect us to make you fit? We have neither the time nor the inclination for causing YOU to do anything. I am constantly badgered by the call for funds, etc. “Just send me the money so I can get there, and I'll be there to serve...” Why? And Say What? If you can't succeed WHERE YOU ARE why think you that some miracle will happen HERE? If you, for instance, come to farm but cannot farm because you know nothing of farming, in fact, is that not a lie on the very face of it? If you insist on running the message factory computer but can't type—what are we doing here? Ah, but everyone could, if they chose to do so, wash a window. Ah, but that is evidently not in your job description? Or, you are allergic to the wash solution? So be it. What most want to do is simply lay back and say: “Look how hard I tried... but...” Oh, I say—I don't see where you did anything more than “try” which is a demand for accomplishment of nothing. “Try” is to “deny”. “Trying” is a word that indicates intentional failure. It specifically “says” that you will “try” but you won't succeed. “Doing” indicates accomplishment. And, you have to “make an effort toward, directly, the act of doing and accomplishment”. Want to argue about it? Fine, “arguments” are the same thing as “trying” so it fits the pattern, doesn't it?

Opportunity knocks—you answer the door or you do not. This seems simple enough doesn't it? Opportunity and alternatives are CONSTANTLY banging on your door—but it doesn't SEEM to fit your circumstances? Nothing will ever fit your circumstances until you grab the gusto and run with it. I can also promise you, further, that until you can prove you can wash, WELL, a window, you shall most certainly NOT BE THE CHIEF IN CHARGE OF THE WINDOWS—nor, as far as I am concerned, ANYTHING ELSE I HAVE GOING BECAUSE TELLING ME YOU ARE WILLING IS NOT THE SAME THING AS PROVING TO ME THAT YOU ARE CAPABLE.

Every individual has to LEARN everything—from suckling to walking—except the concept of right and wrong! So, if you wish to play with us, you must learn to do whatever it is you want to do—and LEARN IT WELL, or you will simply wait forever for your life to pass on by.

There are over 7 billion people on your globe now and half as many corporations (artificial persons) and yet NOT EVEN ONE OF YOU HAS PRECIPITATED EVEN ONE CALL FROM SUCH A FAMOUS AND EASY-TO-FIND MAN AS O.J. SIMPSON TO THE PEOPLE WHO CAN SOLVE HIS PROBLEM. Oh, you are waiting for ME to get him so he can lead some march for you, to change the judicial system? Perish the thought—for him also—for he either is real in his presentation—or he is a

captive liar to himself. His problems are not my commands for performance and certainly are NOT Dharma's.

I find it most interesting that you can move in any direction and the “waiting” is present—except in the New World Order. No moss is growing under the feet of those would-be Kings. There is a concerted effort afoot to take the very empires of such as DeBeers, Oppenheimers, and on and on down the old world empire lines. However, those people also WAIT for “what”? They have in front of them their own solutions—even unto funding and building—and they wait because they can't “be sure” of who “I” might be. Well, I am TRUTH and their waiting is not my command, either. Nor is their plight the problem of others around them who HAVE OFFERED THEM A WAY THROUGH.

I will tell you right now, AGAIN, for I told you at least nine years ago—that TRUSTS are fixed instruments for take-over. Foreign trusts in the hands of major financial wizards are even more vulnerable. THE PLAN FOR FINANCING THE REST OF THE TAKEOVER BY THE NEW WORLD ORDER—IS TO CONFISCATE THE TRUSTS—ESPECIALLY THE OVERSEAS, OFF-SHORE TRUSTS. It is going to be far more severe than the Savings and Loan debacles.

In addition, the banks are so “oversold out” of gold reserves as to be in teeter-totter circumstances regarding total demise of both currency and reserves—even if you leave out, altogether, the “collateral” reserves.

Do you realize that it doesn't matter WHO IS GOD OR WHAT IS GOD? The point is, what are YOU and who are YOU?

People wait until something “is proven” or “somebody else makes it work...or...” No, people, YOU CREATE THE WAY TO MAKE A THING WORK and you will win—purely and simply. After SOMEONE ELSE discovers the way to make a thing work—IT BECOMES TOO LATE FOR YOU. Are some of you going to sit and say that George Bush can make a thing work—but Nicky Oppenheimer CAN'T? It is the SAME THING, so if it works for one—IT CAN WORK EVEN BETTER FOR THE OTHER!

Moreover, whoever is going to tarry forever over Light, Russell, Ashtley, or Hortense Hopperdink—is going to still be “waiting” when the dying trumpet sound evaporates from the face of the Earth. You live in a physical plane of manifestation and THAT IS WHERE IT IS AT! You can quibble over Spiritual aspects of possibilities until that Hell you froze above, is melted and frozen again. But TRUTH IS—and TRUTH IS WHAT IT IS. There is simply NO WAY that you can make the LIE—TRUTH! Therefore, is it not wise to work toward securing the physical aspects of moving sequences toward what you believe to be GOODLY, or even BADLY, THAN TO SIT ON YOUR RUMP AND LOSE EVERYTHING YOU “THINK” YOU NEED? Percentage-wise you risk more than this, relatively, every minute of your days.

You want us—who offer something in exchange for your help and participation—TO PROVE SOMETHING AS REGARDS WHAT WE CLAIM. WHY? YOU DON'T EXPECT ANY “BUSINESS KING-PIN” TO OFFER YOU ANYTHING OTHER THAN CERTAIN LOSS. We offer you Truth, the Light, and the Way—and you want PROOF? You've got it! You just don't want to bother to change an iota of either your opinions or your ways.

I have been told that these attitudes don't endear me to people. I am not here to be endearing to people. I have no wish to "endear" myself to anyone or any thing. Most of your attitudes don't endear you to me—either. In this very instance I can repeat what I have noted prior to now: it is as with money or gold—neither are good or bad. Men can be good or bad in intent, nothing more. Money (gold) simply IS AND IT IS, FURTHER, ONLY IMPORTANT TO THE EXTENT YOU DON'T HAVE IT. I am interested PERSONALLY in that which is TRUTH—but not particularly relative to the School of Truth, the University of Science and Philosophy, Southern Methodist University, Baylor Baptist University, Notre Dame, or any other ENTITY. No matter what they believe or espouse—it doesn't make an iota of difference IN TRUTH. On the other hand, neither does the working of the world, especially financially, revolve around their attitudes or mine about Spirituality. I need to make contacts—and I use the appropriate conduits to make those contacts. Those with whom I eventually communicate—offer service, or simply interchange, and have nothing to do with one corporation entity or another—other than as a joint venture to accomplish our necessary working tools. Whoever works with me, however, IS GOING TO MERIT GREAT REWARDS because that is the way God returns service. If you plan to misuse, as you might perceive a personal attitude, the abundance—THAT, LADIES AND GENTLEMEN ***IS BETWEEN YOU AND GOD*** AND IS NONE OF MY BUSINESS. More bluntly put: **If you fund a contract of the money variety—I have absolutely NO INTEREST in what you do with your earnings. I am NOT here to save the world and if you think YOU ARE, then perhaps you had best reconsider very carefully your self-appointed positioning. I DO NOT HAVE TO BECOME MY ADVERSARY TO WORK WITH MY ADVERSARY FOR I HAVE ALREADY ACHIEVED THAT WHICH IS MINE AND THEREFORE WE CAN TALK COMMITMENTS AND AGREEMENTS—WITHOUT SPIRITUAL INTRIGUE OF ONE KIND OR OTHER.**

You who go forth and demand that "my way is the only way"—ERR. Your way, at best, is only one 7-billionth of THE way. The problem at present is that only about one hundredth of one percent even knows what in the heck IS THE GAME. I even go further in that I don't need to argue or debate THE way. What you think of me or my teachings IS NONE OF MY BUSINESS. Would I, for instance, help raise funds for such as, say, Native American Gaming? Of course, for I have no appointment with the destiny of deciding man's mind-set—I AM, simply that and nothing more. You have to deal with your attitudes because YOU don't really have "time" to deal with only MINE. What do YOU want? Never mind what it is that I WANT. And remember that usually what you CLAIM you want has nothing to do with what you REALLY WANT.

Another point I would like to make is that I suggest you not TREAT ME as some kind of "Holy Grail" for your filling so that I somehow dump back on you the contents of my cup. You need to make up your minds that which you ARE and then, only then, will what I AM be acceptable unto you. You want some pious miracle-worker to spout goodies like water from the endless fountain. That is your problem, readers, NOT MINE. God provides a pure and wondrous fountain of endless sweet water for your taking—but HE is not going to hold you down and pour it down your gullet. HE IS NOT GOING TO OFFER YOU A COP-OUT EXCUSE FOR IRRESPONSIBILITY LIKE A RAPTURE TO HEAVEN FOR POOR EXPRESSION IN YOUR JOURNEY. YOU ARE RESPONSIBLE FOR YOURSELF AND YOUR DIRECTION WITH SOUL, AND SOME MURDERED MAN IS NOT GOING TO SAVE ANYTHING OF YOURS. Being responsible or irresponsible is your singular choice in behavior AND INTENT. I have no business bending your "will" into being "my will". We can work and glean from the same

field—without becoming either THE field or the product of the growings in the field.

I can only remind you and remind you and, again, remind you: Man is what he has become because he has become faint of heart in spirit. And as Esu “Jesus” Sananda said so well, “If man is faint of heart in spirit, so are his laws faint-hearted and are like heresy. If man is presumptuous and disregards the Commandments and Laws of The Creation and of God, he is forced to bring forth his own laws which are full of mistakes and lead him astray. Laws and commandments made according to men produce murder and evil, and evil will spread and gain control, and man **no longer has any power over it**. Commandments and laws are valid **only if they are derived from wisdom and logic**. *But logic requires wisdom and perception.*”

So be it, and may you be given to realize that there is a difference in YOUR OPINION and that which IS. And, furthermore, when you tire of that which “is”, then and only then will you take actions in precipitating change in any direction you so choose that change to reflect—GOOD OR BAD. YOUR ACTIONS AND INTENTIONS ARE, HOWEVER, NOT MY INTENTIONS OR ACTIONS—OR MY BUSINESS. I have NOTHING to PROVE—but perhaps it is time for you to prove your intentions for, until you activate your GOOD INTENTIONS, you reflect nothing save possibly the negative aspects of your intent.

Is it hard to fathom that which I spiel out here for your breakfast cereal? Why? Mankind does NOT WANT TO KNOW TRUTH, for with Truth comes acts of responsibility and it appears that mankind only wishes to hide from responsibility. So be it for it is your life, friend, NOT MINE. You can go whereto ye shall—but your demand is not my command—and I do not have to GO WITH YOU. Furthermore, until you assume responsibility for self and getting informed—I don’t need you in my space, and when you understand that YOU ARE RESPONSIBLE FOR YOU, only then will you begin to stop your blathering and start your creating that which is glorious. If you want to die—die. If you want to live—live. But don’t dump your living or dying onto MY PLATE. I offer; it is up to you to take and use as you will. Responsibility is the name of GOD’S primary game and you can make it or blow it—that is the SECRET of the game.

Dharma feels so bad within when she can’t seem to get every individual answered, even to the most absurd requests. Why? Because she feels that if ones write to her to get something to me, it somehow involves her. The facts are that she is correct for if a person writes to me through her—the assumption is that the ANSWER WILL ALSO COME VIA HER. Sorry about that for if this offends you—then you haven’t done your homework and that simply is the way it is.

So, with these things in uppermost mind, we need to close this for our treadmill continues to run and drag us along. I choose to not allow it to further damage our gains.

Wherefrom, as a good problem for consideration, do YOU intend or “think” will come your next paycheck? Oh? How do you perceive that? If you are depending on ME, I suggest you get busy and find a way to get to work on “getting” and stop waiting for me to find YOUR WAY FOR YOU. What have YOU done to continue this journey as is? No, others cannot and SHOULD NOT continue to shoulder YOUR RESPONSIBILITIES. And by the way, people, don’t have waited three to nine years to produce a positive turn of an event—when the original event should never have been allowed to HAPPEN in the first place. You are not a success if it takes you years to accomplish that which should have been handled

in the first place. If you wait long enough, people, to do your job—everyone will be dead and gone—including you.

I am sick of excuses of why you “didn’t win”. I want a win in every category—and why would I want or expect less? You expect production and continuation of input from me—is it less I should ask of YOU? THERE IS NO FREE RIDE AND IT IS JUST ABOUT TIME FOR THE TRAVELERS TO START PAYING FOR THEIR RIDES UP TO NOW. PERHAPS ALL THOSE FREE LUNCHES YOU THOUGHT YOU WERE GETTING—ARE GOING TO DEMAND A LOT OF YOU NOW!!

“Well,” you say, “...it takes time and I just haven’t quite got it yet...!” So, why don’t you have it yet? The information and way to go has been dumped all over you and you haven’t seen fit to gather it unto selves. So, again, that is YOUR problem, not mine, for there is no magic cure for what ails you. Another’s miracle IS NOT YOUR CURE. Now, you who understand what I mean—God bless you. You who don’t seem to get it, God forgive you for your lies unto self. And, if I seem to insult you—remember something important: It is intentional.

Salu.

## CHAPTER 8

THU., APR. 3, 1997

### ANONYMOUS LETTER

I, Doris J. Ekker, heard the cell-phone in the bedroom ringing and, thinking it probably to be E.J. who sometimes uses that phone as an “intercom” when he knows I’m upstairs, I answered it. It was a male voice I didn’t recognize and, when he asked if I were Mrs. Ekker, still thinking it to be E.J., I said, “Yeah, E.J., what do you need?” He said that he was not E.J. and that I might be well advised to just keep quiet while he explained a few things to me. In view of the recent calls due to the publicity and trashing on TV programs I told him tell me something different from what was on the news real quick or he would be talking to a dial tone.

He said, “I was present during a telephone conversation that included Jason Brent concerning how to discredit the Ekkers. I haven’t seen that on the news—is that different enough?”

I said, “I’m suddenly all ears, but I want to record this so I don’t forget or misquote anything you say. Wait a minute while I get the recorder over to this phone.”

After I was all fixed and ready I said, “OK, I’m ready.” He then said I could record the call only if I would agree to transcribe the conversation verbatim from the tape and then burn the tape since he did not wish to be identified yet and his voice might be recognized. He also said he could possibly be more useful “under cover” a bit longer but that when the time was right he was willing to sign an affidavit.

### TRANSCRIPTION

C: Is your recorder on?

D: Yes, and I put in a fresh tape so I can throw it away.

C: No. Our agreement is that you will burn it. Is that agreed? I know enough about you to know that you will do what you agree to do. Is that agreed?

D. Yes, I agree to burn it.

C: OK, now, when I was invited to a meeting I didn’t focus very well on the objective of the meeting, if it was mentioned at all. It turned out to be a “planning” session to set you and Mr. Ekker and the Phoenix Institute up as a “cult” just like the “Heaven’s Gate” group with the same orientation toward ETs and “lift off” or “beam up”. My reward for my participation in this was that, once the Ekkers and Phoenix Institute are neutralized, the Phoenix Institute will go into involuntary bankruptcy and the several million dollars that it has in gold could be “earned” by doing certain chores for the bankruptcy trustees. I have never participated in such an arrangement although I have heard that it is done.

D: Who—or—what are you—what could you do for them?

C: I won't comment on that now; it would provide clues to my identity. Are you aware of the *EXTRA* and other TV broadcasts of a couple of days ago?

D: Of course. What do you know about them?

C: Do you know how long the interviews were?

D. No, I guess not because there were only sound-bites, out of context, undoubtedly, and on TV 29 there were only a very, very few minutes with Leon Fort and his mistress, Ann Beam. She is a self-proclaimed witch from an Arizona coven. Betty Tuten *STOLE*, did you get that, sir, *STOLE* three corporations on two separate occasions, right in Nevada. I understand the programs were worse the following morning on TV 29 as to showing our house which they referred to as a "compound", but I didn't find too much except total lies the evening of the airing. *EXTRA* was different; that is grounds for a law-suit.

But what really ticks me off the most is that Miles Muzio of TV 29 lives directly across the street from us and I hear he even came to the cars by our drive to talk to the reporters. We were not home, unfortunately. One of the first things on *Extra* was a picture of where we live, we rent this house, with the statement that the "whole cult is holed up in this huge compound..." This is grounds for a law-suit.

It appears that the other local channels had sense enough to not involve themselves in this slander so we know that someone had an "in" and could pull strings with Channel 29—it would have to be that way.

C: Sure, and the very one pulling the strings was your local ex-Judge—that one that still plans to run you out of town or lock you away.

D: And Rod Ence/Enz—you know he changed his name—what did he have to do with this? While he was President of the Institute he stole about \$50,000 in funds and equipment. He also sabotaged stuff.

C: Do you have any idea how much he sabotaged?

D: Well, I guess probably not, but we do know and have proof and/or witnesses who know that he and/or his sister-in-law were responsible for breaking up the irrigation system, and breaking a gas line in Mr. Turner's trailer and an explosion and fire ensued that could have killed Ray Bilger who was occupying the place, and could easily have burned all the buildings if Ray had not been out there.

We know that they stole the birds, farm chickens, tools and other things. He and his family's income amounted to about \$50,000 a year and, at the same time, got welfare and Food Stamps. He was let go because he was always cheating on his expenses and lying about all the work he was doing on the farm. After he left we learned that he had embezzled some \$23,000 from the Institute while he was its President and a Director.

On TV, even the kids recognized the nut. And even more incredibly, he went over to Bob Turner and told him to watch *EXTRA*, that there was going to be a whole lot of stuff coming out in that program. This is after he stole some of Bob Turner's stuff and turned Bob in to the Planning Commission for some old, and piddling, violations of the building code—which weren't violations at the time years ago when Bob moved

the trailer to the farm. And after Bob gave the Ence kids one of the nicest Christmases they ever had, the first year they were on the farm.

C: No, I didn't know all that. And I must have missed something. Who is Bob Turner?

D: Oh, sorry. He owns the farm and one of the companies financed by the Institute leases it from him. He is really a nice person—used to play professional football and baseball, both.

C: Did you know he has ruined your tractors?

D: No, you have to be kidding me.

C: No, I am not kidding you, and he involves somebody by the name of Rob Davis.

D: I don't think I want to hear this.

C: I think you should. He says he “has Rob Davis” so that he has to cooperate. Says something about knowing Rob took funds from your house for which he was accused.

D: Who, Rod Enz?

C: Yes mam—the same. I believe I recall him saying that the fuel used to ruin the tractor was taken out of an airplane hanger where you keep your planes.

D: That can't be. We don't have any planes but Mr. Bob James does... and you're correct in that, yes indeed, gas was stolen from two planes in the hanger.

C: Ummnnn huh... begins to make sense, doesn't it?

You need to know that the Ence interview lasted nearly four hours. He didn't just name your place... that is, your home and your son's place—but said there is a full arsenal out at that farm. He made them not use this material on the air lest he be “identified” and he “feared for his life”. The FBI was, however, notified and there will probably be a major investigation of everything out at the farm. He thinks this is a big game and just went on and on and on until it was so obviously all lies that even the TV people said they couldn't use most of the information anyway. Apparently he was so nervous and palsied that the TV crew had trouble getting what they got to use.

D: Sir, I know you are telling me the truth but I have to say that this really breaks my heart and I can't believe there could be such evil.

C: Well, Mrs. Ekker, let me assure you—this little conspiracy of do-badders runs all the way from Idaho, Colorado, Montana, Nevada, Los Angeles—and right to Jason Brent's office. After a few days you can expect this to show up on the Associated Press but they were too nervous to get involved until they saw how it would fly on the TV.

D: Well, how do we fight this sort of thing?

C: Easy—they are terrified of exactly “this”. There are so many “mouths”, and I mean talkers, that they know the bragging will get done and they will tattle on each other. It already has happened. Green is on the phone every ten minutes and so is that imbecile Abbott. They are scared to death you will simply do some interviews and bring out the ongoing cases and link them together and they will all fall down—and it is so, isn’t it?

D: I don’t think anything we will say will be used and therefore an interview just gives credence to them.

C: Wrong. And I want you to know that the FBI is already connecting with people—everybody is NOT against you—and I am one of them. Moreover, I am accepted and trusted by them and I tell you again, I was present for the phone calls, the planning.

You can check out something else—the attack against your daughter, Kathy, and the raid on her children. Those records are ordered sealed; Jason Brent got the deeds done and you are going to find the officers were ALSO, get this, ALSO from Stallion Springs. This involves Brent and a woman called Tammy. She must be a real ally-cat, that one.

D: Wow. So go on and make the rest of my day. But Kathy is not my “daughter”—she is my daughter-in-law and this has and will really hurt her family and her business for she just helps us out because she loves us and we do consider her “ours”.

C: Yes, you get the picture—bust up every family member they can find! Now you can think about this—you can go for blood and this time you will get it—or you can sit and be destroyed, but it seems a real shame to me to let it go because this is about as disgusting a thing as I have ever had the misfortune of witnessing, and as you will learn, I have witnessed a lot.

There was talk of getting the tapes of the programs entered into the court as EVIDENCE by somebody named Binder. Also, the attorney Horn is entering papers without proper permission with Chapin to get this stuff on file against you. I suggest you listen and don’t wait around to take some action because by now they probably already have the information to the courts.

D: Well, where can I reach you? I have to sit and consider this and, frankly, I don’t have any reason to trust you. Well, I guess I apologize for that nasty statement, as you have apparently gone out on a limb—I mean... oh please, you know what I mean. Is this Mark Williams?

C: No, and I think you know that I wouldn’t tell you if it were. I can only tell you again that you can trust my information and go with it—and by the time you need the back-up—I’ll make sure you have it... but I don’t want to ruin my cover for nothing, either. So, I’ll have to contact you and I won’t tell you here on which line I will call. I have all your numbers, FAX number and both cell-phones. Be cautious but get some publicity because they don’t plan to stop here if they aren’t stopped by publicity. Ence is crazy as a loon and could be dangerous.

It is a sure thing that investigators will show up to look around and Ence has told them that you people have

tons of wheat and beans stored. He says it is bunker stuff to keep you during a “hole up” in your bunkers where you keep some of the stash of weapons—the rest are stored under things at the farm. Mrs. Ekker, I suggest that you get some seed stored inside the basement of your house—FOR SAFE KEEPING OF SEEDS FOR PLANTING, out of the reach of “vermin”. And I can warn you now—they are NOT going to let you grow any crops this year so you could save your work and money—and equipment—by just holding up, and that gives you even more reason to be storing seeds away from vermin.

If you inform Turner of every move it can get talked up and documented. I am not here to scare you more—just help you out a bit. If some of us don’t do something we aren’t going to make it because these bastards will use and destroy anybody—not just you nice people.

D: Thank you, I think... please let me deal with this and, yes, I’m sure I do thank you, but....

C: Never mind. I’ll be back in touch and can only depend on you to keep your bargain as I can promise you that I will keep mine, even if you can’t realize it yet. I think this is enough for this sitting for I don’t really want to be on this phone any longer anyway.

D: Sure, I understand that and, no, I won’t try to track and will ask that no one else interfere. I can’t just sit on this though, I’ll have to share.

C: That’s OK. You folks really do have a lot more friends than you know and if we all play our cards right you can get rid of a whole bunch of deadbeats at one swing. God bless.

D: Thank you, and good bye.

C: Bye now.

End of conversation

I hope this man is “for real”. After a while it sounded like everybody and nobody we knew—slightly familiar but not enough to even guess as I guessed the only one I suspected. Please, E.J., this is what was said and I just don’t want a bunch of questions from anyone—I am so tired of this.

## CHAPTER 9

REC #1 HATONN

SAT., APR. 5, 1997 7:29 A.M. YR.10, DAY 232

SAT., APR. 5, 1997

### THINGS ARE GETTING INTERESTING

No, I don't want you to run *The Universal One* in the paper until it is more suitable than now. I am not in the mood for teasing nor tempting anybody and especially Judges of the Federal Court. ***EVEN THOUGH IT IS ABSOLUTELY WITHIN ALL GUIDELINES OF RIGHT AND LAW.*** But I want it in the package that you give off to the *EXTRA* crew. Further, however, you cannot wait and WAIT to do the things that are appropriate at THE MOMENT. DO NOT LET CHANNEL 29 REST. YOU NOW HAVE ADDED INFORMATION REGARDING ROD ENCE, SO GET WITH IT. WHAT DOES IT TAKE TO MAKE YOU ACT? E.J., IF YOU DON'T WANT TO PERSONALLY MAKE THOSE CONTACTS WITH MUZIO AND SHOOP—THEN ASK CHARLES OR RICK TO GET WITH IT—TODAY. I WANT DORIS TO POUT A BIT LONGER—BUT I DON'T WANT THOSE GUYS AT "29" TO SET LONGER. REPORTERS DON'T HAVE ANY REAL INPUT SO DON'T EXPECT GREAT THINGS—BUT YOU MIGHT WELL FIND OUT WHO IS JASON BRENT'S INSIDER. MAKE SURE YOUR INFORMATION, HOWEVER, IS CORRECT. GAIN YOUR REPORTERS' ATTENTION AND DON'T JUST WAIT AROUND UNTIL NEXT WEEK TO GET WITH THE PROGRAM. I THINK PAUL CAN ATTEST TO THE FACT THAT JUST BEING NICE AND CO-OPERATIVE IS NOT THE ANSWER—ACTUALLY WE LOOK WORSE NOW THAN WHEN THE BLATHERING MOUTHS WERE SPEWING BECAUSE THE IDEA OF "GOLD" IS REPLACING THE POSSIBILITY OF THE PLAINTIFFS BEING NIT-WITS, AND THE "IDEA" OF MILLIONS OF \$\$\$ REPLACES THE ONE SILLY CONCEPT WITH, NOW, YET ANOTHER. DO NOT GIVE YOUR TRUST OR INTELLIGENCE TO YOUR SENSATIONAL BOTTOM-FEEDERS.

Now, I have other instructions as to the nosy *Extra* people and anyone else. This house is NOT A COMPOUND and nobody is going to go through closets, basements, take pictures or anything else WITHOUT FORMAL WARRANTS. You are welcome to bring the crew into the house—without cameras, to RESPECT the privacy of all concerned. If you run anything on public TV, note that everything looks better (or worse) according to the "slant" given the information and pictures. The pictures would lay bare everything you have to keep private—everything—right to your bathroom toilet paper. NO!

In addition, we keep to the "NO PICTURES" of Dharma—IS THIS UNDERSTOOD? I HAVE PROMISED THAT NEVER WILL SHE BE A FOCUS SO THAT EVERYONE CAN POUNCE ON HER FOR "MY" TRUTH AND SUFFER CONSEQUENCES FOR INDISCRETION OF CAMERA CREWS—PERIOD. IF THEY WISH TO PARTICIPATE THEN THEY WILL KINDLY FOLLOW OUR REQUESTS. THE TRUTH IS THE FOCUS—NOT A LITTLE OLD LADY IN HOUSESHOES. THIS IS EXACTLY WHY WE HAVE NEVER ALLOWED PHOTOGRAPHS—TO AVOID EX-

ACTLY WHAT HAS COME TO PASS.

THE PICTURES THEY USED ON *EXTRA* CAME DIRECTLY FROM DIANE'S AND JACK'S WEDDING WHERE EVERYONE PRESENT **PROMISED** TO NOT TAKE PICTURES OF DORIS OR E.J. SOMEONE COULDN'T EVEN FOLLOW THROUGH ON THEIR OWN PROMISE OF THAT DAY, COULD THEY? DORIS AND E.J. COULDN'T EVEN BE IN PICTURES WITH THEIR CHILDREN WHEN THEY HAD SUCH A SPLENDID SETTING AS TO LONG FOR MEMORIES OF THE WONDERFUL TIME. WILL WE NOW PAY FOR THE FEW TAKEN AT TRACY'S WEDDING?

AGAIN, NO WAY, FOR WE FOCUS ON FACTS AND TRUTH—NOT THE RADIO THAT HAS KNOBS AND SOUND SYSTEM. UNTIL YOU WHO SHARE RIGHT HERE WITH US GET THIS STRAIGHT, YOU ARE NOT GOING TO BE TRUSTED TO HANDLE OUR IMPORTANT BUSINESS. I'M SORRY, PAUL AND GENE, YOU HAD TO HAVE THAT ONE MORE LESSON! HOW STUPID AND SILLY DO YOU PEOPLE WANT TO END UP BEING AND LOOKING? CAN'T YOU SEE WHAT THE ASSES DO TO EVERYONE WHO ALLOW THE SPIES WITHIN? THERE IS NOTHING HERE NOW—AND NEVER SHALL BE, OTHER THAN WHAT IS RIGHT HERE AS PRESENTED RIGHT NOW AS TO WEIRD, INVISIBLE, STRANGE OR SILLY PRESENTATIONS. AND, UNTIL **YOU** GET THIS STRAIGHT WE ARE NOT GOING TO SHARE AND TELL MUCH OF ANYTHING AND, FINALLY, THERE ARE GETTING TO BE SOME REAL DANDY THINGS TO SHARE AND TELL.

Nobody here is a member of anything associated with ME—IS THAT CLEAR? You choose to be what you want and call yourselves what you wish. I HAVE NO CULT AND NO RELIGIOUS CHURCH BUILDING. YOU ARE WELCOME TO BE WITH US ANY TIME IT IS APPROPRIATE—BUT NOT BECAUSE YOU EITHER DEMAND NOR ARE SOMEHOW A MEMBER. IT IS BECAUSE YOU ARE “WELCOME”—NO MORE AND NO LESS.

If the crew is nice and respectful we will MAKE THEIR CAREERS—indeed, with a splash unfelt prior to now. We will introduce them to Icke, O'Brien, Phillips, Hayakawa, Mullins, Miller and on and on and on—and ask them to attend just like the important persons they are.

What are you going to do on Monday? You are going to introduce ones around a bit and then you are going to come right down to the multi-purpose room with anyone who wishes to come, with cameras off when they get to Ekkers—and “I” WILL TAKE THE MEETING. YOU DON'T BELIEVE IN ME—SO JUST AS WELL YOU SUFFER A BIT MORE DISCOMFORT THAN BLOW MY PROGRAM—AGAIN. I CAN MAKE IT DAMNED CLEAR IN JUST A FEW MINUTES HOW SERIOUS I AM REGARDING THIS, SO IF YOU DISAGREE—STAY AWAY OR JUST “MAKE MY DAY”. THESE ARE NO LONGER “GAMES” WHEN THEY IMPACT THE MOST IMPORTANT THINGS WE ARE ABOUT IN THIS LATTER TIME. AND YES, YOU ARE VERY WELCOME TO RUN EVERY WORD OF THIS MESSAGE ANYWHERE IN THE WORLD AND IT IS TIME THAT YOU SHOULD DO SO. BUT YOU ARE **NOT GOING TO MAKE DHARMA, ME!**

SIMILAR TO HEAVEN'S GATE GROUP?

What a stupid thing to say. There is NOTHING remotely similar to anything. There is no group here, no ideas remotely resembling such stupid assumptions as cast off onto foolish human brains and there is no way, except through total lack of your own understanding, that you can attach any statement, idea or fact to similarity. UFOs? What mean you, UFOs? Unidentified? How many of you can actually IDENTIFY much of anything either floating around or running around? Stop the garbage. Are there aliens in those UFOs? Of course, unless it, the UFO, comes out of your own manufacture and then you may or may not have “aliens” aboard. You trash your own language to the point of becoming unrecognizable.

Compound? What is a “compound”? And readers, you will find that stupid is as stupid does—and those “mouths”, so far, are totally STUPID. They think they have set you up so Brent, Horn, Green, Abbott, Horton, Tuten, Fort, Beam, Ence, et al.—gain some advantage? Well, if you get busy—this is the VERY THING HAVING HAPPENED THAT WILL DESTROY THEM BEFORE YOUR EYES. YOU NOW KNOW THEY ARE INVOLVED AND THIS GIVES “YOU” THE RIGHT TO ENTER INFORMATION IN EVERY COURT CASE YOU HAVE GOING—AS TO THE TRICKS AND DIRTY DEALINGS. BUT YOUR LAWYERS HAVE TO DO IT, DON’T THEY? AND/OR “YOU” HAVE TO GET IT DONE—DON’T YOU? LIKE NOW, NOW, NOW, NOW, NOW—DO NOT PASS GO AND DO NOT DRAG YOUR ENGINES, GET WITH IT NOW, NOW, NOW, NOW.

Do you think the adversaries aren’t concerned about the Common Law? Get the information on the Judges’ “stand” against it and scatter it far and wide—over the river and through the woods—and yes, even get it to grandmother’s house. Make sure you load that *Extra* crew to their ears in current sensationalism of the worthy kind. And, when you think that you know better than me—think again because YOU DO NOT! YOU are playing in MY SAND BOX!

Death and destruction, as according to prophecies, are NOTHING if you choose to not have it that way. Nobody is going to snatch you up and save your ass—hear me well. WE DO NOT resemble anyone else who is spouted about in your world today. No rapture, no saviors—JUST YOU AND GOD, BABY! When YOU get ready to change your MIND, you can change the play. HOWEVER, you are going to do it within the LAWS OF GOD ACCORDING TO RIGHTEOUSNESS (NOT RELIGION OF ANY KIND) OR YOU ARE NOT GOING TO PLAY WITH ME OR MY COMPATRIOTS.

Is somebody going to do this for you? Perish the thought, good buddies. Nobody is going to do anything FOR YOU. If you want to swim when the water is deep—better get on with learning to swim.

Can the people such as Ence hurt you if you are in truth? Silly thoughts—Ence has just been allegedly dismissed from his job for stealing over the past tenure with the Apple Shed where he has been working. I remind you that crime and ill-intent will get you one way or another and there is no blame except to SELF. He who continues in the lie, moreover, will be left dangling in his own lies. I don’t care what you or anyone else does to, or for, Rod Ence and his band of hoodlums-in-training—BUT YOU HAD BETTER CARE ABOUT YOURSELF AND YOUR ATTITUDE ABOUT, EVEN YEA, THE PERCEIVED ENEMY. THAT POOR SOUL JUST MADE YOUR FUTURE. THANK HIM, FOR YOU DON’T HAVE TO CONCERN OVER HIS JUST CONSEQUENCES—THEY WILL COME AS SURELY AS HE HAS SENT OUT THE SLINGS, ARROWS, LIES AND THIEVING. HE HAS ALSO, FURTHER, DELIVERED JASON BRENT INTO YOUR HANDS. THE WHOLE *EXTRA* “CONSPIRACY” IS EXACTLY WHAT YOU NEEDED, SO APPRECIATE GOD AND APPRECIATE YOUR ENEMY.

But, if, for instance, the *Extra* crew won't agree to discretion and privacy—then simply ask them to leave, insist they go, AND THEN, finish your paper work and go right on with filing your legal charges. I want Ekkers to be “remaining in anger” long enough to file those papers—is this understood? You are on a roll now, team, and platitudes will NOT wipe out the original assaults—that is simply manipulation. Turn the other cheek? Sure—right AFTER you do your duty and call the responsible parties to attention. I can do a lot of things and you can do a lot of things—and the “things” will most likely be totally, 100% DIFFERENT. I am NOT Dharma and SHE is NOT ME—so stop your silliness—even though we are both a magnificent PART OF THE ONE WHOLE REPRESENTED HERE.

These people who pound on you are NOT nice people—nor are they nasty people—they are corrupted individuals and don't care whether they maim, murder or help anyone, anything or whatever—they are grabbers and snatchers—so give them something in TRUTH to grab and go after with the gusto they first afforded YOU. THE DAMAGE TO EKKERS CANNOT BE REPAIRED—EVER. IT DOESN'T, HOWEVER, MATTER FOR MORE GOOD CAN FLOW FROM THE FOOLISHNESS OF THE ADVERSARY—AND YES INDEED, FOR THE EKKERS, IT IS ENOUGH—BUT FOR THE HUMAN RECOGNITION—THERE ISN'T ENOUGH IN THE WORLD OF “THINGS” OR “MONEY” TO REPAIR WHAT HAS BEEN DONE TO THEM BY THESE VILE PLANNERS OF THE ACTS IN THE FIRST PLACE. SO, GO STRAIGHT TO THE GUILTY CULPRITS AND HIT WITH UNBENDING POWER—EVEN A BIT OF FORCE IF YOU CAN GET IT PROPERLY FOCUSED THROUGH THE TRUTH—NOT THE WEAPONS USUALLY UTILIZED BY THE KNOWN THUGS. IT IS TIME TO WRITE, AGAIN, A FULL DISCLOSURE ON JASON BRENT—AND INSIST THAT IT BE RUN ON CHANNEL 29 AND *EXTRA*. MAKE THE LEMON WORK FOR YOU—NOT AGAINST YOU ANY LONGER.

I want those people at *EXTRA* to know just how really upset you ARE. Don't err in making them feel you are just puppies with wagging tails. THEY KNOW THEY MADE A **BIG MISTAKE**, SO JUST LET THEM REPAIR IT AS BEST THEY CAN—WITHOUT USING YOUR GLUE OR BANDAIDS.

Oh indeed, we will feed them cookies and, please, some Gaialyte, but walk gently while holding on to the BIG STICK. NOBODY else will speak FOR ME, ladies and gentlemen, so if you don't want egg and McMuffins on your chin—don't sell me out because the one “out” will not be “me”.

The Ekkers are going to make sure the people they know from Channel 29 realize that there will be legal actions—so that they understand the circumstances a bit better than they did a few days ago. I think it is time for ME to be able to meet with both Rusty and Miles and let us find out WHO did the job on us right here in lovely, loving, Tehatchet, Californication. How do you know it was a “fixed” job? Well, other than the obvious—no other channel touched it and neither have the major cult coverers of the week. Channel 29 people spent a lot of time at Jason Brent's office and refuse to admit it? Oh? Then we do what they did—ASSUME THE NASTY WORST AND SPILL IT ALL OVER THE GLOBE!! As your friendly TEACHER said: “What I can do (or they can do) you (we) can do much better!” I really don't want Ekkers being very agreeable with anyone about any of this trashing. And, moreover, the rest of you soothers and water calmers—don't link me into your salesmanship games. I generally don't like “salesmen” because they aren't truthful—they just try to sell something—and we do NOT *sell* God or Truth.

And lawyers? Well, they are going to protect every quarter-inch of their own backsides and then the

backsides of anyone in the oldest profession in the world, prostitution—and never will they first protect either CLIENT OR RIGHT unless it is forced upon them—also by the law. Every “ticketed” attorney of the BAR is at major risk from here on in—they will be the losers and it is as sure as breathing. The system is falling to pieces and the “ticket” carriers are going to be the first to GO DOWN.

And as to the liars club of wagging mouths on those TV programs? They just lied themselves into TOTAL LOSS. They had lost not one farthing or thing—UNTIL THEY DID THIS, AND NOW IT JUST ISN'T GOING TO BE SO GREAT FOR THEM, IS IT? How dare sweet little Betty Tuten act offended and hurt. She was going to have been paid off in increments of \$200,000 each to make up her input—BUT SHE REFUSED AS SHE WANTED THE WHOLE THING ON THE SPOT—JUST AS GEORGE GREEN INSTRUCTED HER. Yes indeed, the whole thing is brainwashing—but NOT FROM HERE—people HERE, THINK! And do you really think a former Coven WITCH from Tucson, who claims to be the “emissary” of George Green, is going to hold much water when the chips are all laid forth in the proper media reruns? When are you nice people going to utilize the letter from Jason Brent to George Green with the information that Brent DENIED any coalition? What are you waiting for? Is it the loss of the cases for which you WAIT? Well, I am weary of your games AND their games—for we have far larger IMPOR-TANT games waiting.

Betty Tuten, for goodness sakes, comes on like little Mother Hubbard—NO, she stole three corporations to corner them for GEORGE GREEN wherein another person would lose everything she had, and not only did it ONCE—she did it TWO TIMES AND EVEN HAD TO MOVE TO LAS VEGAS TO PULL OFF THE “AGENT” BIT. THIS IS *NOT NICE BEHAVIOR*, PEOPLE.

Well, just when are we going to get on with “our other jobs”? When you get on with yours! We aren't waiting for anything to save us.

And for YOU who allow people to steal, even FROM YOURSELF, and then back them against the very people they thieved from—are pretty foolish in your expectation that you will simply run back to this Mother Hen and cackle and squawk and think you'll find the cozy down feathers comforting your silly backsides. The winters are going to get more and more frigid, ladies and gentlemen, but your bad choices are not our business—please remember it. Even if I can be a bit lackadaisical about the whole thing—the Ekkers are fed up and in THAT tale you can read whatever you choose. They have gotten stuck with the mess left by these thieving robbers and lying cheats—and they have had enough and don't give a hoot or holler any longer, about the outcome of each of the little devil's “druthers”. Ekkers stayed and have done everything in their power against ALL ODDS to protect that with which they had enough responsibility to remain strong and cover. Don't misunderstand that it is MY BUSINESS for it is a very human thing—THEIR BUSINESS. AND STILL SOME OF YOU WANT TO APPEASE THE VERY ENEMY—WHILE EXPECTING EKKERS TO TURN OVER AND PLAY DEAD. NO THANK YOU, AND IF EKKERS WON'T STAND STRONG AND CONFRONT—THEN WE AREN'T GOING TO GET VERY FAR, EITHER. YOU ALL WANT TO LEAVE IT TO DHARMA? WRONG IDEA!! SHE HAS HAD ENOUGH FOR IT IS SOMEBODY ELSE'S TURN IN THE POKER BARREL. Furthermore: **She is not going to longer sit while nobody “thinks” and just waggles, “Well, Hatonn said...”**

**I ask that things be done and, as yet—nothing about this “thing” of publicity has been handled as I ASKED!?! So be it—we are going to start turning the fingers and sending the adversary to YOUR**

DOOR AS THE DECISION-MAKING “LEADER”. I DO NOT APPEASE MY ADVERSARY—I GIVE THEM TRUTH AND STAND ON IT RIGHT ACROSS THEIR NECKS. I DON’T HAVE TO BE MEAN, NASTY OR CROSS ABOUT IT—BUT THEY MOST CERTAINLY KNOW THAT I AM STANDING THERE.

We will, for instance, be gracious and have good manners with both Channel 29 people and the *EXTRA* crew—BUT WE WILL NOT BEND A CONFOUNDED INCH!

And, do I dare take on the world? Of course—I always have and always will. I have absolutely NO CONCERN OR CARE what these insignificant puppets think or do. The important world players in the final outcome of this game KNOW ME, KNOW ME WELL, and we are getting on right well these days. The Green-Abbott, etc., team is desperate in their losing stance and are doing most stupid things—which I find not only amusing but very beneficial, while they look like idiots among their own peers—INCLUDING SUCH AS *EXTRA* who bit on a bastard’s lies.

And what of the “positions” of any who “change” and take a stand for that which is RIGHT? They get the pick of the jobs when the new studios are operable—and oh yes indeed, they will be. They may very well be able, in fact, to buy and sell such as Channel 29.

So be it, enough for now as I think Dharma needs an afternoon to do some of her piled-up things. Salu.

## CHAPTER 10

REC #1 HATONN

WED., APR. 9, 1997 8:38 A.M. YR.10, DAY 236

WED., APR. 9, 1997

### YOU ARE A SPIRITUAL BEING HAVING A HUMAN EXPERIENCE

In the facts of living it will always come to be that if you are a souled being you WILL come, at some time, seeking consciousness in TRUTH of your very existence. In finding various elements which reassure you or bring you to thought possibilities of this direction or that direction, you begin to fit pieces to your life purpose, direction, and “*knowing*” together into the motion picture called life physical. Always, however, is present the inner searching and reaching out for that greatest of all root structures, the very source of our beings back into and within the Heart and Lighted Soul Essence of our Creator SOURCE from whence we come forth in allowance of experiencing in a free-will, logical thought sequence of presentation. Further, every reasonably thought-sound mind already “*knows*” that for which they search. However, upon finding that which IS in reality of knowing, the mind searches for escape and excuses to allow a continuance of functioning in the world of physical shackles or satisfaction of SELF—even if that very pathway leads to total destruction and loss to the individual. Why? Because with finding TRUTH in self and that which IS, comes the need beyond all needs for RESPONSIBILITY IN ACTIONS.

### CONTRACTS

Individuals have come recently and caused great pain within the hearts and souls of “others”. What they actually have done, however, is NOT that which they planned to have evolve. They spew half-lies and lies and then expect others to do what? They say that all they want is to protect “others”? Come now, who believes that lie? How can “thinking” individuals come up with such distorted thought structures? These people take their guidance from a George Green, as a for instance, and propose that their “contract” is somehow valid while George Green does every evil act he can structure to deceive and FAIL TO HONOR THE CONTRACT HE MADE WHICH WOULD HAVE ALLOWED FULL FUNDING TO REPAY THE OUTSTANDING DEBTS TO THE VERY PEOPLE WHO SPOUT WRONG-DOING AGAINST THEMSELVES.

Now, I shall point out in simplistic terms—so all can understand—what has happened here and let us tie booties onto seemingly ignorant feet. Let us example Leon Fort and his claimed due-and-owing notes. Where are the notes, Leon? “Who” has tied up funds? Who is actively, every day, doing everything possible to get the very resource of your repayment into receivership, i.e. forced liquidation? Above and beyond that legal entanglement, George Abbott has stated his fees are now well over 85 thousand dollars—that with the already utilized, unlawfully, \$40,000 paid to you and used by your attorney Abbott, comes to some \$125,000 dollars. Now THAT is just “your” side of the trashing taking place. Ann says that you are wronged and just want to protect “others”? How does THIS protect anyone?

Now for Tuten who has literally done unconscionable and, yes indeed, criminal actions to gain another's corporations and therefore, assets—also claims she was simply brainwashed or “mind controlled”—and “just doesn't want this to happen to anyone else” ...the same silly excuse for further foolish stance. George Green STOLE \$400,000 plus a lot more. He owes the Institute in notes (promissory on demand) now well over \$200,000—that adds up to over \$600,000 any way you add. Why didn't he pay you off rather than bury the loot in his backyard or send it to Puerto Rico and Costa Rica? And oh yes, he did send it away—to roll over gold without tax consequences. If, as Tuten says, she is owed \$400,000 and Leon is owed \$125,000 as he says—well, add and subtract for yourselves and then we ask you again: why, at the instructions of George Green, Abbott and Horton, et al., do you continue to internationally BLAME people for your misery who simply are fulfilling their LEGAL FIDUCIARY RESPONSIBILITY TO A CORPORATION SERVING MANY OTHERS?

I will further example this. No gold ever belonged to anyone save the collateral held by banks—period. There was NEVER, and both of you know it, any personal expression offered for use of loans as drawn by the Institute for projects. Ann Beam held NOTHING save Leon's own corporation and enticed him into the trap of all traps—physical confusion. So, to get beyond personal confrontation we will use code letters so that objectivity can be gained. But before we do this—you had best start finding those SIDE AGREEMENTS because you do selves in as to credibility by keeping them hidden. Betty Tuten, for instance, drew large sums of INTEREST PAYMENTS regularly on her loans and those interest agreements WERE IN THE SIDE AGREEMENTS! YOU KNOW IT AND WE ALL KNOW IT—INCLUDING THE ATTORNEYS.

So, we will look at fiduciary responsibility. George Green set up the program of loans, etc., and was instrumental in forming the Institute utilizing same. HE went forth and spoke and sold and did whatever he did. Ekkers went nowhere and did nothing save assign all of everything written to the Institute. George went forth as an Officer and Director of the Institute, which he later, under oath, lied about—in addition to stealing cash and other assets. People, this is against the law and is CRIMINAL in both intent and action.

Now to get down to business: You, as an officer of a corporation, go loan a bank money for their use in business, let us say, so that they can build collateral by purchasing gold. And, you bring in the funds agreeing to not call the note until certain conditions exist, where are you now? Well, secure and safe in this instance because “you” have acted in behalf of “a corporation”, made a loan, signed and processed side agreements with the conditions and instructions for such as interest, call, etc., and the assumption is that when you did this business transaction you were of sound mind for, after all, you were protected by a corporation with working structures under the law.

Now, you claim you are “mind controlled”? WHEN DID YOU BECOME MIND CONTROLLED BY SUCH AS ME, HATONN? When you came into the “circle” in any way at all—you had only been exposed to one or two people—NEITHER OF WHICH WERE EKKERS. Ekkers never went anywhere soliciting anything—much the less, money or gold. We stated on numerous occasions that we have no interest or business in metals dealing of ANY KIND. People bringing loans were always told to attend self's needs, that until gold prices would double from input date and/or projects would pay for themselves—the agreement was to NOT CALL ANY NOTES. That was YOUR decision—not anyone else's. So, consider that you were doing business with a bank—whose name do you suppose would be affixed to YOUR NOTE? That's right, the Treasurer or Comptroller of the bank (or corporation). Does

that mean that the Treasurer or Comptroller got the money? Does it mean that the secretary got the money? You go down and do business with the bank, say, Sierra National, and does Mr. Connally, the “banker”, get your money? Well, he is not supposed to get it.

Then, to say that somehow Ekkers forced you to get a corporation, etc., is totally ludicrous—nobody forced anyone to do anything—especially mind control you. So, were you mind controlled by Green? Were you mind controlled by Satan? Were you mind controlled by one another? Who, exactly, placed you under total mind control? You, after all, were under that “control” prior to meeting Ekkers and/or myself. Did the kiss of the Ann Beams of the world suddenly allow you to see something or other? What might that have been that she, AS THE EMISSARY (her term, not mine) of George Green, taught you to so awaken you as to allowing you to LOSE YOUR SIDE AGREEMENTS AND HAVE TOTAL LAPSES IN YOUR MEMORIES? I see, you claim to serve GOD of Light and Ann Beam was a practicing member of a Witches’ Coven in Tucson, Arizona. So, certainly, good friends, who would YOU listen to—a newcomer with NO INFORMATION OF ANYTHING ABOUT WHICH SHE SPOKE—or what you KNEW at the time of your taking action of any kind prior to her input along with Green’s cover for his CRIMINAL THEFTS?

I can give you another one which will “ouch” you. George Abbott claimed to have used part of Fort’s money to INVEST in a business opportunity. THAT IS AS ILLEGAL AN ACTION AS AN ATTORNEY CAN PERPETRATE. But what happens? You go right on building Abbott’s support system while he has drained every drop of blood and money from your assets.

CORPORATE RESPONSIBILITY—CALLED:  
FIDUCIARY RESPONSIBILITY

The officers and directors left holding the sack after the thieves have come and run, are the ones who must lawfully take action to protect the corporation AND the business transactions of those other participants, so let us look at that in a personal focus for a minute.

EVERYONE in this corporation participation—not only KNEW but somehow still have THEIR SIDE AGREEMENTS to not make a call except in dire emergencies and then they would have to accept a payment schedule, UNTIL GOLD DOUBLED IN PRICE, ETC. Well, gold has NOT doubled in price and therefore if liquidation of enough gold to pay off your notes is made, then the gold left is even more compromised for all parties involved. FURTHER, any time forced liquidation is being actively sought—by you yourselves, then the law says responsible fiduciary actions must be taken to protect ALL PARTIES and to hold attacking parties in abeyance (state of inactivity). Nothing has happened to THE NOTES in point, except that they are held pending settlement. If you are able to push the Institute into receivership—you will lose greatly because liquidation will be a LOSS, not a gain. Then, you will have all the expenses incurred by the Corporation in defending itself from your assaults—and of course it is doubtful if your attorneys are working for free—for if they are, they certainly do continue to address the bills to the courts and you are further being deluded by your own team of misfits. HOW MUCH DO YOUR ATTORNEYS TELL YOU WHO HAVE SIGNED AWAY YOUR RIGHTS UNDER POWERS OF ATTORNEY, TO THESE STICKY-FINGERED GUMBALLS?

And I repeat: WHEN DID YOU BECOME BRAIN-DEADED BY MIND CONTROL? Did Doris

actually do that to you? She didn't even know your names NOR THE NAMES OF YOUR CORPORATIONS. She did, however, know that she was an officer and director of the THREE CORPORATIONS Betty STOLE from the Agent in Nevada. By the way, the parties who turned over those corporations into Betty's hands are now in a terrible criminal circumstance in Nevada. And how could Betty just somehow, the second time, become the considered Nevada Agent for the corporations? The person she claimed to "serve" said she wanted nothing more to do with those corporations, emptied bank accounts unlawfully, and has said she wants nothing to do with any such thing as receivership—because obviously she is NOT BRAIN-DEAD THROUGH MIND CONTROL AND REALIZES THE CONSEQUENCES OF SUCH STUPID ACTIONS. She can play at ignorance and never producing any valid "stuff" until Hell freezes and she KNOWS that her involvement is fully protected because the Institute will not allow you to break the very legal protection of the Institute. You have "bought the farm", people, and you have associated with, now, known thieves and cheats—and there is little anyone can do about it except hold strong. All the publicity on such as *EXTRA*, etc., is only making you look like total fools. And, yes indeed, they have told exactly who did what to whom—and BETTY, you don't look so hot, lady. Right on the airwaves they told exactly who did what to whom. Why? Because they were the only ones who "bit" on the "bait" and I can promise you that never again will anyone from Jason Brent's clan get even a glance from such as Channel 29. They have been left to open legal actions and they know that they are in the light of terrible misguidance and they are NOT HAPPY CAMPERS.

How dare I speak in this manner? Because the facts are in, the documentation is here, the truth is present for all to see and hear—and Mr. Ence even went further to discredit himself—publicly. There are reports that he stole from his more recent employer and it doesn't look so good for his integrity which makes a total laughing stock of the *EXTRA* crew. Moreover, the police were brought in for search and welcome seizure of any firearms and other stashed non-legitimate "anything" from anywhere touched by the people here—and they wouldn't even do Ence the honor of writing on a paper and said they wanted nothing to do with searching anything—especially anything brought out by such "nuts". Further, now the Stallion Springs police look like worse idiots in their follow-up of being "under the control of" (according to Jason Brent) Jason Brent. They have been caught now with poop on their paws.

Now the WORLD has met Doris Ekker and the consensus of opinion is that she can't "mind-control" anything—much less people with intelligence. So who, again, is the idiot involved?

Since you people have joined with Green and did from onset of your acquaintanceship, YOU BECOME THE "CULT", dear ones. YOU are the followers of something or other having formed a coalition to do something (called a conspiracy) and sucked into the fray even the media, in intent of bringing harm to others. This is unlawful! I suspect that *EXTRA* could probably bring charges against you as individuals or as the group cult you have become.

We teach that suicide is wrong, theft is wrong, dishonoring parents is wrong, lying is wrong and on and on—so the crews found NOTHING save embarrassment upon receiving me as relative to the lies you caused them to put to picture and words. Similar to San Diego Heaven's Gate whatever? No thank you—your group may be similar; nothing here even resembles, in your wildest dreams, any such bunch of poor MURDERED beings.

By the way, the people who stole and set up operations right in among Nevada Corporate Headquar-

ters—are singing like the choir. Their melodious harmony, in concert, sings the lyrics of input by your “cult” of Green, Abbott, Horton, and you nice guys.

There were people present who witnessed the entire conspiratorial PLAN and are spewing out the information as fast as they can “beat their gums”, I believe is the term they are using. It has also been a most unfortunate thing that the courts with ongoing cases have been drawn into the fiasco of your lies—because it gives opportunity now for TRUTH to be entered and it gets really touchy-gooney as to such as Horn, Brent, Green, et al. We find it more interesting that the “hounds” of the newsbeat are now REALLY INTERESTED IN GETTING TO THE BOTTOM OF THE TRUTH OF THIS SITUATION COMEDY.

What did the crew find? Good business! They found angry and hurt individuals impacted by the lies of adversarial false-speakers who did, in fact, appear to be idiots personified in embodiment. The entire crew became totally respectful of MYSELF and my translator and, regardless of what is printed or put to picture—they were quite sincerely grateful for the experience.

You see, people, I spoke on responsibility and individual truth and, once KNOWING truth—you can never again UNKNOW TRUTH. You can take every swing at us that you please—BUT YOU KNOW OTHERWISE THAN WHAT YOU CLAIM. If you were RESPONSIBLE in TRUTH, you would go against the ones who have damaged you—the Green Brigade—IF YOU HAVE TO BLAME SOMEONE OTHER THAN SELF. SOMETHING REALLY IMPORTANT: THE NOTES HAVE GONE NOWHERE—THEY SIMPLY SIT. WHEN THE PRICE OF GOLD DOUBLES FROM PURCHASE DATE OR PROJECTS PAY BACK INVESTMENTS—THEY WILL BE HONORED. MY QUESTION MIGHT BE, HOWEVER, “WILL THERE BE ANY ASSETS LEFT BY YOUR ATTORNEYS?”

The interviewer flashed a bunch of papers in Doris’ face and said what do you know about these? They were to do with something or other called Bethel something. “Who is that?” was the next question and punctured the big balloon of wind froth. “Well, these are Betty Tuten’s corporation(s)?” “Oh, what does that have to do with Tuten’s claims—if those are corporations?” “Well, they are Betty Tuten’s corporations,” came the reply. So, does Betty have a claim or does Bethel whatever have a claim—and what does that have to do WITH ME? The man had the camera turned off and mumbled, “apparently nothing,” in total embarrassment.

“Where are the side agreements?” was asked. “Oh, there aren’t any,” was the reply. “Ah, but she received a LOT of interest payments—so there have to be side agreements, DON’T THERE?” Those papers disappeared more quickly than Merlin’s vapor trail.

What really seemed to strike home, however, was when Doris referred to *EXTRA* as a “tabloid”. “Wow, we surely don’t want to hear that and, please, no, not a tabloid.” Well?? Sometimes eating crow sticks in the teeth.

At one time while editing structure was taking place, as would be in an interview of switching camera focus—he asked what is meant by TRUTH and why do you do this? After the third time he asked again for the camera to be turned off and stated while shaking his head again in embarrassment, “I can’t do this...”

Anyone and everyone was welcome, just as would have been a town meeting, but even with invitations to attend—none of the adversarial complainers came to the show-and-tell. Isn't that interesting? Jason Brent is located less than a block from the interview room.

It seems to be that actions against deliberate liars will be held to see what WE WILL DO, if anything. The private talk was that they knew there was a major case available, to the Ekkers, if they so-choose to act. If they act, then the liars will be pulled in and there would be no “alternative in actions” other than to charge the speakers with libel. What a nice day this has turned out to be, for a change of legal pacing. Perhaps COMMON LAW?

Together we all looked at the press reports in sequence and seeming interchange of pictures and resources. Wow, does it look bad because you can't tell when the speech is about Tehachapi or San Diego and THEY SAW IT IN THEIR OWN VIVID COLOR PRINTS IN LIVING MOTION. One comment in response to widespread coverage even to foreign nations—was “I think we aren't happy today about such wide distribution...”

You see, friends, when you speak false statements it reflects, always, onto others and they are not generally pleased with the outcome. Further, you can ridicule about E.T.s, etc., but God is an E.T. and when you ridicule the word of God—you ERR. If ANY MAN believes there is a God—he has just declared that he believes in E.T.s. IT IS THE MESSAGE, PEOPLE, PURELY AND SIMPLY PUT: ***THE TRUTH IS IN THE MESSAGE!***

Even Leon followed the “siren's call”—and turned from the Lighted TRUTH OF GOD. This is his, like every individual's, prerogative in action and intent. But it rarely brings joy within the soul when the truth is laid forth in open format for that SAME world of curious watchers to witness.

The point becomes: “Were you infirm of mind when you came upon these individuals?” Then at what point did you become “mind controlled”? And then the obvious: “What is wrong with you now, as you are in the clutches of the witches and warlocks?”

Since our message is pointedly to honor, respect, serve and have integrity in all things, and yours is to destroy your brothers to gain for self—through force of the lies—who actually appears to be the wronged or the ones who bring wrong upon another? It reminds me of the Waco holocaust: “We just wanted to save the children from abuse, so we burned them all alive...”

So, should I plead for mercy upon your souls or what? Why? Whatever you do, individual person, is YOUR BUSINESS—not mine! And further, I don't have to judge or punish or do anything other than speak truth and you work it out however you will—WITH GOD—for NO MAN has right or privilege of doing more than inserting an opinion or perception. If they listen to the lies, then their own perception is as warped as the original lie-bringer.

Nobody “made” anyone do anything in the PLANNING of this fiasco—so who do you blame other than selves? Everyone, of course, that you can find. Well, so WHY DON'T YOU THEN, AT LEAST, BLAME THE ONES RESPONSIBLE?

You people tried to link “nothing” to a “suicide cult”? Oh my, it appears that your cult just committed a bit

of suicide in your own behalf.

So it comes right back to the first thought of the writing: *YOU are A SPIRITUAL Being Having A HUMAN EXPERIENCE!* But the INTENT, while making this Human Experience reality, is what it is all about! If you feel thwarted or wronged—are there not wiser ways to go about settlement than through already known disciplined attorneys as a better possible alternative? Can you not see your loss is Greens' gain?

Doris had always pleaded for privacy and in five minutes she was stripped of any possible privacy—FOREVER. Does this make you adversarial attackers happy? Do you feel somehow better for your vengeful and false accusations? I hope so, for shame is your rightful reward and GOD IS JUST—not necessarily “fair” as to YOUR DRUTHERS.

Remember, readers, that when you align yourself with liars, cheats and deceivers—you will be placed among them in attitudes and perception.

I note that Annie stated that we somehow weirdly “make a place for...” Well, I guess she doesn't want her place in our security vessel so we have room for one more, readers. She and “her” followers can go within whomever and whatever they find floating around. But, it didn't work out well for Heaven's Gate seekers, did it? They all looked pretty murdered to me and since there was no ship at all—it looks even more ridiculous. And you just want to “save others”? Wow; double whammy WOW! Just look what all you have saved Leon! Leon spoke the most nearly truthful statements of any of you. Leon is one of the most pure in intent within his heart of any of you and you have taken advantage and even used his over 90-year-old mother to further the lies. May Leon have mercy on you—never mind God.

When all is said and done, and any individual person looks to see what has stood in the way of fulfillment and achievement—it will always be as Pogo said: “I looked to see what was in my way—and found it to be myself!” When you GET OUT OF YOUR OWN WAY—perhaps you will again see and hear the music of God and see the abundance of TRUTH surrounding you—while you chose the wrong directions and pathways in blindness. When you go to a cheat, liar or thief for your support and instructions—GUESS WHAT!

And, to YOU who applauded the “getcha-gotcha” show on TV—better wait a while to publicly sing “we did it”—because no other, not even tabloids, would touch the thing and believe me, *EXTRA* and Channel 29 WISH THEY HAD NOT DONE SO, AND NOBODY HAS EVEN COMPLAINED TO THEM ABOUT IT—FROM THIS SIDE OF THE TRIBAL PASSENGERS. The “isolation” speaks for itself—along with the players being parked for hours at Jason Brent's office.

Did any of the players here run away and hide? Oh indeed—and it is not lost on our attention just which ones were missing! We learn a lot when trouble seems to strike, don't we? Well, it is just the way it IS, and in KNOWING those who will hide, it becomes obvious they didn't, and DON'T, have any idea what the real purpose or intention is HERE. Believe me, several people MADE THEIR CHOICES in these days and, even though they claim otherwise—the CHOICE IS OBVIOUS.

Green has always said a few of you still work for him—and now the suspicion falls dead upon your heads

because he has said it again while bucking up the courage of the “innocent” speakers to do their job on us. We now have a Constitutional Law Center which is of little value any longer—Green claimed it, claims it, and points out that the parties involved serve him. And we have nothing upon which to base other speculation as no one came with support from there when the play was underway.

There is no guilty party here—so no, we will not spend one cent on making up platitudes to anything or anyone. If you wish retractions in papers, etc., then the guilty parties might well want to do that, but Channel 29 is running response every half-hour in apology. And, in their behalf I would thank them for doing what they could without taking more than “newsworthy” viewings. We have heard from many in the neighborhood with positive and marvelous acceptance and requests to be included if there are other interesting opportunities to come and share and decide for selves. This is what truth is about! Better you should run a full page ad and invite anyone to come and witness whatever is happening than to play into the pricey hands of the local news Editor—because you had best go back and read the letter from Jason Brent to George Green wherein he speaks to shutting down fair hearing or play from local papers, etc. Just publish that letter again right here and right now and then ask the lawyers WHY this letter has not been used prior to now for defense of the Ekkers in ANY suit ongoing? This seems like MALPRACTICE to my simple brain.

Ah indeed, you need some common-sense Common Law!

Spring cleaning is always a nasty job, people, but eventually it has to be done, doesn't it? And, when you assume you know more than GOD, for goodness sakes, you are in serious trouble in your life's journey through this maze of complications and misdirections.

There is not ANYONE who would up and follow our chubby little old grannie—so whoever does share, shares only because TRUTH IN THE WORD is flowing. It is made absolutely clear that nobody is going to do anything FOR anyone—but only responsibility for SELF is uppermost in importance. You who hide as IF there is wrongdoing or to protect SELF while the brother is torn to bits—is not exactly on my list-top for honors or medals. And, by the way, DO NOT TELL ME IT WAS FOR “OUR GOOD” FOR THAT IS AN OUTRIGHT LIE.

May you always hold strong within the GRACE of GOD as we walk through seemingly dark passages—for once through the testing by the fires in those dark passages comes the LIGHT that will bring abundance in reward for offering abundance—the giving and regiving of that which is good and bountiful. May you always deserve the goodness which will surely flow and not be caught hiding from God or Satan when the stance must be taken and the gauntlet run. Meet Satan head-on and you will prevail for he is a coward and a fool buffoon. How many fools and buffoons do YOU know this day?

Do I call someone a fool or a coward? Of course—does the shoe fit the foot? It is none of my, or “our”, business what YOU choose to do and we will see our other tasks through to ending—but cowards tell on selves—more clearly than almost any other shroud of covering. Make your excuses to men, ladies and gentlemen—because GOD SEES THROUGH YOUR COWARDLY EXCUSES. And you thought it unfortunate that so-called “friends” turned from Esu in his hour of need? Oh, but the hour of need is different in every circumstance, is it not? Ponder on this, please, each of you who might see this bit of writing and see if you would stand with God in HIS hour of offering opportunity—or did you, would you,

or have you, fled into hiding to protect your sorry physical ass-end?

Pain and hurt do not come upon ones from the so-called “enemy”, for that is expectation in fact. The Pain of Realization comes from being faced squarely by the betrayal in hiding of the ones calling themselves steadfast friends. Ekkers are certainly wiser this day than yesterday and that in itself is GOOD.

I am here to tell you watchers, however: EKKERS WILL FOREVER BE HONORED BY THOSE PEOPLE WHO CAME AT THE BIDDING OF THE OFFENDERS—FOR THE WOULD-BE DESTROYERS WERE AWED BY THE TRUTH THEY FOUND AND STATED THAT THEY “DREADED SHARING ANYTHING WITH THE HACKERS AND EDITORS WHEN THEY WOULD GET BACK”. THE INTERVIEWER WAS STRUCK DUMB WITH THE “TASK OF TAKING 2 MINUTES OUT OF FIVE HOURS OF INCREDIBLE INFORMATION”. DON’T UNDERSELL GOD, MY GOOD FRIENDS—EVER! And the one they called “their commander” in the room was absolutely blown away and wants to know everything about everything he found here. I ask that you pull the information on DRIAS and get it to Mr. “X” ASAP. Yes, I mean the TECHNICAL write-up I did for Dr. Young and Dr. Hoffmann. We will need to protect the privacy of that gentleman in particular. I repeat something: NEVER UNDERESTIMATE THE WONDERS OF GOD HIS MIRACLES TO PERFORM!

Good morning, and Dharma, I hope this brings some peace into your being for this has been a difficult time—but one of the most worthy and best times you shall ever have earned in this passage. I do need you to take care, now that there is “time”, to attend the illness lest we push too far in need to catch up days of non-writing. Please use the tapes of the encounters as “Word” tapes—it is the message each of YOU have been demanding. And, Dharma, go quietly and listen to them yourself for it makes the poison they dished out against you more palatable in the realization that it was a feast of nurturing goodness instead of that which was intended by the adversary.

As we walk steadfastly onward, it will be that those things needed for greater service will be able to flow secure in the recognition of being capable of our tasks.

This last edition of *CONTACT* is a MASTERPIECE—USE IT! Use this new set of circumstances in every ongoing suit because the idiots have already used their lies and put them on record—you have every legal right to rebut and just the Jason Brent letter SHOULD DO IT.

Do we expect to win or lose? Neither—but that is not what IT IS ABOUT, is it? “THEY” have outdone themselves, even to Horn and Chapin—USE IT.

Salu!

## CHAPTER 11

REC #1 HATONN  
THU., APR. 10, 1997 8:11 A.M. YR.10, DAY 237

THU., APR. 10, 1997

HALE-BOPP BOO BOO

Ok, Dreamers, it is time to open your eyes and see the “real thing”, or is it the “right stuff”?

In this morning’s *Bakersfield Californian* the first sentence under the picture of the MASSIVE energy ball flinging itself to Earth yesterday reads: “This is a photo of the Sun taken Monday by the *joint European Space Agency—NASA solar and Heliospheric Observatory spacecraft...*” Are you ever being set up? Of course, and where have you been the last hundred years?

So, what do you look for and how much should you “put yourself out” to insure a bit of protection?

Until they get through manipulating your minds through the absurd things in “space”, I suggest you keep some eye-shelter handy, some good sunblocker cream on you at ALL times when you have exposure—even at NIGHT—and pay attention because the clues of what is taking place are all about you. Heed the old-hats in their commentaries, i.e., Chuck Yeager on missing planes WITH BOMBS ABOARD and Wendelle Stevens, Operation Blue Book, Air Force officer and also UFO researcher of world respected reports. Good old George Green got to Stevens and to Stevens’ partner at one time, Lee Elders.

### BUT WHAT OF HALE-BOPP AND CONNECTIONS?

Do any of you even notice that a COMET as large as Hale-Bopp is named for a couple of people who happened upon it in the distant star-gazing one night? Are you kidding us all, innocent sleepers? That very comet comes around only every 2400 years they say? Oh, perish the thought. And if you have a regularly appearing organ of the Cosmos of that size, can’t you realize that something is terribly wrong with the fabricated story? Moreover, any astronomer worthy of the salt on his breakfast eggs sees *something* wrong here. So is “that Be-Bopp ‘thing’ going to hit you or what?” Well, if it does, it will have its lights turned off—won’t it? My, isn’t it even a concern to you that you are fed such trash and, more embarrassing, you believe it? Well, DO BE CONCERNED BECAUSE the things with which “they” are now tampering can kill YOU.

I have tried to give you clues as to what is taking place and let’s see if you have gathered any information from our past writings to look at what “has to be” taking place here and now.

Let us go first of all to YESTERDAY. This massive Sun-flare energy-mass was coming to you at millions of miles per hour and was due to strike Earth’s magnetosphere at exactly 5:10 P.M. P.D.S.T. Ah, but what happened? Nothing? No, a LOT HAPPENED and once again you ate it up like candy and cursed the people who warned you to take some precautions enough to unplug your precious computers.

### SPACE SHUTTLE SHORT TRIP

What was that Shuttle supposed to be doing in the first place that had to have an emergency bring-back? What happened that excused the short trip? Pay attention lest you miss your graduation. Was there truly a shut down of a power generator? Or, did they have to bring the Shuttle back to MISS the event scheduled for yesterday? You will find TODAY that several of the non-New World Order satellites are OUT and totally non-functional. It is called “selective demolition”. But, you might be comforted to realize that some of your own nasty toys are ALSO OUT TODAY—AND THEY CAN’T EVEN COMPLAIN BECAUSE YOU NEVER KNEW THEY WERE “UP THERE”.

### MISSING BOMBER, WITH BOMBS YET!

Now readers, how do you LOSE a multi-million \$\$\$ aircraft with four (non-nuclear, of course) bombs aboard along with ARMED MACHINE GUNS AND MISSILES READY FOR LAUNCH? By the way, the aircraft was later caught changing course before vanishing into the thin air of invisibility. Is this a common happening except in the movies? Yes.

Look at the story and then WAKE UP for the second snooze alarm should be annoying you about now. Why do they tell you the bombs are “non-nuclear” and even on impact “can’t detonate”? Bombs are MADE TO DETONATE ON IMPACT TO ANYTHING—IF THEY ARE NON-NUCLEAR. So, you now know that that plane carried nuclear armed warheads on the four missiles. Also the aircraft was “later” caught “circling” over parts of Arizona and Colorado. Did the aircraft become a drone without a pilot or what? And, that was three days ago AFTER having used up its fuel supply many hours before being sighted. Miracles never seem to cease.

### ROCKET TO HALE-BOPP?

Does anyone find it stranger yet that just an hour or so prior to the supposed and expected HIT to Earth of the Sun-energy ball, that a camera-armed (sure, and your dog has no fleas) missile rocket was launched (from White Sands?) to go take a six-second, or something equally silly, picture of Hale-Bopp and gently send the camera back to Earth in a protective cone or something!

Ok, let’s look more closely!

Since when do you NAME a regularly occurring comet for two amateur astronomers? Is this actually the expected “Wormwood” or “Hercubus”? No, can’t be for it is not yet DUE—but you have to figure out what to do about it when it DOES show up, don’t you? Or, it will simply wipe out all life-forms on your planet—and yes, it has happened on the moons of Jupiter, Mars, Venus and thus and so right through your solar system.

More clues: How is it that up until less than an hour of STRIKE time yesterday, the energy ball was MASSIVE and suddenly it was unimportant and far less in size than “thought”. Are you telling me that you can EXACTLY time impact but you can’t tell what size is the object? Moreover, the energy mass suddenly

wasn't going to cause any noticeable damage or interference? But this was only discerned just minutes prior to hit?

### SO WHY DID "I" WARN YOU TO TAKE PRECAUTIONS?

I asked you to be urgently warned because the energy mass was already in your Stratosphere and was igniting large areas of the radiation belt—you know, like sending off duplicates of the Sun-flares and of the same energy frequency. With each strike it was still possible to extinguish the hot spots but it almost got completely out of control in a chain reaction. Your scientists were NOT having a good afternoon. And NO, you will not have regular warnings every time the scientists hick-up (these are scientists who have no more brains than to be hicks playing "up" there where they can wipe out a planet).

### HOW MANY OF YOU REMEMBER THE LIGHT SHOW?

Remember the last holographic light show-and-tell of the other so-called comet which somehow faded out of the sky and already out of memory? Nobody even remembers what silly charade name you called it. Well join the crowd of famous amateur comets' friends.

Blue vapor trails represent man-made gasses and LIGHT colors. Orange trails represent particles in a FRICTION-capable atmosphere and a ROUND BALL in front represents a simple ball of gasses or LIGHT projection.

We inspected the thing early on, were photographed inspecting the thing, and have sat back and watched you silly people at your games. You know what? Hardly anyone even takes the time to LOOK UP at the show. Are you dead? Are you accustomed now to the tricks? What is it that a RARE happening commands NO ATTENTION WORTHY OF NOTE? Who cares??

On the front page of the above-referred-to *Bakersfield Californian*, there is a picture of the so-called "mass". But, there is no headline or article referencing it at all on the front page. The headlines start with "Gingrich favors capital gains, estate tax cuts" and "City votes to build new arena", "Kidnap victim returns home; husband sought", "SSI stops Internet service", and "Panel agrees to probe gifts".

Does this really seem like something that COULD WIPE OUT A PLANET AND SHUT DOWN EVERY ELECTRONIC DEVICE ON YOUR GLOBE AS BEING "REAL"—TO THE MEDIA?

If you feel like Pollyanna on the Primrose Path—you ARE! And, you better listen to Chuck Yeager when he says that when these things happen—the government is always covering up SOMETHING.

I finally find something worthy of repeating from the politician Bob Dole: "*You can always get the truth from an American statesman (oh, he really means politician) after he has turned 70—or given up all hope of the presidency.*" This was also printed in the same paper of this date.

So, back to HALE-BOPP:

How many of you regular readers REMEMBER the lectures on “sight” as in “eyes” and recognition of location of moving objects in, or out of, the atmosphere? We measure “distance” and projection by frequency and particle friction. A sharp silver-white movement with no “TRAIL” is the movement of something of such speed that it is but a flicker in eyesight recognition but represents millions, or at the least thousands, of miles of location shift—no orange vapor trail. IN THE ATMOSPHERE there will always be a trail of golden or orange after-burn. In “Hale-Bopp” you have both a blue trail AND an orange after-burn—but actually DO YOU HAVE EITHER? No, you do not.

Now, let us look at eyes and how you “see”. When you look at, say, bright stars, you “see” by looking at them with the “cones” of the eye which better “see” bright and high-frequency “wave pulses”. When you look to the more lower-frequency light emitters, good example Pleiades FROM Earth, you “see” better in the peripheral vision fields—the eye “rods”. This is equally true of reverse imaging. So, if you do not directly look AT the galaxy OR HALE-BOPP, but focus off-center, and now, actually, between the “comet” and Pleiades, almost directly across from one another—you will find you can better “see” BOTH. If you have any common sense—you can now KNOW that one is a total FAKE.

The other way you KNOW it is a total FAKE is by its lame-brain NAME. You do not name anything so magnificent as this so-called COMET by some overt project title—like the new project “*Hale-Bopp*”.

But is this dangerous? Oh indeed, because any game in town is now having the capability of creating anything heinous and blaming it on Sun flares or Hale-BeBopp. You can even murder whole cults of people who just happen to be expert COMPUTER HACKERS AND INTERNET GURUS WHO HAD FOUND THE PROJECT CODES.

By the way, for those of you who have followed the local Channel 29 tale of cults and gurus—I DID NOT SAY THE PEOPLE IN SAN DIEGO HAD BULLET HOLES IN THEM—I SAID THE PEOPLE, ALL OF THEM, IN JONESTOWN HAD BULLET HOLES IN THEM. It came out through the media that I said those in San Diego were murdered and had bullet holes in all of them. Please correct that—the ones in San Diego were killed and then finished off with plastic bag suffocation—a beautifully executed project of such as Delta Force, U.S.A.

#### PREPARE TO GET RADIATED

Pay attention and keep your “emergency” stuff pretty handy. You are going to find, over and over again—until you stop paying any attention whatsoever—that you will be threatened with computer and electronic break-downs—until the government can clean out your computers of unwanted “memories”. You are also, at the same time, being RADIATED with high-frequency LIGHT rays with very damaging capabilities.

By the way, a LIGHT ball of the size created for Hale-Bopp can also wipe out large portions of a planet through simple radiation and particle strikes. Remember that photons are charged light particles. This means that THIS HOLOGRAM IS MADE UP OF CHARGED LIGHT PARTICLES IN A CONGLOMERATION OF VERY DANGEROUS FREQUENCIES. The “cult” in San Diego just happened to find out that little piece of information and was beginning to scatter the truth to the world on their Internet integration transmissions.

And so, why am I left alone to prattle the TRUTH? Easy answer—I am of the Hosts of GOD and the assumption is that not very many people will even listen to such as myself. Moreover, it is not wise to tamper and tinker with “Mother Nature’s” game players.

### WHO IS DHARMA?

Dharma (dharma) is simply a term MEANING truth-bringer or speaker, messenger, etc. It is for identification. So who is, then, Doris Ekker? Simply a receiver and translator—just as is anybody who can hear and translate Cosmic frequency waves, i.e., hears and speaks to God, et al. Psychic? No, whatever the term might mean—because all have access to all else.

So, in all the recent hype on international television presentations, what happens to her? Well, the FACTS are, good people, that anybody not knowing this person will not EVER recognize the presented image and the REAL DORIS EKKER! Already the calls are rushing back from people who saw that travesty of presentation, saying it is NOT the same “Doris”. Doris didn’t even recognize herself and that is EXACTLY THE WAY WE PLANNED IT. IT IS CALLED ON-SITE PROTECTION COVER. I promise you, little friend, that when the “Big Nasty Boys” come looking—they won’t recognize the REAL product. Doris, in fact, was and is relieved, but considers that we could have been a bit more flattering. No, when representing “me” we will not make it flattering because the truth is what is necessary—not the “radio”. WE WANT NO ATTENTION TO THE “RADIO” WHATSOEVER!

We are NOT in the world entertainment business although that is about what the regularity of information has become in the paper—as people just wait for the next series presentation of the soap-opera. So be it. Our job is to put the information there for whoever wants it—and you can do whatever you will with it.

Remember the old prophecies, dear readers. The directly told prophecy is that there will be miracles and wonders unseen ever in history in these days just prior to the millennium change, and you are now witnessing what appear to be miracles BUT ARE ACTUALLY ONLY MAGIC TRICKS. You are also told to beware false prophets and those who claim to be THE messiah but are counterfeits. You do that which you will as you try for gusto in some measure of your now boring lives in your stuporous sleep—but these false things will utterly destroy you and, if not careful—will destroy the globe AND THE SPECIES OF HUMAN INHABITING SAME.

### CONTRADICTIONS

Everywhere you look you will find contradiction piled upon contradiction. It is only a part of the dumbing down of mankind in general measure. If people are not given truth in historic documentation, then only the LIES are retained.

I wonder how many of you even notice, much the less analyze, little presentations and articles in anything you read or are offered in the media. Example? Well, here is one from *The Orlando Sentinel*, April 9, 1997 (yesterday):

[QUOTING:]

### YELTSIN WANTS RUSSIAN FLAG,

## EAGLE AS NATIONAL SYMBOLS

MOSCOW—President Boris Yeltsin asked Parliament Tuesday to formally adopt Russia’s red, white and blue flag and double-headed eagle as the country’s national symbols. The proposed law, submitted to parliament on Tuesday, apparently would stave off attempts by the Communist Party and other hard-liners to reinstate the Soviet anthem, flag and hammer-and-sickle emblem.

[END OF QUOTING]

Say what? Is not the eagle, red, white and blue the symbolic things of the U.S.? Not the same, good friends, so don’t get distracted. THE DOUBLE-HEADED EAGLE is the logo and “flag” of the House of Romanoff—or the Czar of Russia prior to being put down by the Communist Jews in the Russian Revolution in 1917-19. The double-headed eagle is also the symbol of, say, the Lakota Sioux indians (native Americans). It is also, believe it or not (shock coming), the sign often used as the “highest of the Phoenix logos”. So what are “they” doing? Well, obviously games are afoot if nothing else—right? So what? Well, people, a FLAG is basically the “color of the turban” of national symbols. Just as tribes have certain colors or costume, including turbans, so too are these represented in the FLAGS of identification and recognition.

Ah, but what do you get fed back to you if you ask what is a “turban”? Well, you will usually be told it is something those weird Indians (from India) and Turkey and New York wear on their heads. Or, you will immediately get the “towel” trick answer regarding the Muslims and Arafat of Palestine. You know: the cute reply of the Israeli and Palestinian conflict—”the towel heads vs. the chosen”. My goodness, do you people ever have a LOT TO LEARN.

## WHAT TO DO?

What do YOU mean by “what is to be done”? By WHOM? You suggest I do something or other? Forget it—I am not going TO DO ANYTHING. If you don’t like what is happening, then I SUGGEST YOU DO SOMETHING ABOUT IT TO CHANGE THINGS.

You think to “go back” to something or other will do it? Go back to WHAT? WHEN WAS THERE EVER A PERFECT AND WONDERFUL SOCIETY ON YOUR GLOBE? The evil guys were murdering and misleading whole masses of people with their lies—all the way back to ancient Egypt and early Holy Land escapades. Or, perhaps you don’t object to feeding Christians to lions, etc., as being a bit weirdly sacrificial in actual practice? Is YOUR form of entertainment better these days? Or your “choices” better?

I have been asked these past days about silly things of Earth-content in societal perceptions and one of those is “freedom of choice” as to “women” and “abortion”. What has one to do with the other? Abortion is MURDER in any definition from conception to whenever! What mean you by WOMAN’S CHOICE? ***THE WOMAN HAD HER “CHOICE” WHEN SHE CHOSE TO LAY DOWN AND ACCEPT THE MALE PROTUBERANCE! WHY MURDER INNOCENT REPRODUCTION OF THAT UNION TO COVER THE LACK OF ANY COMMON SENSE IN THE CHOICE TO TAKE***

**SUCH PHYSICAL ACTIVITIES?** Even if a woman is raped by force—it does NOT require a “late term abortion” or murder of any life-form. Remember: “*Thou shall not kill.*” BUT, readers, it is not my problem to judge or do anything else—IT IS YOUR TASK TO DISCERN AND CONSIDER JUST WHAT IS THE INTENT OF THESE ATROCITIES AND WHAT IS THE IMPACT UPON YOURSELVES, THAT IS, YOUR SOULS—THE REAL “YOU” OF YOUR PRESENTATION. Mine is to not interfere with free-will choices. God’s one cause of demanding responsibility as individual—is through YOUR choices and intents, as those individual fragments of GOD’S PERFECT THOUGHT. When you call evil, good, you have dropped off the bottom of the measuring scale, readers. That is not MY PROBLEM—THAT is YOUR problem. These attitudes and choices are THE measure of individual intent and are NOT any of my business other than to be quite saddened by such massively conspired acceptance of evil which turns you AWAY FROM THE WONDROUS REWARDS OF GOODNESS AS LIMITS THE SOUL’S PURPOSE OF FULFILLMENT. “ME” “KNOWING” IS NOT THE SAME AS “YOU” “KNOWING”. I CAN ONLY “KNOW” FOR MYSELF—AND YOU FOR YOURSELF—PERIOD.

### TRUTH AND WHAT IS TRUTH?

Anything and everything is “truth” but this is not the question usually being asked. What is really asked, is what is meant by THE TRUTH?

In “things” it is that which REALLY happened or happens rather than the revised and false presentations by manipulators and would-be kings.

THE TRUTH OF MAN is that which represents INDIVIDUAL RESPONSIBILITY in both intent and actions regarding that which is come into your attention as factual TRUTH. It is THAT CONDITION WHICH EXISTS when you KNOW what is RIGHT and act according to responsible intent within that KNOWING. Man individual is BORN (BIRTHED) KNOWING RIGHT FROM WRONG—IT IS THE BASIC IMPLANT OF GOD CREATOR UPON SOUL (CONSCIENCE). ONCE YOU “KNOW”, THERE IS NEVER AGAIN “UNKNOWING”, ONLY INTENTIONAL MANIPULATION OF EGO CHOICES TO REFUSE OR ACCEPT THE FACTUAL TRUTH OF ANY CIRCUMSTANCE.

“Evil”, I must remind you, is simply the deliberate action of pulling self or another from the path toward God in right intent. “Sin” is error of intent or action—while moving toward the perfection of God. So, IS there evil and is there sin? Of course, but what else is new or shocking to your limited perceptions? AND WHAT DOES GOD DEMAND OF YOU? **NOTHING**. I might remind you, however, that until you move in intent worthy of righteousness you are NOT going to flip over and be snatched into the perfection of God’s reality in that perfection. Who wants a murderer in the living room while he tinkers with ways of stealing whatever is of value in that living room? YOU WILL LEARN YOUR LESSONS OR YOU WILL BE DESTINED TO KEEP WORKING AT THE CLASSROOM LEVEL UNTIL YOU GET WISE. I did NOT say “smart”—I said “WISE”. Wisdom in Knowing and Wisdom in Actions is the GOAL, friends, WITHIN THE LAWS OF GOD AND THE CREATION. “Smart” usually should be followed by the term “aleck” which is a self-acclaimed ego trip to non-wisdom.

Let me also point out that even the term “right stuff” tells it all. “Stuff” is a physical something. So at best you can only have the “correct” “physical something” if your terminology be correct in definition. Right

WISDOM, however, defines instantly: Mind knowing in right intent—and is usually followed by physical action which reflects that right intent. Right “stuff” usually means we are going to get shown some really idiot actions as a result of pride and ego of the actor.

And just what purpose does the perpetuation of these stupid antics serve? DISTRACTORS from the REALITY of what is taking place at the very basic level of survival. While you watch Hale-BeBopp for instance, you are NOT seeing the glazed-eyed stare of death from starvation and plague in your neighborhood, and much the less in Zaire, a world around the opposite side of your globe. And WHY the death and torment? Depopulation at the hands of the depopulator politicians who would own and enslave your world.

How callous can you get? Well, one quote from a politician was: “Why don’t those people just eat the flies that swarm on them and they would be well-fed.”—chuckle chuckle??? I think your Ted Turner said something in response to being asked about the San Diego suicides: “Good, that gets rid of 39 more nuts.” Would he feel more interested over 39 Delta Force murders? It is all in perception, isn’t it? Human (HIGHER UNIVERSAL man) has lost his compassion, his direction, and his very HUMANITY. No self-respecting ALIEN entity would even want to walk on your place in this stench of rotting degradation, so perish the thought about war of the space cadets, readers. And guess what: the war of the players is that of good and evil, while evil tries to smack down all goodness. It is working so far—BUT, THE FACTS ARE THAT GOD WINS, so obviously the days of the evil brigade are somewhat numbered, aren’t they? Or, GOOD intent can begin to come to the surface and evil can be put to pasture—and THAT is directly up to YOU. Force can’t do it. War can’t do it. “Another” can’t do it. YOU HAVE TO DO IT! And THAT brings you right back around to TRUTH. Responsibility in knowing!

“Why were YOU assigned to do this?” asked the interviewer. And then “I” was asked: “Why did you choose her?” My response is and was: “WHO ELSE DO YOU SUGGEST?” WHO ELSE DO YOU SUGGEST SERVE THE HOSTS AND GOD? WOULD YOU CHOOSE THE LOCAL INDOCTRINATED BAPTIST OR METHODIST OR MUSLIM? THOSE ARE MANMADE RULES AND REGULATIONS FOR RUNNING A PHYSICAL CULT—AND CULT IS SUITABLE IN EVERY DETAIL AND DEFINITION. With GOD there is only a “cult” or “group” of individual ONE to THE UNIVERSAL ONE. ALL ELSE IS PHYSICAL LIMITATION OF THE HIGHEST FORM—MANIPULATION THROUGH RELIGIOUS EDICTS.

Dharma doesn’t make any changes nor does she “edit” what is brought forth. She has no obligation to anyone else, no intent or desire for recognition—in fact, is angered and dismayed at publicity or recognition. So, YOU would choose someone else? WHY? Do YOU want entertainment and warped truth—AGAIN? Man does NOT want TRUTH—even though he claims otherwise—for TRUTH DEMANDS RESPONSIBILITY and “let somebody else do it” just doesn’t cut it.

I’m going to change the topic a bit—but it does not change the focus, as we offer a letter from a reader which seems to have been sent around the middle of March, this year.

[QUOTING:]

A LETTER  
16 March 1997

HATONN:

It seems writing to you is a waste of time because if you don't agree with it, you won't print it. **[H: This infers that I decide what is printed and what is not—in WHAT? And there is the pre-assumption that it is a waste of time, especially sharing time, if someone disagrees with me. So be it—almost everyone disagrees with me because they certainly do NOT want to hear truth.]**

Your latest about “Control of Black Community...” pats the BLACK PANTHERS on the back.

I worked for Oakland Police Dept. when these bastards were passing out blatant Communist literature. **[H: Do you suppose this man also worked for the Oakland Police Dept. while beatings and murders by the police were being perpetrated on both college campuses and within the Black community? Does this make YOU guilty of what “they” did?]** If my memory serves me correctly **[H: And this is important enough in troubled intent to have checked out your memory, Sir.]**, Black Panther Party leader, Dr. Huey P. Newton (as you reverently refer to him) murdered a police officer in that city in the 60s. Why not call him for the “Cop Killer” that he is?

You failed to tell us about the attempt by Communist Negroes who attempted to establish a Soviet Negro Republic in America carved out of 6-7 states in the South. **[H: Well, the major Communist centers I find are right in Hollywood, U.S.A., the police enforcement teams and your own present Government, Sir.]**

I have a copy of “*AMERICAN NEGRO PROBLEMS*” by the Communist John Pepper if you would care to read it. **[H: WHO is this dude, John Pepper, that makes him anything—especially an authority?]**

And I do believe all help possible should be given to victims like O.J. Simpson and any other victim of this tyrannical government we have.

[END OF QUOTING]

This person is from Oregon and otherwise I will protect his identity—for he is a “good person” and I want in no way to belittle or be sarcastic in a personal manner. This is offered as an example and, I hope, for thought provocation.

While you hate one another, be you White, Black, Little Gray, Green, or Amber-Purple, you CANNOT OVERCOME YOUR BIGOTRY AND/OR YOUR PROBLEMS AS A PEOPLE.

What was in 1960 while the Negroes desperately tried to find a center of ability to improve their lot—they tried every doctrine, INCLUDING but not limited to “Communism”. They simply tried to find a workable solution through guidance of the higher (claimed) authors of the day.

I made no personal reference to a man named Huey P. Newton but, yes indeed, I respect and revere the person in point. I don't know Huey P. Newton—BUT EVERY MAN, EVERY THING, OF CREATOR/ CREATION IS SACRED AND PRECIOUS AND REVERENCE IS A SMALL ENOUGH RE-

**SPECT TO BE SHOWN FOR GOD'S PRESENTATION.**

You also state you “have a copy of COLOR, COMMUNISM AND COMMON SENSE by Manning Johnson, a Negro who was a communist for ten years and then told the truth. Would you care to read it?”

Me read it? Or do you mean that should you send these books to Doris to read? She has rooms full of books which people send FOR ME TO READ.

If I am to PUT DOWN one group against another—then I am no better than the worst lying thief or killer on the globe! I would not be worthy to touch my FATHER'S toe if I would be bigoted and selective of one of HIS creations over another. Why should I serve you of dark brooding hatred of the Blacks just because you were a “cop” and you, “if your memory serves you” believe a Huey P. Newton was a “cop killer”? Perhaps some cops deserve other than gentle attention in simple SELF-DEFENSE of the underprivileged?

**I QUOTED A LOT FROM A PAPER OFFERED ME SO I MIGHT COMMENT BUT I DO NOT JUDGE, SIR. YOU ARE IN A MESS NOW AND THEREIN LIES THE POINT—WHAT ARE YOU PEOPLE GOING TO DO RIGHT NOW?**

If you live in the past and hold hatred and grudges from the past—you are destined to doom from the past. Every effort politically and judicially is being focused on racial strife, genocide and to precipitate racial riots and finally, WAR. WHAT MAKES YOU “BETTER”? Well you are NOT “BETTER” OR “WORSE” OR “IN-BETWEEN”, EXCEPT IN YOUR LACK OF WISDOM. Or, are you Black in racial color—for you do not say—but I note everyone ASSUMES that you are quite WHITE—or at the least of neutral tone to pinkish hue.

I also remind all of you—that I RESPECT AND REVERE all things for ALL THINGS ARE SACRED. I fully respect my most avowed ENEMY and it is time you begin to respect yours. I disagree with God's adversaries and therefore I do not BECOME them to deal with them. Are my enemies LESS than myself? No. Surprise? They are simply not yet living in TRUTH and WISDOM and therefore I am “more advanced in knowledge” than they—not either better or worse. The POTENTIAL is exactly THE SAME.

I am not interested in such as “Islam” or “Muslim” or Moslem or Christian or Jewish Talmudic. I am only interested in the soul of mankind as a WHOLE. I would suggest you stop being bigoted and LISTEN to Mr. Farrakhan. Is he a perfect something or other—other, that is, than a perfect Louis Farrakhan? No, and to become somehow stronger to be a replacement tyrant is not suitable either—BUT, in presenting the TRUTH OF GOD ALLAH—ATON, HE IS ‘RIGHT ON’—no more and no less. Man issues are not suitable here as comparison, for in every RELIGION—there is gross error and purely destructive attitudes as established by MAN physical.

As long as lineage and racial colors are the focus instead of MAN GOD ISNESS, there shall be no GREAT society worthy of taking note. As long as you work on “better” or “lesser” ideas as prototypes and lump all into the diseases of the one or few—you can't change into a FREE society of anything.

Will anyone listen to me? Yes, at least ONE and one is actually all that is necessary, right? RIGHT!

And will this corresponding man listen to me? Yes, he already has done so or he would not have taken his time to write to me. And THAT is why I mean no offense to his perceptions for HE AT LEAST TOOK THE TIME TO READ AND THINK AND RESPOND. I am grateful in my thanks.

Let us close this writing lest we drag on into boredom. Thank you for sharing with me for a while and may the wisdom we CAN gain be reflected in our actions this, and every, moment of the gift of living experience offered us by God.

Salu.

## CHAPTER 12

REC #1 HATONN

FRI., APR. 11, 1997 8:31 A.M. YR.10, DAY 238

FRI., APR. 11, 1997

CONTRADICTIONS

“But, you said...!” What, EXACTLY, did I say? Are you sure? I was quoted on the news as having said all the people who perished in the Heaven’s Gate now depreciated property had bullet holes in them. No, I did NOT say that—I said the “Jonestown” “*suicided*” people had bullet holes in them—a big difference! However, I think I should point out some very strange things as I am reminded of the “*suicides*” in San Diego.

If the people ate phenobarbital and apple sauce chased by a lot of vodka—then WHY were there syringes (well noted by the media) in the beds?

By the way, how many of you people remember that a first-choice death weapon of the CIA and Mossad is injected Castor Bean extract—because it can’t be traced? But then, nobody cares because “it was just a cult” after all, who were nuts enough to even castrate themselves. When *EXTRA* showed up here, the men offered to drop their drawers—but the camera crew declined the offer.

*EXTRA* has had to note that ONLY they, and Jason Brent’s Ch. 29, even showed up, bit on the stupid story—and still nobody even calls to discuss anything like cults and/or UFOs. The only calls received around here or at the paper—are from people, known and unknown, apologizing for the idiocy of the media and not even the local paper so much as mentioned anything about it—not even in Bakersfield.

Wow, the news team you sucked into your trap—are totally aggravated. Ch. 29 were right out front about being down to Brent’s office getting information, but declined to give details—YET, depending on our chosen actions against them. They were shown how their own tapes were utilized and integrated into the *EXTRA* material—and in the viewing sequence—they become guilty simply by circumstances. They may not come the next time Brent hollers “wolf”! The “scoop” they thought they had, turned out to be full of dog-poop and bull-droppings.

Back to the people in San Diego Heaven’s Gate: if these people were suffocated with plastic sacks—why were the bags left remaining on the heads—INFLATED (!!!) instead of sucked down like shrink wrap? Don’t you watch the television violence enough to know that plastic sucks to the orifices as the victim continues to, or tries to, breathe? Evil ALWAYS leaves plenty of CLUES—intentionally.

This is about the same stupid error as having a painter or a sculptor depicting run-away horses with riders—and the reins are hanging limply from the neck of the horse. It doesn’t SELL, people—if anyone is awake.

And how much attention did all that get? Really? No, everyone just sluffed it off, compared it to others who might think there is possibly something “out there” and hyped to suit the individual destroyer needs of individuals who are already in criminal activities in a media feeding frenzy. Nobody really gave a damn about those “suicide” victims of their own foolish thoughts. No, the Internet is full of their input on very, very serious things hacked from other “Big Boy” computers!

The further silly assumption was made by our adversaries that somehow Dharma can hack anything and gets her plagiarized information from such sources. B.S.; if her keyboard is not plugged into the usual outlet controlled by an extension on-off switch—she can’t even get it turned on.

She is hooked onto nothing—but several government and intelligence sources are plugged into her computer.

Are you people brain-DEAD or just pretending nanu-land invisible insects invaded, somehow? If so, then it must have been “spongy-celled brain eaters”. Yes, and a \$9 million jet plane with armed bombs and machine guns just somehow vanishes in thin air—while all radar, locator beacons, tracking systems and other secure devices JUST MALFUNCTION—SOMEHOW? So be it, and may your vision be improved BEFORE they burn your eyes out with light lasers.

### ASHTHROATED FLYCATCHER

How many of you will even miss the little asthroated flycatcher birds this spring and summer—in the Dakotas? Would you miss the cardinal or the goldfinch, the colorful birds of the continent? Well, a lot of little flycatchers have gone on back north expecting Spring and Summer—and are now caught in deadly freezes—right along with the people. IS THIS NORMAL APRIL WEATHER BEHAVIOR? Since when?

The little flycatchers are the most effective, next to the swallows, at getting mosquitos and eating them for lunch and dinner. You WILL have a lot of infecting mosquitos, you know—and now, few flycatchers. I just use this as a notice of other interesting things ahead as the very seasons themselves are being manipulated to meet the needs of the political magistrates.

By the way, whole great fields of carrots, summer wheat, and other summer crops have been wiped out in CALIFORNIA and hardly anyone other than the farmers even took note. Why? Because the cold didn’t have much to kill except fruit, nuts and wildflower crops in this particular area. But you WILL notice because you have no reserve for bread or larder. THIS IS ANOTHER REASON SPELTA IS SO GOOD—IT HAS TO “WINTER” AND SPRING FREEZES ONLY BOOST ITS QUALITY. You perhaps WILL come, someday, to believe me. It is also “poison smut”-resistant and radiation-resistant along with having the invisible SOLAR rays enhance the grain quality for combatting carcinogens. But NO, Dharma is NOT in the teach agriculture business. If you want to grow these things of which I write—go demand that your county agent (government) show you how. They won’t know? So be it. And, please stop asking these people for Drias for it will not be sent—we have had enough traitors and betrayers among us.

By the way, Betty T., you are herein being forewarned: the *EXTRA* people gave a full rundown about your demand for airing, along with your ADVISORS. The people found nothing here except interesting, inter-

esting people with exceptional business records and NO GROUP—SORRY!

Also, the entanglement in Las Vegas with the corporation thefts (TWICE) is all as open books now—with the culprits running right back to Abbott, Horton and Green as their advisors. One of these days the political buffoons are going to cross their OWN judges—because the lies really are NOT SELLING WELL—OUT THERE!

Further discredit to self? Well, the camouflaged Rod Ence/Enz was a total laugh and I wonder if you people are aware that Rod not only stole while President of the Phoenix Institute—great sums of “your” money, just as did Green, but it also appears that he was currently FIRED from the Apple Shed employment because of his alleged THEFTS. It puts you into a category of suspicious prattlers. Further, if you people didn’t get SIDE-AGREEMENTS and full understanding regarding loans—how is it that you, Betty, received a GREAT BIG BUNCH of interest payments regularly. Those agreements were on the “side agreements” you misfits claim were nonexistent.

And little Annie Beam—relax, for you surely realize that no right-minded angel is going to snatch you up to the secure places of God. We don’t like cheats, liars and thieves among us. What you and Abbott, along with Green, have done to Leon is unthinkable—but certainly his business.

Ekkers talked no one out of anything—you came, you did whatever you did and you went—because of George Green. E.J. simply signed papers because HE WAS THE TREASURER—no more to it than THAT. Then when your “leader of your cult” left and ran with the assets in hard cold cash—why didn’t he return your loans? WHY DON’T YOU PEOPLE GO WHERE THE MONEY WENT AND THE CRIMINALS ARE—BEFORE THEY MAKE YOU INTO GREATER CRIMINALS THAN YOU ARE NOW LABELED? It is most certainly YOUR BUSINESS but I think an International media program is not going to sit still answering for that which YOU PEOPLE set them up to catch in flak as facts—right from documents and Jason Brent—come to living confrontation. Jason Brent’s full conspiratorial role with no less than Green is now in full LIGHT by none other than Jason Brent HIMSELF.

When you are ready to protect your own interests and go after the guilty parties—things will look a lot better to you—for the lies and liars will not continue to win and they will leave you wasted and destitute!

And Leon? \$40,000 plus the \$18,000 for the summer away from Circus doesn’t make your tale of woe so credible in the face of the other things Abbott has done to you—OR DIDN’T YOU KNOW ABOUT ALL THAT? Can’t you see that Abbott and Horton are STILL USING POOR DEAD-AND-GONE JOHN SCHROEPFER IN THEIR FILINGS—**OR DON’T YOU KNOW WHAT IS GOING ON? You said you didn’t keep up—and my doubts are great that no one ever shows you anything.** You have been “had” every way from Sunday and upside down—AND IT IS NOT FROM EKKERS OR ANYONE ON THIS MAT. HOW DARE YOU CONTINUE THIS ATROCITY OF MISINFORMATION WHILE THE BOUNDERS ARE EVEN UNDER YOUR OWN ROOF? Annie told you to stay away from the Light—and it is well noted that you have followed her ill-begotten instructions to the letter. How dare you blame others! Check the onset of your mal-content, and Betty do likewise, and see if it REALLY was Ekkers or anyone here who “did it to you”. OPEN YOUR EYES AND LOOK AROUND—YOU HAVE BEEN HOODWINKED BY YOUR OWN CHOSEN TEAM-MATIES.

You overshot with the documents, Betty, for when Phil flashed the Bethel papers in Doris' face—all she could do was ask, “What is that?” After he explained, with totally empty sails, who Bethel is, her response was, “Where are the side agreements?” He was stunned when it was noted that there are side agreements (somehow neglected in the document offerings) because Betty, if that is Bethel, received a LOT OF INTEREST and that is on the side agreement documents...! You left these people with egg dripping from their chins—on international television. One of the “in charge” parties said, “I wish we didn't have such a large audience.” The idiocy was witnessed in New Zealand, France, Greece, Africa, Australia—and these are just ones heard from. They literally had to bury their heads when they now become lumped into TABLOID television. Golly gee whiz.

What do I think about the court wins and losses at your hands, guilty cheats? I think you need to know when to hold them, know when to fold them, and know when to walk away long enough to draw another HAND, having learned how to play the game while letting the cheaters in the game hang themselves.

After today the colleagues who gave you, Betty, the corporation books are in very hot water—and if one name is used by them henceforth, from the stolen data discs—they will be arrested. So, if you have them set up to get those corporations again INTO YOUR HANDS, BETTY—IT WILL HIT THE NATIONAL PRESS.

You guys certainly did improve our circulation and attention focus so we do thank you for your added services to God's work and TRUTH. But, personal damages are irreversible in this case and several people feel personally damaged beyond repair.

It is most obvious you were NOT brain-deaded HERE because all you have to do is simply READ THE MATERIAL, for any similarity to the San Diego cult is that they had some deadly vipers among them, PRETENDING TO BE FRIENDS (I did NOT say “believers” for you can believe anything you choose). YOU BELONG TO A CULT AND HAVE PUBLICLY ACKNOWLEDGED YOUR PARTICIPATION AND CONSPIRATORIAL EFFORTS TO DESTROY OTHERS THROUGH THAT CONSPIRACY. THERE IS NOTHING “HERE” SIMILAR TO ANYTHING YOU HAVE CLAIMED INTERNATIONALLY—BUT YOU HAVE PROVEN THE CULT ON YOUR SIDE AND YOUR OWN SO-CALLED BROTHERS HAVE OFFERED THE EVIDENCE AND DOCUMENTATION OF THE FACT OF THIS STATEMENT. ENCE AND GREEN JUST CAN'T SEEM TO GET THEIR STORIES RIGHT, OR EVEN THE SAME, WITHIN TEN SECONDS OF THEIR FIRST LIE. This fact has been nicely DOCUMENTED by a Judge in Nevada—sitting on the BENCH.

George Abbott said right in front of a roomful of people that he planned to “retire on this case”—and that was probably some \$50,000 ago. He also noted that he and Horton were joining forces and that meant that both would be retiring—ON YOUR FUNDS! Have YOU guys any idea how many stupid filings these nuts have put into court? Well, to the extent that the JUDGE **ORDERED THEM TO STOP WITH THE GARBAGE.**

They have been tossed out of the U.S. Supreme Court and twice OUT OF the Nevada Supreme Court. What does it take? We know they don't share with you, their clients, so what else is new? They didn't even acknowledge John's DEATH and continue right on using him and Eleanor—now an invalid in an old folks' home having been put OUT by her wondrous son.

When you deliberately set forth to destroy your OWN PROTECTION, how do you expect to gain? I find that if one destroys his own investment banker—there is nothing left for anyone—including the destroyer. Of course this IS simple COMMON SENSE. Your notes have gone nowhere so how is it that you continue at all costs to destroy your very security? Abbott, Horton and Green have “eaten your lunch” and you never even seemed to notice. And furthermore, Sharri is not nearly as “slow” as you seem to credit her. It is noted that she has managed to let you manipulate and think you control—while she just sits knowing she is in good hands. YOU are made the “fool”. “Stupid is as stupid does” and so too “evil is as evil does”. George Green plays to your greed and overrides your intelligence—aided and abetted by your closest advisors and friends. Well, they claim friendship but it is just like the turncoats who flap in the wind of their own greed. You guys really SHOULD have provided the side agreements! You should also look up the LAWS on “fiduciary responsibility” as regards corporations ANYWHERE—not just in the “loose”, liberal regulations of Nevada as you presented to the media. It certainly appears that you have shot yourselves in both feet.

We find it interesting that even Col. Bo Gritz is suggesting in public to having to consider apologies to “Hatonn, the lizard god”. He also is eating a bit of crow because Green claimed Bo took no funds from the Institute? Wow—and right here is the wire-transfer paperwork. My, my— isn’t it a small world? I wonder if GREEN ever told you people even ONE TRUTH?

Well, Green also told several parties that Horton was a fool and, “I have to do my own legal work,”—eh, Mr. Lienthall? How about that, Mr. Williams? This is amusing since Abbott and Horton have just burrowed in deeper and deeper into the mire of lies and trashing.

Why do I continue to write about these things in this manner, and Dr. Young publishes them? Because, of all the readers on the globe—we KNOW that you little cult members of the Green following, UFO researcher and viewer, read every WORD with a magnifying glass—which may have just set your whole house afire from the refraction heat. Also important to you who have worked so hard to also destroy Cort Christie, even through his and Jenny’s parents, with your lies trying to aid and abet Green. You will never breathe a joyful breath again, I can assure you, for you have betrayed yourselves and now the jig is up—you have been uncovered. Life-long friendships have been betrayed for your almighty hope of gaining money, and that for your very ENEMY. Do you REALLY believe that George Green is going to pay you something? What? With what? He is a ponzi-scheme con-man at best and a total criminal in fact. YOU CANNOT GO ABOUT DESTROYING REPUTATIONS WITHOUT HAVING YOUR OWN OBLITERATED! IT IS THE UNIVERSAL LAW OF RETURN—CAUSE AND EFFECT, YOU KNOW. You all may well have been “brainwashed”—but it certainly WAS NOT HERE THAT YOU LEARNED YOUR FELONIOUS ATTITUDES.

Is it now too late to consider possible intelligent review and insight? NO, with God and Hosts it is NEVER too late to consider change and action within rightness. But don’t expect people here who are still in casts from your bone-breaking tactics to fall at your feet—it will take actions, not words, to rectify this kettle of fish set on “burn”.

Or, do you think it only that God has pious fools for his friends? It certainly appears the fools continue to serve God’s adversary even to their own detriment and destruction. You have now just lost your propaganda attack and never again will these people you lied to—longer serve you and will, in fact, probably sue

the daylights out of you for the false information tossed off on them.

And Channel 29 and Jason Brent? Well, an interesting thing has happened on the way to the forum at Channel 29 who, by the way, was seen at Jason Brent's for a long period of time getting instructions, which are all now blasted into the dump-heap. Ekkers' kids grew up with Rusty Shoop and lived less than four blocks from the lead producer of Channel 29. They ALL KNEW AND KNOW Ekkers as the ones who raised everybody's children, took them riding, took them camping—and acted as parent any time they were needed. Miles Muzio, weather man of Channel 29, lives directly ACROSS THE STREET, RIGHT NOW, from Ekkers, and funny things happen—he hasn't noted any eight-foot aliens, space ships or any other nonsense taking place—except the garbage you served onto his hotplate. Not good, guys. ONLY TRUTH STANDS INTO INFINITY—YOUR LIES ARE SO SHORT-LIVED AS TO BE HUMOROUS. Please more carefully read last week's *CONTACT*.

Obviously Jason tried his tactics as outlined in his letter to Green [*See pgs. 10-11 of the 4/8/97 CONTACT*] as how to destroy the Ekkers—but wow, has that ever backfired. And you naughty people—you didn't cough up 10% of your notes to pay off the greedy appearing shark. Doesn't it make you feel cozy and in good hands when he is sucking more “warchest” funds from your blood banks? I hope you realize that sharks are now an endangered species as they get caught in their own nets and used for such as shark's fin soup. The nasty thing is, however, that they pull you unsuspecting followers of the cult leaders, i.e., the legal eagles with Green, into the soup with them and when it is over—only you fish are left sticking to the hot pot.

Isn't it time you started telling the truth, protect your loans and check out the GUILTY parties? Do what you will but time slips by and one of these days the “shark's” pond is going to dry up—but they will have eaten you already!

How can you blame others—WHEN YOU KEPT NONE OF YOUR COMMITMENTS TO GOD? We don't care what you do with mankind, but YOU KNOW YOU HAVE TRIED TO SCREW GOD, and a funny thing happens with liars—they get caught in their own trap.

And by the way, it was awfully embarrassing to *EXTRA* to have called the Ekkers' house a “PALATIAL COMPOUND” to realize that it is rented, number one, and under such atrocious miscarriage of justice as dealt by YOU in coalition with the judges and Steven Horn, number two.

They, by the way, didn't find any arsenal—anywhere—and the police are irritated as heck because Ence/Enz made them look like worse fools when an investigation was demanded—by Ekkers—and that included the FARM of Enz fame, etc. They also found they had to account for and note sealed police records and reports from Stallion Springs, etc. What were Jason Brent's friends doing in Tehachapi in their squad cars? What of those 911 calls to the farm that the police have NOW released the information and found Ences and relatives to their eyes in involvement? Tricks only work for a very short while until the magicians, who are idiots in the first place, get caught. Dirty tricks used to be for politicians—and, well, we have to admit Jason Brent is still a politician who would depopulate the place through his Mensa intelligence programs—which I might wonder if I were his informers—might well be YOU?

You who claim now to be “loyal to the end” to these deceivers and liars—what ever happened to the

“loyalty you swore to God”? Intelligence is a gift of God through study and learning—and it appears the gifts of intelligence were never earned in large enough quantity to avoid the pitfalls of the adversaries’ greed and blinding suck-in games. To each his own but when you grab the iron ring, thinking it to be gold—you are going to get rusted-out leftovers. But even now I feel I must warn you, especially you, Betty: the people involved in the NCH debacle and the people around this place—are going to dump the blame for their own indiscretions ON YOU! IT SEEMS A BIT UNFAIR, ESPECIALLY SINCE THE “BIG MIND” CONSIDERS YOU ONLY A DUMB AND STUPID “BROAD”. How complimentary can he get to the fair sex and supporter while he uses your funds and has the ability to saddle YOU with the whole load of his actions? Wake up time perhaps? I think *EXTRA* might like to recover somewhat by hearing the TRUTH from you, Betty. They aren’t too happy right now! Or, perhaps you didn’t know that Enz went forth ADVERTISING the programs so all in town wouldn’t miss his performance. The other people who aren’t too happy are the ones who rushed to get this trash off to the courts. Wow, not TOO SMART, and it’s now too late to withdraw the mess—so, they will ALSO BLAME YOU FOR THE FALSE INFORMATION! Lawyers are really GOOD at that game of blame-somebody-ELSE for their “innocent” filing of information and getting caught with their pants down in public.

The courts may not have hearings—BUT THE PUBLIC DOES! Thank you for precipitating an opportunity TO BE HEARD. Everybody involved from the media has loved having ability to search through all the cases and papers in open forum with all welcome to attend—and they are considering doing whole series investigations. Sounds good to us.

Funny other thing happened. We just opened the meetings as in “townhall” type—and none of your buddies showed up after being especially invited to attend. Do you feel lonely out there on that wash-line to drip dry?

It is a strange thing even in this day and time—when you go for BIGGER GETCHA media and press coverage—you really are expected to tell the truth to the journalists because you are going to find that THEY CARRY A GRUDGE.

Well, another day and another experience and what you learn from the activities is measured in INTENT within. May your intent always be in movement toward intelligence and WISDOM so that your actions do not incriminate you. By the way, the crews also wondered why you people who set them up knew so much about that San Diego group and they suggested YOU might be associated with that somehow, for they found no association here. They left looking into UFO stuff as regards Green and you nice people of his following. Even Dr. Carlson was here to attend this—from Hawaii where in one of his seminars Green explained his ability to “create the illusion of money”. How interesting, and in living color yet. Might I suggest that you might well consider that the assets you save might better be your own? Mr. Abbott’s own *Associated Press* refused to touch this tale of stupidity. Hatred makes you do very foolish things, friends—every time. And yet, there is something very obvious about Satan and his followers—they always seem to deserve one another and the lack of peace and joy within that always comes from ill-intent and wrong actions. And, further, sticking pins in voo-doo dolls doesn’t do a thing save prick the fingers of the pin pokers. And Betty, it might be wise to tuck a bit of your funds aside—to pay *EXTRA* for their inconvenience—since they only can finger YOU because YOU WROTE THE LIES WHEN YOU CONTACTED THEM—ACCORDING TO THEM! Good luck, because they can afford better attorneys than the “good old boys” network of Northern Nevada. What they do, further, seems to revolve around what is

done here but they certainly DO acknowledge that “we” have a dandy case and they would have little or NO legal defense. Salu.

## CHAPTER 13

REC #1 HATONN  
SAT., APR. 12, 1997 8:08 A.M. YR.10, DAY 239

SAT., APR. 12, 1997

### WHEN LIFE DEALS YOU THE PITS— PLANT A CHERRY TREE

Why me? Why us? The cry comes bursting forth from hearts in despair, hurt, disappointment and yea, even “I give up; Uncle”.

Each morning falls a new set of seemingly endless and actually unanswerable inquiries attached to: “I pray and ask for answers but I get none.” I wait and find that you not only got the answer but just find yourself unsure as to whether or not you got the CORRECT answer.

I have a couple of things this morning to address and in both instances you actually do already know the answers.

### WHAT TO ADVISE JANET

Each one who reads the *CONTACT* knows of whom we speak—our Christmas miracle. But ah, there is more to the dark side and the relationships with Janet, are there not? Let’s see where we are this morning. Some are wondering why I would point out Janet even on the *EXTRA* interviews? Why? Because the Evil Empire is trying to kill her—no more and no less. She knows that and can our team be there every time they prod her or disable her auto? The hounds of hell will take out the children also, if it is convenient to get Janet while she is with them.

Why would this be? Because buried in her mind are some of their top secret observations. She doesn’t have any wish to speak of those things and certainly bodes no danger to their quirky and kinky plans, but that never seems to matter when the game is “getcha”. There are no coincidences and there are no accidents so what else can we discuss? Advice? Sometimes advice without understanding is silly nonsense, so if we discuss this a minute perhaps we can find some understanding.

I spoke directly of and to Janet at the meeting with *EXTRA* to make very SURE the adversary knows that she is now OFF LIMITS! Further trauma will only merit the “bad guys” a whole lot of trouble. However, you-the-people must use wisdom in your decisions and actions or there is NOTHING I can do about you.

Janet, go nowhere outside this small loop of towns—do not pass go and don’t go visiting relatives—especially relatives in the intelligence service, for you will not end up secure or safe. You have “handlers” and there is far more within your mind than “they” want shared or told. But, can’t the Angels save you—again? Yes, but why further tempt the devil to do battle when you are secure and sheltered in my own

wings?

Do not succumb to the call of the relatives to have you visit. If they wanted to see you, they would have attended you and come to ease your burden. Face FACTS and we shall grow into peace and loving care. I ask that you stay in this village as much as is possible until things cool down from the recent encounters with media—and hold strong. Mark Phillips will soon be visiting and we shall ask that he consider your circumstance.

The tapes of the meetings this week have gone to and are at the highest level of intelligence personnel—ON YOUR GLOBE. A lot of decisions are having to be made as to the now public reality of myself, my position—and my expectation of keeping AGREEMENTS—yes, with such as even George Bush. I keep my agreements and I expect your people to keep yours. I'm sick of your killing, murdering, and mayhem upon innocent people who come within my center of security.

The latest program by *EXTRA* is postponed to airing because the highest level of intelligence and political personages are considering what to do with the TRUTH. We actually prefer they DO nothing—except meet their very easily kept prior agreements.

As to Janet, is there some really good REASON you can't park your pet, bring your pet, leave the pet with Dad and girls and/or commute—to be in the safety net of friends so that you are not vulnerable and not alone? You are not healed enough to take long journeys and are apt to damage what is healed. I know that a couple of people, at least, have offered a bedroom and transportation for a few days' visit. Please consider it, for the next few weeks are going to have a lot of pressured situations.

The ones at the top KNOW that I will not go beyond those agreed upon activities. I am not here to SAVE anything, but to bring Truth. We have projects which will make even the World Controllers look good and they can do their battling among themselves without interference. I certainly am not around to do wars and rapture, or approve suicide or suiciding—those things are NOT of God, and in your free-will circumstance, all I can do is make suggestions while pointing out possibilities of deception upon you.

By keeping agreements with me, however, the Elite can actually have some production—for they also have to eat, drink and have shelter. They keep the major issue of anything we do and it seems only proper that we have that which allows us to accomplish some measure of product. As headed, the rabble will rouse and that bodes badly for law and order.

I have made it clear what I will and will not do—and I keep my word for the “word” is the only real bond of a man or contract. Otherwise an agreement is without value or merit. I need no oaths other than my word. Remember it well for I often insist that the other party to these agreements keep theirs with me.

Again, sirs, back to Janet. Leave her alone and leave her children alone for she is God's child and she will have the same freedom of choices as all men in the reflection of God. I'm sure there is some little task that she could perform which would give her some feeling of contribution for her “place”. I do not speak of “pride”; I speak of responsibility for self. Thank you, Ray, and thank you, Al, for it is quite recognized that this lady could not have made it to now without your generous and caring help and input through the very dark and painful times.

Janet has NOTHING to tell that we have not, and OTHERS in abundant measure have not, told many times over. I repeat to my dark brothers: LEAVE HER ALONE.

If you, Janet, know that someone has been within your home in your absence, and is perhaps there as we write here—call the police and have them investigate. You don't have anything to hide and everything, possibly, to gain. That is their job—to make sure crime is not committed. Do not return to that place ALONE—just make sure you have someone accompany you—and preferably have it be the police.

There is *NOWHERE TO RUN AND NO PLACE TO HIDE*—so will all of you quit trying to hide, run, or outsmart the villains. Silly antics only give them reason to shoot at you.

### NOW TO THE FARM

There is great sadness this day as ones have to consider more paperwork, more struggle and confrontation with legal red-tape. No, I don't have answers but legal measures are all that are actually acceptable, for perhaps frequent visits might well be an answer while more paperwork is achieved. I will, however, remind you: SET YOUR GOAL AND THEN CREATE THE WAY. If you are “helpless” in your goal setting—then you cannot achieve what you claim to desire for you have already “given up”. There ARE alternatives for there ALWAYS are alternatives to any choice or decision. Not the least is to petition a COURT, get into the organic growing “school” so that academic visas are granted, or get the organic growers to take a more direct part in the petitions for Sonic Bloom use in testing Spelt—perhaps not for food but for the insulation/radiation protection values under experimentation. Spelta hulls both lighten cement, for instance, and are water-shedding particles—making even boat molding a good product. But investigation and research must be done or you can't utilize the materials. Perhaps you need to go DIRECTLY with petition to Archer Daniels Midland and explain these values to big producers as new product worthy of resisting the new smut abiding in the established grain fields. Go to Bronfman—they haven't produced a whisky of traditional grains like the nice gentlemen could get from spelt and still have the hulls for use in industry. Spelta hulls will make better paper products than does linen (flax or hemp).

You don't think it would work? Then don't, by all means, do it. You see, each decision is simply a choice, and if you QUIT, you have no way to know whether or not it would have worked. Suppose we just “QUIT” because a thing seemed too outrageous or big—wow! Go directly to the State Departments of both Canada AND the United States with your PROPOSAL and stop playing with the underlings who do things simply because their wife yelled at them that morning. Go to the Secretary of Agriculture—because you are talking about a product that could offer BREAD until and while the smut is being cleared from the fields and which can withstand the extreme temperature shifts in growing seasons. You have your product—CREATE YOUR MARKET. Don't stop asking for input—from anyone and everyone—but get BUSY and create what it is you want.

Playing games with the ones already turning you down is silly—and the children need to go to school and find acceptance—so go HIGHER up the ladder and you will find respect and recognition of your position AND your product. We don't want to corner the market—we want industry, but it is the grain that is needed.

Is it encouragement you need? Then please consider THIS as encouragement: When all else fails, look

through Lesko's book of lists of resources and see if there is some silly department you never heard of to help you. A game is not finished until you, the player, quit the game. Most people quit before they even actually get into the heart of the game. God doesn't need more quitters—GOD NEEDS PEOPLE WHO PROVE HIS POWER OF CREATION, BE IT SPELT-GROWING OR PAPER-PRINTING.

### NOW TO BANANA FARMERS IN SOUTH AFRICA

There are MAJOR negotiations under way here wherein the entire banana production is trying to be garnered. A lot of very high-level landowners are trying to corner the fields for their own crops. Time becomes uncomfortably important for the heads of state making the decisions want it ALL and the smaller farmers may not be able to hold very much for independent contractors. Once agreements or contracts on the land and crops are signed and acted upon in good faith, we can hold property out for the original bidders. Please consider this as we move through these current days because we must be equal opportunity employers and also use no discrimination in transactions—it is the law.

### U.F.O.s OVER PHOENIX?

I am even asked to say what are those things seen over Phoenix (Arizona) that got top billing last evening on *EXTRA* instead of “our” story? Well, they are real and they are exactly THAT: unidentified objects—apparently! Are they something I should know about? I doubt it, and further, they can be anything from a LIGHT SHOW, LIKE YOUR COMETS OF LATE—or something more interesting—but very definitely I do concur at this moment—they are unidentified objects, flying or otherwise.

### CULT SUICIDES

Will there be more suiciding cults? Yes indeed, we are asked this even as we petition that you stop asking silly questions. There haven't been any actual “suicides” in any cult or otherwise place or thing, that I have witnessed. I have witnessed MURDER and, yes, I can hear the call for “206 more towns will have suiciding events” from the *INQUIRER* serving “inquiring minds”. But, if there are nuts making bad choices by putting other idols before them—who knows? I can't say that you can blame the Devil, God or Aliens for such stupidity. If you want psychic guessing—go call the *Psychic Hot Line*.

You KNEW it would be this way so WHY do you continue to act shocked and ill-informed? We have warned you for countless years and nobody listened? How think ye that if you are just now asking, you will get DIFFERENT INPUT? If you act as the kite blowing in the wind, then you are going to be controlled by the string and hands manipulating those strings. A kite is but a puppet on a string, remember, and is often an unidentified flying object. Further, if you are controlled by your own shadow and fear same, you will go on through life boxing with the shadow and never turn around into the Light and simply ignore the shadow. Remember, if you only see a shadow before you—you are facing the WRONG WAY.

What of my enemies? I don't really have any enemies for I fully depend upon the cheats and liars to PROVE MY TRUTH. Surely that can't be an “enemy”, now, can it? If, moreover, I only focus on those who call themselves my enemy—I don't see the opportunities for achieving and creating my goals. I consider enemies and adversaries to be the worst of the dark shadows—so I turn unto the LIGHT and

render them to be totally without energy or form. The Greens, Hortons, Abbotts, Horns, Brents, Tutens, Beams, et al., can play in their destructive dung heaps for all their existence and it has nothing to do with me—or thee. When they change their minds and truly go for a change of attitudes toward goodness and Light—I suppose they will turn about, scrape off the dung and dung haulers—and clean up their act. Until THEY make a change toward TRUTH and HONOR—no amount of arguing will change an iota of it. Communication can offer good solutions—arguments only reinforce the ill-intent in almost all cases of confrontation. I have no need nor desire to argue or debate that which I KNOW TO BE TRUE, so why bother myself and distract myself from the REAL GOALS AHEAD to wallow in that dung box with my adversaries?

### UNDERGROUND BASES AND FACILITIES

Come now, we have offered, re-offered, printed and reprinted many papers on EXACTLY where those bases are located and given detail of some activities taking place in those facilities. I am not going to get Dharma into more confrontation; if you want more information, find the party who just offered an updated printout and get permission to rerun it. The list came from V.K. Durham but it appears to be by “Springmeyer”(??) so you only need to get permission. The paper itself has NO IDENTIFICATION reference.

I have no interest in those bases or facilities other than as they might affect “my ‘cause’“. They don’t! We have told you the information numerous times and nobody seems to give a pebble about it—so, why should I bother to pound on it and get crosswise with the very parties with whom I must make agreements and do business? You now know they are there and have missiles and other deadly stuff—so what are YOU GOING TO DO ABOUT IT? These are YOUR things, not mine. Mankind will CREATE PEACE or he WILL LIVE IN WAR.

You are people of the lie, and until you decide to be otherwise—you will continue in the lie. I have no right to interfere with that stance. My RESPONSIBILITY is to the individuals who are within God in intent for I don’t even want the illbegotten evil puppets or masters in my space—no pun intended. Lie to me, and then as far as I am concerned: get yourself as far from me as is possible. Break commitments and contractual agreements with me—and I will be like superglue all over you. You had THE CHOICE when you made the agreement. This is exactly like the woman’s choice idea. The woman had EVERY CHOICE as she chose to lie abed, or wherever, and accept the irresponsibility of intercourse. Responsible intercourse DOES NOT END UP NEEDING MURDER. Responsible choices are made at ONSET of incidents. “But it feels good?” So does the injection of heroin! So too perhaps does being shackled to 300 pounds of gold—unless the flood comes and you drown.

Readers, life is simple and concise in all things. Responsible intent and actions are the keys to success. All else is greed and irresponsible behavior focused on ego desires. Force and POWER are not identical words—so go find the truth of that fact. Power in CREATION must come from God for all else must utilize that which is already created.

Do you have to “understand” this? No, just KNOW it and act accordingly—in full responsibility of self and actions, intents and attitudes.

## LEADERS?

Right now I am going to clear up something, and that is regarding “leaders”. If you have GOD as your ONLY leader—you will act responsibly FOR SELF. Stop pushing off your responsibilities onto those you choose to have as “leaders” for most often they DO NOT WANT YOU “FOLLOWING”. For goodness sakes, just because Dharma writes for me and I serve God—or anyone—it is not her problem to LEAD anything so STOP THE NONSENSE—FOR THIS BECOMES “BLAME” FOR ANY FAILURE OR MISUNDERSTANDING. EKKERS ARE NOT YOUR APPOINTED ANYTHING AND IF YOU CHOOSE TO CONTINUE THE “FOLLOW THE LEADER” YOU ARE GOING TO GET BOGGED IN INABILITY TO FUNCTION IN YOUR OWN RIGHTFUL ATTITUDE. IF YOU ASSUME A “LEADER” THEN THE ASSUMPTION IS ONE OF HAVING “FOLLOWERS”. THERE IS NO LEADER, AND NO FOLLOWERS, HERE—THERE IS ONLY TRUTH, HOPE, LABOR IN POSITIVE ATTITUDES, AND PROMISE OF POWER AS IN CREATIVE THOUGHT AND ACTIONS.

Yes indeed, I have a mission project and each of you have your own mission project. Hopefully our responsible actions earn worthy recognition as we work toward our individual goals. But when you set up leaders and followers, you err.

So be it and good morning. Salu.
