TODAY'S WATCH

In the Light of the Love of the Universe, I come to commune. In service unto you little Doubting Thomases. Hatonn present.

December 3rd came and went and nothing happened????? Where were you?

From where I sat, I saw five space missiles sent up. I saw you effort once again, in America, to launch a spy/sensor satellite system--which by the way, was again prevented from its appointed task. I saw Japan place a "journalist" aboard a Russian spacecraft to monitor independently that which you ones planned to do--if you managed to do it. I watched the "Siberian Express" move into cities and areas of the Midwest and bring "RECORD" BREAKING snow and ice to Chicago--"Unseasonable", they said and further pronounced that if this continues, it will be a long hard winter with "fuel" shortage for heating. I saw Miami erupt in riots because of your injustice system. I watched Gen. Powell go to Great Britain. I saw two massive planes collide in Detroit while witnesses said "something" flew past the wing prior to the accident. I saw a deep earthquake in Mt. Fuji which vented ash all the way to the surface--some fifty miles from the cauldron. I witnessed tides higher than recorded prior. I watched Israel pronounce intent for war over the upcoming

Iraq/U.S. meetings. I watched President Bush give away Billions of Dollars from you nice U.S. taxpayers to Brazil in free-trade and aid. I watched Argentina erupt in response to Bush's visit there this day--where he will give a rotten government more billions of your dollars. I watched as Saddam Hussein agreed to release 3,000 Russian nationals *by Thursday*--IF RUSSIA DOES THIS OR THUS. What about the other 6,000 Russian military instructors and advisers?

I watched Saddam Hussein send a bill (statement) to England for costs incurred for housing "Hostages" in the nice hotel in Baghdad ALSO WATCHED AS ENGLAND AGREED, WITHOUT COMMENT, TO PAY IT.

NEXT I WATCHED WHAT IS THE MOST HEINOUS DISRESPECTFUL DECEIVING OF A NATION THAT I HAVE YET WITNESSED. YOUR WONDROUS PRESIDENT WHO WOULD BE KING OF THE NEW WORLD ORDER HAS NOW CALLED UP SO MANY RESERVES THAT IF HE CALLS MORE HE WILL NEED TO CALL A NATIONAL EMERGENCY! THAT IS WHAT THE WHOLE THING IS ABOUT, CHELAS!!!!

Once Mr. Bush can call a National Emergency--all Emergency Regulations can be put into service, from closing your banks to removing all of your Bill of Rights--remember those writings of weeks ago? Funny thing--Mr. Greenspan of the Federal Re-

serve did exactly that which I told you last week--he has lowered the reserve required by Banks!

How much more do you want regarding yesterday and things that didn't happen? Do you count your blessings or do you moan and groan that disaster did not strike poor New Madrid--well, dear hearts, the week isn't finished, is it? I suggest you pay closer attention to California--you did have a quake in California yesterday worthy of media mention. So be it, I am not going to do all your homework for you but since you can't see into the cosmos or even the limited distance to your own spacecraft whose equipment "doesn't work" I would suggest you should be objecting to the multi-billion dollar toys that don't ever work!

Oh, by the way--what about the surtax "Mr. Read My Lips" is going to place on all you nice taxpayers to go with that nickle a gallon gas tax? Oh, its the one that is going to pay for this Middle East war! You know, the one like the one used in Vietnam!

Now, I am going to shatter a lot of balloons. You see, Satan has to wear a clue, no matter how faint or subtle--you have to be alert. I am going to write something herein from your own *Newsweek* magazine from Dec. 3, 1990!

Quote:

EXCLUSIVE: WHERE ARE THE TROOPS?

It's the case of the 'missing' military presence. Since Operation Desert Shield began, the Pentagon has given regular updates on Iraq's military buildup in Kuwait. In late August it reported that some 150,000 troops and up to 1,500 tanks were in Kuwait. In mid-September it said there were 265,000 Iraqi troops and 2,200 tanks in Kuwait and southern Iraq.

Now, *Newsweek* has been told, some American experts are puzzled by a set of five Soviet satellite pictures of eastern Kuwait and southern Iraq that show little or no Iraqi military presence. ABC News bought the photos, shot in mid-September, from the Soviet commercial satellite agency Soyuz-Karta. But the network finds them so bewildering it won't air them.

To analyze the photos, ABC called on two experts: George Washington University professor Peter Zimmerman (a nice Zionist surname), a member of the U.S. Arms Control Agency in the Reagan Administration, and a former Defense Intelligence Agency photo analyst. When the pair looked at the shots, they were astounded, "We turned to each other and we both said, 'There's nothing there,'" Zimmerman recalls. They found no trace of an Iraqi military presence anywhere in Kuwait. In fact, all they could see, in crystal-clear detail, was the U.S. buildup in Saudi Arabia.

When questioned, a Pentagon spokesman said the military "sticks by its numbers".

There is no definitive explanation for the mystery. An ABC spokesperson speculated

that perhaps poor photo resolution was the problem or that the Iraqi buildup had been expertly camouflaged. AND HOW WAS YOUR WEEK?

Do you ones have a clear-cut picture of how large (in population) is Iraq? Well, it has some 17 million people-- THAT, DEAR ONES, IS ABOUT THE SIZE (A BIT LESS POPULATED) THAN GREATER LOS ANGELES!

WHAT CAN A "COMPANY" DO?

This is a continual question from you who have listened to suggestions. "What creative steps can a company take to prepare for these uncertain times of possible war and economic disaster?"

I shall simply ask Dharma to reprint Lewis Laughlin's response to the same question.

A TALE OF 2 COMPANIES:

In the not too distant past, times were much like they are now. You probably remember a time in the 1970's when times were tumultuous and recession or even depression seemed almost imminent. During these times there were two companies that are representative of many during that time.

One company did what it could to prepare. It cut spending and used all of the conventional methods but that's about where the preparation ended. The company had some assets that were valuable. Unfortunately, that company doesn't have those assets today--in fact, the owners of that company don't have the company today.

You see, when times got

tough, the company's creditors moved in and took the assets away. The company fell victim to economic hard times.

Then there was the other company. In addition to the conventional steps that the first company took, this company took some creative action. This particular company also had certain valuable assets and it still has them today. Here's what they did...

The company got *heavily in debt to another company...it borrowed heavily and used all of it's assets as collateral for the debt*. A strange way to prepare for possible hard times you say--yes it was. The catch is that the owners of that company *also owned the creditor--the company that was in debt and the company that it was in debt to were controlled by the same people*.

So, even if creditors wanted to move in on the assets of the company, they could not. Not without paying off the secured creditor first...and the secured creditor was controlled by the same people.

This company was recession proofed--depression proofed--judgment proofed. The company was *prepared!*

The strategy that the prepared company implemented came to be known as the "Warbucks/Red Inc. strategy".

END QUOTE.

You can do it too and in times like these, NOW would be none too soon.

A WORD TO THE WISE!!! NOW IS THE TIME! IT IS ALSO THE TIME TO PUT YOUR EXTRA IN-

VESTMENT MONEY TO WORK. YOU CAN COVER YOUR "CONTRIBUTIONS" IN TWO WAYS--I.E. AS WITH THE PHOENIX INSTITUTE AND THE "CONTRIBUTION" WILL BE COVERED BY THE COL-LATERAL OF PURE GOLD! THE GOVERNMENT IS READY TO PULL THE NOOSE CLOSED. IS EVERYTHING GUARANTEED AND PERFECTION? DO YOU LIVE ON THE MOON? NO, YOU LIVE ON EARTH WHICH IS GETTING READY TO GO OUT OF BUSINESS AND THERE WILL BE NO PERFECTION AND GUARANTEES. I SUGGEST YOU GET IN TOUCH WITH THE PUBLISHER AND FIND OUT WHAT YOU CAN DO, AND OBERLI WILL ASSIST YOU--I CANNOT GIVE YOU MORE. BUT, THE TIME FOR DILLY/DALLY IS FINISHED FOR ALL PRACTICAL PURPOSES UNLESS YOU ONES GET UP OFF YOUR ASSETS (INTENDED ANY WAY YOU WISH TO ACCEPT IT) AND CHANGE THINGS. SO BE IT.

WARS AND RUMORS OF WARS

How many of you realize that a war still rages in Burma? In fact, how many of you know that Burma is not Burma? It is Myanmar (Burma's official name since mid-1989--now that would confuse you "listening" public, would it not?) At this point this war is the longest-running insurgency in the world. Well, people are maimed and die in that war and mostly it is over drugs and utilizes the most modern weapons, compliments of the U.S. and the Communists. There are already over 250,000 well-armed troops--I suggest you keep at least one eye open and on this little Myanmar.

Now, let us look at what the press is attributing to little Israel. Well, they fear things will get a lot worse before they get worse. The picture being thrust upon you unsuspecting world

spectators is one of economic and social strains. WHY? Nothing should have changed in Israel as they have "deliberately kept a low profile in the Gulf crisis". They claim to now worry that Saddam will be given a face-saving way to escape a knockout blow and emerge as an even more dangerous Arab hero. New U.S. arms sales to Saudi Arabia and President Bush's meeting with Syria's Hafez Assad add to Israeli disquiet, even more so given the overall chill in U.S.-Israeli relations. (This action is taken in EVERY similar circumstance to fool you the people.) "The meeting between Bush and Prime Minister Yitzhak Shamir on December 11 should allay some concerns...", it is suggested!

Now, I shall ask Dharma to reprint a section from *U.S. News and World Report*:

"....At home, Arab-Israeli enmity is deepening in the wake of the Temple Mount killings and a surge in Palestinian guerrilla attacks along the border. A clampdown on West Bank-Gaza workers entering Israel has, in effect, re-established the "Green Line" separating Israel from occupied Arab land, creating a fresh pool of unemployed and volatile Palestinians. The massive influx of Soviet immigrants threatens to overwhelm Israel's economy. As many as 1 million are expected in the next three to four years, the equivalent of the U.S. absorbing 55 million. Yet so far only 10,000 of 45,000 planned housing units have been started, and even with the latest 5 percent tax hike the country will have to borrow as much as \$30 BILLION abroad. Shamir will ask Bush for an additional \$4 BILLION in aid to help cover resettlement costs.

"Well", you ask, "Isn't peaceful co-existence within secure borders with Arab neighbors the historic aim of Israel?" No, no and no. The Middle

East has been in constant and unHoly turmoil since the instant of founding of Israel. This is directly attributable to Israeli policy.

The basis of Israel's foreign policy is the attainment of the Zionist dream of *Eretz Yisrael*--Greater Israel--which encompasses most of the present Arab states--and that, dear ones, is a LOT OF TERRITORY! MOST COINCIDENTALLY, THIS TERRITORY ALSO INCLUDES THE GREATEST CONCENTRATION OF MINERAL WEALTH IN THE WORLD, THE OIL FIELDS OF SAUDI ARABIA.

By the way, how many of you REALLY realize what has happened in Saudi Arabia? You believe that the U.S. has sent hundreds of thousands of your troops to keep Iraq from invading Saudi Arabia? YOU--YOU, THE U.S. of A. simply invaded Saudi Arabia instead!! Not only did you invade Saudi Arabia but you have occupied the territory!! SO BE IT!

Israel feels its expansionist dream can best be realized by creating total chaos in the Middle East, much as the Serbian nationalists under the domination of the Austro-Hungarian Empire felt that they could achieve nationhood only in the wake of a total breakdown of the European political landscape. Thus, the assassination of Archduke Ferdinand and the resultant tragedy known as World War I, as we just covered day before yesterday.

Israel cannot, however, yet do it alone and doesn't need to do so. Although mightily equipped for war, thanks to the beneficence of its patron the U.S.--that cannot hope to stand up to the superpower challenge. Thus, Israel has turned to a most *unlikely ally*--THE SOVIET UNION! Ah, the plot thickens, does it not?

ULTIMATE WINNERS

Israel and the Soviet Union will be the ultimate winners of any U.S. war with Iraq in the Middle East. *While it*

has all but slid by unnoticed during the continuing crisis in the Middle East, as planned, there has been a renewal of friendly relations between Israel and the Soviet Union and considerable diplomatic travel back and forth between Moscow and Jerusalem--and darn it all, you nice U.S. taxpayers pay all the travel expenses FOR BOTH SIDES.

The content of top-secret Israeli-Soviet talks has been confined to a small circle of insiders with the two governments and the "friends of a Greater Israel" in Washington. But they undoubtedly concern how the Israelis and Soviets *will divide the spoils of war between Iraq and the U.S. and the latter's hodge-podge collection of small, ill-trained and ill-equipped "multinational" allies.*

The American public, at least, is becoming a bit confused as to WHY the U.S. would risk the deaths of tens of thousands of its young soldiers in a war with Iraq. The administration has not even defined a reason for confronting Iraq, but has instead offered various conflicting justifications that have left the public even more confused.

The people, however, are becoming a bit aware that the international oil companies and bankers are already greedily lining their pockets with war profiteering--at your own expense.

ISRAEL NO FRIEND

What they don't know is that the two major malefactors in an American war with Iraq--Israel and the Soviet Union--already have plans in place for seizing the oil-rich Middle East for themselves. Now, isn't this just wondrous and puzzling intrigue?

Israel, in cooperation with the Soviet Union, is positioning itself to seize the great Saudi Arabian oil fields in the aftermath of a bloody confrontation which the Israelis are prepared to ignite themselves, if necessary. The sparking of war by Israel would not require any tremendous effort, just as it takes little skill as an arson-

ist to touch off a blaze in a room filled with gas-soaked rags.

Let there be no mistake, chelas, the Israelis are not friends of the U.S. and have no qualms about killing young American servicemen. **THERE IS NO HONOR AMONG SATAN'S SERVANTS, LITTLE SLEEPY-HEADS!**

The Israelis have blatantly displayed their treachery on two glaring occasions in recent history.

During the Six-Day War of 1967, Israeli air and naval forces *knowingly attacked the American reconnaissance ship, the USS Liberty--remember the story?* Thirty-four American sailors were sent to their graves and more than a hundred others were injured and maimed after being bombed, machine-gunned, torpedoed and napalmed. Israeli gunners even shot up their life rafts--please don't be forgetting this.

The Mossad purposely did not inform the U.S. intelligence officials that terrorists planned to bomb the U.S. Marine barracks in Beirut, Lebanon, in October, 1983. As a result, 241 young American Marines were blown up.

So, you see--America still needs a first strike nuclear holocaust against the Soviets in order to head up this "New World Order" without opposition or struggle, for top-level control.

The Mossad has a most active spy operation, known as "E-1", in place in America to steal U.S. secrets and plans--you know, like launching sensor spy satellites and shuttle programs, etc., and to start a war is indeed very easy. Let us just consider, what if---. What if a group of Palestinian terrorists (or pretend ones)--say, Israelis dressed as Palestinian terrorists, or a whole group posing as Palestinian terrorists, crosses into Israel from Jordan and perpetrates some terrorist act in Israel. (Oh yes, this is exactly what the Mossad is best at.) The Israelis react by invading Jordan to attack the terrorist camps.

Iraqi President Saddam Hussein moves to aid Jordan, and the United States reacts by moving against Iraq from Saudi Arabia.

While U.S. forces are pinned down by Iraqi defenses along the Saudi-Kuwaiti border, Israeli armored forces plunge through Jordan and deep into Saudi Arabia from the west, pushing ultimately to the sea.

Meanwhile, U.S. forces are held back and severely mauled by Iraqi defenses, including their use of chemical and biological warfare weapons.

America's current Arab allies on the front lines would quickly pull out of the fight, considering Israel's attack in Saudi Arabia a far worse danger than Iraq.

Meanwhile, again, U.S. forces are being horribly shredded by Iraqi forces, who are even now still being supplied and trained by the Soviets (remember those advisers mentioned above?) and making matters worse, America's supposed Arab allies, such as Egypt and Syria, defect from the "multinational force" due to the Israeli intrusion--it appears that now the Soviets have several options or windows of opportunity.

As weak as the Soviet Union is internally, its army is still numerically superior to the remaining Western forces in Europe (we will also talk of the vulnerability of Europe presently). It no longer needs to fear the forces of NATO, with most of the best U.S. troops and armor having been sent to Saudi Arabia from Europe. The Soviets have non-aggression pacts and various peace pacts signed with European NATO countries--*particularly Germany and France.*

The Soviets would be free to move against Iran and its rich oil fields, which they have long coveted. Or they could treacherously attack Iraq from the rear, seizing Iraqi and possibly even the disputed Kuwaiti oil fields.

Now how could this scenario end? It ends with Israel and the Soviet Union sharing the great Middle East oil fields. The American Army is effectively destroyed--WHICH, BEING IN SAUDI ARABIA--HAS LEFT THE CONTINENTAL UNITED STATES TOTALLY OPEN AND VULNERABLE (COULD YOUR PRESIDENT HAVE ACTUALLY KNOWN THIS?), AND THE SOVIETS WIN THEIR ULTIMATE VICTORY IN THEIR DECADES-LONG STRUGGLE WITH THE U.S., *WITHOUT FIRING THAT PROVERBIAL "SHOT" IN ANGER AT U.S. FORCES.*

Israel, in turn, realizes the ZIONIST dream of *Eretz Yisrael*, with a hammerlock on the Western World's major producing oil reserves. The Soviets, already the world's largest oil producer, realize even greater fortunes and monopolistic power from Middle East oil and achieve their long-sought desire to be linked by land to the Persian Gulf.

And what of the U.S.? With its military is wrecked in the Middle East, its economy in a shambles, and its major source of badly needed foreign oil cut off, it is no longer a major world power.

Congress, completely dominated by the Israeli lobby, will not raise so much as a whimper in protest. The President, his political power cut off at the knees as a result of the U.S. defeat, will be in no position to challenge the resulting *status quo* (exactly according to plans for the "feet of clay"). The media pundits, such as W. Safire, A. Rosenthal and W. Buckley, will congratulate Israel on its "stunning victory".

Dear ones--THIS SCENARIO IS ON THE DRAWING BOARD, SET UP AND READY FOR ACTION AND YOU ONES WON'T EVEN KNOW WHAT HIT YOU BECAUSE IT IS PREFERABLE, FOR SEVERAL REASONS, NOT TO BRING THE WAR INTO THE U.S. IN A TERRIBLY DESTRUCTIVE MANNER SO THAT

THE U.S. CAN BE USED LATER. Worse, the above as outlined is coordinated with an intended terrorist campaign in the country, which will have a mortal effect on the U.S. dollar, spelling the end of America's leading role in the world's financial community, and economic and civil chaos in your country.

And guess what as an added little humorous dividend? You American taxpayers will be forced to pay foreign aid to rebuild the devastated nation of Iraq!

WHAT OF POOR BAGHDAD'S SUFFERING?

Let us look into that little misconception also.

One of the most visited cities on Earth at this time is Baghdad, the capital of Iraq. It is teeming with foreigners. All hotel rooms are occupied, and all of the flights in and out of the international airport are full. Hence, one of the reasons for "billing" England for her "hostages" in the hotel--this is occupying rooms which could otherwise be rented.

In fact, there are now *more foreigners in Baghdad than ever before in HISTORY!* There are many news people from the international media, although one would not know it from the paucity of coverage of the Iraqi side in this country.

Visiting foreign dignitaries arrive daily to meet with the Iraqi officials to try to arrange the release of their nationals. Also, relatives of those being held are coming in droves to attempt personal diplomacy on behalf of their loved ones. Nations represented by visitors just in recent days include China, New Zealand, Japan and all the Western European nations.

But, the greatest number of foreigners in Baghdad are businessmen making profitable deals to beat the un-imposed sanctions. If Baghdad were to be bombed by your forces today, there would be a holocaust not only of Iraqi citizens but of foreigners

from all over the world, as well. LOOK AT THAT WHICH IS NOT SO OBVIOUS, CHELAS.

DHARMA--CLOSE THIS NOW!

12/4/90 HATONN

GOLD IN THEM THAR HILLS!

Just when you could believe in something--like restoration of a greedy, immoral Sabah family to power in Kuwait, exiled Kuwaitis themselves are not in favor of such a "DEMOCRATIC" ACTION. They have been meeting in London--these Kuwaiti exiles of prominent status and "DO NOT WISH TO SEE THE FORMER RULING FAMILY RE-INSTATED"! Ah, so it goes.

By the way, as you were just beginning to believe this "war" invasion of Saudi Arabia might happen to be over oil and other misunderstood reasons, now you have to face another blow. THE SAUDIS HAVE STRUCK IT RICH! You maybe thought they were already rich? (sic sic). In addition to seas of oil--some of which is that nice light crude needing almost no refining--*there is an entire mountain of gold which has just been discovered in the southern part of the Kingdom--well, Kingdom come!* Could this possibly partially explain this sudden protective urge in the breast of the Trilateral Commission and the deployment of half a million American troops in Saudi Arabia?

One more little sock-it-toya: One of your own Congressional Reports states that the Agriculture and State Departments approved \$5 BILLION in taxpayer (you)-guaranteed crop export credits TO IRAQ between 1983 and 1990 despite concerns it could not repay the loans. The General Accounting Office concluded that U.S. desires to build a relationship with that nasty old Saddam and Iraq in days leading up to the Kuwaiti "invasion" outweighed those fears. Iraq has already defaulted on a \$2 BILLION taxpayer-guaranteed loan

and certainly has absolutely no intention of repaying this larger one. Well, you dear "bottomless pockets" don't object do you? After all, you can think of the "hostages" eating while you go hungry wondering what happened to all your grain and dairy storage items--AND, YOUR MONEY!

EUROPEAN TRAP

I will herein speak of Europe and possibilities which will also curl your hair even if you are bald as a billiard ball--as I am.

President George Bush has fallen into a fine trap--perhaps the greatest trap ever set in history--and this nice little trap was baited by his key intelligence adviser. It stems from the transfer of those nice NATO troops, some 200,000, to the Middle East.

The two armored divisions and other units being transferred from Germany to Saudi Arabia will leave NATO as naked as the plucked turkey at Thanksgiving--and no head to boot! Europe is wide open to possible attack from the formidable armed forces of the Soviet Union--which they will surely do if the above scenario gets too botched to pull off.

Now just why do you think no one in the White House seriously considered this obvious danger, thanks to the clever manipulations of the President carried out by Robert M. Gates, the deputy director of the National Security Council (NSC)--A MAN LONG KNOWN IN INTELLIGENCE CIRCLES FOR HIS PRONOUNCED PRO-SOVIET BIAS! Could it possibly be that some ones in your Administration believe they have a seat on the Board of the Global One World Government? Could you have provided a nice secure ticket for them to be wardens of your U.S. prison?

Dr. Gates is the official who briefs the President every morning on the world situation when he is not traveling with his close friend, Secretary

of State James A. Baker III, to Moscow, Paris, London and other capitals of Bush's Nnew World Order" allies.

Why do all these other countries, such as Brazil and Argentina, etc., go along with this world take-over? BECAUSE THEY HAVE NOTHING TO LOSE AND EVERYTHING TO GAIN!

Moreover, Brent Scowcroft, director of the NSC, has left the day-to-day operations of the White House intelligence center squarely in Gate's hands; not that it matters in the least for Scowcroft is a part of the inside planners, along with Mr. Eagleburger. On top of that, Gates chairs the powerful "Deputies Committee" comprised of his counterparts from the Pentagon, CIA, Mossad and other security agencies.

CONTROL FLOW TO PRESIDENT

In short, Gates controls the flow of intelligence to the President as well as to the Department of State and to key Cabinet-level officials--a nice slot for a devout Communist Zionist, don't you think?

It certainly should come as no surprise to insiders who have been watching Gates for years that the Soviet threat is now almost totally ignored by the Bush administration. The fact that the Red Army is not only still totally intact but far stronger than it has ever been before Gorbachev ascended to power is quietly and simply brushed aside.

Indeed, the most salient security factor of your time, i.e., that ONLY THE SOVIET UNION HAS THE STRATEGIC CAPABILITY TO UTTERLY DESTROY THE U.S., IS NOW DEEMED TO BE OF NO CONSEQUENCE IN THE RARIFIED "ONE-WORLD" ATMOSPHERE PREVAILING IN THE WHITE HOUSE. This is obviously the view of the whole Pentagon as well.

The evidence that Saddam Hussein would never have invaded Kuwait without at least a green light from the Soviets is underwhelming, to say the least. Yet under Gate's guidance the fact that Iraq got four-fifths of its arms from the USSR and couldn't move its 5,000 Soviet tanks and other materiel without assurance the spare parts would keep coming from the Soviet Union, is thought to be irrelevant in the Oval Office.

Also brushed off by Bush and Gates are the thousands of Soviet military advisers in Iraq who are guiding the Iraqi army's every move and manning the deadliest high-tech weapons systems.

Most dangerous of all the USSR's heavy contributions to Iraqi military might is the SS-12, a missile capable of firing both nuclear and poison gas warheads up to a thousand miles with deadly pin-point accuracy. Under the Intermediate Nuclear Forces "Treaty" signed by the United States and the USSR in 1987, the SS-12 was banned from the face of the Earth--how quaint.

However, this highly accurate weapons system has since popped up in large numbers in Poland, Czechoslovakia and other East European countries and is now reportedly deployed in Iraq. Indeed, the SS-12 was planted solidly in Iraq prior to 1988 when the war with Iran ended.

Although the Defense Intelligence Agency notified the White House of the persistent reports of this SS-12 capability in Iraq, Bush, Gates and their trained seals in the CIA are looking the opposite way at this dangerous development.

Bush has now doubled the size of the American forces in the Middle East while espousing that the Soviets are our blood-brothers having "changed their leopard spots". The Soviets are now your beholden "friends and allies". It would appear to me that there is great suffering from acute

myopia induced by Gates, Baker, etc., etc., etc. The President seems to perceive absolutely no danger to Europe what-so-ever--how could this be? Could it be that he is consumed by his ethereal vision of the New World Order? Or, does he know more than you know and it isn't a "vision" problem at all! The world is set for total take-over--BUT, THE PRIME MOVERS AND SHAKERS HAVEN'T TOTALLY SHAKEN EACH OTHER DOWN, YET!!

VISION!

Blind? Mr. Bush blind? I seriously doubt that, dear ones. But, has no one dared point out to Bush that it was this same insane vision that broke the presidency of Woodrow Wilson as he played into the hands of the Bolsheviks then taking over Russia?

Is there no one on Bush's staff who can remember that this identical vision of a world ruled by the United Nations led Franklin Roosevelt, then under the influence of Alger Hiss and other pro-Soviets, down the primrose path to Yalta and the surrender of Eastern Europe and eventually mainland China to communism?

With more than half a million Americans in the Saudi desert and on their way from Europe, this has the makings of a mammoth trap--perhaps a BEAR TRAP?

WHAT IF THE BATTLE HAPPENS?

If Bush commits these forces to battle, as now would seem totally likely, what would prevent the Soviet army from moving right through their ally, Germany and France, to the English Channel in the "10 days" Gen. Nikolai Ogarkov allotted in the master plan drawn up in the mid-1980's and still preached in Soviet military circles? Oh son-of-a gun, you didn't know about THAT plan?

So be it, the answer, of course, is **NOTHING!**

Let us look a bit more closely at this man, Gates.

He is a consummate con man and has gulled Bush as completely as he did his late boss CIA Director W. Casey and, through Casey, President R. Reagan.

By simply telling them what they want to hear and constantly leaking prepared stories to the press, Gates has persuaded both conservative and liberal columnists he is a "hard-liner" adamantly opposed to the Soviets and suspicious of glasnost.

But the quality of the "intelligence" Bush now receives on a daily basis from Gates may be better judged by several tidbits in the closely held dossier several officials have been keeping on Gates.

As CIA's deputy director for intelligence, Gates helped sell Casey and Reagan on Israel's wacky plan to exchange U.S. arms with Iran for the release of American hostages in Lebanon--the nutty idea that tempted Reagan to tiptoe into the Iran-Contra morass.

Just before becoming Casey's No. 1 deputy on April 18, 1986, Gates leaked two top-secret intelligence estimates to the *Washington Post*. The first was aimed at helping the liberal Democrats in Congress to drastically cut the Reagan defense budget; the second tried to shoot down, and essentially succeeded in shooting down, Reagan's strategic defense initiative (SDI), commonly called "Star Wars". As reported by the *Post* on March 31, 1986, the first estimate claimed that Soviet military spending had been "almost flat for a decade" and might even "decline during the next five years".

Of all the fiction fed to your presidents in weird "national intelligence estimates" over the years, this particular concoction of Gates must take the prize. Indeed, all the evidence, then as now, proved conclusively that the USSR had been engaged in the greatest military buildup in history--a

buildup that ominously continues to this very day. The second blast from Gates less than a week later was intended to cripple SDI. This "intelligence" estimate claimed the Soviets had *NOT* violated the Anti-Ballistic Missile (ABM) Treaty. But three years later the Soviets themselves freely admitted they HAD violated the ABM agreement, just as they have violated nearly 200 other solemn agreements made with the U.S. and the West.

U.S. deployment of SDI hangs on the issue of observance of the ABM Treaty. Gates' target in trying to defend Soviet claims that they were not in violation is certainly obvious. Tragically, he scored a perfect bull's-eye.

In fact, this single leak from Gates' fiction factory at CIA cast such doubt on Pentagon reports of Soviet ABM violations that many consider this the major reason America still has no viable defense against Soviet ICBM's or the short-range missiles poised aboard the Soviet submarines lying in wait off both your East and West coasts--a combined force capable of killing every man, woman and child in the U.S. in a matter of mere minutes. As you might have guessed by this point, Gates has served both the KGB and the Mossad. Further, it was Gates, behind the scenes, who led the fight waged in favor of permitting your NATO allies to accept the Soviet oil and natural gas pipelines to Western Europe. Now completed, except for one strand, the pipelines tie the economies of France, Germany and a half-dozen other, smaller European countries to the Soviet Union like an umbilical cord.

Gate's many coups on behalf of the Soviets began when he joined the CIA in 1966, fresh out of Indiana University, where he had picked up an MA in history after being at William & Mary. In 1974 he got his Ph.D. in Russian and Soviet history from Georgetown University while working at the CIA. And in the same year (1974) Gates transferred to the

staff of the NSC, then under the iron thumb of none other than the Great Detentist, **HENRY KISSINGER!**

MENTOR KISSINGER

Kissinger became Gate's mentor. The younger man did his job at the NSC so well as Presidents Nixon and Ford cozied up to Brezhnev that he was kept on at the NSC by Jimmy Carter. In January, 1980 he went back to the CIA as the national intelligence officer on the Soviet Union and two years later he was appointed CIA deputy director for intelligence in charge of all the national intelligence estimates prepared for the President.

A short, husky, boyish-looking operator, Gates has made a whole career out of ingratiating himself with the older men who have been his superiors. He completely mesmerized Bill Casey, who came to look upon Gates as his son.

Gates fed Casey the anti-Soviet hardline the CIA director thrived on. In the spring of 1986 Gates was promoted to the powerful post of overall deputy director of the CIA.

When Casey's health collapsed after the Iran-contra scandal broke, Reagan nominated Gates to be the new director of CIA. The liberals rejoiced and the *Post* and the *New York Times* hailed Gates appointment.

With powerful Democratic senators backing him, Gates' confirmation appeared assured. But several conservative Republicans on the Senate Intelligence Committee were given the file on Gates. Almost overnight, support for Gates moving up to director of the CIA caved in, and Reagan was persuaded to withdraw the nomination--however, no publicity was released of negative nature and the subject was instantly hushed.

Gates was kept on as deputy director. William Webster, who had been appointed by Jimmy Carter to head the FBI, was named director of the

agency, and he apparently was as completely taken in by Gates as Casey before him.

When Bush became President he picked Scowcroft to head the NSC, a post that required Senate confirmation. Gates was named deputy director of the NSC, a job that sidestepped the painful confirmation process in the Senate which had so recently thwarted Gates' promotion to the top post at the CIA.

In the Bush White House, Gates has presided over the accelerated disarmament of U.S. and NATO forces. The conventional arms treaty which was signed in Paris on November 19 is Gates' biggest coup to date.

Thus, now having helped strip NATO naked, Gates is free to concentrate on steering Bush into the Middle East trap.

If the Soviets do make their move in Europe when the huge U.S. force is nailed down in the Iraqi desert, Gates may well go down in history as the rook that helped the Soviet Union checkmate the United States of America. So be it for one little Robert M. Gates--ah, the web is tangled indeed!

Here is a post-script regarding the subject above regarding a cutting of required bank reserves. The following notice was received by a business colleague of our publisher who had shared it with him this day --- it has just now been brought to the scribe to be shared with you: "***Bulletin: Fed cuts some bank reserve requirements. Reserve required for some categories to be cut to ZERO. Fed says reserve cut responds to tighter bank lending---***"

And you thought nothing happened on December 3rd, 1990.

I would like to leave you with a thought this day: He who passively accepts evil is as much involved in it as he who helps to perpetrate it. He who accepts evil without protesting against it is really cooperating with it--where might you fit?
