1/1/90 HATONN

TODAY'S WATCH

Hatonn present and in service. We will first look at some "what if's" and "do you suppose?".

We are ridiculed, threatened and spat upon for saying that there is great control (from Earthman) of "natural" events. I am going to later have some rather eye-opening material which shall undoubtedly get us into deeper controversy. I would ask, however, that before YOU pick up a stone to throw, that you look carefully and thoughtfully at circumstances before your noses.

GORBY/JAPAN--AND EARTHQUAKES?

What could they possibly have in common? Lots! Japan and the Soviet Union have recently been having great and in-depth negotiations for exchange of opportunities for yen. Joint ventures, etc. This is perceived to weaken the position of Mr. Bush's administration, the Banking Cartel and "Western" strongholds. The U.S. has warned Japan to cease and desist--or else! What or else? Well, the U.S., UN and/or anything else has nothing to compare with that which the Soviet Union can control. And they just placed their shake, rattle and roll where their mouth is.

Mr. Gorbachev told the Japanese, "Not to worry!" about the U.S.

threats and rumblings against peace and actual world prosperity--the Soviets simply proved beyond a shadow of a doubt that they have "bigger guns".

The Soviets positioned five--count them--five Cosmospheres over Japan in an around Tokyo and each one simply gave a nice light beam blast to some little teetery fault lines. The biggest was only around a bit above five points--but the point was made--right on the stopwatch signal for demonstration. Now, *isn't it remarkable that there will now be a very high business meeting and conference between Mr. Kaifu and Mr. Gorbachev???? Further, after all these years, there is also to be a meeting between Mr. Gorbachev and the South Korean leader over business matters and the pulling down of the dividing fence.*

STORMS/FLOODS AND OTHER NITTY GRITTY

Isn't it, further, strange that another dastardly Siberian storm front was headed directly for California--Mr. Gorbachev sent a "love note" to Mr. Bush, and suddenly the storm stalled out as far as precipitation in major amounts? The storm stalled, then headed with much lessened force toward inland states.

What about Pennsylvania, Ohio and Indiana? Total disaster areas, I believe! Still more water on the

way, I believe. I remind you people--THE SOVIET UNION DOES NOT WANT A NUCLEAR WAR!!! Who pays? YOU--THE--PEOPLE!

However, Mr. Bush is between a rock and a very hard place. To pull off "National Emergency" status and gain control through "Executive Order" he MUST keep this thing going and have a national emergency great enough to precipitate merit for the regulations to take effect. It can now happen through economic emergency and/or war or emergency threat of war--either domestically or overseas. ONLY CONGRESS HAS ABILITY TO STALL THE THING AND THEY SHOW NO INDICATION OF BEING ABLE TO DO SO. IT REQUIRES THEY STAY IN SESSION THIS WEEK AND TAKE ACTION TO BLOCK THIS ADMINISTRATION HEAD, BUSH, AND HIS ADVISERS. WHAT WILL THEY DO? PROBABLY NOTHING FOR YOU HAVE ELECTED REPRESENTATIVES OF YOUR STATES WHO HAVEN'T THE SLIGHTEST IDEA REGARDING THE CONTENTS OF THE CONSTITUTION AND/OR EXECUTIVE ORDERS.

"Oh yes, you tell me--...there was just a legal ruling that only Congress can declare war!" So be it--and ever thus has it been. This is the BEST NEWS BUSH HAS HAD--there are and have not been

any intentions what-so-ever of DECLARING WAR. This is WHY you-the-people who serve, pay and die have not experienced a "declared war" since World War II. If you can control the whole of the world action through Executive Orders, without question or interference (placing all documents, plans and assumptions under "national security" secrecy bonds) you can rule the world, chelas--AND, you-the-people!

LET US LOOK AT RHETORIC

The first statement regarding the Middle East and sending of U.S. troops was to "...stop FURTHER aggression", "insure freedom" and protect "innocent people". Well, there are no longer any "innocent people" in danger, there is now NO "freedom" in the area, thanks to your intervention AND there never was "*further* aggression" by anyone except the U.S.

PRESIDENT OF THE UN FROM YEMEN SPEAKS OUT

This man has spilled the whole pot of rotted beans! He expects the most horrendous experience of the world immediately ahead. He said that in voting against the UN RESOLUTION--HE FORFEITED ALL AID TO YEMEN.

He has verified over and over again--before the voting and constantly after--*Mr. Baker went to every representative of every nation on the security council and said all foreign aid and loans would be withdrawn from the various countries who voted against the resolution regarding the January 15th deadline.*

Well, who cares? The facts speak for themselves if you bother to learn the facts: the major operating International Organizations in Yemen are the United Nations, the International Monetary Fund/-World Bank, World Health Orga-

nization and the Arab League.

Look farther back to historical background and you will find Great Britain rears her head again and again. You see, South Yemen only gained independence FROM GREAT BRITAIN in 1967 and in 1979 signed a 20 year peace treaty WITH THE USSR that still allows the stationing of Soviet troops in Yemen.

This becomes important historical data for only this year, on May 22, 1990, did North and South Yemen become formally united--and guess who they chose as the "more democratic" of the two allies, the USSR or Great Britain?

Dear ones, you fought a revolution against Great Britain--what in the world goes on in your heads? Now Britain OWNS more property and business in the U.S. than ANY OTHER FOREIGN COUNTRY!

SWING ACROSS THE MILES TO THE PHILIPPINES

America, this year within a few months, your contract for Clark Air Force Base in the Philippines expires. Guess what! The negotiations are to simply move the entire installation to Singapore! I remind you--this places a major military installation very near to the ideal base in China from whence first attack aircraft would have been launched against Russia in 1982. This is also a center for Banking operations which surpass just about all creative banking operations in the world. It functions on the "dollar" so will move with whatever is conjured up for the Americans or any dollar based economy. Now, dear ones, Singapore was a BRITISH colony until 1959 when it became autonomous within the Commonwealth. On Sept. 16, 1963, it joined with Malaya, Sarawak and Sabah to form the Federation of Malaysia. That didn't work out too well and tensions between Malayans, domi-

nant in the federation, and ethnic Chinese, dominant in Singapore, led to an agreement under which Singapore became a separate nation Aug. 9, 1965. Singapore is one of the world's largest ports. Standards of living are high and international banking has blossomed like the proverbial lotus with the largest money laundering operations in the world, shifting through Canada, Hong Kong, etc., etc. Just thought you might want to keep one eye on this sleight-of-hand.

Well, know that all is in good hands-- you can trust "All-the-States"; the contract expires in September and your wondrous Danny Quayle has things well in hand with constant trips to and through Singapore just making all kinds of wondrous "deals". The WORLD doesn't like you very much, America!

SET KUWAIT AND IRAQ "FREE"

I constantly monitor the rhetoric about how awful Hussein is--threatening to blow up and burn everything around in Saudi Arabia and Israel, etc.

Well, could the rhetoric possibly run both ways? Could it be possible he spouts off in retaliation to that which you have presented unto him?

As far back as the middle of November, 1990, it was announced, and has been repeated in different ways ever since--the last great statement has come from Bush and Baker--that the attack against Iraq would be a surprise, overwhelming and would not be another Vietnam. AND-- "*Assurances' are made and delivered that, following the order to attack, would follow a 'scorched earth' destruction of Iraq.*" U.S. top officials have already delivered the message to Saddam.

IF SO, WHAT OF AMERICA?

Safe in America? Not according to reliable sources in Washington's halls of fame. Even if nothing else occurs, it is expected that there will be terrorist attacks in America. Funny thing about those attacks, however, they are primed to begin to occur IF A THRUST FOR WAR, LAGS!?! So--precious sleepy-heads, it is now uncovered--the Mossad plans to instigate "incidents" around about the U.S. with Iraqi tags and labels left to be found by your investigators. So be it.

TERRORISTS CAN'T GET IN, WE HAVE SECURITY

You have NOTHING! The agents, for one, are already within your country--waiting. There are prearranged signals. Further, there ARE Arab terrorists who are likewise awaiting a signal which will give them action notice -- the moment of U.S. attack.

I assure you that the Arabs, Iraqis, etc., would have NO problem finding volunteers for suicide missions, if necessary--BUT, nice for them--they are not needed. A briefcase or similar piece of luggage, containing powerful bombs set to explode hours later, could easily be left anywhere in any public facility--try the Rose Bowl, Cotton Bowl, etc. Wouldn't New Year's day be a lovely day for annihilation? These are things you ones must begin to think about for that war will not be limited, this time, to foreign soil--and you have sent your military defense away while you have nothing but police who can't bring the drug-war into any semblance of order. The perpetrator simply can leave off the case with bomb ticking away (silently through use of electronics), get on a bus, plane or train and be on a nice ride out of town before the fact. Or, just get on the other side of the community and wait to watch the fireworks.

If such a mission is under way, friends, it will be impossible to stop. And this comes from your FBI/CIA top level echelons. They report, "It is just too easy to enter this country from Mexico, Canada or simply off the coasts. The agents may have forged or genuine papers. Or they could enter the same way an estimated 5,000 Mexicans come in EVERY DAY." I didn't say it so don't blast me. This comes from your highest hierarchy of intelligence agencies.

They continue--"It will be a big bang, perhaps lots of them, if that turns out to be the scenario."

The truth of the matter is, friends, that in the event Mr. Bush pushes an attack, there will likely result a wave of terror strikes and sabotage in the U.S. unlike anything the country has experienced and more vicious than anything to date in Europe. Mr. Bush is fully aware and for this reason, when an attack is ordered, his entire staff and family will already be in safety in a nice, luxurious survival location--"just in case", it is reported, "so that the country does not have to worry about continuity of government". How thoughtful!

I BET YOU DIDN'T KNOW THIS, EITHER

On top of the half trillion dollar, and growing, S & L bail-out, Saudi/Iraqi pay-for, Insurance bail-out, Bank bail-out, bankruptcy and other odds and ends for you-the-people to attend. There is another one that you might have missed in all the distraction: *you Americans are going to be forced to cough up another \$2 BILLION. This is to cover losses INCURRED BY AN ITALIAN BANK ON U.S. TAX-PAYER-GUARANTEED LOANS TO IRAQ!*

Funny thing about that money to Iraq. It seems that most of it, supposedly for agriculture and AP-PROVED TOTALLY BY THE

U.S. GOVERNMENT, is believed to have financed the move into Kuwait by Iraq--further, your own Rep. Henry Gonzalez of Texas, chairman of the House Banking Committee, claims the U.S. knew it!

Good-old-boy, Attorney General Richard Thornburgh, has tried to halt the House committee investigation of the matter--claiming "NATIONAL SECURITY CONCERNS".

Iraq has not repaid any of the \$2 BILLION of the GUARANTEED funds, and there certainly is little likelihood that it will, considering the current state of U.S.-Iraqi relations. Thus, the Commodity Credit Corp. (get this "Corporation" status), a "federal???" agency, MUST repay it to the bank, Banca Lavoro. Another quaint point, Banca Lavoro is just a small operation but, astoundingly, Italy is second in foreign banking activity in the United States and has strong connections to none other than the Vatican. Further, Italy, alone, has over \$500 BILLION in other U.S. guaranteed loans. Happy New Year, World!

CAN YOU MAKE A DIFFERENCE?

I have been sent a "*Christmas Message*" written by one, Donald McAlvany, Editor *THE MCALVANEY INTELLIGENCE ADVISOR*.

Mr. McAlvany notes in his message that he receives letters from people who threaten, hate and are simply miserable. He ponders, as do we--WHY? WHY READ THE MATERIAL, AND CONTINUE TO DO SO, IF IT IS SO VILE AND UPSETTING? As I tell all who come into contact with our work--*If you don't like it, believe it or conceive the truth of it--throw it out! Funny thing--no one throws it out! Might that make its*

own statement for truth?

Mr. McAlvaney then shares some thoughts with his readers and, thusly, has the message been brought to me--in gratitude and thanks unto the brotherhood who are not yet recognized from the Cosmos, but who travel with the Master Teacher, God. We are now returned into your space to prepare, awaken and announce the arrival.

The following statement bears some errors of fact but all things being "memory" and "mythology" of necessity--it suffices for the concept is that which is important. **ONE SOLITARY LIFE CAN AND WILL AGAIN, CHANGE HISTORY:**

"We are celebrating the birthday of the most famous and successful man who has ever lived. His teachings are followed by hundreds of millions of people. He was born in an obscure village, the child of a peasant woman. Until He was 30, He worked in a carpenter shop, and then for three years He was an itinerant preacher. He wrote no books. He held no office. He never owned a home. He was never in a big city. He never travelled 200 miles from the place where He was born. He never did any of the things that usually accompany greatness. The authorities condemned His teachings. His friends deserted Him. One betrayed Him to his enemies for a paltry sum. One denied Him. He went through the mockery of a trial. He was nailed upon a cross between two thieves. While He was dying, His executioners gambled for the only piece of property He owned on earth: His coat. When He was dead He was taken down and laid in a borrowed grave.

"Nineteen centuries have come

and gone, yet today He is the crowning glory of the human race, the adored leader of hundreds of millions of the earth's inhabitants. All the armies that ever marched and all the navies that were ever built and all the parliaments that ever sat and all the rulers that ever reigned - put together - have not affected the life of man upon this earth so profoundly as that **ONE SOLITARY LIFE!**"

Thank you. You see, readers, it matters not if ones rattle their tongues and waggle their lips and argue over whether or not it was this way or that way--**WHAT IF IT IS ONLY A TOTAL MYTH OF PARABLE AND FABRICATION? ALL THE MORE IMPORTANT FOR THEN YOU MUST FACE THE TRUTH--EVEN THE MYTH OF TRUTH IS THAT WHICH SHALL PREVAIL!**

HE IS ALREADY COME WITHIN YOUR SPACES

Is this good man upon your place??? No--He is within your spaces for the time of his re-manifestation is at hand but not finished. I would remind you, however, that according to the Ancient teachings--HE would return in your year of counting, 1989--HE DID!

What else did the Ancient Ones say?

"We will once again see the way to continue a new dream. We will be given the road map back to the stars and we will see the star people come out of the illusion of their two-legged form and into their actual Great Sleeper-Dreamer form. And so you will see some very, very powerful, totally enlightened masters in 1989 and that's the year of the second coming of the Christ spoken of in the Book of Revelation and

it will be the awakening of a new circle, a new design of energy movement for humanity. Christ means a circle. So the second coming of the sacred circle is all enlightened humans dancing as one consciousness."

Now, perhaps you can better understand why the writing of these some 25 Journals of Truth within such a short time. And what did these wondrous Ancient prophets project about your cycle of 1990?

"A powerful year and it's really hard to speak about it. I am a great dreamer but I don't know if I dream **THAT LARGE.**

"**WE WILL SEE A REAL SHIFT IN PLANETARY CONSCIOUSNESS.** Many of the enemies of the humans shall begin to drop away. In 1990 you will see the Twelve Sacred Driver Wheels of each of the Eight Great Powers stored and put together to create the figure 8 of the sign of infinity. And 1990 will begin through the Feathered Serpent Medicine Wheels those groups of seventeen Great Sleeper Dreamers. The first migration to the next world will begin, leaving behind on this planet another world of enlightened humanity to join the many already on other planets throughout our universe." (Hatonn: Are you paying attention little sleeper-dreamers?) "When you speak of this migration to other planets, you are speaking of the creation of a new race? Another dream, another dance, another series of dances in another dream in another world.

"What is the difference between this world and the new creation? It is those that go on

ahead that are the pathfinders. There are always the pioneers, there are always the people that choose to do it the hard way in a sense. In other words, they're totally willing to sacrifice and to step out on the path of total unknown simply because it's a pleasure to make it known."

(Hatonn: And to prepare the way according to commission and be prepared to confront that which may come against them in order that the brotherhood of higher universal man might again find Truth and Light. I salute you, brothers of my own! Those of you who are of the feathered tribes of identification, it is the time of the flight wings for the fledglings of the seven clans of the seven stars. I bow in salute unto you who were sent forth and are now doing of your work without wavering from the path of truth in the presentation thereof. Please forgive me, you of the other tasks--but I would touch my scribe for she asks little and she is my hands and mouth and I am grateful.)

AND WHAT OF 1991?

The Ancient Ones will smile and twinkle and tease---

"It will be time of very hard work. It will be a terrible time in perception and yet all the while the glory of the Great Spirit will be in the planting of the seeds of Truth and Light in preparation for the great harvest. It will be a time of great visions danced into manifestation. It is a time of greatness, of terribleness and of transformation. It is a time of finding Truth in the rubble of and ravages of those who did not know how to dance the sacred dances. It is a time when the brothers from the ancestors will again come and make themselves known and bring Truth of the ancient

'how it was'" and bring instructions in Truth of the transition and the migrations. It is the time when the Winged Wheels will again make known their presence, bearing the great teachers and wise elders of our tribes. It is the time of the gathering together of the Eagles and the oral truths shall be set to the birch that all can remember--it is the time of remembering for the people of the two-legged creation have forgotten." AHO!

WE ARE COME

It seems a nice day, this the first of this twelfth of your annual cycle to announce that we are here. When will we set foot upon your manifestation called Terra? When the sequence is in properness--when the Father pronounces it time! Not even the returning "Son" Sananda of the Christed stature is given to know the exact time and moment. But we are here! We are as close as your breath and as close as your thought and our brothers and sisters walk among you as they go about the work of bearing truth of our arrival.

Where did YOU believe HE would step again upon the lands of Earth? Surprise!! Surprise!! It was always known by the Ancient tribes that HE would come again unto the meeting corners of the tribal pathways where the earth vibrates with the wondrous drums of eternity--where the path is grounded within the Mother--and so shall it be. Amen.

I suggest all of you who proclaim that your brothers from space come in the service of the Devil be in reconsideration. Evil is already upon your place and control your species--**WE COME FORTH ONLY IN SERVICE UNTO GOD AND THE CREATION AND YOU HAVE BEEN MADE THE DUPES OF THE DECEIVERS.**

Blessed are you, within this tiny valley of radiance--blessed indeed! Behold, for upon this place shall HE come forth as from the clouds on "silver wings", in the time of properness according to the law. Who will be in attendance to greet HIM?

May we ask for strength and peace to see the journey through the time of chaos and into the radiance of HIS TRUTH. Selah.

Hatonn to clear, I bid you a greeting of good spirits in our work and promise that the journey through this year shall not be shabby or boring. Saalome'

4/9/90 GRANDFATHER

TUNKASHILA (GRANDFATHER) SPEAKS

Grandfather to speak with you, Little Sparrow, that you might be in the remembering and the sharing of the long forgotten and remembered songs. I AM THE SONG and I am come to give you the weavings of your walk upon this place and speak of the migrations and the lessons of my pale son whom I send again. I come to speak of Tejas Shapé and the hill that sings as the wind and of my sacred hidden truths kept within the bosom of your Mother for your day of remembering.

The Great Cycle has come and this cycle of that which you call a year will see the return of the Sacred Driver Wheels of the Great Powers stored and put together to create the sign of infinity. This is the time of the Feathered Serpent Medicine Wheels and the Great Sleeper Dreamers. The first migration to the next world will begin, leaving behind on your planet remnants of enlightened humanity to join the many already on other planets throughout your universe.

This land known as Tejas Shapé, the Valley of Radiance, of abun-

dant acorns, winds and clear sweet waters shall again come into the attention of my Bird Peoples for it has been caused to lie sleeping in protection of its ancient treasures.

It is the time of remembering of creation that you will again recognize the returning of the Bird Tribes. You are the Bird Tribes, the Solar Clan, the Children of the Stars. You are the source of all nativity, the way that spirit creativity comes into form in your world and in all higher worlds. Individuated. Intelligent. In spirit-being form, you are the tangible influence of an allpowerful Creator interfacing with a material world.

I honor the Shoshone and Piute who have not forgotten this place of light and the other unnamed tribes who spirit the land. All of our relations are remembered.

The buffalo and the medicine wheel are honored as shared by the Sioux as the source of life survival and the skull of the buffalo for it represents the traditional and the spiritual life. The Medicine wheel represents the sacred hoop and the four directions. Always joined within are the four eagle feathers which represent the social and spiritual significance of the number "four" in the Sioux life. Within the medicine wheel are the four virtues to always be remembered; Wisdom - "Woksape", Bravery - "Woohitika", Fortitude - "Wowacintanka" and Generosity - "Wacantognaka". Let it further be remembered that there is nothing greater -- nothing lesser. Great lessons shall be in the coming forth from my Red Eagle, "Wamblisha", who labels himself in this time of counting as Little Crow, for the time is soon for the great remembering.

Releasing your identities in the burst of joy that translates them into light, you flew outward from your source stars, riding waves of

light across the sea of space until you reached your world. Each of you came from a different star. Yet your being is the source of every star. And in that Being you are one.

In the early days, your work was to catalyze biological activity in the oceans of the world and to oversee the growth and development of incarnate creatures. You did this both when clothed in physical form and when remaining luminous beings of pure light.

The forms you assumed early in those ages were of human shape, though lighter than the bodies you wear today. The drawback of materialization, however, was that it took much of your energy and attention to maintain the bodies in which you were dressed. Then was given unto you your spirits for it was necessary to create physical bodies that were self-sufficient, physical bodies that would have physical identities to care for themselves, designed to work intimately with you, both in the maintenance of your human projections and in your continuing work of creation upon the physical plane.

We communicated this message unto you, "We are your spirits." It was our presence here in this place that has called you up out of the soil. You were unfinished, incomplete; you are still not all that you can be. Some of what you now embody represents development in the right direction, but some of what you now think of as yourself is in actuality part of what one day will become "afterbirth". The emphasis must now be realized that the value of your bodies are as dwelling places for the Great Spirit, your minds and hearts will remain open to communion with us. In time, that communion will flow into blending and both you and we will know ourselves as one upon the physical plane. In union, we will know completion.

One specific star of all the myriad stars you see twinkling in your night sky sends its spirit to earth to incarnate in your individual human form. Your ego is designed to help that spirit to remain creatively incarnate here. Until you have bonded with the star consciousness, you remain unfinished.

Your race is soon to experience widespread awakenings, or as some will see it, a massive descent of beings from the stars.

We are the dreams of the Great Spirit, the true dreams, the clear dreams, the pure dreams, never tainted by fear, never touched by any motivation other than the motivation of love; and yet, we are the dreams, nevertheless. Thoughts, disincarnate beings drifting formless through a universe that has placed the highest value on form, living in the consciousness of a Creator whose desire is to take form in the very creature that will result from our bonding with you.

It is time to regain the rejected aspect of your spiritual intelligence--to reunite with your own wholeness and you must again come into contact with us in the absence of fear. The Great Day of Purification has begun, a short but essential cycle of division that will gather those who promote fear and violence and separate them from this season of the world as chaff is separated from wheat at threshing.

The timetable recorded in stone for the Awakened Ones is now recovered from moss, fern, lizard and leaf. In it are chiseled the dates of the Great Day of Purification, dates that now correspond to that which you call years--between recognized labels of 1987 to 2011.

You are the love of the Creator embodied in human form. Through the power of your love, you create. You are sent in the service of universal art to create

beauty, balance and to enjoy all that has been created. The evocation of beauty and the description of truth: this is your purpose. The purpose of life! The very purpose of the universe.

In its own way, each species decides how it can best serve this purpose, once it understands it. The buffalo looks around and notices what is going on in prairie time and prairie space and designs a life to describe truth and to animate beauty as buffaloes understand it. Whales describe time and space in their own unique forms, the caribou embody their understanding and so on through the ages and expressions.

Throughout the galaxies, throughout the stars, all of the angelic races notice this purpose of life and decide how they can best serve. All form an idea of the wholeness of manifest life.

It is time now to join in your dancing circles and gather your tribes for the cycle is full. It is the time of the return of the Pale One who came forth to tell you of the times to come upon your lands. Tlazoma, Esecotal, Great Kate Zahl, Mahnt-Azoma, Quetzal Coatl, The Quiet Healer, The Mighty One Who Has No Image, Dawn-Light, Dawn-God, Chee Zoos----the one who went alone to His Father to look beyond the Third Cycle.

Let us look further: Wako-Naga, Wahkan of the Dakotah/Lakotah and even deeper into the Plumed Serpent of the Puans which is derived from the plume which symbolizes wind and the serpent which is the symbol of water.

What of Teohashati?--(Tehachapi, Tejas Shapé)--Teo means God and Ti means city. Meaning as with Teotihuacan, "The City of the God, Wahcan".

There are sacred mounds in that placement where the crossroads

centered for the trading people of peace where the four corners of traveling meet. There is great history of the Black Tortoise Fire-worshipping Turtle and Serpent people invading from the south. This place of Tejas Shapé is a sacred place where the dreams will again be danced into awakening.

Let us speak of the dancing of My Tribes. The foolish peer at the dancers and hear the music and chide and giggle for it is the most complicated music in creation. It makes a statement in half and quarter tones and complicated changing rhythms. The musicians are honored indeed.

The authentic dances are more kept to the sacred locations and every August the dancers gather in New Mexico. There are usually thirty-six tribes attending the festival from as far distant as the Dakotas. The Sioux are particularly colorful with their almost priceless ancient costumes of white beaded buckskin and the long eagle feather head-dress of the Full-Chief.

The dances are different than the ones in the typical pow-wow dances for the pow-wow dancers are usually imitating the victory dance after a war-party-return. The thanksgiving dances are beautiful and the other dances are prayers for rain, abundant crops, or prayers to the spirit of hunted animals before a hunt.

Then you must note the wondrous Katchinas, especially of the Hopi. The Katchinas are from outer space and visited the Pueblos in silver sky ships which landed on the nearby Francisco Peaks near the Hopi villages, bearing gifts and dancing for the people. The most graceful of all dances is the lovely Eagle Dance, while the hoop-dance, showing great skill on the part of the solo dancer, is usually a wedding dance.

The Navaho have a group dance with high-pitched chanting in half and quarter tones which echo unto the heavens. And there is a most amazing dance, the Navaho Fire-Dance. Then there is the Crow Dance, usually performed by children and is fun and delightful; but I could continue on and on for these are my blessed people and I begin to remember and ramble greatly.

I will speak of calendars and telling of time and then leave you for your ponderings. The time of attention is come and for the recognition of truth within my tribes.

Before the time of the Prophet called the Pale One and used by him, was a method of time reckoning used from north-most North America to the south of South America and is centrally based on Venus. Sometimes its numbers are known only, and Venus referred to as "The Star Boys" or "Twin-Star God" showing a degeneration of ancient knowledge--it is this ancient truth which shall now come again.

Venus, being the second planet from the Sun and Earth the third, swings around its internal orbit making thirteen revolutions to eight revolutions of the Earth. Thus among all Indian tribes the Earth-number is eight, and the number of the Morning and Evening Star (depending on time of year viewed) is thirteen. Eight thirteens then would bring the planets into their original position. This would be a full cycle, or one hundred and four years. A half cycle would be fifty two years. Upon this most American Indian reckoning is based. However, it is often checked by other reckoning. The Mayans have four inter-revolving calendars. They were well acquainted with the weight and measurement of the earth, the swing of the sun from Capricorn to Cancer and back, the Precession of

the Equinoxes and the fact that your Sun is moving through space, carrying your family of planets along. They believed the Sun is circumnavigating a Central Fire located in the Heavens near the Pleiades which they called Mya. This is the same central sun called Aton, the one light.

The ancient calendars have now ended, beloved children of my tribes. It is now in the closing time of your new counting numbered year three. The ancient countings ended in the mid-time of August, in your year 1987. The time of the coming again of the Sacred Circle is at hand and it is the time to see the star people come out of the illusion of their two-legged form and into their actual Great Sleeper-Dreamer form.

Look up my native children, unto the heavens and unto the Choo ho kan for you are descendants of the inhabitants of Pleiades. You of the Hopi and Navajo as well as others of my people count with a system based on a 260 day "Sacred Round", or minor cycle, and a 365 day year, a major cycle which equaled a period between the mid-night culminations of the Pleiades. Remember that any day calculated on these cycles repeats itself in 52 years--18,980 days. When the Pleiades are directly overhead at night then it is time to extinguish the nation's fires and rekindle from a sacred fire produced by your holy men. You can remember to count from the Hopi who light the new fire every 52 years.

Then remember the Creeks who came to Earth from the stars in spirit form to become flesh and blood. Remember the "green corn dance" where the medicine man takes seven ears of corn from seven fields of the seven clans to insure a healthy harvest. Your ancient home is often called the dancers because of the legend of the dancing children, come forth through the Onondaga. The

Navajo named the sparkling suns the Dilyehe. The Iroquois believe the twinkling orbs represent seven young people who guard the holy seed.

The Hohokam, or those who vanished, returned to Pleiades and thus and so. These stars were the home of your ancestors so hear me well. It is time for the legends to awaken for you all have your sacred dances.

Enjoy the gathering together for the energies will sing in the winds as the hosts of the heavens bless again the Bird Tribes who are now returning to fulfill the great mission. The little Sun Eagle is now returned and the lotus is ready to open.
