TODAY'S WATCH

ALERT! *Watch what is being said to Congressional hearings this day, by Baker. He is speaking of things like "after war" occupation with men and money, rebuilding costs of all damaged nations including rebuilding Iraq and Kuwait FOR the damaged parties and "collateral losses" (of which we spoke yesterday)! Also, more aid for Israel who "continues in irreproachably innocent restraint during this mad dictator's attacks....". He also speaks of this "New World Order headed and orchestrated by the major UN nations of the world and how you, as the most affluent nation, must bear the damages which YOU have committed. Good luck, America, for you surely need it.*

*Further, do you not find it awkward that they cannot get their lies coordinated from one branch of a network into the other? First, you are told that three Iraqi planes took off to run hide and defect to Iran and the other channel of the same network said, within two minutes, that three Iraqi planes were airborne and they "think" at least two might have been shot down! **THERE IS A FUNNY AND UNIQUE THING ABOUT TRUTH: IT NEVER VARIES! LIES HARDLY EVER ARE IDENTICAL IN THE TELLING***

FROM ONE MINUTE INTO THE NEXT!

Bear with us, brothers, for Dharma is about to fragment for we are working on three Journals and an almost daily Express without being relieved of any of the physical tasks of preparation, etc. We are still efforting to finish Vol. II of Pleiades Connections (Cosmic Code, Universal History, Frequencies of the Universe and Relativity Explained). Unfortunately, a war interrupted our work and is very capable of blowing away your world and rendering you enslaved so that which is most imminent must take precedent. We also are working at a Journal which will explain and give insight into the wondrous prophecies of John in Revelation, as well as Daniel's projections along with Ezekiel's. So please, you who write to me, know that I cherish your input and communications and I am most sincerely grateful for backup information which flows forth from several of you. It is highly valued for the physical boost it gives our publisher, etc. It is hard to work with such controversial material which is constantly under attack and the confirmation is immeasurably precious. Thank you very much, indeed.

BURNT OFFERINGS AND BLOODSTAINED SANDS

Today goes off to press the above titled book. I believe it is one of

the most useful tools for understanding the mechanism by which this world has been put into sleep and brainwashed. I have much more information to give on the matter regarding the ancient Khazar projection of world control as well as the Vatican/Papal intent of world domination. Yes, you read what you thought you did! Dear ones, there is **NOTHING ON YOUR GLOBE LEFT UNTOUCHED BY THE HAND OF WORLDLY GREED, DESIRE FOR POWER AND YES, EVIL!** Once Mankind understands that fact, then and only then, can he begin to set things to right. As he breaks out of the blob of blindness he will be able to sort that which is in goodness from that which would only control and use him. Then he can reach out into freedom in intelligent actions of response to the cause and not simple and/or violent reaction to that which strikes him.

Even in this war, as example, if you understand even one thing which was priorly not known to you, you **MUST** look differently at that which is coming down on your heads. For instance, you must remember something which most of you knew not: *Your own U.S.A. sold and allowed sales of bacteria, hi-tech items in unlimited abundance to Iraq, Syria and all other hostile and terroristic nations--thus, your own troops go off to face death in the Gulf at the wrong end of all those weapons which you supplied to your enemy.*

I remind you--AFTER THE AUGUST 2ND INVASION AND TROOP PLACEMENT IN SAUDI ARABIA THE DEPARTMENT OF THE COMMERCE OF THE U.S. ALLOWED SHIPMENT OF A CRAY SUPER-COMPUTER TO IRAQ, THROUGH BRAZIL, WHICH IS ONLY USED FOR THE PERFECTION OF HYDROGEN BOMBS! Further, do not anger at me--I do not make the news; I simply tell you that which **IS! AND, YOU GO LOOK IT UP!** At any rate, I would suggest that you check with America West for the Journal mentioned herein should be available in about two and a half to three weeks. If you don't know what is being done TO YOU, you can't have any way to counter it for if you have no goal toward which to work--you cannot even begin proper journey.

MONEY, TAXES AND GOVERNMENT DEBT

This is perhaps the hardest human puzzle for individuals to understand for the wrong ideas have been foisted upon you for so long that you must retrain your entire thought processes regarding the above issues. I get hundreds of requests to "simplify it" again and again. Further, ones ponder how to integrate God, Cosmic Beings and human money exchange--**THAT IS EASIEST OF ALL TO SIMPLIFY: GOD RESPONDS TO THAT WHICH YOU REQUEST AND REQUIRE AND CAESAR HAS NOTHING SAVE THAT WHICH HE HAS STOLEN FROM GOD--THEREFORE, YOU WILL ALWAYS FIND GOD WHERE YOU ARE!** Now, as to the other subjects, we have covered them in great detail in the Journals dealing with these specific issues and I can only urge you to investigate them and study them carefully. However, thousands of new readers are coming forth and time is in great shortage for actions so I must give you a bit of input in repetition. Perhaps I can even de-

fine more clearly for our "old" participants.

You are totally blasted and mind-boggled daily by the media and pulse beamed at night while you sleep--relentlessly. Part of the bombardment is total confusion regarding the subject of taxes and government debt. If you people understood money, despotism could not reign as legitimate government, as you have allowed to occur.

You MUST realize that there are ***TWO*** kinds of what you recognize as "money". We will stick to the U.S. operation but the same is applicable all over the globe for the intention and actions are underway, now, bringing into the marketplace the one-world currency until such time as a totally cashless society is perfected through this "New World Order" of which Mr. Bush speaks so often.

There is what is recognized as "Constitutional money" which is measured in weights of gold and silver brought into existence by human production and used as a medium of exchange and a store of value. ***It no longer exists in a constitutional capacity!***

Then there is "modern money" which is ***created out of nothing in unlimited amounts by the Federal Reserve (which is NOT a Federal agency but rather, a private bank corporation) along with other commercial banks.*** As a carryover from "Constitutional money", the people ***assume that modern money is also a medium of exchange and a store of wealth.*** The tip-off that modern money had a sinister purpose came when the people were forced to accept it via legal tender laws. The second clue came when Gresham's Law worked perfectly, that is bad money (new money) drove Constitutional money (gold and silver) out of circulation. And it only took a few months for gold and silver money to disappear after

1964.

Simply stated then, Constitutional money as described in Article I Section 10 is ***production*** out of the precious metals of the earth, whereas modern money is ***non-production*** created by a monopoly oligarchy to regulate and own all human action and production. In other words, modern money has one central purpose. ***It is used to expropriate wealth.*** Dictionary definition of "expropriate is "to take or transfer the ownership (of wealth) from one owner to another". The conclusion is that modern governments, whether communist or democratic, use modern money (non-production) to expropriate or steal your production and your savings. Yes, the same money system operates the world over.

The dollars that you have in your pocket were created at no cost. Their sole purpose is to take your production and savings ***without payment.***

Please blank your mind and forget everything else and answer this question. If the government and its bankers or the bankers and their government (non-producers of wealth) can take your labor and your savings without payment, ***Who is your master???*** Modern money expropriates wealth.

Dear ones, it is a great illusion to contemplate freedom under a world slave system where all production and wealth flows to the money creators. The reason that the ***illusion*** of freedom works decade after decade is because of government police power to ***REGULATE.*** Governments and central bankers create economic cycles pumping "money" (credit) and then withdrawing so that the money creators don't self-destruct. And essential to the survival of the system is the police power to reduce consumption, i.e. "income tax".

Then what conclusions can be established?

Government gets all wealth and production for nothing because it "pays" with money (credit) that costs nothing. "Of all the contrivances for cheating the working classes of mankind, perhaps none is so effectual as that which deludes them with paper money." Quoted from your own Daniel Webster and projects wisdom.

This means that government deficits DO NOT and CANNOT EXIST! Another quote: "The Federal Reserve in cooperation with the federal government has the inherent power to create money--almost any amount of it. This power makes technical bankruptcy out of the question". (*The National Debt*, published by the Federal Reserve of Philadelphia.)

This in turn means that there is no money of account in the United States. No government official, including the IRS, will answer the question, "What is current as money"? They refuse because there is no money of account, only a credit system. The Federal Reserve System works only with credit!

This means, then, that the income tax system (which is Constitutionally unlawful at best) was not designed to collect taxes. In a credit system there can be no money going to Washington as taxes. What you think of as taxes is not money--but credit. Therefore, when the IRS reduces your credit in your bank account it goes out of existence. IT DOES NOT GO TO WASHINGTON to support the government or pay its bills. Why would government need your credit when it can create any amount? What then is the so-called income tax system for?

Let us have a little hint of truth from one, Beardsley Ruml, speaking to the American Bar As-

sociation in 1946. Mr. Ruml, by the way, was Chairman of the Federal Reserve Bank of New York. He stated that "taxes for revenue are obsolete". His thesis was that "...given 1. control of a central banking system and 2. an inconvertible currency, a sovereign national government is finally free of money worries and need no longer levy taxes for the purpose of providing itself with revenue". (Please read this last statement as many as five times and then again if you didn't "get it"!)

In that same speech Mr. Ruml outlined the purpose of "taxes". Please remember that modern taxation is a system of reducing consumption by reducing credit. It is NOT a system to support government.

Quoting further from Mr. Ruml: "Federal taxes can be made to serve four principal purposes of a *social* and economic character. They are:

"1. As an instrument of fiscal policy to help stabilize the purchasing power of the dollar;"

Note please: How does one stabilize a unit of credit, the dollar? By reducing credit by reducing consumption and calling it income tax! Therefore, the purpose of the IRS is to help stabilize or regulate the credit system. The credit system would not work without regulation, and the IRS is the regulator. Hence, friends, its awesome power!

"2. To express public policy in the distribution of wealth and of income, as in the case of the progressive income and estate taxes;" (This should be most painfully clear as to its intent.)

"3. To express public policy in subsidizing or in penalizing various industries and economic groups;

"4. To isolate and assess directly

the costs of certain national benefits, such as highways and social security."

The conclusion must be that income taxes or any other taxes do not have anything to do with paying government expenses, but is a system of credit distribution as determined by government. Does this not make all the recent income tax hocus in Washington one big charade? Do you get the picture? Are you so intellectually dead that you cannot understand and decipher government propaganda? What is really going on in Washington is that the politicians and bureaucrats are bickering over how to regulate consumption with the credit system, under pretense of how to pay government expenses and reduce government debt with more income taxes. Can you see that if governments should refrain from regulation (of your consumption and their counterfeit) the worthlessness of the money would become apparent and the fraud upon the public could not be longer concealed?

This means that the volume of money (credit) regulates its value. Whoever controls the volume of money (credit) in any country is absolute master of all commerce and industry. And who do you think controls it all in YOUR country?

Well, the Federal Reserve Bank of Chicago said that the "actual control rests with the Central Bank (the Federal Reserve)!" And so it does--the Banker Cartel Elite!

This in turn means that the central banks of the world are counterfeiting and you are forced to take it by the force of legal tender laws. The Federal Reserve is an omnipotent, benevolent counterfeiter--no more and no less.

Which means that no matter what a national government calls itself, either communist or capitalist, all

have the same money system, i.e. credit system, which guarantees a world economic slave system of production for use and not for profit, meaning that the credit money system limits production for profit as far as the people are concerned. Amassing of wealth is limited by the "income tax" system and inheritance taxes.

This means that as more and more production and wealth is transferred to the government and bankers via "money", *there must be greater restriction of consumption.* Money (credit) would keep its value if there were fewer people bidding against each other. This brings up a most relevant and important point:

Quite simply, the Fed wants you dead and they plan for you to expire when you retire so as to cut consumption. There is much to help with that task in point; there is poison fluoridated and chlorinated water and cancer, AIDS, etc., to eliminate you (and your consumption). If all people lived to be 100 on your placement, a government banker counterfeiting system would collapse from too much non-production and consumption. ***It cannot and will not be ALLOWED!*** If you understood money you would know why government funds research and controls and limits disease and cancer cures. Consumption of the people is a major problem for the money creators. The greedier the money creators get, the greater their problem of regulating consumption. They can only reduce consumption so much. This is, further, why the same Cartel money-creators and regulators also regulate the judicial system of injustice and the medical/pharmaceutical systems of legal murder. Oh yes, you will find the same names flowing throughout the daily listings of corporations and government management.

Now, at some point with the above

in view, the underground barter takes over. Which means that government propaganda must resort to class and racial conflict to divert attention from the system. In the current government deficit income tax charade you have witnessed classic politics of envy in "soak the rich" syndrome. But the classification of "rich" is a bit more obscure than politicians would wish you to note.

How can you even talk about freedom and Constitutional government and completely ignore this system of slavery at the hands of the money creators? The distinction between free men and slaves is whether or not they are paid for their labor. There is no provision in the United States code for paying either debts or taxes with legal tender (government counterfeit). The sole function of legal tender (modern money) ***is to get both labor and wealth without payment!***

And so, what do you have remaining with which to work? Very little! Very little, indeed. Therefore, if you would preserve any of your assets you must work within their own rules of management and even at that you might very well have it confiscated. ***IT WILL BE CONFISCATED JUST AS QUICKLY AS THE BLINK OF AN EYE--ANY DAY NOW.***

I can only repeat that which I have given you prior to this, in detail. All of the Executive Orders are now in place and active--awaiting appropriate timing to pounce and garner--FROM YOU! I am not in the business of giving fortunes and business strategies except as requested by ones asking, "What in the world do we do now?" with the intent of survival for purposes of service to fellow-man and God.

I can only suggest that you consider placing your assets through something like the established Phoenix Institute whereby gold can be purchased, borrowed against

and held for collateral by one of these central banks for they will be last to have confiscation of collateral--although even that is possible. Gold will be confiscated probably, even from safe-deposit boxes just as in 1933. Your assets will be completely controlled as to bank withdrawals and money (currency) exchanges, etc. There is no perfection remaining, chelas, it is a matter of possibly saving something and perhaps ALL. If you handle it through Nevada Corporations and get it out of your name and into one or more (as appropriate) of your own corporations, you might very well save it all but the sword is coming down heavy and very, very soon! If you can at all be represented as "wealthy"--your assets will become worthless almost instantly!

Please, understand, I can only tell you how it is and allow you insight as to methods we have studied and found practical and workable. Please see PRIVACY IN THE FISHBOWL and SPIRAL TO ECONOMIC DISASTER. ***You must understand that you are now into the time of chaos and the changing of all that you recognize as freedom. The beast is upon you and protection is all but nil. We can only make suggestions; what ye do with them is totally up to your own discretion and choosing. However, I must remind you that whatever you do--YOU MUST KEEP SILENT LEST YOU GIVE AWAY YOUR OWN STORES AND ABILITY TO FUNCTION. A WAGGING TONGUE WILL BE THE MOST COSTLY WEAPON USED UPON SELF IN THESE TIMES OF LIVING UNDER THE MAGNIFYING GLASS AND GUN. IF YOU HAVE IT--THEY WILL TAKE IT--DEPEND UPON IT!***

Again, if you are interested in this information, I will ask that ones at America West direct your calls pertaining to same. As purely a favor unto me, ones will outline a

plan for you--but these ones are not in business to tend of YOUR business and take this time in order to serve as best they can in this time of transition and change. My blessings and appreciation unto them for they do great service for the avenues of protection of assets is being closed hour by hour upon you blessed people who have remained in trust of a system which has been corrupted and totally destroyed while the treacherous leaders have played their games of world conquering while you have paid for it in so many ways they defy the counting. May you find some measure of assistance in these suggestions.

INSANITY AND SCHIZOPHRENIA

Let us speak to the subject of the advancement toward the cashless society now under planning and action.

The Establishment's inexorable march toward this cashless society is full of contradictions that border on schizophrenia as diagnosed by the wondrous medical profession. It is even confusing to the psychopolitical participants. This is especially true of that increasingly popular substitute for cash in everyday transactions, that wondrous "credit" card.

Do you realize that about 40% of you nice American do not have a credit card (and remember, some 3 million of you are homeless to boot). But of the 60% remaining who do, most have multiple cards. Including bank cards like your Visa and MasterCard, travel and entertainment cards like American Express and Diners Club, and department store, gasoline company, airline and telephone credit cards, the typical American with a credit card has at least 7-8 cards in his wallet or purse.

Those adult Americans without credit cards are mainly the poor,

the very elderly, young adults just out of high school or college, the incarcerated and those wise and discriminating individuals who prefer to deal in cash or barter, for reasons of patriotism, religion or common sense, or to protect their privacy or avoid harassment.

Bankers and others in the credit industry refer to the credit card market as a mature market. But banks must grow or die, and, in their absolute need to lend more money into existence, seek to gain an increased "market share" of the credit card industry by marketing their plastic money to those they think are a good credit risk, most of whom already have plenty of plastic rectangles.

PRESCREENING

And herein, everything that you consider private is no more! Creditmongers are enamored of a device called prescreening. If you own an expensive, late-model car, live in a nice neighborhood, have an account with a major brokerage house, are a doctor, lawyer, engineer or even a teacher, some purveyor of plastic money may have rented a mailing list with your name on it, checked your name against a credit bureau file for loan delinquencies and other derogatory information and, if you "passed", asked you to apply for one of the wondrous new rectangles of power already reserved in your name.

When the prospect (YOU) replies, the creditmonger then buys a full credit report on the applicant. The prescreening process is so accurate that 95 percent of those who respond are accepted--but there is a hitch in the get-along.

Responding to concerns about the invasion of privacy, the wondrous and thoughtful Federal Trade Commission (FTC) ruled that, under the Fair Credit Reporting Act (FCRA), "A prescreen represents a series of consumer reports obtained

for the purpose of extending credit, a permissible purpose under the FCRA for outsiders to see the consumers' credit reports."

So when the issuer does a pre-screen, says the FTC, it is forced to extend credit to everyone who survives the screen--after all, that was the purpose for which the screen was supposedly performed. Any further credit review would run counter to the act.

So, always with clever manipulation and loopholes in mind, the industry is responding by renting lists screened against demographic data shown to have a high correlation with ability to pay bills, and doing credit checks only after the customer has applied for a card.

Now, you are wondering why Hattonn would dawdle about in such trivia as credit cards--well, chelas, it is like this, every time you ask "how to manage", we must give thought to all of the consequences. One consequence of credit and buying in any form or market is that you leave a paper trail of exactness beyond the recognized. For instance, when ones bought luxury items prior to year end to cut tax costs, the information was fed directly into the revenue collector's data banks and now that money will be needed in major sums to facilitate this nice new war--THE BIG BOYS KNOW EXACTLY WHERE TO GO FIRST TO COLLECT THOSE NICE SUR-TAXES! The government now knows who has money and will be after it shortly--you can place bets on it.

CONTRADICTIONS OF THE SYSTEM

You are moving into a cashless society and therefore many details appear to be overlooked in the issuing of credit and it is not for me to tell you how to manage your bankruptcies and such; but, don't overlook corporations and strate-

gies for that which is touted is not necessarily so.

More and more heavy credit users are going bankrupt which would seem a great disservice to obtaining more credit and to those banks which extend credit with those dandy plastic pieces. Not so, foolish chela who uses "logic".

If a person owes on one credit card, he may well owe on others. Thus, creditors step up high-pressure collection efforts. Only so much blood can be squeezed from the stone of the typical overextended consumer so the all-out war begins to get the payments. But not to worry--more and more consumers are filing for bankruptcy year after year.

Propaganda put forth by credit-mongers would have you believe that you will never again be able to get a credit card, a car loan or a mortgage, or even rent an apartment, if you go bankrupt. **THE TRUTH IS EXACTLY THE OPPOSITE!**

Many, many bankrupts obtain one or more new credit cards within weeks of filing bankruptcy.

How? Simple logic--having had his bad debts discharged and yet probably still having a nice secure job, a bankrupt can't file a new bankruptcy petition for seven years.

So in this respect bankrupts are a better risk than the just-laid-off advertising executive who had a six-figure salary and credit card balances to match but is now unable to pay his bills. Remember the creditmonger still must extend new loans, or he will go bankrupt himself.

I use this as example of the endless circle of chase-the-tail and allow you to look at the total obsession with credit and how you will be absorbed into the system even

without your realizing it. You must play the game better than the others if you are to gain some measure of security and it is harder and harder to manage--I can only give you that which appears workable in practical application.

Dharma, close this chela, for it grows long for digesting.

Thank you for your attention and you, Dharma, for your service.

Hatonn to clear, please.

2/5/91 SANANDA

Sananda present in Radiance, Thomas...my craft is stationed elsewhere than you are used to seeing, concern not over it. I come in service unto God that a remnant may survive the destruction which appears all too imminent upon your place. May your few remaining days of freedom be lived in joyous gratitude of service rather than in the tearing down from within. So be it.

Has it not been said that none shall escape the sorting of the wheat from the chaff? Has it not been said that none shall remain unaffected? Who among you has been unaffected by shifting energies that intensify where you are? Who among you is even with the board? None! None among you. And so shall it be. The bombardment shall increase and those workers in my fields shall become most expert at protecting themselves within my lighted shield, for therein is your only protection. For in the days before you the dark ones shall grow ever more aggressive in the desperation to remain dug-in. Yet none shall remain dug-in who do not belong among the ones chosen to complete the task of God's Plan. So be it.

At what point will any among you confront evil? How far must you be driven in any given situation before you say, enough? What form

will your stand take?

We are most compassionate indeed as we witness the turbulence and struggle, yea, even among our very own. It is the better part of wisdom to come to us in sincere petition to resolve such matters, for it is from the higher vantage point that proper resolution may come. Man has efforted for too long to instigate his own solutions only to find himself in deeper and deeper and deeper, yea, unto the point of drowning.

Your world is at the point of all out war among all nations...the entire Middle East is a hotbed ready to EXPLODE with nuclear devices...can you not see the direness of your straits? Can you not see the freedom as it is sucked from your very blood? Can you not see the government taking full and total control of your very lives under the DISGUSTING, DECEITFUL, AND SHAMEFUL PLAN NAMED THE NEW WORLD ORDER? Have you no passion left in you? Why do you wait? Will you write letters from your detention centers to be read by the jailors and sent nowhere? Will barbed wire be your only horizon upon which to fix your gaze? Will the blackened smoke from the fires of destruction be the air which you breathe for the next generations? Will the once wondrous forests stand naked, stripped...as bare hillsides...a tombstone of tree stumps in memorial to what once was? What has happened to you? What has happened to you?

Do you think that Hatonn and I come to tell you to prepare for what is nigh at thy doorstep because we have naught better else to do? Will you ask yourself why you did not put aside some larder when the very mouse running across your floor looks like a good dinner to you?

AWAKE! AWAKE! AWAKE!

THE CALL IS GONE FORTH...AWAKEN FROM YOUR SLUMBER AND SEE THAT WHICH HAS BEFALLEN YOU. TAKE YOUR STAND AND LET THOSE WHO GOVERN YOU AT THE LOCAL, STATE, AND FEDERAL LEVEL KNOW THAT IT IS THEY WHO REPRESENT YOU...THE VOTER. THEY HAVE BEEN PLACED INTO OFFICE TO IMPLICATE YOUR WISHES...THE CITIZENRY OF THE INDIVIDUAL STATES THAT COMPRISE THE UNITED STATES OF AMERICA. DO NOT LOOK BACK IN ANGER UPON THE NEW REGIONAL STATES, ALL NINE OF THEM, ONLY TO FIND THAT THE FREEDOM ONCE READ ABOUT IN BOOKS IS NOW A DISTANT CHAPTER IN EARTH HISTORY. FOR WHEN THAT DAY ARRIVES, BELOVED, IT SHALL BE TOO LATE FOR YOU AND THEN THE HORROR SHALL BEGIN IN EARNEST AND IT SHALL LAST FOR GENERATION UPON GENERATION. THE EARTH WILL HAVE NEVER EXPERIENCED THE HORROR OF SUCH OUTCOMES AS WILL BEFALL YOU, IF THIS IS ALLOWED TO TAKE PLACE. AWAKE! AWAKE! AWAKE!

The blood of your beloved sons is beginning to flow. Will the sands of Iraq be as the rocks of the American Southwest...STAINED RED FROM THE BLOOD OF THOSE NEEDLESSLY SLAIN TO FULFILL THE PLAN OF THOSE WHO CONTROL YOU FOR A CAUSE WITHOUT HONOR? How much blood must flow before it becomes an issue worthy of your examination? How many must die before you suddenly realize, "Hey, perhaps this wasn't such a good idea after all..." Too late, too late...always the awakening happens too late, when man will then look around to gaze upon

the death, and the smoke, and the barbed wire from the places of detention only to know, I should have listened to what they had to say. So be it.

Walk gently beloved for the journey is just begun. Salu

I Am Sananda
In Service Unto Aton/God
Within The Creation

2/7/91 SANANDA

I am here Thomas, let us begin, please. I Am Sananda and I come in service unto God/Aton and I come in His Radiance...let there be no mistake about who I am and in whose service I ever dwell.

You are correct, Thomas, in your observation last eve that the number is few who radiate light and understanding with that which occurring upon your placement...few indeed. Almost all are caught in the tangled web of confusion spun by the master deceiver himself. Most know not that they may ask for help in finding their way free from such entanglements, such confusion and pain. Most know not that The Father not only is a real being but hears all that is said, and not said. When I continually tell you ones that we stand ever ready to receive thine petitions...I MEAN IT! Why are ones so eager to follow the darkened pathway without so much as a second glance or thought, and yet the lighted pathway stands in full view awaiting all who will seek it? Why do you ones put me and mine scribes through literal hell in the interrogation and throwing of stones and hear not what is being said unto thee? You have discerning capabilities...use them! Always man wants his food spoon fed unto him...and then chewed as well. Well the time for us

spoon feeding and chewing your food is past for you ones had best be in the rapid learning of not only getting and storing your food and the cooking thereof...but the growing thereof. So be it and selah.

With each passing day the ticking grows louder and louder in our ears...tick, tick, tick...like a time bomb waiting to explode. Such is the plight that has befallen beloved Earth, Shan, Terra...the Mother who has served you with honor. Her pain is deep and it is the Father's promise unto her that she shall be healed. So be it.

The blood is running, beloved...it is running through the sands into the beloved Mother. And as it filters down through the sand it finds its way unto the huge underground pools of oil...and, indeed, they do not mix...blood and oil. The blood floats to the top of the oil and reflects back the exploding bombs that preceded. The blood reflects back the pain of family who will never know of their beloved's departure from that place. The blood stains the hands of all the ones partaking in the destruction of the innocent, the children, the women, the elderly...and these stains shall not be washed clean but shall serve as the reminder, lo, for untold years in your counting, that such destruction serves not My Name, nor My Father's Name...but serves Satan...and it is in Satan's presence that these stains shall serve as the reminder that the experience not be forgotten. So be it and selah.

Satan sits 'on his throne in glee...man is falling for it...he is taking the bait and biting hard. For with Satan there is no spoon feeding required, no chewing of food required...rather, he needs only

to toss the hook in your direction and all ones lunge at the opportunity to take the bait...and then the entanglement amidst the web is all but complete, yea unto death.

Where is your honor? Where is your integrity? Where is your freedom that you proclaim to fight for? Where is your Constitution? Who are these evil men who make the decisions to take the lives of those you hold most dear? Why do you blindly accept all that is dished out for you to consume? Why do you not demand clear communications from your media and newspresses?

The pits will be large and deep as the bodies are piled one upon another in the mass graves that shall soon be upon you. All ones will die with their boots on and each among them will wonder why. All will go nameless for the graves of the hundreds shall be unmarked in the ending for there shall not be time to concern for the dead for even the living shall be as the dead. Yea, though you walk through the valley of shadows I am ever with thee. Who among you will turn from Me? Who among you would turn from the Father and ALL LIGHT at the final bell toll? What will you fix your gaze upon in the countless years before you? Will the darkness and world's without light be your dwelling places?

AWAKE! AWAKE! AWAKE!
THE CALL IS GONE FORTH.
WHO AMONG YOU WILL HEAR? RETURN UNTO THE FATHER...RETURN UNTO THE WAYS OF GOD...THE WAY SHOWN UNTO THEE.
RETURN UNTO THE LIGHT WHICH I AM. RETURN UNTO THE LAWS OF GOD AND THE CREATION, DEARLY BELOVED, WHILE THERE IS YET TIME. THE

TIME IS AT HAND. THE KINGDOM OF GOD IS AT HAND. TURN YOUR FACE FROM EVIL AND WALK IN MINE LIGHT THAT YOU MAY COME TO KNOW THE KINGDOM AND THE POWER AND THE GLORY. SO BE IT.

OUR NEWEST JOURNAL

BURNT OFFERINGS AND BLOODSTAINED SANDS PSYCHOPOLITICS AND THE SACRIFICE OF THE PHOENIX BY Gyeorgos Ceres Hatonn

This is the 24th book in the *Phoenix Journal* series that has been published in the last eighteen months. They include detailed topics from all walks of life, including current information on the Middle East War as of January 28, 1991.

These books, which are entered into a computer by "Dharma", ARE THE WORDS OF TRUTH WHICH GOD PROMISED HE WOULD SEND FORTH AT THE ENDTIMES TO GIVE MAN ONE LAST CHANCE TO CHOOSE TRUTH OVER THE LIE.

Hatonn gives us an excellent background coverage of why the world is on the downward path to ONE WORLD GOVERNMENT, the "NEW WORLD ORDER" that President Bush mentions many times and how the present Middle East War is the beginning of the Battle of Armageddon, the greatest battle to ever be fought on this planet. This is the battle that has been predicted for several thousand years and THE TIME IS NOW HERE.

He gives us details of what hardships even the Americans must be prepared for (INCLUDING INVASION, DESTRUCTION OF OUR TROOPS, STARVATION, TERRORISTS AND EVEN CONCENTRATION CAMPS HERE IN THE UNITED STATES) if we do not DEMAND that our Consti-

tution be restored and start living under the LAWS OF GOD VERY SOON.
