FEBRUARY 1991 VOLUME IX NUMBER 4

2/23/91 HATONN

TODAY'S WATCH

That which goes forth this day shall live in the history of your planet as a day of infamy beyond any known.

Your President Bush has sentenced to death thousands of your children and you bow in his presence and hail his name while you turn away from God and all that is Godly. May that same God have mercy upon you ones and may your children pass into other dimensions without leaving their curses upon you as a nation and a people.

Your Zionist-controlled media has announced in one breath that the oil fields and oil drainage ditches are fired and that Saddam has a "scorched Earth" proclamation. NO--and you can now prove for yourselves the Truth of my words and theirs. In the very next segment it is shown YOUR OWN MILITARY MEN LOADING NAPALM CANNISTERS ABOARD AIRCRAFT AND YOUR OWN MILITARY SPOKESMAN SAYING THAT THE NAPALM "AT THIS TIME IS ONLY USED BY THE MARINES FOR FIRING THE OIL-FILLED TRENCHES!" I have given you great detail about weapons and the way you start crude-oil fires and set to flame oil centers of crude is with napalm. It is a heinous thing being done and

the rewards of such destruction shall be visited back upon the ones who instigate such lies and destruction.

On the very night before withdrawal came the heaviest bombing of a civilian city in history--Baghdad. Your own "Lips" says there will be no cease-fire while Saddam's troops pull out and move back into Iraq. Then, someone tell me why they would come out of protection to be shot and bombed, burned and slain?

Meanwhile--at the same conference of announcing this heinous verdict upon a world, the representative of Thailand stands with the "Lips" and announces a coup of overthrow of the Thailand government setting the government into the hands of a MONARCH! Not democracy and freedom, friends--A MONARCHY. And there is jubilation and congratulations in abundance. I care not who runs Thailand for Thailand should decide--but what is this double standard which you foist off upon a world in confusion and death throes?

Then the conference must end for the "overworked" President has to have his weekend holiday. Indeed he does, to get his programming refreshed and instruction-channels corrected. The Zionists dare not even leave the entity in the presence of the nation's people for fear he will be recognized for that which he is; all social functions are

totally orchestrated and controlled and you ones turn your heads and bow to the serpent. You as a nation are ready to stain, forever, your heavenly symbol, the flag, with the blood of your prime generation and the yellow ribbons will be soaked in the blood of your babies. And still, you ask God to give you victory? You had better look upon your world in gracious gratitude every minute remaining in the beauty of the cycles called days for you have just limited them unless sanity prevails on one side or the other. There is great shame upon the lands this day!

A.S.S.K.

Dharma, I am sorry to require that you attend this subject one more time and then we shall ask ones to do that which they will with further counterings from that center.

Again, I must respond to the many who inquire in like manner to Mr. Prust, author of the letter reprinted herein. I must respond for it needs no "defense" but, as in this case, a man is humbly asking for insight and honest inquiry compels response.

"14 Feb. 91

"Dear America West,

"I received from A.S.S.K. Vol 57, "CALL TO ARMS", which I'm sending the page.

"Sister Thedra claims your

Sananda and Hatonn are frauds.

"Since I read this page, I've lost faith in the material from Sister Thedra and America West. How can two groups claim authorship from the same Sananda and Hatonn and then Sister Thedra calls your Sananda and Hatonn frauds?

"I've now lost faith in the integrity of your material and in Sister Thedra. Now I don't want to read anything from either of your two groups.

"Is there anything you can say to restore my faith in your material? If there is anything you can do to help me please let me know.

"Sincerely, C.E. Prust.

* * *

Peace be unto you, son, for your inquiry merits response and your call is heard in the Truth and honor in which you ask input.

I would answer with a question for you: Is God selective to self-appointed "speakers" and the possession of ONE? Is TRUTH a plagiarisable commodity? "Because I tell you Truth, does that make me less your friend?"--or a fraud?

Because you ones petition unto God for answers to serve you through the most heinous time upon a planet and He sends us to give responses and instructions--does that make us servants of Caesar as accused?

Now to some facts, please. I care not what ASSK claims nor disclaims--that is for your own inspection. I do tell you this. America West is a publishing company who publishes many books and distributes dozens upon dozens of books--NOT ONLY THE JOURNALS!

Ones at the location in Sedona have not read more than two of the pieces of documentation sent from even this source--so how can any

pronounce "fraud" against God and HIS HOSTS?? If you have not partaken of the information how can any pronounce judgment? Dharma has scribed over 25 full books on as many subjects and four full volumes published of Expresses--that is a lot of material to pronounce such judgments as "fraud"! You see, TRUTH IS TRUTH IS TRUTH AND STANDS ALONE--INTO INFINITY--AND WE HAVE YET TO HAVE ANYONE FIND A LIE IN OUR PROJECTIONS UNTO THE PUBLIC.

It is said these ones make great amounts of money from the publications--nay, they have invested thousands upon thousands of dollars into the ability for you ones to have the Truth from our source--AND THEY REMAIN GREATLY "IN-THE-HOLE" as you refer to it--income does not begin to equal the expenditures of such constant publishing with great discounts in pricing for ones from California, Colorado, etc., unto the East Coast, New Zealand, South Africa and Norway just to name a few. Have you any imaginings of what it costs to give unto the world--Truth?

These scribes, and Dharma is not the only one--in fact, Sananda writes volumes of work through Thomas--do they discount his "Sananda", also? Does Sananda, Christ, Aton belong to some-ONE?

Group? Two groups? Perhaps there is a group in Sedona. There is no "group" in this place of publication. We have no gatherings for pay or profit--just small meetings for instruction and work dispersement. Further, we do not force nor demand anyone do anything with the work--our commission is to put the WORD OF GOD, AS INSTRUCTED, TO PAPER AND THAT, SIR, IS EXACTLY THAT WHICH WE DO.

No one in this place claims to be "priestess" or "only" or "honored by secret mystery schools". In God's places there are no secret mystical places--including mystery schools. God is not SECRET--God is Truth and Light and NON-SECRET--for all to hold and share and be from which attended--unto the very tiny creature of the winged, eight-legged, two-legged--even unto the tiny one-celled life-form--which is all. There is no wondrous physical prestige of "Orders of Melchizedek or Emerald Crosses"--there are only humble servants striving to do their committed task of giving forth final instructions for a time of chaos and tribulation. There are only the willing hands who, hour after tedious back-breaking hour, put the "untold" to paper so that the lies behind the facade and veil can be revealed in the light of openness. If this be fraud, my friends--then so be it and ye shall be required to do your own discerning.

You ones do not bow unto GOD and ask if there is going to be a "great explosion" or "earthquake" or "war"--you KNOW that there will be such--YOU ASK GOD WHAT TO DO WITH EVERYTHING FROM YOUR FAVORITE MONEY HORDE TO YOUR PRIVATE RELATIONSHIP WITH YOUR MATE! HE ATTEMPTS TO GIVE RESPONSE AND YE MOST OFTEN HEAR IT NOT--so the time is at hand where Truth must flow to ALL and please note that the ones most consistently and unceasingly attacked and called frauds are the ones bringing forth the Truth which is desired by the dark brotherhood to be silenced. This scribe has literally been KILLED on four occasions within the past three years--THERE ARE BULLET HOLES IN THEIR DWELLING--DOES THIS SOUND AS IF "FRAUDULENT" MATERIAL IS SLIPPING THROUGH THIS RESOURCE? NO-ONE BOTHERS TO KICK A

DEAD DOG, SIR.

God's wondrous creation of Earth stands on the brink of destruction and ones quibble over "whose truth is whose!" Sir, Truth belongs to no-one--noONE! If one would deny his brother from having Truth to garner for self a "SPECIAL" place or status--then that one loves his brother very little indeed.

God always encourages you to read, study and read some more--HE DOES NOT LIMIT ANYTHING THAT IS PUT TO PRINT--READ, READ, READ AND THEN READ AGAIN--TRUTH WILL STAND THE TESTING OF ALL TIME--INTO INFINITY. Further, "OUR" Sananda, Hatonn, Aton--will meet personally, and have done so, with these denouncers and the energies who proclaim to be "THEIR" special speakers. I find nothing further to say regarding the matter. If you find no balance, I know not what else to offer unto you, friend. I would suggest you continue to read BOTH and see for yourself which gives that which ones ask of God in response and that which repeats and repeats that which is of the mysterious mystical projection. I have nothing else to offer except that which we share with all. I especially do not wish you to accept any such thing as fact that "Sananda" or "God" would be claimed in Truth by anyone--SIR, REACH OUT AND CLAIM GOD FOR SELF!! FOR HE IS NOT "OURS" OR "THEIRS"--GOD IS YOURS! AND YE ARE HIS! THAT, SIR, IS THE TRUTH UPON WHICH TO STAND--NOTHING LESSER IS ACCEPTABLE.

Blessings be upon you for penning your inquiry for you bless your brother who has hesitated to write. God holds ye all and sends we of His Hosts to tend of the fragments in these trying times and prepare a place for His return and all the lessons have been taken and given

in error and you are lost in the chaos of the maze--without direction nor mapping for the journey. We come with the map and the WAYSHOWER for God has sent us that you might know the way home unto HIS prepared place for you--no more and no less--GOD KEEPS HIS PROMISES! HE HAS PROMISED THAT MAN WOULD HAVE THE FINAL TRUTH LAID FORTH AS THE WORD--GOD IS TRUTH; GOD IS THE WORD AND NO WORDS OF ANY MAN OR WOMAN OF HUMAN FLESH SHALL CHANGE ONE IOTA OF THAT TRUTH. SO BE IT AND SAALOME'

* * * * *

Rest in peace, chela, for I hope, too, that we shall not need attend the matter any further. It is painful to be denounced and attacked by those who used of thine friendship and trust to effort to pull you down--but lessons must be accepted, learned, and your work continued for Man ultimately answers for EACH, HIS OWN--just naked Truth in confrontation between God and Self--there is no more and no less and 'tis Glory to stand before God in radiance as he tells you, "Well-done, child, you are blessed in MY sight." And so it is, Dharma--for you are blessed in His sight--the way of the world is hard indeed but none walks alone. So be it.

* * * * *

Let us return to the book, AMERICAN FREEDOM & ZIONIST POWER.

THE MAJORITY OF SEVENTY

QUOTE:

IT IS CERTAINLY LEGITIMATE to inquire further how the extraordinary Jewish power in American politics could have come

about in a democracy whose Constitution was designed to ensure that members of governmental bodies would express and represent the free will of a majority of the people whole protecting the basic constitutional rights of all. The free will of the majority of the electorate has been, it seems, more often ignored than expressed or more often frustrated than carried out. The defeat and frustration of America's best interests is continually being initiated, aided and abetted by special interest political activists whose views are often more representative of the American Israel Public Affairs Committee (AIPAC) than of the broad American body politic. The AIPAC is the chief Zionist lobby registered in Washington, D.C. It publishes the *Near East Report* and sends it to all congressmen as well as to many State Department and White House staff members.

Former United States Senator J. William Fulbright, who for many years served on the Senate Foreign Relations Committee, has stated that during his tenure in office there were no less than seventy senators ready to vote the bidding of the American Jewish community on any given issue affecting Israel. Understanding this inordinate and skillful Jewish influence is basic to an understanding of the American political predicament. There are two principal reasons for this extraordinary influence. One reason is the predominant role that Jewish mythology has played in shaping Western culture and religious ethos. The other reason is the large role that Jewish money plays in America's interrelated economic and political systems.

THE MYTHIC POWER

In his four volume monumental work, *The Masks of God*, Professor Joseph Campbell observed that the primary purpose of popular religion is not, and never was, to discover "Truth", but to propagate

a sentimental philosophy for maintaining a unified social order which would support the institutions of men. Since time immemorial, strong and widespread belief in popular religions has been utilized by political leaders to rally the common folk around some favored cause--be it the conquering of territories or the establishment of kingdoms. History is replete with examples of the use of religion for gaining political power. Some of the more notorious examples have been the Judaic Kingdom of David and the Holy Roman Empire.

In this age of scientific enlightenment, the art of manipulating men's minds has blossomed anew with the establishment and expansion of the Zionist State of Israel. In this enterprise Judaism has enjoyed the unique advantage which antiquity provides, aided by an offspring religion, Christianity. America's interest in Israel has been described variously as "sentimental" or "emotional". Even Senator Fulbright, of scholarly fame, has expressed a willingness to commit this nation to a holy war over Israel. From the floor of the United States Senate Senator Fulbright stated, "We have a strong emotional interest in Israel and, as I said in a speech in 1970, I accept the validity of that interest and would go so far as to base a military commitment upon it." (Hatonn: Well, beloved readers, the United States of America this day has pronounced willingness to annihilate your entire army of troops and the whole of the Middle East for this false and evil master masquerading as God's Chosen. They are "chosen" but not of Holy God and they are deceivers and liars from the beginning and it is a sad thing which Man is about to do in the name of Satan, while calling it the "Name of God.") Senator Fulbright was referring to his speech entitled "Old Myths and New Realities--II" which he delivered to the Senate on August 31,

1970. In that speech, the senator said that the United States should frankly recognize its "sentimental and cultural bonds" with Israel. The senator further stated that "there is nothing wrong with a policy based on sentimental attachments." While on a trip abroad, Secretary of State Henry Kissinger used the words "emotional ties" in explaining America's support of Israel during the 1973 Yom Kippur War.

The United States Constitution totally and emphatically rejects the idea that American military commitment to Israel or any other nation can be constitutionally carried out when based upon "emotional" and "sentimental" interests; these are mere substitute terms used to soften and make more acceptable the real reason for such commitment, namely, the *religious* affiliation with Judaism of a small but influential group of Americans. In his farewell address, George Washington urged all citizens to observe good faith and justice towards all nations and noted that a passionate attachment to another nation, among other evils, facilitates the illusion of an imaginary common interest in cases where no real common interest exists. And later, Woodrow Wilson warned the Congress that only free people can hold their purpose and their honor to a common end, and prefer the interests of mankind to any narrow interest of their own. The present theme of national support for Zionism leaves the rationalist, who *feels* no emotional ties to Israel, stranded in a sea of irrationality. He is stripped of constitutional rights, taxed to support a theology he rejects, faces the possibility of being forced or drafted to fight a religious war alien to his nature and stands in social jeopardy of his peers. Somehow, the lessons of the Crusades and a thousand other years of holy wars have escaped even this generation of enlightened Americans.

It is clear that Judaism has benefited from the protective mentality which shields an established or accepted religion from scientific or intellectual criticism. This protective mentality has been especially true in "Christian" America where the child *Christianity* is loathe to criticize its parent, *Judaism*. Judaism in America has also gained from the reluctance of Americans to examine critically the beliefs and actions of a people that has borne an unusual amount of bias and abuse, for whatever reason, through the centuries.

Sometimes the reluctance to speak out against excessive Jewish political power stems from fearing the defamatory label of "anti-Semitic" which Jews readily and liberally ascribe to anyone who would dare question, investigate or otherwise examine critically the practices of Judaism, Zionism and Jewish exclusivism as these practices affect others. This use of emotional blackmail has effectively deprived many Americans of their First Amendment rights of free speech and free press. This subtle suppression of constitutional rights deserves exposure and the condemnation of all who cherish truth and fairness.

The political exploitation of Judaism and the Bible is clearly illustrated in the 1976 presidential campaign of Jimmy Carter. Mr. Carter's chief issues advisor, Stuart Eizenstat, who is Jewish, said of Jimmy Carter: "...he sees Israel's future as a moral and religious matter of deep personal concern. The Governor believes in the Bible. He believes that Israel is not just supposed to exist, but that it must exist as a Jewish State." Furthermore, Mr. Carter was quoted as telling a group of Jewish leaders (note the selectivity of audience) in Atlanta, Georgia that, if elected president, his administration would give Israel "undeviating, unequivocal" support. In his evangelical quest for

the most powerful office in the land, if not the world, political candidate Carter continued: "This is not just a political statement. As a Christian myself, I think that the fulfillment of Israel, the coming of that nation, is a fulfillment of Biblical prophecy." Someone must tell Mr. Carter, before it is too late, that religion or the fulfillment of biblical prophecy is NOT a proper concern of any United States Government!

President Ford also allowed the use of emotionalism conjured up by biblical belief during his presidential campaign. Three days before the election date, this writer received official President Ford Committee campaign literature citing a specific chapter and verse from the Old Testament as a reason for returning the president to office. The letter was addressed to "Dear Fellow Christians" and began with the words, "I have urged the President Ford Committee to send you this material. Never before has the Bible believing Christian community played such a central role in a Presidential election." The letter was signed by "A.C. Janney, D.D."

The United States Supreme Court declared in a 1971 decision that "Political division along religious lines was one of the principal evils against which the First Amendment was intended to protect." The appeal by political candidates and office holders for votes based along the religious lines of their constituencies is a throwback to the politics of the Dark Ages. In the words of the historian Edward Frank Humphrey, "Such an irresponsible and potentially dangerous policy may win an election, but it may also make the country ungovernable." Any candidate who seeks political office in America on a sectarian basis deserves not the vote but the contempt of the people.

A president-elect is required to

swear an oath to defend the United States Constitution. As president, he is not permitted by the Constitution to take governmental measures in order to fulfill personal or popular beliefs in biblical prophecy. (It is, therefore, unethical for a candidate to campaign on that promise.) In the context of the on-going Middle East Conflict it is rather frightening to hear or read of a presidential contender promising Jewish voters that, if elected, he will conduct American foreign policy in such a way as to fulfill his or their private concept of biblical belief. One can only hope that Carter, as president, or anyone else here or abroad, will not *feel* the compulsion to push the nuclear button in order to implement a private or popular interpretation of the ***biblical Battle of Armageddon! (Hatonn: Is it possible that on this very day--that has actually been placed into play?) Strong popular belief in a mythical prophecy may result in the self-fulfillment. *Time* magazine (October 4, 1976) states that a late Gallup poll indicates that 40% of all Americans "believe that the Bible `is to be taken literally.'" From an Associated Press dispatch *The Houston Post* (Nov. 4, 1976) reported that, "Former Israeli Defense Minister Moshe Dayan said Carter's `religious, almost messianic' attitude toward Israel reflected the feelings of the American people." Again, one can only be thankful that Jimmy Carter was not elected by a landslide as a result of this evangelical crusade for The White House.

The scene of presidential candidates Carter and Ford groveling for Jewish support during their second television debate was so demoralizing and pathetic that *Time* described it thus: "Ford and Carter fell all over themselves in wooing the Jewish vote by vowing all-out support of Israel." *Time* reported that "Jerusalem is relishing the spectacle of both candidates trying to outdo each other in public sup-

port for Israel." *Time* quoted Israel Foreign Minister Yigal Allon (who had watched the TV spectacle in New York) as saying, "I don't know if Ford or Carter won. All I know is that Israel won."

It is most certain that America did not win that debate. On February 3, 1948, former Secretary of Defense James V. Forrestal spoke to Franklin D. Roosevelt, Jr., who was then worried that the Democrats might lose the election to Tom Dewey if they did not strongly support the Zionist position on partitioning Palestine. Secretary Forrestal pointedly told Roosevelt it was "about time that somebody should pay some consideration to whether we might lose the United States." That was twenty-nine years ago. (Hatonn: now 43-years ago.) In the interim, four Arab-Jewish wars have been fought and tens of thousands of precious lives lost--sacrificed at the altars of ignorance and greed. A substantial amount of this killing and dying was paid for by billions of dollars extracted from United States taxpayers who have suffered the ravages of run-away inflation and oil shortages precipitated by a short-sighted Middle East policy of power-seeking politicians who refused to follow the advice of their own Department of State.

Now (1977) the United States has two-hundred technicians in the Sinai Desert stationed between the combatants. Several American presidents have pronounced the Middle East Conflict the gravest threat to peace confronting the world today. That conflict had its inception with the rise of Zionism and became a full-fledged war upon the declaration of Israel as a national ***unity. In the context of these facts, one would have to be out of touch with reality to suggest that Israel has not been a burden to the United States and the world community.

The Israel-first policy followed by

every American president since Harry Truman, with the exception of Eisenhower, is a policy of treason. The television picture of American sovereignty being held hostage by a small pro-Zionist clique which owes its first allegiance to a foreign nation is a debasing and scandalous sight. America needs no more such debates if the highlight of their greatest contention is to see which candidate can promise Israel the most.

David Ben-Gurion, the first prime minister of Israel, is quoted as saying, "A Jew is a Jew first; his allegiance to the state of his abode is the allegiance of a stranger in a host country." Because of their strong political support of Israel most Jews of the world seem to be pro-Zionists if not actual Zionists. There are signs, however, that Israel's appeal to world Jewry may be declining.

Zionist Israel has historically based her emotional appeal to various countries to "Let my people go!" on the supposition that they would flee to Israel from the alleged persecutions in their native lands. Now that the record indicates that most Jews who choose to leave Russia are beginning to "flee" to nations other than Israel, the Israeli Zionists have decided to close the emigration center in Austria and to cut off economic assistance to them--economic assistance given to Israel by American taxpayers for the specific purpose of helping these Russian emigrants. The 94th Congress passed Public Law 94-330 (H.R. 12203 of June 30, 1976) which granted \$15,000,000 for assistance in the resettlement of refugees from the Soviet Union and other communist countries in eastern Europe. Most of these refugees are Jews. (See also the *American Jewish Year Book*, Vol. 75, p.178.)

A New York News Service dispatch from Jerusalem reported that "Up to 62 percent of the average

1,000 Soviet Jews granted visas for Israel monthly have switched to other countries during proceedings in an Austrian reception center..." The dispatch states that in an obvious move "to block these record defections by Soviet Jewish emigres, Israel has decided to eliminate processing in Austria..." (The reader should know that when Austrian Chancellor Bruno Kreisky, himself a Jew, threatened to close down the center several years ago, he was denounced by Israeli Zionist as an "anti-Semitic" Jew.) The dispatch concludes that this decision by Israel "would, in effect, prevent Jews leaving the Soviet Union from choosing destinations other than Israel when they arrive by train from Moscow." It is evident from this mean trick by Israeli Zionists that their much publicized and patronized concern for other Jews is not strictly humanitarian. Israel needs more soldiers and settlers to occupy captured Arab lands that it has announced it will not relinquish peacefully. Russia represents the best national prospect for a source of recruits. But Israel has not hesitated to throw a stumbling-block in the path of those emigrant Jews from Russia who refuse to choose Israel in their search for a better land. (Data from the Austrian emigration center show that the great majority of those who decide against going to Israel come to the United States.) In spite of this harsh turn by Israel, stubborn pro-Zionists continue to lobby for "unequivocal" support for the Zionist state. The Congress should demand that Israel return any monies granted her for settlement of refugees who decided to settle elsewhere.

END QUOTING FOR THIS SEGMENT

Thank you for your service and you, readers, for your attention. We honor the daring speakers of

Truth who have brought forth information only to be denounced and mostly, now, end up quite dead at the hands of your so-called closest ally. God desires no more martyrs, beloved children, and honor will be given those who dared so that your nation might have and retain its freedoms under your Constitution. How many are worthy of that contribution of the ultimate gift unto you for "no man hath greater love than to lay down his life for his brother."

Salu, may you ponder these Truths most carefully.

Gyeorgos Ceres Hatonn, Cmdr.
UFF-IGFC

2/24/91 HATONN

TODAY'S WATCH

Salu, on this day God has given unto us in which to make our mark. Neither be "surprised" at that which is told unto you by those who do battle--why do you believe anything they say? Do they have a history of telling you truth? Oh, how so? This day a new "surprise" was laid at your doorstep in gleeful smugness. While all had you praying to whoever you ones pray unto--it is now told unto you that the day and hour of the war were set for weeks past and "the peace talks were set as subterfuge to distract the enemy and were a 'hoax' by the allied coalition to gain advantage!" This comes from your own leaders so I am not in joshing. So be it--for no one was fooled except you of the citizens who do the fighting and dying and mourning.

Now they tell you that all is going wonderfully well--and so it appears. What do they count for you? Over 5,000 enemies captured and "single digit" for your side are slain? Why do you believe the false projectors? Is it true or is it false--it matters not for it is what will come and is planned that

should be given your attention.

At any rate, whatever happens in Kuwait is gratis for the battle--to be settled later. If you win Saddam would be out of Kuwait at any counting. If Saddam wins he shall march right back into Kuwait which must now be rebuilt under any circumstance. You ones who have been reasoning maneuvers from the couch in front of the television--what would do if you were you in charge? Well, I think I would mislead all of you all of the time--because, as they openly tell you--they are playing to Saddam and his troops and rallying citizen support for anything that comes. You are being set up at this very moment for the time when and if the battle does not go well--"Well, look how it `was`--how could we suspect that - - -!" What would you do? Let us play some war games.

Next, I would most certainly have taken in all this prior information--you can know by that which IS known that you are either lied to OR your military DID NOT hit the fortified enforcements for there were no mentions of mine-fields nor burning oil trenches--AND THERE ARE! In fact, the reason that the allied coalition bombed and set afire the Kuwaiti oil wells, etc., was in an effort to stop oil from pouring into the trenches--which WILL be encountered at some point.

If I were the allies I would probably do the same as yours are doing--If I were Saddam, I would do the same as he is doing. He is rallying his terrorist friends and rousing up support for the real encounters and the minute you march across Kuwait and scatter your own forces and use much of your ammunition--I would be waiting, complete dug in with everything at ready to meet you--scattered and short of supplies--the very same circumstance in which Iraqi soldiers found themselves as you

crossed the border.

It doesn't matter--you will be told that which you are supposed to hear in order to continue support for your administration who is being ordered about right out of Tel Aviv. Do you actually believe the Israelis would watch centuries of planning and working go down on a "peace treaty"? Come now--they are telling you this even on your closed news. THIS WAR HASN'T EVEN YET BEGUN! AND WORSE, ON THIS WONDROUS SUNDAY MORNING WHILE THE SUN HAS TURNED TO BLOOD AS IT IS CLOUDED BY THE SMOKE FROM CARBON FIRES (significant in its own right, dear ones) YOU PRAY FOR "VICTORY"--NO LONGER FOR "PEACE". VICTORY FOR WHOM? WHO SHALL HAVE VICTORY? SATAN IS THE ONLY ONE WHO SHALL EXPERIENCE VICTORY THROUGH THESE NEXT HOURS, DAYS, MONTHS AND THEN?? AH, BUT THERE SHALL BE INDIVIDUAL VICTORIES AND AFTER THIS CONFLAGRATION--MANY WILL RETURN TO THEIR "NORMAL LIVES" CHANGED AND IN SERVICE UNTO PEACE AND GOD FOR THEY WILL HAVE WALKED IN THE SHADOWS AND WILL HAVE SEEN THE TRUTH OF IT. So be it. Hold to your prayers and Truth, beloved ones, do not slacken your petitions for a skirmish does not a war make. Plead for mercy and insight and reason among men for there is no right in war--only pain, death and loss. Battle in anything other than absolute defense is not of Godness. Support your loved ones in that sector and ask special protection under your heavenly banner that you might again attain the glory with which America began.

Please do not slacken of your attention unto that which is happen-

ing domestically behind the shroud of silence of a war in the media playing. How much are you learning about your domestic conflicts and problems while the news is 99% war disinformation? Your entire government could be replaced and only a handful of citizens would be the wiser. What is going on that will affect your lives after this conflict? Since there are few programs for post-war actions outlaid for you and yet you know that they lay plans far, far in advance--what do you think they might have in mind for you next?

SHOES THAT PINCH

Dharma, I am sorry, chela, that you understood not why I wrote on the matter of A.S.S.K. other than to respond to our correspondent. I shall do that which has been demanded and you shall continue with your work, please--this is between Sanat Kumora, Sananda and ASSK--it is not your problem and the earlier you realize it the better we shall all be for you readers for it has been demanded by law that we inform you of the following.

A.S.S.K. has acquired a lawyer and plans to bring suit against Dharma and America West because some readers still call and "annoy" and "cause undue expenses" in responding to calls asking for address and phone numbers where you can get Survival information. I believe the "Godliness" of this attitude speaks for itself as a world, by their own projections, is in the pits of agony--but nonetheless, we shall ask again, that you who know both refrain from mentioning our name unto ASSK for it annoys them greatly.

The problem seems to stem from a perception that somehow profits are being made from Sister's work. If Sister has been in Service unto God--I would suggest that all such work is God's--Dharma makes no claim to Truth as HERS.

However, to set the record to unmistakable right: The publisher and these ones sat and find that with all the expenses of publications, etc., expenses outweigh all assets by well over \$20,000 PER MONTH!

Their lawyer did acknowledge that we were obviously good business people and seem to be "judgment proof" so for you who wonder about the feasibility of our instructions--take notice! I bring up these two points because we have been remanded to announce this information regarding the cease and desist with anything even remotely mentioning A.S.S.K. in all writings and do hereby do so. I DO HAVE A SUGGESTION TO ALL WHO READ THIS, ESPECIALLY THOSE OF YOU AT A.S.S.K.: I WOULD SPEND A BIT MORE TIME ON THINE KNEES UNTO GOD FOR THIS WHICH YOU INFER AND DO, FOR LAWSUITS AGAINST THINE BRETHREN ARE NOT OF GOD! I BELIEVE THAT YOU, YOURSELF, GIVE AWAY THE TRUTH OF THE SITUATION AND WHO MIGHT BE GIVING FALSE INFORMATION UNTO WHOM! SO BE IT AND IF YOU FEEL YOU HAVE A CORNER ON SANANDA AND SANAT KUMORA--I SUGGEST YOU INQUIRE IMMEDIATELY ABOUT WHO IS ON YOUR LINE! TO PRONOUNCE GOD A FRAUD FOR BRINGING TRUTH IS QUITE RISKY, DEAR ONES. QUITE RISKY INDEED--FOR THAT WHICH YOU SEND OUT WILL COME BACK AS SURELY AS THE CYCLES OF THE UNIVERSE.

WE UNDERSTAND NOT WHY YE ARE SO INCENSED ABOUT SUPPOSED VIOLATIONS OF "YOUR MATERIAL". DO YOU PRONOUNCE THAT THAT WHICH WAS GIVEN BY "GOD" UNTO YOU IS NOT, AFTER ALL, TRUTH? OR DO YOU BELIEVE THAT TRUTH BE-

LONGS ONLY UNTO YOU TO BE KEPT IN THE BUSHEL THAT NONE OTHERS MIGHT HAVE IT? IF GOD CAN PRESENT IT TO THEE--CAN HE NOT REMEMBER LONG ENOUGH TO PRESENT IT UNTO ANOTHER????? WHO MIGHT LIMIT GOD? WHETHER OR NOT ANYONE LIKES OF IT--THE TRUTH IS COMING FORTH AND IF SOMETHING YE HAVE WRITTEN IS OF TRUTH AND IS UTILIZED BY HIM--I FIND A GREAT LOSS IN THE FACT THAT YE WOULD NOT REJOICE TO HAVE ANOTHER KNOW OF SAME. ALL AUTHORS, EXCEPT BILL COOPER, HAVE REJOICED AND SENT MORE INFORMATION FOR US TO PUSH FORWARD. EITHER WAY, DEAR ONES--TRUTH IS COMING FORTH AND YE SHALL NOT STOP OF IT!

It is indeed painful to long-time friends to find who have been workers for the dark brotherhood in total ignorance. God overlooks that which is done in ignorance, however. HE DOES NOT OVERLOOK THAT WHICH IS DONE IN DELIBERATE ATTACK ON THIS MISSION TO BRING TRUTH UNTO A SICK AND BATTERED PLANET AND PEOPLE OF HIS LOVING CREATION. SO BE IT. Would the revealing of the intent of one, Donald Keyes, as one of the founders of the United Nations one World Global Controllers have something to do with this attack? So be it for the veils are going to come off and ye who have hidden behind those veils in ignorance or intent shall be uncovered. And so shall it be.

NETWORKING

We continually receive phone calls from those of you who are feeling

isolated in their particular area of the country. If you are interested in meeting others in your region who share in the Phoenix material, write to America West giving us permission to network and we will connect you with others.

The window for investment through the PHOENIX INSTITUTE is now open, but closing fast.

Please contact us for more details as soon as possible.
