## TODAY'S WATCH

To you gentlemen who removed the entropy to places unknown but out of the sight of my scribe, I am indeed grateful beyond expression. Dharma has offered to give up her seat on the ship and that of Oberli, George, Desiree', Patricia, John, Al and Eleanor in exchange. I suggested it might not be suitable but she insisted that we must begin to run this outfit like an American/Bush liberation process--wherein ONE decides the fate of the many. Well, I have a place for ALL OF YOU for we almost lost our scribe on the yesterday. It was far more serious than having the adversary destroy three hours and 14 pages of instructions to the local personages--they about got her too!

We will run for a period on alternate power source (hence the REAL need for that generator and drum of diesel). This stops some of the impact coming directly from the computer electronics system.

## TO THE WAR FRONT

The blast coming back here is incredible and, I find, without much introspection or thought to the whole. I am told to "stick it up - - -" and "you A-H-- are wrong--not many allied soldiers died so it wasn't much of a holocaust and certainly not World War III". Didn't they? Was I wrong? No Holocaust???

Firstly, there were far more "allied" deaths than given unto your attention and, frankly, the ones which were hardest to "cover" and "hide" were the ones created by your own allies in error (friendly fire?).

Do you think that Iraq, and now Kuwait, will find it was not a holocaust? Further, it would not be over at the moment if it were not for your REAL enemy--the Soviets. You slaughtered hundreds of thousands of people--most of them civilians--women and children.

Now for Kuwait and atrocities. The greatest atrocities occurred on the road back to Iraq. Have you looked at the pictures of that highway strewn with bodies and "killed" vehicles---thousand and thousands of slain people blown apart by your aircraft. Oh, I see, well they were retreating and could damage ground forces. Well, what of those 5 to 40 thousand Kuwaitis that the Iraqi forces took from Kuwait and hauled off to "somewhere"? I thought you might get the drift!

What has happened is that you have now gotten rid of the Iraqi insurrection AND the best of the Kuwaiti resistance people (the young and their families). So be it, children, for God counts an Iraqi as dearly as he counts a Brit! He loves a Kuwaiti as dearly as he loves the most tiny American. This just happens to be the way it IS--I did not make it up to spoil your celebration for I tell you this, the celebration you see on your TV will be dampened considerably as the dead are mourned. Man, however, is strange indeed--no matter how the person dies in a war, or why, the mourners are greatly soothed by the fact that "he gave his/her life for country!" I wonder- - -!

World War III? War on Drugs? War on Crime? While you pretend to fight your battles you-the-people lose of the war of God Truth. You fight your way right into the very planned helplessness and denounce and attempt to take-out any who appear to disagree. You continue to shout "anti-Semitic"

at my people and unto ME and there is no such actual term for the "Jew" you shout to protect is no "Jew" at all, least of all a Judean! By your very shouting you prove to the world that in actuality **YOU ARE THE "ANTI-SEMITIC" FOR YOU KNOW NOT WHAT A "JEW" IS NOR WHAT ONE OF JUDEAN DESCENT IS! YOU ARE FOLLOWING A PARTY-LINE MADE AND SET-UP TO CAUSE YOU TO BE THE FOOL. YOU HAVE JUST DRIVEN ONE MORE NAIL INTO THE COFFIN OF FREEDOM AND BROUGHT ONE MORE SEGMENT OF DIS-AGREEMENT IN THE MIDDLE EAST INTO THE CONTROL OF THE MONARCHS AND ELITE RULERS.** Do you ACTUALLY BELIEVE those nice royal families who own the Middle East are going to let those peasants run the government? Come now--they spit on the laborers for they have a CASTE system and the lowly are not worthy to own--they are considered only worthy to "serve"!

Oh yes, you WILL pay for the cost of restitution and rebuilding. They don't, however, need your money or taxes to do so--although you will get mammoth taxes and they will confiscate your funds. Remember the lesson I gave on the printing of money? All "money" is "credit" and so it goes. The taking of your perceived assets is to bring you to your knees without telling you the truth of it.

Daily you gauge the state of affairs by what CNN tells you and the market is up and then down and then flourishing and then "off just a little"--look beyond--you are in a depression and there are millions out of work and no probability of growth to give them work. Indeed, when the "big boys" tell you the plans are going according

to schedule--THEY CERTAINLY MEAN EVERY WORD OF IT--EVERY WORD! Worse, they will now change their attention unto you-the-people so you might begin to get nervous.

By the way, have you noticed that, as the war wound down and Saddam was told not to launch those madman weapons, your shuttle suddenly got cracks worthy of notice? Please, dear ones, at least hear us and then see how the pieces fit as you move one day into the next with their false projections. An informed public is a secure public. If you can get your loved ones home now, treasure them, cherish them and stop this thing coming down upon you. Bow in gracious appreciation unto God for another opportunity to salvage some remnant of your Constitution.

Is the Constitution God inspired? Well, it was structured by some elite men in the U.S.--in secret! At that "convention" the entire prior rules of order were totally scrapped and replaced--just as would happen this day if a Convention is called and allowed. It is not that perfection is present--indeed, it is that that which would come down would insure enslavement at the hands of this particular New World Order Elite Puppet-Masters. For this time there is no question as to the validity of "God inspired". It is inspired and demanded by the order of the "Skull and Bones" of which Mr. Bush is a very active credited leader, as was his father.

There is even humor as to the Skull and Bones Society--the women of America keep botching all the plans of the "boys"--have you taken note, men of the world--the women now are demanding opportunity to membership in that Society! What is your old cliché? "...never underestimate the power of a woman scorned??" You may yet find the Skull & Bones reduced to bone-meal.

Next I wish to share with you a letter which was sent to our beloved Wally G. and he has sent it on to be shared. It is from one who is not familiar with our work even, so we honor him for some insightful thought--there are thousands of clear-headed, clear-thinking, individuals--we are only efforting to bring information together in a lump so that you might glean the advantage of the many. I have no particular attention to be given unto "Hemp", for

instance, which is the subject of the letter--but the points are well taken. Please note that this "illegal" plant was grown for government use in World War II in Texas, for example, and the bar-ditches still bear the reseeding of natural cycle. Laws change according to the desires of the Elite, dear ones--"smoking pot" is the least of your worries, although it has been pushed into becoming a "problem" also. For thousands of years hemp was just a most totally useful plant in so many ways it could have been called the "miracle" plant. Let us share this document, please.

QUOTE:

W.G.  
18 FEB 91

Dear Wally,

It was a pleasure talking with you. Sorry to hear you're not feeling too great, but glad to hear you're still working and gladder still to hear you're doing an environmental script.

It seems to be time for a movie equivalent of Rachel Carson's SILENT SPRING, and in fact much of my recent thinking has been focused on the local-global consequences of our current environmental policies and how we might adjust them into more intelligent directions. I've centered it around our current center world stage event:

U Thant said, "World War III will be the battle to save the earth from environmental ruin." He was right and it's here now: This is not the Persian Gulf War; this is the Battle of the Persian Gulf, opening gambit of World War III. (Hatonn: And you had better take note of this truth!)

Remember, they didn't call it World War II when it first started either, so we better get used to the idea that we're in World War III--and that the environmental ruin we face goes far beyond the scope of Saddam's oil slick and the burning Kuwaiti oil fields.

The nature of the ruin is local-global: Ecosystem destruction that kills each life and all life; and liberty destruction, which destroys each human freedom and all human freedom.

One ravages the planet; the other, the human soul, and they are interrelated

patterns, not discrete phenomena, and their common root lies in our addiction to petrochemical oil and our prohibition of hemp.

Hemp was prohibited in the United States during the 1930's, just as a new machine for bringing the plants' processing into the 20th century came on line. Its prohibition was achieved in significant part through the price fixing and/or lobbying efforts of: a) petrochemical companies who would have faced profit-threatening competition from hemp-based products, and 2) the police state bureaucracy that had grown up around alcohol prohibition and was in danger of extinction after its repeal. (Hatonn: For you of the younger generation who may not realize it--all your nylon, dacron etc., for ropes and fabrics, plastics for bowls instead of woven baskets, etc., are carbon fuel-based products.)

The prohibition of hemp deprived the people and Earth of their best protein source, paper source, fiber source, energy source and therapeutic substance. Essentially every subsistence level of human need for food, fuel, fiber and medicine can be manufactured from the hemp plant at considerably less monetary, environmental, and governmental cost than from any other raw material. (Hatonn: He is correct and worse, as you ones effort to come into self-sufficiency--you have no replacement for that plant. It is arranged that way for to simply have a "rope" for tethering your cow--you must now go to the cartel for acquisition.)

Consequently, the prohibition of hemp is having the same effect on the people of the Earth as the U.S. Federal Government's slaughter of buffalo had on North America's native peoples: It is depriving us of our sustenance and making us dependent upon governments that strip us of our culture, dignity, property, freedom and health and tell us we'd better like it or die.

Governments achieve this as a direct consequence of our addiction to petrochemical oil as an energy source: The prohibition of hemp deprives the people of the Earth of a healthy, renewable, decentralized energy source and forces them to become dependent upon a toxic, finite, chokepoint-vulnerable resource.

The prohibition of hemp is: a) A petrochemical price support system

that concentrates power and wealth in the hands of those who control it and impoverishes those who must buy it to survive; and b) an environmental disaster of dangerous proportions because half the trees on the planet have been cut down since it was banned and all the cars are running on toxic petrochemical oil instead of benign biomass-based fuel oil.

The socioeconomic conflict resulting from petrochemical addiction and hemp prohibition regularly results in violence, which then gives governments whose operational premise is "protecting the general welfare" an excuse to: a) Attack each other's people through warfare; and b) attack their own people through the construction of police states, which are as toxic to liberty and prosperity as petrochemical oil addiction is to world peace and ecosystem health.

Our petrochemical dependency is addiction in the classical sense of being an obsessive-compulsive need for something that is counter-productive to our health. Policywise, it brings to mind a writing of the Catholic theologian Thomas Merton: "We rely on the sane people of the world to preserve it from barbarian madness and destruction. Now it begins to dawn upon us that it is precisely THE SANE ONES who are the most dangerous."

We simply can't keep living this way--and we just as simply don't have to. We took a wrong turn back in the 1930's that set us on the path to petrochemical addiction and its attendant socioeconomic-environmental destruction, but we can get back on the right road by returning to our roots--our hemp roots.

By immediately ending the prohibition against hemp cultivation, possession and use, we open the biomass door to a global environmental policy of "Conservation through Conversion," to a worldwide transition from unhealthy energy dependence based on toxic, finite petrochemicals to a healthy energy independence based on a renewable, environmentally-sound plant whose decentralized production and manufacturing will create economies of location rather than scale and thus further reduce energy needs. (Hatonn: Now before you laugh yourselves silly--the man is absolutely correct. You youth who have no relationship to anything other than "pot"

"weed" smoking--ask your parents if they are old enough to remember when hemp made the finest cloth, the finest and strongest ropes and bindings, the finest fiber-rich food supplement and so on. God provided you with a plant of great benefit and you have been trained now to only abuse it as substance which disallows all other uses in addition.)

At the same time, we could radically reduce the exponentially growing threat of the worldwide police state organization created by hemp prohibition because not only would they no longer be chasing hemp producers and consumers, they'd have to do away with regard to the other prohibited plants, too.

The reason is crop substitution. In many areas of the world, opium poppies and coca plants are grown by native peoples who get next to nothing for their labor in relations to the finished product price but who nevertheless make more money from opium and coca than from any of the other "substitute" crops government tries to push off on them. If these people had the choice of growing hemp instead of opium or coca, most would enthusiastically do it because not only could they sell a portion of their crop for cash, the rest of their crop could directly provide them and their communities with food, fuel, fiber and medicine.

Repealing hemp prohibition is therefore the means by which we can: a) Better feed, clothe and feed the people of the world; and b) better starve the police state apparatus on its totalitarian vine instead of fattening it on the freedom of We-The-People.

Equally important, the repeal of hemp prohibition will radically reduce the likelihood of war being fought over finite, chokepoint-vulnerable energy source because the primary food/shelter/fuel resource would be growing in everybody's back yard, window ledge or living room.

Of course, Texas oilmen and the rest of the predatory petrochemical/pharmaceutical dope pushers won't like it but if we are to save the earth from environmental ruin we must ensure that the opening battle of World War III is the spark which ignites a peaceful plant revolution, not a chorus of multiple thermonuclear detonations.

WHEW! That's been inside for a long time, Wally; thanks for being the impetus for getting it out.

Hope you enjoy the material produced by others; etc, etc,. Best Regards, R.H.

(Hatonn: And you thought the only good of hemp was for smoking and "mind-blowing" experience--no, that was fostered by the Elite to entrap you and allow removal of one more stepping stone to freedom and lock-in to their products. I hope some of you are totally aggravated over this thoughtful perspective given in truth--it is a good example of thousands of things of like matter brought against you unsuspecting peoples of this world. Hemp will grow ANYWHERE. IT IS ONE OF THE WONDROUS PLANTS PROVIDED TO SUPPLY A FLEDGLING HUMANITY WITH "TOOLS"--LET US SAY, IN THE GARDEN OF EDEN FOR LACK OF BETTER DESCRIPTION--JUST AS ARE SOME OF THE WONDROUS AND FORBIDDEN PLANTS OF THE NATIVE CULTURES. YOU HAVE A GREAT BIG BUNCH OF THINGS TO UNDO, PRECIOUS CHILDREN--A GREAT BIG BUNCH!)

R.H. then jotted down what he labeled:

END OF QUOTING

\*\*\*\*\*

Now, see how many question you can make up dealing with the same entities as related to oil companies, off shore drilling rigs, fish-meal importation and so on--I alone, have given you several volumes of material from which to research your listings. I urge you ones to give the thoughtful sharing of such information great appreciation and thoughtful reasoning with logic and proper "awakened" perceptions. The WORLD extends beyond *Sports Illustrated* sneaker-phones and swim-suits and TV couch-potato growing. Tunnel vision will cost you your existence and freedom--very, very shortly if you fail to wake up and smell the "hemp" burning!

Dharma, enough for this writing for you are still queasy and I desire you away from this place again this day.

Just appreciate the drink for Mother as being given and simply enjoy it for it has been indeed long for Southern California. Don't over-look the fact that within this very month--the earth has split open at Edwards Air Force Base with cracks over three feet deep running linearly some distance in "miles". So much ground water has been removed that even if there were not cracks--there is sinking of up to three feet in the runway areas. It is serious indeed. You have been prevented from having the rain right from your own dimension and you might wish to ponder why the Soviets have allowed you this rainfall! Yes, I suggest you ones get busy smelling the "hemp" burning!

I remove to stand-by. Thank you for your service and for your attention. Thank you RH for sharing and please, Wally, make sure he receives a copy of this. Perhaps you ones will send an extra copy so that Wally has it available. Welcome aboard, son--we need you, not as activist for we do not "activist" as is expected--we simply bring Truth which will ultimately allow Man to take his firm stand--"fighting" and "weapons" will only bring more police force--TRUTH BY THE WORD SHALL OFFER YOU MEANS OF GAINING FREEDOM. BLESSINGS UPON YOU ONES FOR GOD IS WITH YOU AT EVERY STEP--EVERY BREATH AND EV-

ERY THOUGHT--SO PLEASE, MAKE THOSE THINGS WORTHY OF HIS PRESENCE.

TODAY'S WATCH

Hatonn present and ready for a great deal of work this day--thank you for I must ask of you to do a lot of very tedious scribing.

THE PERSIAN GULF  
"WAR"

If you get hung-up on this massacre in the Middle East you are going to miss the other segments of preparation which continues World War III! I cannot, in Earth timing, get all the facets of information unto you and also give historic input which, if you have it not, simply brings denial, discarding of the Journals and ignorance is sustained. Things are NOT as they were given unto you from onset of historical tom-foolery. For instance, *and this will be especially important to you ones who have read CURSE OF CANAAN and a few other documents--you will find that "Samjaza" is referred to as Satan. And so it is. Just as JUDAS ISCARIOTH is a total misrepresentation of the betrayer of Immanuel (Jesus) who was actually one labeled JUDA IHARIOTH--so are names changed "very, very slightly" in order to deceive you. Samjaza (Satan) is NOT Semjasa the heavenly son and guardian angel of God, the great ruler of those who traveled from afar through the space of the universe and from whom springs the lineage of the entity you would recognize as Adam.*

We are dealing with such deadly information that mere unfoldment of same is overwhelming to you who have been taught and misled, lied to and misled, and flat mis-disinformaton fed until we hardly know where to start in setting the records to correct.

I know not how to get you to read that which is already beautifully done and is the most accurate history of the demonic descension unto Earth that has been compiled and documented to tiny

details, THE CURSE OF CANAAN, by Eustace Mullins. You will find a revelation beyond that which is credible to your "blown minds". Now, you can either get that book and read it--beautifully done--or you are going to sit and read it verbatim through my scribe--it contains the most important information on your planet. However, as with "Samjaza/Semjasa", I cannot just allow misinterpretations to remain unchallenged for you are going to end up seeing a wrong scenario from onset and conclusions will be ill-drawn. Biblical stories were written in such a way and then twisted to allow for misinterpretation to the extent that you will simply be discouraged and totally confused. Darkness will always deceive--it is their very creed and vow--and just as a good warrior, they have deceived until you accept the writings for face value--or less; you listen to a speaker and know not anything first hand. If I had the most wondrous gift of all, it would be that you would sit with these documents, the Bible, the Cabal, Talmud, etc., and the true historical research documents and compare them word for word--YOU HAVE BEEN LIED TO FROM THE BEGINNING BY THOSE WHO "ARE LIARS FROM THE BEGINNING!"

In most cases in the English translations the deceit is not going to be as easy to see as is Samjaza/Semjasa or Satan/Sananda. These are set from the start to deceive you into the wrong path. Then, following misrepresentation, the Orders of Darkness go into "SECRET" AND HIDDEN ACTIVITIES AND YOU ARE NOT ALLOWED TO KNOW TRUTH--but rather, finally accept that which you are told. Worse, millions come into the "Orders" and NEVER know that they are not of God. The trick is to get the Elite who would dominate--train them--and the rest of you simply do that which THEY tell you to do. For instance, if you join the Masonic Order you will end up with a password recognized by all Masons, TUBAL CAIN.

Cain celebrated the first "Black Mass", or Satanic Mass, on earth--therefore, you might now assume that Cain is a pretty nasty character. Now where do you find the use of "Cain" most utilized today? In the order of Freemasonry. No, I didn't say that all Masons are evil--why don't we look at history and Truth and stop the bigoted

defense of one's false knowledge? IT IS THAT WHICH YOU DO NOT KNOW THAT IS DESTROYING YOU AS A SPECIES OF GODLY BEINGS. ALL "SECRET" SOCIETIES ARE NOT OF GOD OF DIVINE TRUTH AND LIGHT. And we can show you as much if you simply read and research the literature available unto you--including those Holy Books you tout and flash at me in almost continual flag-waving--perceiving that which you say is of God Lighted, when, in fact, it is fabricated and pronounced upon you and unto you by Satan HIMSELF through his offspring on your planet. Few, including ME, SANANDA "JESUS", AND GOD ON HIGH, expect you to know this information--THAT is precisely why we are unfolding it for your enlightened consumption. Oh, a great number of you will not believe it at any rate--FOR YOU DO NOT WISH TO CHANGE ATTITUDES, ACTIONS NOR OPINIONS. THAT, however, changes NOT ONE IOTA of the facts.

I did not--nor do I care about--write nor sanction the rules of the Masons. I DO HOWEVER, KNOW ABOUT CAIN! And, the name of Cain survives today in Freemasonry in two forms, which are integral to the most crucial tenets of this association. First of all, murder, the threat of murder, and the constant re-enactment in one form or another, of murder--are basic to the most important Masonic rituals--simply look at them again, if you are a Mason, with a little imagination and truth. Thus a direct link to the first murderer, Cain, is established through the rituals. Now, you modern Masons will say about this proclamation that all this is total bunk and that the pledges, etc., that we recite don't REALLY MEAN this or that--oh YES THEY DO! You are just told they don't and further, MOST OF YOU would not participate if they did so. So, habits are formed and careful attention is paid as to WHO will know truth and who will be excluded from the true inner-sanctum. The Society worships Satan while you-the-member thinks you are worshiping goodness and light. I ask especially that you members think about a few things and "words" as I outlay just a brief description herein.

Speaking of murder (above)--which it, of course, is not actually called except in the Mafia/Cosa Nostra organizations

based on Freemasonry rituals--has a direct link to the first murderer, Cain, and is established by the rituals. The importance of the Cain legend to Freemasonry is also revealed by the fact that Cain slew his brother. IF YOU ARE ASKED TO ACT AGAINST YOUR OWN BROTHER IN BEHALF OF A FELLOW-MASON, YOU MUST DO SO, UNDER PAIN OF DEATH. Now, let us take that a bit further into the "humor" of the court system wherein almost all lawyers and judges are Masons! Guess what--you are going to get a much more impressive hearing if you flash a Masonic emblem or ring and wear your Fez to court. There are many instances where a man (non-Mason) who was pursuing a lawsuit against a Mason was astounded to have his own brother, who would be a Mason, come into court and commit perjury against him to help his brother Mason. This custom survives in other organizations to an even higher degree, i.e. La Cosa Nostra, wherein leaders often request a member to actually murder a close relative upon whom the death sentence has been passed, as the ultimate test of his loyalty.

The name of Cain also survives in a second important element of Freemasonry--THAT SECRET PASSWORD--"Tubal Cain". Tubal Cain, a descendant of Cain, was the son of Lamech, the father of Noah, who had two wives, Adah and Zillah. "Zillah bore Tubal Cain; he was the forger of all instruments of bronze and iron. The sister of Tubal Cain was Naamah" (Genesis 4:22) (Sorry about that!). Naamah's revelries with her blood relative, Ham, resulted in the actual "curse" of Canaan; she is recorded, also, as the person who brought human sacrifice and cannibalism (a word derived directly from "Cain" and "cabala", or kaballa (ouch!)) into the world. Tubal Cain, grandson of Methosalah by Lamech, was the line of Cain, hence his name. *He is known as the father of witchcraft and sorcery*, hence his importance to Freemasonry and their use of his name as their password.

AH HA! HATONN IS OFF THE TRACK OF KHAZARS AND JEWS!

Wait up--I have only just begun and so have you, Brothers seeking Truth and Light. For this wild bunch of the roost became the Khazars who decided

to call themselves "Jews" and the true "anti-Semite" is in fact the "Jew" himself!

Now, how could that be? Well, I am trying to whet your appetite for MORE information; for it is fascinating to see how the deceiving came to pass. You see, the "good guys" were the ones who descended from Shem, who were highly creative and productive--THEY WERE KNOWN AS SEMITES. On the opposing side were the "cursed Canaanites", who historically were the anti-Semites, the foes of the tall, fair-haired, and blue-eyed descendants of that one, Shem. But the Semites were also recognized as great warriors and they very deftly defeated the Canaanites in every conflict and military encounter--they usually waited until attacked, however, they very often just drove the Canaanites right out of the territory according to the "instructions of God" which they interpreted as meaning to destroy them utterly. But, those "anti-Semites" had great staying power; when driven out of one country, they appeared in another to continue their same type of corruption and betrayal--very flexible, deceitful and willing to corrupt everything and everyone.

While the nice Semites were busily establishing one great empire after another, Asshur's building the Assyrian Empire, Cyrus the Great building the Persian Empire, and Shem himself creating the great Egyptian civilization, the anti-Semites were developing their own talents. *These lovely talents included a great talent for trade and commerce, for travel, for making themselves at home in any country, and among any race of people--and ultimately taking over.* Generally, they established their trading colonies along the seacoasts, for they lacked the courage to venture into the great wildernesses of Europe, where the Semites always made themselves at home. They always took that which was established and absorbed and merged within it. *The Canaanites always remained true to the precepts of the Will of Canaan; they were (and still are) true to EACH OTHER, REGARDLESS OF THE CIRCUMSTANCES;* they are constant in their love of robbery even if they have to distort and corrupt the laws into their own favoring, their love of lewdness, and their hatred of the masters, that is, anyone who tried, or tries, to interfere with their corrupt way of life. *They*

*always refused to tell the truth and do, in fact, annually take a vow called Kol Nidre (All Vows) at the time of "Atonement" which says that "all vows taken are null and void according to this vow". In other words: annually the vow is reaffirmed that "all vows are invalid". THEY DID AND DO, REFUSE TO TELL THE TRUTH EVEN IF IT WOULD BETTER SERVE THEIR CAUSE AND YOU CAN SEE IT IN ACTION IN EVERY COURTROOM IN THE NATIONS.* (Go back and refer to the "PROTOCOLS".) By remaining loyal to these unchanged precepts, the anti-Semites had at their disposal vital weapons for their war against the people of Shem.

The "Shemites", on the other hand, being fiercely individualistic, never hesitated to pit their empires against each other, or even family against family, their overweening pride always taking precedence before any racial or historical imperative. Now, didn't you just have a whole bunch of dastardly personages? Ah yes, I believe you see that we all have a great many blunders to set to correct to come again into total perfection of Godliness--whichever path you trudged. These overzealous Shemites (Semites) went about "crusading" and remained invincible for hundreds of years. Meanwhile and simultaneously, the anti-Semites were busily *expanding trade routes, and amassing their profits from trade (and to this day, the British aristocracy professes total disdain for anyone who sullies his hands with trade, this being from the ancient prejudice against the Canaanites); with these profits, they eventually became BANKERS TO THE WORLD! (IMPORTANT!!).*

While these Semite (later "Christian") crusaders went about crusading and opening up trade routes throughout the known world, they also opened up new avenues for graft and corruption. The Canaanites cleaned up during the Crusades and they amassed ever greater profits from each adventure.

When the "Christian Knights" departed for the Crusades, dedicating themselves to the service of Christ (God forbid)--dead or alive--the Canaanites, *who stayed prudently at home awaiting opportunity to knock--recognized it when it did and perfected various schemes to rob the knights of their money and property while they were away "protecting freedom for all and*

*goodness and light whether anyone wanted it or not".*

## TEUTONIC KNIGHTS

Strange things always happen in the middle of Crusades and wars and hence it held true back then, also. Some of those Crusaders found shelter and protections at the hands of the Teutonic Knights, who were engaged in looking up the *frauds perpetrated by the rapacious MONKS and CLERGY, who had forged title deeds and mortgages upon lands and property of absent Crusaders or those who had fallen in defense of the Cross in the Holy Land (oh, pain and agony).* Time for reflection and study of the causes of the Crusades at home and abroad, when it is the scum of Europe settled upon its dregs and the best people had been almost entirely obliterated from the face of the continent--and now it is under way again! The rapacity of the popes and clergy down to the lowest monks was appalling to those self-sacrificing, stalwart warriors of the Cross, who had returned and found utter strangers in the places and homes of their kindred, and upon investigation it was discovered that frauds, forgeries of title deeds, and confiscations under pretexts of heresy had despoiled their kindred, and the meagre few who had survived were beggars upon the highways and lanes, perishing as tramps by the wayside.

The Knights of the Teutonic Order built the city of Riga in Latvia in 1201; they conquered Estonia in 1220. They conquered Prussia in 1293, establishing a military tradition there which ended only after World War II. Although they were disbanded in 1809, the Teutonic Knights remained the *inspiration of the GERMAN MILITARY ESTABLISHMENT* which guided Germany through two World Wars. It was Hitler himself who wrote "finis" to their proud traditions, when he concluded the Molotov-Ribbentrop Pact in 1939. Ah, hold up, the plot thickens up herein - - -

Not only did that pact cede the nations of Estonia, Latvia, and Lithuania, the ancient strongholds of the Teutonic Order, to the COMMUNISTS or Canaanites, but subsequently, all of the great estates of the last heirs of the Prussian tradition, the last survivors of the Teutonic Order, fell into the hands of the onrushing Soviet hordes.

Confused? It all becomes simplistic--the "Semites" are REALLY the "anti-Semites" or Canaanites, the heirs of the Curse of Canaan, whose corrupt acts are dictated by the Will of Canaan; the true Semites are the fair-haired warriors who built one great civilization after another. Then how do you recognize these various forces in today's world? **"BY THEIR DEEDS YE SHALL KNOW THEM".**

*Those who are engaged in murderous conspiracies, those whose only loyalty is to secret international organizations, those who promote the use of drugs, bizarre sexual practices, loose morals, and criminal undertakings, in short, those who continue the rebellion against God, these are the Canaanites, the anti-Semites.* So, in a great surprise of a thought-controlled turn-around the very ones who remain true to the Christ path are the "Semites". Despite great and horrendous calamities and the sweep of powerful historical forces, the genetic pools of the original people of Shem, as well as those of Cain, the Canaanites, remain fairly consistent.

How do you recognize the one group from the other? You should have no problem in looking about and deciding who are the true descendants of Shem. They are often represented (but of course, as race/color enters the picture the outline is a bit clouded)--but, for brevity, you will often find fair-haired, fair-skinned, predominantly blue-eyed, (simply from genetic lineage so don't get crazy) healthy, productive, proud, disdaining to engage in any dishonest activity, and always fiercely individualistic--these are the people who remain true to the tradition of the people of Shem.

The Canaanites, on the other hand, are generally shorter, darker, more furtive, and almost always are engaged in some type of criminal, underhanded or semi-criminal activity, usually with special government approval or license.

The writer Roget equates "license" with "anarchy, interregnum, mob rule, mob law, lynch law, nihilism, reign of violence", in other words, the acts of the Canaanites; yet in your United States today, you have imposed (accepted) on the citizens requirements for "license" to do many of the things

free men would not be licensed to do; to drive or own a car, to engage in a profession, and many other intrusions into the individuality of the people of Shem. "License", which *does NOT appear in the Constitution written by and for the people of Shem, means setting up requirements that only the Canaanites can meet, or license which only the secret clubs of the Canaanites will grant to their own; no others need apply.*

This is the cohesiveness required by the Will of Canaan in everything they do, socialistic and communistic, the individual submerged in the mass, and committed to conspiratorial social and business practices. They are also frequently involved, or advocating freedom of, all sorts of extra-curricular sexual activities which can be traced directly back to the orgies of old Baal, human sacrifice, and obscene sexual rites. **AT THE SAME TIME, THESE "ANTI-SEMITES" WILL GO TO GREAT LENGTHS TO CONCEAL THEIR TRUE IDENTITY AND THEIR REAL LOYALTIES.**

Now hold your breath--*they are very often to be found in communities as the leaders and in activities advertised to the populace as "compassionate" and "caring"; they are often to be found in government offices, in the media, and in the educational institutions. In these areas, they ruthlessly promote the interests of their own kind, while presenting a solid wall of opposition to any one of the individualistic descendants of Shem who enter these professions.*

#### THE ONE GREAT ASSET

The great asset of the Canaanites (Khazars, Self-styled so-called Jews, Zionists) is that the people of Shem (others) have no idea what is going on; they rarely find success in a profession despite their great natural talents and appetite for hard work. Throughout their careers, they are oppressed and "luck" seems to pass them by more readily--worse, the harder these ones strive to bring goodness and Truth--the worse they fare.

#### FACE THE FACTS, LITTLE SHEMITES

**TIME GROWETH SHORT INDEED! History will not allow the people of Shem additional centuries, or even many more decades, to come into**

*their (your) senses and realize just what is and has been going on. Just as they have been victims of massacre and genocide for centuries, the people of Shem now face the determination of the Zionist Canaanites to exterminate them utterly and finally, a goal which they hope to achieve BY THE YEAR 2,000--THE END OF THIS MILLENNIUM AND THE PLAN IS IN PLACE AND UNWINDING "RIGHT ON SCHEDULE".*  
Oops--Hatonn said it again!

#### LETS US TALK ABOUT THE KREMLIN

Lighten up? Let us then turn to speaking of the Kremlin and those old Khazars. Boring, boring. You simply cannot understand current events without knowing about the past seven-plus decades of struggle for control of the Kremlin. But that struggle in turn is part of an even bigger historical picture. What you are witnessing today is the climax of a war of more than a thousand years between the two most bitter enemies on earth. It is the war between RUSSIA and "those old KHAZARS".

Little refresher: The kingdom of the Khazars vanished from the map of the world many centuries ago. Where did it go?

The Khazars were the Canaanites--and the Canaanites re-labeled themselves Phoenicians and later, Venetians and sort of intentionally "lost themselves" as they pronounced themselves followers of Judaism and later--IN THE 18TH CENTURY--someone called them "Jews". The Canaanite political parties were the Pharisees, Sadducees, Zealots, Sessions, Assassins, Herodians, and Scribes. A later group, the Edomites, descended from Esau and later intermarried with the Turks, producing a Turco-Edomite mixture **WHICH LATER BECAME KNOWN AS THE CHAZARS (KHAZARS), THE PRESENT OCCUPANTS OF ISRAEL** (FORMERLY PALESTINE).  
Ah so - - - ?

The Canaanites were divided into the Amorites, Hittites, Moabites, Midianites, Philistines, Ammonites, Edomites, Zidonians, Sepharvaims, Perizzites, and affiliated tribes, *all of which are routinely denounced in that Good-book you call the Bible--right from "Genesis" on through.* Isn't this fun?

Today, except from a few of us "mouths", most people have never even heard of the Khazars, yet, in its day, the Khazar kingdom was a MAJOR power indeed, holding sway over a large empire of subjugated peoples. It had to be reckoned with by the two neighboring superpowers of that day. To the south and west of Khazaria the Byzantine Empire was in full flower with its Eastern Orthodox Christian civilization. To the southeast, the Khazar kingdom bordered on the expanding Moslem Empire of the Arab Caliphs. The Khazars influenced the histories of both of these other empires but, far more importantly, the Khazar kingdom occupied what was later to become a southern portion of Russia between the Black and Caspian Seas. As a result, the historical destinies of the Russian and the Khazars became intertwined in ways which have persisted down to the present day.

History records that the Khazars were derived from a mixture of Mongols, Turks, and Nordics (Finns). As early as the 3rd Century, the Khazars were among the devastating hordes of Attila, the Hun. Around 550 A.D., the nomadic Khazars began settling themselves in the area around the northern Caucasus between the Black and Caspian Seas. The Khazar capital of Itil was established at the mouth of the Volga River where it emptied into the Caspian, in order to control the river traffic. The Khazars then exacted a toll of 10% on any and all cargo which passed Itil on the River. Those who refused were simply wiped out.

With their kingdom firmly established in the Caucasus, the Khazars gradually began to create an empire of subjugated peoples. More and more Slavonic tribes, who were peaceful compared to the Khazars, were attacked and conquered. They became parts of the Khazar Empire, required to pay tribute continually to the Khazar kingdom. Tribute by conquered peoples has always been a feature of empires, of course, but not in the fashion of Khazars. The so-called "great empires" of the world always gave something in return for the tribute they exacted. Rome, for example, made citizens of those they conquered; and in return for the taxes they levied, they brought civilization, order and protection against attack from would-be invaders. But not so in the Khazar Empire. The peoples who were subject to the Khazars received only one thing in

return for their payments of tribute, and that was a very shaky promise: the Khazars would refrain from further attacks and pillage so long as the tributes were paid. I think you might note that ones just recently "agreed to hold off retaliation in exchange for a whole bunch of money from you nice people who pay taxes". Now they have taken the "Vow" to be the ones to take-out Saddam for the world--through terroristic murder and they pronounce it right through the very lips of your Congressman, Solarz--you ones had better get those heads cleared and eyes opened.

The subjects of the Khazar Empire, therefore, were nothing more than the victims of the giant protection racket. The Khazar overlords were therefore resented universally and bitterly throughout their domain, but they were also feared because of the merciless way in which they dealt with anyone who stood up to them. And so the Khazar Empire expanded until it occupied large areas of what is now Russia and southeastern Europe. By the 8th Century, the Khazar Empire extended northward to Kiev and westward to include the Magyars, the ancestors of modern Hungary.

Let us have a break, for this is indeed tedious writing and I ask that all study it very intently for there are so many threads to unweave.

Now, I have been swamped by inquiries as to what happened to the weapons, etc., of Saddam Hussein. And, "...what would Saddam perceive he did wrong?" In reverse order--he would, today, have instantly loosed the heavy-duty weapons and created massive destruction head-on and up-front. The horrendous weapons are being contained in security and some are and have been--and will be--moved to the super-power protection of the Soviets. YOU HAVE HARDLY EVEN BEGUN THIS MOTHER OF ALL WARS. THERE ARE MANY WAYS TO GO TO WAR AND THE ZIONISTS PLAN TO RULE YOUR WORLD SO YOU CAN KNOW THAT YOU ARE HARDLY BEGUN.
