JUNE 1991 VOLUME XIII NUMBER 13

6/11/91 HATONN
TUESDAY

Hatonn present. Please allow us to come into sharing that understanding flows as well as "words".

I am asked, these days of Sananda's writings, how is it that I presume to make introduction? Why indeed. Dharma would enjoy being the one to tell you but part of the reason is for her own protection.

As the Truth comes forth after over 2000 plus years of gigantic LIE, it is both dangerous and extremely impactful to the receivers of that Truth. Do not believe that simply because you become a scribe, that the shock and pain are somehow vanquished. We do fine for the period of writing but as she witnesses, then, the product, it is sobering indeed. This is the most important gathering of information in your universe and cuts through the very fiber of all you have expected and trusted throughout your life experiences. It is hard to realize you are people of the lie from the beginning--and worse, to know that the adversary will not like this information very much. I remind you: TRUTH WILL STAND INTO INFINITY AND WE BRING TRUTH SO WE WELCOME ANY MAN TO CONTRADICT THAT WHICH HE WILL BUT HE HAD BETTER COME WITH SOME INCREDIBLE "REASONING". WE ARE

NOW DEALING WITH YOUR INFINITE SOUL ENERGY AND THE SHOE IS ON THE OTHER FOOT--MAN IS NOW EXPECTED TO "PROVE" THAT WHICH HE PROJECTS AND SINCE THE PHYSICAL IS A PASSING ILLUSION--HE CAN NOT DO SO!

Suzy, thank you for the crystal pendant for it does, indeed, radiate the love expressed in the sharing. I say sharing, for a creation of God can only be shared and the gifting of such can only be the sharing of "expression". I would tell you a bit about this particular crystal in its growth patterns. Just as a crystal "chip" bears a programmed frequency so, also, does a crystal. As some crystals grow, they will push out what appear to be fractures but this is NOT so. They are the root system from which a crystals grows into its flower-like "clump". It houses the very source of the DNA/RNA of the "thing" which it shall become. Since man cannot seem to leave them in their intended location for he desires to hold both the beauty and the life-form, the root itself is usually quite ugly in appearance--but those wondrous "children" of the parent are divine indeed. The one you sent is old, old and bears its own inner child and has become as "hard" as diamond for any "practical" purpose. Some of these little beauties are missed for they will often bear a lot of the root and will have ugly malformations which man does not

like in his trinkets.

We have left your message intact for its intended projection and then we reprogrammed the "starburst" within. It now bears the assorted frequencies of the various Masters and in the sunlight will actually "sing" as the light is reflected and refracted from within the central root core.

The major problem with Man taking and rearranging crystals is that they are expected to do something which they cannot do and they are ALWAYS located where they serve a great purpose in the overall order of the planet. From these little jewels come the very refracting frequencies that do such things as break down stone into earth for the reclaiming of life sustenance. This elder crystal comes from a place wherein most of the task of the mineral projection is finished for the nurturing of surface life forms. The removal from the "new" western world locations is more tragic, however, for they are for the purpose of breaking down dying minerals such as uranium, etc. Man does not realize that which he does when he takes up those dying minerals and stockpiles them for their purpose is to break down, through radiation and refraction bursts, the very world which is originally presented in solid, compact rock-type formations. You can see the mechanism more readily within the lava flows which are eventually broken down

and become fertile soil. So be it for the mineral lesson of this day.

I want to again thank you, Suzy, for the sharing for I have much more to say regarding this and it is not yet time. Misused, these gemstones can literally break down the health of ones believing them to be giving nourishment--Man seems to always need to tinker with that which he understands not.

CRYSTAL VIRUS

I must have you understand that a virus is also just a crystalline product. This is WHY it can be considered that bombardment with certain frequencies will break it (explode it)--just like a crystal chalice. The DNA/RNA structure of every cell is constructed from this crystalline substance which is programmed and bears the holographic structure of whatever will become from that seed. When Man began to tinker with these things of the very program substance of the universe--he walked in well over his head--for evil will always take that which could be wondrous and turns it to the physical--HOPING ALWAYS TO FIND IMMORTALITY WHICH ELUDES HIS EFFORTS FOR THAT HAS THUS FAR ONLY BEEN ENABLED BY THE GOD CREATOR AS ORCHESTRATED BY NATURE (NATURAL CREATION).

The physical aspect of man always reaches the point at which your civilizations have reached and efforts at immortality and the object, of course, is to create life immortal and get rid of all the unwanted competition. It never works out well for his greed and fleshly desires drive him through his ego into the destructive paths so that all he actually accomplishes is some sort of "duplication imitation". But these are effective indeed for destruction of species.

I wish to thank T.D. for sharing

with us. It is always difficult for Dharma for me to give information of which she has no resource and information is always well received on various subjects which you ones will bother to go and research. Along the lines of life duplication and viral DNA possibilities, I suggest you who have time and inclination, get the book THE BIOLOGICAL TIME BOMB by Gordon Rattray Taylor from the World Publishing Co., New York and Cleveland. T.D. has sent me excerpts from that book and it will curl all you straight-haired entities. Your researchers have had nearly a century to work on these things--having found the base structure of a virus and how they "work" sometime in the "twenties", as recorded. (In your own publications.)

Now, keeping in mind what I have said about viruses being crystal formations let me just read you a bit of interesting "stuff":

One quotation from page 166:

But seven years later a genuine transformation, claimed as the first ever to be achieved except in bacteria was announced by A. S. Fox and S. B. Yoon of Wisconsin University. They treated a strain of fruit flies--the geneticist's stock laboratory animal--with DNA extracted from flies of a different strain. The offspring of some of these flies varied genetically from their parents, and the variation bred true for up to seven generations, after which it vanished again. This announcement drew a reply from Professor Serge Gershenson, head of the Virology section of the Zabolotny Institute of Microbiology and Virology of the Academy of Sciences in the Ukraine. He, it appeared, had treated Drosophila with DNA derived from the thymus glands of calves thirty years ago, and had published his results in 1939. (At that time all DNA was believed to be identical, and he used calf DNA

merely because there was a convenient technique available for obtaining it.) He found that the treatment produced stable mutations, but, unlike those produced by X-rays and so forth....and more:

Moreover, we now know that viruses do their work by entering cells and substituting their own nucleic acid for the cell's nucleic acid, thus forcing the cell machinery to make viruses and not what the cell usually makes. And in the fifties it became clear that viruses can even pick up bits of nucleic acid from the cell they enter, adopt it into their own system and later deposit this 'rogue DNA' in another host cell--a phenomenon known as transduction.

Do you still want to deny and argue with me that duplication and mutation is not possible? Stop blaming little gray space aliens for the trouble you have--YOU HAVE DONE IT YOURSELVES QUITE ADEQUATELY WITHOUT ANY SPECIAL HELP.

To other inquiries, I would like to say that it has been quite easy to get Hatonn's cellular sample for we have been in and out of there for many, many years.

As to the Rajiv Gandhi assassination, it will become very clear as to why he was murdered. I believe, in fact, that I have already covered it well enough to get the picture.

Now as to the Pleiadean Command pulling out all their installations on Earth as you inquired. I believe that is not in any manner that which should be discussed here or anywhere. Suffice it to say that Pleiades Command NEEDS NO BASES ON YOUR EARTH--WE WORK VERY WELL FROM OUR OWN OFF-SURFACE FACILITIES AND WOULD NEVER HAVE MORE THAN CONTACT POINTS AT ANY RATE--AT

ANY TIME. Now, T.D., this comes from someone other than yourself--for YOU know better than that! You also know better than to test me regarding Vegans, Lyra, etc. If they were considering active intervention to protect you from your demise with the AB's, I would not respond--BUT, remember something--INTERVENTION IS A NO-NO! TO GO AGAINST COSMIC LAW AND INTERFERE WITH PLANETARY ACTIONS EXCEPT IN SPECIFIC PERMITTED AREAS OF EXPECTED DAMAGE TO THE OUTER ORDER WOULD NOT BE A WISE MANEUVER ON THE PART OF ANY OUTSIDE COMMAND--AND BRING DOWN A GREAT BUNDLE OF TROUBLE FROM FLEET COMMAND OF WHICH I HEAD.

I will speak of Alaska regarding the inquiry regarding what might be happening there. I ask Dharma to simply leave the following without label and reprint the letter from the entity in Alaska who has personally become entangled in some very interesting maneuvers regarding the Russians.

Hatonn has written some time ago "Can Russia Invade the U. S.?" and elsewhere that the Russian "business men" etc., are swarming all over America.

I would say that Russia has already invaded and is continuing to do so. These so-called business men are coming over to Alaska via Nome to Anchorage and wherever on a regular basis. They do not stay in hotels and such, but they stay in private individuals' homes through do-gooders organizations such as the Rotary Club, Unity Church, etc. And the people welcome them with open arms! I have some acquaintances who are members of these organizations that have and are hosting these people. They stay maybe a few days or so while "someone" comes to pick them up during their stay and they

are shown around wherever and whatever they want to investigate--anything.

BUT the capper is this: A group of Russian boys, complete with their smart military-styled uniforms showed up at the recent State Boy Scouts Jamboree unannounced and PARTICIPATED. The Scout organization had no advance warning that they were coming!!!

I am not a letter writer and seldom ever write letters to the editor but I thought I would pass this little tid-bit to you.

So--to whom it may concern. It is as if mass insanity has been loosed upon you--and so it has. I would write one more short instruction--from Dante unto his followers: *"...and then he said: 'Now it is time to quit this edge of shade: follow close after me along the rill, and do not stray from it; for the unburning margins form a lane, and by them we may cross the burning plain.'*"

Dante, in pity, restores the torn leaves to the soul of this countryman and the Poets move on to the next round, a great Plain of burning sand upon which there descends an eternal slow rain of fire. Here, scorched by fire from above and below, are three classes of sinners suffering differing degrees of exposure to the fire. The blasphemers (The violent against God) are stretched supine upon the sand, the Sodomites (The violent against Nature) run in endless circles, and the Usurers (The violent against Art, which is the Grandchild of God) huddle on the sands.

The Poets find Capaneus stretched out on the sands, the chief sinner of that place. He is still blaspheming God. They continue along the edge of the Wood of the Suicides and come to a blood-red rill which flows boiling from the Wood and crosses the burning plain. Virgil explains the miracu-

lous power of its waters and discourses on the origin of all the rivers of Hell.

So what? The symbolism of the burning plain is centered in sterility and wrath. Blasphemy, sodomy, and usury are all unnatural and sterile actions: thus the unbearing desert is the eternity of these sinners; and thus the rain, which naturally should be fertile and cool, descends as fire. And what of this Capaneus? He is subjected not only to the wrath of nature (the sands below) and the wrath from above (the fire from above), but is also tortured most by his own inner violence, which is the root of blasphemy.

And that, chelas, is where you are AT. You are between the rock and the hard place and you refuse to see and hear that which has brought you to this brink of pain and decision. It is seemingly easier to continue in the agony and chaos than to turn into Truth which would shower the cool life-spring of waters upon the barren lands. It is always the INNER refusal to understand and turn into KNOWING which is destructive unto the very soul of Man. So be it. For herein I shall turn this forum unto the Christed hands. You, precious creations, are at the crossroads and the path through is very narrow indeed and closing quickly. I ask that you "fear not" but turn from your ignorance into Truth that we might get on with that which is at hand.

Oh yes, early on we asked, why has Hatonn the audacity to MC the information and speakers? Because I AM ATON come with MY SON TO RECLAIM MY KINGDOM AND YOU, MY BLESSED CHILDREN, IT WILL BE MOST SUITABLE IF YOU WISH TO CONSIDER ME "THE HORSE'S MOUTH" rather than the other end of the horse where most still desire to place me. Salu.

In the valley of the shadows is the best of places and the worst of places to recognize LIGHT. Often that which seems worst is that which gives the most. I am Hatonn and I have asked interruption of the Journal for a finishing of an Express for I wish to commune with you readers. I have a bit of trouble herein with my scribe for I have had her working since morning rise in meetings and until evening of yesterday in debilitating, even if most interesting, meetings. A bit of it I will share for it is hard to be beat about the heart and soul and be willing to come back for another "treatment". What is not always obvious is evident in yesterday's circumstance.

PUBLIC COMMUNICATION

This event of which I will speak has many purposes of which I will share a few. It is important that the public understand that which is thrust upon ones who effort to share serious information. First, I want all to know that I rejoice in the opportunity to have such fine example for my needs that this story is based on fresh memory and not on another's story of this or that.

We were in a meeting with our workers and guests yesterday afternoon at which time George was scheduled to have an interview with a "person" on the radio in Palm Beach, Florida. This person is noted for his being "difficult" and abusive and George rather dreaded the encounter. So, I said that I would be most happy to interview this person myself. As any of you might guess, one of the first slams was to effort to elicit my scribe's name and address so he could taunt her by name and kept up the barrage for some 20 minutes at any rate.

Secondly, he challenged me to

"Zap" him so that he would have proof I was who I said I was. Well, number one, what would make anyone think anyone else could zap another from California to Florida--although I did it quite nicely--you see, you allow the devouring to devour self.

Then there were inquiries about important matters like, "Just how does a Pleiadian have sex?" Then, "Just how many digits and extremities do you have?" and "Give us a rundown on the universe." (in 3 minutes) and, "---give us the cure for cancer and THEN we will believe you!" Then the calls began from "listeners". The program picked up greatly at one point--a beautiful young man of nine years of age named Michael called and we had a beautiful moment or two until the "idiot" broke in and said "enough, what do you think of this 'lady' (after having explained translator/frequency and inviting the host to 'tune in'). Then came the car phoner with important inquiries about the status of your problems who wanted to know about hotdogs, weiners and other symbolic "things", and then there was one calling in from his patio--from Sirius but actually from "Uranus", "Upuranus", etc. I suggested that I knew, then, where his head was located--at which there was appreciative communication. This went on with suggestions that Dharma was Desiree' and married to George and we finally got over that one to bumble into worse sarcasm at which point it was suggested "that lady should be locked away", etc., etc., etc.

I admit that I was a bit less than adoring to the person who called himself, and insisted that I call him, General--Inquirer General--of the World Headquarters or something equally as stupid and silly. Then, when I demanded that he shut his mouth and then I would speak--after I got perhaps three serious sentences forth--he disconnected the network.

Now what do we have here? Wondrous things! If you play into these brainless morons--you deserve that which you get; however, to expose your children to this behavior and crudeness and disrespect of ANY other being is that which your society shall become as surely as day follows night--and this was "Prime after-school listening".

No one who had a serious question was allowed on the line and the ones who DID come on are the very type who find it totally entertaining to beat and mug little eighty year old ladies. Actually, they simply had a lark going and I can appreciate as much but to the universe, my friends, this appears as ludicrous as that which they did to the one you called Christ in Jerusalem before they crucified him. As a matter of fact, these ones knew not to whom they spoke--**MARK MY WORDS FOR ONE DAY THEY SHALL, AND IT WILL BE MOST AMUSING ON THE OTHER SIDE OF THE FACE.**

Why would I tolerate such a thing? To allow George to know that if ever he is received in such ludicrous manner--he is to terminate the conversation and make sure the "public" is informed WHY he is closing the interview. Secondly, Dharma has to realize that I WILL be participating for you--the-people have a right to interrogate me and my brothers. You would think nothing of a phone call and if you understood not the language you would have an interpreter--no more and no less. Thirdly, I needed to experience how bad it can be (which is, at best, smart-ass foolishness and immaturity from one who sets himself up as a voice of informative information) and fourthly, I gave in--I zapped him. How? I made sure I was heard by the listeners who tuned in expecting to hear me! They swamped the station following the non-interview and now, I understand that I shall

be asked to participate next week--again, for a public apology for the entire incident. There are MANY WAYS TO ZAP.

Man is actually sick of this kind of nonsense and drivel. Man wants respect for his own intelligence--you see, the inference is that you--the people are stupid and will accept and add to--anything without depth, without compassion, without desire for more than sick humor at another's expense. NO, NO, NO--YOU--THE--PEOPLE ARE NOT STUPID, YOU HAVE BEEN LIED TO BY IDIOTS EXACTLY LIKE THAT NAME--ONOFF--THAT IS PLEIADIAN FOR A WORD I HOPE FEW OF YOU CAN DEFINE!

Do I blame such a person for a bit of fun? Of course not--God created "humor" and I most certainly expect some--in fact, I often create quite a bit on my own. That has nothing to do with the point. I just want you to know that I appreciate that a lot of you can see and "feel" beyond the moment. I appreciate the man for he created a great opportunity for some serious sharing and if I knew which day I would be asked to share again, I would share it. If you are in Florida--he claims to be the most important and biggest wealth of information in the state--actually the world--hence "World Headquarters" although he would not give me information as to just WHAT is or was the World Headquarters nor of WHAT. I had some suggestions which he failed to appreciate. I believe his name was Jack Cole. I do not give the name tongue in cheek, for you must learn to recognize the beauty and gift from EVERY situation--regardless of the appearance of the moment.

I did not mean to belabor this incident for it has not even the brush of interest to me--but frankly, my scribe needed an explanation from ME for in the ending it is my PEOPLE who bear the "cross". I

must remind you all--the house of cards is about to crash. Neither is it acceptable to have a city or state filled with people to have to be branded with the same iron as that of three or four persons out to have fun at your expense. Believe me, precious ones, if we didn't know better than that, we would not be here! So be it.

Now let us turn to worthy work and information.

Since so much great wealth and hoopla is being foisted off on you and your "victorious" troops returning home--or something--I know that the parades and show is for a far different purpose than touted--but that aside, what have your national leaders and military hierarchy to say about the abandoned POW's SINCE YOUR FIRST WORLD WAR?

I can only warn you that what is going on behind the facade of all this patriotism is the most heinous entrapment of a nation ever perpetrated upon a planet.

While you give another billion and a half dollars in grain to the Soviet Union and billions of dollars in money--you had better look at that which "they" are REALLY doing--and moreover, you had better PAY CLOSE ATTENTION TO THE RUSSIAN ELECTION AND YELTSIN. You are facing the most crucial time in your global history--and what of the Chinese? You had best remove the rose glasses, fireworks, yellow ribbons and flags from your eyes and see what else is going on!

Let us speak of those POW's.

ABANDONED POW's

Since at least World War I (which was started and financed, orchestrated and utilized by the same cartel Elite), the U.S. government has abandoned prisoners of war and soldiers missing in action in

pursuit of other foreign policy objectives.

According to a report released by the minority staff of the Senate Foreign Relations Committee, the U.S. government's claim that the POW/MIA issue is given "the highest national priority" contains **very little truth**. "Instead", the report states, "other considerations emerge: grand visions of a foreign policy of peace and reconciliation; desire for a new economic order of trade and investment; ideological imperatives to downplay the hostility of antagonistic systems; and the natural tendency of the bureaucracy to eliminate its workload by filing cases marked "CLOSED".

The report, commissioned at the behest of Sen. Jesse Helms, examined hundreds of documents, many of which were recently declassified and found a pattern of the government denying the existence of POW's and MIA's and attempting to disprove all live sightings. (Now, please, I do ask that you refer back to the past few Expresses regarding this matter.)

Most recently, servicemen missing in Southeast Asian countries have been the victims of the government's policy to classify all MIA's as killed in action. Under the U.S. Code, a government agency may claim a missing person dead "after the person has been missing for 12 months under circumstances indicating he/she may have died", according to the report.

During the Carter administration, a Department of Defense (DOD) commission concluded that, "In the absence of evidence to the contrary, April 1, 1973 is the last date when members of the U.S. armed forces were held prisoners of war by a hostile force in Southeast Asia."

All other MIA's are presumed to be dead.

METHODOLOGY

In an attempt to strengthen their conclusion, the DOD uses a methodology for identification of remains returned to the U.S. that is less than stringent. According to the report: "If measured against courtroom body identification and death evidence criteria these cases would not be acceptable in court proceedings, except to infer or to provide circumstantial evidence, that something happened to human beings at that given location.

"Furthermore, a scientific evaluation of remains identification methodology used by DOD can be most politely described as not being based on any known and accepted forensic procedures."

In a recent example of the lax identification procedures, on October 5, 1990 "remains" of four servicemen presumed to have died in a helicopter crash in Laos were buried at Arlington National Cemetery. The DOD later admitted *that two of the caskets containing "remains" were, in fact, empty. The remains used to identify all four servicemen consisted of two teeth and a handful of bone fragments.*

There is evidence that one of the four servicemen "buried at Arlington" actually survived the crash. A report by a Laotian eyewitness claims that one of the Americans was taken to a prison camp run by the communist Pathet Lao where he eventually died. The Laotian witness correctly identified a photograph of the serviceman, a Capt. Nelson. Despite this evidence, the DOD determined the Laotian was not credible, and maintained that Nelson is buried at Arlington.

NO FOLLOW THROUGH

This type of analysis of evidence relating to MIA's has become commonplace at the DOD. From the

Vietnam War alone, the U.S. government has at least 1,400 first-person live sighting reports. Yet the U.S. government "has not judged a single one of these thousands of reports to be credible". In its research, the minority staff "found a predisposition by DOD evaluators to ignore corroborative evidence, and little interest to follow up what normal researchers would consider as good leads.

The report concludes that "DOD evaluators are more intent upon upholding the validity of the 1973 'no-evidence' (that there were more POW's still alive in all of Indochina) statement," as though "no-evidence" were a policy rather than a description of fact.

But according to a former staffer at the National Security Agency, the North Vietnamese returned less than 15 percent of the American servicemen they held as prisoners of war. In a sworn affidavit the official claims that more than 4,000 Americans remained in Vietnam after Operation Homecoming which was to result in the release of all American POW's at the cessation of hostilities in 1973.

The policy to ignore POW's for the "greater good" of achieving other foreign policy goals is not restricted to the Vietnam era. A CIA intelligence report confirmed that hundreds of Negro soldiers were held by the North Koreans and Soviets during the Korean War. A State Department request to the Soviet Union to acknowledge the existence of these prisoners was met by the indignant claim that the U.S. allegation "is devoid of any foundation whatsoever and is clearly farfetched, since there are not and have not been any U.S. citizens in the Soviet Union."

The State Department accepted the Soviets' denial in the interest of preventing the escalation of conflict in Korea.

AMERICANS HELD BY KOREANS

According to another memorandum by the Assistant Secretary of the Army in January, 1954, over 1,000 Americans being held prisoner by the North Koreans should be classified as killed in action. His justification for this was "that to continue to carry these personnel in a missing status is costing \$1 million annually."

The lives of American servicemen were sacrificed for budgetary concerns.

As World War II drew to a close, the Allies drew up a repatriation agreement at Yalta allowing for displaced nationals and prisoners of war to be returned to their native country. After the Allied victory, it was reported that 76,000 Americans remained in the Soviet sphere of control. But after six days of meeting to achieve their repatriation, Gen. R.W. Barker, chief negotiator for the United States, concluded that:

"There is every indication that the Russians (Soviets) intend to make a big show of rapid repatriation of our men, although I am of the opinion that we may find a reluctance to return them all, for an appreciable time to come, since those men constitute a valuable bargaining point"; and "American prisoners of war were, in effect, being held hostage by the Russians until deemed expedient by them (the Soviets) to permit their release."

Instead of allowing this information and that derived from prisoners who had escaped the Soviets to be publicly disseminated, it was official government policy to "censor all stories" and "delete criticism of Russian treatment" in an effort to strengthen the public perception that the Soviet Union was a firm ally of the U.S.

NOW PAY ATTENTION!

Do you actually believe the bombing strike by Iraq into the barracks of your men in Saudi Arabia (AFTER the war, literally) was an accident??? You had better open your eyes and ears--what do they tell you? They say that you had incredible accuracy with your "machinery" and "Patriots" and Israel couldn't say enough about the systems---AND THEN YOU HAVE A DIRECT HIT ON A BARRACKS. YOU HAD BETTER CHECK IT OUT--BECAUSE I AM HERE TO TELL YOU THAT IT WAS NO ACCIDENT--THOSE MILITARY PERSONNEL IN THAT BUILDING WERE NOT GOING TO BE ALLOWED TO COME HOME BECAUSE THEY KNEW TOO MUCH AND WOULD TELL! THE REASON THEY WERE IN THOSE PARTICULAR BARRACKS IN THE FIRST PLACE WAS TO BASICALLY INCARCERATE THEM.

Dear ones, you are dealing with ones of NO CONSCIENCE AND NEW WORLD ORDER AT ANY AND ALL COSTS.

NOW FOR YOUR SHUTTLE FLIGHT

You don't have a crew running around in weightless space, either--and how do I know? Look at the scene with all the cute little jellyfish and tumbling crew members in this "weightlessness". Where is your mind?

Do you spend billions of dollars to send a crew and jellyfish into space orbit to study the effects of "weightlessness"? Come, come--that is done right on earth in any vacuum chamber--and WAS! Number two observation: all you have to do to not have the problem of weightlessness is give more atmospheric compression and electromagnetic stabilization--an extremely inexpensive and easily accomplished event in which you no

longer have to deal with the inconvenience nor stupidity of weightlessness!!! Do you actually believe that all we space personnel have to fly around the craft bashing into everything? So what are they really doing? Well, I certainly hope you find out before your entire world is blown away, for you are close indeed!

In closing, I am going to ask for a reprinting and YOUR RE-READING of the:

COMMUNIST RULES FOR REVOLUTION

This document is affirmed that it was and still is a part of the communist program. It was first published in 1919.

In May of 1919, at Dusseldorf, Germany, the Allied Forces obtained a copy of some of the "Communist Rules for Revolution". They are still being followed:

A. Corrupt the young; get them away from religion. Get them interested in sex. Make them superficial; destroy their ruggedness.

B. Get control of all means of publicity, thereby:

1. Get people's minds off their government by focusing their attention on athletics, sexy books and plays and other trivialities.

2. Divide the people into hostile groups by constantly harping on controversial matters of no importance.

3. Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and disgrace.

4. Always preach true democracy, but seize power as fast and as ruthlessly as possible.

5. By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.

6. Incite unnecessary strikes in vital industries, encourage civil disorders and foster a lenient and soft attitude on the part of government toward such disorders.

7. By specious argument, cause the breakdown of the old moral virtues--honesty, sobriety, self-restraint, faith in the pledged word, ruggedness.

C. Cause the registration of all firearms on some pretext, with a view to confiscating them and leaving the populations helpless.

That is a nice list, isn't it? Now, I ask you to stop to ponder--how many of these rules are being carried out in this nation today? How many have already COME TO PASS?

What can you do and where can you start? You SAVE YOUR CONSTITUTION--DO NOTHING IN AGREEING TO ANY DEVIATION FROM THAT DOCUMENT! DEMAND ACCOUNTABILITY! COMMAND AND DEMAND RESPECT FOR THAT AND THOSE WHOM GOD HAS SENT IN RESPONSE TO YOUR PETITION FOR ASSISTANCE. IT IS UP TO YOU!

Salu,

Hatonn to clear.

6/13/91 HATONN
THURSDAY

As you ones' are ready to go to press with the Express I shall effort at brevity of this initial portion of this writing: you NEED the information.

CLUES

It is not that this news is NEW, it is that it has been released publicly that gives it worthy notice.

The world banking system is now under ONE organized unit and will begin acting as such immediately. THE WORLD--ALL OF IT--IS INTO FORECLOSURE BY THAT BANK UNIT AND AMERICA IS AMONG THE ONES ALREADY PLACED IN BANKRUPTCY-- YOU ARE HELPLESS UNLESS YOU RECLAIM RIGHTS UNDER THE CONSTITUTION AND BANKRUPT THAT BANK! THIS IS A RED/PURPLE/BLUE AND BLACK CODE ALERT!!! THE NOOSE TIGHTENS AND ALREADY YOU CANNOT BREATHE.

Headline: SWITZERLAND SAYS NO TO NO-NAME BANK ACCOUNTS.

ZURICH, Switzerland (Associated Press release): The Federal Banking Commission [This is the "World" Bank Comm.] on Friday [5/3/91--release had already been secured for weeks] formally adopted measures to abolish anonymous bank accounts, long used by dictators, drug dealers, spies and other secretive people to hide their money [please note the inferred degrading implication that all using privacy are criminal elements].

The commission announced it was doing away with the so-called "Form B", which allowed lawyers and trust administrators to make deposits in Swiss banks on behalf of clients without disclosing their names.

The announcement had been widely expected [Yes, and all who already had private accounts could be assured they were "grandfathered and exempt" from the new ruling--also giving all the elements involved time to secure

new and adequate accounts for present and future needs. It was just you-the-people who were not informed until after the fact so that YOU could attain no privacy.]; details of the measures adopted Friday were disclosed April 9. [Did you get your copy in the mail?]

Use of the "Form B" accounts will be abolished as of July 1, and banks will have until Sept. 30, 1992 to ask current Form B depositors to identify their clients, the commission said. [Big Chance!!]

If the depositors refuse to disclose the identities, the banks are required to cease the business relationship. [So what, they have already built in at least 12 ways to avoid disclosing the personal information.]

The announcement and other proposals made recently [and, these, dear ones, are what you had better check up on because these "other proposals" WILL affect you nice world citizens in all countries, as well] are aimed at closing gaps in legislation passed in August that for the first time made money-laundering a crime in Switzerland.

Switzerland historically has been a haven for the profits of illegal financial dealings such as organized crime and drug rings. Its tough bank secrecy laws created big problems for U.S. and European money-laundering probes.

The government in March also proposed banking reforms that would allow financial officials to blow the whistle on money-laundering schemes; provide fines of up to \$7.3 million for money laundering and grant greater powers to magistrates to seize assets allegedly linked to money laundering.

VOLCANOS

Now that you are focused on the

possibility of eruption of silent volcanos--PAY ATTENTION. This is going to be harder to accept, little ones, but you have activity which is already showing visibly from the San Francisco Peaks in Flagstaff, Az. KEEP YOUR EYES OPEN!
