8/3/91 HATONN
SATURDAY

Hatonn present in the Light of the Radiant One. May we get right "with-it" for there is much to be done this day. Dharma, let us garner a tiny bit more space. Ones in the U.S. will have to put-up with it but these messages are beyond price range of those in places like New Zealand and South Africa, etc. Let us remove spacing line on either side of headings and abbreviate where feasible. Let this be explanation enough to scholars that it is deliberate.

CLARIFICATION

First reply is to queries about information and my participation: M.M.(Acct. Better Citizenship, Calif). I shall respond in sequence, to his brilliantly written letter.

As much information as possible (truth) is gleaned from Earth publications and some of you are read well enough to recognize same. Now as to confirmation and recognition, I have two guidelines for usage: 1. I use only portions which are total TRUTH. And, I recognize all resources if qualifications are sufficiently "full" to insure that the readers don't take that which is not Truth from the book whose portion I have quoted. In the case of the book M.M. has presented for comment--I did give resource

but you would not have recognized it for the entirety of the book in point is a total use of that which was projected by Eustace Mullins and Antony Sutton. I take no exception for ALL who present Truth is indeed valid and those works should NOT bear copyright dividends. If a book gives credit to God, even if in a back-door manner--I will never fail to use the author--I care not from where information of Truth comes forth. I plead with readers to copy, mutilate, spindle and READ our work and project it around as quickly and possible--all duplication welcome and blessed.

It only "appears" that these JOURNALS and EXPRESSES are "copyrighted"--it is a necessary and stupid rule which is required for placement in the front of a book for registration of the publisher ISBN number, etc. WE DO NOT COPYRIGHT OUR WORK AS SUCH NOR AS YOU THINK OF COPYRIGHTED MATERIAL IN THE LIBRARY OF CONGRESS. However, it is thru the ISBN number that you can locate the Publisher of the books which entangles us with the Copyright process.

When the Truth writers come forward--set aside their ego enough to serve fellow-man 100% and not effort to hide Truth for their own gain--I shall do better than recognition--I shall relinquish the pen. I will herein give Mr. Skinner a

mark of excellence for his "question" isolation of important points. I also give him a pat on the back for choosing the best of the valid information available. Without God in total forefront of intent, however, you shall never turn your plight around through simply changing your government and the Federal Reserve. I would welcome a letter or a suit from Mr. Skinner for it will give opportunity to REALLY set the record to correct. I am not in the business of selling "hot" property--I can assure you that I have no interest in that physical "stuff" you call "property"--my mission is to awaken a massive number of sleeping members of civilization. If a thing be Truth, dear ones, it CAN BEAR NO COPYRIGHT! Why does one not sue for use of a portion of that which you call "Holy Bible"? It is only the figment of man-conjured fantasy which may bear moral copyright!

I shall, however, ask America West if there is some legal manner in which to change the wording within our books to reflect publisher and ISBN number without the stupid copyright drivel. Please also remember that even the publisher had to come into conformity and understanding of this which is blest upon him. If there were riches enough in the pockets of the publisher--there would not even be "sale" of the material for the intent is to get information unto man--not garner money from the publica-

tions. You will see if you check the source that the costs far outweigh the income. There have been some 36 books and five equal volumes of EXPRESSES in a year and a half--the expense is enormous.

I further ask that you cease placing me in a category of human physical MAN, i.e., "As a person whose lecture content bespeaks a person with a great deal of intelligence and successful business experience, you should already know what I am talking about. What I cannot understand is how your colleague, Commander Hatonn, could have overlooked this basic principle of private property. In one of your advertising catalogs, you describe him as follows: 'I am Gyeorgos Ceres Hatonn, Commander in Chief, Earth Project Transition, Pleiades Sector Flight Command, Intergalactic Federation Fleet - Ashtar Command: Earth Representative to the Cosmic Council on Earth Transition. You may call me Hatonn. Let there be no misunderstanding of WHO I AM! I come in this portion as a fourth dimensional Project Commander in charge of Earth Transition.'"

In order: I know of your silly games and effort to garner wealth from Truth and I shall not play into such horrendous methods of disallowing information, which can reclaim your world, to go unutilized. That is a physical manifestation of greed and adversarial ego-centered gleanings. Truth is NOT "PRIVATE PROPERTY". I serve with and for God: it IS His property!

My description of self as above, was a rather primitive method of communicating my source, my service, and my identification. We all begin at kindergarten--how do you feel when I state, even at this late date--some 36 books later, that I am Aton--GOD? If you have not read ALL of the pre-material, then you will not, for sure, understand!

Do you? Will you? Man is in the middle of his testing and sorting, good friends! How did you think the WORD would come? THE WORD IS GOD! Until quite recently, in my "fourth dimensional status" I Captained a craft called the Galactica and then moved to the Bethlehem (to coordinate missions with other very high participants) and the craft assumed her original and final designation of Phoenix. This is for identification and clues to our Earth brothers.

The books are fully intended to reach the ground crew brothers and they are serving purpose most effectively. You see, I only have interest in God's children for my mission is not to tinker in your government--but rather, to allow mankind to see that which is wrong, diagnose the illness and offer treatment and, hopefully, method of cure. God forces not one iota--all we do is lay forth information and I shall use the most expeditious writings. Do you actually believe that a 60 year-old grandmother could CHOOSE nothing save Truth from the millions of books presented by the same number of authors. I can assure you, she would have chosen a good cook-book to plagiarize.

Respect for private property? What an interesting concept! You pounce upon God utilizing words of Truth and yet you allow every piece of man's private property to be taken by the robber barons called government and military, church and education! What an interesting concept that you would disallow God use of that which is hook, line and sinker HIS!

As to my identification, I might add that I am in no wise in service to any Command such as "Ashtar". I am attached in that if evacuation becomes necessary, that Command is THE Command. *The identification and reference is to allow recognition of intended ones that we are come as the universal*

brotherhood within the akashic portion of data storage for this particular location of the cosmos. Ashtar is an identification label just as is Christ, Commander and/or any other, i.e., mother, father, sister, etc. Ashtar is a computer base for lack of better terminology which keeps track of ALL energies and at this time of transition, all ones are entered, located and recognized. This Command is headed by an energy form but the Command and the Commander are simply called 'Ashtar'.

We are come forth, not yet on your place in physical form--although often in holographic projection, as Hosts as always sent forth before a return of that one who progresses from Christed status to that of Sananda (only meaning Oneness with God). That one now comes forth for the reclaiming of that which is God's Kingdom.

The promise of God is that a final act of HIS will be to bring forth the WORD unto the four corners of the planet that man may become informed and give informed recognition to his divine choices. I cannot rewrite 40 volumes herein, if you have interest--READ THEM.

You suggest that I "require" some seven and a half minutes to traverse the distance from Pleiades to planet Earth. That is what the publisher and speaker suggests. I require no time whatsoever. In my dimension there is NO time and no space to traverse. In the physical format for a craft to travel that distance it requires dematerialization and rematerialization--point to point and human of Earth cannot understand the mechanism so what is George to tell you? If you have nothing to which to relate--how can you understand?

As to communication, we choose the best way to make contact, no more an no less. Perhaps a better way to describe our "contact" is by

simply referring to her as a translator than just a receiver. The "broadcast" comes in on a frequency in the range of 1694443 but, at best, all you can "hear" is tonal pulses at a frequency so shrill and fast that you will be most uncomfortable. Dharma is given translation capability. Yes, we could write it on a computer or in the sky--what merit? Would you believe it more? No, you would NOT! Furthermore, God will work WITH you, not FOR you--please do not be remiss by skipping the heart of the publications which is the bringing forth of the workings of God and the Universal Creation--they are being labeled "Pleiades Connections" to identify the series. The PHOENIX OWNERS-OPERATOR MANUAL is probably the most valuable transmission available to mankind. It outlays the Laws of God and Creation's balance and you will come back within those laws or be well-headed in that direction, or you are in serious, serious trouble as a species civilization. P.S. I do have the best computer in the universe!

I accept the remainder of the communication from M.M. (directed to George) as good intent. There is nothing needing improvement in our communication techniques--the improvement needs to be in the men running around on your planet. My scribe has been put into cardiac arrest some half dozen times in this past year and a half and I only ask that you ponder your questions most carefully for you indicate a very limited level of insight. This is not to be critical--just factual. You see, you ones who seek change do not wish to change of own concepts--only help "another to see" and yet your own discourse indicates fantasy in idea which only gets "another" killed.

Your last paragraph tells it all, son. "Please also feel free to share this letter with Commander Hatton, using whatever communication technology you feel is appro-

priate. I would only ask that you not modify this letter in any way, and that you honor my own copyrights by giving me the credit I deserve for authoring this letter. Please tell him, on my behalf, that I would appreciate the opportunity to meet him in person some day soon.

What does this mean--exactly? I have no space to print your personal opinions and further, do you REALLY want me to publish your material with name, address and phone number--especially your private one? The last time such information was given an immediate promise of assassination was made to the writer and to the publisher. You are playing at something which is NOT a game--it only LOOKS like James Bond. People in service of Truth get very, very dead in the physical form by unwillingness to bypass a bit of EGO. I am sorry, M.M., I have absolutely no interest in your copyrights nor in your publication for there is nothing which I can use. You are most welcome to attend a visit with me--but you will not find my 9 1/2 foot presence--however, you will not be left to ponder whether or not I am REAL. I believe you can find enough proof to give you confirmation of this statement. I do most surely bow to the research you have done to compile the well-written correspondence and this I offer in full sincerity and candor. You see, it indicates desire for knowledge and I honor that above all things of the physical. When knowledge equals "wisdom", I rejoice!

We have no cute seminars nor week-end astral travel trips. Nor do we sit in lotus position awaiting the shower of God. We meet because we have work to do. There is no boredom herein--nor ego-trips of one over another--everyone is too busy to care about the other's ego-mania. You are ready to lose your last vestige of freedom through loss of your Constitution

to the Elite bastard tribe and you had better pay attention to the facts and quit the tinkering. Accept the Truth for the seriousness which it presents whether it comes from Mullins, Skinner, Coleman, Gritz, Helms, etc. It is the facts, not the copyright, which bear notice and action--not who "spilled the pot of beans"!

If your intent is truly to serve and in acknowledgment of loss of freedom and return unto Godness and into Freedom (which you have not had for over a century) you would not even mention the items which you have covered. I, however, welcome most humbly the opportunity to reply and offer this dissertation for it is for the whole--not for M.M. alone. Get your priorities in order or you are GONE!

VELIKOVSKY

To all of you, along the lines of above subject matter of recognition of writers. I can't have space to recognize all writers but I do recognize inquiry of Mrs. J.N.S. (Fla/Ky) regarding the work of Velikovsky. His is blessed information with much truth of your history. You will have difficulty finding the books. If you would care to share with your brothers, I would entertain giving some of his information as we have time. As for missing history of the Egyptians, I believe Germain is writing this very week on the early God-influenced Egyptian times which are missing from your annals. It is that all times in historical documentation, which deal with the ONE GOD, are deleted to the fullest extent possible. It was through the Egyptians that the ONE God was recognized at the Dawn of Consciousness in the human species. You must understand that you do not understand the ongoing manifestation of a species or civilization. The adversary had to see to it that the one term "reincarnation", and concept,

FROM SOUTH AFRICA

be removed from your Bible unto the Christians and Hebrews for it removed the ability to control, through power, the masses in the human setting. You start a long way back--at the beginning and move all the way forward in experience--you are seed and you are immortal and the path has been incorrectly laid forth to mislead you--I believe you call it "the primrose path". I do not intend to further comment herein regarding the material for the very concept of "how it is", "manifestation", physical, spiritual is confused and that information is in the process of being brought forth at this time--LET US REALLY TALK ABOUT IT AFTER YOU HAVE ACCESS TO THE RESOURCE FOR IT IS COMING AS QUICKLY AS MY SCRIBE CAN WRITE IT--AND DEPENDING ON HOW MANY OF THESE DISTRACTIONS I HAVE AND HOW MANY FIRES THERE ARE TO EXTINGUISH.

You ask about the ones, Hyksos, of Egyptian history. Yes, those are the same beings who in Greek Mythology are represented by Hypnos meaning guardians (of the "sleeping"), asserting communication and contact through the now-recognized "subconscious" mind of human through circumventing the conscious critical human-related mind--through "hypnosis". Nothing mystical--absolutely feasible and specifically explained easily through physics.

By the way, there was an alternative plan to have the Christ present through the Egyptians at the time of the Christ presentation as Immanuel (Esu) in Judea. Had that route been utilized the Son's label would have been "Sananda"--even before fulfillment of his "graduation". You can look up these things.

"Esu" was also a portion of HIS name in both languages.

Please read the following most carefully for it is a plea to you, America. For you who can take time to write and share with these brave ones--please give love and support to them for they work without rest and are watching their nation move into total destruction--without hope.

....*The morning after I had spoken to you I knew without a doubt what had to be done to distribute Truth more effectively in South Africa... It can only be done if we can reduce the cost of all information from our cosmic teachers to the absolute minimum. And that means printing whatever we can here. At present the Journals cost over R40 each. That is approximately 4 times the price paid in American dollars (if one earns dollars). Besides, here R40 can buy a family's bread for a month!*

One particular charity organization has been feeding many of the hungry on the Reef (i.e. the Johannesburg area), over the past years as sanctions took their toll. First it mostly affected the black communities, but it has now spilt over into the white people, over 25,000 persons from which families are now also fed on a weekly basis. These often include highly qualified parents who are out of work. They accept "handouts" with averted eyes, filled with shame at the fact that circumstances have forced them to become "beggars". This is in the Johannesburg area alone! In other parts of the country there often are not even friends or family to help the hungry, as they all are in the same boat.

One of our Provinces, namely the Eastern Cape, has experienced the worst drought in human memory. Farmers in certain areas have no money to support themselves. They, and their livestock--that which is still alive--depend on aid (including water) Control Boards

(Potato Board/Maise Board/Wool Board, etc.) who, with their offerings blind the people even further to the fact that in times of artificial induced prosperity they are in total manipulative control of the people's lives.

Oh yes, there is very much a section of the S. African population who can afford to buy the Journals at whatever price, but sadly they are mostly the ones who will not be interested in Truth--many of them are in Government, or in power and greed waiting to take over Government. A few years back our Min. of Finance, Mr. Barend du Plessis warned that, because of inflation, the housewife simply had to tighten her belt and forget all luxuries, while during that very same month he took delivery of a new Mercedes Benz (luxury model), paid for by the over-burdened taxpayers. When Mr. Mandela was released he was gifted a new, luxury model, Mercedes by the manufacturers....

Others, like the churches, held a "Bibliathon" earlier this year and collected millions to print Bibles for distribution among the populace. This big movement "for peace", however, is blinded by ego which has no time for anybody who considers that the "Holy Book" may have deliberate error.

Then, of course, there are those who run the monopolies, especially the mining houses of which every single string is pulled by Khazars.

Finally, the biggest (and in many instances only) news agency and distributor of books, the Central News Agency (CNA), is Khazar owned and controlled. The Journals will not stand a chance of being distributed by them.

One would think that organizations like the Free Market Foundation would want to help. I worked for the Foundation... Will people who believe that life is in the first and

last instance no more and no less than a biological/chemical reaction in the brain, aid that which their minds cannot conceive of? Will people who are willing to belong to an organization (the Libertarian Movement), in which there are also people who believe that it is each individual's libertarian right, if he so chooses, to have sex with a child, providing the child consents--will they ever find freedom in any law but their own? Will people who preach "democracy" and "safe sex" instead of Republic and Responsibility ever repent?!

Oh, I'm sorry, the letter seemed to have run away with me, when all I wanted to do was sincerely thank you for responding to my previous letter... Karen, perhaps, as with all things, there is good reason for this. Perhaps it is a letter meant as much for Hatonn, Dharma, George, Desiree', and the rest of you working to get the WORD out.

I cannot even begin to tell you about much that really is happening in this country of ours--if I, who am a nobody knows this much, how much does the ones in the knowing know?! All I can say is that I speak from experience. First I petitioned for civil rights for all, and I was labeled a rebel and liberal. Then I petitioned for my rights not to be taken away in the process of Government dictating to others what, where and how their rights might be, and I was labeled a racist... I grew up in a household where the seeds of Truth were planted in my late teens, only I never recognized them for what they were. I thought my father was a fanatic, but still I read the books he gave me and they opened my mind to search and search... I worked for a Khazar, who is not part of the elite, and who showed me that I should love my father for bringing me into this world even when my world caved in at the age of twenty odd when the book "Super Afrikaner" was published and my father's name appeared in

it... Yet, another Khazar, whose family considers themselves part of the elite--encouraged me to break the Law's of God which I had not already broken...

With my heart in pieces, my judgement impaired, I became the useful and unwitting decoy for an outright criminal in the S. African 'Information Scandal' and were it not for the grace of God (which I knew not then), through a friend who was a State Attorney, the S.A. Secret Police had every intention of using my innocence (unbeknownst to me) to accomplish their tasks...

Very much later, about six years ago, I found myself part of the media committee of a bunch of nobodies who had the courage to stand up against a Government department which, with the callous stroke of a pen, wanted to sign away our lives. We made so much noise, persistently, that our entire country knew about us--and other groups of people started to align themselves publicly where they previously had only apathy for their own rights being signed away. Public pressure forced Government to postpone decisions indefinitely. Let that give everyone courage--if it could work in a country where there is no Bill of Rights, how much easier would voices count in a country which still (albeit just) stands under that liberty? In the process one also discovers where, and how (through a hundred and one front organizations), vested interests manipulate legislation to fill their own pockets.

I know Hatonn keeps telling the American people that they are the WORLD'S LAST HOPE FOR FREEDOM. PLEASE TELL THE AMERICAN PEOPLE WE KNOW THAT TOO! IF ONLY THEY DARE STAND UP FOR THEIR GOD GIVEN RIGHTS, THEY WILL FIND SUPPORT ACROSS THE WORLD FROM PEOPLE LIKE US, WHOSE VERY DIGNITY THE NEW OR-

DER IS NOW ROBBING FROM US. I KNOW, BECAUSE MY HUSBAND (A CAMBRIDGE GRADUATE), WAS ALSO RETRENCHED FROM HIS JOB LAST YEAR, YET WITH EFFORT AND FAITH WE'VE NEVER LACKED.

I am not alone, the ones who should really be writing this are too busy helping others or spreading Truth--often risking their very lives--bringing the message of hope to both black and white, and it seems, hardly surprisingly so, that the black people who are exposed to Truth's hope are often more open to its seeds than the cocooned white man. Therefore, also tell the American people not to believe all that is shown them about South Africa in their media. What they can believe is that the real tragedy, hunger and suffering in Africa, is not something they want to wish upon their enemy--let alone their neighbour--but if they don't wake up it WILL SURELY VISIT THEM AND THEIR CHILDREN NEXT.

In South Africa there are people who paid with their lives because they were brave enough to write books in which they took the trouble to look up the dictionary meaning of "International/internationalism", and also in print talked about the true Judeans. Unfortunately they, or their work, were hardly known.

There are still South Africans left who are brave enough to spread the whole Truth, but this time, as it comes from the "horse's mouth". Please remember us in your prayers--we need that protection, strength and love... We need the means to bring the word to those (across our sub-continent), who can hardly afford food. Ask with us that God would provide and direct us; that we will not fail to see how and where we can serve as the part of the body which he intends us to serve as.

I look out of my window as I wonder what I can send you all who are working so diligently for Creation God. Indigenous trees are joyously giving away the secret whereabouts of an unseen breeze; a turtle dove and a sunbird are singing their songs; the sun is shining even while it is night on your side of the world... And I know that we are all gifted beyond ever really needing to give or receive from another who stands within that Gift, if we but only stay in the knowing of it. With Love, A.

P.S. Something for "Dharma" and Hatonn. I was given some unexpected work on another person's manuscript which is to be published in the U.S. next year. (How wonderful, God already provided the first few rands to spread truth!) In the book he mentions that the Nigerian tribe, the Yoruba, has a God called ESU. From what I could gather the features of their God do not resemble an African's but rather that of a Semite (i.e., either wood carvings or metal statues, I'm not sure).

(I delete personal information from the following but I wish to share the section on economy and possibilities. The portion missing regards the advantages of investing/borrowing against gold. This section was addressed to George--I will begin quoting at non-personal juncture.)property to buy gold--interest rates are +/- 20%! With income totally unassured there is often barely enough to pay necessities, and one stands a real chance of even losing the property if due payments are not made on time. Many people have already lost their properties in this way.has some pension fund which will pay out around R54,000 after his 54th birthday (a couple of years away). If he draws that now the Government will take +/- 45% in tax and the Administrators will take between 6%-10%... Earlier this yearalmost forced to draw the money to pay off a house bond.

...kept on hoping (seemingly against all odds and with doubt), that things would hold for another two years... ...want to do something to keep everything together as best we can, and we know that we will have to do that if we want to be spiritually strong enough to work all-out for Truth.

There are so many options--so many decisions to make. Does one apply the money to secure the property? Does one apply it to spread Truth? Do we lapse another insurance that we may have (car/home/etc., and one or two policies), which will release more monthly income to apply towards ...the WORD? Do we have to build shelters in S.A. too? Where? ...All this seems to be telling me is that we have to listen more carefully to the still voice within! However, we're willing to take whatever advice that may come from people who perhaps hear their own still voice much louder than we hear ours. Any suggestions? Love again.

[Annamie and Mike Gardner: P.O. Box 68871, Bryanston 2021, Rep. South Africa. Tel. (011)659-1278. **Please, if you will, acknowledge these workers. There are many, but the way is indeed harder for many than for you ones. Please accept their "experience" as your lesson and do not allow this enslavement to come upon civilization.]**

They are reprinting *EXPRESSES* in tiny format to allow savings in costs--so tiny, friends, that it actually needs a magnifying glass to read. But ones are starved for Truth and they are willing to do this in order to have Truth. AS AMERICA GOES--SO GOES THE WORLD! Allow these ones, George, to know we will give them any assistance we have which helps--even to sending discs and directly reprint right off the original, without covers, etc. Work it out--God's people are the ones

NOT in the high places and to whom God has promised the WORD.

I have another letter from New Zealand, portions of which I will share--blessed Americans, look and see that which is hidden from you--on your shoulders rests freedom of a planet or enslavement and destruction! The time is at hand for action in Truth. GOD WILL LEAD YOU BUT HE WILL NOT DO IT FOR YOU! HE WILL POINT THE WAY AND HELP DISCERN THE CHOICES AND OFFER INSTRUCTIONS AND KNOWLEDGE--HE WILL GO WITH YOU--NOT FOR YOU.

We are honored and humbly appreciative for that which will be coming within our team most soon. There will be options for information and presentation of that which IS as uncovered--cover-up, and we will be able to turn more to this type of information--there will be huge quantities of inquiries as "Pleiades Connections" and Universal order and unfoldment reaches eyes and ears--and therein lies total necessity to respond for it is the very source and foundation of MAN and his connection to God--along with instructions and information regarding immortality and that which is available unto you.

PLAGIARIZATION OF LETTER TO de KLERK, S.
AFRICA

Since it was given originally by myself, I suppose we shall allow full benediction upon my beautiful Brother! You see, we have a wondrous community at work on this side also.

July 23, 1991 (de-Klerk)

Dear Sir,

In the name and love of All Mighty God--who you so dishonour: it is hereby made known to you, that which was told to you under the will and testimony of

God has by your hand befallen upon this beloved land of South Africa. May God forgive that which you have knowingly done for evil beyond your wildest imagining now stalks this land. By not heeding those who gave, and give you Truth, you have signed the death warrant of the children of Africa... For you allowed your ego of the position you falsely acquired, the propaganda of your masters, to go to your head--and you heard not the "still small voice" within above the clamour of the crowd.

May heaven and all her hosts, of which I am a part, now be heard? I think not, as you try to bluff your way through the days ahead as those of the Illuminati, of whom I warned, find it expedient to drop you, you having now fulfilled your purpose and use to them.

In the falseness of their proclamation of a desire for world peace, will the aftermath of the coming months result in a terror so horrible upon this and other lands--and be termed: "The One, or New World Order"--which in Truth is neither more nor less than the rule of Lucifer--the antithesis of God--the anti-Christ!!

So-be-it, for man perverted by a million shades of interpretations of the Will of God as set forth by God and deliberately tampered with by Satan--no longer knows his Maker, but worships idols in his (man) image and likeness instead!!

So-be-it: for when the leaders of the nation, be they those of politics or religion, perceives money better spent upon a so-called Holy Book (as already stated, badly tampered with), whilst the children starve for food, then must that nation, like the Pharisees of old, fall? For there is no longer morality, logic nor compassion in the sight of God, but a bungling mass of idiots attempting to buy their way into heaven!!!

So-be-it: for then those who govern a nation feather their loins with gold, and openly kill (starve), and steal (tax out of sight), and sell their nation into the arms of the awaiting Illuminati by usurious means, whilst the people remain with no shelter, that is the time to remember "Jesus'" (Emanuel) example as He overturned the tables of the Money Lenders!

So-be-it: For when those responsible sell onto their people sport and immoral entertainment for propaganda purposes for their masters--the Illuminati and the anti-Christ--in order to hypnotize their Nation asleep to the dangers confronting them, then surely a nation will fall as night follows day!!

So-be-it: For when thieves and robbers are turned loose upon a people, anarchy must follow!!

So-be-it: for when democracy is sold to a nation in the name of justice and government--when in fact it benefits but a few--rule by demons will become the order of the day!!

So-be-it: for unless this Nation awakes from the demonic spell so placed upon it--oft times in the name of a god, that is not GOD, and the Christianity--as far removed from all that Christ taught as the furthest star, is a certain prescription for, and the very fulfillment of, all end times prophecy!!

In the name and love of All Mighty God, I declare this and more to be the full and horrendous truth come upon you lest you the people of this Nation awaken to these facts which surround you in a kaleidoscope.

Awake, my friends, to the illogic of all that enslaves you, rendering your lives less meaningful by the day--nay, hour.

Do you with honesty believe as you are taught by these minions of evil that your material gain will benefit you in your final hour over and above knowledge of the meaning and purpose for which you were created? In fact, what makes you accept the teaching that another in the eyes of God can shoulder individual responsibility for your lives? Yes, it is this perverted factor/manipulation of the truth brought and demonstrated by Christ which alone is responsible for the direction many a sincere but thoroughly undiscerning soul has taken, leading to the current plight of Man as a whole. And, as just stated, this is merely the tip of the iceberg in the arsenal by which Lucifer has gained control over you... For, if each and every man upon this planet assumed total responsibility for self and his every action--as did He who lived amongst you, would you dare with impunity to take advantage of, or harm another?

"You"--as underlined above were there my friend, when one time or another He has walked amongst you in very essence and in the flesh. Countless opportunities, in Love, this Great Christ Spirit gave you to learn the Truth and Way of God... On countless times have you in your complacency allowed another to limit and dogmatize this Truth, lead you astray, and rob you of your heritage and unity with your Father--GOD!

Yes, my friends, I speak of matters forbidden by Satan for your conscious understanding: reincarnation upon this placement of you--your soul... For do you with honesty believe your Father is so uncaring as to condemn in judgement without a second, or seventy times seven chances to set your record to right? Yet you have allowed Lucifer and his offshoot, Satan, to prevail over you with his graduated level of evil to deceive you.

This, my friends, is the trump card of the so-called Illuminati--they know the absolute truth of the soul's return. They therefore know with an equal certainty that the long-term strategy they set in motion generations gone by to wrest this jewel of a planet, and all that dwell hereon, from God will reap tangible rewards in this lifetime, indeed, so vast their numbers now incarnate--so evil their ways of final thrust for takeover, that it is with wonder and devastating sadness that we look down upon you, and see you fall into the trap of which you have been warned from the earliest of days.

So-be-it: for free will to choose was given you, and it is not ours to step in and save you, but to give of our knowledge in final warning of what is upon you, and entreat you to mend your ways.

Thus do I in Love and service for this Nation of South Africa, in the Holy name of God who sent me to make the Absolute Truth of your rapidly declining position known.

I am who I am,

Omegon in service of God, elder brother of Man and one with the Universe unending.

To you who ask if "this" be the only place where the Word is coming forth--your answer! May the Light be given to shine in the dark corridors of all the nations. Amen.
