AUGUST 1991 VOLUME XV NUMBER 3

7/30/91 HATONN  
TUESDAY, JULY 30, 1991

Dharma, I am come forth this morning while the cool is still on the meadows, that we might commune briefly to restore balance. I, too, feel remiss at pulling you from Germain and the wondrous task of revealing to a sleeping world--Truth of God and the universe. You have dear, dear friends in visitation and I give you no time to share. Dear one, this latter portion of this journey is NOT for lagging and that which we do is too important to too many to rescind the schedule of output. As the pressures are heightened to "take you out", so must the production increase so that we are not caught unfinished with the outlay of that information which will bring a world into safety.

## HIDE STEALING AND PUBLIC SKINNING

Never mind that which is going on with the toy soldiers in Moscow or Auckland or Tokyo in the hidden closets of the unseen. Know that wherever the "big boys" gather it is for the purpose of your demise and their gain.

Now, as with the Gulf War, there are the same five people to watch like the proverbial hawk: Dennis Ross of the Council on

Foreign Relations' State Department., Henry Kissinger (always), the power behind the Bush throne, Lawrence Eagleburger, long time Kissinger messenger boy, Brent Scowcroft, forever an appeaser to USSR at arms talks and James Baker III, Secretary of State and planned next President of the United States. He is already selected by his MASTERS for his loyalty to their cause.

Well, good news and bad news--we don't believe Kissinger should be King and that means that Baker MUST NOT be President. I remind you: AS THE U.S. GOES, SO GOES THE WORLD AND GOOD-BYE FREEDOM.

This time last year there was massive caterwauling in Congress and on the television and thus and so over the National Budget. What happened to the deficit that was going to destroy you? Well, it has, so that is no longer news and THEY HAVE OTHER PLANS FOR YOU LITTLE CHICKENS--FOXES ALWAYS DO.

The Bush administration has announced that the projected budget deficit for 1992 will be \$348 billion, which is the largest in history and \$70 billion higher than previously expected--what happened about the \$50 billion last year for paying some of that

debt? You can easily see if perfection was in place and the budget was balanced that you are a minimum of a little \$20 billion already in the hole with compounding interest on the interest (not to mention the debt) to the Bankers. Isn't Monopoly fun?

Administration officials attributed the "SURPRISE" INCREASE to a combination of factors: costs of the Kissinger Persian Gulf War, the ever-growing costs of shutting down failed savings and loan institutions (who failed with ones like the Bush brothers at the helms) and a shortfall in individual income tax revenues (glory be), "a result of lower-than-expected taxable personal incomes due to the worsening economy." Unexpected? They are the very ones responsible for shutting down industry and closing down all sorts of business. But what they do not mention is that over 60 million people took a stand that the income-tax as written and enforced is AGAINST THE LAW OF THE CONSTITUTION OF THE UNITED STATES OF AMERICA.

Do these figures stop, even slow-up, the give away? Nay, nay--so KNOW the sleeves are stuffed with new magical toys to use on you-the-people.

Additionally, the deficit is projected to remain over \$70 billion a year higher over the next few years "than earlier estimates". What of your new war? Oh yes, there will be a new war! and how many of you know that Israel is demanding and getting \$24.6 BILLION for prop-up along with a myriad of foreign states. YOUR "HOUSE" HAS ALREADY APPROVED THE GIVEAWAY--NOW IT IS BEFORE THE SENATE WHICH IS TOTALLY CONTROLLED BY ISRAEL, SO GUESS WHAT?!? The nice "tax-free" "religious" nation/lobby is full speed ahead and Baker spends more time in Israel, by far, than in your State Department--you ones had better look around and come up out of Flatland into the three dimensional world.

What the above means is that the budget agreement reached by Congress and President George Bush, which included great tax hikes and spending limits, has had absolutely no effect on the growth of the deficit. The higher deficits compound themselves by increasing interest payments on the debt, which is the fastest growing segment of the budget and, at nearly \$300 billion a year, is the second-largest single item, after defense, in the budget. And so it goes.

### YOU ARE EATEN ALIVE AND DON'T NOTICE

You good old American taxpayers, now totally inured to having Israel extract your flesh and blood in multi-BILLION-dollar handouts each year, are set up for a "wholesale skinning job". The Bush administration prepares at this moment to TRIPLE AND EVEN QUADRUPLE ISRAEL'S SUBSIDY.

If you-the-people say we are anti-Semites you are fooling

yourselves--the Israeli's are NOT SEMITES so it is very difficult to accuse people of that stance, is it not?

Now look at the quick of hand. That forecast just laid forth came from a CANADIAN economist who monitors international grants and support programs at no less than UN headquarters in New York City. This has all been CONFIRMED, little brothers and sisters.

This is in spite of assurances recently by top administration leaders that there would be neither an increase in Israel's military assistance budget--already the largest in the world--nor an unconditional approval of unprecedented Billions (10 minimum and not hidden) in requested guarantees for resettling Soviet immigrants. Again, where are you Baptists? Aren't you a respected "religious group"? I ask brother Mormon, aren't you worthy of \$10 Billion? What about those "Christian" three million homeless in the U.S.? Could they use just a little portion of that \$24.6 BILLION? What about those Palestinian brothers on whose land the "resettling" is being done?

Dear ones, this compromise will most likely mean that Israel gets the whopping 50 percent (50%) boost in its "defense support" payments for the next fiscal year requested by its defense minister, Moshe Arens, during his most recent visit to Washington last month--beware the visitors!

There is also the demand from the prime minister, Yitzhak Shamir, that some \$10 BILLION in emergency loans be given for which his regime plans to raise next year--be guaranteed by the "full faith and credit" of the U.S. government.

Well, why should you ones, like in California, mind a little old tax on your Newspapers and Twinkies?

According to this "friend" Shamir, the United States has a "HISTORIC OBLIGATION" and a "HUMANITARIAN DUTY" to help finance the tidal influx of immigrants to Israel from the Soviet Union, especially since it was "UNREMITTING AMERICAN PRESSURE ON THE SOVIETS" that opened the floodgates to this vast migration. (!!! Ohh?)

Funny thing about this last accusation; that is the way the adversary works, isn't it? They blame another for everything they just did right in front of you and you smile in the mirror and fill out your money donations. The Israelis mobilized every contact, every bit of influence, every position of power they have infiltrated in Washington, to coerce their brethren. In the process, they exploited and abused their influence over U.S. policy and over ambitious congressional leaders.

The Bush administration, however, knows it cannot win a debate over such policy matters in the pro-Israeli controlled media, goes right ahead granting the funding--a massive sum four times the usual yearly full-financing of Israel.

These mushrooming enclaves of newly built housing for transplanted Israelis, in violation of repeated UN resolutions and U.S. edicts have been denounced by your own strangler, Baker, as the "greatest single obstacle to peace". Well, that is a lie also, but then let's give him one for originality. By the time the settlement comes, you will have already paid for in money and Palestinian blood

and land the entire of the demand either way.

Late in June, National Security Adviser Brent Scowcroft told a group of visiting advocates of the ministate (of course your disabled American Vets can't get to see these great men), led by Malcolm Hoenlein, executive director of the influential Conference of Presidents of Major American Jewish Organizations, that the U.S. government **WOULD NOT--IN VIEW OF ITS COMMITMENTS--CO-SIGN \$10 BILLION IN "DOUBTFUL" IOU's FOR ISRAEL IF THE MONEY IS USED FOR ILLEGAL AND "DIVISIVE" SETTLEMENTS.** Well, they did and they are.

Both Bush and Baker have given firm personal pledges to their major ally(??) in the Persian Gulf, Saudi Arabia, that no American financing would be granted for Shamir's settlements, viewed by Arab governments as a thinly veiled tactic to expand the ministate into the "Great Israel" privately envisioned by Shamir and his followers.

But, as with all good intent, the resolve of Bush and Baker has withered in face of the all-out pressure from the Israeli lobby, and threatening rumors that there would be a "very dirty" publicity battle over this issue. I know, it must be the little gray aliens that makes them do it! Didn't some of your UFOlogists say that those little gray aliens hold your government hostage? I suggest you take another very careful look at Shamir!!!

After decades of covert collaboration between the CIA and the MOSSAD, Israel's espionage service, that cost the taxpayers billions upon billions of "black" funds without public accounting (like the privately

owned Federal Reserve is also doing--only in the trillions), this cute little "state's" leaders have enough **INCRIMINATING FILES** on Bush and his team to **"SEND THEM UP 10 TIMES OVER"**. No wonder there is such **CONFIDENCE** in Mr. Shamir's smile.

When push comes right to shove, there is no Republican politician who can afford to defy Israel. No Democrat could get away with it. It is an outrage--because who and what else is there for you? I suggest you think about that very hard indeed!--**AND GET A THIRD CHOICE--NOW!** WE HAVE ONE--**WILL YOU SUPPORT TRUTH AND THE CONSTITUTION IF GOD GIVES YOU A ROUTE?? WILL YOU SUPPORT A MAN WHO HAS PAID ENOUGH ALREADY? FOR IF WE DISCERN THAT YOU WILL NOT--WE WILL DISSUADE HIM FROM THE TARGET-EYE.**

This is a total outrage, but you are boxed in by corruption and blackmail and you will be sold down the tubes as a nation before these mongrels will jeopardize their long-sought **KINGDOM** and you, the slaves thereof. There is a century of planning for entrapment by the Khazarian people and over a quarter-century of paying the Mossad to do the dirty work. No one in Washington wants them to spill the beans, I believe you say. Well, Mr. Bush has other fish to fry, also--and it, too, is entangled in the most sinister of blackmail plots--**YOUR MIA-POW LIES AND DECEIT TO COVER DRUG TRADE BY HIS OWN NATION AND FAMILY--SET UP DURING THE CIA DAYS AND STILL RUN BY THE CIA.**

**YES INDEED--Mr. Bush's CIA**

was instigator and perpetrator of Kennedy's assassination--with insider cooperation right through your Vice President, Johnson. Ho Humm--anyone awake? I wrote about this a year or more ago--in total detail.

**THEY LABELED THEMSELVES "JEWS"**

You now denounce us for using the term "Jew" as if it were a curse of some sort. Dear oneS, the Khazarian Judaists named themselves "Jews" in the 17th century. It is a nice new term to fit with Zionist and New Jerusalem and World Controller.

I am going to give you some facts that I hope you read most carefully--right now. You continue to deny that there is such a thing and that the Russians couldn't be involved and on and on you go--with no information while you blast our facts as we give them unto you.

Let us go back to the Russian Bolshevik Revolution and see if what I give you here matches that which is, of course (I'm joshing), taught in every school in the world. Dharma, just record that which is presented from the historical texts which have been buried and now, somehow?, uncovered.

**QUOTING:**

*.....translated from Russian into French the official reports and original documents confirming his narrative. "I have done all in my power", he adds, "to act as an impartial chronicler". The list of names of the Rulers of Russia in 1918, which I am about to quote, is taken from pages 136-137 of this painstaking French study of the Russian Bolshevik Revolution. It is a noteworthy fact that this list is*

not to be found in the English edition of the same work, THE LAST DAYS OF THE ROMANOVs, published in September 1920, by Thornton Butterworth.

According to the English review, *The Patriot*, of 20th February, 1930, after Robert Wilton had written in 1920: "The Jewish domination in Russia is supported by certain Russians. . . they are all mere screens or dummies behind which the Sverdlovs and the thousand and one Jews of Sovdepiä continue their work of destruction", his chances in English journalism were gone. It is a well-known fact that he died in straitened circumstances in January, 1925.

On page 29 of *Les Derniers Jours des Romanof*, we read: "In order not to leave myself open to any accusation of prejudice, I am giving (on pages 136-137) the list of the members of the Central Committee, of the Extraordinary Commission and the Council of Commissars functioning at the time of the assassination of the Imperial Family. The 62 members of the Committee were composed of 5 Russians, 1 Ukrainian, 6 Letts, 2 Germans, 1 Czech, 2 Armenians, 3 Georgians, 1 Karaim (Jewish Sect), 41 Jews. The extraordinary Commission of Moscow was composed of 36 members, including 1 German, 1 Pole, 1 Armenian, 2 Russians, 8 Letts, 23 Jews. The Council of the People's Commissars numbered 2 Armenians, 3 Russians, 17 Jews. ACCORDING TO THE DATA FURNISHED BY THE SOVIET PRESS, OUT OF 556 IMPORTANT FUNCTIONARIES OF THE BOLSHEVIK STATE, INCLUDING THE ABOVE-MENTIONED, THERE WERE IN 1918-1919, 17 RUSSIANS, 2 UKRAINIANS, 11 ARMENIANS, 35

LETTS, 15 GERMANS, 1 HUNGARIAN, 10 GEORGIANS, 3 POLES, 3 FINNS, 1 CZECH, 1 KARAIM, 457 JEWS.

If the reader is astonished to find the Jewish hand everywhere in the affair of the assassination of the Russian Imperial Family, he must bear in mind the formidable numerical preponderance of Jews in the Soviet administration.

On pages 136-138, then, of the same work, the author writes: "It is in the Central Committee of the Bolshevik Party that the governmental power resides. It was composed as follows in 1918: Bronstein(Trotsky), Apfelbaum(Zinovieff), Lourie(Larine), Ouritski, Volodarski, Rosenfeldt(Kamenef), Smidovitch, Sverdlof(Yankel), Nakhamkes (Steklof).

Jews--9, Oulianof(Lenin), Krylenko, Lounatcharsk. Russians--3 total--12

The other Russian Socialist Parties are similar in composition. Their Central Committees are made up as follows: S.D. Mensheviks, 11 members, all Jews; Communists of the People, 6 members, of whom 5 are Jews and one is a Russian; S.R. (Right Wing), 15 members, of whom 13 are Jews and 2 are Russian (Kerenski, who may be of Jewish origin, and Tchaikovski); S.R. (Left Wing), 12 members, of whom 10 are Jews and 2 are Russians; Committee of Anarchists of Moscow, 5 members, of whom 4 are Jews and one is a Russian; Polish Communist Party, 12 members, ALL JEWS, including Sobelson(Radek), Krokhenal(Zagonski) and Schwartz(Goltz).

These parties, in appearance opposed to the Bolsheviks, play

the Bolsheviks' game on the sly, more or less, by preventing the Russians from pulling themselves together. Out of 61 individuals at the head of these parties, there are 6 Russians and 55 Jews. No matter what may be the name adopted, a revolutionary government will be Jewish.

The Council of the People's Commissars comprise the following:

President--Oulianof(Lenin)--Russian  
Foreign Affairs--Tchitcherine--Russian  
Nationalities--Djougachvili--Georgian  
Agriculture--Protian--ARMENIAN  
ECONOMIC COUNCIL--LOURIE (LARINE)--JEW

(1) *The Rulers of Russia in 1917-1918*

In the book, *The Mystical Body of Christ in the Modern World*, two documents are quoted in proof of the fact that the Jews were the real rulers of Russia after the Bolshevik Revolution.

The first document, quoted on p. 88, is the report forwarded to London by Mr. Oudendyke, the representative of the Netherlands government at St. Petersburg, when the Bolsheviks began their reign of terror. Mr. Balfour received the report via Christiania on the 18 of September, 1918. It was published as a British White Paper in April, 1919, and was entitled: "Russia, No. 1 (1919), A Collection of Reports on Bolshevism in Russia." The kernel of the Paper is contained in the following extract from Mr. Oudendyke's Report: "The danger is now so great that I feel it my duty to call the attention of the British and all

other Governments to the fact that, if an end is not put to Bolshevism at once, the civilization of the whole world will be threatened. This is not an exaggeration, but a sober matter of fact . . . . I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality and whose one object is to destroy for their own ends the existing order of things. The only manner in which this danger can be averted would be collective action on the part of all the Powers.

The Foreword to the White Paper stated that it was issued in accordance with a decision of the English War Cabinet in January (1919). The subsequent history of this White Paper is extraordinary. It speedily disappeared from circulation and became unobtainable. Then an abridged edition was issued, with the same title, at 6d. instead of 9d. From the abridged edition the passage we have quoted, and some more had been eliminated. It has never been possible to ascertain how the original document was suppressed.

The second document, treating of the financing of the Russian Revolution by the Jewish Bank of Kuhn, Loeb and Company, is the one drawn up by the American Intelligence Service and transmitted by the French High Commissioner to his government. This document is quoted at length on pp. 88-91 of *The Mystical Body of Christ in the Modern World*. It

was published by the *Documentation Catholique* of Paris on 6th March, 1920, and was preceded by the following remarks: "The authenticity of this document is guaranteed to us. With regard to the exactness of the information it contains, the American State Department must assume responsibility." This document was quoted in 1920 in a supplement of the paper *La Vieille France* which added: "All the governments of the Entente were aware of this memorandum, drawn from the data of the American Intelligence Service and sent at the time to the French High Commissioner and his colleagues."

In addition to the information about the **JEWISH BANKING HOUSES WHICH FINANCED THE RUSSIAN REVOLUTION**, the document also gives the long list of Jews who took over the direction of the Russian people in 1917. Lenin is given as a Russian, but all the other twenty-four given on the list--Trotsky, Zinovieff, Kameneff, Parvus, etc.--are stated to be Jews.

Since *The Mystical Body of Christ in the Modern World* was published I have had the opportunity of reading that very interesting work, entitled *All These Things*, by A.N. Field. In Appendix B he quotes from volume III of U.S. Senate Document No. 62, 66th Congress, First Session, some extracts from the evidence of Rev. George A. Simons, Superintendent of the Methodist Episcopal Church in Petrograd from 1907 to October 6th, 1918, before a Committee of the United States Senate on February 12th, 1919. The Rev. Mr. Simons stated with regard to the Bolshevik Government in Petrograd: "In December, 1918 . . . under the presidency of a man known as Apfelbaum (Zinovieff) . . . out of 388 members, only 16 happened to be real Russians, AND ALL THE REST JEWS, with the exception of one man who

is a negro from North America  
. . . and 265 of these Jews be-  
longing to this Northern Com-  
mune government that is sitting  
in the old Smolny Institute  
come from the Lower East Side  
of New York--265 of them."

Mr. Field remarked in Ap-  
pendix B of his book, All These  
Things: Lenin was married to a  
jewess, spoke Yiddish in his  
family circle, and Dr. Chaim  
Weizmann, Jewish Zionist  
leader, was quoted in the Lon-  
don Jewish Chronicle of De-  
cember 16th, 1932, as saying  
that Lenin had taken part in  
Jewish student meetings in  
Switzerland thirty-five years be-  
fore. He is generally regarded  
as a Russian, but there is doubt.

In her book, From Liberty to  
Brest-Litovsk Macmillan,  
(1919), the Russian lady, Ari-  
adna Tyrkova-Williams, widow  
of the late Dr. Harold Williams,  
for long the Manchester  
Guardian correspondent in Rus-  
sia, describes the events of the  
first year of the Russian Revolu-  
tion. Mrs. Williams was a  
member of the last Duma and  
speaks with the authority of an  
eyewitness and close observer.  
On pages 297-299 of her work  
we read: "There are few men  
imbued with the all-Russian  
culture and interests of the Rus-  
sian people. None of them have  
in any way been prominent in  
any stage of former Russian life  
. . . . Besides obvious foreign-  
ers, Bolshevism recruited many  
adherents from among emigres,  
who had spent many years  
abroad. Some of them had  
never been to Russia before.  
They especially numbered a  
great many Jews. They spoke  
Russian badly. The nation over  
which they had seized power  
was a stranger to them, and be-  
sides, they behaved as invaders  
in a conquered country.  
Throughout the Revolution  
generally and Bolshevism in

particular, the Jews occupied a  
very influential position. This  
phenomenon is both curious and  
complex. But the fact remains  
that such was the case in the  
primarily elected Soviet (the fa-  
mous trio-Lieber, Dahn, Gotz),  
and all the more so in the sec-  
ond one.

"In the Soviet Republic all  
the committees and commis-  
saries were filled with Jews.  
They often changed their Jewish  
names for a Russian one--Trot-  
sky-Bronstein, Kameneff-Rosen-  
feld, Zinovieff-Apfelbaum,  
Stekloff-Nakhamkes, and so on.  
But such a masquerade deceived  
no one, while the very  
pseudonyms of the commissaries  
only emphasized the interna-  
tional or rather the alien  
character of Bolshevist rule. . .  
. But, of course, there were also  
Russians among the Bolsheviks--  
workmen, soldiers, peasants  
[and there will be plenty of  
Americans among the slaves  
also!]. Oulianoff-LENIN is a  
Russian of sorts. Lunacharsky,  
Bonch-Bruevich, Mme. Collon-  
tai, Chicherin--all these influen-  
tial Bolshevist leaders are Rus-  
sian by "origin". But that pre-  
dominant class which very  
rapidly crystalized around the  
Bolsheviks was mainly composed  
of individuals (At this point the  
computer locked up and Dharma  
was "stunned".)

Dharma, calm please. Precious,  
I tell you over and over how ur-  
gent it is to pay attention. It is  
worse than just eating your doc-  
ument so let us walk carefully  
indeed. I believe you now  
know beyond a doubt who is  
your enemy. You are physi-  
cally fine, even if shaken, so al-  
low us to finish so that we can  
use the information this after-  
noon.

\* \* \* \* \*

alien to the Russian people.

This fact is probably useful to  
them to keep control over the  
masses, for Bolshevist autocracy  
is founded upon their absolute  
contempt of the people whom  
they rule. The most terrible  
trait of Bolshevism is its utter  
unscrupulousness as to ways and  
means, and the blunt cruelty of  
its leaders."

Shortly after the second edition  
of this pamphlet appeared, a  
close student of the Russian  
Revolution wrote to me to say  
that he could find no confirma-  
tion of the statement that Lenin  
spoke Yiddish in his family cir-  
cle. A Russian lady also wrote  
to a friend of mine that "Lenin's  
wife, M.K. Drupskaya, is a Rus-  
sian and, even if she were a  
Jewess, which she is not, at  
home she would speak Russian."  
I here beg to set out what I  
have since been able to discover  
about this question. For some  
of the writers I have quoted  
about the predominance of the  
Jews, namely, the Russian lady,  
Mrs. Williams, and the English  
journalist, Robert Wilton, Lenin  
or Ulianoff is undoubtedly a  
Russian." For Mrs. Williams,  
he was purely and simply the  
son of a schoolmaster belonging  
to the nobility of the Simbirsk  
Province. On the other hand,  
through the Russian historian,  
D. Petrovsky, on page 37 of his  
detailed history of the revolu-  
tion, La Russie sous Les Juifs  
(Russia under the Jews) says  
that Lenin (Oulianoff) is one of  
a number of Russian traitors,  
yet, on page 86 of the same  
work, he adds in a note:  
"Lenin is commonly held to be  
a Russian, but the natives of  
Simbirsk are of a different  
opinion. They relate that a  
convoy of prisoners traversed  
Simbirsk a good many years  
ago. After the departure of the  
prisoners, a little boy remained  
behind and was picked up and  
reared by a gentleman named  
Oulianoff. Years after, a letter

came, in ill-formed characters, from the convict settlement, from a certain Ilko Sroul Goldman saying that he had learned, as a result of lengthy inquiries, where his son was. He asked for news of him. This Goldman was said to be Lenin's father. He never again wrote." Again, Victor E. Marsden, who was for many years the Morning Post's correspondent in Russia and who was present at the time of the Revolution of 1917, writes: ". . . Lenin is a half-blooded Jew, that is to say, the original Ulianov who bore the name of Lenin was so, but there is grounds to believe that the present Lenin is impersonating that man who is dead and that the actual Lenin of the Bolshevik business is what he looks, a full-blooded Jew."

AND NOW, DHARMA, YOU KNOW WHY THEY JUST BLASTED YOU. THIS IS NOT INFORMATION THEY CAN AFFORD TO HAVE SCATTERED ABOUT. YOU ONES CANNOT DEAL WITH REPLICAS AND DUPLICATED DOUBLES--HOW DO YOU THINK THIS FORGERY WILL HIT THE WORLD?

The publication continued: ...in a note added to the lists of names of the 447 Jews out of the 545 officials of the Soviet Bureaucracy. THE NOTE SAYS THAT IT IS DOUBTFUL IF LENIN IS RUSSIAN; THAT HE IS OULIANOFF BY ADOPTION BUT REALLY A JEW, MARRIED TO A JEWESS AND THAT HIS CHILDREN SPEAK YIDDISH.

From the information documented and researched: "The Soviet movement was a JEWISH, and not a Russian conception. It was forced on Russia from without, when, in

1917, German and German-American-Jew interests sent - - - - -."

END QUOTING.

We are out of time now, so we will have to leave that off where it is for I need the other information on this document to use this afternoon please.

The next is a bulletin sent to us which ALL AMERICANS SHOULD READ, REREAD, AND GET SICK OVER. You continue to deny, deny and deny some more--I am not anti-anything but you had better open your eyes and smell the coffee for it is BURNING!

SUBJECT: SERIOUS FIRST AMENDMENT VIOLATION.

On Jan. 31, 1991 Congressman Bob Michel (R-IL) introduced H.R. Res. 104 which became Public Law 102-14 on March 20, 1991 when President Bush signed it. It had its origin with Rabbi Abraham Shemtov, National Director of the American Friends of Lubavitch, Philadelphia. Rabbi Shemtov, who is Lubavitch representative in the White House, met with George Bush just after Bush's election, and they discussed the value of education in a "just and moral society". This, in all probability, was the spawning of Public Law 102-14.

On March 5th when the resolution was considered by the House, there was absolutely no debate. Not even a serious question was asked. It passed by voice vote. Two days later it passed the Senate by voice vote with no debate or question.

This writer finds it alarming that a bill which recognizes a specific religion and its leader, and promotes that religion's laws for the United States and

the whole world, could pass BOTH HOUSES OF CONGRESS AND RECEIVE THE PRESIDENT'S SIGNATURE, WITHOUT SO MUCH AS A RAISED EYEBROW! WHAT'S MORE, IT DIDN'T RAISE AN EYEBROW IN THE MEDIA. [How many of you have ever even HEARD OF IT?]

This document came from a resource called "SMYRNA", P.O. Box 541, Fortuna, CA 95540, FAX (707) 764-5016.

It continues: SMYRNA has notified many newspapers, TV networks, radio talk shows, Christian civil rights organizations, and churches, of this flagrant violation of the establishment clause of the First Amendment. Thus far we have not seen any interest. Where are all those knights for civil rights?

One thing is sure. If Jerry Falwell or other "right-wingers" had persuaded a Congressman and the President to enact a religious law favoring Christianity, all hell would break loose in the media and the ACLU, ADL, People for the American Way, and many Hollywoodites would scream bloody murder until Washington quaked with terror. Such a law wouldn't stand a chance. Where are those hypocrites now?

Now, the next thing I am going to say is more shocking to many of you. I want you to know that the entire of the religions have been invaded by this group--oh, yes, especially the MORMONS! The MORMON CHURCH is almost wholly run by organized Khazarians--I think you should look at the group of personal Bush advisers. How many will believe this? I CARE NOT WHO BELIEVES IT--MANY DIDN'T BELIEVE THE

WORLD WAS ROUND, EIT-  
HER! WAKE UP!!!

Dharma, we must leave this for  
I must have you and it at the  
meeting in just a few short min-  
utes. This will be my topic for  
today. Thank you.

PLEIADES CONNECTION  
VOL. V**

Violinio Germain, & Gyeorgos  
Ceres Hatonn/Aton

Germain stresses to us the im-  
portance of true meditation and  
gives excellent "how to" in-  
struction to accomplish it and  
how to use it to control our  
lives. It is the most important  
of all the functions of human  
life which advances progress.

When you accomplish true  
meditation you are communi-  
cating directly with God for the  
purpose of knowingly working  
with Him.

Two tapes are included with this  
book because written word in-  
structions usually are not suffi-  
cient in helping you to accom-  
plish the meditative state.

We are given the TRUE defini-  
tion of love and prayer (not at  
all what most of us consider  
them to be) and the importance  
of understanding the true defi-  
nitions so that we can improve  
our daily lives with this knowl-  
edge.

We are told what hypnosis is  
and best of all how to use self  
hypnosis for our benefit.

Man on Earth is transitioning  
into the Cosmic Age and to as-  
sist us some knowledge never  
before given to Earth man is  
being brought forth through  
these JOURNALS.

There are many other topics  
covered to assist us in our jour-  
ney into the LIGHT.
