TODAY'S WATCH

Great blessings rest upon you ones who share with us, for it is the way we can KNOW that which is concerning your conscious mind. I feel that this is a good opportunity to respond to a few notes of REAL VALUE to ALL of you. I have one from J.M. which I wish to take item by item but it fills two pages and I have attempted to respond to his questions in the aggregate of our writing or in prose, as we have moved along. Yes, Dharma, I like to give you symbols you do not use for it keeps you alert, chela. And remember, most blessed are ye who stay alert! Readers, the egg comes on the Cosmic face, however, when I misuse a quite traditional term. All of you must keep in mind that my language is of the Universal and I, too, have to learn your languages. I believe I have a pretty good vocabulary according to my scribe's proficiency--grammar as to punctuation and spelling are quite another matter and you ones please forgive our errors. I ask that editors not tamper and please know, you in the public, that much of which I do and say annoys them greatly. I KNOW most of your "rules" but some of them are totally absurd and "remove" meaning from a sentence--which, of course, is why

the ridiculous placement of punctuation. It matters greatly whether or not Esu might have said to the hanging man to his right--"Today I say, you shall be with me in Paradise". or "Today, I say, you will be with me in Paradise", or "Today: I say you will be with me in Paradise". Please understand that we are NOT writing books for Journalistic excellence--WE ARE BRINGING THE TRUTH UNTO YOU AS FAST AND AS SIMPLY AS WE KNOW HOW TO DO SO.

We expect to win no awards from Pulitzer nor the Nobel Peace Prize--for you must be a member of the Elite or a tool thereof and useful in some manner to the Elite--to get such awards. Besides, I feel we would fall into higher company than we could stand--for one of the Zionist Senators has come forth to nominate George Bush for the Peace prize right after he ordered the murder by bombing of some 130,000 Iraqis. This, by the way, introduces the first piece of correspondence. This is given in such love and trust that I wish you to accept it as it is given for it is such a great example.

I ask that you read it first as, say, an American and/or "Coalition" person--then, read it as an Iraqi who has lost everything, including home, family,

business and all in his life--caught in hell with no place to turn for escape.

Dharma, leave out the business portion for that is private; begin with the second paragraph please.

"March 8, 1991

".....While I have your ear, I'd like to say I'm puzzled by the lack of an explanation in the Expresses for what is a very different Allied war outcome than was projected by Hatonn. There should be no blaming of Hatonn for being "wrong"..he saw what was coming and simply reported it. What does need, to be addressed is that SOMETHING changed that projection and we need to acknowledge the tremendous difference an outpouring of prayer and Love can have on a negative situation. We have just witnessed a miracle of sorts and there is no mention of it! Instead of hundreds of thousands of our troops dead, they are coming home.

"Negativity can be reversed in thought and your readers need to understand this most powerful Truth. Understanding this, they will have something positive with

which to work. I think some of the messages can be so overwhelming in import that they have had an adverse effect on some readers who become fearful and hopeless thinking there is nothing they can do. It's my opinion that the import of the messages need to be balanced with what readers can do to change these projections with their mind energies. They need to understand the unlimited power of Thought which is backed by Love.

"There are many more snakes in the woodpile. It would be wonderful to have an informed readership actively reversing in thought, with the power of Love, all the insidious plans and activities of those who would enslave mankind. That would truly be an example of God in action and make your newsletter not only an important source of information, but a most worthy tool for accomplishing the mission of saving this planet not only for a remnant but for a real harvest!

"Thank you for listening. And may the arms of the Infinite surround and protect us All forever and eternally. (L.F.)"

Thank you Linda. I believe with the more recent writings I have given you insight into what happened in the Iraqi massacre. Pure and simply--the Russians shut the holocaust down to save for yet another day.

Since this goes along with our Journal material I shall take time out for discussion of this point. It is not JUST military power supremacy--it is real confrontation time in the Soviet Union. Gorbachev has led his

people into the entrapment of the Elite One Global Government headed by the Zionist Khazars who call themselves anything convenient to deceive the world. Gorbachev was given orders to stop the war for nuclear bombs were perched and aimed at each other, by both Iraq and Israel. The AGREEMENT was to have no NUCLEAR WAR before 1992--in the Middle East.

I care not what the media tells you--over 2 MILLION Iraqis perished in your bombing raids. Some of the most wondrous churches which have stood nine times longer than the United States has been a nation, were destroyed. You were told it was at the hands of Saddam--no; it was from the bombs directly targeted upon those ancient and sacred structures. The evidence is not public so you can get your hands on it for it has been gathered and buried as quickly as it is released. However, I ask now that information be written herein which will give you cause to "remember" that which was told to you--BEFORE THE STORY REVERSED.

On or about February 4 you were told that a church--some 1,900 years old and claimed by many to be the oldest church in existence--was heavily damaged in air raids.

The story was ignored by the Establishment media and only came forth from underground papers and word of mouth. The media was ordered to hold the story. But you see, these things are precious within the Arab world and the news was a shock to the Arabs and it made the news of the day. Headlines in Jordan screamed objection that St. Toma (Thomas) Cathedral in the ancient city of Nineveh was destroyed. Nineveh was a remarkable city associated with

the walking of the one you called Christ--and prior.

The story has now been confirmed by the Vatican. The church was some nine times older than the United States and there is much anguish for now there are pictures and the destruction is awesome. Vatican spokesmen stated: "*Iraq's oldest Christian church was severely damaged by an allied bombing raid in late January. St. Thomas Church near the northern city of Mosul (across the Tigris River from the ancient city of Nineveh) was practically destroyed by bombing.*" You can check it for yourself, the spokesman was Joaquin Navarro-Valls of the Vatican reporting to the Catholic News Service.

The U.S. Pentagon remained mum as reports streamed back about St. Thomas Church, along with Islamic (Christian/Moslem) shrines in other Iraqi cities, being destroyed or badly damaged in targeted raids.

Navarro-Valls said the Vatican was able to confirm through its own channels that the church was bombed. He said the roof was blown away and massive destruction was throughout the structure which remained standing.

This one church in focus herein is located in ancient Nineveh, the ruins of an ancient capital of Assyria, about 120 miles north of Baghdad (about 140 miles north of ancient Babylon). The site is near Mosul, a major trading center and birthplace of Iraq's Chaldean Catholic Patriarch Raphael I. Bidawid.

Your California State Senator, Wadie P. Deddeh, a Chaldean Iraqi-American, told a local Catholic newspaper, "*We don't know how many people are be-*

ing maimed, injured and killed in the bombings. I pray to God that someone with Christian compassion will start to speak out as they (the Iraqi people) begin to bury their dead ones. But I don't see any compassion."

The most "telling" portion of this story is that which was given unto you-the-public. You were told that Saddam had ordered the bombing himself. You were told a whole bunch of garbage and I become irate at the acceptance of such as if you had one-track vision. It was the bombing of the Holy places which caused the Iraqis to hold the really destructive weapons. It was felt that it would become evident that they were NOT sending all the Scuds which were being fired--but alas, the media is more powerful than the truth.

In "holding off retaliation" Israel demanded the bombing of certain sites--those of the shrines and churches. I warn you ones again--the Anti-Christ will wipe every sign of Christian belief from the planet if possible--and by any means possible. Are these the precious Judeans of God? Of course not--they have no blood connection to anyone remotely referred to as Judean.

There is no such thing as "right" in war but to blow away an ancient nation and the civilians therein is heinous beyond anything I can imagine. Saddam Hussein is ONE man--no more and no less, and to slaughter men, women and children under the guise of "getting Saddam" half a world away from you and no threat unto America in any manner what-so-ever is beyond heinous; you simply have no words for the truth of it.

Precious Linda, do you see, dearest one--that it is hard for

me to respond to your "miracle" through Love and Prayer? Do you see where God is placed by man? Who shall die and who shall live? Your sons or theirs? Is it a "miracle" of "Godness" to the grieving and still dying nation of Iraq? **THERE ARE NO WINNERS IN WAR--WAR IS EVIL AND THERE IS NEVER JUST CAUSE FOR WAR--DEFENSE IN FACE OF DEATH IS HONORABLE--ALL WAR IS EVIL.**

The Soviets stopped the war (in response to your inquiry) and you had to agree for you have not the military power of the Soviets, who, like you, have only continued massive increase in weaponry and space power. You could not even get your shuttle off the ground--remember? But yes, there is nothing more powerful than Prayer through honorable and selfless intent, through Love. It will be that which salvages your planet--through confrontation and recognition of TRUTH of how it IS. If you do not come up from out of the lies, you have no notion for that which you petition unto God.

My being is laden down with pain as I bring these messages unto you, my brothers and sisters. We write until Dharma's heart is bursting and the keyboard wet from our sorrow--but it is our commitment and our mission for it is ordained by God that you shall be brought into knowing. I, too, often plead to have this cup lifted from me for I see that which lies ahead and man awakens so slowly and often--when awake--cares not in the least.

As for your troops coming home, hold up your rejoicing for the ribbons and flags will be tattered and torn before these sons and daughters of your America all come home again.

SOME of your loved ones are coming home. You knew not how many were sent--over a million when you were told half as many. How many have returned? You see, you know not for in the great distraction and reveling there is no notice.

Where is Saddam? Is he really? Where are the weapons? You know that Baker has just been dealing and giving away more of your property and making concessions to Israel and now Assad in Syria. They are now pulling the most powerful terrorists together in order to control you who will object when you open your eyes, into forceful surrender.

As is coming in the Arab nations--there comes a time when the poverty and very lives in the living become so negative in oppression that death is preferred. That is when the world shall quake in her tracks for the people will ultimately rise against the offender and oppressor--remember: "From bondage comes spirituality, etc." You are in the Reign of Evil upon your planet. It was written thus and yes, you must act and act with intelligence--but you cannot act if you know not what against nor who is your enemy and refuse to accept same.

Yes, I am aware that our messages are of such magnificent and overwhelming import that they have an adverse effect on some readers--through fear and hopelessness. However, I must continue to give forth unto the strong and allow the weak to gain strength in their own time for the moment is at hand for the unveiling and so shall it come to be that Truth be laid bare and the beast revealed for he has all but devoured your civilization and destroyed the wondrous Mother Planet as well in his greed and need for blood

and destruction. I shall not back away in order to offend no one--I shall continue to pour forth Truth until the cup of lies is emptied.

My brother, whom you have called Pale Prophet, Jesus, Esu, etc., (the Christos now Sananda), travels in my presence upon the craft of the golden wings of the Phoenix craft and he is giving forth explanation of the commandments as originally presented in truth, as well as setting the words to right which have been changed by the deceivers. That will come forth to you as it is readied for the printing. It shall come from another scribe so that you ones can better find balance of acceptance and Dharma cannot bear this burden alone--the load is too heavy in your trap of "time".

As to your "business", Linda. Do not think that anything has changed greatly in the "business" world. They plan to take it all from you--the-people and I cannot project that which will be by July nor would I make projection if I could. The shackles are tightening daily behind the distractions. You are getting ready to be dumped on again--an additional \$30 BILLION was just poured into the S&L RTC. Your banks are being shifted to central banking under the claws of the "Big One"--the entire thrust is to structure the entire world (and it is under way from Employee/Pension benefits to Health Insurance) under one form of operation. The plan is to move out of the U.S. in massive evacuation to places where labor is cheap and no problem, leaving America to pay the price and be reduced to willingness to come under the PLAN. This is all set to be in place and operational by year 2000. So you see, time is running on the clock

and windows of opportunity are likely to be brief at best. You must each take that which we can share with you and then go with that which seems right in action--I can do no more and certainly my human counterparts who take this additional load unto themselves in service unto you readers, can do no more than offer and serve.

May I, herein, take opportunity to give a humble "thank-you" to one who has gifted our publisher with funds to send volumes of information unto some 170 legislators in the state of North Carolina. He has asked for silence as to resource but we of the brotherhood of Hosts, thank you most gratefully. I ask that California State Senator, Wadie P. Deddeh get as much information personally, as you can send to him--immediately! George, will you see to it, son? You ones tend to forget that the Iraqis, too, are your brothers and fellow-citizens and the pain is beyond belief for these brothers for they have not been pulled away so completely from family and tradition as have the generations of Americans under constant attack and deceiving.

How can it be that the most wondrous nation in the world has come to be the most feared and abhorred? The rest of the nations can see that which has come to be and hold only love for you--the-people and feel great sorrow for you for the veil has not been drawn so tightly as to blind others as has been done unto you.

Be aware of that which is coming in getting you prepared--every day now, they are telling you NOT to expect the rest of all your loved ones home for this or that reason, in Iraq. They are telling you openly that it will be a long time before you can have your loved ones back--

LISTEN TO THAT WHICH THEY SAY TO YOU!

EXPLOSIONS, CRASHES AND DISASTERS IN THE U.S.

Think you that all the mysterious crashes and petro/chemical company explosions are accidental acts of nature? Come, come, beloved ones--do not tie the yellow ribbons into blindfolds--you are under attack in a most insidious manner and the facts are instantly covered to insure no panic while the "Elite" come to understanding. You are getting some follow-up lessons of hand-slapping for launching a Vandenberg missile and an Arian French rocket with your military satellite aboard last week. The government knew EXACTLY where the retaliation would be to the place and minute. The enemy you do not yet perceive has incredible abilities at command.

Now, Dharma, print the second letter please, the one asking anonymity within the press, from Dr. C.J.M.

"March 10, '91

"Dear Hatonn,

"I want to confirm your allegation that the news media is completely controlled. I was "shocked" when this happened on commercial TV, but it just confirms what you said and if there are deletions and manipulations of facts on this one incident, then I can imagine what goes on on a large scale. A few weeks ago, right after the ground war started, there was a plane crash at Los Angeles International Airport. RIGHT AWAY WITHIN MINUTES, ON THE SPOT, reporters were there talking

to witnesses, live in person and witnesses over the phone. At least five witnesses said that they heard a "POP", an explosion and there were large flames engulfing the tail section 10 - 20 miles away from the airport from where people were watching from their apartments. Later on--on the "regular" news hour and the days following, nothing was ever mentioned about this and it was blamed totally on airport controllers and the congested traffic. Sincerely, CJM."

I believe this speaks clearly for truth in reporting. I can give you more personal information. On the following day from that "crash" my scribe was in L.A. and "happened" to bump into a young reporter from one of the L.A. TV channels, who is a friend of Scribe's son. He had been on "duty" all night from the moment of the crash and never left the site until 20 minutes before the encounter. He said that all information was censored and "no-one" could "or would" say what happened but it appeared the smaller plane underneath was NOT in the flight path but actually off to the side of the runway--so something was badly amiss and reporters were simply not being given information. I believe we all know what happened! Dear ones, if you allow yourselves to be sedated--then I hope you sleep well for you are in the midst of it--you are losing your nation and your freedom. So be it.

I need my Scribe elsewhere so we shall bring this to a close. When we write again, we will pick up with the Journal, Dharma, but I needed to respond publicly to these two writers. Thank you.

I wish to acknowledge some incredibly interesting information which continues to flow from a group who has done great research into these adversary groups of which we are writing, and in addition, are unearthing great control having been inserted from the Vatican/Papal source. Indeed, dear ones, we will get there also, for do you not see? It is all of the same. Evil has usurped every place of Godness and is now bringing into final unification, the Elite Plan. Dear ones, I cannot speak strongly enough--you are in grave circumstance and I plead with you to see and hear for the time is at hand for that which you have been expecting for lo, these generations. The time has come for the revelations.

Salu,

Gyeorgos Hatonn

3/14/91 HATONN

Dharma, who told you the road would be easy and the rose without thorns? Precious, the thrust of spears and arrows can only confirm that our work is Truth. Would we quit when the gossip pains? How else can we give Truth without repeating that which is already told in Truth? Are we evil for using the dates on a calendar? Please, can you not see of the humor in this latest tattle telling? Yesterday you were in pain for they denounced us as "anti-Semitic" and now, today, from Florida comes the news that we are considered "Jews" and untrustworthy? Don't you understand that one does not kick the dead dog--Truth is reaching its mark and we have a job to do. Ours is to bring the word and build that which we can in the time given us through Grace. Ours is to serve God of Holy Light, Mother/Father Creator and what humans--who believe themselves

to somehow be Judge and Jury, having not even read our work--think and say shall not cause us to stumble.

If we offer the "way" to better manage in this time of chaos and usurpation of your Constitutional freedoms and offer ways of protecting selves--then we are greatly serving according to the needs of God's people. We petition hearing, we force nothing on anyone and we offer all that we have unto anyone who will partake--beyond that we solicit nothing and therefore, chela, you must rise above the prattling. I further suggest that if the person in Florida is having great difficulty in deciding that which to do with her funds of great size--hold them if she wishes and, further, I suggest that you decline to take them for whatever reason.

You ones who would offer services as requested must realize that ones who search and ask of every man his/her opinion is self-unfulfilled and at great confusion about Truth. Do you not see that ones would prefer to play at games with magical tokens than deal with the dreary truth of God's actual coming again upon your wondrous place? It remains far easier, still, for the camel to pass through the eye of the needle than for the rich man to find his way into God's kingdom wherein riches are not of empty Federal Reserve Notes. And YOU must remember that that which you did not ask nor accept--is not a gift nor a bonding. Therefore, what is the problem? Those who offer and then take back and hold and play games are not acting in truth but in indecision and false projections. GOD DOES NOT TEASE WITH HIS GIFTS, GRACE, TRUTH OR LOVE and lesser from a fellow being, Dharma, is not a gift worth the holding for

the price of the "free" gift is far too expensive. Bless these ones who cast the spears for theirs is simply an inability to see clearly through the muddle of circumstance.

We bless ones for their original generosity of spirit and then we go about our work. A person who befriends and acclaims you on one side and then denounces you in secret behind thine backside--is not a friend, chela. It does not mean that we deny the honor and respect of that which they accomplish in worthy work to fellow-man. All are precious in our Father's eyes and the intent was meant well in the beginning but that which was not even solicited, but rather, offered and then withheld is nothing from onset--do you see? You are simply weary and the blows are a bit heavier but I ask that you release it unto me for I have very broad shoulders and I can carry the both of us without huff or puff--so be it.

I ask that George relax, one BC has been at his work and you are only having a replay of "slimy pukes", "Zionists unmentionables", "they are in collusion with the little gray aliens," of which they know there are NONE, and, "GG is with the CIA", etc., etc. It is simply a rerun--nothing more. TRUTH WILL STAND ALL TESTS AND ALL TIME WITHOUT DEFENSE OR QUARREL.

The quarrel with ME is not of using another's material--in all cases thus far (both) are in a state of fury because I denounced both as presenting false information. Both in point claimed others had stolen their material long before I came upon their little program. It is the "gray men" who are the problem to you ones--not little gray aliens from out there some-

where--the evil is already well settled in upon your place and in full control and moving full-steam ahead. The other information which has fallen to question was presented to bring the ones into the open--there are no great secret anythings ("orders", etc.) in God's Holy places and no select ONE to speak for God.

Now, if you turn from your commitment unto God and cast back his gift unto you of the receiving of his Word--are you not worse than thine enemy who calls you false? Let us think on these things together--later, for now we must move on with our work. Thank you.

We honor without hesitation those who have given unto their fellow-man that which they have to offer in truth and I bow in appreciation. We are not playing games of tiddle-de-winks, beloved children--you are in the final days of decision. It simply is the way it is and all the bantering and objections shall not change an iota of the fact. Further, we shall wait upon God until HE says the time is correct and not one moment before. Salu!

SPEAKING OF LIES - -

No one likes their lies uncovered, chela, and in that position now sits Mr. Cheney who expounded on the information of the bombing of the sacred places by Saddam's own orders. We were rushed this morning and there is a bit more I need to add to that dissertation.

Along with "proving" the self-bombing of the sacred places came simultaneous "proof" of this fact by showing you planes which Saddam had "parked" by the ancient pyramid at Ur. Now, let's look at the truth of the situation--now presented by

an archaeology professor who was asked as an "expert witness" on Mesopotamia in a National Public Radio interview on Feb. 14. He exposed the lies of U.S. Secretary of Defense Richard Cheney on the ancient ziggurat (pyramid) at Ur. He reported that the aircraft allegedly placed at the site of the pyramid by Saddam Hussein to prevent the U.S. from bombing them were actually located on an airbase which has been there for 30 years, built by the British Royal Air Force.

As to Mr. Cheney's claim that the ziggurat had been continually occupied for thousands of years, he noted that the site had been abandoned by humans since before the birth of Christ.

Cheney's description of the ziggurat, an archaeological treasure dating from about 2200 B.C., as a model for the Egyptian pyramids of the First Kingdom, presents a slight problem, since the Egyptian pyramids were constructed 4,500 years before the Mesopotamian ziggurat.

He also said that if any first-year archaeological student ever turned in a paper containing this nonsense, it would have been passed around the department for laughs and the student would have "flunked".

Let us turn to work on the Journal for a while this evening for the historical data must be put forth before we can handle today's muddle very well. I shall not fail you, chela, and it shall all be made clear in its proper time. Blessings, too, unto our precious little sister who pens for the Master Teacher and unto our brother who serves Him also, for the journey is hard, too, for them but God shall see unto the rewards and you ones stand worthy in His sight and,

therefore, none else can touch of you.

ROTHSCHILD'S MONEY

Jacob Schiff had been chosen by the Rothschild interests to come to America with several objectives, the major one of which was to control your Money System. The Rothschilds knew the importance of this and at one time, Meyer Rothschild, the head of the clan, was reported to have said: "Give me control of the money of a country and I care not who makes the laws."

In 1908, Schiff decided that the time was ripe to take charge of America's economy. His chief agent for this seizure was a man named Colonel Edward Mandel House who was a close friend of Woodrow Wilson and who would later become his Presidential advisor. House had spent his entire adult life as an agent and courier of the Schiff enterprises and had worked closely with Bernard Baruch and Herbert Lehman, two more of the most influential of the conspirators. In the fall of 1908, these conspirators met at the Jekyll Island Hunt Club, located on Jekyll Island, Georgia, and owned by J. P. Morgan. This was to be a "top secret" meeting in which they would lay the final plans for the money takeover.

Among those present were J. P. Morgan, John D. Rockefeller, Col. House, Senator Nelson Aldrich, Jacob Schiff, the heads of the New York City International Banks, Eugene Meyers, Herbert Lehman and Paul Warburg--in short, all the important International Bankers in the United States all of whom were also in the Illuminati hierarchy. So secret was this meeting that the regular employees of the Hunt Club were dismissed during the meeting, and cooks,

waiters, butlers, security personnel, in fact all help, were people who were trusted by the conspirators.

After a week of business and revelry, they emerged with a plan which they called THE FEDERAL RESERVE SYSTEM. Senator Aldrich had the honor of being picked as the "stooge" who would "railroad" the Act through Congress. They held up on putting this plan into immediate action for one reason. First, they had to plant one of their men in the White House. He had to be a man who would be completely subservient to their desires. This was necessary so that he could sign the Federal Reserve Act into law. They knew that even if the Congress passed it, the President would have to sign it and that if the President were to veto it, there was too much chance of their plans for money control being revealed.

They found their man in a 67 year-old Democrat from the State of Virginia. Woodrow Wilson became President in 1912 and immediately after his inauguration, Senator Aldrich began the process which would make the FEDERAL RESERVE ACT into law. Wilson waited impatiently in the wings to do the bidding of his masters and sign the bill. On December 23, 1913, when most of the Congress were home for the holidays (sound familiar?), the few remaining, mostly those who had been "hand picked" for the purpose, passed this treasonous bill which has become the "greatest money scam in the world's history".

To give you an idea of how heinous this act really was you must understand that your Founding Fathers realized the power of money. They knew that whoever held this power

would control the country so they were extremely careful when writing the Constitution to set forth in writing that only the elected representatives of the people would have the power to coin the nation's money.

The Constitutional language was brief and concise. It was plain enough so that the average citizen could understand it without the interpretation of some lawyer. In Article II, Sec. 8, par. 5, you can read--and this defines the power of Congress: "to coin money, regulate the value thereof, and of foreign coin, and standards of weights and measures".

On that tragic day in December, 1913, a Day of Infamy much greater than anything the Japanese could do to Pearl Harbor, the men you sent to Washington to protect the Constitution from all enemies, without and within, delivered the economic destiny of America into the hands of International aliens (gray men) who hate you and everything you as Americans stand for.

Today, almost 80 years after this act of treason, most Americans believe that THE FEDERAL RESERVE SYSTEM is part of the American Government. They have no idea that it is governed by Federal Banks, whose heads are aliens, who are members of the International Illuminati conspiracy.

Who are these bankers? According to sources who are quite reliable, in Switzerland, the following banks hold the controlling interest in THE FEDERAL RESERVE SYSTEM. They are all Jewish owned and/or controlled. In their order of importance they are:

1. Rothschild Bank of London and Berlin.

2. Lazard Brothers Bank of Paris.
3. Israel Moses Seif Bank of Italy.
4. Warburg Bank of Amsterdam and Hamburg.
5. Lehman Brothers of New York City.
6. Kuehn-Loeb Bank of New York City.
7. Chase-Manhattan Bank of New York City (David Rockefeller)
8. Goldman, Sachs Bank of New York City.

PLEASE TAKE NOTE THAT THE FIRST FOUR BANKS ARE ALL FOREIGN BANKS IN LOCATION AS WELL AS ORIGIN AND OWNERSHIP.

Approximately 300 people who are closely associated, many by marriage, own and control this system by holding stock or shares in the system. They control an interlocking, international banking cartel of wealth beyond comparison, most of which has been stolen from the working man of America through their Federal Reserve System.

How does it work?

First, the U.S. needs, say, a billion dollars to pay bills. Secondly, it notifies the U.S. Bureau of engraving to print one billion dollars in U.S. Bonds; Thirdly, the U.S. Government delivers the bonds to the Federal Reserve Bank as Promissory Notes. The U.S. Government promises to pay for these, its own Bonds, when they mature; Fourthly, the Federal Reserve Bank deposits these bonds, for which they paid nothing, with the Comptroller of Currency; and then, the Federal Reserve then receives one billion dollars in Federal Reserve notes, the currency you now use, in various denominations--thinking it to be "money". THEN, NOTE

HOW YOU GET "HAD":

The Federal Reserve Bank retains ownership of the one billion dollars in bonds, which it received free of charge.

The Federal Reserve notes are now distributed to member banks, so they have money available to pay the bills of government, cash government checks, cash checks citizens have received, make loans to citizens, etc. (Please note that under present banking laws, member banks can loan out some twenty times the amount they have on deposit--over and over and over - - -.)

Then the Federal Reserve Bank receives interest on its bonds, for which they paid nothing, note now how they laid it on you good people!

First the Federal Reserve got a billion dollars for nothing. In the meantime they get interest on the bonds they got for nothing and when they eventually cash them they get the money again. Now we are speaking of a mere "billion"--your government now deals in "trillions". For example, you borrow tremendous amounts each year so that you can give it away in foreign loans--mostly to nations that despise you.

It has been said before, most wisely: "It will only be as decent people in America, who are concerned for the well-being of our nation and our offspring, and wake up from this `near fatal sleep`, into which the conspirators have hypnotized us. Can these powerful conspirator's be smashed? It will only come through the HELP of Almighty God, and the repentance of His people, so that He will, once again show mercy to us." Thank you, Jack.

If you believe these conspirators are content with the control of your money, you are miserably in error, and you are in for additional shock after shock after shock.

Here is where the real rub comes into play. While the Federal Reserve could control America's money, there was no way it could touch the earnings of the American worker, because your Constitution expressly forbids it--BUT---SNAKES IN THE WOODPILE!--you simply got stabbed with a plank out of the communist Manifesto--IT WAS CALLED THE "GRADUATED PROGRESSIVE INCOME TAX". This would lead eventually to the *complete confiscation of all private property in the nation and the complete control of each individual's earning power*. However, such a tax could not be brought about without an amendment to the Constitution.

BUT, as they had done with the Federal Reserve Act, these same traitors, with the same President, arranged for the 16th Amendment to become the law of the land and they "hoodwinked" the American people into accepting this absolute control over their earning power.

A little research will show you that most of the Congressmen who voted for the 16th Amendment knew very little about it because only two had even bothered to read it before they voted it into law.

MAIN EFFECT OF 16TH AMENDMENT

The main effects of this Amendment--which was never supposed to rise above 2%, or so the American people were told--went into effect during World

War II, when President F.D.R. applied a 20% withholding tax on all small wage earners, and up to 90% tax on higher earners. Of course, the conspirators had planned for this and were protected in their Tax Free Foundations. F.D.R. promised faithfully (read his lips) that the tax would be lifted when the war ended, but his promise had no truth behind it any more than the promise he made that he would "...never send American boys to die on foreign soil".

It gets worse, so don't go away. The 16th Amendment never touched the earnings of the immensely rich. This is why a few ears back you saw Nelson Rockefeller, with yearly earnings of somewhere around \$26-million, pay an annual tax of \$216.00.

The conspirators protect their wealth while they rob you of yours. These foundations, which were supposed to have been set up of humanitarian purposes, became the "hot beds" of sedition and radical communist activity. The disobedience of the Vietnam War era was funded by the Foundations who gave "aid and comfort" to those who were trying to tear apart your Republic. This was all a part of the Master PLAN.

These Foundations funded civil disobedience, the rights to spread pornography; the rights of doctors to murder millions of unborn babies; the rights of homosexuals and promiscuous persons to spread deadly diseases--and the list is too long to list herein and we would simply again be called bigots.

A good example of Foundation funding is the Ford Foundation which finances the CENTER FOR DEMOCRATIC INSTITUTIONS in Santa Barbara, California. This is commonly

referred to as "Moscow West". They have organized the "New States" and the "New Constitution".

Those are the Foundations--but what happens to the billions of dollars (credit) which are confiscated from the pockets of you hard working Americans? The major bottomless pit is your Foreign Aid, which now goes directly to your proclaimed enemy as well as the other old stand-by "friends". The largest lump goes to finance Israel. Where does it come from? Your government "borrows" annually multi-billions of dollars from the foreign banks, paying a high rate of interest, so that they can turn around and give it away to nations who do not even like you nice people.

BETTER LISTEN-UP TO THIS NEXT

Do you realize that you nice American taxpayers footed the bill when your military left Vietnam *and left the naval base at Camhran Bay INTACT? Over \$2-BILLION worth of your most sophisticated military equipment was left behind for the communists. Do you think this sort of thing happened by accident--without even disabling it? Your fighter pilots had to watch their buddies shot down by your own weapons and technology which YOU had GIVEN to the Soviets. Further, they were ORDERED to dump their bombs in a rice paddy, when they were given ORDERS NOT TO HIT AN ENEMY SUPPLY DUMP.*

There is simply rotten and sordid play afoot, dear ones.

These are things that must be considered if you are to understand the decline of your nation. As you watch family decline it moves from one facet into the

next with hardly a notice. Look at that which has happened to your judicial system. Justice? You no longer have anything that resembles a "Justice" system. You have Admiralty law with little recourse, run almost entirely by Zionist lawyers and Judges. Again, I can only suggest you re-read the Zionist Protocols. I suppose I should ask the staff to reprint the Protocols for it is so difficult to comprehend that which has come down on you. As America, and the world, has plunged ever deeper into moral decay and moved further from the TRUTH of GOD and away from HIS laws, it has become common to see the legal system used for legal plunder, whereby millions of Americans sue millions of other Americans over some small perceived legal technicality or imagined offense, simply in order to plunder the financial wealth of the lawsuit's target.

Tens of thousands of laws on the books and a myriad of legal interpretations have made this legal plunder by greedy individuals and lawyers, one of America's top economic realities. Virtually all economic, social and human endeavors in America are predicated on "what is the potential for a lawsuit". Every doctor, lawyer, accountant, businessman and person of any financial means must live with the constant fear of a lawsuit that will decimate his finances. It is part of your socialist, something-for-nothing mentality in your nation today, that someone, anyone, must protect you from all physical and financial harm. So, suing people has become your top growth industry, and hundreds of thousands of lawyers exist primarily to encourage, exacerbate and facilitate this process. A bit of comparison might give you cause to ponder: America graduates one hundred times

more lawyers than does Japan, and Japan graduates one hundred times more engineers than America--which country is doing better at the "drawing boards"?

Decades ago, liberals, secular humanists and communists/zionists began to move into your nation's law schools in order to socialize and move the country to the political "left". Today, most law school graduates are liberal and it is all but impossible to find a conservative law school, lawyer, or judge in America. The thrust of these judges and the vast majority of your politicians have one primary goal--to pass more laws and change the face and character of America and move it into the PLAN.

The result of this liberalization is a completely broken-down criminal justice system and one which encourages crime and harasses businessmen, conservatives, Christians and the producers of your country. This thrust has resulted in tens of thousands of man-drafted laws being placed on the books which harass and restrict the average American, curtail his freedoms on an accelerating basis and have become the foundation of a government bureaucracy which wants to control and dictate every aspect of your lives--and does so to great, great extent.

Dharma, it is well past midnight--please let us close this segment and we shall take up with more on the legal system when next we write. Thank you, chela, for your long hours and I am humbly appreciative of all of you ones who get this work on to your brethren. If we walk in love and giving, we shall complete our journey together in wholeness. Let us not be bent by the attackers for if we hold our truth and unto one

another the shield shall not be pierced! In the shelter of HIS ALMIGHTY WINGS SHALL WE DWELL FOREVER AND EVER, AMEN.

Hatonn to clear, please. Walk in peace and KNOW that we are knowing of the "way" and so shall it be that we shall find the way cleared as we have need thereof.

3/15/91 HATONN

HONOR AND BEAUTY

Hatonn in communion on this blessed day given us in which to work at our task. Let us turn from that which is ugly and hurtful and unto the beauty which is God's gift of precious gems beyond all price. Look upon the wondrous shield of snow about the trees and fields and see the budding flowers thirsting for drink for they have long been without water.

Enjoy the parent birds and fledglings as they feast upon the seeds Oberli has spread about for as you serve unto the least of "...mine, shall ye have served unto me". Listen to the sound of the shovel upon the walk that ones might come and go in safety--all of these things, dear ones, which seem so trite and small ARE THE THINGS OF GOD'S PERFECTION. ***Bless thine eyes given that you might see and the ears given that ye might hear--do not miss the fragrance of the rose as ye are paused to see its beauty.*** And then, turn to the wondrous perfection of MAN and let us reach out together to hold the hands and heal the minds that Man again function in that original perfection--for he knows not that which he does.

A MESSAGE FOR EUSTACE

I honor one, Eustace Mullins,

for in the tattlings come the need to pause and confront that which we say and do. If we are not called to look within then we become lax and perhaps sloppy from the frustration of the slings and arrows. Always know that that which can be considered "criticism", be it true or false--is the greatest of blessings for it brings us to attention and if we accept it with Grace and seeking of Truth, we have been given a gift beyond measure. Walk easy, friend, for the Hosts of God are not easily dissuaded nor turned aside and quite readily see beyond that which is spattered about by frivolous words. Do not, either, bend in your accepted task for the masses do not yet understand their plight and it requires all of us scribbling and shouting and then the few who see and hear shall turn into the many. You would not be doing your elected job in truth if there were not those who would silence you!

Take attention, EM, for you are the targeted prize of ones who might well not be in your planning. Hold to your own wise counsel and tread gently for quicksand appears as any other sand--only softer and finer.

AND T.D.

Next I would attend T.D., my friend from so long past that I would shock the readers--and still we disagree on some intents and purposes. Do not be so blind as to believe that the higher beings who come and go are devoid of passion or thought nor holding of ALL answers--for those must ultimately come from within self. T.D. and I have debated the question of the Akashic records since times long forgotten. I do intend to "pull rank" for as ones upon your placement know, I am given into the Cosmic task of

overseeing the "records". The records in point are the prana data recordings of EVERY energy within the Universe. After moving into density of such compression as is Earth, for instance, the perceptions become but tunnel vision and yet, knowing that you know but unable to grasp the whole, the being finds frustration. For you who dabble in this subject material, you will better recognize the subject by "Akashia" or Akashic Records.

T.D., you debate in that "one of greater importance than you" had your record removed from the Akashic records. Please do not continue with this delusion. You might well have been removed from the accessible records for universal access--but NONE--NO-THING--is removed from the records of life streams--except at one time in the cycles of universal sequence--in the Seventh period of Life Creation--the resting of the cycle. This "twilight sleep" of the creation LASTS THROUGH SEVEN PERIODS/GREATTIMES (See THE PLEIADES CONNECTION). This period last about 311,040,000,000,000 years as you of the Earth human would count the annual rotations. In the twilight state of CREATION all life and the whole universe simply cease for this moment in "time". You can equate it to the simple deletion of both time and space--a brief void of total rest. It is a time of no-thing, as all simply lies sleeping within the infinite bosom of the CREATION and null-time. While no creating thought exists there is no force, no time, and no space--there is only duration in a nameless state of total rest.

From this sleep comes the awakening and beginning of creating in the Creation AS CREATION, during the on-

coming seven periods. Then the creating of living forms, the Creating of new Spirit in improvement of the CREATION, the Creating of great Spirit within the CREATION and then the true "life" AS spirit in self-creating, etc. Then finally, again, the great separation but highest improvement of and during the seventh period.

Many have been called again into service for various reasons, from this state of rest to serve again in various capacities at the time of great transitions for moving into this "Greattime" is when the spirit is gained perfection and the records are begun anew.

Please do not consider that you have ACTUALLY been removed from the records of Universal All--for that would indeed be ignoble and a most heinously unacceptable act if it were at any time, possible. It is a matter of fact that ones, for various reasons, of God's choosing, can and are removed from that which is referred to as God's Book of Life. That, too, is a most terrible circumstance.

I know that you know these things for you debate in secrecy. You do not pronounce WHO tells you this thing and only state that "you know, Hatonn". Do I? Why would I? There are billions upon billions of spirit forms about the Universe. Next, you continuously ask my opinion of things, persons and writings--If you were comfortable with the total Truth as given unto you--would you inquire of me? What think I of this or that "channel" who speaks and writes for Enoch? If it be Truth, I commend it--if it be false, I do not. I found the information you sent mostly accurate and I shall take it a bit further at another writing, for it is totally without understanding

as it is stated for it is only intended that specific ones understand such grid systems. Now, to place within the equation, the frequency resonance at proper arcs, etc., you have a major puzzle piece to fit within your tapestry--but do not push the river for it is all but flowing too fast at present and technology has outrun the masses who must survive within the chaos. I do not mind "...coming down from my soapbox", but I do have passion and I do enjoy a good debate--I did not say argument--I SAID DEBATE. You, elder brother, ARE quite special--why would you take offense? So be it.

AND BELOVED WALLY G & MARGARET

I shall now turn to Wally Gentleman, a beloved friend and tireless worker in great negative circumstance of health. He has sent more of Sipapu Odyssey in draft and we are exuberant over the production as it unfolds. Equally are we warmed as contacts and wondrous friends are brought forth to share talents and beauty. He brings to our attention Barbara Harris who has done tremendous work in Near Death Experiences. This is a most worthy responsibility to undertake for through the lessening of the terror of the transition will come the allowance of the beauty of growth and immortality. This work is indeed blessed.

Then he shares with us his visit with Mel Bucholtz, a psychotherapist of excellent repute--as a trans-induction mind therapist. This is where it is AT, beloved ones. Within the mind lies the wonders and miracles of the Universe--all there for your taking, the gift of gifts.

Wally sends a copy of a message of truth penned by this

beloved and gifted person. We shall share it with all of you in just a moment. First I wish to tell Wally, that ones will be at work in acquiring the material you need and listed for you must have credible resources for our production must bear that which reaches, with reality through mental acceptability, into and becomes one within, the beings of each who witness the visual experience. The presentation WILL be accepted as a Divine solace for the searching and restless spirit of man, and as it is written and presented in such Love and Brotherhood of Godness and Truth--shall the fantasy become reality. God rests His hand upon thine work, friend.

Dharma, please print the beautiful and thoughtful sharing of the spirit of Mel Bucholtz that our brothers might pause and take respite from the dregs of that which we MUST present for there is such GREAT TRUTH within these passages:

***THE BODY IS THE
LANDSCAPE OF THE
MIND***

*The body is the landscape
of the mind;
where the dramas of our
early life
are still happening
or have become a kind of
rich preparatory engen-
dering compost--
the vastnesses remembered
as the fruitful fields, val-
leys, marshes,
and desert of wisdom
standing behind us as we
are here now
present in this way
in the moment of our lives.*

*It is a land
where the placid and awe-
some features
of the yet undiscovered
wilderness*

*are wildly flowering from
within themselves
for our unexpected future
explorations.*

*And as we grow
out of our more infantile
and fearful selves,
we wander into these un-
known landscapes,
transformed into those
sleek, feathered, scaly and
wooly animals
we really are,
the ones we are both able
and needed to be
to live in those wilder, more
ancient,
unknown future parts of
that farther
uncharted dancing, tin-
gling, glowing,
purple thunderous, gentle
and softly rivered terrain of
ourselves.*

MEL BUCHOLTZ

* * *

Oh, would that things were in perfection that I could take nothing from the troublesome of experiences and personalities and share one with another, only the wondrous appreciation and joy gleaned from our brotherhood. I would rejoice if I were given time to speak of nothing negative or painful--but only of the joys ahead and the glory awaiting--but alas, that is not given unto me at this sequence for I am given task to alert you to how it IS. I do take respite to give unto all of you who commune and communicate with us--my humble appreciation and gratitude. You cannot know how precious is the thoughtful piece of art of a heart and two doves sent quietly and without label, to Dharma and the personal silent sharing when most often they are sent and there is no way to respond. The handstitched notebook is cherished and I shall tell of her se-

cret for you deserve to know, ye who share with her. As things are painful she gathers the precious things and sits for a while with them in presence with the lovely flowers given and renews again into balance. No-thing great or tiny is passed lightly by--the rainbow pin, the flag with its bit of yellow ribbon--these are the stitches in time that save the robe from falling apart.

There is no way suitable to give appreciation to you who send confirming information, books and observations--along with very dangerous material, such as a most daring young man just sent unto this place--the inner working manual of the Masonic Order. This to give confirmation that that which we project is Truth and can be found in great confirmation--it is difficult for a scribe, for they work in the silence of ignorance just as do you readers.

It is not easy for a young and beautiful child to write of the Commandments of God, when her cup is as filled with sorrow and dismay as is all of your cups. There is no magic to receiving such information--for these ones would rather play in the ignorance of that which is abundant income, beautiful "things", luxury and participate in that which is touted to be so much "fun". The human rebels at Truth for it represents limits and depravation of that which is *touted* to be so grand. But you will find spirits at peace and abundance of soul that reaches beyond all understanding of Earth limitations. When God has shared His Love and energy within thine being--there is NO GREATER--NOTHING WHICH YOU CAN KNOW THAT CAN TOUCH IT--NOTHING, NO EXPERIENCE. If you linger with God for long enough to share of His total giving and Love--ye shall never

again turn about--IF YE BUT ALWAYS REMEMBER! Ah, brothers, it IS the time of REMEMBERING HOW IT TRULY IS! AS THE TRUTH SHINES FORTH AND THE DECEITFUL IS BROUGHT FORTH INTO THAT LIGHT--SO SHALL THE EVIL AND DECEIT MELT WITHIN THAT LIGHT--UNCOVERED AND UNABLE TO SUSTAIN ITSELF. AS THE DARK CORNERS ARE ILLUMINATED BY LIGHT SO SHALL THEY DIMINISH UNTIL THEY ARE NO MORE--THE BEAST SHALL SIMPLY DEVOUR ITSELF. WHEREIN THERE IS BUT ONE TINY SPARK OF LIGHT--THERE IS NO LONGER DARKNESS! NEITHER CAN ONE WHO COMES INTO KNOWLEDGE MOVE BACK INTO IGNORANCE. HE CAN TURN DELIBERATELY AWAY--BUT HE CAN NEVER MOVE AGAIN INTO INNOCENT IGNORANCE. SO BE IT AND SO SHALL LIGHT COME FORTH UPON THE LANDS THAT MAN MIGHT MAKE INFORMED DECISIONS FOR SO IS IT PROMISED THAT IT SHALL BE THUS.

Most of your lives are about proving something, either to yourselves or to someone else. Perhaps if you cease so hard at the efforts of "proof" and allow the unfolding of Truth, it will come to pass in ease through the "allowing". Dear ones, that which you are trying so hard to avoid will NOT go away until you confront it and always, with God, you are stronger than anything which can confront you.

You have this moment--THIS MOMENT! IF YOU SPEND YOUR PRECIOUS MOMENTS IN WORRY ABOUT WHAT MIGHT COME TO BE, AND WONDER WHAT MIGHT

HAVE BEEN--YOU WILL IGNORE THAT WHICH IS. But, again, I must bring facts into your confrontation--Before you can break out of prison, you must first realize you are locked up and recognize who has locked you therein. A most funny thing happens as you become aware and conscious of that which IS--if you acknowledge you are unconscious, you are no longer unconscious. Ponder it.

And for you who persist in sticking your head in the sand-pot, one thing is for sure--you will get your rear kicked! You see, if you don't know what direction to take and continue in the sand-pot, you have not acknowledged where you are. AND MOST IMPORTANT: THERE ARE NO VICTIMS, ONLY VOLUNTEERS!

As a nation and as a people--if you are constantly being deceived and mistreated--then know, you are cooperating with the treatment. Ponder this greatly and see if you are cooperating with the adversary!

Dharma, I do not wish to take further writing on this morning. You have duty elsewhere and I would rest the souls a bit for the battering has been great. There are many very positive avenues of action in this time of confusion and force upon you--stop and regroup, re-read the possibilities of action, seek the avenues of privacy we have offered and the possibilities of actions within the system which can work in your behalf--we need stable, durable stanchions and that comes from a solid foundation of knowledge--if you know that something is wrong but ye know not "what"--how can it be corrected?

Blessed be this day given unto us for our work.

Salu,

Hatonn to clear, please. May the peace of God abide within, that we might serve with "out".

3/1/91 SANANDA

Greetings Thomas, Sananda present in radiance and service unto God. Let us continue with our instruction.

MUST DO

LET ME CLARIFY SOMETHING RIGHT HERE AND NOW. WHEN I USE, OR MY BROTHER GERMAIN USES, THE TERM YOU MUST OR MAN MUST, DO NOT MISPERCEIVE WHAT IS BEING SAID. MAN IS GIVEN FREE WILL CHOICE, NOW AND ALWAYS. HOWEVER, WHAT IS BEING OFFERED FOR YOUR GREATER GOOD ARE INSTRUCTIONS FOR RETURNING TO LIVING WITHIN THE REALMS OF LIGHT. IN ORDER FOR THIS TO TAKE PLACE, CERTAIN THINGS OR ACTIONS OR WAYS OF BEING 'MUST' OCCUR...AND THE PRIMARY ASPECT WHICH MUST BE GLEANED FULLY BY MANKIND IS THE RETURN TO LIVING UNDER THE LAWS OF GOD. Now that we are clear on that point, let us proceed.

NO AMBIGUITY

With God there IS NO ambiguity. To live in harmony and accordance with His Plan and His Laws is very clear. Always man wants to change these old and dusty Laws that no longer apply in the modern times in which we live. Oh yes, we in the realms of light can see how far you have come as we watch a once great nation of freedom bomb to smithereines a little sandy piece of land known as

Kuwait. Oh yes, we of the realms of light can see how far you have come when brother makes love with brother in the vilest of fashions, usually spreading disease therein; when married men and women sleep around on the sly to boost fragile ego needs to feel good enough about themselves to face another day...only to find that it doesn't work, doesn't fulfill, doesn't help bring greater union with the once loved spouse. Oh yes, we see how far you have come by rewriting God's Laws. THE ONE THING THAT MAN HAS NOT TRIED IS LIVING BY THEM!!!

TRUE FROM THE FALSE

Man must, yes, there is that word again, come into discernment of the true from the false. Is there ambiguity in what I am telling you? Is this difficult to understand? How so? It is a time when man shall come to know the true from the false and therein shall be great joy. To follow our instruction is the greater part of wisdom for what we offer is the ticket home. But most will sabotage themselves so that, for some inexplicable reason, they just can't make it...not worthy, too much guilt, too many sins...whatever. Always the list of reasons for not fully walking in God's Presence is endless. Fear and lack of self-worth do it, every time. It needn't be that way, beloved, it needn't be that way. Lend an ear. Sit for a while and hear what I am telling you. Look around you. What do you see? Is this the reality to choose for yourself? Is this the world you choose to experience in? If the answer is NO, then change it! If you seek to change it in the willful way of ego/self, it shall remain unfulfilling in the ending. But if you change it within the lighted Presence and Guidance of GOD, in accordance

with His Laws...you shall be blessed beyond measure. So be it.

FALSE PRIDE

PRIDE GOETH BEFORE THE FALL...EVERY TIME. FALSE PRIDE IS SATAN'S WEAPON TO BRING DOWN GOD'S WORKERS WHO ARE PROGRESSING. PUT AN END TO THE PRIDEFUL WAYS ELST THE LESSONS NOT BE FULLY LEARNED. THERE IS NO PARTIAL LEARNING IN GOD'S KINGDOMS...ALL LESSONS ARE LEARNED COMPLETELY BEFORE THE NEXT IS OFFERED. LET ME USE GERMAIN'S EXAMPLE HEREIN. TAKE A DAY, ANY DAY WILL DO, AND FROM THE BEGINNING TO THE ENDING OF THAT DAY, MONITOR...HONESTLY NOW, FOR THERE IS NO CHEATING IN GOD'S REALMS EITHER...YOUR PRIDEFUL WAYS. IF SOMEONE TELLS YOU SOMETHING, ARE YOU IMMEDIATELY DEFENSIVE? DO YOU IMMEDIATELY BRUSH IT OFF AS HIS OR HER OPINION, AND THEREFORE INVALID? DO YOU CHOOSE TO NOT GIVE A SECOND THOUGHT TO ANY FEEDBACK WHICH COMES YOUR WAY THINKING THAT YOU KNOW BEST? IF THE ANSWER TO ANY OF THESE THROUGHT OUT YOUR DAY IS "YES", THEN I WOULD SERIOUSLY AND STRONGLY SUGGEST TO YOU THAT YOU TEAR DOWN YOUR PRIDE AND OPEN YOUR HEART FOR GOD IS TELLING YOU SOMETHING AND YOU ARE NOT LISTENING. TO CONTINUE TO IGNORE INSTRUCTION IS FOOLHARDLY INDEED, FOR IN THE ENDING IT IS YOU WHO SHALL BE DRAWN

AWAY...FOR THOSE WHO WALK IN THE LIGHTED WAYS ARE NOT PUFFED UP IN THE WAYS OF PRIDE. LET THOSE WHO HAVE EARS HEAR WHAT SPIRIT IS SAYING UNTO SPIRIT. I AM SPEAKING NOW, THOMAS, UNTO ALL OF MANKIND...AND THOSE WITHIN CLOSER EAR SHOT MIGHT ALSO FIND A LESSON HEREIN. SO BE IT.

A MATTER OF DEGREE

You ones don't seem to be aware of something which is very important. Keep in mind that each of you is a spark of God beingness. You each carry within you the Silent Watcher, that energy which records for all eternity every action, thought, every word spoken, etc. While there certainly is not ambiguity in the realms of God, there are in the realms of man many shades of grey. There are degrees by which man obeys or disobeys the Laws of God. If you do not commit adultery but you certainly are desirous of your friend's wife, this is noted. If you do not break into your neighbor's home and steal all of his possessions, but you take home paper clips from the office, this is noted. There are degrees of compliance, if you will, for lack of a better descriptive means, within the Laws of God/The Creation. To fully and totally, with perfection of intent follow the Laws, that is worthy of careful thought, discipline, and attention. There is no perfection in the realms of man, for there is no perfection short of God. However, man for eons has used this poor excuse to remain undisciplined and, essentially, run wild doing whatever his willful intent deemed exciting within the moment. And now man is having to face the consequences of such reckless abandon...for now a planet is at

stake. And we have come to assist not only mankind, but the planet Herself.

Before the building can occur man must come into his full and complete understanding of his own downfall. You may pass all the new and exciting laws you like in all the churches in the realm...it changes not a hair of it...except perhaps in that it removes you further from God's Presence. Although, in actuality, God is Omnipresent, Omnipotent...it is man that is perpetually pushing God away so that God will not witness this one more act of degradation in an effort to find the ever illusive sense of fulfillment. Well it shall remain elusive lifetime after lifetime after lifetime until that path of light is walked in full and complete understanding...in harmony with God's Will.

Let us close this, Thomas. Thank you.

Salu
I Am Sananda

3/14/91 SANANDA

Peace, peace, peace be upon you, Thomas. Sananda here in radiance and in service unto The Father/God/Aton.

When I walked upon your place as Immanuel ones looked at me as speaking with a strange and foreign tongue. I spoke concepts that were new unto them and yet familiar. Love ye one another. Honor one another. Treat another as ye would be treated. They looked upon me in shock, horror often. Who is this man who comes to speak of such things. The lessons I spoke of then by way of the parable are as valid today as the day they were spoken. Some have seen this to be true and have changed their path accord-

ingly. Others simply cast the words aside as more religious fanaticism. It matters not to me one way or the other except that I came and do come to bring as many with me as are willing to live in accordance with God's Laws and the Laws of The Creation.

These are not abstract rules set forth for man's frustration and downfall. These are rules for behavior. These are very reasonable guidelines to allow you to live life as it is in accordance with Divine Law...Divine Will. Free will always efforts to struggle with compliance with what is perceived to be another's instructions...even if it God's. And yet, for those with ears to hear, the instructions were brought forth to eliminate suffering...or to certainly greatly reduce suffering as you come into your knowledge of who you are, as Earth Human and how your life is to be lived. Countless lifestreams have come from that place to experience the pain of self-judgment...each realizing too late the wisdom that was there for the sharing but too often ignored. Will you feel the pain of willful actions taken against the Laws in the ego-centered perception that your way is the better way? It is the wise one indeed who recognizes the greater wisdom and lives according to the outline laid forth for your highest benefit.

It is the behavioral addictions that present the greatest barrier to your true fulfillment...for within the addiction you are blinded to the truth of it. You are not addicted? No? Each among you is addicted to a certain degree to something...for most ones it is either to drugs of one kind or another or to sex. When behavioral patterns have long been established it often

seems impossible to break free from them...and indeed, most have no true desire to break free but rather to continue and continue and continue...never finding satisfaction, never finding fulfillment, ever seeking the momentary escape that masquerades as peace but comes back to haunt you again, and again, and again. Break free from these bindings...for man is about to break free when he but realizes that there is another way, there is an alternative to the perpetuation of the pattern you have chosen to establish for self.

Fulfillment does not come from the brief sexual release. Fulfillment does not come from the needle in the arm or the smoke from various drugs. Fulfillment comes from knowing God. Fulfillment comes from helping your fellow man. Fulfillment comes from obeying the Laws of God from the heart place. Put self to the side and focus your attentions on that which your brother needs. You may not do it for your brother...for each must be responsible for self-actions...but you certainly may help your brother when he is in need of it. And in the times that lie before you your brothers and sisters shall need a great deal of help for there shall be chaos upon the land and it is through the willing cooperation one with another that you shall see it through with integrity and fulfillment. So be it.

If ones would channel the energy depleted from sexual acts onto building creatively with alignment to God, you would have a new world. But mostly ones struggle on your place for mere survival...one more meal, one more sexual act, one more dollar...and so the spiral appears endless.

Man has become sickened by

the world he has been witness to. The frustration is manifested all around you within the American cities. The violence shall simply escalate as ones lash out against anyone, anything that appears to be in their way in the moment. There is a better way. There is a better path if man will simply make the choice for self to walk it. Most perceive that it requires "giving up too much" to be with God. Well, GOD HAS GIVEN YOU ALL...ALL!...WHAT ARE YOU WILLING TO GIVE GOD? Always it is the intent that God hears...your lips may flap in the breeze all day long, but it is the intent, the essence within that God listens to. What is your intent? Your essence? What do you ask of God? Give me this? Give me that? Or do you ask, "Father, how may I be of service unto my brother?" Think on these things, beloved.

Walk in Peace

OUR NEWEST JOURNAL

THE BITTER COMMUNION
ALTARS OF HEMLOCK
"...AND A NEW RELIGION
SHALL SWEEP ACROSS THE
LANDS AND THE PEOPLE
WILL BE DECEIVED...."

HATONN:

The subject of this Journal is an ongoing outlaying of that which has come upon you--it is our "commission" given forth by God Creator and our commitment unto Him and that unto Creation to set the records to straight so that the truth is known in the final days. But oh, blessed brothers--it needs not be the "final days" for that is the BIGGEST LIE OF ALL AGAINST YOU DECEIVED ONES OF INNOCENCE--YE WHO HAVE TRIED TO FOLLOW THAT WHICH YOU

PERCEIVED AND ACCEPTED AS TRUTH FROM YOUR TEACHERS AND LEADERS--HOW COULD YOU KNOW THAT THEY WERE DISINFORMED FROM EVIL SOURCES? MAY GOD GIVE HELP TO ALLOW YOUR VISION TO CLEAR THAT WE MIGHT WALK TOGETHER IN TURNING ABOUT THIS BEAST AND CLEAR IT FROM THE LANDS. AHO!

ATON:

...AND YE HAVE GIVEN HEMLOCK UNTO MY CHILDREN IN THINE COMMUNION CUPS--IN MY NAME HAVE YE CORRUPTED THE LAWS OF GOD. AND IN THAT CORRUPTION SHALL YE BE GIVEN TO KNOW THAT WHICH YE HAVE DONE FOR YE HAVE DEFILED MY NAME AND SHED BLOOD OF THE INNOCENT UPON MY PATH OF GODNESS AND THEN YE ASK GOD TO ALLOW YOU TO PREVAIL. YE HAVE STOLEN THE CHALICE OF GOD AND FILLED IT WITH THE BITTER POISON AND GIVEN IT UNTO MY CREATIONS--AND THIS YE HAVE DONE IN MY NAME. GREAT SORROW SHALL PREVAIL UPON THE LANDS IN THE FINAL DAYS OF THE CLEANSING.

WHO WILL COME WITH ME? WHO WILL WALK WITH ME? WHO WILL SHARE OF THE SWEET COMMUNION WITH ME? YOU WHO HAVE PATIENTLY OBEYED THE LAWS OF GOD DESPITE THE PERSECUTION, THEREFORE WILL YOU BE PROTECTED BY ME, FROM THE TIME OF GREAT TRIBULATION AND TEMPTATION, WHICH WILL COME UPON THE WORLD TO TEST EVERYONE ALIVE. LOOK, I AM COMING, SO YE OF LIGHTED TRUTH HOLD TIGHTLY TO THE LITTLE STRENGTH YOU HAVE--SO THAT NO ONE

WILL TAKE AWAY YOUR CROWN.
