TODAY'S WATCH

Please stay alert! Rejoice that the conflagration in Kuwait is possible to be ended shortly--IF, everyone keeps a cool head. But don't be lulled into a nap while the "fiddling" goes on for "Rome" is still afire.

For instance, now Hussein says, "I'll pay reparation and restoration contributions, etc., etc., etc." How will you enforce that he do so? You have nation after nation promising to pay you--the-American-taxpayer for holding a war for them--they hardly even came to the war--AND, FURTHERMORE, OF ALL THE BILLIONS PROMISED--LESS THAN 5% OF THE FUNDS HAVE COME THROUGH! How do you expect to enforce payments following a war? How do you expect an army of "brothers" to enforce anything?

America--you may be given an opportunity (break) in here whereby you can make an impact on your government to regain some segment of control back into your hands as a nation under God with government slowly coming back to "we the people, of the people and for the people". I petition unto you--do not let this opportunity pass you by.

SHUTTLE LAUNCH

Why do you think the "shuttle trip for military purposes" is now being considered for launch--in spite of the cracked hatches? Do you actually think that the Soviets will al-

low a military weapon into "their" space?

YOU THINK THE SOVIETS ARE IN BAD PLIGHT MILITARILY?

Not so! You can go look up this next tid-bit: The Soviet Union has doubled its defense budget for 1991! This puts the Soviets on a "war footing", brothers. A doubling of military materiel is tantamount to WAR! WITH WHOM ARE THEY PLANNING TO GO TO WAR? NOT US IN THE COSMOS--REGARDLESS OF THAT WHICH THEY MIGHT SAY! Of course, an alternative to preparing to go to war themselves, could they be working up a better defense system--against you and Israel??? They have just mediated a war and set limits beyond which they cannot yet tell if you will go, so you have and are experiencing a "dry run" for military strategy planning.

Do you actually believe the Soviets and Iraqis would allow themselves to "get caught" if Saddam had not originally planned and expected big guns from the Soviets to handle the war more effectively? And what of "after"--you would rather have a second dictator AND IRAN in charge of the Middle East? Remember the 52 hostages? Peace will be more difficult than the war and will drain away your resources at a tremendous rate any way the war ends.

PAY FOR COST

Who will pay for the Soviet buildup? You just saw it--the hand quicker than the eye. While all

eyes were distracted the "hand" (Kremlin) decreed a draconian devaluation of the ruble last month--in expectation of exactly that which the U.S. will do quite soon to pay for your war! The move actually means that the ruling Communist Party simply stole the money from the people of the USSR to cover the new military costs.

Prior to the latest increase it is known that a minimum of 25% of the Soviet Union's total gross national product was going into the arms buildup--as I have told you over and over prior to this--the Soviets have never stopped the buildup--and frankly, neither have you. Now--somewhere between 40 and perhaps over 60% is immediately swinging into military use.

BUT AMERICA IS DIFFERENT?

Are you? Do you have any idea, at all, what the cost of this war might be? How can you know? Oh, the media! Let us look at the media: The national press, with all its polls and fact checkers, can't get the first facts straight about the war--Feb. 4 issue of *Newsweek*, says the cost of an M1A1 Abrams tank, as a good example, is *quoted* to be \$4.4 million. *Time* magazine *quoted* the price at \$2 million each. Dear ones, that is more than a 100 percent difference--one of them, obviously, has got to be wrong. The facts are that both are wrong and the \$4.4 million is more nearly correct and you can judge the "high" projections against things like over \$11 million for one attack helicopter. The cost estimates depend on the "political situation" and what the controllers want you-

the-people to know. Every time a patriot missile was shot off in error, or intent, over a million dollars burned. But, not to worry--"your politicians wouldn't lie to you-the-people!"

WHAT OF MILITARY DRAFT?

Oh, I see, especially now that the war is nearly over we wouldn't have need for a draft? Wouldn't "we"? Peace is going to require almost as many men as war and the volunteers are a little more reluctant, I would expect, to sign up again. So in spite of all the political denials--the foundation of such is under way full blast--"...just in case the need arises!" "There would need to be a smooth flow if there would be such need!"--you are told.

SO BE IT!

How does this description hit you? "Boy, it is fantastic, we fire off one of these zingers and it hits a tank and then there is an explosion and then another one or two and then the tin can' glows white hot--it is fantastic?" No--not your enemy--one of your "Big Red One" crews, a young son of some 18-19 years. "We just kill the tanks, bam, bam, bam!" **HOW MANY HUMAN BEINGS DIE EVERY TIME A "TANK" IS KILLED? DOES THIS DO NOTHING TO THE SOUL OF THE "KILLER"? OR, IS DEATH IN WAR NOT DEATH? I HAVE TERRIBLE NEWS FOR EVERYONE--YOU CANNOT "KILL" A TANK, YOU JUST STOP IT FROM FURTHER OPERATION (PERMANENTLY OR TEMPORARILY DEPENDING ON ABILITY TO RECONSTRUCT)--YOU "KILL" HUMAN BODIES--PERMANENTLY!**

Dharma, enough of "watching" for we are going to return to our subject of the current Journal, this current segment concerning AMERICAN FREEDOM & ZIONIST POWER--I did NOT say Judaian power. The most precious gift I can offer you is insight and knowledge in a manner which you can now research for self. I strongly suggest that you do not turn your backs to anyone of which

we speak while you wave your flags and ribbons in celebration--you will have only won a "skirmish" and the battles in front of you are many and varied--the war is long from being won by you-the-people of the world.

Some of you look disgruntled and shout, "You were and are wrong, Hatonn!" No, I am not and I ask that you carefully read again that which has been given unto you. You ones seek error from higher vision (and all I have to do is look at "their" plans on their boards). World domination is being accomplished steadily at your expense and right on schedule as Mr. Lips tells you. You just don't recognize your enemy nor the war at hand--it has very, very little to do with one Saddam Hussein for he was your "friend" and you supplied him with weapons to fight and kill yourselves. He is still holding his massive destruction weapons. Haven't you noted that only TWO Silk-worm missiles have been utilized? Haven't you noted that until today there have been no chemical or biological warheads? Haven't you noted that the ONLY intended real Scud target was hit dead-on! Where are the nuclear warheads which have now been established (in surprise) by your own government and the Pentagon? Tell me WHEN all those "Russians" went home? I only ask that you be cautious in perceptions for things are changed on you "slowly" so that you agree to the poison bit by bit and then are too weak to finally fight the lethal dose if you note it at all.

I have a little true story to tell you. As with one of my scribes, I periodically have to put her/him to fast and it is most annoying--but as pulse beams are changed sometimes they are geared to the very mineral particulate in the body and to counter the impact the body must be immediately altered in composition of cellular structure. That change can sometimes be more rapidly effective than to counter the beams electronically and harder for your Earth people to measure. Remember something very important indeed--God knows of every sparrow of the field and has counted every hair of your heads--He overlooks nothing and

he abides within EACH so He has first-hand knowledge! So be it.

Now to return to AMERICAN FREEDOM & ZIONIST POWER.

QUOTE:

THE MONEY POWER

A MAJOR REASON FOR THE disproportionate "Jewish" influence in the Congress stems from the disproportionate amount of money that Jews give to large numbers of American senators and representatives and the political parties. There can be no doubt that much of this money comes from Zionist and pro-Zionist sources as deliberate bribes to influence American foreign policy. In a greedy and imperfect society, Jews have learned well that economic power is political power. Stephen Isaacs observed in his *Jews and American Politics* (p.128), that "bribery has been an essential part of Jewish history".

Former Secretary of Defense Forrestal (and this gentleman got murdered for his sharing with you-the-people) recorded in his diary dated 3 December, 1947, that he realized that a substantial part of the Democratic funds came from Zionist sources inclined to ask in return for "a lien upon this part (the Palestine question) of our national policy". In a diary entry dated 26 November, 1947, Forrestal wrote that the chairman of the National Democratic Committee had told him, "Jewish sources were responsible for a substantial part of the contributions to the National Democratic Committee, and many of the contributions were made with a distinct view that they would have an opportunity to express their views, and have them seriously considered, on the Palestine problem."

The speaking engagements of the most pro-Israel politicians, and the flattering awards, plaques and honoraria received by them from pro-Israel groups attest to this deplorable fact of political life. United States public officials--such as Senators Hubert Humphrey, Clifford Case, Henry Jackson and others--hungrily seek out and accept speaking engagements before

Zionist groups such as the AIPAC where they grub for the Jewish vote and shekel by promising Israel everything but the American sky. The reader can consult sources such as the *Congressional Quarterly*, Federal Election Commission reports and reports filed with the clerks of both houses of Congress for specific documentation of contributions. They are too numerous even to begin to list here but all such reports must be considered as incomplete for the years reported.

Few men or women seeking public office seem able to resist the blandishments offered by the affluent Jewish community. *The Houston Post* describes Senator Lloyd Bentsen's effort to garner Jewish support as follows: "Bentsen, who is testing the waters for a bid for the Democratic presidential nomination in 1976, has begun making appearances before national Jewish groups, many of whose members have been major contributors to Democratic campaigns in the past. Two weeks ago the senator addressed the American Zionist Federation in Miami and last Monday he spoke to the American Israel Public Affairs Committee in Washington." (Senator Bentsen is a Texas oil and gas and insurance multi-millionaire who obviously does not need money; it is expanded political power he seeks with help from the Jewish community.)

Political candidates attempt to make these speaking engagements as profitable as possible by sweet-talking the Jews with laudatory comments about Israel. What better way than to compare Israel with America. So, at these functions there is always the inevitable, favorable comparison. The national interests of both countries are usually described as "common," "mutual" or "parallel" if not exactly the same. In the aforementioned case of Bentsen, the *Post* quotes his glowing praise of Israel to the Zionist lobby group of AIPAC: "...Bentsen described Israel as the United States' 'sister democracy,' a nation that symbolizes to all mankind 'the breaking of the chains of human bondage--it must not be allowed to perish.'" At another such function, former HEW Secretary Elliot Richardson

told 2,000 delegates attending a Jewish War Veterans convention in Houston: "The president sees no need to distinguish in the Middle East between the interest of Israel and the interest of the United States."

For a fully documented treatise on Israeli democracy and how it compares with democracy in America, the reader is referred to a massive text, *The Golden Calf*. The twenty-fifth chapter of this documentary is devoted to the entitled subject. "Democracy in Israel" and is available in pamphlet form from the American Palestine Committee. This book will inform its reader of more truth and facts about Israel than he will learn from the electronic news media in a lifetime.

Israel has become our fifty-first state in all but name. Based upon fiscal year data, Israel is now the annual recipient of more United States aid than all the states of the union combined under the federal government's program of revenue sharing with the states. (Hatonn: It *should* shock you. Know that it *has been suggested that Israel be annexed as a State--this was rejected soundly by Israel for doing so would cut benefits currently flowing to Israel!!!!* In addition it was pointed out at the Israeli council regarding the matter--that more control and influence is retained for impact in the U.S. government by 'acting in separation'.) According to *Business Week* (December 15, 1975), about a third of "\$6 billion a year goes to the 50 states..." under the October 1972 Revenue Sharing Act. That is \$2 billion distributed among the fifty states. United States aid to Israel in fiscal 1974 easily surpassed that amount when on December 26, 1973, President Nixon signed the Foreign Assistance Act giving \$2.2 billion to Israel. (Hatonn: Surely you must recall that you now give over \$3 BILLION IN CASH and an additional \$9 Billion in other aid--having just handed over \$400 million as a down payment in credits for housing for Soviet emigres. Worse than that, the entanglement over those funds got so testy that it was somehow neglected to get full assurance that the money would not

go for housing in the West Bank--which is already under massive construction! But where is your U.N.? You had best start looking very, very closely at these magical hands and calculators! Please keep uppermost in mind that the document which I am utilizing was presented in early 1977 and is totally obsolete as to current figures.) In each subsequent year, the Congress has appropriated similar amounts for Israel and the end is not yet in sight. For verification of dollar amounts of these and various other appropriations for Israel, the reader should consult the governmental documents, "Foreign Assistance and Related Programs Appropriations Act, 1976," 22 USC 2346, 7 USE 1701, and the note on 22 USE 2751 concerning the "Foreign Military Credit Sales" for 1976. The reader is referred to the *Congressional Record* (December 11, 1973, pp. H 11073-H 11102) for an interesting debate on H.R. 11088 which resulted in the \$2.2 billion aid to Israel.

Leonard J. Davis wrote an article entitled "The 'Jewish Lobby' in Washington" which was published in *The Cleveland Jewish News* on January 24, 1975. Mr. Davis is a staff writer for the *Near East Report*, the AIPAC lobby sheet. Mr. Davis acknowledges that "the Jewish vote is frequently identifiable as a bloc," and refers to Stephen Isaac's book, *Jews and American Politics*, to confirm that not only the ballot but "the contribution plays a major role, in securing congressional support" for pro-Zionist legislation. He then explains from the same source: "Jews give more money to campaigns than any other American group, far beyond their 3 percent population figure would suggest. When the time comes for a congressman to decide which way to vote on a controversial issue, he may just remember which side of the 'bread' is buttered."

In a dialogue with Eric Severied, George F. Kennan, a former United States' ambassador to Russia and Yugoslavia, noted author (two Pulitzer prizes) and foremost educator in foreign affairs was asked about the Middle East Conflict. Mr. Kennan promptly replied that before the Mideast conflict can be

solved, the Congress must divorce itself from the Zionist lobbyists in Washington. (Mr. Severied just as promptly dropped the subject, evidently preferring not to pursue the matter any further.) In its *Near East Report* issue of September 17, 1975, the AIPAC attacked Ambassador Kennan for making his revealing, straight-forward statement. According to AIPAC logic, it is evidently fine for one of its own staff writers to devote an entire article to "The 'Jewish Lobby' in Washington" as long as it is printed in a selected medium such as *The Cleveland Jewish News*; however, a noted public servant such as Ambassador Kennan must never tell the American people at large of these sordid matters. General Brown and Ambassador Kennan are not alone; the facts and truths of these matters testify with them and will sustain their positions in the pages of history long after the Zionist State of Israel ceases to exist.

The congress has made only feeble attempts to regulate lobbies and to monitor their lobbying activities. The Federal Election Campaign Act of 1971 was a step in the right direction. More recently, the House in the 94th Congress passed the "Public Disclosure of Lobbying Act of 1976" which would have required all lobbies to file quarterly reports on the exact nature of their business with congressmen as well as to report total money spent with respect to lobbying efforts. However, the Senate "majority of seventy" failed to act on this much needed legislation. It is possible that the Senate was too busy being lobbied to have time to consider it. Unfortunately, with human nature being what it is, there appears to be no easy solution to the problem. But the problem is a fact and a national disgrace. If the Congress continues to apply ethnic diplomacy in foreign affairs instead of considering the nation's interest as a whole, the future of this country is grim indeed.

On NBC's "Meet the Press" (July 27, 1975) the following colloquy occurred between NBC's Bill Monroe and Senator Mike Mansfield:

Mr. Monroe: "Another subject involving Congressional action-- Greek-Americans influenced the House vote against arms for Turkey; Jewish-Americans have been lobbying against the idea of missiles to Jordan. Are we getting too far into a foreign policy made by Congress responsive to domestic political issues?"

Senator Mansfield: "Ethnicity does have its effect."

Mr. Monroe: "You are worried about this tendency?"

Senator Mansfield: "Yes, because I can only give my loyalty to one country, and that happens to be the United States of America. My father and mother were immigrants from Ireland, but my loyalty isn't to Ireland; it is to this country, no question."

The risks of ethnic diplomacy involve the dragging of a nation into wars unrelated to its national interests. Furthermore, the prostitution of the nation's laws by the Congress to narrow, separatist groups in order to gain special religio-ethnic results in a foreign land is a far more serious breach of the Constitution than a president's cover-up of a second-rate burglary.

BIGOTRY OR EXCLUSIVISM?

JEWES HAVE MASTERFULLY exploited the economic and political values of religious unity in all ages, but nowhere has this been more evident than in twentieth-century America where they have taken extraordinary advantage of certain freedoms and rights which they sometimes deny to others.

These exploitations have gained them virtual monopolies in the motion picture industry, television news and programming, merchandise chain-retailing, institutional investment banking and stock brokerage, certain domestic and foreign commodity markets linked to their control of gold and uranium mining in South Africa and, of course, the diamond industry which Jews control worldwide from production to retail distribution. It would be difficult for

even a casual observer to escape the conclusion that this hegemonic, oligarchic control by a single ethnocentric group could have occurred except by conscious, deliberate and conspiratorial efforts nourished from generation to generation by a religious ideology that teaches not so much the equality and brotherhood of mankind as preoccupation with its own greatness. Jews thus exemplify themselves as a self-worshipping people* (a fact which would be related to much of the persecution they have experienced). The practice of *stick-togetherness*, when carried out by non-Jews, is known as bigotry; when practiced by Jews it is politely called *exclusivism*.

* In his *Occidental Mythology* (p. 138), Joseph Campbell astutely observed that the hero in the biblical myth of descent and return is the Jewish *people*. This is in stark contrast to other ancient myths of this order wherein the hero or god is an *individual!*. The psychological implications for the Jew who believes in the myth of the Chosen People have been investigated by many, including Sigmund Freud. Some of the suggested implications fall within the bounds of human experience delineated by schizophrenia. This schizophrenic attitude is examined by both Jew and Arab in the excellent articles, "We and the Gentiles" by Rubinstein and "They and the Gentiles" by Mehdi in the July/August 1971 issue of *Atlas* magazine. The literature on this theme is practically inexhaustible and its central point seems best expressed by the Jewish-French writer Rabi: "Judaism is essentially a self-assumed tragedy" and "Anti-Semitism is a part of ourselves, of our being and our life." But as Mazrui has pointed out, "Israel's ethnic exclusivity, tied directly to the political logic of establishing a *Jewish* state, is the moral problem which many Western intellectuals have been psychologically unable to acknowledge."

(Hatonn: Please keep uppermost in your minds that the term "JEW" did not appear in literature nor in any language until the 18th century. Even at that it is a "corrupted" English word for the 4th century Latin "Iudaeus".

Further, keep in mind that the so-called or self-styled "Jews" in eastern Europe were NEVER Semites, are NOT Semites now, nor can they ever be regarded as "Semites" at any future time by any stretch of the imagination. Therefore, to claim Anti-Semitism to this group of people is absurd for it has no meaning in relationship to them, whatsoever. The assumption is likewise absurd and impossible, that these "Jews" could be the "Chosen People" for they come from the Khazar lineage. Now, the wondrous question is HOW and WHY the origin and the history of the Khazars and Khazar Kingdom was so well concealed from the world for so many centuries? It surely exists and existed and historically is documented. Could it be by the same deceptions which capture the world now in erroneous information such as "Jews", "anti-Semite" and "Zionists"? By evidence of the (All Vows Vow) Kol Nidre, the self-labeled "JEWS" vow to keep no vows and swear on the Talmud to lie to all Goys--which is about everyone other than the self-styled or so-called self-appointed "JEWS". Anything you doubt herein--go look for yourselves for it is all written and documented!

Imagine, if one can, an entire industry under control of a single Gentile or Protestant group, say the Baptists. How long would it take the American Civil Liberties Union to file a legal suit against such a monopoly, charging violations of various governmental laws which prohibit racial and religious discrimination?

While lashing out at the Arab oil cartel, Jewish groups seem little concerned about the Jewish diamond cartel or the oligarchic, Jewish control of the national television networks--ABC, CBS, NBC (and CNN)--whose newscasts and other programs are used daily to propagandize and brainwash the American people on almost any topic from abortion to Zionism.

A recent and blatant example of pro-Zionist propaganda was telecast by CBS on August 26, 1976 under the title "The Tenth Level." This program depicted

Jews and blacks as the few persecuted ones while WASPS (White Anglo-Saxon Protestants) were depicted as the ever-present persecutors. The PLO (Palestine Liberation Organization) was referred to as a "dedicated terrorist group", while no mention was made of the half-million Arabs who fled their homes in Palestine because of Jewish terrorist organizations such as the Hagana (the former military arm of the Jewish Agency), the Stern Gang and the Irgun Group which, on the night of April 9, 1948, ambushed the Arab village of Deir Yassin and massacred two-hundred and fifty-four of its inhabitants, many of whom were old men, women and children.

Some of these Jewish terrorists were later rewarded with election to Israel's parliament, the Knesset. A former head of the Irgun terrorist gang, Menachem Begin, remains in the Knesset where he has convinced Israel it should never deal with the PLO because it is a terrorist group!*

* On May 17, 1977, Menachem Begin's extremist right-wing party, the Likud, was victorious in Israel's national elections. The victory will elevate Begin to the position of prime minister of Israel (Hatonn: I believe that is borne out.) When Prime Minister Begin comes calling on Washington for aid, as his predecessors have done before him, President Carter's White House welcome to "the Butcher of Deir Yassin" promises to explode the president's human rights issue. Millions of human beings, along with their leaders, will see the president's human rights campaign as nothing more than a political sham. (Hatonn: Alas, by that time everyone had gone back to sleep--mesmerized by other distractions.)

Scores of movies have been produced about Nazi atrocities in World War II, but the Jewish-controlled film industry has yet to produce a single movie about Zionist terrorism during the violent period of 1943-1948 which led to the reestablishment of the "Holy Land." The film makers decided long ago that, to the American audience at least, one "Victory at

Entebbe" is worth more than one "Massacre at Deir Yassin."

Jews are good script writers, good image makers and good actors. And because a credulous Western world has accepted their created imagery, that world, so falsely led, is now faced with the enigma of reality. So confronted, Judaism has caused its adherents--particularly those in Israel--to be victimized by its own inventions. Truth and Reason are not moldable as putty nor will these fit into a house of fantasy.

Unprecedented social and economic crises exist in Israel today. *the Jewish Frontier* (October 1976, p.8) contains an advertisement placed by the Development Corporation for Israel. The following quotes are excerpts from that ad: "As we begin the new year, the people of Israel face tremendous economic burdens which will require a far greater measure of support from the Israel Bond Organization than ever before....The Israelis are making sacrifices. Taxes are the highest in the world, amounting to about 70%. The Government has been forced to cut back on health, education, and other social services....Israel is in urgent need of increased income...." The ad ends with a plea to the American Jew to strengthen his "*Bond with Israel with an Israel Bond.*"

THE UNHOLY ALLIANCE

THE FORTUNES OF ISRAEL AND America have been allowed to become so entangled by monetary, political and emotional ties as to be inextricably bound together in an unholy alliance (some would say Holy Alliance). This strange alliance with Israel, developed over the past twenty-nine years, has brought this country--and the world--to the very brink of disaster. During the 1973 Yom Kippur War all United States armed forces were placed on world-wide alert, to come to Israel's rescue if necessary. The existence of this situation is itself *prima facie* evidence of the extent of Jewish power. There need be no further documentation of this fact.

Mr. Fagan Dickson, an Austin, Texas attorney, has made two trips to the Supreme Court to test the question of whether Israel is an establishment of religion within the meaning of the First Amendment. In the first case, the court side-stepped the issue on procedural grounds. In the second case, it passed the "buck" to the Congress and the Executive Departments and, without saying so, relied on the Nixon Doctrine of "Reasons of State".

A Pennsylvania businessman, Michael J. Bennett, filed a lawsuit to halt United States aid to Israel until Israel separates religion from state matters. According to *Church and State* (September 1975), "Bennett lived and studied in Jerusalem, where he met his wife, who is Jewish and a native of Israel. They had to be married in the United States, Bennett told reporters, because Israeli law does not allow religiously mixed marriages."

In keeping with an apparent policy to protect Israel from public embarrassment, the nationally televised news programs never informed the American public of Mr. Dickson's Supreme Court challenges to the fundamental issue of American support of Israel in the Middle East religious conflict nor through such media was the public told of the Bennett case as far as this writer can determine.

Our founding forefathers wisely forbade governmental establishment of religion or the union of church and state in any form or endeavor, whether it be called Zionism or just *ism*. Thomas Jefferson wrote, "...to compel a man to furnish contributions of money for the propagation of religious opinions which he disbelieves, is sinful and tyrannical." In Washington, D.C., these immortal words are engraved in the stone of the Jefferson Memorial: "I have sworn upon the altar of God, eternal hostility against every form of tyranny over the mind of man." No free intellect can do less and remain free. It is indeed ironic that the success and fate of the theocratic State of Israel--where religion and politics are wedded--depend upon the military power of

the United States whose Constitution requires the separation of church and state.

It now seems more than chance that determined that the ascendancy of America's post-World War II power should coincide with the establishment of the State of Israel. That Israel was established at a time when America had no military peer bespeaks volumes about Zionist influence and manipulation of American foreign policy.

EPILOGUE--A LARGER PERSPECTIVE

A GREAT SAGA, CONCEIVED in mythic fantasy, is being acted out in the real world and, as each scene is played, it becomes part of the historical setting for what is to follow. The script for that story was finished by the Temple Jews about 400 B.C. with the Book of Ezra. For other Jews and converted Gentiles (Christians) the script was not completed until about 96 A.D.

Both scripts have been studied and the lines, although not always agreed upon, have been well learned. The rehearsals are over. The curtains are open. We are late as the play unfolds before us. The paramount question is, "When will the play-acting end?" That, of course, will depend upon which script is followed, and for how long, and which scene Reason will interrupt.

THE DECLINE OF THE WEST

The 1973 Yom Kippur War, with its attendant Arab oil embargo against those nations helping Israel, marks the end of a period of global, strategic hegemony of the Western nations, led by the United States. The worm has turned or is turning. The beginning of the decline of Western, cultic imperialism has begun. Before this generation ends, the blacks who mine the gold and diamond riches in South Africa will tear down the fences which the cults of *bigotry and exclusivism* have erected.

A comparison of *apartheid* and *Zionism* shows enough similarities that an overt, conscious effort is

required to avoid the conclusion that both derive from a form of racism. For comparison purposes and examination of some of the issues involved, one should read the following articles in *Foreign Affairs*: "Black Africa and the Arabs" (July 1975), "Inside the Laager: White Power in South Africa" (Oct. 1976) and "The Anti-Zionist Resolution" (Oct 1976). Other comparative examinations of Zionism and racism can be found in *The Link* (Vol.8, No.5, Winter 1975-6) and in the "Report on the Relations Between Israel and South Africa" released by the United Nations Special Committee Against *Apartheid*. It may well be that the decline of the West, aided by an intransigent Israel, will bring the social salvation of mankind. A spark of hope lies with the youth and anti-clericalists of the Jewish community. Often more sensitive and alert to social injustices than their elders, many young "Jews" openly condemn the racist capitalism which contains some of the seeds that perpetuate the historic "Jewish" problem.

Compare the writings of young Jewish authors such as those who wrote *The Class Nature of Israel* with those of the old traditionalists such as Rabbi Stanley A. Ringer. Rabbi Ringer, writing in the *Jewish Frontier* (March 1972), stated: "First of all we need a strategic base. That is to say, Jews must establish their own 'conditions' of production to be able to build a group structure based on mutual cooperation, ethnic self-interest and cultural and ethical integrity." If this statement by Rabbi Ringer does not advocate economic racism then the English language has no meaning.

The rabbi's advocacy of a *Jewish* economic system is racism of the rankest kind--a racism dependent upon religious bigotry. It is the kind of racism that has plagued the Jewish people throughout their history. What the world Jewish community needs is more Noam Chomskys, Moshe Machovers, Akiva Orrs, Israel Shahaks and Felicia Langers; these are people concerned about the *brotherhood of mankind*.

WHO IS A JEW?

Few seem to recognize that the solution to the Jewish problem lies in the answer to the question, "Who is a Jew?". The author hesitates to use mystical arguments to answer a question which Judaism raises, but the question itself is cloaked with mysticism and, therefore, seemingly would exclude itself from logical or intellectual inquiry. Many years of study have convinced the author that any serious attempt to solve the Judaic dilemma (exemplified by the Arab-Israeli Conflict) must address itself to the temporal Jew's belief in his unique relationship with God. The spiritual analogue of that relationship is beautifully explained in the New Testament where the answer to the central question was given long before the Israeli Keneset ever sat in council to debate the issue:

For he is not a Jew, which is one outwardly; neither is that circumcision, which is outward in the flesh:

But he is a Jew, which is one inwardly; and circumcision is that of the heart, in the spirit, and not in the letter; whose praise is not of men, but of God. -Romans 2:28,29.

(Hatonn: and even in this writing is the total fabrication and mistranslation by usage of a word "Jew" which was non-existent prior to the 18th Century!)

The author could not resist giving the King James translation of this passage because of its poetic symmetry, but for his exegetic purpose *The Living Bible Paraphrased* is best rendered:

For you are not real Jews just because you were born of Jewish parents or because you have gone through the Jewish initiation ceremony of circumcision.

No, a real Jew is anyone whose heart is right with God. For God is not looking for those who cut their bodies in actual circumcision, but he is looking for those with changed hearts and minds. Whoever has that kind of

change in his life will get his praise from God, if not from you.

The tropology of Scriptural language is here so clearly explained by the Apostle as to preclude any preference for the *natural* Jew unless, of course, one is intent on justifying certain ethnic attitudes and practices upon biblical or religious grounds. These grounds can and have been used by unreasonable and predisposed minds to justify anything.

It would be obvious that the efficacy of a wholly *spiritual* relationship cannot depend upon, nor relate to, the question of one's ethnic heritage. And clearly, societal discrimination should be on a higher plane such as ethics and not upon a basis of ethnocentrism. In the words of Dr. John Nicholls Booth, an eminent minister and educator, "Experience has shown that religion or ethnicism as the bases of nations are Neanderthal structures inconsistent with enlightened and beneficial political entities." The recognition and acceptance by man of his common genesis will not lead him into a system of theology or philosophy which is rooted in racism.

In Israel, the question of "Who is a Jew?" has caused deep family and social disruptions created by state efforts to define the question legally. Any illegitimate child born in Israel of Jewish parents is not permitted to marry there because of the state rabbinate's monopoly on marriage. The rabbinical courts in Israel interpret the Bible to say that *mamzerim*--Hebrew for bastards--cannot be regarded as Jews. These *mamzerim* are forced to wed outside Israel because of the rabbinate's refusal to allow their marriage. Even then their marriage is not recognized in Israel and the children born of *mamzerim* are also classified as bastards. In 1971, there was an estimated 40,000 Israelis whose social and family statuses were affected by Israel's biblical marriage laws, Dr. George Tamarin, an Israeli psychologist and anti-clericalist, has stated: "When India became independent, it did away with the untouchable caste. When Israel became independent, it introduced

it." To dramatize their struggle in this area, anti-clericalists have set aside November 9th in Israel and declared it to be "National Bastard Day."

The Legend of the Chosen People is a product of the art of manipulating men--a prime example of mythic inflation. The Chosen People concept of Judaism is repugnant to Reason from which derived the principle of the dignity and equality of mankind. When followed in practice, it leads to violations of the Universal Declaration on Human Rights and the United Nations Charter. Moreover, Christianity rejects the Judaic concept of ethnocentrism and Paul rebuked Peter for his hypocrisy in this matter.

The Chosen People concept is the bedrock of doctrinal racism. It is the founding rule of Jewish nationalism promulgated by modern Zionists under color and the supposed protection of religion. Historically, the concept has acted to deter the unity of mankind and the peace of nations. In this generation alone, four wars have been fought over it and a fifth is in the offing but has to wait while the nations involved take time out to rearm themselves. One wonders if the flames of passion against the *goyim* (other nations) are rekindled when the biblical exploits of King Saul are read by the "chosen people".

The United nations debate on Zionism brought the following response from the Synagogue Council of America which represents the Reform, Orthodox and Conservative branches of Judaism in the United States: "Zionism is the liberation movement of the Jewish people in modern times....But Zionism is more than a political phenomenon. It is an expression of Jewish religious belief and hope, for it witnesses to the most distinctive aspects of Jewish faith. Specifically, it is a profoundly spiritual expression of Jewish fidelity to the Biblical covenant which links a people, faith, and a land in an indissoluble religious unity. It is that unity which is most characteristic and distinctive of Jewish spirituality." It is noteworthy that Zionism is more than

just politics or "a political phenomenon". It is essentially espoused to be a religion of biblical origin. The union of politics with religion has bedeviled the Jewish people throughout their history. It has caused perpetual strife not only within the Jewish community itself but between it and its neighbors, whoever these neighbors have been.

There can be no truthful denial that the Arab-Jewish conflict has grown from theological roots. Israel's own ambassador to the United Nations, Chaim Herzog, again confirmed this during the United Nations debate on Zionism when he stated that Zionism is the name of the national movement of the Jewish people as established in the Bible and is an integral part of the Jewish religion. After interviewing Israel's Prime Minister Ben-Gurion in 1956, the Jewish columnist Joseph Alsop wrote an article for the now defunct *New York Post Dispatch* (June 13, 1956): "In these days, the Old Testament is hardly news. Yet every Western policymaker and every Arab leader ought to study it prayerfully, for there is no other way to understand the spirit of David Ben-Gurion, which is also in large measure the priority of his people. That spirit is a cardinal fact in the Middle East; and if you do not take it as fact, you are bound to make the wildest misjudgments and nourish the most idiotic false hopes."

Because of the theological nature of the Middle East Conflict, it is unlikely that the diplomatic or military forces of the United States, or of other nations, can solve the dispute. That dispute is the result of belief in Jewish mythology and it will end when men quit their beliefs in mythic folly. That dispute will end when man learns that in *creedal*, formal religions symbols are created to fill the void of man's ignorance or to stand in place of the ineffable. But God will not be mocked by any definition of creed or limitation of symbolism.

"Like the Nyanga tribesman...[who] shares a 'psychic identity' with the animal--an identity that exists in there

realm of myth and symbolism," the Christian fundamentalist shares a psychic association or "mystical participation" with the natural Jew who claims to be the "chosen" of God. Unfortunately, Zionists and other zealous fundamentalists have concerned themselves with the symbols (such as the temporal "Holy Land" or the temporal "Holy City") rather than the realization of a spiritual relationship with their Creator. So while the natural Jew fights his symbolic war with murderous weapons supplied by the United States government, his spiritual counterpart will be attempting to follow the Golden Rule.

END OF QUOTING

So be it and may God place His seal and blessing upon the Word of Truth. You who proclaim yourselves to be "Jews" and say, "...I am Jewish and I should know--that it is certainly not this way!" I suggest you look again for you are most grossly misinformed and that disinformation and misperception will lead you FIRST down the "primrose path" into the briar-patch. You of the "Godly Jews" who have given of time and money toward that which you understood to be the "Chosen place and people of God" are deceived and what you have done is contribute to the downfall of your very origin and heritage and placed it into the hands of the infidels and deceivers of Truth. I ask only that you stop the denial long enough to find the Truth of this which we are giving unto you for it is now passed in years long enough to have your proof of these statements--but you shall have to look where the answers have been hidden and suppressed for deceivers continue harder and more violently to cover the lies. So be it and I close now that this segment may be added unto the Journal.
